GROUP 2 WINNER TOPS INGLIS FINALE

The newly expanded "fillies and mares in training" section of Inglis' three-day Broodmare Sale sparked plenty of interest from Grant Pritchard-Gordon's Badgers Bloodstock, which purchased three of the top six during Tuesday's final session. Representing John Messara yesterday, Pritchard-Gordon, who famously negotiated the sale of Danehill to Messara almost 20 years ago, bought eight lots overall for A\$3,092,500. The most expensive was session topper **Sylvaner (NZ)** (Danasinga {Aus}), a three-time Group 2 winner that brought a final bid of A\$625,000. The eight-year-old mare, a half sister to Group 1 winner Centisle (Aus) offered by B. J. James, is in foal to Zabeel (NZ) in her first season off the track. Pritchard-Gordon also bought Group 1-placed mares **Ain't Seen Nothin' (Aus)** (Nothin' Leica Dane {Aus}) for A\$460,000 and **Classy Dane (Aus)** (Danewin {Aus}) for A\$320,000. Torryburn Stud was among a strong local bench competing against buyers from Hong Kong, Japan, New Zealand and Europe, securing the maiden mare **Sharp Aunty (Aus)** (Flying Spur {Aus}) for A\$600,000. Consigned by Yarraman Park, agent, the four-year-old is multiple stakes placed. Her dam, True Blonde (Aus), is a half sister to champion two-year-old and top sire Snippets (Aus) and to Singles Bar (Aus), the dam of stakes winner Not A Single Doubt (Aus).

Oaks Unlikely for Sweet Catomine?

Owner Marty Wygod said yesterday that if champion **Sweet Catomine** (Storm Cat) makes the trip to Churchill Downs, it most likely will be for the May 7 GI Kentucky Derby. If connections don't feel she is up to that challenge, it is unlikely she will ship cross-country for the GI Kentucky Oaks a day earlier. What will earn the filly a run at the roses? "She just has to run her race [in Saturday's GI Santa Anita Derby]," Wygod remarked during a press conference yesterday. "If the circumstances are such that she gets beat and there is a legitimate excuse and she comes out of the race well, we would have an open mind to running in the Derby. I think the probability is that we'll either run in the Derby or we won't go [to Kentucky] at all. If she's not 100 percent right, I doubt that we'd go back there for the Oaks." The presence of the GI Breeders' Cup Juvenile Fillies champ in the Santa Anita Derby has hardly dissuaded rivals from lining up. A full field of 13 is likely for the nine-furlong race, including **Wilko** (Awesome Again), who won the GI Breeders' Cup Juvenile. It will be the first time the winners of the two Breeders' Cup races for two-year-olds have met on the Derby trail. Asked about the prospective size of the field, Wygod, who owns Sweet Catomine with his wife Pam, said, "I am a little surprised there are as many as there are. It shows that there's not much respect for Sweet Catomine." One reason that many trainers are willing to take a shot against Sweet Catomine, and Wilko for that matter, may be their Beyer Speed Figures. Neither has notched triple-digit Beyers. But trainer Julio Canani was dismissive of times and figures, citing the old racetrack adage, "Time only counts when you're in jail."

Shug Hopes Survival Is Fittest...

Though widely regarded as part of trainer Shug McGaughey's second string last fall, **Survivalist** (Danzig) put himself on the Kentucky Derby trail with a rallying victory in the Mar. 19 Gill Gotham S. The Phipps homebred aims to silence detractors in Saturday's GI Wood Memorial S. at Aqueduct, where he'll face a more accomplished bunch than he did in the Gotham. Among those waiting to make a judgement on Survivalist's ability is his own trainer. "I'd like to see him step up to the plate," admitted McGaughey. "We know he's a useful horse, but we don't know if he's a top horse. That's something he'll have to tell me." Despite breaking his maiden by 8 1/2 lengths at Belmont last October, Survivalist remained in the shadow of stablemate Defer, winner of the Gill Laurel Futurity. But while Defer struggled, Survivalist gained respect this winter at Gulfstream, running third in a seven-panel NW1X Feb. 5, then completing the exacta in solid fashion under Sun King in a one-mile allowance Feb. 26. Much of talk following Survivalist's Gotham win focused on the troubles of other horses in the race, but McGaughey feels his charge had a less than ideal trip. He is also optimistic about the Wood's added furlong. "Survivalist was carried wide on the turn, and was finishing faster than all of them, from what I saw," said McGaughey of the Gotham. "I'm hoping that we're gradually improving. I don't know if he'll get a mile and an eighth, but maybe he'll be better [at that distance] than he was over the winter at Gulfstream going seven furlongs and a mile."

"Match Race" Is on for Arkansas Derby...

Cash is King Stable's managing partner Chuck Zacney has accepted a \$50,000 challenge from Daniel Borislow for a horse-against-horse match between **Afleet Alex** (Northern Afleet) and **Wild Desert** (Wild Rush) in the Gill Arkansas Derby Apr. 16, according to *The Blood-Horse*. Both Borislow and Zacney indicated that the winner would donate the prize to charity. "We always welcome a challenge," Zacney told *The Blood-Horse*.

Inglis Report cont.

A total of 211 horses sold for A\$10,785,750 at the final session, bringing the closing figures to A\$49,344,550 with an average A\$79,975. "Following on from the success of the record-breaking Australian Easter Yearling Sale, it is great to see a flow on effect at the broodmare sale," said Inglis Managing Director Reg Inglis. "No one could have predicted the strength in the market during the past week at both sales."

The weekend was a good one for two sires that started their careers in Kentucky, but are now in California. On Saturday, High Fly, whose sire Atticus began his career at Three Chimneys Farm, but is now standing for \$4,000 at Magali Farm in Santa Ynez, California, won the GI Florida Derby. On Sunday, Harvard Avenue, whose sire You and I began his career at Airdrie Stud, but is now standing for \$6,500 at Blooming Hills in Clements, California, took the Potrero Grande.

Harvard Avenue had been a useful two-year-old, winning two of six starts, including the Washington Breeders Association Lads S. (a "white-type" stakes) and finishing second in the Gottstein Futurity and fourth in the Goldrush S. Though he failed to win in six outings at three, he frequently performed with credit in good company--including when fourth, beaten six lengths by Smarty Jones, in the GII Arkansas Derby--and ended the year with a third, just a half-length behind the victorious Rock Hard Ten, in the GI Malibu S. This effort, combined with a disappointing run when stretched out for the GII San Fernando Breeders' Cup H., confirmed that Harvard Avenue was best as a closing sprinter. He underlined that fact again on his only other outing prior to the Potrero Grande, going down by only a half-length to another of the Potrero Grande field--Hasty Kris--in the GII San Carlos H. over seven furlongs.

You and I is a son of Kris S. This very successful son of Roberto is a horse who has normally been an influence for stamina, but in the case of You and I, this has clearly been tempered by the aptitude of his dam La Chaposa. Bred in Peru, La Chaposa was the champion sprinter in that country and she is also dam of Chaposa Springs, heroine of the seven-furlong GI Test S. You and I himself had high-class sprinting performances to his name at two, three and four. At two, he won both his starts, taking the GII Cowdin S. by five lengths on his second outing. At three, he took the seven-furlong GIII Riva Ridge S. in a track-record breaking 1:20 1/5. The following year, he took the GI Met Mile and was beaten only a nose in the GI Vosburgh S. At that age, You and I also showed another dimension to his talents, with a win in the GII Brooklyn H. over nine furlongs.

As a sire, You and I has been very inconsistent, his performance oscillating between extremely disappointing and quite useful. His first crop of 50 foals failed to produce a single stakes winner, but he came up with eight stakes winners, including five juvenile stakes winners, in his second crop.

Pedigree Perspectives cont.

His third crop produced four more stakes winners, headed by the outstanding filly You, winner of the GI Frizette S., GI Santa Anita Oaks, GI Acorn S., GI Test S. and GI Las Virgenes S. There are no stakes winners in his fourth crop, and Harvard Avenue is the first stakes winner from his fifth.

You and I's best two runners--You and Harvard Avenue--are both out of Raise a Native-line mares. You is out of a mare by a son of Mr. Prospector, and Harvard Avenue is out of Carrie Can, by the Alydar horse Saratoga Six. Carrie Can was one of her sire's better runners, winning 10 races, including three minor stakes at Bay Meadows, and over \$300,000. She's also the dam of stakes-placed Storm Boot colt Cody to Reggie.

Carrie Can is the most accomplished of the seven foals produced by her dam, the stakes-placed Gentle King mare Gentle Kelly. However, she was beaten to the punch as a graded-stakes producer by her Risen Star half-sister, Gentlelilstar, the dam of the GII Alcibiades, GII Golden Rod and GIII Debutante S. vic-tress Be Gentle (by Tale of the Cat).

While Harvard Avenue and Be Gentle are very tal-ented short-distance performers, the immediate family has produced an even better speedster. Gentle Kelly is a half to Big Dreams, a multiple stakes winner who is the dam of two-time champion sprinter Housebuster. This branch of the family has been a particularly hot one in the last few years as Big Dreams is also the dam of the graded-stakes winning and Grade I-placed Quero Quero and of the 2004 stakes winner Cat Buster. She is also the granddam of French group winner Deep Sleep and black-type winner Live Your Dreams.

We mentioned that You and I's two graded stakes winners are both out of mares descending from Raise a Native, one through Mr. Prospector and one through Alydar, and this is probably not a coincidence. Although somewhat different in physical type and aptitude, Mr. Prospector and Alydar owned rather similar pedigrees. Both are by Raise a Native out of mares by sons of Nasrullah, and the third dams of both are Bull Dog/Blue Larkspur crosses.

This becomes relevant when one looks at the pedi-gree of Bramalea, the dam of You and I's grandsire Roberto: she is also by a son of Nasrullah, and her dam is a Bull Dog/Blue Larkspur cross (and is a three-parts relative to the third dam of Alydar). The Roberto/Mr. Prospector cross has produced more than 40 unre-stricted stakes winners. No less than 12 of these are by You and I's sire Kris S., among them the Group/Grade I-winning Dr Fong, Hollywood Wildcat, Kicken Kris and Rock Hard Ten. The Roberto/Alydar cross has produced 10 unrestricted stakes winners, three of them by Kris S. and his sons.

CHURCHILL ENDS BAN ON FLORIDA SHIPPERS

Churchill Downs has ended its ban on the shipment of horses from the three Florida facilities that have reported possible cases of strangles. Horses that have been stabled outside the quarantine barns at Palm Meadows, Gulfstream and Tampa Bay Downs are now permitted on the grounds at Churchill and Trackside Louisville training center, but must have 24-hour health certificates signed by a veterinarian before they are permitted on the backstretch. Horses that were stabled in quarantine barns must have two consecutive negative tests for strangles, an official release from the Florida Department of Agriculture and a 24-hour health certificate before they will be allowed to ship to Churchill. "Churchill Downs has worked closely with the Kentucky Department of Agriculture to assess the status of the containment measures in Florida, and we believe that there has been sufficient progress to allow us to resume our acceptance of horses that have shipped from the three facilities," said Churchill President Steve Sexton. "We will continue our precautionary measures to guard against any possible introduction of the bacterial ailment at both Churchill and Trackside, and we urge our horsemen to remain vigilant." During a roundtable held yesterday by the Florida Thoroughbred Breeders' and Owners' Association, Dr. Michael Short, the veterinarian manager of the equine programs division of Animal Industry at the University of Florida, reported that the outbreak of strangles was under control. "In the scope of things, this has impacted very few horses," Short said. "By implementing a plan of containment, you keep spread to a minimum. The issue is being handled."

Keeneland to Offer Ten-Cent Superfecta:

The 2005 spring meet at Keeneland, which starts Apr. 8, will offer superfecta wagering for as little as 10 cents. Superfectas will be available on all races, except stakes, with at least eight betting interests. The bet may be offered on stakes with fewer betting interests. The previous minimum was \$1. "A dime superfecta allows bettors to play many more combinations at a fraction of the cost," said Keeneland President Nick Nicholson. "We expect this wager to appeal to a wide range of fans, especially novice bettors. This is especially important at Keeneland, where on any given race day, approximately 12 percent of our fans are first-time visitors."

Truly a Judge Gets a Break:

Truly a Judge (Judge T C), winner of the GIII San Gabriel H. and second in the GII San Antonio H. this year, is currently getting a break from racing. The seven-year-old, who finished 10th in the Mar. 5 GI Santa Anita H. last time out, has been battling a quarter crack. "We want the quarter crack to grow out completely," trainer David Bernstein said. "It's been there for five or six months. It can't heal when he's racing on it. BREEZE-UP RECORDS BROKEN The European Breeze-Up season kicked off in the guise of the DBS 2005 Breeze-Up Sale at Doncaster yesterday and the sale's record price fell inside the first half of the opening session. Malcolm Bastard's [Hip 50](#), a pinhooked Sadler's Wells colt who worked impressively on the racecourse during the morning, was knocked down to agent Steven Harrison for 150,000 guineas, besting the previous record by 10,000 guineas. The juvenile has a family tradition to uphold being a son of the winning mare Aspen Leaves (Woodman), who is a daughter of the great Fall Aspen. He was the only lot to break the six-figure barrier during the day and returned a 118,000 guineas profit on the original 32,000 guineas paid at last year's Tattersalls October Sale Part One. Trade was solid throughout as evidenced when Oak Tree Farm's [Hip 41](#) secured the second-highest price of the day, going the way of Taki Murayama for 84,000 guineas. The Japanese agent signed for a total of four lots grossing 198,000 guineas in the name of Murayama Bloodstock. Hip 41 is an Imperial Ballet (Ire) two-year-old colt out of Lucky Coin (GB) (Hadeer {GB}) and is a half brother to the Italian Listed winner and Group 1-placed Supper Bobbina (Ire) (Daggers Drawn). Only 13 of the 113 lots offered failed to find new owners in the ring and the gross advanced nearly a third to 2,434,650 guineas. The average of 24,346 guineas surged almost 34 percent ahead of last year's comparative and the median of 19,000 guineas mirrored that increase and then some, shooting up by nearly 36 percent. Today's 107 final-session lots will breeze on the racetrack at 10 a.m. and selling continues at 2:30 p.m. Full catalogue and results can be viewed online at www.dbsauctions.com.

DIVINE PROPORTIONS SET FOR RETURN G1
 Prix Marcel Boussac winner **Divine Proportions** (Kingmambo) is set to make her seasonal return in the G3 Prix de la Grotte at Longchamp Apr. 24. That trial comes just one week ahead of her early season target, the G1 1000 Guineas at Newmarket May 1, for which she remains ante-post favorite. "She is looking beautiful and is working well," trainer Pascal Bary told *PA Sport*. "She has got an entry in the 1000 Guineas, but it's too early to confirm plans. She's definitely set for Longchamp. [Yesterday's] Listed Prix Imprudence came just a little too soon for her."

This was Salut Thomas's 12th consecutive stakes race in a sequence which began with victory in the Listed Prix la Fleche at Longchamp last June. His best effort in the interim was a second-place finish in October's G2 Criterium de Maisons-Laffitte and he was reappearing after a last-out sixth in the Listed Prix Omnium II eight days previously. The eventual winner settled in fourth as Spirit Guide (Fr) (Anabaa) set the fractions and gained forward momentum under pressure inside the final quarter mile. Ridden along to challenge between Mathematician and Starpix at the eighth pole, he was driven out to deny those tenacious rivals in a thrilling three-way battle. "[Salut Thomas] is a very consistent horse who has had quite a few runs but never disappoints," commented trainer Robert Collet, who added, "We will try to have even more fun with him so we will go for the G1 Poule d'Essai des Poulains [French 2000 Guineas] at Longchamp [May 15]."

By far the least exposed beforehand, Valima lined up for this Guineas trial off an easy victory in a fillies-only newcomers event, going an extra 100 meters at this track, last October. She won that contest in the Lagardere Family's colors and sported the Aga Khan's green and red silks this time as her new owner celebrated a winner with his first runner from the Andre Fabre stable. Positioned in a stalking third as market leader Centifolia (Fr) (Kendor {Fr}) led from the bell, the 29-10 second favorite was pushed along as that rival weakened inside the final quarter mile. The unbeaten grey made her bid at the eighth peg and was ridden out in the closing stages to safely hold the running-on Toupie for a first stakes win. "This is a filly I like quite a lot, she definitely has class," said Fabre. "She won well on her only start at two and confirmed that promise here. She's not in the [G1] English [1000] Guineas, so she will go for the French equivalent [Longchamp May 15]."

Leading from flagfall, the G1 Oaks entry was in command throughout and only needed to be pushed out in the closing stages to account for Ticki Tori (Ire) (Vettori {Ire}) by 1 1/2 lengths. The winner was a €340,000 GOFORB yearling purchase. Lifetime Record: 3-1-1-0, £5,475.

She left the gates for this G2 Premio Regina Elena (Italian 1000 Guineas) trial as an 11-2 chance and, after settling off a slow early pace, showed the quickest turn of foot inside the final furlong by swooping wide and late to deny Liset (Ire) (Almutawakel {GB}) by a short head. Seizing the initiative in early stretch here, the homebred ran on strongly inside the final quarter mile to defeat Weewoodward (Woodman) by 1 3/4 lengths with plenty in hand. He may now point to the Listed Premio Botticelli at Rome Apr. 24 en route to the G1 Derby Italiano back at that track May 22. Lifetime Record: 2 starts, 1 win, 1 place, €10,540.
