ON THE WAGON

Before the GI Hopeful S., everyone had pegged **Chapel Royal** (Montbrook) as unbeatable. After the race, all eyes were on 12-1 longshot **Silver Wagon** (Wagon

Limit). Last early, the gray colt rolled down the Saratoga stretch yesterday afternoon, driving inside Chapel Royal in the final furlong and pulling away to beat the 3-5 favorite by four decisive lengths. "I came up here with two intentions," Calder-based trainer

Ralph Ziadie said. "[To run] Trust N Luck, who got hurt, and this horse for this race. He has done everything right since he's been here. I had a lot of confidence in him." **Hopeful cont. p2**

SARATOGA STAR

Gygistar (Prospector's Music) ran the race of his life to win the GI King's Bishop S. at Saratoga last year. Looking to repeat that performance, he makes his second start at the highest level in the seven-furlong GI Forego H. at the Spa today. The four-year-old disappeared after the King's Bishop, returning to run a disappointing fifth in the Feb. 9 GIII Deputy Minister H. Sidelined once again following that race, the chestnut made his comeback in an allowance July 25 and ran his record at Saratoga to a perfect two-for-two. "We're looking forward to returning to Grade I competition," trainer Mark Hennig told the *Daily Racing Form*. It's not an easy spot to make that return. Gygistar faces MGISW **Aldebaran** (Mr. Prospector) and track-record setter **Najran** (Runaway Groom). Putting his rep as a bridesmaid behind him, Aldebaran has taken four of his six starts this season. The winner of the GI Met Mile in May, he also captured three of four tries at the Forego distance, including a two-length tally in the July 4 GII Tom Fool H. last time out. Najran has also been freshened since tiring to be fourth in the Tom Fool. The gray has been off the board in four of five tries this year, but made his one win count, leading the field from gate to wire in the GIII Westchester H. at Belmont May 7 before stopping the timer in a track-record 1:32 1/5 for the mile. The four-year-old was not as impressive in his next outing, running seventh in the Met Mile before his effort in the Tom Fool. But trainer Nick Zito felt his charge had excuses for his last two tries. "[The Met Mile] was too quick of a return," he said. "I was hoping to draw an outside post in the Tom Fool, but he drew the rail. He's a tough horse in the gate and before it opened he lunged forward. He hit his head and ran like a dazed horse. I decided to give him plenty of time."

Perfect at the Spa...

Silver Wagon started his career at Calder, running second in a 6 1/2-furlong maiden race June 28. He shipped north for his second start and showed an immediate liking for the Saratoga strip, cruising to a 7 1/2-length victory at the Hopeful distance Aug. 8. Overlooked with the step up to Grade I competition, the Florida-bred colt was at the back of the pack through fractions of :22.47 and :45.49, but found running room between horses in the stretch to take the lead late before drawing clear. "He put himself in the race, but I had nowhere to go," jockey Jerry Bailey said. "So I just bided my time. [Chapel Royal] drifted out just slightly and I had room to go in between, but he didn't just burst through--he waited for me to ask him to run. With his demeanor and the way he runs, distance shouldn't be a problem." But Silver Wagon is not going to get the chance to stretch out for some time. "He probably won't race again until Gulfstream, or we could find a race to prep at Calder to prep in December," Ziadie said. "We'll ship him back to Calder, keep him there and get him ready for the big ones next year. The big boys are next year. I don't want to go to the Breeders' Cup Juvenile."

No Excuses for the Favorite...

Chapel Royal looked like he'd be the easiest kind of winner as he strode to the front at the top of the lane, but ran out of gas in the final furlong and had to settle for second. "I'm not making any excuses--he just didn't punch," jockey John Velazquez said. Added trainer Todd Pletcher, "He broke a little sluggishly, but it looked like he put himself into a decent spot. He broke well enough that he ended up parked three wide around the turn, but that's not much of an excuse other than we lost a lot of ground going around there. I know he's a better horse than the way he ran today. If he's healthy, we'll go on to the next step." The GI Futurity S. at Belmont Park is scheduled for Sept. 14, with the GI Champagne S. set for Oct. 4.

Halfbridled has trainer Richard Mandella dreaming of another GI Breeders' Cup Juvenile Fillies victory. Mandella took the race with Phone Chatter in 1993. After watching Halfbridled gallop home an easy winner here, he said, "When I first saw her as a yearling, she reminded me of Phone Chatter. She's a big, rough, tomboy kind of filly. From the first day, everybody loved her and she hasn't let us down yet." The big dark bay started her career at Del Mar July 27, closing from last to easily defeat fellow maidens by 4 1/2 lengths. The second choice facing stakes foes at second asking, she tracked front-running Wind Flow (Indian Charlie) early, eased up the rail to join that one on the far turn, dropped back a bit, then charged through the opening and drew off late to win handily. Mandella was pleased with the ride. "By the look of things, if [jockey Julie Krone] hadn't gone through the hole, she might have been buried down inside and who knows what would have happened," he said. Krone remarked, "I put my hands down on her neck and said, 'come on, mama, let's get out of trouble.' All the lessons that Richard and his gallop people have taught her paid off." **Click for the [brisnet.com chart](http://www.brisnet.com/chart), the [free brisnet.com catalogue-style pedigree](http://www.free.brisnet.com/catalogue-style/pedigree) or the [video race replay](#).**

Five-for-nine on the Woodbine turf going into this race, Strut the Stage once again demonstrated a fondness for the course with this rallying success. The chestnut, winner of the GII Dixie S. at Pimlico and third in the GI Manhattan H. last spring, suffered through four consecutive off-the-board finishes before ending the season with a victory in the GII Sky Classic H. in Toronto Oct. 27. The five-year-old resurfaced to be second in the June 15 GII King Edward Breeders' Cup H. at a mile and an eighth before getting back to the winner's circle after the July 20 GII Chinese Cultural Centre S. going 11 furlongs last time out. The crowd's choice to make it two in a row, he raced midpack for 10 furlongs, came four wide around the turn, grabbed the lead at the eighth pole and edged clear. "We were trying to make him into a miler last year, but he was just coming up a little bit short," trainer Mark Frostad said. "We've stretched him out [this year] and he's responded well." Added jockey Todd Kabel, "I had a perfect trip the whole race. It was a matter of just getting the distance. In the back of my mind I wasn't sure if he could get the mile and a half, but he showed he was all there. He had his game face on." Who says cats don't like water? Undaunted by the rain and a wet racetrack, Feline Story grabbed the lead after a half mile and opened it up late for her first graded-stakes score. The third graded-stakes winning juvenile filly by Tale of the Cat this season, Feline Story made her career debut at Belmont June 4 and cruised to an 11 1/2-length victory over a sloppy track. She came back to take the Astoria S. by a front-running four lengths June 29, then tried her luck in graded company and was fourth in the GII Schuylerville S. at Saratoga July 23. The two-year-old filly was in front nearly every step in her two winning races, but, according to trainer Stan Hough, she did not need the lead to be effective. "Mr. Hough told me that if she broke sharp, we should go to the front, but if someone else wanted the lead, we could lay off the pace," winning jockey Jose Ferrer said. "That's what happened." Fashion Girl (Tactical Cat) and Standswithafist (Gold Fever), the one-two finishers in the Colleen S. at Monmouth Aug. 3, were head-and-head early, but Ferrer made his move as they raced into the turn and by the time they'd hit the stretch, Feline Story had taken control. "At the half-mile pole, I saw horses moving up outside of me," he said. "I didn't want to get trapped inside, so I just went on with it. After that, it was game over."

Barbajuan took a Lingfield maiden May 9 before following up in a conditions event at Kempton May 24. He lost his unbeaten tag when fourth behind the impressive **Three Valleys (GB)** in the G3 Coventry S. at Royal Ascot, then failed to land a blow when fifth in the G3 Superlative S. at Newmarket July 10. Rested since, he benefited from an enterprising ride from Darryll Holland to make virtually all and register his first stakes score in this contest. Kept to the inside rail as his rivals formed a mass exodus to the centre of the track, he led early, was headed briefly by **Matloob** at the quarter-mile marker, but maintained the gallop to regain the lead soon after before holding **Milk It Mick** on the uphill climb. "That was always going to be the plan--to get to the front and stay on the far rail," winning trainer **Neville Callaghan** told *PA Sport*. Barbajuan was named for a Monte Carlo pastry. "His owners, Team Havana, are a syndicate led by **Andy Smith**, which includes some pretty big names, such as the likes of **Robert Sangster**," Callaghan continued. Third to War Emblem in the GI Haskell H. last season, **Like A Hero** closed the season with respectable fourth-place efforts in the GI Travers S. and the GII Goodwood Breeders' Cup H. Sixth in his July 5 return over the Hollywood main, the dark bay was eighth of nine in a similar event at the seaside July 26, but put it all together in his latest, adding blinkers and rallying to take his turf bow by a neck Aug. 15. He is bred to run all day and his dam, Like a Hawk (Silver Hawk), was multiple group placed over European turf courses.

Ballingarry was third to Storming Home (GB) in the Jim Murray Memorial H. May 10 before returning to take the GIII Stars and Stripes Breeders' Cup H. in Chicago July 5. The bay comes into this off a ninth in the GI Sword Dancer Invitational H., but faces much softer here. **Kim Loves Bucky**, a close fifth in last year's renewal of this race, won the GIII Louisville H. over this trip May 31, was sixth in the GI United Nations H. July 5 and comes off a seventh-place effort in the Sword Dancer. The six-year-old gelding gets the services of Pat Valenzuela, who gets off of **Continental Red**.

Much Faster bids to emulate her sire by winning this event. Like her sire, she is a powerful galloper whose physical superiority over her peers has ensured that she brings an unbeaten record into this prestigious contest. After two easy scores in the Listed Prix la Fleche at Maisons-Laffitte June 17 and G3 Prix du Bois at this track July 5, she beat **Colossus** by a comfortable three-length margin in the G2 Prix Robert Papin at Maisons-Laffitte July 27. Conditioner Pascal Bary also saddles **Denebola** as he bids for his first Mornay win. Denebola is following the same path as her dam Coup de Genie, who took this race in 1993 following a victory in the G3 Prix de Cabourg. Denebola's success in that contest at this track last time Aug. 2 augured well for her future, but the softening conditions at Deauville may compromise her chances. Aidan O'Brien has won this race three times since 1998 and saddles a trio headed by Colossus. The G2 Prix Robert Papin was his first start since winning a maiden at The Curragh in March; he is certain to improve off that effort. **Old Deuteronomy** strengthens O'Brien's hand by virtue of his length second to stablemate One Cool Cat in the G1 Phoenix S. Aug. 10. Another whose chances have been diminished by the rain, he is also held by **Carrizo Creek** on the form of his half-length defeat at the hands of that rival in the G2 Richmond S. at Goodwood July 29. Carrizo Creek, who had previously won the Goffs Challenge at The Curragh June 27, bids to provide Brian Meehan with his second Prix Mornay after the exploits of Bad As I Wanna Be (Ire) three years ago.

Mick Kinane has stayed at home to ride **Necklace** instead of heading off to Deauville for the G1 Prix Morny, an obvious hint to her potential. Like Sequoyah (Ire) and Quarter Moon (Ire), Aidan O'Brien's other two winners of this race, she contested the G3 Debutante S. at this venue last time Aug. 10. She surpassed their runner-up placings by winning that contest and the forecast for rain will make her hard to beat. Necklace has to reverse a 3/4-length defeat by **Soviet Belle** in a six-furlong maiden in her debut at this track July 12. Soviet Belle, who hails from the connections responsible for the 1995 winner (and half-sister) Priory Belle (Ire), has a strong chance to provide Jim Bolger with his third renewal since Park Appeal (GB) in 1984. **River Belle** steps up in trip following her success in the G3 Princess Margaret S. over six furlongs at Ascot last time July 26. She holds Necklace on form, but has to prove she is as effective over this trip. **Misty Heights** demolished a field of maidens including the highly regarded Royal Tigress at Tipperary Aug. 21; she bids to end a 16-year drought in this race for Dermot Weld. **Maroochydore** has to step up off her score in the Listed Silver Flash S. over six furlongs at Leopardstown last time July 16, but has the physical scope to do so.

Grand Prix de Deauville cont.

Polish Summer returns to the scene of his career-best success 12 months ago. He started off this term in fine fashion when fourth behind Sulamani (Ire) in the G1 Dubai Sheema Classic at Nad al Sheba Mar. 29. Sixth to Warrsan (Ire) in the G1 Coronation Cup at Epsom June 6, he was the runner-up to Ange Gabriel (Fr) in the G1 Grand Prix de Saint-Cloud June 29, while Sulamani was fourth. **Princely Venture** leads the foreign assault. Lightly raced at four, he battled to a game success in the G2 Scottish Derby at Ayr last time July 21 and is the type with which his trainer excels. **Millenary** made up for the disappointment of being disqualified from first in the G2 Prix Jean de Chaudenay at Saint-Cloud May 21 by winning the G2 Princess of Wales's S. at Newmarket July 8. He was far from disgraced when eighth on ground faster than ideal in the G1 King George VI and Queen Elizabeth Diamond S. at Ascot last time July 26 and gets cut underfoot again here. **Policy Maker** was beaten four lengths by the smart Doyen (Ire) in the G3 Prix du Lys at Longchamp June 22 before recording an impressive score in the Listed Prix de Reux at this track last time Aug. 5.

Bonus has come far since his juvenile days, turning himself around when winning at Newmarket Apr. 17. Following several smart performances, he raced with credit to finish fifth in the Listed Hackwood S. at Newbury July 19. Bouncing back at this venue in the G3 Phoenix Sprint S. Aug. 10, he made all to comfortably beat **Sun Slash** by 1 1/2 lengths. **Deportivo** took the Listed Richard H. Faught Memorial S. at this track June 29 before disappointing when last of eight in the City Wall S. at Chester July 12. He has been freshened up for this contest and his presence offers the prospect of a speed duel with Bonus. That could set this up for **Tiger Royal**, who has been out of action since finishing a disappointing eighth in the Listed Testimonial S. here last October.

Q: What do Azeri, Lady Tak and Voodoo Dancer have in common?

A: They all have a ton of heart.

In fact, they all had exceptional cardio ultrasounds.

But then...some of us always knew that.

If you're looking for a great filly at either end of the Keeneland September sale, give us a call.

In receipt of 10 pounds from the favorite, he represents solid value. Another top is not out of the question. **Mike's Classic** has shown dramatic improvement since the addition of blinkers this past winter. He posted six consecutive lifetime best figures before predictably bouncing in his latest in the slop. He's another who could grab a big part of this at a nice mutuel.*

Statement paired up allowance victories at Gulfstream over the winter before making three unsuccessful forays into stakes company. In his most recent start, he was fourth, beaten two lengths, in the West Point H. facing fellow New York-breds over course and distance Aug. 8. Allowed to settle into stride, the bay launched a three-wide move turning for home and led home a cavalry charge to post a narrow win.

QAIS (c, 3, Seeking the Gold--Snow Bride {G1SW-Eng, \$277,305}, by Blushing Groom {Fr}) broke his maiden at Nad Al Sheba first time out Mar. 20, then impressed in his States debut with a 3 1/4-length allowance score at Belmont last time out June 29. Backed at 4-5 to remain unbeaten here, the bay colt raced up-close between horses down the backstretch, closed the gap while racing in hand under Jerry Bailey on the turn, took charge in upper stretch and drew away with authority to an easy nine-length victory. Traditional (Gone West), a 24-1 chance, rounded out the exacta. The winner is a half brother to Lammtarra (Nijinsky II), Hwt. 3yo-Fr & Eng at 11-14f, MG1SW-Eng, G1SW-Fr, \$2,078,797; Kammtarra (Zilzal), Hwt. Favored at 17-10 in his first allowance condition, the homebred broke slowly and was outrun early, charged four wide around the far turn and drew clear late to best Lunar Mon (Maria's Mon) by two lengths. EAGLES HILL (c, 3, Boundary--Relasure {Ch. Second by a neck Oct. 17 at Arlington, he was fourth at Fair Grounds Dec. 13 and filled the same spot at that track Jan. 30 before heading to the sidelines. Never far from the front in his return to action, the 4-1 shot took command in the stretch and bounded clear to graduate by 6 1/4 lengths. Falconer (Ire) (Alzao) completed the exacta. Eagles Hill, a \$140,000 KEENOV weanling and a \$115,000 KEESEP yearling, is a 1/2 to Puerto Escondido (Polish Navy), GSP-Ity; and Quinton's Gold (Carson City), MSW, \$227,330. Saratoga Report cont.

Velazquez Gets the Record:

Jockey John Velazquez earned a record 56th victory at the Saratoga meet yesterday, guiding 5-1 Lightning Lyla (Personal Flag) to a narrow victory in the second race. He eclipses the old mark of 55 set by Jerry Bailey in 2001. "I'm very fortunate to ride for the people I ride for," Velazquez said. "I have had a lot of good opportunities. It's great to get this done, but I don't care about a number, I just want to win more. We've got three days left and I'd love to win 10 more races."

Record Revision at the Spa:

Trainer Todd Pletcher has set a record for most wins at a Saratoga meeting, but he did it earlier than it was first thought. Sylvester Veitch had been credited with 24 wins during a 24-day meet in 1954, but journalist Bill Mooney did some research and found that was not the case. Veitch apparently saddled just 19 winners during the 24-day stand. Veitch also had two winners at an 18-day "Saratoga at Jamaica" meet held that year from July 12 through Aug. 2. Allen Jerkens had 19 winners during the 24-day season at the Spa in 1972, while Bill Mott accounted for 22 victories during a 36-day stand in 2001. With two days left in the 2003 meet, Pletcher has 35 wins.

Sir Oscar overpowered his May 26 maiden field by 8 3/4 lengths at Calder and successfully transitioned right into stakes company, taking the July 5 Criterium S. at this oval. The dark bay overcame a sluggish start to carry his record to a perfect three-for-three with a four-length tally in the FSS-Affirmed S. Aug. 9 and was the heavy chalk in this spot. A stalking presence for the opening stages, Sir Oscar rallied three wide into the lane and edged clear. He goes next in the In Reality S., the final leg of the Florida Stallion Stakes Oct. 11.

The second choice in this stakes test, he bided his time early, swung three wide on the far turn, wore down favored Charming Jim in deep stretch and forged ahead approaching the wire.

Defending champion Caught In the Rain went on to win the GII Mrs. Revere S. last fall at Churchill, but had gone winless in five subsequent outings, including a two-length loss when sixth over the Delaware lawn July 30. Forced to race on the main track this time, the appropriately named dark bay took charge on the far turn and never looked back as she galloped home an emphatic winner.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Purses for Canadian races are in Canadian dollars.

Horah For Bailey drew in off the also-eligible list and made the most of the opportunity in this off-the-turf test. Second in her July 11 bow versus \$40,000 maidens over track and trip, the bay easily negotiated the slight hike to \$50,000 company July 22 to graduate by 8 1/4 lengths. Alertly away from the 12 hole, Horah For Bailey chased the pace from close up, advanced at the quarter pole and was all out to prevail.

Margins: HF, 4 1/4, 1 1/4. Odds: 3.50, 2.40, 2.90.

Pick Of The Pack was a non-threatening fifth in her June 15 bow over a "good" Calder strip, added Lasix and blinkers to no avail in a seventh-place effort July 12, but turned it around in her most recent effort, coming from just off the pace to break her maiden at 25-1 Aug. 10. A more well-regarded chance in her first try at a route of ground, Pick Of The Pack broke slowly and was last approaching the quarter pole, but swung out wide for the drive and wore down Ladyinaddress for the win.

8th-MTH, \$39,000, Alw, NW2X, 3yo/up, 1 1/16m, 1:42, ft.

UNFORGETTABLE MAX (c, 3, Northern Afleet--Maggy Hawk, by Hawkster), a \$210,000 OBSFEB two-year-old, won at first asking over this course last August, then took an allowance over the Aqueduct inner track in December. He made his first start of the season last out at Monmouth July 30 and ran fourth versus this company, beaten 6 1/4 lengths as the 3-5 favorite. Sent off as the 3-2 chalk to make amends here, the bay colt set the early pace while racing off the rail and drew off to an easy 10 3/4-length victory over 9-2 Weston Field (Gulch). + **SILVER TICKET (c, 2, Silver Deputy--Go First Class, by Easy Goer)** was made the 8-5 favorite while debuting with Lasix. He stalked the early pace, gained command passing the eighth pole and held well for a 1 3/4-length victory. Niigon (Unbridled), a 2-1 shot, finished second. Lifetime Record: 1-1-0-0, \$40,020. O/B-Sam-Son Farms (ON). T-Mark Frostad.

5th-MTH, \$35,000, Msw, 2yo, 6f, 1:10 2/5, ft.

STORMY SIEGE (c, 2, Stormin Fever--Winsome Lassie, by Silver Buck), a \$23,000 KEENOV weanling acquisition, never got involved in his Aug. 16 career opener, finishing sixth. The bay colt figured things out this time, however, rallying five wide into the stretch en route to a one-length success over Knight of Darkness (Helsman). The bay colt, part of an entry at 4-1, becomes the seventh winner for his freshman sire (by Storm Cat). Lifetime Record: 2-1-0-0, \$21,350. O-Dogwood Plantation. B-Brereton C Jones (KY). Never far from a reasonable early pace, the Strawbridge homebred gained ground on the far turn, and wore down favored Grumman (Geri) in the final strides to win it by a head. Lifetime Record: 1-1-0-0, \$19,800.

A well-beaten third to subsequent GIII Debutante S. winner Be Gentle in her May 11 bow beneath the Twin Spires, In Rome was second by a nose at Churchill June 8 before finishing sixth to Be Gentle in the Debutante July 4. The dark bay finally found the winner's circle in her latest, getting up to win by a head at Ellis Park Aug. 3. Away alertly, In Rome stalked the pace behind dueling front runners, lacked room turning for home, got through on the rail and outsprinted Down By The Sea to the wire.

The winner in France of the G3 Prix du Lys, Sharbayan came into this event with three wins in five U.S. starts and two in a row, posting a half-length Keeneland allowance score Apr. 9 and a nose success over the Churchill lawn May 24. Content to race in midpack as Captain Nicholas (Able Prospect) led by as many as a dozen lengths, the bay got his cue midway on the far turn and stormed down the middle of the track for a late decision.

The bay had been breezing well over the Arlington strip, and a bullet six furlongs in 1:15 Aug. 23 had him sitting on ready. Part of an entry at 4-1, he was devoid of early speed, found his best stride turning for home and overtook favored It's All Attitude (Salt Lake) to win by a widening 1 3/4 lengths. Jan. 11, third in the GIII Brown Bess H. at Golden Gate Feb. 1 and second in the Miss America S. at Bay Meadows Apr. 5. Last out, she finally received some class relief and took an allowance by two lengths over this course July 31. Sent off as the favorite here, the gray mare chased early, moved up quickly into the final turn, took command leaving that bend and drew clear under steady handling.

Backed as the even-money choice here, she broke slowly, saved ground, moved up on the turn, gained a short lead in the stretch and shook clear for a 2 1/2-length tally over 2-1 Desert Pearls (Dixieland Band). Bet down to 2-1 for the U.S. debut, the homebred colt trailed the field after breaking slowly, waited off heels from the quarter pole to the eighth pole, then finished with a flurry once clear and crossed the line a half-length better than Loup de Loup (Loup Sauvage). An \$18,000 KEENOV weanling and \$130,000 KEESEP yearling, the grey was the only member of this field with previous race experience, having finished seventh at Hollywood July 16 and an improved fourth at this track Aug. 9. The 7-2 third choice in the wagering, he settled in fourth early, angled in leaving the backstretch and drove through an opening along the rail to record a six-length win over Wimplestiltskin (Petionville). Diamond Fury (Sea of Secrets), the \$2.7-million Barretts March salestopper and 8-5 second choice, rallied three wide to poke a head in front turning for home, but weakened late to be third, beaten 8 1/2 lengths. AUSTRALASIA

ANABAA ARRIVES IN AUSTRALIA Forced to have his departure from France delayed due to a minor injury, **Anabaa** (Danzig) arrived safely in Sydney last Tuesday and will soon be on his way to Widden Stud in order to begin covering mares. "Anabaa is looking a million dollars and we are pleased that, after a hiccup with a minor tendon injury, he received the green light from veterinarians at Haras du Quesnay to return to Widden Stud this season. He will be released from quarantine on Sept. 12," said Widden's Antony Thompson, who accompanied the 11-year-old stallion on his trip. "Anabaa covered full books in 2001 and 2002 and he is fully booked this season," Thompson added. In 2000, a penile abrasion meant Anabaa's season at Widden Stud was curtailed and he consequently covered only two mares, so he does not have a representative crop of two-year-olds in Australia for 2003-04.
