NO DERBY FOR DECLAN'S MOON

Unbeaten juvenile champion **Declan's Moon** (Malibu Moon) has emerged from his win in last Saturday's GII Santa Catalina S. with a knee injury which will force him miss to the GI Kentucky Derby May 7. X-rays revealed a non-displaced fracture in his left knee. "He had a little heat in his left knee, which is unusual for him...his legs are [usually] ice cold," explained trainer Ron Ellis, who trains the gelding for Jay Em Ess Stable. "I just kind of chalked it up to running a race and not a real big deal. But when I couldn't cool the knee out after about three days, I just decided that I'd better take some precautionary X-rays on the knee before I took him back to the track." The Maryland-bred three-year-old will be out of training for 60 days, but no decision has been made yet about whether he will undergo surgery. "He's a 100-percent sound," Ellis added. "He's bouncing around the barn and he came out of the race great physically and mentally, other than what we discovered to be a non-displaced chip." The injury is not expected to be career-threatening since it was discovered in a timely manner. "The decision that needed to be made was whether to go ahead and push on with him," Ellis continued. "All three vets who looked at the X-ray said that a horse can last a race or two like this, but everything we would do from there on would obviously jeopardize his long-term career." Ellis also indicated that due to the length of time that Declan's Moon would be out of training, he would likely miss any chance of making it back in time for the Breeders' Cup. Churchill Downs has suspended wagering on the gelding in Pool 2 of the Kentucky Derby Future Wager. Unbeaten in five starts, Declan's Moon has earned \$627,300.

SOPHS SORTING THEMSELVES OUT

A field of nine three-year-olds looking to establish their Classic credentials has assembled for today's \$600,000 GII Louisiana Derby at Fair Grounds. Though the regally bred **Scipion** (A.P. Indy) rallied past **Real Dandy** (Yankee Victor) and **Storm Surge** (Storm Cat) to take the GIII Risen Star S. Feb. 12, there are a pair of new shooters making their first forays into graded stakes company. The New York-bred **Sort It Out** (Out of Place) made it three straight with a gritty victory in the Whirlaway S. at Aqueduct Feb. 12 for trainer Allen Iwinski. A majority interest in the chestnut colt was subsequently sold to Stonerside and he was moved to the California base of trainer Bob Baffert, who sent out Wimbledon to win last year's Louisiana Derby. The surprising morning-line favorite is **High Limit** (Maria's Mon), a colt who is unbeaten in two starts, but hasn't raced since October. After drilling Delaware maidens by 10 3/4 lengths Oct. 4, the bay romped by 7 3/4 lengths three weeks later going a mile for trainer Tony Dutrow, earning Beyer Speed Figures of 90 and 88, respectively, for those two outings. **Cont. p2**

Owners Gary and Mary West turned High Limit over to Bobby Frankel late in the year for a tilt at the GI Hollywood Futurity, but that plan was shelved. "He got a quarter crack training in California and that's why we missed the Futurity," Frankel's exercise rider Jose Cuevas explained. "After that, we shipped him to Florida and we haven't had any problems. He's training like a good horse. He does everything right. We don't know good he is, but we'll find out."

Badge of Silver returns to Fair Grounds, which was his launching pad to national attention back in his three-year-old season, when he was an overwhelming winner of the GIII Risen Star S. before sustaining an injury in the GII Louisiana Derby. The bay made it back to the races early last year, but was sidelined again. Since his return, he was the runner-up in the GI Cigar Mile Nov. 27 before posting a determined win in the GIII Hal's Hope H. at Gulfstream Jan. 8. His connections hope to have him in a stalking spot. "He'll be chasing two speed horses in the race--Zito's [Wanderin Boy] and the horse from California [Musique Toujours]," exercise rider Jose Cuevas said. "He doesn't mind being behind horses. Nothing bothers him." The lightly raced Wanderin Boy pulled out a wire-to-wire victory over Pollard's Vision and Alumni Hall in the GIII Mineshaft H. Feb. 12, but he will have more company on the front end this time.

Summerly has been the star sophomore filly of this year's Fair Grounds meet, but she'll have to deal with the return of **Runway Model** this time. After posting an upset in the GI Darley Alcibiades S. at Keeneland, Runway Model ran third in the GI Breeders' Cup Juvenile Fillies, then capped her campaign with a win in the GI Golden Rod S. at Churchill Nov. 27. Summerly, third in the Golden Rod, was an romping local allowance winner Jan. 17 before posting a sharp score in the GI Silverbulletday S. Feb. 12. **Eyes on Eddy** came on well to get second in the Silverbulletday and might be primed for an upset here. "We were a little short last time," said assistant trainer Randy Martin. "We've had two good breezes since the last race. I expect a good performance out of her."

Defending champion **Lion Tamer**, unbeaten in four trips to the post at Gulfstream, makes his first start since taking the GI Cigar Mile Nov. 27. He'll have to be at his best to deal with this tough field. **Sir Shackleton** could not have been more impressive in taking his seasonal bow, earning a Beyer Speed Figure of 109 in a one-mile local allowance Feb. 3. **Silver Wagon** rallied past **Value Plus** in a 6 1/2-furlong allowance at Gulfstream Feb. 6 and might be back to the form which saw him win the GI Hopeful S. at two. **Clock Stopper**, who has amassed a small fortune in hitting the board in major events, is coming off a second in the Colonel Power H. at Fair Grounds Jan. 9.

"SILVER GHOST is not only a very well-bred horse, but a really solid racehorse sire. There are few sires in this price range who give you a better shot at a high-class horse, and again, he is turning into a nice broodmare sire."

SHARED INTEREST DIES Robert S. Evans' homebred **Shared Interest** (Pleasant Colony--Surgery, by Dr. Fager), a Grade I winner who later became a top broodmare, died Thursday from complications of a difficult foaling. The 17-year-old delivered a healthy Gone West filly, who has been placed on a nurse mare. A half sister to multiple Grade I winner Sewickley, the New York-bred Shared Interest captured 10 of 23 career starts for Evans, winning the GI Ruffian H. and the GI First Flight H. while

bankrolling \$667,610. The bay quickly established herself as one of the nation's most coveted broodmares. Her first foal to live, a 1996 colt by Storm Cat, topped the 1997 Keeneland July Sale at \$1.5 million. Named Forestry, that colt captured the GI King's Bishop S. at three and has developed into very promising young sire. Her next foal by Seeking the Gold, Cash Run, was the top-priced filly at \$1.2 million at the 1998 Keeneland July Sale. Cash Run landed the GI Breeders' Cup Juvenile Fillies in 1999 and later sold for a world-record \$7.1 million at the 2003 Keeneland November Sale. "Shared Interest was one of the great broodmares," Evans said in a statement. "She was the definition of class, and is leaving a legacy which will have a lasting impact on the breed. All who were associated with this great mare were honored and privileged. As the late Joe Taylor said, 'She is a once in a generation mare.' We will miss her." Shared Interest's 2001 Storm Cat colt RNA'ed for \$3.8 million at Fasig-Tipton Saratoga. Among her other produce are Intense Interest, an unraced 1998 Storm Cat filly; A. P. Interest (A.P. Indy), a winner at three in 2002; the unraced three-year-old King's Interest (Kingmambo); and the two-year-old Interest Rate (Storm Cat). Shared Interest will be buried alongside her dam at Evans' Courtland Farm in Easton, Maryland.

KITTEN'S JOY BACK TO WORK Ken and Sarah Ramsey's homebred champion **Kitten's Joy** (El Prado {Ire}) posted his first breeze of the year yesterday morning, covering a half-mile on the turf in :50 at Palm Meadows. The Eclipse Award winner as the nation's top grass male in 2004, Kitten's Joy had come out of a second in the GI Breeders' Cup Turf with a knee chip and had undergone surgery. "He worked good," said trainer Dale Romans. "It was exactly what we were looking for and I'm very happy with it." Romans declined to speculate on when the four-year-old would reappear in a race. "I'm not going to make any decisions this early on his schedule," he said. Romans also sent out **Roses in May** (Devil His Due) for a six-furlong breeze in 1:12 1/5 yesterday morning. The five-year-old, second in the GI Donn H. Feb. 5, is set to fly to Dubai this afternoon for the \$6-million G1 World Cup. "This was a good three-quarters," Romans continued. "We're looking to get him ready to go." Also on the flight to Dubai is **Prince Arch** (Arch), last Sunday's GI Gulfstream Park Breeders' Cup H. winner, who will run in the G1 Dubai Sheema Classic.

Freshened up off that effort, she returned victorious in a \$62,000 optional at Santa Anita Oct. 21, before finishing seventh in Santa Anita's Tuzla H. last out Jan. 27. Making her first start in the Bayou, she stayed close to the leaders, was steadied on the second turn and rallied once clear to post a 3 1/4-length victory as the 2-1 chalk. CDI Sets Insurance Coverage for Fair Grounds Jocks:

Churchill Downs Incorporated has secured \$1-million insurance policy in for on-track insurance coverage for jockeys who ride at Fair Grounds. The increased coverage will take effect immediately, replacing the \$100,000 previously provided to jockeys. CDI will cover the majority of the cost for the new insurance premium. "Churchill Downs Incorporated is pleased to offer \$1 million in coverage to jockeys at Fair Grounds as part of an industry-wide effort to provide jockeys with adequate on-track medical insurance," said Andrew Skehan, executive vice president and chief operating officer of CDI. "We will move quickly to secure similar coverage for jockeys competing at CDI tracks in Kentucky, Florida, Illinois and Indiana prior to the start of our 2005 Thoroughbred racing seasons in those jurisdictions. While racetracks do not employ jockeys, they are important contributors to our live racing product, and CDI is committed to looking out for the best interests of the human athletes who choose to compete at our tracks."

DUFFIELD PACKS UP HIS TACK Britain's veteran jockey George Duffield has retired due to a chronic shoulder injury. Famed for his long-standing association with the Newmarket-based trainer Sir Mark Prescott, the 58-year-old had enjoyed success at the highest level on such recent luminaries as Giant's Causeway and User Friendly (GB) in the twilight of a career that spanned five decades. Duffield began riding for Jack Waugh in 1962 before signing up with Prescott in the 1970s. Together they collected over 800 races, including the 1996 G1 Nunthorpe S. with Cheveley Park Stud's Pivotal (GB) and consecutive renewals of the G1 Champion S at Newmarket with Kirsten Rausing's Alborada (GB) in 1998 and 1999. Other top-class performers he had partnered include Susan Magnier and Michael Tabor's Giant's Causeway, who he helped gain a stirring victory over Kalanisi (Ire) in the 2000 G1 Eclipse S. at Sandown; and Aristotle (Ire), who took the previous year's G1 Racing Post Trophy at Doncaster. However, it was Bill Gredley's G1 Epsom Oaks and G1 St Leger winning filly User Friendly who he singled out yesterday. "I suppose winning the Oaks on User Friendly in 1992 was a highlight of my career, as there is nothing like riding a Classic winner," he told *PA Sport*. He revealed that the Jockey Club's Chief Medical Adviser Dr Michael Turner had failed him in his latest medical as he battled to return from an accident he suffered when carrying out stalls practice at his wife Anne's stables in Yorkshire last July. "I had my shoulder looked at three weeks ago and Dr Turner came over the other night to put me through my paces," he explained. "He could not pass me fit and said I would have to be looked at on a month-to-month basis." Duffield, whose successes totaled 2,547, making him the 10th winning-most British jockey, received an MBE in 2003 for his services to horse racing. He added that he will be helping his wife with her training career.

CHAPPLE-HYAM SIGNS UP MUNRO

Newmarket-based conditioner Peter Chapple-Hyam has handed the returning jockey Alan Munro a chance to re-establish himself on British shores. The 38-year-old Munro, who gained a measure of fame when riding Fahd Salman's Generous (Ire) throughout the 1991 season, will partner a large part of the St Gatien string this term. Chapple-Hyam was quoted on his website yesterday, saying, "I've known Alan since when I was working as pupil assistant at Barry Hills, so we've been friends for a long time. I'm delighted to be able to call on someone of his experience and ability. He still looks as good as ever and he will get a fair few rides for me this season. He's got a lot to offer. He's light and can do a good job." Munro left England for Hong Kong in August 1997 before taking a sabbatical at the end of the 2000 season. He returned to the saddle in New Zealand in January and rode his first winner since his break the following month.

Haunui will manage the five-year-old in conjunction with Gooree. Haunui Manager Mark Chitty and his father, Ron, recently traveled to Australia and got a look at the foals from Don Eduardo's first crop, born in 2004. "When we saw how outstanding his first-crop foals were at

Gooree, it was the final piece of compelling evidence we needed to say that we should stand him," the younger Chitty said. "Across the board, [the foals] are athletic, strong young horses who certainly bear a common resemblance." Don Eduardo won at distances from 1300 to 2400 meters. The highlight of his career was his win in the 2002 G1 AJC Derby. He will stand for a fee of NZ\$10,000 plus GST.
