### BEHOLD A PALE HORSE

The last time **Swept Overboard** (End Sweep) ventured to Belmont Park, he rallied up a dead rail for fourth in the GI Breeders' Cup Sprint Oct. 27, but the five-year-old made amends yesterday afternoon with an eye-catching victory in the GI Metropolitan Mile. The nearly white Florida-bred had been one of the nation's most

versatile sprinters in 2001, defeating Kona Gold in the GI Ancient Title Breeders' Cup H. Oct. 6 before concluding the year with a victory in the GIII Hollywood Turf Express H. Nov. 23. Things hadn't been so smooth for Swept Overboard this year, who opened his campaign with a fifth-place finish as the even-money favorite to Malabar Gold in the GIII San Simeon H. Apr. 21 down the hill at Santa Anita. Back on the main track May 11, he ran third as the favorite in the GIII Bay Meadows Breeders' Cup Sprint and was making his first attempt at a distance beyond seven furlongs. Never far back as **Left Bank** (French Deputy), **Crafty C. T.** (Crafty Prospector), **Affirmed Success** (Affirmed) and **D'wildcat** (Forest Wildcat) alternated through fractions of :22.58 and :44.79, Swept Overboard was taken up the inside by Jorge Chavez on the sweeping Belmont turn. He emerged as the leader at the top of the stretch and switched on the afterburners, quickly opening up on the field. "It was a little hard to hold him back," said Chavez. "I was told to stay four or five lengths behind and then make one move. He was pulling so hard, I couldn't hold him anymore. He just exploded turning for home." The time of 1:33.34 is the fourth fastest Met Mile in history, behind only Honour and Glory, Langfuhr and Conquistador Cielo. The 2-1 favorite, Left Bank began to back up in the stretch on his way to a fifth-place finish.

### STARRING ROLE

**Astra** (Theatrical {Ire}) produced a stirring stretch run to deny **Starine** (Fr) (Mendocino) in the shadow of the wire of the GI Gamely Breeders' Cup H. yesterday afternoon at Hollywood Park. The bay mare returned from a seven-month hiatus Mar. 23 in the GII Santa Ana H. and finished third to Golden Apples (Ire) and Starine, but got back on track with a win in the GII Santa Barbara H. Apr. 20 at Santa Anita. After a slow start, the six-year-old reached contention turning for home and kicked into another gear in deep stretch. "I dare say at this point--and maybe I'm a little bit prejudiced because I ride her--but there is not another horse with the turn of foot that she has," said winning rider Kent Desormeaux. "She is the best of them." Having won the 2000 renewal, Astra became just the second distaffer to take the Gamely twice, following in the footsteps of Tipping Time (1970-71). *Chart, p2*

Tanino Gimlet, who captured three straight stakes before finishing third in the Satsuki Sho (Japanese 2000 Guineas) and the NHK Mile Cup in his last two starts, was back in the winner's circle after a strong stretch run here. Allowed to settle at the back of the 18-horse field early, the colt did not kick it into gear until the final furlong, but finished with a rush for the victory. Jockey Yutaka Take, who was winning his third Japanese Derby, said, "I think this was his best race ever." Added trainer Kunihide Matsuda, celebrating his first Classic success, "He will not get a summer break. We have not yet decided his next start, but we hope that we can go to the U.S. sometime this year."

Sometimes the third time is indeed the charm. Ladies Din had twice run second to former star stablemate Silic (Fr) in the Shoemaker, including a heartbreaking nose loss in 1999, but got his name on the trophy this time. The gigantic bay was sidelined for nearly a year after a poor showing in the G2 Dubai Duty Free last March, returning to run a close third to Climate and Shibboleth in a Santa Anita money allowance Mar. 22. He returned to the winner's circle in a similar test going a mile on the Hollywood lawn Apr. 24 and was sent off as the slight favorite in this competitive field. Always in striking position, Ladies Din was sent three wide on the far turn, hit the front in midstretch and drew off smartly. "The older I get, the younger I get; the same way with this horse," quipped winning trainer Julio Canani. "He feels like he is three. Ladies Din was in the right place, moved at the right time and the races is history. I don't want to be cocky, but believe me, Ladies Din is a special horse. I'm gonna try to win the Breeders' Cup this year."

Captain Squire won for a \$62,500 tag at Santa Anita in January before journeying to Turf Paradise Feb. 2. He wired the field in the Turf Paradise Derby that day, but packed it in early next out in the GIII El Camino Derby Mar. 9 at Golden Gate. Third to Tracemark in the California Derby at Bay Meadows Apr. 13, he tried the turf in his latest, running second to the promising Regiment at Hollywood May 8. He was cutting back to sprint this time, but was dismissed as the longest shot on the board at 14-1. The Florida-bred bay broke alertly from his outside post and set the pace with Kamsack in close attendance along the inside. Kamsack put a head in front turning for home as Fonz's geared up on the outside, but Captain Squire dug in deep between his two main threats and fought his way home to get his first graded-stakes victory. "I just think eliminating two turns is the key with this horse," commented winning trainer Jeff Mullins. "We had to fight him so much around the first turn going long, that I think it's been detrimental to us. He's been routing for a long time, I knew he'd be fit. We didn't really expect to be on the lead, but I think the key to this horse is to not get a hold of him. Let him free-run." The even-money favorite, Raven Power (Known Fact) got off to a slow start and tired to finish last of the five runners.

Congaree, third in last year's Kentucky Derby and Preakness, captured the GI Swaps last July at Hollywood before finishing third in the GI Jim Dandy at Saratoga. Off since that August effort with some knee problems, the chestnut colt quickly distanced himself from this 12-horse field. Jockey Pat Day waited for a challenge leaving the backstretch and, when it came, Congaree spurred clear again to win by an easy two lengths.

Posse annihilated his rivals by 13 1/2 lengths in his Apr. 10 career opener at Keeneland, but disappointed as the 3-5 favorite in the Three Chimneys Juvenile on the Kentucky Derby undercard, finishing third to the filly Holiday Runner. Odds-on once again, the bay colt forced the pace from the outside, took charge as they straightened away into the stretch and pulled away to earn his first stakes success. "His race today is indicative of the type of two-year-old that he is," said winning trainer Steve Asmussen. "After that Derby Day race, I was glad that he was able to come back today and show his true self. The plan at this point is to bring him back for the Bashford Manor [July 7]."

The impeccably bred Shibboleth earned his first U.S. victory in fine style as he put up a sharp display on the front end on his way to posting a time just 1/5 second off the course record. Trained by Henry Cecil at three and four, the Juddmonte homebred finished just 1 1/4 lengths behind Giant's Causeway when fourth in the G1 St. James's Palace S. as a sophomore before earning a victory in the G3 Criterion S. at Newmarket last June. He finished second in his stateside debut Mar. 22 in a Santa Anita allowance, with Ladies Din back in third, but stumbled badly at the start when switched to the dirt in the GI Carter H., coming in 10th to Affirmed Success in that Apr. 13 test at Aqueduct. The bay came out running this time, threw down the gauntlet with fractions of :44.70 and 1:08.10 and remained clear down the lane. "I was a little surprised how fast he was out of the gate," acknowledged winning trainer Bobby Frankel. "It was a huge effort."

Emergency Status returned from his debut win at the Meadowlands last fall to take the Oct. 26 World Appeal S. at the Big M, but had been winless in five starts since, most recently finishing 10th in a May 4 Aqueduct allowance. Dismissed at 55-1, the bay colt was the longest price in the field of 10. He broke sharply and set the pace, taking a three-length lead into the stretch and finishing strongly for a confident win. "He's a bit of a head case," trainer Derek Ryan admitted of the winner. "He wants to be on the lead. So we let him be on the lead. I was pretty confident going into this race, and I couldn't believe the price. That was the most surprising thing of all." Jockey Roberto Alvarado inherited the ride aboard Emergency Status when Jose Ferrer was involved in a spill earlier on the card.

Best of the Rest, who set a track record at this distance while winning the Spend a Buck H. last October at Calder, was coming off a 4 1/2-length victory in the May 4 Phantom on Tour H. Favored in this short field of four, the veteran runner pressed the pace set by second choice Hal's Hope, gained the lead on the far turn and was all out to hold off High Ideal for the first graded stakes win of his career. "I had the best horse," commented winning rider Cornelio Velasquez. "When we reached the head of the stretch, I had a lot left. He finished strong." Best of the Rest could make his next appearance in the July 6 GIII Prairie Meadows Cornhusker Breeders' Cup H.

Not all former racehorses can go on to second careers.

Back in 1995, after Seth Hancock and his family had made a commercial decision to accept a \$10-million Japanese offer for Forty Niner, Dan Liebman wrote an interesting column in *The Blood-Horse*. In it, Liebman advised Hancock's children "to pay attention to the lessons taught by their father this spring."

"You see, kids, in a 'business' where you fall in love with your product, 'business' decisions are hard. And emotional. And stressful. But they must be made.

"Lose sleep? Of course you will. Shed tears? You wouldn't be human if you didn't. Have regrets? No, no. That you can never do. You must always remain steadfast in the knowledge that you made the right decision...whether you did or not."

The victory of Forty Niner's Japanese-bred son Sunday Break in Saturday's Peter Pan S. prompts the question of whether, indeed, it was the right decision. I think it was, in the circumstances. Remember, Claiborne was home to two outstanding colts from Mr. Prospector's 1985 crop--Forty Niner and Seeking the Gold. Whereas Seeking the Gold had already confirmed his ability to sire the star performers needed to sustain a substantial fee, the "big" horse had largely eluded Forty Niner, with only one Grade I winner among his encouraging number of Graded winners.

The announcement that Forty Niner had been sold came at a time when he was struggling in 45th place on the sires' table, with only one 1995 stakes winner to his credit. His yearlings had averaged only \$191,250 at Keeneland's July Sale, compared to the previous year's \$285,625, so the decision to sell made sense.

Even so, Seth Hancock wouldn't be human if he hasn't allowed himself a few regrets during the subsequent seven years. Forty Niner's fortunes began to revive almost as soon as he was sold and he ended 1995 in 15th position on the sires' table, with a team of eight stakes winners. The following year saw Forty Niner sire the winners of more money in North America--some \$4,815,825--than any other sire, thanks partly to Editor's Note's win in the Belmont S. and Gold Fever's in the NYRA Mile.

Although Forty Niner's successes during the 1998 season must have caused a few more doubts, Hancock at least had the consolation that Forty Niner's best winner that year--the enigmatic Coronado's Quest--was syndicated to stand at Claiborne. Coronado's Quest's arrival was made all the more welcome by the striking run of success enjoyed by the first runners by Forty Niner's sons End Sweep, Tactical Advantage and Twin-ing.

Forty Niner's final American crop, born in 1996, also gave cause for a few more regrets, with Ecton Park and Marley Vale both becoming Grade I winners.

It's fair to say that Forty Niner now looks a definite loss to the American industry, but has America's loss proved to be Japan's gain? I wouldn't say so on the evidence so far. Sunday Break comes from Forty Niner's third Japanese crop and he is only the second winner at group level from these crops, following T.M. Southpaw, a Group 2 winner at two in 2000.

Could it be that Forty Niner--who raced exclusively on dirt during a 19-race career--is not an ideal stallion for Japan, where the bulk of the top prizes staged by the JRA are on turf? His Japanese buyers must have been aware of this potential problem, because Forty Niner's

entry in *The Blood-Horse's* stallion register for 1995 revealed that only \$469,799 of his progeny earnings of \$5,297,796 had been gained on turf. Sunday Break is his 24th graded stakes winner, but only two of those have been on the turf, the Japanese-raced T.M. Southpaw and the German-based Miss Tobacco.

The decision to send Sunday Break to race on the dirt in the U.S. was therefore very sensible, even though he comes from a female line which is responsible for some outstanding turf winners in Japan, including his Grade 1-winning half-sister Phalaenopsis (by Brian's Time). Their dam Catequil, an inexpensive yearling from the second crop by Storm Cat, showed only a little ability in two starts at around a mile in England, but she is a sister to Ocean Cat, a winner of three stakes races at around six furlongs. More importantly, Catequil is a half sister to a Northern Dancer mare named Pacificus, who achieved the exceptional feat of producing two colts--Biwa Hayahide and the Triple Crown winner Narita Brian--who were both voted Horse of the Year in Japan.

From the viewpoint of Sunday Break's ability to last the 1 1/2 miles of the Belmont S., it is encouraging that these Japanese colts both won the Kikuka Sho (Japanese St Leger) over 1 7/8 miles. The Belmont also ranked among the 21 victories notched up by Damascus, the sire of Sunday Break's second dam, Pacific Princess. This mare was a very good performer, a winner at GI and GII levels over 1 1/8 miles, and Sunday Break's third dam, the English-bred Fiji, was another fine racemare, winner of the Coronation S. over a mile at Royal Ascot.

Considering that both his sire and broodmare sire have already sired winners of the Belmont, Sunday Break could well be the one War Emblem has to fear.

**Rainbow Quest**

The 2002 season is proving very satisfying for anyone who owns a broodmare daughter of Rainbow Quest. The 1985 Arc winner already ranks as the broodmare sire of seven group/graded winners this year--Balthazar (by Alzao), Blue Moon (Lomitas), Cornelius (Barathea), Ombre Legere (Double Bed), Marotta (Highest Honor), Rakti (Polish Precedent) and Rebelline (Robellino)--and the last three have provided the Banstead Manor stallion with three Group 1 victories in the space of eight days, taking the Prix Saint-Alary, Derby Italiano and Tattersalls Gold Cup.

Contenders for the MassCap continued to prepare on all fronts. The champion two-year-old of 2000, **Macho Uno** (Holy Bull) worked a half-mile in :49 2/5 Sunday at Belmont Park. Up at Saratoga the same day, **Mongoose** (Broad Brush) clocked 1:01 2/5 for a five-panel breeze over the training track. **Evening Attire** (Black Tie Affair {Ire}) earned a bullet when he covered five-eighths in :59 at Belmont yesterday morning. "With the Pimlico Special cancelled, I think it changed everyone's schedule," trainer Pat Kelly said. "It's time to take a road trip with him and see what he's got. I think it's the race of the year. Of course, you're hoping a few of them decide not to make the trip." Defending champion **Include** (Broad Brush) is scheduled to breeze today.

☆ TRIPLE THREATS ☆

Eventful Day for Perfect Drift:

Third in the GI Kentucky Derby, **Perfect Drift** (Dynaformer) continued his preparations for the GI Belmont S. June 8 by working three-quarters in 1:12.8, handily, at the Trackside Louisville training center yesterday morning. "Five weeks [from the Derby] was a big concern--you have to keep a horse right for five weeks," explained trainer Murray Johnson. "I'd say he's as good two weeks out [before the Belmont] as he was for the Derby. We're right on track." The three-year-old was forced to avoid a goose that wandered onto the track at the beginning of the two-turn breeze, then had to be on alert for a loose horse running the wrong way.

Tracemark Works:

**Tracemark** (Conquistador Cielo) worked five furlongs in 1:00.4 yesterday at Hollywood Park. The three-year-old, winner of the California Derby and second in the GIII Lone Star Derby in his most recent start, may make the trip East for the Belmont.

### Ferrer Hurt in Fall:

Jockey Jose Ferrer was taken to Monmouth Medical Center for X-rays after falling from his mount, Gotta Be a Star, shortly after the start of Monday's sixth race at Monmouth Park. "He has a contusion of the right hip," said Dr. Angelo Chinnici. "I sent him over to Monmouth Medical for precautionary reasons, but he'll be fine. He's in a little pain right now, but everything's OK." Ferrer had been scheduled to ride Emergency Status in the Gill Jersey Derby yesterday.

**NAYEF WAITS FOR ASCOT** **Nayef (USA)** (Gulch {USA}), who was third in Sunday's G1 Tattersalls Gold Cup at The Curragh, will head straight to Royal Ascot for the G1 Prince Of Wales' S. June 19, it was announced yesterday. Making his first European appearance since his win in the G1 Dubai Sheema Classic at Nad Al Sheba Mar. 23, the Marcus Tregoning-trained four-year-old finished 4 ½ lengths behind Rebelline (Ire) in the extended 10-furlong contest run on soft ground. Tregoning had considered the G1 Vodafone Coronation Cup at Epsom next Friday for the colt, but told *PA Sport* yesterday: "That would have been an idea to have gone there for the Coronation Cup, but that's going to come too quick. I would have thought and I think he's more likely to wait now for the Prince Of Wales's S. at Ascot." Speaking of his defeat, he continued: "The ground was very testing for them, but you have got to remember the Irish horses gallop on it every day. Hopefully, he'll be better on the faster ground, although I don't think we need to be too concerned at this time because it's still the early part of the year. I think myself he's run all right, but obviously he did get tired, which was a shame."

### HALF BROTHER TO BEST MATE SETS WORLD RECORD

Doncaster's Spring Sales yesterday witnessed a new world record for a National Hunt Sale as lot 136, a half brother to the G1 Cheltenham Gold Cup winner Best Mate (Ire), made 185,000 guineas (€314,500). ### MILAN RECOVERING WELL

Aidan O'Brien yesterday reported **Milan (GB)** (Sadler's Wells {USA}) to be making good progress after suffering a spiral fracture of his off-fore cannon bone on his reappearance earlier this month. Last year's G1 St Leger winner, who was also runner-up in the G1 Breeders' Cup Turf, was pulled up in the Listed Mooresbridge S. at The Curragh May 6. O'Brien told *PA Sport*: "He's still at the Troytown Veterinary Hospital, but the reports are good and he will be definitely be back next year, if not by the backend of this season."

## ★ ROYAL ASCOT ★

### O'BRIEN READYING ROYAL TEAM

Aidan O'Brien yesterday outlined his main hopes for the Royal Ascot meeting, headed by **Rock of Gibraltar (Ire)** (Danehill {USA}), who will run in the G1 St James' Palace S. there June 18. He may be joined in that mile contest by G1 Poule d'Essai des Poulains (French 2000 Guineas) winner **Landseer (GB)** (Danehill {USA}), who also has the option of the six-furlong Golden Jubilee S. June 22. If he was to take that route he would take on **Johannesburg (USA)** (Hennessy {USA}), who will return to sprinting this year. Having finished a short head second to Rebelline (Ire) in the G3 Gladness S. at the Curragh Apr. 7, he was eighth in the G1 Kentucky Derby at Churchill Downs May 4 last time. O'Brien told *PA Sport* of the pair: "[Johannesburg] had two tough races and he has had a nice long break. If he is ready in time, he could go for the Golden Jubilee S. at Royal Ascot. [The Kentucky Derby] was a strongly run race and he couldn't get back on terms after he lost ground at the start. [Landseer] will go to Royal Ascot for either the St. James' Palace or the G1 Golden Jubilee S., so he could end up taking on either Rock of Gibraltar or Johannesburg. I don't have a problem with my horses taking each other on. It's the horses that people see racing consistently at the highest level that make the best stallions. I don't think it does any harm for a horse to get beaten."

★ CLASSIC CORNER ★

**BALLYDOYLE DUO TO CHANTILLY**

Trainer Aidan O'Brien yesterday told *PA Sport* that **Black Sam Bellamy (Ire)** (Sadler's Wells {USA}) and **Diaghilev (Ire)** (Sadler's Wells {USA}) will take on **Act One (GB)** (In The Wings {GB}) in Sunday's G1 Prix du Jockey-Club (French Derby) at Chantilly. Diaghilev took the G3 Prix la Force at Chantilly May 6, while Black Sam Bellamy was promoted to second in the G2 Prix Hocquart at Longchamp May 8. O'Brien said of the pair: "Black Sam Bellamy is a horse who has been a bit immature, but he is coming on all the time. They both ran well in their trials and they will run well, but Act One could be hard to beat--he looks a very nice colt."

The 10-year-old stallion, who won the G1 Criterium de Saint-Cloud as a juvenile, shuttled to Firmamento Stud in Argentina the past three breeding sessions. The bay's stud fee for 2002 is €6,700.

**FILLY TOPS BREEZE-UP**

The Baden Baden Auktionsgesellschaft (BBAG) yesterday held its annual Breeze Up and Horses In Training Sale at Baden Baden and it was a filly that achieved the top billing. Lot 84, the two-year-old **Lonara (Ger)** (Alzao {USA}), was the star turn; she is as the half sister to two stakes winners by Acatenango (Ger), from the family of Lomitas (GB), Lavirco (Ger) and Lagunas (GB). Offered by Hubert Hasler, she was knocked down to Haras de la Perelle for €42,500. Two colts shared the honours on €40,000. Lot 87, the two-year-old **Mandalay Bay (Ger)** (Big Shuffle {USA}), out of Mild Deception (Ire), from the family of Dark Lomond (Ire) and Rossini (USA), was purchased from Erich R Kettenacher by Dr Jirir Charvat. Lot 91, the two-year-old **Tosco (Ger)** (Second Set {Ire}), from the draft of Gestut Zoppenbroich, was purchased by German Bloodstock International. He is out of the Listed-placed Tosca Rhea (GB), who has already produced two stakes winners. The sale, which was the first public thoroughbred auction in Germany with the Euro as the new currency, saw a slight decrease in average and median on 2001. Sixty lots were offered and 44 sold, grossing €534,000, producing an average of €12,136 and a median of €7,500. It was also the first sale under the new sales regulations. These concern the subject of the vendor's liability, which is now very extensive and can lead to horses being returned in the case of problems arising for a longer period following the actual sale.
