company's officials are hopeful they can live up to the standards set last year. In 2004, a pair of youngsters brought world-record prices, boosting the sale to a record average of

\$292,859. "We had a great sale last year," said Fasig-Tipton President Walt Robertson. "Even

without the world records, it was a tremendous sale. You never know where the top horse is, and you certainly don't know how much he's going to bring. But by and large, we have got--across the board--as good a group of horses as we've ever had. I think the market is good, from preliminaries, but you just never know where the top is going to be." A total of 355 horses were catalogued for today's sale. "I feel very good about the horses this year," Robertson added. "We had a good breeze show [Sunday]. The wind was a little tough on us the first day. There's a tremendous amount of buyers here, from the sides of both oceans. We've got some Japanese buyers that we've not had before." All of the gathered buyers will have their pick of representatives of the nation's leading established stallions, including A.P. Indy, Deputy Minister, Dynaformer, El Prado (Ire), Elusive Quality, Gone West, Grand Slam, Kingmambo, Saint Ballado, Seeking the Gold, Storm Cat, Tale of the Cat and Unbridled's Song.

**First Up at Bat...**

First-crop sires, always popular at sales, were responsible for both of last year's record-priced sales. Stephen Got Even's \$3.3-million son held the title until he was surpassed by a \$4.5-million colt from the first crop of Fusaichi Pegasus. What fuels the demand for the offspring of untested stallions? "Those were two special horses," Robertson explained. "This is an optimistic game we play. Everyone wants to get in on the ground floor because when it works, it really works." Each of those stallions has more youngsters catalogued this year, as do 2004 leading freshman sire Successful Appeal and his European counterpart, Giant's Causeway. This year's group of freshman sires includes a pair a Horse of the Years in Point Given and Tiznow; Monarchos, hero of the Kentucky Derby; and the swift miler El Corredor. **Fasig-Tipton Coverage cont. p3-6**

**Flying Kight..**

Hoby and Layna Kight consigned two of last year's six-top priced two-year-olds at this sale, a Storm Cat colt for \$1.05 million and a \$900,000 Unbridled's Song colt. Those successes gave them the opportunity to be selective at yearling sales in 2004. Among their purchases were a \$500,000 Tiznow colt, a \$415,000 High Yield colt and a \$215,000 Cat Thief filly.

"Why'd I spend so much?" joked Hoby Kight. "I wanted to bring really good horses here. They're not culls. We're trying to bring more players into the game. I wanted to have better horses to sell, and I mean better pedigrees." Nicely pedigreed, athletic youngsters are understandably highly desirable commodities.

"Horses like these, well-bred that are ready to go into training, make the whole market stronger, and that's my goal," Kight continued. "You can take any horse and work him fast, but a better pedigree makes a big difference."

Kight, who has been selling two-year-olds for the past 10 years, has seen the market become more selective during that time. "Bob Baffert would come down here for years and buy horses that worked fast for not much money," he explained. "He did well with those horses."

The Kights will have 13 head go through the ring this afternoon, but there are a few standouts. "I've got four or five really good ones," Kight added. "But it really depends on what you're looking for. I've got two fillies--one's a Cat Thief, one's a Grand Slam. I've got two colts, a High Yield and a Tiznow. It's really tomato, tomahto."

"We've already got Maddalena," said Walt Robertson, "and then there's Lukas' Derby horse [Going Wild], and more since the catalogue." Fusaichi Samurai, last year's \$4.5-million topper, made an eye-catching debut in December before having a minor setback in training.

**Looking to Excel...**

There's a new consigning operation with two familiar faces at this year's sale. Floridian Rudy Delguidice, who formerly worked with Becky Thomas at Sequel Bloodstock, joined forces with California-based Bruno DeBerdt last year to buy a group of yearlings in order to offer them at two-year-old sales.

**Delguidice and deBerdt**  
*Marie Kizenko photo*

"I've known Rudy a long time," DeBerdt explained. "I met him in California. I was

buying for the Thoroughbred Corp., and we bought a lot of horses from him and Becky." Among the Sequel graduates purchased by the Thoroughbred Corp. are GISWs Habibti and Officer as well as MGSW Kafwain.

"They always seemed so much better prepped than the others," DeBerdt explained. "When the Prince [Ahmed bin Salman] passed away, I thought it was time to do something different. Rudy was looking to go out on his own, and so we formed Excel Bloodstock. All of the horses we buy go to Rudy in Ocala and he evaluates them on a regular basis to see where they will fit. He's very hands on."

Already a veteran at consigning, Delguidice explained his approach to placing horses to the right sale. "A month can make a huge difference with a young horse; even two weeks can make a difference," he said. "You've got enough of a window to decide which horse will go to which sale." Pedigree also plays a part. "Horses from mares or families which have done well on the East Coast, we try to sell in Florida," he added, "and those that have more of a West Coast mare or family, we take to California."

The duo will have seven juveniles selling today. "We've got a good, balanced group," Delguidice offered. "The Forest Wildcat [hip 16] has done real well. We've also got some nice horses who look like they'll go two turns, like the Point Given filly [291]. The filly by Freud--Becky has him in New York--has done super." Both of the aforementioned fillies are registered New York-breds. "It's an excellent program," he said. "We've done well buying New York-breds from open sales."

DeBerdt has both bought and sold horses over the years, but this is his first time as a consignor "at this level." He quipped, "When you're buying, you always think there's lots of other buyers, but now that I'm selling, I'm thinking, 'Where is everyone?'"

☆ HIP HAPPENINGS ☆

**Hip 25 - f, [Songandaprayer](#)--Always on the Go, by Lord Carson**

*Consigned by Paul Sharp, agent*

She is a May foal without much page, but the bay earned a second look after working an eighth in :10 3/5 during the first preview and a quarter in :21 3/5 during the second. Named Winandaprayer, the Florida-bred filly is out of a stakes-placed mare from the first crop by GISW Songandaprayer, who brought a cool \$1 million at this sale in 2000. She sold for \$30,000 as a FTKOCT yearling.

**Hip 36 - f, [Thunder Gulch](#)--Bayou Storm, by Storm Cat**

*Consigned by Nick de Meric, Agent VIII*

A \$230,000 KEENOV weanling, the chestnut RNA'ed at \$140,000 at Keeneland September. But she showed plenty of gas during the under-tack shows, going a furlong in :10 4/5 during the first go-round and bettering that time by a tick Sunday. She is out of a half-sister to GSW Lu Ravi and to Half Queen, the dam of champion Halfbridled.

**Hip 58 - c, [Tale of the Cat](#)--Carry All, by Devil's Bag**

*Consigned by Robert N. Scanlon, agent*

The homebred bay clocked an eighth in :10 3/5 at the first preview. He is from the family of Grade I winners Seeking the Gold and Fast Play and millionaire MGSW King Cugat. "I like everything about him," said Scanlon, who sold MGSW Lion Heart at this sale two years ago for \$1.4 million, and GISW Songandaprayer for \$1 million in 2000.

*Consigned by Tony Bowling and Bobby Dodd, agent*  
 A modest \$80,000 KEESEP yearling, the Pennsylvania-bred smoked the first under-tack show with a quarter in :21 4/5, earning himself a day off Sunday. The bay is out of a half-sister to British champion Bakharoff and U.S. graded stakes winner Sum and a full to British Group 2 victor Emperor Jones.

**Hip 137 - f, Cat Thief--Godmother, by Show'em Slew**  
*Consigned by Hoby and Layna Kight, Agent I*  
 The second foal out of GSW Godmother, the bay worked the fastest quarter at the first preview, zipping the distance in :21 2/5. The Florida-bred sold for \$215,000 at Fasig-Tipton July. She is from the second crop by GI Breeders' Cup Classic hero Cat Thief.

**Hip 226 - c, Golden Missile--Ms. Copelan, by Copelan**  
*Consigned by Wavertree Stables, Inc (Ciaran Dunne), Agent VII*  
 The bay looked good enough to bring \$360,000 at Keeneland September as the highest-priced yearling for his sire in 2004, and was at least as eye-catching during the first under-tack show, dashing off an eighth in :10 2/5. The January foal is out of a stakes-placed mare that has produced five foals to race, all winners.

**Hip 263 - f, Arch--Questress, by Seeking the Gold**  
*Consigned by Solitary Oak (Danny Pate), Agent II*  
 Her half-brother Pomeroy (Boundary) blossomed from a \$45,000 KEESEP yearling into a \$300,000 FTFFEB juvenile two years ago and went on to win the GI King's Bishop S. at three. The top-selling yearling for her sire last year, bringing \$360,000 at Keeneland September, the dark bay showed plenty of speed herself with an eighth in :10 3/5 Sunday.

**Hip 265 - c, Forestry--Rare Bird, by Rahy**  
*Consigned by Tony Bowling and Bobby Dodd, agent*  
 The first foal out of this mare, Red Carpet (Theatrical {Ire}), attracted a final bid of \$825,000 at this sale in 2000. She has since produced Host (Tabasco Cat), who won the Jan. 30 GIII MacDiarmida H. at Gulfstream. This colt brought \$200,000 as a FTKJUL yearling and ripped off a furlong in :10 2/5 at the first preview.

**Hip 277 - c, Unbridled's Song--Roll Over Baby, by Rollin on Over**

*Consigned by Hoby & Layna Kight, Agent I*

This family has already scored big at the sales, with Morocco (Brocco) bringing \$2 million at Barretts in 1999 and MGISP Value Plus (Unbridled's Song) going for \$1.1 million as a KEEJAN yearling. This colt, named Sing Baby Sing, RNA'ed at \$475,000 at Fasig-Tipton Saratoga. He worked a quarter in :22 2/5 Sunday.

**Hip 344 - c, Tiznow--Thega, by Conquistador Cielo**

*Consigned by Hoby & Layna Kight, Agent I*

This handsome bay, a \$500,000 FTSAUG purchase, has drawn raves from his consignor. "He has all the right stuff to go on and be a Derby horse," said Hoby Kight. "He's just gotten bigger and better looking since we bought him." The juvenile is a half brother to SW & GSP Tiger Hunt and GSP Tiger Trap.

**Hip 354 - f, Storm Cat--Turbo Launch, by Relaunch**

*Consigned by Hartley/DeRenzo Thoroughbreds, agent*

A \$385,000 FTSAUG yearling, she fired a furlong in :10 3/5 at the first under-tack show. The bay is a half-sister to SW Turko's Turn (Turkoman), the dam of champion Point Given; and to SW U R Unforgettable.

# FRESHMAN FIGS at F-T Calder

## FRESHMEN SIRE BREEZEFIGS AT FASIG-TIPTON CALDER

by Robert D. Fierro, DataTrack International

In our review of how Freshman Sires of 2005 performed at OBS Calder in the Feb. 8 TDN, we introduced BreezeFigs, an objective "speed figure" analysis derived from digital video of breeze shows at two-year-olds-in-training sales. We also came up with a BreezeFigs Freshman Sire Index (BFSI), which is a weighted average of their progeny's performance at breeze shows at a given sale.

We continue our projections with the Fasig-Tipton Calder sale and we'll also point out other sires whose progeny might be overlooked in the hype over Freshmen.

Freshmen sires need at least three horses to breeze at a particular sale to earn a BSFI. The comments are not our overall assessment of the stallion's prospects in general, but are only a snapshot in time a reflection of how their progeny performed at this particular sale based on the BFSI.

This sale's first breeze show was affected by a strong headwind throughout the day. When averaged in with the second breeze show, which included turf works, what emerged was a pattern consistent with what we have seen in the past at this sale and at the OBS Calder sale earlier.

### Wanna See Your Favorite Sire's Sales Stats?

Check out TDN's [Sales PPs](#) on our website. Hundreds of sires are represented!

Here's how the Freshmen stacked up at FTC, ranked by BFSI, highest first (for an explanation of Par, see the box below):

**FOREST CAMP** had four in the sale, all colts, and all went 1/8 mile with alacrity, especially into the wind during the first breeze show. Three of the four scored above Par on our figs.

**BRAHMS** got into the fray at this sale, with two colts and a filly, all of which scored above Par on the figs. They didn't blow the doors down, but they were very professional and moved neatly.

**EL CORREDOR**'s eight included a hot-moving colt on the turf, and another on the dirt, and six of them chalked up a BreezeFig at or above Par. Moving right along like he did at OBS Calder.

**FIVE STAR DAY** had a nice bunch, three of each sex, all of which worked at a furlong. Three of them worked above Par, but each showed very good speed and they look to be early and quick.

**FREUD** continued to raise eyebrows as he did at OBS Calder. Here his five runners threw in eight combined works, four at one-eighth and four at one-quarter mile--five of those works were above Par.

**APTITUDE**'s sales debut consisted of five, one of which handled both turf and dirt well. They moved well with decent speed and look like they might emulate their sire's style. *Wanna see more. Cont. p6*

*Freshman Figs cont.*

**SONGANDAPRAYER** had eight work, with only one attempting both distances. Two came up with very nice figs, and three others scored above Par on the figs. They are powerful movers.

**BROKEN VOW** had three colts and a filly, and two of the colts threw in monster turf works. They all appear to be cruiser--the type that may not be brilliant, but could stalk and wear you down.

**POINT GIVEN** was represented by two of each sex, and surprisingly for a classic horse, they only worked a furlong each. Two of them, however, scored at or above Par, so they have some speed.

**TIZNOW** had four colts, and like him they showed the kind of moves which were a balance of tactical speed and cruise control. They may not burn up the track, but they will be in the hunt.

Two of last year's hot Freshmen continued to show well. Four of the six by **DIXIE UNION** broke Par during their trials, and if he were assigned a BFSI, he'd be right below **FOREST CAMP** and **BRAHMS**. Last year, **YES IT'S TRUE** was not so much sensational as he was consistent, and this year his eight runners gave us more of the same with five of them scoring at Par or above. If he had a BFSI this year, his would be the Median among the 10 Freshmen profiled above.

We'll be back for Barretts next.

*BreezeFigs were developed by Bob Fierro and Jay Kilgore to bring objective analysis to Breeze Shows at 2-year-olds in training sales. We use digital video to distill data about speed, stride, and thrust (the ability to sustain power over racing distances). In our research, these and other factors separate horses that might look fast from those that are likely to be faster once they get to the races. Each horse's BreezeFig is compared to a "Par" figure for each sex at each distance at each sale. Horses with BreezeFigs above Par generally compete more successfully when they get to the races and Daily Racing Form will be offering an on-line BreezeFig handicapping tool soon.*

All the signs are that 2005 is going to be a big year for Numerous, the royally bred Mr. Prospector horse who left the USA in 2002 after a season spent in New Jersey at a fee of only \$5,000.

Numerous has already made a substantial impact with his representatives in California and Florida this year, with Miss Loren taking the G1 Santa Maria H., Mr. Light the GIII Appleton H. and now Miss Terrible the GIII Las Flores H. Over on another continent, his son Mr Pensky--a Group 1 winner in Argentina--recently finished a good third in the G3 UAE 2000 Guineas.

Numerous should surely do well later this year with a 2002 Argentine crop which includes brothers or sisters to several of his best winners. And it is going to be interesting to see how he fares when his first French yearlings reach the sales in the summer.

Although his fee at Haras Le Quesnay has been no higher than €10,000, several high-powered European breeders have been happy to give Numerous a chance, including the Aga Khan, the Wertheimer Brothers, the Lagardère heirs, the Niarchos Family, Kirsten Rausing and Alec Wildenstein. No doubt they have been impressed by his achievements during his visits to Haras Firmamento in Argentina, but there is no getting away from the fact that Numerous' main attraction is his exceptional pedigree.

**Andrew Caulfield cont.**

For a start, he is by Mr. Prospector, the great stallion whose name has influenced the Firmamento policy of prefixing the names of Numerous' sons with "Mr." and his daughters with "Miss." Among them are the Argentine Group 1 winners Mr Mat, Mr Alleva, Mr Pensky, Mr Redford, Miss Terrible, Miss Victory, Miss Carry and Miss Loren.

Arguably even more important is Numerous' female line, which reads Number (a dual Grade II winner), Special (dam of Nureyev, as well as being the second dam of Sadler's Wells and Fairy King), Thong (the dam of Thatch and Lisadell) and the celebrated Rough Shod. According to le Quesnay's website, this makes Numerous "the perfect mate for descendants of NUREYEV, SADLER'S WELLS and FAIRY KING"--and there are plenty of those in Europe. It probably isn't just coincidence that one of Numerous' American-bred Grade I winners, the Atto Mile winner Numerous Time, is out of a granddaughter of Nureyev. Numerous Times is inbred 4x4 to Northern Dancer, while Kela--the other American-bred Grade I winner by Numerous--is inbred 4x3.

Bearing in mind his illustrious bloodlines--he is also a brother to the 1989 Grand Criterium winner Jade Robbery--it was a safe bet that Numerous would create quite a stir when he was consigned by Claiborne to Keeneland's 1992 July Sales. Sure enough, the son of Mr. Prospector topped the sale at \$1.7 million.

Although Numerous proved good enough to win the GIII Derby Trial S., his overall record established that he wasn't a star. When he ventured into Grade I company, he could finish no closer than fourth, beaten nearly seven lengths, in the Santa Anita Derby and fifth, beaten nine lengths, in the Preakness S.

When he failed to make it to the top on the main track, Numerous' connections were naturally tempted to try him on turf. Although he performed creditably, winning at Del Mar and finishing a good fourth in the GIII Volante H., he again fell comfortably short of the highest class and it is easy to see why he was transferred to New Jersey after five years in the ultra-competitive Kentucky market.

Turf has also played its part in Numerous' stallion career. Numerous Times gained his major victory on turf, and the stallion's impressive list of Grade 1 winners in Argentina includes several which have won at the top level on turf, such as Miss Terrible, Miss Loren and Mr Mat (Gran Premio Estrellas Classic).

**Miss Terrible** Benoit

Miss Terrible's victory in the Las Flores H. was her ninth success in a 12-race career which features a sequence of seven Group 1 victories in her native Argentina. Her dam Teidi, another Group 1 performer, is by Nashua's grandson Farnesio, winner of the Gran Premio Jockey Club prior to a career in

the U.S. which included three runners-up slots in graded stakes.

Both of Teidi's grandsires, Good Manners and Two Harbors, were American-bred and -raced. Good Manners won the Haggin S. at two, but Two Harbors--a son of Dr. Fager and Cequillo--possessed more pedigree than performance.

Miss Terrible's third dam, Tell Tale, originated in England, where she was sold for only 4,300 guineas. Her price reflected Tell Tale's failure to show anything like the talent one might have expected to find in a filly of her excellent bloodlines--her third dam, Phase, played a major role in the outstanding breeding operation founded by Major Lionel Holliday.

Keeneland Swan won the G3 Silk Road S. last February prior to a close fifth-place finish in this event, which marked the beginning of an eight-race skid. In two starts this season, the six-year-old was ninth in the Yodo Tankyori S. at Kyoto Jan. 15 and most recently a well-beaten 15th in defense of his Silk Road title Feb. 6. Dismissed at double-digit odds, the chestnut settled in third behind pacesetter Calstone Light O, went up after that rival in the stretch and was up late for a narrow victory.

A half brother to last year's Japanese Oaks winner Daiwa El Cielo (Jpn), the black colt was sent immediately to the front, traveled smoothly throughout and reported home an easy victor, giving jockey Yutaka Take his 200 JRA graded stakes victory. "I am very pleased to accomplish this," he commented. "My horse started very cleanly, so I decided to make the running. This is only his second start, so I think he's got a bright future."

**KC Boy works in Advance of Fountain of Youth:**

Taking advantage of Monday's dry weather, trainer Ken McPeck sent out Gll Fountain of Youth S. hopeful **Kansas City Boy** (Boston Harbor) to a five-furlong breeze in 1:00 flat at Gulfstream yesterday. The three-year-old colt, runner-up to Closing Argument in the Gll Holy Bull S. Feb. 5, was the fastest of 12 at the distance. "I got him right around a minute," confirmed McPeck. "He went out really early this morning. I wanted him to work [Sunday], but the track was sealed. It turned out OK--he worked good and went well." As for Saturday's Fountain of Youth, McPeck said, "I would like Kansas City Boy to draw an outside post. His last couple of races he's been up toward the lead and I don't think he needs to be out there setting the pace like that. If he draws outside, he can settle back and make a kick at the end."

**WILLY O'THE VALLEY** (g, 4, **Will's Way--Lizzie Toon {MSP}**, by **Dixieland Band**) put away favored Eurosilver (Unbridled's Song) and just lasted to prevail here. The gelding showed plenty of talent last year, never missing the board in his first seven starts, including a pair of smart allowance victories in New York over the summer. Fourth to Mass Media in his stakes debut, the Sept. 12 Fly So Free S. at Belmont, he fell in his next--a \$75,000 Aqueduct claimer in November--and was shelved. Making his grass debut off the three-month freshening, Willy o'the Valley ran a solid fourth in a swiftly run NW3X at Gulfstream Feb. 12. The dark bay returned to the main track at 5-1 odds and rewarded his backers, hitting the front in upper stretch and holding the late bid of Unigold (Silver Deputy) by a nose. Eurosilver, making his 2005 bow, failed to fire when the real running began and faded to be fourth as the 4-5 pick. Lifetime Record: 11-4-3-1, \$136,503. The \$190,000 KEESEP yearling purchase made it to within a head of the front after a mile in her latest start, a Jan. 27 Gulfstream nine-furlong allowance, but came up short and had to settle for fourth. A 3-1 shot this time, the grey tracked the early pace, rallied five wide turning for home and made it to the front in the final strides to eke out a neck victory over Run for the Win (Zafarrancho {Arg}). **HATTA BLOODSTOCK BUYS INTO BALMONT**

Hatta Bloodstock Ltd., an Asian-based investment group, has purchased a half-share in G1 Middle Park S. winner Balmont (Stravinsky), with an eye on his stud career, *Racing Post* reports. Hatta made headlines earlier this year when it sold Native Roots (Ire), the dam of Breeders' Cup Juvenile hero Wilko, for \$1.1 million at the Keeneland January sale. Hatta had acquired the mare in a private transaction last summer. The Balmont deal was consummated at the January sale, where representatives of Hatta met with an agent for Sanford Robertson, owner and breeder of Balmont. Hatta had made previous attempts to buy into the colt following his track-record setting performance in winning the 2003 G2 Gimcrack S. *Racing Post* reports that Balmont was bothered in 2004 by shin splints, but did manage a third-place effort in the G1 July Cup, despite being cast in his stall the morning of the race.

**SUPER STAYER FOR SUPERMODEL?**

Supermodel Kylie Bax is the part-owner and co-breeder of **Aeroforce One (Aus)** (Marscay {Aus}), who announced himself a potential Cups horse when he won the Westernbay Finance Stayers over 2170 meters last Saturday at Tauranga. Bax, born in New Zealand, but living in the United States, shares ownership of the four-year-old colt with her parents Graham and Helen-Gaye. Aeroforce One was second on three occasions prior to his victory on Saturday and has his trainer thinking of bigger and better. "He's a stayer of the future and I've always liked the horse," conditioner Roger James said in the *New Zealand Thoroughbred Update*. "On ability he lacks nothing, but he's needed plenty of time to mature and he's got it all ahead of him." The chestnut is a son of the 21-year-old mare Maurine (NZ) (Harbor Prince), twice victorious in the G1 Avondale Cup in New Zealand and the dam of Group 3 winner Anatomy (Aus) (Thunder Gulch). Aeroforce One could make his next start in the Listed NZ St Leger S. (2500 meters) at Trentham Mar. 19.
