**'STANLEY' HITS ONE OUT OF THE PARK**

Stanley Park (Swain {Ire}) had gone winless in three starts since posting a victory in the 2003 GIII Bay Meadows Derby, including a third-place finish versus allowance company over this course last out Mar. 9, but managed to get the job done in yesterday's GII San Luis Rey H. at Santa Anita. Allowed to settle towards the back as **Star Over the Bay** (Cozzene) set early fractions of :24.32, :47.08 and 1:10.84, Stanley Park rallied three wide into the stretch under Gary Stevens. Favored **Meteor Storm** (GB) (Bigstone {Ire}) took over briefly in deep stretch, but couldn't hold off the late charge of the John Shirreffs trainee. "This is only his third race back," Shirreffs commented. "We'll look at the [GII] San Juan [Apr. 16] if all goes well. He's been a horse that's had a little bit of bad racing luck. He hasn't really gotten his trip. Today he got his trip."

**ROCKY ROAD FOR 'HARBOR' CONTINUES**

Trainer John Servis was forced to back off on **Rockport Harbor** (Unbridled's Song) Friday after his right hind foot flared up again, according to *Daily Racing Form*. "I feel like we've got it nipped in the bud," Servis told the publication, after having

**Rockport Harbor**

blacksmith Ian McKinlay work on the hoof. "He had an opening in the hoof from the old injury. It wasn't a quarter crack. What happened was when he would step down, the hoof would shift." The Fox Hill Farm colorbearer emerged from his

gutsy victory in the GII Remsen S. last November with a severe gash to his right hind foot and has had several setbacks since. According to Servis, Rockport Harbor jogged Saturday and is scheduled to resume training today. He remains on target for the GII Arkansas Derby at Oaklawn Park Apr. 16. The big gray was last seen finishing a solid second in the Mar. 19 GIII Rebel S. [\(video\)](#) in his sophomore debut.

**WILKO HEADED TO SANTA ANITA DERBY**

Breeders' Cup Juvenile hero **Wilko** (Awesome Again) is still on target for the Apr. 9 GII Santa Anita Derby after having a quarter crack patched Saturday. "Everything went well," trainer Craig Dollase said. "So far, so good. We're pointing for the ninth. That's our plan. We're still waiting on a rider." Since posting his upset victory in the Juvenile, Wilko has run third in the GI Hollywood Futurity Dec. 18 and fourth in the GII San Felipe S. last out Mar. 19.

Settled in midpack early, the six-year-old gradually closed on leading Precious Cafe on the final turn, mowed down that foe in deep stretch and drew clear late to win with ease.

## INGLIS EASTER SALE BEGINS

The stage is set for another bumper Inglis Australian Easter Yearling Sale, which begins its three-day run at Newmarket Stables in Randwick, New South Wales, Australia. With 598 horses catalogued for the premier sale, a significant contingent of international purchasers, alongside leading trainers from Australia, New Zealand and Hong Kong, have flocked to Newmarket to inspect yearlings. With an additional 100 head catalogued over 2004, notwithstanding some 40 withdrawals to date, Inglis managing director Reg Inglis remains confident that a strong group of young stallions will fill the void left by Danehill, who will be represented by his final Southern Hemisphere yearling crop this year. "This year will see a real changing of the guard in the stallion ranks, with horses like Encosta de Lago (Aus) (39), Redoute's Choice (Aus) (39) and Fusaichi Pegasus (43) poised to pick up where Danehill left off," said Inglis. Also expected to make a splash with their first crop of yearlings are freshman sires Fantastic Light (32), Galileo (Ire) (45) and Viscount (Aus) (24), while Giant's Causeway (39), will be represented by his first draft of yearlings to sell down under.

### Life After Danehill.

Last year's Easter sale recorded a phenomenal 41-percent increase in average, up from A\$145,430 in 2003 to A\$204,736, but vendors are slightly apprehensive that the trend will not continue in 2005. With Danehill singing his swan song with his final four yearlings set to be sold here, the hope remains, however, that his sons, including Redoute's Choice, will help stabilize the market and keep the recent tide of fortune from abating. Danehill has dominated this catalogue for the past decade, accounting for 21 percent, A\$75,752,500, of gross receipts in 2004, while his progeny represented just seven percent of 370 sold.

This year, all the pre-sale hype appears to be surrounding Danehill's sire son Redoute's Choice. The nine-year-old stallion semaphored his impending dominance with 10 stakes winners from his second crop of two-year-olds, including Stratum (Aus), winner of the G1 Golden Slipper. Buyers inspecting his 39 youngsters will be acutely aware that the stallion's service fee is expected to increase from A\$44,000 to at least A\$150,000 when Arrowfield releases fee details for its 2005 roster Friday.

### Like Father Like Son..

[Lot 451](#) is expected to be among the sale-toppers. The dashing bay colt is out of Dora Maar (Aus) (Royal Academy), herself a half sister to international Group 1

Lot 451 [www.inglis.com.au](http://www.inglis.com.au)

winners Fairy King Prawn (Aus) (Danehill) and Easy Rocking (Aus). "The Dora Maar colt is very much like Redoute's Choice, with a head just like his sire," said Willow Park's Glenn Burrows. "Being by a son of Danehill, from a half sister to the great Hong Kong champion Fairy King Prawn, you would have to

think there will be a lot of interest in this horse from Asian buyers." Another colt attracting plenty of admirers is [Lot 149](#), a Redoute's Choice colt out of Saucy Nell (Aus) (Marauding {NZ}), herself a half sister to champion juvenile Encounter (Aus). The bay will be offered as part of John Kelly's Newhaven Park draft. "He is an outstanding colt, magnificent head on him and the most amazing temperament," said Kelly, adding that the Redoute's Choice yearlings were very easy-going in general. "I've never seen a breed like it, they're all the same, just like big Labradors," said Kelly. At Arrowfield, [Lot 259](#), another well-bred Redoute's Choice, has been paraded frequently. The colt, out of the Riverman mare Tugela, is a half brother to champion stayer Makybe Diva (GB), a two-time winner of the G1 Melbourne Cup.

Trainer Eddie Plesa sent the colt out to a stamina-building one-mile work in 1:45.40, the best of a trio of moves at the distance. "He came out of the work 110 percent," said Plesa. "I got exactly

**O'Neill Sets New Training Mark With 48th Victory:**

Doug O'Neill set an all-time single meet training record for Santa Anita Park when Keystone Malibu won Sunday's first race. "We finally got it done," said O'Neill, who watched the race from a Las Vegas race book. "Something like this is really unbelievable. It's something I've always dreamed of doing. I hope to God it lasts, because I'm having the time of my life." The win surpassed the record of 47 shared by Gary Jones (1974-75) and Bob Baffert (1997-98).

**Kela Hopes to Regroup in Potrero Grande:**

GI Breeders' Cup Sprint runner-up **Kela** (Numerous) hasn't gotten his picture taken since capturing the GII Pat O'Brien Breeders' Cup H. last August, but trainer Mike Mitchell hopes a return to his base in California will get the seven-year-old veteran back to his winning ways. Kela, who worked six furlongs at Hollywood yesterday in 1:13.80, is slated to make his next start in Sunday's GII Potrero Grande Breeders' Cup H. at Santa Anita. The horse followed his solid Breeders' Cup effort with a fourth in the GIII Vernon O. Underwood H. at Hollywood Dec. 5, and was a non-threatening third in the Feb. 5 GIII Deputy Minister H. at Gulfstream, some 7 1/4 lengths behind winner Medalist. Mitchell believes that Gulfstream wasn't conducive to Kela's late-running style. "I don't think he really cared for that track," he said. "As a rule, you really don't want to bring a horse to run at Gulfstream that has no speed. It seems you need speed there. But he's doing real good since I brought him back to California and, if he runs well in the Potrero Grande, we'll look at the [GI] Triple Bend H. [July 3] at Hollywood and Del Mar beyond that."

**Mulhall Takes a Shot with Wannawinemall:**

Last year, Kristin Mulhall enjoyed a solid Triple Crown run with Imperialism, who won a pair of graded stakes preps in the spring, ran second (via disqualification) in the GI Santa Anita Derby and finished third in the GI Kentucky Derby. The 22-year-old trainer has been quiet so far in 2005, but hopes to change all that when she saddles **Wannawinemall** (Royal Anthem) in this year's renewal of the Santa Anita Derby Apr. 9. The colt, who inherited plenty of size from his towering sire, second crop stallion Royal Anthem, has come into his own of late, according to Mulhall, especially mentally. "I've had him since he was a baby and he was always the biggest horse I had," said Mulhall. "I took my time with him because he was so immature." Wannawinemall needed three tries to clear the maiden hurdle, winning by four lengths at Santa Anita Feb. 17, but came back to run a big second to Uncle Denny in the GIII Camino Real Derby at Bay Meadows Mar. 12. Still, Mulhall thinks we didn't see his best that day. "He bled really bad in that race," she explained. "But he's training good right now." Wannawinemall worked six panels in 1:12.80 over a fast Santa Anita track yesterday.

**Chris McCarron Day at Santa Anita April 9:**

Santa Anita Park will present "Chris McCarron Day" Saturday, Apr. 9 and will honor the retired jockey in the winner's circle following the day's sixth race. "Santa Anita has one of the greatest histories of any racetrack in the world and Chris McCarron is a large part of that history," said George Haines, Santa Anita general manager. "His records as a jockey are remarkable and his dedication to his sport and fellow riders exemplary. We're proud to have Chris join this very select circle of greats." McCarron, who ranks sixth all-time with 7,141 wins, retired in June 2002. A statue of the riding great will be added to the paddock gardens during the 2005-06 winter/spring meeting.

Second by a head at this level over course and distance Jan. 17, Mighty Beau shipped across the country and missed the victory by a nose when runner-up in the \$100,000 Taylor's Special H. at Fair Grounds Feb. 12. The bay, trying to get back to the winner's circle for the first time since last May, blazed down the hillside course through fractions of :21.57, :43.27 and 1:06.09 and held sway late as Geronimo (Chi) came from behind to finish second.

3rd-SAX, \$44,000, Msw, 3yo/up, 6f, 1:08 3/5, ft. **ROJO BLANCO (g, 4, Swiss Yodeler--La Fresa {SP}, by Cozzene)** flaunted his speed in his latest over course and distance Feb. 10, zipping through fractions of :21 flat and :44 flat, but couldn't sustain his momentum late and finished second by 1 1/4 lengths. Sufficiently tightened off that one, the 9-5 second choice again had plenty of gas, getting to the half in :44 1/5, and rolled on home clear by six lengths. The 3-2 chalk Plunkit (Lemon Drop Kid) was second best. **For the video replay, click [here](#).** Lifetime Record: 3-1-1-0, \$37,840. O/B-Granja Vista Del Rio Stable (KY). T-John W Sadler.

Following a non-competitive fifth-place effort over a muddy surface in his debut on New Year's Day, Claymont captured his first grass effort by 1 3/4 lengths Jan. 24. Stretching out and moving straight into stakes company, the dark bay cut out the running through a half in :48.16. Asked to go on turning the corner, he quickly opened by daylight and dug in gamely in deep stretch to account for the closing longshot Western Act.
