KEENELAND FINALLY GETS ITS CHANCE

When the 60th annual Keeneland September Yearling Sale gets underway this morning in Lexington, it may just feel a lot like July. Officials at the Central Kentucky auction house were left with no alternative but to cancel this year's boutique July Sale due to the effects of 2002's Mare Reproductive Loss Syndrome on this year's crop of yearlings, but make no mistake--Monday and Tuesday's select sessions are chock full of fashionable July-type pedigrees. A total of 4,294 horses have been catalogued for this year's sale, which continues through Saturday, Sept. 20 with a scheduled dark day this Friday, Sept. 12. Buyers from around the world will have the opportunity

to purchase horses by such outstanding stallions as [A.P. Indy](#), [Carson City](#), [Danzig](#), Deputy Minister, [Dynaformer](#), [ForestWildcat](#), [Gilded Time](#), Gone West, [Grand Slam](#), [Gulch](#), [Kingmambo](#), Kris S., Nureyev, [Rahy](#), [Red Ransom](#), [Sadler's Wells](#), Saint Ballado, Seattle Slew, [Seeking the Gold](#), Silver Deputy, [Storm Cat](#), [Tale of the Cat](#), Theatrical (Ire), [Thunder Gulch](#), Unbridled, Unbridled's Song and [Wild Again](#). The quality of the catalogue has officials at Keeneland feeling good about the chances of the sale. "Anyone in the horse business is always optimistic; if you're not, you shouldn't be in it," explained Geoffrey Russell, Keeneland's director of sales. "I am optimistic towards the sale. We are offering a 'quantity of quality.' We have a very strong catalogue all the way through. The horses that we have catalogued for the select part of the sale--I don't think we've seen that kind of quality here for several years." Bidding begins daily at 10 a.m.

TORNADO TEARS DOWN MOULIN

She was sent off at 15-1, but three-year-old **Nebraska Tornado** (Storm Cat) struck for the fillies yesterday to beat Japanese raider **Lohengrin (Jpn)** (Singspiel {Ire}) in the G1 Netjets Prix du Moulin de Longchamp. After stalking the pace under Richard Hughes, she showed her trademark acceleration to collar that rival with 300 yards remaining before asserting in the drive to the line. In doing so, she provided conditioner Andre Fabre with his fourth renewal of this contest, and his first since the filly Ski Paradise beat the colts in 1994. "She has her quirks, but today was probably the best she has behaved before the start and when she's in the gate she's quiet and placid," Hughes said. "She was slightly keen early, but has a good cruising speed and I was very comfortable turning for home. She gave me a great feel." Fabulous Frosh...

The breeding industry has taken a hit over the past few years with the losses of prolific sires such as Saint Ballado, Seattle Slew and Unbridled, but new faces could emerge from a group of freshman sires that is particularly strong this year. "Both on pedigree and racetrack performance, this is an exciting bunch," said Geoff Russell. "There's a lot of burden on the freshman sires with the losses of some big names, but they have the chance to step up and fill the void." Among the new sires represented are [Aliabr](#) (Storm Cat), Anees (Unbridled), [Behrens](#) (Pleasant Colony), [Cat Thief](#) (Storm Cat), Chester House (Mr. Prospector), Chief Seattle (Seattle Slew), [Dixie Union](#) (Dixieland Band), [Fusaichi Pegasus](#) (Mr. Prospector), [Giant's Causeway](#) (Storm Cat), Golden Missile (A.P. Indy), [High Yield](#) (Storm Cat), [Lemon Drop Kid](#) (Kingmambo), More Than Ready (Southern Halo), [Royal Anthem](#) (Theatrical {Ire}), [Sea of Secrets](#) (Storm Cat), [Stephen Got Even](#) (A.P. Indy), The Deputy (Ire) (Petardia {GB}), [War Chant](#) (Danzig) and Yankee Victor (Saint Ballado). The sale also features one yearling, [hip 371](#), by the late Dubai Millennium (GB) (Seeking the Gold).

Appreciating Depreciation...

Geoff Russell is also optimistic that new depreciation laws, passed as part of the "Jobs and Growth Tax Reconciliation Act" this past May, will encourage additional investment in horses. Purchasers are now allowed to write off up to \$100,000 in expenses on horses, provided that total expenditures on all depreciable property does not exceed \$400,000 during the year. This new allowance applies to purchases made after Jan. 1, 2003 through Dec. 31, 2005. In addition to the new expensing procedures and normal depreciation, "bonus" first-year depreciation increases to 50 percent of the cost of the horses, which applies to purchases made after May 5, 2003 and before Jan. 1, 2005. The end result is an accelerated depreciation of over 55 percent in year one. "These changes, along with the upswing in the economy, should make this sale very inviting to buyers," Russell said. "I've talked to several people outside of the game and explained the new laws to them and their jaws just dropped. I think it'll be fantastic. Also I think the Seabiscuit movie will help, there has been more racing on TV lately--that exposure is good. We're also coming off three very successful summer meets at Saratoga, Del Mar and Ellis Park. There is a good feeling all the way around."

September Sale Remains an Important Barometer...

The largest sale of its kind in the world, the Keeneland September Sale is the "benchmark for the whole industry," according to Russell. "Because of the size of the sale, it establishes the yearling market. The size of the sale is also very attractive to the buyer. They know that they can come in here and find the horse that they are looking for really at any level." Russell thinks the postponement of the July Sale could have a positive impact on this sale. "The September sale offers several advantages, particularly to the consignors," the director of sales explained. "The extra six weeks [between the July and September sales] helps them tremendously in the preparation of their horses. The horses are more mature and more well developed in September than in July." But that does not necessarily mean the mid-summer auction is in danger of being canceled permanently. "We plan on having a July sale next year," Russell stated firmly.

The State of the Market...

Despite lingering concerns about MRLS, the summer yearling sales of 2003 have shown impressive results. Fasig-Tipton, which conducted Kentucky's lone yearling sale this summer, experienced only slight declines in gross, average and median, while the clearance rate improved dramatically from last year. That company's Saratoga Sale, the first select event on the calendar, exhibited across-the-board increases in all statistical categories, including a 33-percent increase in the median price. The broader Ocala Breeders' Sales Company's August Sale followed suit two weeks later and Geoff Russell is hopeful that the trend continues in Lexington. "I think we've seen a strong start [to the market] and I think it has set things up very well for this sale," he commented. "Both of the Fasig-Tipton sales and the OBS sale have set things up well for us. I think the OBS sale is an especially good sale to compare to because of the quantity of horses." Still, Russell will let Keeneland's results speak for themselves. "I would be very happy if this sale is on par with last year," he admitted. "We just want to put on the best sale possible and make sure that we have happy sellers and happy buyers. We want to have as high a clearance rate as we can, that would help to make for a great sale."

Norfields, whom the *Thoroughbred Times* ranked as the Number 1 seller of summer yearlings over the last 11 years by average racetrack earnings (over \$200,000) – including 14.3% Stakes Winners – is selling a group of outstanding horses by private treaty. Recent graduates include Stonerside Stables' **DESERT GOLD**.

The Latest Serena...

Craig Bandoroff's Denali Stud consigns a total of 13 horses to the select sale, including [hip 215](#), the latest produce of 11-time Grade I winner Serena's Song (Rahy). "We have mixed reactions about selling this colt," admitted Bob Lewis, who bred the Unbridled colt with his wife Beverly. "But there is a time in this business to buy and to sell and we thought this colt would sell well." Bandoroff has similar hopes. "You have to wait and see who gets on him, but to me he's a very special horse. He's got a lot of quality and class," he commented. "We got what we wanted out of the mating. Unbridled has given him his leg and length and Serena has thrown her class. All he's missing is the roses on his withers." Serena's Song has also made a name for herself in this sales pavilion. Purchased for \$150,000 from the 1993 Keeneland July sale, she is the dam of treble stakes winner Serena's Tune (Mr. Prospector), a \$1-million purchase at the 1999 Keeneland July sale, as well as Sophisticat (Storm Cat), a \$3.4-million KEEJUL graduate and winner in England of the G1 Coronation S. Additionally, her two-year-old of this year, the Storm Cat colt Grand Reward, broke his maiden at first asking at Newbury May 17 and was most recently a close third in the G2 Gimcrack S. at York Aug. 20. The Lewis' race that colt in partnership with Michael Tabor. Serena's Song has a Storm Cat filly by her side and is back in foal to the Overbrook stallion, with plans for another visit next winter.

Hot Streak For Hancock...

Arthur Hancock III is no stranger to success, both on and off the racetrack. The veteran horseman has twice won the Kentucky Derby, in 1982 with Gato Del Sol and seven years later with Sunday Silence. For good measure, he bred and sold another Kentucky Derby winner in \$4-million Keeneland July yearling Fusaichi Pegasus, and looks to make yet another splash at Keeneland this morning with [hip 41](#). The son of the 2000 Derby hero was consigned by Hancock's Stone Farm, with Stonerside Stables. The May 13 foal is a son of GSW and MGISP Bottle Top (Topsider), the dam of Strodes Creek (Halo), second in the 1994 Kentucky Derby and third in that year's Belmont S. She is also the dam of Carafe (Devil's Bag), a multiple stakes-placed winner of \$215,915; and Corker (Festin {Arg}), third in the 1996 GI Santa Anita Derby. The Fusaichi Pegasus family has been good to the Hancock operation. Since purchasing his dam, Angel Fever, for \$525,000 in foal to Forty Niner at the 1994 Keeneland November Sale, the Lexington native has sold her \$1-million Mr. Prospector weanling in 1996 and a \$1-million Mr. Prospector yearling at the 1999 July Sale. Additionally, Stone Farm sold Bless, an unraced full sister to Fusaichi Pegasus, for \$4 million, at last year's Keeneland November Sale. The mare was carrying a colt by Storm Cat, now named Blessed Storm. In addition to selling the \$2.7-million Saratoga sales topper by Unbridled, Hancock's operation also received a significant boost when Silver Wagon, by Stone Farm's freshman sire Wagon Limit, won last week's GI Hopeful S. at Saratoga.

Monday Updates...

[Hip 4](#), a Pulpit half brother to Willa On The Move (Two Punch), winner since the catalogue of the GIII Honorable Miss H. at Saratoga.

[Hip 29](#), a Seattle Slew three-quarters brother to Passing Shot (A.P. Indy), upset winner of the GI Personal Ensign H. at Saratoga Aug. 22.

[Hip 59](#), a Silver Deputy half brother to Cuvee (Carson City), now a multiple graded-stakes winner after winning the GIII Saratoga Special S.

[Hip 195](#), a full brother to GISW Brahms (Danzig) and half to La Reina (A.P. Indy), impressive maiden winner at Belmont Park Sept. 6.

[Hip 241](#), an A.P. Indy half brother to One Cool Cat (Storm Cat), last year's Keeneland July sales-topper at \$3.1 million and winner of the Aug. 10 G1 Phoenix S. at The Curragh.

High-Profile Outs...

Some high-profile yearlings have already been withdrawn from the sale, including [hip 524](#). The full sister to 2001 Horse of the Year Point Given (Thunder Gulch) "strained a ligament and wasn't right," Mill Ridge Sales' Bayne Welker told *The Blood-Horse*. "We hope to get her back in a later sale, maybe January [2004 at Keeneland], but it will be up to [The Thoroughbred Corporation's] Dick Mulhall." The chestnut filly was bred, like her brother, by the late Prince Ahmed Salman's The Thoroughbred Corporation. Also scratched from the sale is [hip 251](#). The dark bay filly is by Fusaichi Pegasus out of Trolley Song (Caro {Ire}), making her a half to the outstanding Unbridled's Song. Keeneland September cont. p3

THE NTRA LEGISLATIVE ACTION CAMPAIGN

The Legislative Action Campaign funds lobbying and related legislative activities on behalf of the Thoroughbred industry. Under this program, buyers, sellers, consignors and sales companies voluntarily contribute one-quarter of one percent of the price of Thoroughbreds sold at auction to the legislative fund. For more information, contact Ben Haggin at (859) 422-2644.

What They're Saying At The Sales...

Reiley McDonald, Eaton Sales:

"Based on the traffic we've seen out here, I think we'll see a sale which turns out to be a bit stronger than last year, but not a sale that's going to go through the roof, not the kind that is going to trigger any fireworks. We have a solid group of horses that have been well received, but I don't think that we'll see the really big numbers, the \$4, 5 or 6 million, that we saw here a couple of years ago. I think the market will be strong in the \$200-700,000 range for the first couple of days. But sometimes there are surprises. Last year, we thought we'd be in trouble towards the end of the sale and the Sunday, Monday, Tuesday, Wednesday sessions turned out to be strong. That was unexpected."

Trainer Todd Pletcher:

"Of the freshman sires, the Lemon Drop Kids are looking good. I bought one of those up in Saratoga. Of course, I'd like to see the More Than Readys do well, and I've seen some of those I really like."

Making of a Champion...

The rise of Juddmonte Farm's **Nebraska Tornado** to prominence has been swift. Following a debut score at Saint-Cloud May 5 and a fluent success in the Listed Prix Melisande May 22, she stepped up to beat Time Ahead (GB) by 3/4 of a length in the 10-furlong G1 Prix de Diane Hermes June 8. Returning from a mid-summer break, she closed well, although much too late, to finish sixth behind Six Perfections (Fr) in the mile G1 Prix Jacques le Marois Aug. 17. She did not leave it too late yesterday. "Today she was brilliant," Richard Hughes said. "She ran a little fresh at Deauville last time, which was a prep race for this, and just got a little tired. She blew afterwards, but was a totally different filly today." Connections may send her overseas for the remainder of the campaign, with possible targets including the GI Breeders' Cup Mile or F/M Turf at Santa Anita Oct. 25.

Off Day for Refuse to Bend...

Refuse to Bend (Ire) (Sadler's Wells) raced keenly in third early before dropping away in the final quarter to finish 11th. Conditioner Dermot Weld said, "He ran too free without the early pace he needs and didn't finish. There is no change in the plan--he will still go to the GI Breeders' Cup Mile and, with the strong pace there, you will see a different horse."

Mamool bested Black Sam Bellamy after a stretch-long battle to provide Godolphin with back-to-back renewals. Last year, Marienbard (Ire) carried the Godolphin silks to victory in the Grosser Bugatti Preis. Mamool, who looked like a stayer when winning the two-mile G3 Queen's Vase at Royal Ascot last June, finished fourth in the G1 St Leger S. at Doncaster in September. He began this term with a conditions score at Nad al Sheba Feb. 27 before winning the G2 Yorkshire Cup at York May 15, but found the marathon trip of the G1 Ascot Gold Cup beyond him when fifth at the Royal meeting June 19. Freshened off that effort, he returned to finish third behind Mubtaker under a penalty in the G2 Geoffrey Freer S. at Newbury Aug. 16. Racing in fourth behind early leader Black Sam Bellamy here, the colt was asked to challenge that rival at the top of the straight as the field swung into the centre of the track. Quickening to the front approaching the quarter-mile marker, he was forced to fight to maintain his slim advantage, but answered the call in game fashion. Indy Five Hundred went wire to wire in her first try on grass, taking an Aqueduct allowance test in April, but did not fire in an off-the-turf affair next time and finished last at Belmont in May. The chestnut made her stakes debut after a two-month layoff, putting in a modest late run to be seventh in the July 28 GIII Lake George S. at Saratoga, then closed from the back of the pack to be second by less than a length as a 15-1 outsider in the Aug. 17 GII Lake Placid H. last time out. Slightly more fancied at nearly 8-1 this time, the filly reared at the start and trailed the field through six furlongs in 1:11.60, but fought her way between horses on the far turn and came flying down the lane to catch favored Dimitrova before pulling away to an impressive victory. "She was dying to run at the three-eighths pole," winning jockey Pat Day said. "When I called on her, she really exploded. She finished up great." Owner Peter Milikes, who took Saturday's GI Gazelle H. with new purchase Buy the Sport, said, "This has been the best weekend of my life." He added that Indy Five Hundred would likely make her next start in the GI Queen Elizabeth II Challenge Cup at Keeneland Sept. 27. Dimitrova, winner of the American Oaks at Hollywood Park last time out, had the lead at midstretch, but couldn't hang on. "The winner just outkicked us," jockey Jerry Bailey said. The winner of the G2 Prix de Sandringham at Chantilly last June, Spring Star ended her European stint with a sixth-place effort in the G2 Falmouth S. at Newmarket in July, then made her stateside debut in the GI Garden City Breeders' Cup H. at Belmont a year ago and was eighth as a 22-1 shot. The bay disappeared after that effort, returning to be third, beaten only a neck, in a Hollywood allowance race June 21 before earning her first U.S. score as the 2-5 chalk in Inglewood July 13. The four-year-old tried American stakes company in her latest and acquitted herself well, finishing third in the Aug. 13 Osunitas H. at Del Mar. The choice facing four rivals here, she went right to the front, set a moderate pace and was all out to beat Magic Mission to the wire. There was a stewards' inquiry, with jockey Corey Nakatani, aboard the runner-up, claiming winning rider Alex Solis had struck his horse with his whip, but the original order of finish was allowed to stand. "I never hit her," Solis said. "I would have felt it if I had, and I didn't feel anything." Nakatani countered, "I believe he struck my horse. I know that's what happened. My filly wants to win, but you can't put her in front too soon. She eases up. So I'm timing it right to make the lead and she gets hit." Becky Witzman, assistant to winning trainer Richard Mandella, had her own take on things. "Watching the replay, [Magic Mission] shakes her head a little bit, but [Solis] never touches her with the whip. I think she just shied." Repatory relishes this five-furlong straight and devoured it again to record his third success in this contest. After finishing third in this in 1998 and 1999, he blazed the trail in 2000, then repeated the performance 12 months later. He missed the gig last year, but with the perfect draw in stall one here, burst from the gate in his inimitable style, was driven clear by the halfway by Tom McLaughlin and merely needed mild encouragement to hold off the late thrust of outsider Traou Mad. "We're very lucky to have a horse who can run in a Group race at 10, so to win is brilliant," trainer Malcolm Saunders commented. "He's a very sound horse who gives 100 percent and that's what has kept him going." He will now be aimed at the G1 Prix de l'Abbaye at this track Oct. 5, an event in which he finished fifth two years ago. [Click for the racingpost.co.uk chart.](http://racingpost.co.uk)

 *Asset finished second, but was disqualified and placed third.

In the first meeting of youth versus the older set this year, five-year-old Sebi Halo came from off the pace to defeat a talented pair of sophomores. Sebi Halo, winner of the G2 Peppermint and G3 Estados Unidos de America earlier this year, settled behind G1 Estrellas Junior Sprint winner Asset, who opened a three-length advantage 100 meters after the start. Cutting out fast early fractions over the tiring turf course, Asset kept up the tempo until the final 300 meters, but his early exertions began to take their toll. Drifting off the rail, he opened the door for Sebi Halo and Intersembrador, who were both closing. Sebi Halo found clear sailing in the stretch, taking command for the easy score. Asset was in front of Intersembrador at the wire, but was disqualified and placed third for altering course down the lane.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Purses for Canadian races are in Canadian dollars.

STOCKHOLDER (c, 3, Bertrando--Pharapache, by Lyphard), a \$60,000 KEESEP yearling purchase, ran second over this strip in a seven-furlong maiden special weight July 16, then galloped versus that company by 12 lengths when stretched out to 1 1/8 miles at Saratoga last out Aug. 8. Sent off as the 1-2 chalk in his first attempt against winners, the dark bay stalked the leaders, made a three-wide bid entering the turn, pulled clear and was kept to task for a two-length victory over 6-1 Trustee Man (Arch). The winner is a full brother to Cliquot, GSW, \$638,260; and Lily's Lad, MSP, \$227,647. Lifetime Record: 4-2-1-0, \$65,000. O-Dapple Stable. B-Marshall Naify Revocable Trust (CA). T-William I Mott.

READ THE FOOTNOTES (c, 2, Smoke Glacken--Baydon Belle, by Al Nasr {Fr}), a \$320,000 FTMMAY two-year-old, romped by 9 1/4 lengths versus state bred at Saratoga in his debut Aug. 17 and was sent off as the 2-5 chalk off that effort. The bay colt raced within striking distance, waited behind the leaders on the turn, angled four wide into the lane, launched a rally in upper stretch and drew clear to a 2 1/2-length victory. Adage (Tale of the Cat), a 7-1 chance, rounded out the exacta. Lifetime Record: 2-2-0-0, \$52,800. O-Klaravich Stables Inc. B-Lawrence Goichman (NY). T-Richard A Violette Jr.

AUDREY HEP (f, 3, Crafty Prospector--Storm Riding, by Storm Bird) had been sent off at 20-1 in her Aug. 7 career opener at the Spa, but finished well to get second. The 6-5 favorite this time, she was prominent from the start, came four wide entering the stretch and proceeded to graduate by 2 1/4 lengths over Santa Croce (Saint Ballado). A \$145,000 KEESEP yearling, she is a half to Eko Normandy (Ire) (Midyan), SW-Fr. Lifetime Record: 2-1-1-0, \$36,000. O-Spendthrift Farm & Jack H Smith III. B-Dixiana Farm Inc (KY). Going long for the first time here as the even-money chalk, the homebred chestnut was unhurried early, but took to the outside to make his run and finished up well, winning by 3 1/2 lengths under a hand ride. King Augustus (A.P. Indy) was second, while, fittingly, Trifecta (Quiet American) was third. Promising I'm a Majek Girl Injured:

Unbeaten I'm a Majek Girl (Captain Bodgit), a 7 1/2-length winner of Friday's Top Flight S. at Arlington, came out of that victory with a fractured knee and will undergo surgery at Rood and Riddle Clinic in Lexington, Kentucky, according to trainer Mike Stidham. "She ran perfect and walked back to the barn perfect," he said, "but about a half hour after the race she began to limp." X-rays revealed a fracture. "As far as whether the injury is career ending...we won't know until after the surgery," Stidham continued. "The X-rays don't show everything. They'll go in there and put a screw in her knee, then they'll see...this is a tough game."

Claimed for \$32,000 after a nine-length victory over fellow maidens at Santa Anita in April, Victory Encounter came back under new management to take a starter allowance race at Hollywood May 18. Third in an optional claimer on the grass June 15, the bay returned to the dirt and to the winner's circle July 10 and made it two in a row at Del Mar Aug. 4. Making her stakes debut as the crowd's second choice, she trailed the field for six furlongs, but kicked it into gear when it counted, closing to beat Valentine Dancer by a length.

3rd-DMR, \$63,378, Alw, Opt. Clm. (\$62,500), NW2X, 3yo/up, 1 1/16mT, 1:41 1/5, fm.

TRADITION ROCKS (g, 4, [Spinning World](#)--Barbara Sue {MSW, \$257,721}, by **Big Spruce**) broke his maiden for trainer Bob Baffert over this course last summer and followed that up with a pair of runner-up efforts, but was sidelined following a close fourth at Santa Anita Oct. 5. He made a victorious return going a mile over this sod Aug. 10 and was bet down to 4-5 to keep the streak alive. A stalking fourth in the early stages, the dark bay shifted to the outside for the drive and outfinished Stratus (Arg) (Mutakddim) for a one-length score. A \$120,000 KEESEP yearling, he is a half to Diamond On The Run (Kris S.), GSW & MGISP, \$237,400; and Tropical Blossom (Thunder Gulch), GISP, \$161,296. Lifetime Record: 8-3-3-0, \$137,940. CHAPEAU (f, 4, Deputy Minister--Alpride {Ire} {Hwt. 2yo Filly-Ity, MGISW-US & MGSW-Ity, \$985,455}, by Alzao) broke her maiden by four lengths last August, but had hit the board just once in three subsequent starts. Second going down the hill at Santa Anita Oct. 20, the bay didn't start again until Mar. 27 over the same trip and was a disappointing sixth. Off since then, the 11-1 shot showed no signs of rustiness in her return to the main track, running down favored Tricks Her (Favorite Trick) in deep stretch en route to a two-length tally. Lifetime Record: 10-2-2-0, \$83,340. O-Sidney H & Jenny Craig. B-Jenny Craig (KY). T-Ronald McAnally.

FALBRAV OPTIONS OPEN Falbrav (Ire) (Fairy King) was yesterday reported to be in good shape after finishing an unlucky neck behind High Chaparral (Ire) in Saturday's G1 Ireland The Food Island Champion S. "He's fine today," conditioner Luca Cumani told *PA Sport* yesterday, adding, "He never really had a race. He had no room to go when he needed to, and...he finished on the bridle. He was by far the best horse in the race and should have won with a clear run, but that's racing unfortunately." While Cumani is pondering a tilt at the GI Breeders' Cup Turf at Santa Anita Oct. 25, he also suggested that the G1 Emirates Airline Champion S. at Newmarket Oct. 18 could be his next target. "I have not made any plans for him," he said. "There's plenty of races that could come under consideration and the Champion S. would be one." Trainer Paddy Mullins was yesterday at a loss to explain the disappointing performance of **Vintage Tipple (Ire)** (Entrepreneur {GB}), who trailed in a distant last in Saturday's race. "She seems perfectly well this morning, nothing is apparent," he said of the G1 Irish Oaks winner. "We are mystified. There's no doubt she was not on song yesterday, but she came home and ate up last night. We will probably doing further tests on her tomorrow."

CONCERNS OVER CHAPARRAL Connections face an anxious few days after **High Chaparral (Ire)** (Sadler's Wells) was reported to be "a little stiff" after his success in the G1 Ireland The Food Island Champion S. at Leopardstown. Saturday's race was the colt's first serious test since returning from a shoulder injury when winning the G2 Royal Whip S. at The Curragh Aug. 10. He was confirmed on target for the G1 Prix de l'Arc de Triomphe at Longchamp Oct. 5 after the 10-furlong contest. "High Chaparral was just a little stiff this morning, but seems okay," trainer Aidan O'Brien's wife Anne Marie told *PA Sport* yesterday. "We'll know more when he's exercised in a couple of days."
