

### KEENELAND APRIL SALE SET FOR TODAY

Keeneland's April Two-Year-Olds in Training Sale, which celebrates its 10th edition today, has already produced such outstanding runners as champion Beautiful Pleasure, GI Kentucky Oaks winners Gal In A Ruckus and Keeper Hill and GISW Victory Ride. Buyers will be out in force, looking for the next superstar among the 249 juveniles catalogued for this year's sale, which begins this afternoon at 1:30 p.m. The single-session event features a who's who among established sires, including A.P. Indy, Carson City, Dehere, Deputy Minister, Forest Wildcat, French Deputy, Gone West, Hennessy, Kingmambo, Kris S., Louis Quatorze, Mt. Livermore, Phone Trick, Rahy, Royal Academy, Saint Ballado, Theatrical (Ire) and Unbridled's Song. The catalogue also includes one colt from the final crop of the late Mr. Prospector out of MGISW

Classy Cathy (Private Account), consigned by William B. Harrigan, agent; and two colts by the recently departed Unbridled. An interesting selection of well-received freshman sires includes Arch (Kris S.), whose yearlings sold extremely well last year; GI Breeders' Cup Classic winner Awesome Again (Deputy Minister); Cape Town (Seeking the Gold); Coronado's Quest (Forty Niner); Deputy Commander (Deputy Minister); 1997 Horse of the Year Favorite Trick (Phone Trick); Grand Slam (Gone West); GI Santa Anita Derby hero Indian Charlie (In Excess {Ire}); 1998 Horse of the Year Skip Away (Skip Trial); Tale of the Cat (Storm Cat); and GI Belmont S. winner Touch Gold (Deputy Minister). "I think we have a very good cross section of sires," Geoffrey Russell, director of sales, said. "There should be something there for everyone. Dr. Lavin and Dr. Hall were very pleased with the quality of horses that they inspected, so we are very hopeful."

### Golden Opportunity...

Touch Gold could get the afternoon off to a rousing start when Hip 4 enters the sales ring. The bay filly, out of MSP Penny's Growl (Strike Gold) and consigned by Tony Bowling and Bobby Dodd, agent, zipped the fastest three-eighths of a mile during her Apr. 8 preview, going in :32 4/5. The bay is a half-sister to SW Dabney Carr (Lost Code) and MSP Don't Fear the Heat (Dawn Quixote). "What really attracted me to her was the fact that her dam has produced solid horses by lesser-known stallions," Bowling said. "Now that she had been bred to a nice stallion like Touch Gold, I thought I'd take a chance." The Ocala, Florida-based son of Carl Bowling purchased the Mar. 1 foal at the 2000 Keeneland November Sale for \$85,000. He admits to giving some thought to selling her back as a yearling, but decided to hold on to her for another year. "There are no knocks on this filly," the consignor said. "She has a nice pedigree, a great mind and she's very clean. She is a bit on the small side, but she looks like a runner. She is very easy on herself and is probably why she is so sound. I wouldn't change a thing about her, except her hip number, but I don't think that will matter. She's got all the right parts in all the right places." The partnership of Bowling and Dodd, struck 18 years ago, consigns just eight head to the sale, but prefers quality over quantity and think they have the horse of the sale. "We've liked her for a long time and we even thought about running her here [at Keeneland] if she didn't sell well," Bowling explained. "I don't think that'll be a problem now," he added with a smile.

**Building on 2001...**

The Eddie Woods consignment at Keeneland's 2001 April Sale included Nokoma, the runner-up in last year's GI Remsen S., and Marasca, who scored an upset win in the inaugural Aventura S. at Gulfstream Park Apr. 6. The native of Ireland, a former steeplechase rider, has a draft of 33 two-year-olds consigned to this year's sale. He singled out hip number 183, a gray colt by Cozzene out of Green Heights (Miswaki) as one of his top hopes. The Apr. 14 foal did his part during last Monday's preview show, sizzling an eighth of a mile on the turf in :10 1/5. A nine-year veteran of consigning two-year-olds, Woods sees April continuing the trend of earlier sales. "People are coming back to see the same horses," Woods said. "The focus seems to be on the select few. Those with the fashionable pedigrees and who work fast are the ones that the people are after."

**FANTASTIC LIGHT SHUTTLES TO AUSTRALIA**

Champion **Fantastic Light** (Rahy--Jood, by Nijinsky II) is scheduled to shuttle to Darley's Collingrove Stud in New South Wales, Australia for the 2002 breeding season, according to the *Thoroughbred Times*. The first-season stallion currently stands for £30,000 at his owner's Dalham Hall Stud in Newmarket, England. A fee has yet to be announced. The six-year-old raced in seven countries during a career that spanned four seasons. His victories, include the GI Breeders' Cup Turf, the G1 Tattersalls Gold Cup, the G1 Hong Kong Cup and the G1 Prince of Wales S.

☆ **TRIPLE THREATS** ☆

**Harlan's Holiday Arrives at Churchill Downs:**

**Harlan's Holiday** (Harlan), winner of Saturday's GI Toyota Blue Grass S., arrived at Churchill Downs Sunday morning in advance of next month's GI Kentucky Derby. The sophomore experienced no ill effects from the trip and appears on track for the three-year-old Classic. In related news, **Bob's Image** (Halo's Image), fifth in the Blue Grass, sustained an injury to his left front suspensory tendon during the race, according to Dr. Alan Ruggles, the on-call veterinarian for the American Association of Equine Practitioners' (AAEP). The colt's prognosis has yet to be disclosed.

**Officer and Lusty Latin Work:**

Grade I winner **Officer** (Bertrando) recorded a sharp half-mile in :47 4/5 at Santa Anita yesterday while preparing for Saturday's GI Coolmore Lexington S. at Keeneland. The winner of the Apr. 7 Zany Tactics S. by six lengths was scheduled to head to the Kentucky oval later in the evening. Also on the Santa Anita work tab, **Lusty Latin** (El Prado {Ire}), third in the GI Santa Anita Derby Apr. 6, breezed four furlongs in :49 2/5. Raced for a \$32,000 tag as a juvenile, the colt is a possibility for the GI Kentucky Derby next month.

Back in 1967, a Sword Dancer colt called Damascus impressively won the Wood Memorial prior to a Triple Crown campaign which yielded a third in the Kentucky Derby and decisive wins in the Preakness and Belmont. The Horse of the Year title duly followed, but Damascus' tremendous talent appears to have come as something of a surprise to the owners of his dam, Kerala. In 1965, when Damascus was only a yearling, Kerala was sent to Weather Bureau, a well-bred, but unraced stallion who was to sire only one stakes winner, an earner of under \$10,000 from an output of 60 foals.

While this mating cannot have looked particularly promising at the time, it resulted in a winning filly Beaufix, who ranks as the third dam of the latest Wood Memorial winner, Buddha. The question now is whether this very progressive son of Unbridled's Song can emulate his distant relative in the Triple Crown events.

Unbridled's Song also won the Wood Memorial to ensure that, like Damascus, he started favorite for the Kentucky Derby. Unfortunately, he weakened from second to fifth in the stretch. One theory blamed his sudden fade-out on his doing too much in his work three days before the Derby, when he covered a half mile in 46 seconds, but the possibility exists that the main problem was simply the final eighth. Unbridled's Song was never again asked to tackle more than 1 1/8 miles during a stop-start career which ended with a victory in the Olympic H. over seven furlongs.

As Buddha is a member of only his sire's second crop, there isn't much information concerning the ability of Unbridled's Song's stock to stay 1 1/4 miles. All I can say is that Songandaprayer, his runner in last year's Derby, faded after leading for nearly a mile and subsequently went sprinting. None of Unbridled's Song's other first-crop stakes winners Unbridled Elaine, Griffinite, Unbridled Time, Extend and Arianna's Passion has won a stake over 1 1/8 miles. The same applies to the leaders of Unbridled's Song's second crop, such as Werblin, the Japanese-based Agnes Sonic and Cojet.

At this early stage of Unbridled's Song's career, it seems that he is going to require some help from the mare if he is to sire high-class performers over 1 1/4 miles or more. Whether Buddha's dam, the unraced Cahooters, is such a mare is hard to tell. Buddha is her first stakes winner from seven foals, which include his three-parts-sister Eishin Bridle. This daughter of Unbridled won three times over 1 1/8 miles in Japan.

Interestingly, Buddha is one of several Kentucky Derby candidates with Storm Cat in the second generation of their pedigrees. Whereas Harlan's Holiday and Johannesburg are by sons of the great Overbrook stallion, Buddha is out of a Storm Cat mare. Because Storm Cat spent the early years of his career at fees in the region of \$25,000, it would be unreasonable to expect the broodmare daughters in these crops to do as well as the blue-blooded mares from his later crops. However, the Graded winners are starting to flow, including Baptize, Jump Start, Penny's Gold, Publication, Windrush, Sahara Gold, Grass World (in Japan), Mujahid (in England) and Rocking Trick (in Argentina). Buddha's dam Cahooters belongs to Storm Cat's first crop and is a half-sister to St Forbes, winner of the GIII Hawthorne Derby over 1 1/16 miles. The next dam, Puss In Cahoots, could supply some stamina, as she was by The Axe II, a top-notch turf horse who once set a track record for 1 5/8 miles. Puss In Cahoots was a half-sister to Beau Gris, who produced two very different stakes winners in Miss Gris, winner of the 1000 Guineas and Oaks in Italy, and Gray Slewpy, a record-setting sprinter.

*(Pedigree Insights cont.)*

The incentive to send Cahooters to Unbridled's Song in May 1998 was possibly provided by the early exploits of that excellent filly Banshee Breeze, whose fourth dam, Aunt Tilt, was a half-sister to Cahooters' second dam, Beaufix. By the time of Buddha's conception, Banshee Breeze had won her first three starts as a three-year-old, including the GII Bonnie Miss S., and had also finished third in the Ashland S. and second in the GI Kentucky Oaks. Banshee Breeze, of course, went on to record five Grade I victories. The fact that they included the Alabama S. over 1 1/4 miles and the CCA Oaks over 1 1/2 miles perhaps provides the greatest encouragement that Buddha will prove just as effective over the extra furlong of the Kentucky Derby.

## 2002 N.A. FRESHMAN SIRES

FROM THE DESK OF...

Bill Oppenheim

### NORTH AMERICAN FRESHMAN SIRES

There are more than 70 North American freshman sires of 2002 (retired '99, first foals 2000) with 20 or more foals each in their first crops who will be racing this year. Plenty of these have first crops numbering 70 or more, so it's a good bet you'll be seeing plenty of runners by first-crop sires this year.

With such a vast smorgasboard to choose from, you can imagine there's something for every taste--quite a few for every taste, really. For the aficionados of speed and precocity, perennial sire power Ashford has three fast horses with their big first crops: dual 2yo GI winner and Breeders' Cup Sprint second **Grand Slam** (Gone West); the English 2000 Guineas winner in 1998 **King of Kings**, potentially Sadler's Wells' fastest sire son; and **Tale of the Cat** (Storm Cat), winner of the GI King's Bishop as a three-year-old. Add to these three Walmac's **Favorite Trick** (Phone Trick), unbeaten two-year-old champion and Horse of the Year in 1997; as well as **Souvenir Copy** (Mr. Prospector); **Elusive Quality** (Gone West); and **Distorted Humor** (Forty Niner). The three last-named already have their first winners on the board, with both Elusive Quality and Souvenir Copy each having a pair.

Frank Stronach's Adena Springs Farm stakes its claim as a major stallion station with three big-name freshman sires, though their two top-class sons of Deputy Minister, 1998 Breeders' Cup Classic winner **Awesome Again** and 1997 Belmont winner **Touch Gold**, were both later-developing 10-furlong+ horses and wouldn't be expected to be among the names that are prominent early. A few shrewdies reckon their third candidate, 1998 Carter and Met Mile winner **Wild Rush** (by Wild Again), is a prospect to be the winner, not just on the farm, but among the entire sire group as well. All three have 70+ two-year-olds each to represent them.

The most expensive of the North American freshman sires of 2002 is Claiborne's **Coronado's Quest**, by Forty Niner from the successful sire family of Icecapade and Private Terms, tracing to the Native Dancer mare She-nanigans. Coronado's Quest was five-of-six at two, his only defeat coming when fourth to Favorite Trick in the Hopeful. At three, Coronado's Quest strung together five straight wins, starting with the Wood (then GII), in which he led wire-to-wire and ran a Beyer figure of 116. He missed the Triple Crown races, but roared back to win two more GIIs, the seven-furlong Riva Ridge on Belmont day, and the GII Dwyer, then the GI Haskell and the GI Travers. He's obviously got tremendous credentials.

There is one group of 2002 freshman sires who I think will be especially interesting. In 1997, three four-year-olds and one five-year-old consistently ran Beyer figures in the 115-125 range, the highest numbers registered in North America since the late Seventies, and the days of Affirmed, Alydar and Seattle Slew. All four of these horses ran a 125 at least once that year. Good two-turn older horses with, shall we say, less-than-obvious sire pedigrees, are usually not a good bet to make sires.

But any or all of these are eligible, on their numbers, to surprise all. I refer to: Gainesway's **Formal Gold** (Black Tie Affair); Walmac's Argentinian-bred **Gentlemen** (Robin des Bois); Hopewell's **Skip Away** (Skip Trial), who ran eight consecutive races with figures of 115-125; and Brookdale's **Will's Way** (Easy Goer). Considering they constituted the best group of older horses seen in America for 20 years, don't be too surprised to see one or more of them make the grade. *Cont. p2*

**Bill Oppenheim cont.**

Shadwell's **Swain** (Nashwan) was a top-class middle-distance horse who won the G1 King George and Queen Elizabeth S. twice and in his two starts on dirt, was beaten a nose by Silver Charm in the Dubai World Cup and finished an arguably unlucky third in Awesome Again's Breeders' Cup Classic. Like the same stud's Bahri, however, most of his runners are likely to be in Europe. But he was a seriously good horse, too.

And that lot is only scratching the surface. Plenty of others have their followings, including: Airdrie's **Deputy Commander** (a third Deputy Minister), winner of the GI Travers, GI Super Derby, and second to Skip Away in the 1997 Breeders' Cup Classic; Claiborne's **Arch** (Kris S.), winner of the 1998 Super Derby (GI); Overbrook's **Cape Town** (Seeking the Gold), winner of the 1998 Florida Derby (GI); and **Indian Charlie** (In Excess), winner of the 1998 Santa Anita Derby (GI), and third in the Kentucky Derby. Outside Kentucky, two longshots of particular interest are Ontario's Park Stud's **Kiridashi**, an ultra-consistent son of their long-time star, Bold Ruckus; and, for real longshot players, New York's Contemporary Stallions stand **Rodeo**, a son of Gone West who broke his maiden by 15 lengths at Belmont Park as a two-year-old.

**BILL'S PICKS:** After mentioning so many of these, I hardly know where to put my pin. **FAVORITE TRICK**, **GRAND SLAM** and **CORONADO'S QUEST** were all among the top two-year-olds of 1997, and logic and history suggest one of them will be the top freshman sire. For the longer term, I like **GENTLEMEN** and **AWE-SOME AGAIN**.

*With two-year-old races popping up across the country already, the TDN has asked a group of industry professionals to put their opinions in print about who they think will emerge as this year's leading freshman sire. While nobody had 2001 leader Valid Expectations at the top of their list, Jack Werk had him as his third overall pick. Both Werk and Mike Brown correctly tabbed Open Forum as their number two choice.*

**Jack Werk**

With three of this year's freshman sires having 100+ foals--Grand Slam (129), Tale of the Cat (124) and Souvenir Copy (105)--it becomes increasingly difficult for the stallions with smaller books to overcome the advantage of sheer numbers. Consequently, my selections are slanted more towards long-term success rather than the actual year-end leaders for 2002.

**1. CORONADO'S QUEST** Forty Niner has already shown signs as a sire of sires and Coronado's Quest is his best son yet in terms of pedigree and race record to retire to stud. He won three graded stakes at two, five graded stakes at three (including the GI Travers) and retired with over \$2 million in earnings. His first three dams have produced 11 stakes winners between them, with his third dam being the outstanding Shenanigans, producer of Ruffian, Icecapade and Buckfinder. He stands at Claiborne Farm, where they have been making stallions for the past 70 years.

**2. CAPE TOWN** Considering his \$10,000 stud fee, Cape Town has to be considered a "sleeper," but I really like his chances. He is by one of North America's premier stallions, Seeking the Gold, and out of the GI-winning Seattle Slew mare, Seaside Attraction; dam of four graded stakes winners including champion Golden Attraction. His second and third dams are both champions and each have produced four stakes winners. Cape Town, a GIII winner at two, won the GI Florida Derby at three. Not only does Cape Town have a big shot to contend for leading freshman sire honors, but also becoming one of the best sires long-term from this group.

**3. KING OF KINGS** - Winner of three stakes at two, including the G1 National S. and a champion at three, King of Kings is by Europe's leading sire of sires Sadler's Wells. True, Sadler's Wells is a grass sire and so are most of his sons; however, we should look to another son of Sadler's Wells--El Prado. El Prado also won three stakes at two, including the National S. With 22 unrestricted stakes winners from his first six crops, just eight of them are winners on the turf. El Prado has two runners in this year's Kentucky Derby, adding yet another plus to his resume. Also like El Prado, King of Kings has a pedigree void of Mr. Prospector, making him available to an abundant supply of Mr. Prospector-line mares in America.

**BEST VALUE: DEPUTY COMMANDER** - While I would be surprised to see Deputy Commander at the top of the standings by the end of 2002, I would not be surprised to see him at or near the top of this class in the years to come. A son of Deputy Minister, he did not race at two, but came on strong at three two win two G1's, including the Travers. Like King of Kings, he has a pedigree free of Mr. Prospector. I've also heard reports that he is passing on an outstanding cardiovascular system to his foals. He started out at \$20,000 live foal and has booked full at \$25,000 this year. Considering his long-term potential, he could be this year's best value.

*President, EQUIX Biomechanics*

Each January, EQUIX publishes a list of stallions that we consider as the best prospects in the freshman crop based on their own biomechanical properties, and what we've seen of their first crop. We separate these stallions into Group I, Group II and Group III. The 2002 crop is the most contentious group of freshmen in years, and it's very difficult to separate the top dozen or so. Here is how we rate the best in the crop overall.

**GROUP I** (*should survive at top of the market*):

**GRAND SLAM** should have little trouble getting good runners on dirt and turf, and they should be early. **KING OF KINGS** looks dominant for overseas (turf) success.

**GROUP II** (*potential to make it to the big time*):

**BANKER'S GOLD** has a good chance to break through early and often. **DEPUTY COMMANDER** has an excellent profile as a sire of late 2-year-olds and classic runners. You might have to wait on runners by **SWAIN** and **TOUCH GOLD**, but they should be very nice indeed.

**GROUP III** (*need better mares to make it big*):

**DANCE BRIGHTLY** looks especially promising among these good profile, neat offspring, upside unlimited. **DISTORTED HUMOR, ELUSIVE QUALITY** and **FAVORITE TRICK** will get lots of fast winners. You might have to wait on the ones by **GENTLEMEN**, but they should run.

**BEST VALUES: CONCERTO** (in Florida, good profile, nice moving 2-year-olds) and **WILL'S WAY** (for miler-types who might go on).

**Michael S. Brown**

*Publisher, Racing Update*

**1. TALE OF THE CAT** - They look quick and Quarter Horsey.

**2. GRAND SLAM** - Same as above, but with a bit more scope.

**3. CORONADO'S QUEST** - Will be surprisingly effective around two turns.

**BEST VALUE: SUBORDINATION** - The most versatile, high-class racehorse of the last several years.

**Alan Porter Pedigree Research**

**1. TALE OF THE CAT** - Might have had more natural talent than any Storm Cat we've yet seen. Bred on the same/similar cross to Storm Boot, Storm Creek and Forest Wildcat, and is out of a sister to the dam of Pulpit.

**2. TOUCH GOLD** - They won't be as early as some, but Deputy Minister's stock as a sire of sires is high again, with recent good work by Dehere and French Deputy, and Touch Gold is a half brother to underrated stallion With Approval.

**3. GRAND SLAM** - Was a very good two-year-old and was second in the Breeders' Cup Sprint at three. Is by Gone West, who could still make a sire of sires, from the family of Alydar.

**BEST VALUE: RODEO** - Another Gone West. Made a brilliant debut, and then fractured a knee when odds-on favorite for the GI Futurity eventually won by Grand Slam. They sold remarkably well considering his \$3,000 stud fee.

**"Will's Way is the true heir to the very classy sire Easy Goer and, by extension, to Alydar himself. A very classy, top, top racehorse on his day."**

**THE YEAR IN REVIEW**

Mockingbird Farm closed out a remarkable chapter in breeding history by standing the top two freshman sires of 2001, **Valid Expectations** (Valid Appeal) and **Open Forum** (Deputy Minister). The Florida nursery had started the careers of Diablo (1996), End Sweep (1998), Rizzi (1999) and Storm Creek (2000), but was sold by Harry Mangurian to Eugene Melnyk in 2001. Following the sale of Mockingbird, both Valid Expectations and Open Forum have been transferred to Lane's End Texas, where they will hold court in 2002 for \$12,500 and \$7,500, respectively.

Valid Expectations started the year off strongly and kept up the pace through Dec. 31, coming up with 27 individual winners. The nine-year-old son of Valid Appeal sired six stakes horses overall and three stakes winners, headed by Expected Program. This half-brother to top sprinter Caller One captured the

Haggin S. and Willard L. Proctor Memorial S. while earning \$120,240, tops among Valid Expectations' crop which amassed \$1,397,911 by the end of the year.

Open Forum got an early boost when his daughter Open Story set a track record in dead-heating for the win in the Three Chimneys Juvenile S. at Churchill Downs Derby Day. The grey horse had 20 winners, three stakes winners and five stakes horses who earned \$1,072,687 in total.

While neither Valid Expectations nor Open Forum sired a graded/group stakes winner in their first crop, eight other freshman sires achieved the deed in 2001: **Smoke Glacken** (Smok'n Frolic), **Siphon (Brz)** (Siphonic), **Louis Quatorze** (Repent), **Lost Soldier** (Lush Soldier), **Mercer Mill** (Joanie's Bella), **Spinning World** (Quad's Melody), **Pulpit** (Essence of Dubai) and **Illinois Storm** (Georgia's Storm). Honorable mention should go to Langfuhr, whose Imperial Gesture was twice Grade I-placed at two.

Perkins, who has been managing the operation since her husband's death in 1996, will also sell the property and all of its equipment on the same day. A catalogue of approximately 100 lots, comprised of mares, foals and yearlings, will be headed by top broodmares La Gueriere, the dam of Grade II winner Lasting Approval; and Ma Guerre (Lord at War {Arg}--Madame Gold, by Mr. Prospector), a full sister to Grade II winner Mighty. **JOHNSTON STAGGERED BY LOVE HYPE**

Mark Johnston yesterday gave an upbeat bulletin on the well-being of **Love Regardless (USA)** (Storm Bird {Can}), a significant market mover in recent days for the G1 2000 Guineas at Newmarket May 4. Having won a six-furlong Ayr maiden on firm going last September, the son of Circus Toons (USA) has not been seen on a racecourse since but heads straight to the mile Classic. Although he was quoted at 33-1 last month, he has been backed into 8-1 second favouritism with Ladbrokes after significant support in the last week. Johnston commented yesterday: "He's working very well and I'm happy with him, though the hype and the way the betting is going recently is a bit staggering. I do think it's an extremely tall order to go straight to the Guineas and it's a bit of a long shot. He worked with Takes Tutu in his last gallop and he is a very very good work horse at home, particularly on the all-weather. We plan to gallop him at Thirsk on Saturday or Sunday if they will let us."

Johnston sends **Leo's Luckyman (USA)** (Woodman {USA}) to tomorrow's Listed European Free H. at the Craven meeting and **Fight Your Corner (GB)** (Muhtarram {USA}) to Thursday's nine-furlong Listed Fielden S. there. While Leo's Luckyman disappointed when unplaced in the G3 UAE Derby at Nad al Sheba Mar. 23 last time, Fight Your Corner returns after a successful juvenile campaign, having won the Listed Autumn S. at Ascot last October in impressive style. Johnston said of the pair yesterday: "Leo's Luckyman has been a major disappointment and he has an opportunity on Wednesday to redeem himself. Fight Your Corner may find the Fielden trip to be a little bit short. He will go to the G1 Prix du Jockey Club (French Derby at Chantilly June 2) I think."

Keith Dalglish was named Apprentice Jockey of the Year, while Joanna Badger was awarded the Lady Jockey of the Year prize. Steve Drowne was awarded the Flat Ride of the Year award due to his riding of the enigmatic Harmonic Way (GB) in the G2 Cork And Orrery S. at Royal Ascot last June. ### STEWARDS FIND WATERHOUSE GUILTY

The NSW Thoroughbred Racing Board Stewards found bookmaker Robbie Waterhouse guilty on 16 charges related to wagers he made at Canterbury Park on Feb. 6, according to *racenet.com.au*. Under examination were bets made at odds of 500-1 on horses who were short-priced favorites. The board concluded that the bets were not legitimate wagers and that the image of racing had been adversely affected by suspicions and criticism stemming from Waterhouse's actions. The board will reconvene on Friday for the penalty phase of the hearing. Waterhouse could face suspension and fines of up to A\$75,000 for each charge.
