If he can fill the prescription for nine furlongs of turf, Bobby Frankel will be tough to beat in the GII San Gorgonio H. at Santa Anita this afternoon. The Frankel-trained **Theater R.N.** (Theatrical {Ire}) will try to run her

record to five-for-six in the San Gorgonio...if the event stays on the grass. The lightly raced five-year-old has competed exclusively on the lawn. But she and stable-mate **Megahertz (GB)** (Pivotal {GB}), who won this contest last year and missed by a

head when second in the Dec. 4 GI Hollywood Turf Cup, will be among the many scratches if yet more wet weather moves the San Gorgonio to the main track. Theater R.N. has never tried soft turf, but she proved she could handle Grade II company with her rallying half-length score in her latest, the Oct. 31 Las Palmas H. at Santa Anita. An \$85,000 KEESEP yearling, the Allen Paulson-bred chestnut is the first foal out of GSW Yokama (Irish River {Fr}). Fellow five-year-old **Fencelineneighbor** (Wild Rush) was seventh in the Las Palmas and does not boast such an impressive pedigree, but she has shown an affinity for the dirt, running second by a head in the GII La Canada S. in February and most recently posting a five-length score in an allowance test at Golden Gate Dec. 20.

**DANEHILL COLT TOPS MAGIC MILLIONS**

The Conrads Jupiter Magic Millions Yearling Sale at Queensland's Gold Coast continued Friday with a strong second session. Realizing the top price of the sale thus far was lot 374, a Danehill colt who was knocked down to the free-spending Graeme Rogerson for A\$700,000. From the draft of Coolmore Stud, agent, the Oct. 23 foal is a full brother to the stakes winner Assafa (Aus) and is from the family of leading U.S. sire Storm Cat. The colt was just one of 22 yearlings purchased by Rogerson so far to the tune of A\$3,750,000. "He's got a stallion's pedigree and he's by Danehill," said Rogerson of the topper. "He'll look cheap if he comes out and wins the Magic Millions [2yo Classic] next year. And I'm hard to beat when I find one I really want." *Magic Millions cont. p2*

**ADENA SPRINGS TOPS BREEDERS' LIST**

Frank Stronach's Adena Springs was the leading breeder in North America in 2004, topping the list for the second straight year. According to statistics from The Jockey Club Information Systems, Inc., Adena-bred horses earned \$14,225,036 last year, winning 400 races from 2,540 starts. The farm's leading money winner was GI Breeders' Cup Classic hero **Ghostzapper** (Awesome Again), who bankrolled \$2,590,000. The late John Franks was second at \$10,296,813, followed by Farnsworth Farms (\$8,684,897), Smarty Jones' breeder Someday Farms (\$7,563,853) and Mr. and Mrs. John C. Mabee (\$5,063,818). ### World Flavor...

International buyers continue to be active at Magic Millions with Charles Laird going to A\$480,000 for a Giant's Causeway colt--lot 364--who was among six purchases for the South African trainer so far. Laird also gave A\$320,000 for a Giant's Causeway filly from 1992 Golden Slipper winner Burst (Aus) (Marauding {NZ}). Laird owns Burst's first two foals, First Burst (Aus) and Burst Two (Aus), which have both won in South Africa. Of the solid trade during Friday's second

session, Magic Millions Managing Director David Chester said, "This sale is a typical Magic Millions sale--there's plenty of opportunities for everyone to find a horse to suit all budgets."

### In the Catbird Seat...

Young sires enjoyed plenty of attention yesterday, with buyers interested in yearlings by stallions such as Yarraman Park's Catbird (Aus) (Danehill) and freshman Magic Albert (Aus) (Zeditave {Aus}), the latter selling up to A\$200,000 off a A\$10,000 fee. "All of Magic Albert's nice horses have sold very, very well," said Yarraman's Arthur Mitchell. "They have probably sold above our expectations. On the whole, they are nice horses. He is throwing nice, scopey, strong horses that will run at two and go on and run middle distances later." The popularity of young stallions representing proven Australian sire lines has increased as a type-driven market embraces newcomers more readily than in previous years, when everyone clamoured for Danehill. "Catbird was a bit on the nose last year, but trainers have realised that they not only run at two, they train on and they are looking quite promising," said Mitchell of the Golden Slipper-winning sire. "There's been quite a lot of interest in him this year and he is selling accordingly." The sale will continue at 6 p.m. Saturday.

Scratched from last Saturday's San Gabriel H. when it came off the turf, **Lundy's Liability** makes his first start since finishing sixth in the Nov. 26 GII Clark H. at Churchill Downs. Two-for-two in South Africa, the five-year-old capped a three-race stint in Dubai with a victory in the G2 UAE Derby last March. The bay made it four-for-six in his U.S. bow, taking the Oct. 2 GII Goodwood Breeders' Cup H. by a head over **Total Impact** and has been training forwardly for his 2005 debut. Total Impact followed his narrow defeat in the Goodwood with another runner-up finish in the Oct. 30 GIII Fayette H., where he was a nose behind Midway Road. The seven-year-old ended the season with a fourth-place finish in the Nov. 28 Japan Cup Dirt.

He came back to take the GIII Tampa Bay Derby and was third in the GI Toyota Blue Grass S., and finished a surprise fourth at 41-1 in the GI Kentucky Derby, but he has not been out since running sixth as the even-money chalk in the June 12 GII Ohio Derby. Four-for-eight lifetime, **Thunder Touch** picked up his second consecutive victory in the Nov. 28 GIII Fall Highweight H. at Aqueduct.

☆ NEWS TODAY ☆

**U.S. THOROUGHBRED INDUSTRY SETS UP TSUNAMI RELIEF FUND** Members of the U.S. Thoroughbred industry have banded together to establish a fund to help the victims of the tsunami in South-east Asia. The Keeneland Foundation will utilize its resources to coordinate and distribute any moneys collected. The two charities earmarked for the funds are Action Against Hunger and Direct Relief International, agencies recognized for their ability to quickly deliver food and medical supplies in the wake of natural disasters. Donations in the form of cash, checks and credit card payments will be accepted during the Keeneland January Horses of All Ages Sale that begins Jan. 10 and continues through Jan. 15. Credit card donations can also be sent by fax to (859) 288-4249. WinStar Farm, owned by Bill Casner and Kenny Troutt, have opened the fund with a pledge of \$100,000. "The Thoroughbred industry is an international community," Keeneland President and CEO Nick Nicholson said. "This is our way of showing support for the people of southern Asia and nearby countries as they deal with the aftermath of this tragedy." He added, "The generosity and compassion of people in the Thoroughbred industry runs deep. We hope that our efforts can help bring some measure of comfort in this time of dire need."

**DALE BAIRD EARNS SPECIAL ECLIPSE** The National Thoroughbred Racing Association announced yesterday that trainer Dale Baird, who saddled his 9,000th winner in November, will receive a Special Eclipse Award for 2004. The Special Eclipse is given to honor outstanding individual achievements in or contributions to the sport of Thoroughbred racing. Baird, a native of Illinois, started out on the country fair circuit, then turned to training full time in 1960, following a two-year stint in the Army. He picked up his first winner at Ellis Park in 1961, then moved to Mountaineer Park, where he has been based for 44 years. The 69-year-old horseman has led the national owner standings 17 times and the national trainer standings 15 times. He was the top conditioner at Mountaineer for 20 straight years before the streak was broken in 2001. Through Jan. 6, Baird had sent out a record 9,021 winners. His closest rival is Jack Van Berg at 6,343. The Eclipse Awards will be presented at the Regent Beverly Wilshire in Beverly Hills, California on Jan. 24.

# NOMINATION DONATION FOR RED CROSS WORK IN INDIAN OCEAN

To assist with the alleviation of the suffering and the crisis faced by the survivors of the tidal waves that affected 10 countries surrounding the Indian Ocean this week, the Coolmore stallion owners are donating a nomination to every one of their Flat and National Hunt stallions, including Sadler's Wells in Ireland, Fusaichi Pegasus in the USA and Encosta de Lago in Australia. The total fund will be given to the International Red Cross to assist its work with those devastated communities. Beginning Friday, Dec. 31, Ashford Stud in Kentucky and Coolmore Stud in Ireland will accept bids for nominations to each of their stallions while Coolmore Australia will do so for its one permanent resident, Encosta de Lago. Bidding will close at 5 p.m. local time on Tuesday, Jan. 11, during the Keeneland January Sale. The highest bids and the names of the bidders for each stallion will be published daily in the Thoroughbred Daily News and the final charitable purchasers will be released to all major racing and breeding publications. In order to respond to the urgent needs of the Red Cross and their international partners, payment will be required immediately. These nominations will therefore be on a no-guarantee basis, but will include a "right of return" in 2006 for mares barren in 2005. Richard Henry, a spokesman for Coolmore, said, "Everybody has been so affected by this unprecedented human disaster that Coolmore, its stallion owners and staff wanted to do something to help. It will also provide a way in which breeders internationally can contribute to the excellent work of the Red Cross. Supplying a nomination to every stallion across the board offers the widest possible involvement. Coolmore welcomes the participation of other stud farms or syndicates to add stallion nominations to the auction for this charitable effort. Coolmore and the TDN will be willing to assist them in handling the details in any way possible."

### GULFSTREAM WORLD RECORD VERIFIED

What was at first believed to be a timer malfunction has instead been verified as a new world record for a mile on the turf. When **Mr. Light (Arg)** (Numerous) stopped the clock in 1:31.41 after winning the ninth race at Gulfstream Park, a \$37,000 allowance test, there was widespread doubt that the final time was correct. Owned by Earle Mack and trained by Angel Penna Jr., the six-year-old had been held winless in his last six starts, including a fifth in the GII Knickerbocker H. at Aqueduct Oct. 30. Off at 4-1 at Gulfstream Monday, he closed off fractions of :22.91, :44.80 and 1:07.76 under jockey Cornelio Velasquez to win by a widening 2 3/4 lengths. The time of the race was authenticized by the architectural firm of Calvin, Giordano & Associates, which confirmed the distance, and Televue Racing Patrol Inc., which verified the time. "We can give a surveyor's sign and seal saying that the starting gate was where it should have been, the finish line was where it should have been and the rail was where it should have been," said Jim Thompson, P.E. The rail was out 60 feet on the Gulfstream turf Monday. The previous world record was set by Elusive Quality, who was clocked going a mile in 1:31.63 on the grass at Belmont Park July 4, 1998.

**SARATOGA SALE REDUCED TO TWO DAYS** The Fasig-Tipton Saratoga Yearling Sale will be held over two days in 2005 and not three, as in recent years. The two expanded sessions are set for Tuesday, Aug. 9 and Wednesday, Aug. 10. "This format reflects the changing nature of the auction environment," said Fasig-Tipton President Walt Robertson. "Both buyers and sellers have expressed interest in compressing the level of activity at Saratoga into two evenings. This does not reflect an anticipated reduction in the number of horses. We will start each session at 7 p.m. and can comfortably sell a similar number of yearlings as in the past." Nomination forms for the 2005 Selected Yearling Sales (including the Kentucky Summer, Saratoga Selected and New York-bred Sales) are in the mail, and are available at [www.fasigtipton.com](http://www.fasigtipton.com).

### Fallon Earns His First Gulfstream Victory:

Kieren Fallon, a six-time leading rider in Britain, picked up his first winner at Gulfstream Park Thursday afternoon, piloting Cartoonist to a half-length score in the ninth race. The three-year-old was sent off the 17-10 choice in the \$33,000 allowance test. "This is the place to prove yourself as a rider," the 39-year-old Fallon said. "I've learned and done as much as I can in Europe. I want to prove to myself that I can compete on this level."

Made the 4-5 choice off that performance, the Arthur Hancock homebred raced up to join Steamboat Springs (Menifee) on the lead before clicking off three-quarters in 1:10.57. The chestnut began inching away as entered they lane and was never threatened as the stalking Code Cracker (Cryptoclearance) ran on for the place spot, beating that foe by 3 1/2 lengths. Making his East Coast debut at 4-1 odds, the half to Gigawatt (Wild Again), MSW & GSP, \$369,542, was forced to take up sharply entering the clubhouse turn, was allowed to recover under Richard Migliore while well off the pace, rallied four wide on the second turn and drove clear to the 4 1/2-length success. Coast Line made just one start at two, but, following an extended 14 1/2-month break, has rattled off four consecutive victories in impressive fashion. Trainer Todd Pletcher opted to bring back the Overbrook homebred against \$45,000 Belmont maidens in mid-October, when he demolished an overmatched field by 10 1/2 lengths. A wire-to-wire score in an Aqueduct allowance (98 Beyer) Nov. 19 was followed by a two-turn victory--his first--against NW2X foes Dec. 16, and he was odds-on to keep his winning skein alive here. Kept honest by Ghost Mountain early, the pace-setting Coast Line shook loose in upper stretch, opened up by seven lengths and remained well clear as jockey Richard Migliore wrapped up late. Keeping her record around two turns perfect here, the \$200,000 KEESEP yearling was rank nearly the entire length of the backstretch, but was finally given her head at the three-eighths pole and forged to the front. Kept to task down the stretch as she tried to lug in a bit, the 4-5 chalk finished 3 1/2 lengths to the good of Sea to Damascus (Sea of Secrets). Lifetime Record: 3-2-1-0, \$34,730.

### CHRB Withholds Funds from Jockeys' Guild:

The California racing commission has announced that it will withhold the payment it annually allots The Jockeys' Guild from uncashed tickets, approximately \$1 million, until the Guild answers some tough questions regarding its finances. California Racing Commissioner Richard Shapiro has put together a committee to investigate how previous payments have been spent, and the committee has drafted a document demanding information before any more funds are sent to the Guild. Churchill Downs and the Thoroughbred Racing Association have also asked the Guild to account for the millions of dollars that have been contributed by various racetracks over the past couple of years. Questions about the Guild surfaced after jockeys at Churchill and Hoosier Park refused to ride because of inadequate health insurance, and it came to light that the Guild had canceled a \$1 million catastrophic insurance policy in 2002 because it claimed it could no longer afford the premiums.

Entering the gate as the 9-5 chalk, the chestnut dueled with Dee Dee's Diner (Bold Badgett), lost the lead to that rival in midstretch, but fought gamely to get her nose down in the shadow of the wire despite the fact that jockey Tyler Baze had dropped his whip at the sixteenth pole. ### DETTORI IN SICILY

Britain's champion jockey Frankie Dettori made his first visit to Sicilian racetrack Siracusa Thursday afternoon and thrilled a large holiday crowd of more than 10,000 racegoers by gaining two wins from three rides, as well as signing autographs and posing for pictures. Invited by the racecourse management, who named all eight races in the jockey's honor, Dettori scored his first wins of 2005 aboard handicappers **Mister Personal** (Personal Flag) and **Brassy Dominie (GB)** (Primo Dominie {GB}). He finished runner-up in his only other ride of the day aboard **Calboni (Ity)** (Kirkwall {GB}). "I've been overwhelmed by the welcome," Dettori told *Racing Post*. "The course only needs minimal changes to be good enough for international racing during the winter. The atmosphere is unique and the local passion is great. I am going back to Newmarket for a short rest and will fly to Dubai in about 10 days, ready to ride at the opening meeting of the International Racing Carnival."

Gestut Rietberg has announced that stallion **Mutamam (GB)** (Darshaan {GB}) will not be allowed to stand at stud this season as originally planned.
