A WINNING MOVE

Never worse than second in five previous tries at six furlongs, **Willa On The Move** (Two Punch) kept that record intact with a rallying half-length victory over favored **Shine Again** (Wild Again) in the GIII Honorable Miss S. in the slop at Saratoga yesterday. Second in three graded events last season, including the GI Acorn S., the chestnut ended the year with a fifth-place finish against older fillies in the Nov. 29 GII Top Flight S. She had been out just once since, crossing the finish line a nose behind **Redhead**

Riot (Top Account) in the June 27 Xtra Heat S. at Belmont, but getting the win via a stewards' disqualification. The 5-2 second choice in her second outing of the season, the chestnut was last after the opening quarter, but swung three wide around the far turn and motored down the far outside to catch the choice on the line. Willa On The move could go next in the GI Ballerina H. Aug. 24. [Click for the brisnet.com chart.](#)

READY TO ROCK

Medaglia d'Oro (El Prado {Ire}) won't be alone on the lead in the GI Whitney H. at Saratoga this afternoon. Look for **Northern Rock** (Jpn) (Northern Taste) to make a fight of it early. "He will definitely be involved early," trainer Kieran McLaughlin said. "He's very fast. If he dittos his first race [in America], he'll be there for a major part of it." The five-year-old won just one of his 13 starts while racing on the turf in Ireland, but blossomed after shipping to Dubai last fall, with four wins and three seconds from eight starts on the dirt. He missed by just 3/4 of a length when runner-up in the Listed Jebel Ali Mile. The chestnut made his U.S. bow in a Belmont allowance test going a mile and a sixteenth June 12 and led gate to wire to score by six lengths over **Puzzlement** (Pine Bluff). Dropped back to seven furlongs for the July 4 GII Tom Fool H., he pressed the pace through a half in :44 4/5, but weakened late to be sixth. If the speed collapses again in the Whitney, **Evening Attire** (Black Tie Affair {Ire}) will benefit. Three-for-five on the Saratoga main track, the five-year-old posted a rallying 1 1/2-length tally in the GII Saratoga Breeders' Cup H. last year. Fourth behind **Volponi** (Cryptoclearance) in the GI Breeders' Cup Classic, the grey ended 2002 with an eight-length victory in the off-the-turf GIII Red Smith H. He was off the board in his first two tries this season, the GII Brooklyn H. and the GI Suburban H., but returned to form to post a 6 3/4-length allowance score over the Whitney track and distance July 23. "It has taken him a while to get back into the swing of things," trainer Pat Kelly said, adding that he is hoping for not only a hot pace, but also a wet track, and may scratch if the going is fast.

Sir Michael Stoute knows how to win this race, having done so three times since 1990, and he saddles a formidable duo in **Russian Rhythm** and **Zee Zee Top**. Russian Rhythm steps up in trip for this contest after her impressive successes in the G1 1000 Guineas at Newmarket May 4 and G1 Coronation S. at Royal Ascot June 20. Her stamina has to be taken on trust, as she showed electric acceleration when beating Six Perfections (Fr) by 1 1/2 lengths in the Classic and Soviet Song (Ire) by the same margin at the Royal meeting. Those doubts do not surround her lightly raced stable companion, who beat subsequent dual-stakes scorers Chorist (GB) and Aldora (GB) in the Listed Middleton S. at York May 14. She suffered a troubled trip when a length second to Hanami (GB) in the G2 Pretty Polly S. at The Curragh last time June 28. She was demoted to third in that event, but has the profile of a highly progressive older filly. That comment also applies to **Macadamia**, who stepped up from winning the Royal Hunt Cup H. at Royal Ascot June 18 to beat Stoute's Waldmark (Ger) by a length in the G2 Falmouth S. at Newmarket July 9. But she has to improve again to trouble the Stoute duo over a trip that may prove too far for her here. Zee Zee Top and Macadamia form an unusually strong challenge to the sophomores, who have dominated this contest by giving best to the older horses only three times since 1980.

7	Super Fuse	Lite the Fuse	Ciardullo Jr.	8-1

All **Posse** has to do is run back to his last three races and his winning streak will grow to four in a row. Four-for-five on the year, the late-running bay captured the Apr. 6 GIII Lafayette S. at Keeneland, May 10 Matt Winn S. at Churchill Downs and, most recently, the June 7 GII Riva Ridge Breeders' Cup S. in the slop at Belmont Park. But he will have to catch the speedy **Trust N Luck**. The chestnut, front-running winner of the GI Fountain of Youth S., makes his first start since the Apr. 19 GII Lexington S. at Keeneland, where he set the pace before tiring to be fourth behind **Scrimshaw**. The Lexington winner earned a trip to the Triple Crown with that success, running a distant third in the GI Preakness, but finishing 11th in the GI Kentucky Derby and sixth and last in the GI Belmont S. He drops back to a sprint for the first time since finishing fourth in the GII Hutcheson S. at Gulfstream Park in February. "If he runs well, I may keep him sprinting," trainer D. Wayne Lukas said. "I did that with Orientate and everything worked out well there." **Zavata**, 7 1/4-length winner of the GII Sanford S. at Saratoga last year, opened his sophomore year with a disappointing fifth-place effort in an allowance race against older horses at Belmont May 24, but rebounded facing a softer field in his latest, taking an optional claimer at Monmouth Park June 26. "He bruised his foot [in his first start back] and basically pulled himself up," trainer Patrick Biancone said. "That race was a throw out."

Valentine Dancer won her first two tries on the turf, then stepped into stakes company for the Flawlessly S. at Hollywood July 6 and finished a solid third despite being forced to steady at the eighth pole. The bay should rebound with clear sailing this time. **Bukat Timah** makes her U.S. bow. Two-for-four in Europe, she ended her overseas stint with a 3/4-length score in the Listed Premio Baggio in Italy May 1. **Atlantic Ocean** drops back to a mile after running a solid third in the 10-furlong American Oaks July 5. She made her grass debut in the eight-furlong GIII Miesque S. last November and posted a one-length tally. **Buffythecenterfold** adds blinkers in her first try on the turf. A multiple graded-stakes winner on the main track, she switches surfaces after running sixth as the 19-10 chalk in the July 12 GIII Azalea Breeders' Cup S. at Calder.

MINESHAFT STRETCHES HIS LEGS AT SPA
Mineshaft (A.P. Indy), the top older horse in the country, went an easy half-mile in :53.74 over a "good" main track at Saratoga yesterday morning. "It was a great work," trainer Neil Howard said. "I just wanted to give him a two-minute lick and then have him gallop it out at the end. We were just going easy with him." The four-year-old, winner of the GI Suburban H. last time out, will make his next appearance in the GI Woodward S. at Belmont Park Sept. 6. "We'll be breezing him, picking up the pace with him, just preparing him for the Woodward," Howard said. "He's fit, he's ready to go and he's on top of his game right now."

This race, originally carded at a mile on the grass, had its field reduced to just four and Marc's Rainbow made light work of it to score by daylight. The 2 3/4-length winner of the East View S. for Empire-breds at Aqueduct last Dec. 8, the homebred was fourth in the Busanda S. versus open company Jan. 26 before getting a break. A distant sixth in the Belmont slop May 22, the bay was most recently a solid third in the July 6 Little Silver S. at Monmouth Park. Alertly into stride, Marc's Rainbow set a moderate pace and drew clear in the stretch to win easily.

Wando Works Ahead of Triple Crown Attempt:

Wando (Langfuhr), who shoots for the Canadian Triple Crown in the \$500,000 Breeders' S. at Woodbine Aug. 9, worked a solid six furlongs over the turf in 1:14 3/5 in company with a stable companion yesterday morning. "Wando worked really nice," said trainer Mike Keogh of the colt, who could become the first horse since Peteski in 1993 to score the Triple Crown. "[He and his stablemate] went a little slow early, but they finished up really well." The conditioner is not concerned about Wando's transition back to the turf, a surface over which he finished a head second to Lismore Knight in the GII Summer S. last season. "The only thing we have to worry about is whether he can get the 1 1/2 miles," he said.

The grey was backed down to 2-1 favoritism in the GIII Firecracker Breeders' Cup H. at Churchill July 5, but faded to be third after setting the pace. The second choice in his Canadian bow, Package Store raced three wide behind a solid early pace, rallied six deep into the stretch and was along late for the victory. The winner could make his next start in the GI Atto Mile at Woodbine Sept. 14.

CORRECTION...Grand Hombre (Grand Slam), who won the eighth race at Monmouth Park Friday, July 25, is out of **Santona (Chi)**. The mare, a Group 1 winner in Chile, was named champion grass mare in her native country. Saturday's TDN failed to include this information. We regret the omission.

Florida To Play Host To Eclipse Awards Ceremony:

Officials at the National Thoroughbred Racing Association have announced that the 2004 Eclipse Awards ceremony, set for Jan. 26, 2004, will be held at the Westin Diplomat Resort and Spa in Hollywood, Florida. The Eclipse Awards are presented by the NTRA, National Turf Writers Association and *Daily Racing Form* and honor both equine and human champions for their accomplishments during the year. Tickets for the event can be purchased individually for \$300, or for \$3,000 for a table of 10. For more information, contact the NTRA at (800) 792-NTRA.

Senate Committee Passes Internet Gambling Bill:

The U.S. Senate Banking Committee yesterday passed the "Unlawful Internet Gambling Prohibition Act" by a unanimous vote of 20-0. The legislation does contain an exemption specific to horseracing, but does not include the broader exception for "lawful transactions with a business licensed or authorized by a State" that was part of an earlier House bill passed in June. "It is encouraging that members of Congress continue to recognize the unique position of the horseracing industry in regard to this issue," said NTRA Deputy Commissioner Greg Avioli. The bill now moves to the full Senate for its consideration.

No "Challenge" in 2003:

The National Thoroughbred Racing Association's Board of Directors has approved a staff recommendation to cancel the 2003 edition of the "Great State Challenge." The inaugural edition of the event was held at Sam Houston Park last year. The "Challenge" could return for 2004 if sponsors can be found.

"On our arrival in Dubai, it was a sensational surprise to see such a glorious destination with great hotels and gorgeous beaches. It was a great experience; we understand why many Europeans would go there on vacation. It was a first-class racing facility with tremendous horses and a very enthusiastic crowd that appreciated Thoroughbred racing."

Researched began the season in promising fashion, taking a York handicap May 15, before finishing runner-up in the Duke of Edinburgh S. at Royal Ascot June 17. The half to stable companion Cover Up (Ire) found the unique test of the valuable and ultra-competitive John Smiths Cup beyond him when 13th over an extended 10 furlongs back at York July 12. Breaking alertly in this contest, he was reined back by Kieren Fallon off the steady early gallop, but was always traveling strongly in prime position to strike as the field turned into the straight. Swooping to the front with 2 1/2 furlongs remaining, the gelding only needed to be kept up to his work to comfortably hold Razkalla and Frankie Dettori before being eased near the line.

 Tantina made all to take her record to a perfect three-from-three and continue the purple patch for Juddmonte-bred fillies at Glorious Goodwood this week. After the scores of juveniles Tarot Card (GB) and Ithaca, Tantina maintained Juddmonte's 100-percent record with a fluent front-running performance under a hand ride from a confident Richard Hughes, quickening to comfortably hold Gonfilia and Frankie Dettori in the closing stages. After winning a Haydock maiden on her belated debut July 3, she looked a class act when accounting for Wimple in a conditions event at Yarmouth July 24. "I've had her just under three months," commented conditioner Barry Hills. "She ought to improve a bit as the autumn goes on and go for something like the G2 Challenge S. [at Newmarket Oct. 18] or G1 Prix de la Foret [at Longchamp Oct. 12] over her ideal trip of seven furlongs. I wouldn't want to go a mile at the moment, as she has a very high cruising speed and a lot of early pace."

Lady Bear needs some give in the ground, but proved capable of winning big handicaps in those conditions when taking the Spring Mile at Doncaster last March. She showed promise when sixth in a competitive Sandown handicap on ground that was faster than ideal last time July 5, but the rain came in time here. Despite her favorable high draw, she slouched from the gate and was forced into mid-division throughout the early stages. Kept to the inner in the straight, she quickened to seize the gap that opened to her left approaching the final eighth and wore down Faithful Warrior in the final 50 yards.

Sent off as the well-supported 7-2 favorite here, he stalked the early pace, was pointed through a gap on the inner in the straight and quickened through to lead with 2 1/2 furlongs remaining. Maintaining the gallop all the way to the line, he was driven out to hold the challenge of Famous Grouse (GB) (Selkirk) by a half length. "He's raised 16 pounds, but he's done it well," trainer John Gosden commented. "He's got a little bored in the last half furlong and started hanging left, but was a long time in front."
