NATIONAL STEEPLECHASE ASSOCIATION

APPROVES LASIX In a resolution announced yesterday, the National Steeplechase Association will allow the use of Lasix at its sanctioned race meetings starting in 1996. Under the resolution, the final decision on Lasix use will lie with the individual race meetings. Details of the medication program, its enforcement and a list of those race meets which will allow the medication are being finalized and will be announced at a later date. "We spent a lot of time debating the issue," said William L. Pape, NSA president. "The concerns of some meets regarding the reactions of charitable beneficiaries and corporate sponsors encouraged us to leave the ultimate choice on Lasix with the meets." The NSA sanctions 40 race meets in 11 states during the March to November steeplechase season. In another ruling, the NSA board adopted an amateur/apprentice rider program to be funded through the National Steeplechase Foundation. The program designates 10 races as open to amateurs and apprentices only; the NSF will offer \$5,000 purse enhancements for each of the races. The board also elected its officers for 1996: Mrs. Miles Valentine, honorary chairman; George Strawbridge Jr., chairman emeritus; John A. Wayt Jr., chairman of the board; William L. Pape, president; Charles C. Fenwick Jr., vice president; Gillian S. Johnston, treasurer; Richard J.M. Poulson, secretary; Charles T. Colgan, executive vice president. Bill Gallo and Peter McGivney were appointed racing secretary and assistant racing secretary, respectively.

DICK HANSON APPOINTED ACTING JOCKEY CLUB STEWARD AT NYRA

The Jockey Club advised yesterday that longtime Finger Lakes racing official Richard Hanson has been appointed acting Jockey Club Steward for the New York Racing Association. A statement concerning Clinton P. Pitts Jr., who had been The Jockey Club Steward at NYRA since 1992 when he filled the seat vacated on the retirement of Dr. Manuel Gilman, will be made in the near future. The announcement follows a report published in the January 3 *Daily Racing Form* in which jockey agent Anthony Stabile accused Pitts of "making an ethnic slur and using profanity" during a confrontation between the two in the Aqueduct racing office. Pitts denied the charges; Stabile was fined \$500 for his part in the skirmish.

Klassy Kim (Silent Screen) won the GIII Monrovia H. at 6½-furlongs over the Santa Anita turf in her last start Jan. 6. The five-year-old mare won two stakes on the main track last year--the GII El Encino S. and the California Cup Distaff, both at Santa Anita.

Sunday, February 4, Santa Anita:

STRUB S.-GI, \$500,000, 4yo, 1 1/4m

Helmsman (El Gran Senor), who ventured off the turf for the first time Jan. 13 to take the GII San Fernando S. at 1 1/8-miles over Santa Anita's main track, will point next for the 1 1/4-mile Strub S. "I can't see (the longer distance) being a problem at all," said trainer Wally Dollase. "He's by El Gran Senor, and almost all of his progeny can run long. And he just runs like a horse who will take to the distance. He's finished all of his races very, very well." Probables for the 49th running of the Strub S. also include **Afternoon Deelites** (Private Terms), **Flying Chevron** (Carson City), **Gold and Steel** (Fr) (Shining Steel {GB}), **Mighty Magee** (Cormorant), **The Key Rainbow** (Ire) (Rainbow Quest), **Pinfloron** (Fr) (Caerleon), **Oncefortheroad** (Falstaff) and **Mr Purple** (Deputy Minister). The Strub S. will be telecast live on ESPN. Chris Lincoln and Dave Johnson will co-anchor the one-hour telecast, which will run from 1:30 to 2:30 p.m. (PST). The telecast will also include coverage of the GII Hutcheson S. for three-year-olds from Gulfstream Park.

TURFWAY BOOSTS PURSES Turfway Park officials announced yesterday that, effective with last night's card, the track will hike purses by as much as 18 percent. The increase raises Turfway's daily estimated purse distribution to \$240,000. "Turfway Park has endured significant adversity this month, and so have our horse owners and trainers," said Mark Simendinger, the track's president. "We have been forced to cancel eight days of racing, and that has had negative effects for both the track and our horsemen. Except for one snowy day during that period, The Race Book has been in operation, and our full-card simulcasts have generated new revenues for purses. We decided to give our loyal horse owners and trainers--the people who have weathered the storm with us--an immediate chance to recoup some income through higher purses." Under the new purse schedule, claiming races will be raised 10 percent, and allowance and maiden special weight events will go up by 18 percent, including supplements from the Kentucky Thoroughbred Development Fund for Kentucky-bred horses. The minimum purse, for \$4,000 claimers, will now be \$6,700. Turfway will also implement a change in how the purses are paid. In the past, purses were paid to the first four finishers in each race. Now, purse money will be paid to the first five finishers: 62 percent for first, 20 percent to second, 10 percent to third, 5 percent to fourth, and 3 percent to fifth.

TOP TURF MARES TO NUREYEV Two seven-year-old, multiple stakes-winning mares--**Market Booster** (Green Dancer) and **Words of War** (Lord at War {Arg})--have been retired this week and will bred in 1996 to Nureyev. Market Booster, who in 1993 was named the Highweight Older Mare in both Germany and Ireland at 9½ to 11 furlongs, was a group stakes winner in both countries at ages three and four. She was then sent to the U.S., where she won five of 26 starts, all on the turf, including the GII Long Island H. and GIII Sheepshead Bay H. in 1994. Owned by Moyglare Stud Farm, Market Booster last raced Jan. 15, finishing fourth as the favorite in a turf allowance at Gulfstream. She retires with earnings of \$667,975. Words of War won five listed stakes from ages two to five; she last raced Oct. 13 at Keeneland, finishing fourth in the Bryan Station S. at a mile on the turf. She retires with nine victories in 44 starts for earnings of \$680,828.

TAX REDUCTION BILL INTRODUCED IN

KENTUCKY Two racetrack tax-reduction bills have been introduced in Kentucky's General Assembly, according to a story in today's *Daily Racing Form*. Legislation introduced Tuesday calls for a reduction in the state tax paid by Churchill Downs and Keeneland from 3.5 percent to 1.5 percent, the amount paid by all other racetracks in Kentucky. A second bill calls for elimination of the state tax at racetracks where average daily handle is less than \$350,000. Also included in the second bill is a provision to split full-card simulcasting dates between Keeneland and The Red Mile 60 percent to 40 percent, respectively.

PEAKS TOPS CANADIAN FREE HANDICAP

Canadian Horse of the Year **Peaks And Valleys** (Mt. Livermore) was assigned highweight on the 1995 Canadian Free Handicaps. The list was announced Wednesday by the Ontario Jockey Club. Peaks and Valleys was listed at 130 pounds in the three-year-old colts and geldings division of a nine furlong race. MGSW **Timarida (Ire)** (Kalaglow) was listed at 129 pounds in the fillies and mares division in a 10 furlong turf race. The three pound sex allowance makes her the theoretical highweight on the list. Oaks champion **Gal in a Ruckus** (Bold Ruckus) was highweighted at 127 pounds for three-year-old fillies going nine furlongs. **Lassigny** (Gone West) also made an appearance on the top of the Handicap charts. The six-year-old champion of last year's GI Rothmans International S. was listed at 126 pounds in the three-year-olds and up, colts, geldings and horses division of a 10 furlong turf race.

BETTING ON EPSOM DERBY DOWN The Epsom Derby suffered a 20 percent decrease in gambling in 1995. Coral bookmakers, one of Britain's big-three betting firms, reported the drop and attributed much of it to the introduction of a weekly National Lottery as well as the Derby's move from its traditional Sunday running to Saturday. Coral also reported a 10 percent drop in betting on the Grand National. A spokesman for the group said, "The old traditions of a flutter on the Derby and the National are under threat." Betting on this year's Derby could be even more precarious. The race is scheduled to be run just 35 minutes before England's soccer team starts a game in the European Football Championships, June 8.

BILL MOTT ON "SUNDAY MORNING" Trainer Bill Mott will be featured on the February 11 edition of CBS News' *Sunday Morning*, hosted by Charles Osgood. The segment, produced by Bud Lamoreaux, includes footage of Mott with Cigar at Payson Park and with his stable at Gulfstream Park; there are also interviews from Mott's hometown of Mobridge, South Dakota. Lamoreaux and his crew visited the town of 3,700 plus in mid-January. "When I went to leave the motel, the clerk told me 'It's warming up. The temperature is 20 degrees below zero and the windchill is 81 below'," said Lamoreaux.

ALMEIDA RELEASED FROM HOSPITAL Jockey Goncalino Almeida, who suffered two broken legs in a spill at Santa Anita last Saturday, has been released from Arcadia Methodist Hospital and is recovering at his home in Arcadia, California. Almeida has had a special bed placed in his bedroom, and he will work with a physical therapist twice a week, doing mainly ankle exercises. Almeida celebrates his 40th birthday Sunday.

DERBY OWNER/BREEDER PLEADS GUILTY

David "Pud" Foster, the owner and breeder of 1983 Kentucky Derby Sunny's Halo, faces sentencing after pleading guilty to fraud and stock manipulation. Foster, the former president, majority owner and director of Durham Securities Ltd., and Alex Pancer, vice president of the company, pled guilty to the charges in an Ontario court January 24. Both men were accused of two counts of stock manipulation and two counts of fraud in a \$10.9 million scheme which was in operation from September, 1988 to March, 1990. The Ontario Securities Commission canceled Durham's registration in 1991 and suspended the licenses of both Foster and Pancer. Foster, 80, and Pancer, 73, will be sentenced March 25. The two are unlikely to face jail time because of serious health problems, but will be hit with substantial fines.

PINEING PATTY RETIRED W. Cal Partee's Pineing Patty (Country Pine) bowed a tendon in winning his last start, the \$100,000 Calder Derby Oct. 21, and has been retired. "This leaves a major void for us," Pineing Patty's trainer Lynn Whiting told the *Daily Racing Form*. "The colt was really coming into his own and was improving from race to race. He was our hope for all the big handicap races this year." Pineing Patty had an outstanding three-year-old campaign in 1995, winning four of seven starts with two seconds and a third. Along with the Calder Derby, his victories included the Gil Pennsylvania Derby and the \$100,000 Omaha Gold Cup. He retires with earnings of \$473,502. Stud plans for the four-year-old have not yet been announced.

SOFTSHOE SURE SHOT RETIRED Softshoe Sure Shot (Bolger), one of only four nine-year-olds to win a stakes race at Santa Anita, has been retired. The decision to retire the now 10-year-old gelding was made Wednesday after he bled following a morning workout. Softshoe Sure Shot, who defeated Eclipse Award winners Bertrando and Cardmania while winning last year's Gil San Carlos H., retires with 16 wins from 47 starts for earnings of \$581,242. His final race was a ninth-place finish in the Nov. 11 California Cup Sprint, a race he won in 1993. Karen Headley, daughter of trainer Bruce Headley and Softshoe Sure Shot's regular exercise rider, said the gelding will be shipped to Cardiff Stud Farm in Creston, California where he might be made into a jumping horse. "Softy will be well cared for; he'll have a good life," she said.

TPA MEETING IN FEBRUARY The Turf Publicists of America will hold its Annual Members Meeting Wednesday, February 7 at 4:00 p.m. at the Coronado Hotel in San Diego, the site of the 1996 Thoroughbred Racing Associations Convention. The annual TPA Big Sport of Turfdom Luncheon will also be held during the convention and this year honors owners Bob and Beverly Lewis. The luncheon, scheduled for the afternoon of Friday, February 9, is being hosted by Peohe's Restaurant in Coronado, California.

Local News, New York:

Esposito's Tavern, the longtime favored post-race watering hole for the Belmont Park crowd, has been sold after 59 years of family ownership. John Esposito announced that the sale of the tavern to new owner Jim Burke will close this Sunday. The bar will be refurbished and is scheduled to reopen in time for the Belmont Park Spring Meeting in May. The bar will maintain its original name and, reportedly, its long-standing tradition of painting the fence in front of the tavern in the colors of the Belmont Stakes winner.
