QUALITY AND QUANTITY AT KEENELAND

A record 2,073 horses have been catalogued for the Keeneland January Horses of All Ages Sale, which kicks off this morning at 10 a.m. in Lexington. The figure easily surpasses the previous mark of 1,992 for the 2001 event and represents an eight-percent increase from the 1,917 horses which made up last year's five-day auction. This year's catalogue is comprised of 996 broodmares and broodmare prospects, 796 short yearlings, 255 horses of racing age and 26 stallion or stallion prospects.

Officials at Keeneland are hopeful that there is strength not only in numbers, but also in the depth of the sale, to be conducted this year over six sessions. "I think this is a very typical January sale," said Geoffrey Russell, Keeneland director of sales. "It's very solid from the start and all the way through. There are a lot of high quality horses right to the end and then we think there are a few gems. The interest level so far has been good. We've sent out a lot of catalogues and our credit requests are also strong. If everyone who says they're showing up actually shows up, we'll do very well."

SANTA ANITA CANCELS SUNDAY RACES

In the face of relentless rain, racing was cancelled at Santa Anita yesterday after the first of nine scheduled races. Sunday's first and only race at Santa Anita was marred by a spill in which Unusual Sunrise, ridden by Mike Smith, broke down and fell at the quarter pole. "The riders brought it to our attention that the track was pretty slick and that the horses were not getting the necessary foothold," explained Santa Anita General Manager George Haines. "Management then decided they didn't want to expose the horses and jockeys to any unnecessary risks." Breeders' Cup Juvenile Fillies champ **Sweet Catomine** (Storm Cat) had been expected to make her sophomore debut in yesterday's GIII Santa Ysabel S., but the Julio Canani trainee was scratched even before the races were cancelled. The Santa Ysabel and the San Miguel S. will be rescheduled. The last time racing was cancelled at Santa Anita was in 1995. Southern California has been inundated with rain in recent days, with 16 inches falling in the last two weeks.

RECORDS SET AT MAGIC MILLIONS

The 2005 Conrad Jupiters Magic Millions Yearling Sale concluded yesterday after realizing a record aggregate of A\$65,432,000 and a record average of A\$117,262. The clearance rate over the four days of the Gold Coast auction also set a new standard at 86 percent. Magic Millions Managing Director David Chester, who had expressed his disappointment in the lack of entries from some of Australia's bigger studs prior to the sale, was nevertheless pleased with the final figures. "The sale has once again been a resounding success," Chester said. "We're delighted to see the results at this important sale climb again--no doubt as buyers agree with our beliefs that the sale is continuing to improve each year. Many of the prices for the yearlings during the sale far exceeded their reserves, and a number of vendors who presented quality yearlings were rewarded with top results...the top youngsters presented were the subject of great competition." While Australian trainer Graeme Rogerson was the leading buyer, picking up 31 lots for a total of A\$5,410,000, overseas clients were also very active. South African trainer Charles Laird was the third-leading buyer, purchasing 12 lots for a total of A\$2,515,000.

O'Byrne Wins Bidding War...

Bidding on behalf of John Magnier and Michael Tabor, Dr. Demi O'Byrne fought off at least four rivals to get the sales topper, going to A\$950,000 for a colt by Danehill out of Silken Whisper (Diesis {GB}). Consigned by Strawberry Hill Stud, the bay had been touted as the pick of the catalogue, and O'Byrne agreed with that assessment. "He's a remarkably good-looking horse," he said. "He had lovely quality and he's a great mover. I thought he'd be around the million mark." Strawberry Hill's John Singleton was more than satisfied by the result, but quipped, "Hopefully I will be regretting the sale." The sales topper will be sent to Lindsay Park to be trained. **Magic Millions cont. p6**

Gemology 101...

For the second consecutive year, Keeneland has the good fortune of offering the dam of a Breeders' Cup winner and Eclipse Award finalist. Last year's January sale received a boost two months earlier when Cajun Beat registered an upset victory in the 2003 Breeders' Cup Sprint. His dam, Beckys Shirt, was part of the catalogue and realized a final bid of \$850,000 from BBA Ireland to top the sale. Crescent Hill Farm consigns hip [64](#), the eight-year-old mare Native Roots (Ire) (Indian Ridge {Ire}), to this year's proceedings. The chestnut mare was just a maiden winner in 11 starts, but got off to a much more impressive start at stud, producing a colt by Awesome Again in 2002. That foal, now known as Wilko, placed three times in group competition overseas, but came to this country and upset some of the nation's top two-year-olds in last year's Breeders' Cup Juvenile. Native Roots was purchased for just \$22,000 at last year's OBS Winter Mixed Sale carrying a foal by Talk Is Money. She sells on a May 9 cover to G1 Dubai World Cup winner Street Cry (Ire) (Machiavellian).

Pedigree Power...

Sires represented in the catalogue by new yearlings or in-foal broodmares include A.P. Indy, Awesome Again, Belong to Me, Came Home, Danzig, Deputy Minister, Distorted Humor, Dynaformer, El Prado (Ire), Elusive Quality, Fusaichi Pegasus, Giant's Causeway, Gone West, Grand Slam, Gulch, Johannesburg, Monarchos, Mr. Greeley, Orientate, Point Given, Pulpit, Smart Strike, Storm Cat, Successful Appeal, Tale of the Cat, Tiznow, Unbridled's Song and War Chant. Stallions who will be represented by their first crop of foals in 2005 include Aldebaran (Mr. Prospector), Empire Maker (Unbridled), Harlan's Holiday (Harlan), Hold That Tiger (Storm Cat) and Vindication (Seattle Slew).

Optimism on the Grounds...

Officials at Keeneland hope to build on the momentum from the September yearling sale, which set an all-time record for gross sales of just under \$325 million, as well as the November breeding stock sale, which grossed nearly \$280 million. Last year's January sale approached \$50 million, despite the lack of a major dispersal. It was only the second time in the last 15 years that the sale breached the \$40-million mark without a dispersal. A total of 11 horses made over \$500,000 during last year's five-day run at Keeneland and 32 horses sold for better than \$250,000.

RINGSIDE... with Alan Carasso

MORE THAN A ROOTING INTEREST

When 61-year-old soybean trader Nikolaus Bock took his seat in the grandstand for the Breeders' Cup at Lone Star Park last October, he was holding a \$22,000 win ticket. It wasn't any sort of wager he made at a mutual window that Saturday, but rather one he'd made several months earlier at the OBS Winter Mixed Sale.

Up until then, Native Roots (Ire) had done very little to distinguish herself. A \$30,000 claim by Millennium Farms' Rosendo Parra, she was retired from racing and bred in 2001 to Awesome Again. Entered for the following year's Keeneland January sale, the mare failed to meet her reserve and was bought back for \$90,000. Parra put her in foal to Service Stripe in 2002 and tried her in the Keeneland November sale, but bidding stalled at \$16,000 and she was again led out unsold. Bred in 2003 to Millennium stallion Talk Is Money, Native Roots was sent to the Ocala Mixed Sale last year, where she was purchased by Bock.

"I was very, very surprised to get the mare for that kind of money," said the resident of Naperville, Illinois. "I really liked her. She's by Indian Ridge, one of the leading sires in Europe, and how many chances do you get to buy a horse by him in this country? Another reason I bought her is because I was very high on Talk Is Money. He gets very good-looking foals and he seems to be really stamping them."

Talk is Money, a \$1.8-million son of Deputy Minister, had nine foals from his first crop sell for an average of over \$45,000 in 2003, nine times his stud fee of \$5,000. *Cont. p. 5*

Perfect Soul: Champion and Millionaire

(Sadler's Wells--Ball Chairman, by Secretariat)

"He's by the world's leading sire-of-sires, out of a mare by the world's leading broodmare sire-of-sires; he's a millionaire, track record-holder at a mile...how can he miss?"

- JACK WERK

(Ringside cont. from p. 4)

In the meantime, Bock was following with interest the early career of Wilko, the mare's first foal by Awesome Again. A maiden winner in his third start, the chestnut, a \$35,000 Keeneland November and \$75,000 Keeneland September graduate, was a close third two starts later in the G3 Superlative S. at Newmarket and followed that with a runner-up finish to Shamardal in the G2 Vintage S. at Goodwood. After finishing a troubled third in the G2 Royal Lodge S. at Ascot in September, an interest in Wilko was purchased privately by American John Paul Reddam, who intended on sending the colt on to the Breeders' Cup. The 28-1 second longest shot on the board rallied beneath Frankie Dettori in the stretch to score the upset, much to the thrill of Bock.

"Never in my wildest dreams did I think it could happen," he admitted. "I was there in the winner's circle. Short of winning the Derby, it was the greatest excitement of my life."

Bock says the Talk Is Money foal, a Florida-bred three-quarter sister to Wilko, has been the subject of phenomenal interest while boarded at Lee McMillin's Amende Place near Lexington.

"If the interest in the foal carries over to the mare, I will be very happy," he commented, adding that a decision on whether to keep or sell the filly has not yet been made.

Bock, originally from Germany, maintains a small racing stable and broodmare band in Illinois. He admits that today's sale will be at least a little bittersweet.

"I got a very good foal out of her and she's been very good to us so far," he explained. "But the timing of this is right and if she does like I think she's going to do, well then, it'll all be very good."

Off to a Fantastic Start...

First-crop sire **Fantastic Light** (Rahy) averaged A\$117,500 for nine sold at Magic Millions and Darley Australia spokesman Alastair Pulford hopes the stallion will prove increasingly popular at forthcoming sales. "Fantastic Light's first yearlings have been well accepted--his top-priced colt was A\$340,000," Pulford said. "He was a lovely horse and sold accordingly. We look very much forward to Karaka, where he has about a dozen, and Easter, where he has 25 to 30 lots in. They're obviously the pick of the crop and, with an international buying bench at that sale, he will be very much sought after. The Fantastic Light yearlings sold off a fee of A\$35,000.

Dynamic Syndications Make Presence Felt...

Dynamic Syndications, Australia's newest syndication company, caused a splash on the Gold Coast yesterday, buying a pair of Danehill yearlings for a total of A\$1,175,000. The company, a partnership between leading bloodstock agent Dean Watt and prominent owner Bruce Reid, purchased lot 583, a colt out of Sorb Apple (Ire) (Kris {GB}), for A\$550,000. "It's great to be able to buy such an outstanding son of the most significant sire here in the past decade," said Watt. "He's a beautifully moving colt and he was crystal clear on x-rays. Most importantly he has the looks and the pedigree to make it to the top and, if he is successful, his pedigree looks great for a future as a sire." Dynamic Syndications struck again later in the session when bidding A\$625,000 for a daughter of Grade I winner Tis Juliet (Alydar). "She's a real running type," Reid said of the filly. "She's a potential two-year-old, although she still has a little bit of growing up to do." By the end of the auction, Dynamic Syndications had signed for 14 horses at a total of A\$1,895,000.

NOMINATION DONATION FOR RED CROSS WORK IN INDIAN OCEAN

To assist with the alleviation of the suffering and the crisis faced by the survivors of the tidal waves that affected 10 countries surrounding the Indian Ocean this week, the Coolmore stallion owners are donating a nomination to every one of their Flat and National Hunt stallions, including Sadler's Wells in Ireland, Fusaichi Pegasus in the USA and Encosta de Lago in Australia. The total fund will be given to the International Red Cross to assist its work with those devastated communities. Beginning Friday, Dec. 31, Ashford Stud in Kentucky and Coolmore Stud in Ireland will accept bids for nominations to each of their stallions while Coolmore Australia will do so for its one permanent resident, Encosta de Lago. Bidding will close at 5 p.m. local time on Tuesday, Jan. 11, during the Keeneland January Sale. The highest bids and the names of the bidders for each stallion will be published daily in the Thoroughbred Daily News and the final charitable purchasers will be released to all major racing and breeding publications. In order to respond to the urgent needs of the Red Cross and their international partners, payment will be required immediately. These nominations will therefore be on a no-guarantee basis, but will include a "right of return" in 2006 for mares barren in 2005. Richard Henry, a spokesman for Coolmore, said, "Everybody has been so affected by this unprecedented human disaster that Coolmore, its stallion owners and staff wanted to do something to help. It will also provide a way in which breeders internationally can contribute to the excellent work of the Red Cross. Supplying a nomination to every stallion across the board offers the widest possible involvement. Coolmore welcomes the participation of other stud farms or syndicates to add stallion nominations to the auction for this charitable effort. Coolmore and the TDN will be willing to assist them in handling the details in any way possible."

Union Place, the lone horse on the also-eligible list, drew in and made the most of the opportunity, nearly equalling the North American record for a mile and a sixteenth on the grass with this win. The bay, winner of an optional claimer at Belmont June 4 and fourth in the July 30 GII Bernard Baruch H. at Saratoga, had not been out since finishing fifth in the Aug. 28 GII Fourstardave H. at the Spa. Three wide while sitting just off the leaders early, the Sorokolit homebred went after the pacesetters as they wheeled out of the turn and survived a three-way battle to the wire to prevail. "He broke a sesamoid last summer and was out of training for about 45 days," trainer Randy Schulhofer said. "I really wondered if he was fit enough today, but he showed me a lot of heart. Now we want to go to the Sunshine Millions [Turf at Santa Anita Jan. 29] with him." The final time was a tick off the North American mark of 1:38 flat set by Told at Penn National in 1980.

Making just her second start on the sod, Angela's Love stole away on the front end through uncontested fractions and proved too tough to catch late. The five-year-old had been racing exclusively in graded company in recent months, notching a victory in the GIII Gardenia H. over Ellis Park's main track Aug. 7 and finishing third in the GIII Turfway Park Breeders' Cup S. in mid-September. A well-beaten sixth at the hands of Azeri in the GI Spinster S. Oct. 10 prompted the surface switch, and the dark bay nearly sprang the 38-1 upset when third by a neck in the GIII Cardinal H. at Churchill Nov. 20. Taking more respect this time as a 7-1 shot, Angela's Love, under recent European import Kieren Fallon, ran the initial six panels in 1:11.27, sprinted the next quarter in a quick :22.48 and just kept on motor-ing as Delta Princess closed for the place spot. "I think she's got a great future on the turf," said winning trainer Dale Romans. "We'll look around for awhile before we decide where she'll go next." Hopelessly Devoted (Storm Creek), who was being eased down the stretch, collapsed after the finish. There was no word on her condition.

CLARINS (f, 4, **Storm Cat--Shell Ginger {Ire} {GSW-Ire}**, by **Woodman**) has accrued more than her share of layoff lines in her short career, starting just twice at two and three times last season. The chestnut filly was second at Aqueduct in November of 2003 and came back to get the place again at Gulfstream last January before returning after nearly eight months on the shelf to break her maiden at Saratoga Sept. 4. She managed to make another appearance in a Belmont allowance Oct. 9, but did not fare so well without a vacation between races and finished seventh. The 8-5 chalk after a three-month absence this time, she pressed the pace early, grabbed the lead after six furlongs and edged clear in the final furlong to take it by two lengths over Holy Secret (Holy Bull). Lifetime Record: 6-2-2-0, \$62,240.

KRISTEN KRISTEN (f, 3, **Storm Boot--Tada {SW}**, by **Tasso**) was second in two starts at Churchill Downs in the spring, but faltered badly to finish ninth on Independence Day and was given a break. The chestnut filly made her return as the 8-5 chalk at Calder Dec. 19 and pressed the pace before weakening to be fourth. Off at 9-2 in her second start back, the \$280,000 FTSAUG yearling was quickest away from the gate and set a pressured pace, but dashed away from her rivals down the lane en route to an 8 3/4-length score. Saint's Play (Saint Ballado) completed the exacta. Lifetime Record: 5-1-2-0, \$34,625.

The New Farm homebred, the 2-1 second chance to capture his first test against winners, led the way through a modest half in :48.25, opened up under a drive two furlongs out and kept Byanosejoe (Cherokee Run) at bay by 1 1/2 lengths on the line. Caromon and Gregson locked horns at the outset and six furlongs later, a photo failed to separate the two. Gregson, third in a Woodbine maiden in October before earning a 96 Beyer in a nine-length winning effort over trip and track, was the crowd's pick here at 3-5. Caroman was sent off the 5-2 second choice having followed his own nine-length victory at Philly Park with a second against allowance foes at that track Nov. 22. Caromon, to the inside, went neck and neck with Gregson and both horses dug deep to finish on even terms. Gregson, a half to Early Wisdom (Whiskey Wisdom), GSW, \$166,941; and Mountain Dawn (Mountain Cat), GSP, \$272,457, was a \$45,000 KEESEP yearling and a \$200,000 OBSMAR two-year-old purchase.

Bernard "Buddy" Diliberto Dead:

Bernard "Buddy" Diliberto, whose coverage of sports in New Orleans over the past five decades included the Fair Grounds, died Friday night of an apparent heart attack. He was 73. Diliberto worked at *The Times-Picayune*, WVUE-TV, WDSU-TV and WWL Radio in his career. Additionally, he was a media regular at the Kentucky Derby, provided weekly features as part of Fair Grounds' simulcast signal for several years and hosted a Louisiana Derby special on WWL Radio for the last six years. Diliberto's son, Mike, is Fair Grounds' director of broadcast media. For his longtime efforts to promote horse racing, Buddy Diliberto was inducted into Fair Grounds' Press Box Hall of Fame in 1999. Visitation will be Monday from 6-10 p.m. CST at St. Agnes Church, 3310 Jefferson Highway in Jefferson, and from 9:30 a.m. Tuesday until the burial mass at noon. Interment will follow at Metairie Cemetery Mausoleum. In lieu of flowers, the family requests donations to St. Jude Children's Research Hospital or Save the Children.

Gold Storm had made just five starts going into 2004, but developed into a very good sprinter last season. After filling the trifecta in two of his first three in 2004, he reeled off three straight, including a tally in the Aug. 28 Arlington Sprint Breeders' Cup H. that earned him a 111 Beyer. He matched that speed figure when a good second to Champali in the GIII Phoenix Breeders' Cup S. at Keeneland Oct. 8, then finished

ninth, beaten only four lengths, after tiring in the GI Breeders' Cup Sprint. Making his first start of 2005 in a race that included the talented Clock Stopper, Gold Storm dueled through a half in :45.42 before shaking loose in upper stretch. Clock Stopper, last of four early, was clearly second best while never threatening the winner.
