TOP SPINTERS HEADED TO JAPAN

Deals are soon scheduled to be completed to send 2001 Eclipse champion sprinter **Squirtle Squirt** (Marquetry) and millionaire **Swept Overboard** (End Sweep) to Japan. Last year's GI Breeders' Cup Sprint hero,

Swept Overboard Adam Coglianesse

Squirtle Squirt was scheduled to prep for this year's Sprint in the GIII Phoenix Breeders' Cup H. Oct. 5, but an undisclosed offer from the Japan Bloodhorse Breeders' Association may lead to the four-year-old being immediately retired. "He's in fine shape and just had a good workout," owner David

Lanzman told *The Blood-Horse*. "I've been receiving offers for him ever since he broke his maiden. I told my friends that if I ever get this [amount], I'll sell him. Well, I got it." Lanzman purchased the dark bay colt for \$25,000 at the Barretts March Sale; in addition to his Breeders' Cup victory, Squirtle Squirt captured the GI King's Bishop S. and the GIII Hollywood Juvenile Championship S. while compiling a record of 16-8-4-0 for earnings of \$1,112,220 to date. The four-year-old sustained a knee chip when second in the GII Palos Verdes H. Jan. 27 and has made just one start since, running fourth to Orientate in the GI Forego H. Sept. 1.

New Stallion for Shadai...

Shadai Stallion Station, which lost a trio of stallions including End Sweep this summer, will acquire the Forty Niner stallion's most accomplished offspring. Swept Overboard, a \$525,000 OBSFEB purchase, was a graded-stakes winner before selling for \$700,000 in July of his three-year-old season at the 505 Farms dispersal. For new owner J. Paul Reddam, the grey defeated Kona Gold in the GI Ancient Title Breeders' Cup H. last October before running fourth to Squirtle Squirt in the Breeders' Cup Sprint. Off since his impressive victory in the GI Met Mile May 27, he is currently training for the Ancient Title and will close out his career in the Breeders' Cup. The Florida bred has bank-rolled \$1,125,205 to date, with a record of 18-8-5-3.

BONAPAW BOUND FOR BREEDERS' CUP

Bonapaw (Sabona), winner of Saturday's GI Vosburgh S. at Belmont Park, will make his next start in the GI Breeders' Cup Sprint at Arlington Park Oct. 26. Immediately after his Vosburgh victory, his connections seemed to be leaning toward skipping the \$1 million event, but, at the time, they believed the gelding would have to be supplemented to the race for \$200,000. But the Breeders' Cup Ltd. contacted owner Dennis Richard Monday morning to let him know that the supplementary fee for Bonapaw is, in fact, \$90,000. "Dennis called me after that call from the Breeders' Cup and said, '\$90,000...I can go into my pocket for that,'" trainer Norman Miller III said.

*Sire of THREE two-year-old stakes horses
and 2002 yearlings which sold for up to \$370,000.
2003 Stud Fee: \$7,500 LF*

FROM THE DESK OF...
Bill Oppenheim

The third table lists 41 sires with 15 or more yearlings catalogued among the three sales combined; interestingly, three of them stand in Kentucky--Ashford stallions King of Kings (2yos), and Stravinsky (yearlings), and Mill Ridge's Diesis. You'll perhaps not be shocked to hear that six of the eight stallions with the most catalogued stand at Coolmore; the other two are first-crop sires Cape Cross and Intikhab. But what is a little surprising is that the overall leader is none other than the great Sadler's Wells: he has 59 yearlings catalogued in the three sales, of which 34 are at Houghton--over 17 percent of the catalogue. That's about one Sadler's Wells every 15 or 20 minutes. Go get 'em.

Due to an editing error, the third table of Bill Oppenheim's column yesterday did not include all of the horses referred to in the column. We are rerunning both the table and the portion of the column which refers to it.

SIPHONIC SET FOR COMEBACK Three-year-old **Siphonic** (Siphon {Brz}), unraced since finishing third in the Mar. 17 GII San Felipe S., will make his next start "any day now," said co-owner John Amerman. Amerman said he and trainer David Hofmans are hoping to find a race toward the beginning of the Oak Tree meet at Santa Anita, which begins next Wednesday. Considered a top prospect for the Kentucky Derby after he won last year's GI Hollywood Futurity, Siphonic was taken off the Triple Crown trail due to wear and tear. "He had twisted his neck, which was causing a little bit of an issue with an ankle," Amerman said. "There were no major problems, but he needed time off and we decided not to proceed down the Derby trail." Amerman said there are no plans to try to make a Breeders' Cup race with Siphonic. Rather, he said, the main goal will be the Strub Series, which begins with the Dec. 26 GI Malibu at Santa Anita. "He's bigger and stronger," he said. "I'm delighted we made the good business decision to back off when we did."

MAGIC WEISNER ON THE MEND Preakness runner-up **Magic Weisner** (Ameri Valay) has nearly completely recovered from a recent bout with West Nile virus and could return to training in a matter of weeks, *Thoroughbred Times* reports. Scratched from the GIII Pennsylvania Derby when he spiked a fever, the bay gelding was sent to the University of Pennsylvania's New Bolton Center after showing signs of neurological disorders. Owned, bred and trained by Nancy Alberts, the GII Ohio Derby winner was released and returned to his stall at Laurel Park Sept. 14. "He is very bright and is progressing as expected," Maryland veterinarian Bob Vallance told *Thoroughbred Times*. "We hope he can return to training in about three weeks." Second to War Emblem in the GI Haskell H. in his most recent start, Magic Weisner has won seven of his 14 career outings for earnings of \$888,110.

KEENELAND CATALOGS 3,597 FOR NOVEMBER

Keeneland will catalog 3,597 horses for its November Breeding Stock Sale. The auction, scheduled to run from Nov. 4 through 13, will include 1,951 broodmares, 146 broodmare prospects, 1,339 weanlings and 161 horses of other ages and types. The number of horses catalogued this year is down due to the effects of Mare Reproductive Loss Syndrome. "Last year, breeders, frustrated by MRLS, sold many of their barren mares," commented Tom Thornbury, Keeneland's associate director of sales. "Most of the mares in this year's catalog are safely in foal, making them much more attractive to purchasers." Mares expected to sell are in foal to such stallions as A.P. Indy, Danzig, Deputy Minister, Elusive Quality, Forestry, Fusaichi Pegasus, Giant's Causeway, Gone West, Kingmambo, Monarchos, Point Given, Storm Cat and Thunder Gulch. Also featured are weanlings by such sires as Pulpit, Seattle Slew and Seeking the Gold. Keeneland will also catalog 180 horses for its second annual October Yearling Sale, scheduled for Oct. 15. "The October Sale will give people who were unable to purchase in September a chance to buy a quality yearling," Thornbury said. "We consider this a 'trainer's sale,' and we will be dropping catalogs off at their barns." Yearlings will be offered by Affirmed, Awesome Again, Belong to Me, Conquistador Cielo, Elusive Quality, Forestry, Gentlemen (Arg), Grand Slam, Mr. Greeley, Siphon (Brz), Tactical Cat, Thunder Gulch and Unbridled's Song.

HONOR GLIDE TO CLOVERLEAF

Honor Glide (Honor Grades--Becky Branch {Ire}, by Run the Gantlet), a multiple Grade I winner of \$1,397,187, will take up stud duties next season at Cloverleaf Farms II in Reddick, Florida. The eight-year-old became the first three-year-old since Buckpasser in 1966 to sweep the Turf Triple Crown when he won the GI Secretariat S., GII American Derby and GII Arlington Classic in 1997. He also won the 1999 GI Sword Dancer Invitational, 2001 GII Niagara Breeders' Cup H., and 1999 GII Bowling Green H. Honor Glide hit the board in 18 of 38 starts, with 11 victories. Owned by Bonnie Heath Farm, Honor Glide will stand for \$4,000, live foal.

2ND LEADING THIRD-CROP SIRE SMART STRIKE

His 2YO colt **ADDED EDGE** remains **undefeated in 3 starts** with his second consecutive stakes win in the **\$125,000 Swynford Stakes** by 4 3/4 lengths.

BORN SOMETHING (IRE) (f, 4, Caerleon--Born Gold, by Blushing Groom {Fr}) looked like something special in posting this victory. The full to Gold Round (Ire), GSW-Fr, started her career in France, where she ran third in the G3 Prix de la Grotte before concluding her three-year-old campaign with a sixth to Banks Hill (GB) in the G2 Prix de Sandringham last June. The chestnut filly had to wait some time for her U.S. bow due to inclement weather, but finally raced at Saratoga Sept. 1, finishing third in an allowance. Jockey Jose Santos had the 8-5 favorite under a snug hold early, but let her run on the far turn and the Irish-bred responded, circling the field five wide before drawing off impressively by 4 1/4 lengths. Born Something is a great-granddaughter of Arc heroine Gold River (Fr) (Riverman). Lifetime Record: GSP-Fr, 7-2-0-2, \$54,039. O-Mohammed bin Rashid al Maktoum. B-Wertheimer Et Frere (IRE). PEACE RULES (c, 2, Jules--Hold to Fashion, by Hold Your Peace), a \$35,000 OBSMAR two-year-old, was a solid third July 31 at Saratoga and followed up with a fifth over a sloppy strip at the Spa Aug. 24. The 1/2 to Wild Fashion (Once Wild), MSW, \$365,605, was sent off at 9-1 in his turf debut, but belied his odds as he went straight to the front and never looked back, crossing the line four lengths clear of 1-2 Kon Tiki (Grand Slam). The chestnut colt got off to a slow start and trailed the field early, but picked off horses while six wide, came flying down the center of the lane and won going away by 1 3/4 lengths over Wonderful Victory (Danzatame). Retiring with Lasix to make her turf bow, the 8-1 shot fought his way through traffic to earn a 1 3/4-length victory from Divorce Lawyer Jay (Saint Ballado). JEH Stallion Station Purchases Shah Jehan:

Shah Jehan (Mr. Prospector), a \$4.4 million yearling purchase at the 2000 Keeneland September sale, has been purchased by the JEH Stallion Station of Jim Helzer from Susan Magnier for an undisclosed sum, according to *Thoroughbred Times*. The three-year-old son of Grade III winner Voodoo Lady (Baldski) has been a disappointment on the racetrack, with just two wins from 14 starts to date, but has managed runner-up finishes in the GIII Withers S. and GIII Long Branch Breeders' Cup S. Additionally, the bay finished second to subsequent GI Belmont S. winner Sarava in the Sir Barton S. at Pimlico. Helzer is philosophical about the purchase. "This has the potential to be a win-win situation," he told *Thoroughbred Times*, adding that trainer D. Wayne Lukas recommended the colt to him. "We already have a great stallion prospect, but if he turns things around and has a strong four-year-old year, then that's even better." Shah Jehan was most recently ninth of 11 in the GIII Kentucky Cup Sprint Sept. 21.

ALMUSHAHAR TO MISS DEWHURST Godolphin yesterday announced that **Almushahar (USA)** (Silver Hawk {USA}) will miss his intended target, the G1 Dewhurst S. at Newmarket Oct. 19, due to a training setback. Having won a competitive Newmarket maiden Aug. 23, he justified favouritism to maintain his unbeaten record in the G2 Champagne S. at Doncaster Sept. 13, after which he was quoted the 7-1 choice for next year's G1 2000 Guineas at Newmarket. Godolphin announced that the juvenile will travel to Dubai with the other Godolphin horses next month and will winter at Al Quoz Stables. Coral responded by lengthening the colt to 12-1 as joint-favourite for that Classic alongside **Maghanim (GB)** (Nashwan {USA}) and **Trade Fair (GB)** (Zafonic {USA}), second and third, respectively, in the Newmarket maiden.

GOSSAMER HEADS SUN CHARIOT 23 Gossamer (GB) (Sadler's Wells {USA}), who still holds and engagement in Saturday's G1 Queen Elizabeth II S. at Ascot, yesterday headed the 23 entries for the G2 Peugeot Sun Chariot S. at Newmarket next Saturday. Despite the fact that the G1 Irish 1000 Guineas winner will carry a penalty in the Newmarket contest, she is likely to switch to that race as the ground looks certain to ride too fast for the filly at Ascot. Also engaged is the Aidan O'Brien-trained **Sophisticat (USA)** (Storm Cat {USA}), winner of the G1 Coronation S. at Royal Ascot June 21 and **Zenda (GB)** (Zamindar {USA}), who took the G1 Poule d'Essai des Pouliches (French 1000 Guineas) at Longchamp May 12.

MORE RECORDS FALL AT FAIRYHOUSE Tattersalls (Ireland) concluded day two of their September Yearling Sales with a record overall average of €14,873, representing an increase of 27 percent on last year. That was accompanied by a record gross of €6,306,200, up 8 percent on 12 months ago. Having consigned the top-priced filly of the opening preferred session, Glenvale Stud supplied the top lot yesterday in hip 273, a colt by Danehill Dancer purchased by Havana Horse for €72,000. Trainer Jeremy Glover stepped in to secure the top-priced filly of the session in hip 226, by Charnwood Forest (Ire) out of a half-sister to Dano-Mast (GB). "We are absolutely delighted with the trade over the last two days," said Tattersalls (Ireland) Chairman Edmond Mahony. "A record average and aggregate for the sale exceeded even our most optimistic expectations. The structure we established at the beginning of the year has succeeded in attracting a better quality yearling and resulted in probably the strongest catalogue ever with buyers acknowledging this throughout the two days." The 220-strong Open sale begins at 10 a.m. tomorrow.

NO COX PLATE FOR GOLDEN SILCA

Trainer Mick Channon will have to find another race for **Golden Silca (GB)** (Inchinor {GB}) after the Moonee Valley Racing Club committee deemed the six-year-old mare ineligible for the G1 Carlton Draught Cox Plate Oct. 26. In a statement released Tuesday, the MVRC said, "Golden Silca does not currently satisfy the conditions of the race in that the mare does not currently have Group 1 or Group 2 form at weight-for-age or at set weights. Had the matter of the horse's entry into the race been delayed, Golden Silca's connections would have incurred expense and embarrassment, and accordingly the MVRC Committee has acted expeditiously." In 2000, Golden Silca was the highweight older mare at a mile in both England and Ireland, but her best finish this year has been a second in the G2 Fal-mouth July 10 at Newmarket. "Obviously they can only have so many running and that's their policy, I'm not going to make a fuss and there are plenty of other races she can go for," Channon told *Racing Post*.

NEW SPONSORS FOR CHEVELEY PARK

Betfair.com were yesterday announced as the new sponsor for the £150,000 G1 Cheveley Park S. at Newmarket next Friday. Having signed a two-year deal to sponsor the six-furlong contest, Mark Davies, director of communications at Betfair.com, said: "Our new association with the Cheveley Park Stakes takes our sponsorship programme to a new level, and we are delighted to be backing such a prestigious event."

Also ran: Chianti (Ire).

Rawyaan took a competitive handicap under top weight over this course Aug. 25 and continued his upward progression with a comfortable defeat of the smart Imtiyaz this time. Settled in third early by jockey Richard Hills as Chianti (Ire) (Danehill {USA}) was sent into a clear lead, he travelled easily until asked to gain closer order on the turn into the straight. As Imtiyaz moved to the head of affairs passing the three-furlong marker, Hills was getting into the drive position and his mount responded with enthusiasm to join the favourite with 300 yards remaining. Gaining the upper hand soon after, he needed hand riding to account for that rival in the run to the line.

SORCEROUS (GB) (c, 3, **Sadler's Wells {USA}**--**La Papagena {GB}**, by **Habitat {USA}**), sent off the 9-4 second favourite, went to the front early where he set a steady pace. Applying the pressure on the turn into the straight, the half to Grand Lodge (USA) (Chief's Crown {USA}), Hwt 2yo Colt-GB, MG1SW-GB & G1SP-Ire, \$657,558, stayed on well as the 2-5 choice Millstreet (GB) (Polish Precedent {USA}) ran into a dead-end in behind. By the time that rival had been extricated, Sorcerous had stolen a healthy advantage and that was enough to hold on by 1 1/2 lengths. Lifetime Record: 3-2-0-0, €30,750.
