SWEET RETURNS AT TATTERSALLS

Unraced **Molasses (Fr)** (Machiavellian) brought a 625,000gns final bid yesterday to kick off the breeding stock portion of Tattersalls' December Sale. The four-year-old, who is in foal to Mozart (Ire), was offered

from the Niarchos family's Haras de Fresnay-le-Buffard consignment. The granddaughter of champion Northern Trick (Northern Dancer), who is a half sister to Group 1 winner Shiva (Jpn), was sold to Johnny McKeever, who outbid Charlie Gordon-Watson and Alex Scrope, standing with Fred Seitz. The mare will join Pat O'Kelly's 12-strong broodmare band at Kilcarn Stud in Ireland. "She was one

of the nicest mares in the catalogue and cost a bit more than I planned," said O'Kelly, whose star broodmare Flame Of Tara (Ire)--dam of Salsabil (Ire) and Marju (Ire)--has been retired after foaling a Montjeu (Ire) filly earlier this year. "I have nothing from this family, so this will bring in some new blood. I liked the mare, she had a bit of personality which I think is important, and I will sell her Mozart foal as a yearling."

International Interests Strong at Tattersalls...

There was a huge international presence at Tattersalls and Reiley McDonald of Eaton Sales made the highest-profile purchase for the U.S. when he paid 440,000gns for **Fantasy Royale** (Pleasant Colony), a four-year-old in foal to Sadler's Wells, who was Listed-placed for trainer Aidan O'Brien. McDonald, who outbid John McCormack, was acting for Betty Moran's Brushwood Stable. "It was a last minute decision to get her, I only just got a fax telling me to bid on her," said McDonald. "We have not had time to discuss what to do with her, but I would like to send her back to Coolmore and then take her to America in foal to Danehill next year. I know her well as she was raised at Eaton and we sold her at Saratoga as a yearling. Additionally, her third dam Ringing Bells was Mrs. Moran's first ever broodmare." The Yoshida family's Shadai Farm in Japan paid 300,000gns for French Group 3 winner **Acceleration (Fr)** (Acatenango {Ger}), offered in foal to Galileo (Ire) while recent French Listed winner **Place Rouge (Ire)** (Desert King {Ire}) will race for an unspecified U.S. owner with British trainer John Gosden after selling for 270,000gns to Charlie Gordon-Watson.

PEDIGREE INSIGHTS

BY ANDREW CAULFIELD

THE INFLUENCE OF FORTY NINER

Considering that the *Thoroughbred Times 2002 Stallion Directory* listed no fewer than 61 sons of Forty Niner at stud in various parts of the world, I suppose we shouldn't be too surprised that the former champion sire is enjoying an eye-catching run of success as a sire of sires.

The latest weekend saw two sons, Roar and Jules, represented by their first U.S. graded winners when Roar Emotion took the GII Demoiselle S. and Peace Rules landed the GIII Generous S. For good measure, Editor's Note was responsible for Lacie Girl, who maintained her unbeaten record in the Star Ball H., while Banker's Gold was represented by his 12th first-crop winner when Heavenly Kevin scored at Aqueduct.

The successes of Roar Emotion and Peace Rules emphasized how well Forty Niner's sons have been doing as sires of juveniles, as the following run down the alphabet underlines. Announce has had two juvenile stakes winners among his first runners this year; Coronado's Quest has caught my eye with stakes horses in the U.S., Britain and Japan; and Distorted Humor has made an excellent start, with Grade I and Grade II winners among his five first-crop stakes winners.

Moving on to the Gs, the second crop by the unbeaten Gold Case features Randaroo, recent winner of the GIII Valley Stream S., while Gold Fever --known principally as the sire of Gold Mover--has another big earner to his credit in Arco's Gold, winner of one of Canada's top juvenile events, the Coronation Futurity.

More Forty Niners to Boot...

Roar's juveniles include the stakes-winning Coach Jimi Lee, in addition to Roar Emotion; Tactical Advantage has Crowded Dancer (GIII Hollywood Juvenile Championship) and Farno (runner-up in the GIII Sapling S.) among his precocious winners; and the unraced West Acre has sired the impressive Floridian filly Ivanavinalot, a late scratch from the Breeders' Cup Juvenile Fillies.

Of course the Forty Niner clan's success hasn't been limited to two-year-olds. The much-missed End Sweep supplied the Metropolitan H. winner Swept Overboard; Luhuk has been ably represented in the U.S. by one of his Argentinian sons, Avanzado, winner of the GII Forest Hills H.; and the Graded-placed Rich Man's Gold, who is now based in South Africa, is responsible for the high-class Lido Palace (Chi).

Although Forty Niner has enjoyed widespread success through his many stallion sons, that doesn't necessarily entitle him to be described as an outstanding sire of sires. Of course, only a relatively small percentage of all stallions ever enjoy long-term success and the truth is that quite a few of Forty Niner's best sons have so far done no better than they ought, and some, inevitably, have disappointed. I am hoping that I am going to have to revise that assessment over the next few years, as we see more of the produce of Coronado's Quest and Distorted Humor.

Seventh in this year's G1 Dubai Sheema Classic, he ran third in the G2-JRA All Comers S. in September and most recently, finished sixth in the G2-JRA Kyoto Daishoten last month. Well backed here despite his winless streak, the six-year-old gelding was with the pace from the start and held off the late charge of Daitaku Bertram for the win.

LAWSUIT LEVELED AGAINST AUTOTOTE

The California-based law firm of Lisoni & Lisoni, representing Pick Six player "Jimmy the Hat" Allard, will serve Autotote, which handles roughly 65 percent of all pari-mutual wagering in North America, with a class action lawsuit for negligence. The suit alleges that the betting public may have been cheated out of millions of dollars over the past eight years. The group also intends to show that a recent guilty plea by Chris Harn, who was implicated in the Breeders' Cup Ultra Pick Six scandal earlier this fall, is just the first time fraud at Autotote has been detected. Allard is expected to attend a news conference Wednesday afternoon, joined by attorney Joseph Lisoni, to discuss the Pick Six process and explain how alleged improprieties by Autotote occurred. Autotote officials have declined to comment on the matter.

REMINDER:

(Pedigree Insights cont. from p2)

The fact that Claiborne initially intended to reduce Coronado's Quest's fee from this year's \$75,000 to only \$35,000 for 2003 indicates that he hadn't been as quick out of the starting blocks as might have been expected of a horse who won five of his six juvenile starts. We should have remembered, though, that Coronado's Quest's three graded stakes victories at two had been gained on October 26, November 11 and November 30, and that he went on to emulate Forty Niner's success in the Travers S. over 1 1/4 miles. Although not short of speed, he clearly wasn't the type of ultra-precocious speedball one expects to stack up lots of early winners. Remember too that Claiborne's policy of restricting their stallions' books also limited his chances of coming up with lots of early winners. With 52 named foals in his first crop, Coronado's Quest was seriously outnumbered by the likes of Elusive Quality (72), Awesome Again (73), Touch Gold (86), Distorted Humor (94), Grand Slam (122) and Tale of the Cat (130).

Any critics of Coronado's Quest's early record also needed to factor in the types of mare he had been mated to when he became the highest-priced freshman sire of 1999. Listed among the sires of his mates were Alleged, Cox's Ridge, Sadler's Wells, Theatrical, Exceller, Northern Dancer, Slew o'Gold, Assert, Dynaformer, Nijinsky II and Seattle Slew--every one of them primarily a classic influence.

Several of these broodmare sires were also likely to exert a turf influence on Coronado's Quest--a dirt performer with a predominantly dirt pedigree. Forty Niner had made little impact at Group level with his 23 runners in Britain and Ireland, siring just three Listed winners, but Coronado's Quest has wasted no time in making his mark in Britain, with just three runners. Al Jadeed, with the help of a Riverman mare as his dam, has won three consecutive races, including the G2 Royal Lodge S.; and Battle Chant, who shares the same broodmare sire, Danzig, as Distorted Humor, has followed up his nine-length maiden win with an easy Listed victory.

Forty Niner Blood Abroad...

Coronado's Quest also has a promising turf performer in the Japanese colt Baron Karanotegami, who followed his debut win with a close third in a Group 3 race. The seven-year-old stallion has also shown his versatility by siring the Eliza S. winner Allspice, who has shown her appreciation of the main track even though she is out of a Sadler's Wells mare.

With around half of his first crop still untried, Coronado's Quest still has plenty of ammunition for next year, and I am going to be disappointed if he fails to build on his pleasing start.

THIS MONTH IN HISTORY...

December 7, 1957...A two-year-old colt named **Silky Sullivan** won the one-mile Golden Gate Futurity after making up 27 lengths, establishing a running style that became legendary. Horsemen still invoke the name of Silky Sullivan when referring to a horse that runs from far off the pace.

December 8, 1989...**Power to Geaux** paid a record \$2,922 for a \$2 wager made at Aksarben on the simulcast of the 11th race from the Fair Grounds. The previous record for a payoff on a \$2 bet was set June 17, 1912 when **Wishing Ring** paid \$1,885.50.

December 8, 1983...The longest shot in the field, 42-1 **Fortunate Prospect**, took the seventh running of the Morven Stakes at The Meadowlands.

December 10, 1977...In his second year of riding, **Steve Cauthen** became the first jockey to win \$6 million in a single season when he rode the three-year-old filly Little Happiness to victory in the sixth race at Aqueduct.

December 11, 1983...**John Henry** became the first racehorse to surpass \$4 million in career earnings when he won the Hollywood Turf Cup.

December 13, 1986...Jockey **Kent Desormeaux** picked up his first stakes win, riding Godbey to victory in the Maryland City H. at Laurel.

BAILEY BREAKS EARNINGS RECORD...AGAIN

With a third-place showing aboard Royal Gem in the GI Hollywood Derby Sunday, jockey Jerry Bailey broke his own North American single-season earnings record by raking in \$19,032,509 so far in 2002. The 45-year-old, elected to the Hall of Fame in 1995, established a new standard last year by taking in \$19,015,720, but he topped himself in 2002 off a successful weekend that included wins on Sightseek in the GII Top Flight H. at Aqueduct Friday and on Congaree in the GI Cigar Mile Saturday. Other highlights of Bailey's 2002 campaign include triumphs aboard Medaglia d'Oro in the GI Travers S. at the Spa in August and on likely Eclipse winner Orientate in the GI Breeders' Cup Sprint in October. Bailey also steered Street Cry (Ire) to victory in the G1 Dubai World Cup in March, though the purse money of that race isn't included in Bailey's North American tally. To date, Bailey has 210 wins in 823 mounts in 2002, with 137 seconds and 117 thirds.

CO-OWNER OF LEMON DROP KID, LADDIE DANCE, DIES AT 76

Baltimore native Milton J. "Laddie" Dance, who campaigned 2000 Champion Older Horse Lemon Drop Kid, died Nov. 28 at age 76. An auctioneer for Fasig-Tipton Co. for over four decades, Dance met Jeanne Vance in 1965 and the pair married two years later. The couple, who initially operated under the name Taylor's Purchase Farm, found their greatest success to date when Lemon Drop Kid, who foiled the Triple Crown bid of Charismatic in the 1999 Belmont S., went on to score in the GI Whitney H., GII Suburban H. and GII Brooklyn H. en route to a four-year-old championship the following season. Along with his wife, Dance is survived by four children, two stepchildren and 11 grandchildren. A memorial service will be held at the Chestnut Grove Presbyterian Church in Jacksonville, Maryland Dec. 5. Services begin at 11:00 a.m. In lieu of flowers, memorial contributions can be made to the Milton J. Dance Jr. Head and Neck Rehabilitation Center at the Greater Baltimore Medical Center, 6701 North Charles St., Baltimore, Md. 21204.

NYRA Security Guard Arrested:

Henderson Kirton, a security guard for the New York Racing Association, was arrested and charged with third degree theft Monday for stealing returned mail to the organization that contained mutuel vouchers worth up to \$10,000. Henderson admitted that he tried to redeem NYRA vouchers that had been mailed out in conjunction with its Mystery Mutuel Voucher promotion Friday. One of the vouchers from the returned envelopes contained a \$10,000 grand prize. The U.S Postal Inspector's Office and the New York State Racing and Wagering Board are reviewing the case to determine if additional charges will be leveled against Kirton.

Rockingham Granted 2003 Harness Dates; Thoroughbred Meet Unlikely:

The New Hampshire Pari-Mutuel Commission approved 100 days of harness racing for 2003 requested by Rockingham Venture, Inc., but the chances for a live Thoroughbred meet appear unlikely. "Rockingham attempted to structure an agreement with the Thoroughbred horsemen on dates for the next two years, but an agreement could not be reached," said Ed Callahan, vice president and general manager of Rockingham. "Our choice was to close or to seek a harness license, which under New Hampshire law, were our only two alternatives." Rockingham Park will conduct live harness racing, for the first time since 1980, from May 24 through to Sept. 1.

SAKHEE ON SHOW Sakhee (USA) (Bahri {USA}) is acclimating well to his new environs at Shadwell's Beech House Stud near Newmarket, according to stud director Richard Lancaster. The five-year-old was paraded alongside Shadwell's other new stallion, **Act One (GB)** (In The Wings {GB}), yesterday. The two will be housed at Beech House through the end of the Tattersalls December Mare Sales before moving to the Nunnery Stud in Thetford. "He has been an absolute gentleman since he arrived and has settled in to life at Shadwell, relaxing very quickly," Lancaster said of 2001's International Classifications highweight. "He has just put his head down and taken to his new surroundings." Sakhee, who was retired in October, succeeds the late homebreds Unfuwain (USA) and Nashwan (USA) at the Nunnery. "He is a lovely horse with a great presence about him and is a horse to follow in the footsteps of Unfuwain and Nashwan," Lancaster remarked. "He fits the tradition of Shadwell stallions." Act One, who was injured after finishing runner-up to Sulamani (Ire) in the G1 Prix du Jockey-Club (French Derby) at Chantilly in June, was described by Lancaster as "a lovely horse and an athlete" who had "been extremely well-supported and proved very popular." The two will be available for viewing today, Wednesday and Thursday.

RICCARDI LINES UP SLAP SHOT

Slap Shot (Ire) (Lycius {USA}), who will become the first Italian-trained horse to compete at Hong Kong's International meeting, is in good shape as she continues to prep for the Dec. 15 G1 Hong Kong Sprint. The G1 Prix de l'Abbaye runner-up will ship from Milan's Malpensa airport to Hong Kong Thursday and will be joined by her trainer next week. "She's in good form and should like the fast five furlongs at Sha Tin," said conditioner Luigi Riccardi, adding, "[Frankie] Dettori's on board and I'm hopeful. I have already won my race by being invited, anything else will be a bonus."

CELLINI STEPS IN FOR WHITE HEART

There has been a change in the line-up for the G1 Hong Kong Cup, with Hong Kong representative **White Heart (GB)** (Green Desert {USA}) being replaced by **Cellini (GB)** (Efisio {GB}). Cellini, who originally campaigned in England, caused a huge upset when taking a Class 3 handicap in Hong Kong last March at odds of 220-1. The four-year-old gelding comes off a win in Class 1 company at Happy Valley Nov. 20. White Heart, third in Saturday's GII Citation H. at Hollywood Park, came out of the race a little tired, according to trainer Neil Drysdale, and will skip the trip to Sha Tin. Drysdale will saddle **Sarafan (USA)** (Lear Fan {USA}) in the Cup. **Decarchy** (Distant View), fourth in the Citation, has also been confirmed on course for the 2000-meter event.

FALVELON SHARP FOR SPRINT

Falvelon (Aus) (Alannon {Aus}), who has won the last two editions of the G1 Hong Kong Sprint as well as two Australian Group 1 races, prepped for this year's running of the race with a barrier trial at Australia's Cranbourne racetrack in Melbourne Friday. The six-year-old beat six rivals in the trial, going five furlongs in :57.30. Jockey Danny Nikolic, who was aboard Falvelon Friday, but has the mount on **Mistegic (Aus)** (Strategic {Aus}) in the Sprint, said, "I'm confident Mistegic will run well in Hong Kong, but after riding Falvelon in the trial, I am worried now that he is going to be hard to beat." A six-time stakes winner in his native country, four-year-old Mistegic captured the G1 Galaxy S. this season. His trainer, Lee Curtis, said, "I reckon our sprinters are the best in the world and if my horse and Falvelon settle in well when they arrive, I think that they have to be rated as the ones to beat." He added that his runner will add blinkers for the Sprint. "I worked him in the blinkers last Friday and he was really focused," he said. "I think they will work wonders for him." Falvelon's trainer, Danny Bougoure, will also send out two-time Group 3 winner **Scenic Peak (Aus)** (Scenic {Ire}) for the G1 Hong Kong Mile. "Both horses are doing great," he said. The Australian trio are scheduled to fly to Hong Kong today.

Prix Edellc cont.

Although 32-1 outsider **Azdine (Fr)** (Riverquest {Fr}) passed the post first, a shock was averted when that colt's rider, Yann Lerner, failed to weigh in correctly. Nevertheless, **Valentino** had shown enough on his latest outing to suggest he could take a contest of this nature. Last time out, the colt was 4½ lengths runner-up to the smart **Sarrasin (Fr)** in the Listed Grand Prix de Marseille Nov. 16. Racing in fourth throughout the early stages under Thierry Jarnet here, he was brought with a sweeping late run alongside **Azdine** to collar the long-time leader **Sahib** in the final 100 yards. **Azdine** got the better of him in the drive to the line, so it was left to the stewards to present **Valentino** with his first stakes success on the technicality.

Top Italian jockey **Mirco Demuro** will forego opportunities to regain the domestic jockeys' championship by competing in major international meets over the next two weekends. **Demuro** has 130 wins this year, seven behind reigning champion **Marcello Belli**, but may concede ground when riding in the Air Mauritius-sponsored International jockeys' day in Mauritius next Sunday and in the Hong Kong International races the following week. The final time was the second-fastest in the 10-year history of the race. The winner will be pointed to the 1500-meter Tawi Murghem in three weeks, and trainer John Sadler said he would keep his charge at the shorter distances this season. "Royal Tryst showed last preparation he didn't stay and I think he is at his best at around a mile," he remarked. Future goals could include the G2 Godolphin Mile or the G1 Dubai Duty Free H.
