PRIDE OF THE YANKEES

Carrying the colors of Yankees owner George Steinbrenner, **Bellamy Road** (Concerto) ran off and hid from the field in the GI Wood Memorial S. at Aqueduct in a track-record equalling performance. "Boy, he was unbelievable today," said winning trainer Nick Zito, who earned his third Wood Memorial trophy here. "I hope he stays this way for four weeks, and he'll have a good shot, too." Bellamy Road will head to Louisville with Kinsman Stable's best chance for the roses. Of five previous starters in the Kentucky Derby, Steve's Friend came closest with his fifth-place finish in 1977. **Wood Memorial cont. p2**

BUZZ KILL

The GI Santa Anita Derby showcased champion **Sweet Catomine** (Storm Cat) taking on colts such as Breeders' Cup hero **Wilko** (Awesome Again), but when the dust settled, it was Fog City Stable's longshot **Buzzards Bay** (Marco Bay) emerging with the victory. "It was a rush, man, because I knew they were coming at me from both sides, and he's a fighter," winning rider Mark Guidry said. "He dug in, and every time I'd ask him, he was answering." Wilko wound up third, while Sweet Catomine failed to fire and ran fifth. **Cont. p2**

SIS IN THE CITY

Sis City (Slew City Slew) steamrolled a high-quality field in the GI Ashland S. at Keeneland, crossing the line 10 1/2 lengths clear of the others. Grade I winner **Sharp Lisa** (Dixieland Band) had been scratched on the morning of the race (see p10), but Sis City's performance impressed winning rider Edgar Prado. "She's very nice--an excellent filly," he said. **Cont. p3**

OUT OF THIS WORLD

Lightly raced **Greeley's Galaxy** (Mr. Greeley) shipped in from Santa Anita and rewarded those who sent him off the 9-5 chalk, winning yesterday's GI Illinois Derby in spectacular fashion. Owned by B. Wayne Hughes, the chestnut waltzed home 9 1/2 lengths clear of **Monarch Lane** (Maria's Mon), prompting the immediate question--will Hughes ante up the \$200,000 fee needed to supplement him to the GI Kentucky Derby? "The problem is that nominated horses have preference over supplemented horses," said winning trainer Glen Stute. "But we will make the supplementation now." **Cont. p5**

ROAD TRIP By Concerto--who won the GII Jim Beam S. for Kinsman in 1997--**Bellamy Road** raced at two under the tutelage of Michael Dickinson. He aired by 7 1/2 lengths first time out in a Delaware maiden Aug. 3, then travelled to River Downs to annex the GIII MGD Cradle S. Sept. 6. But he faltered as the favorite in the GI Lane's End Breeders' Futurity, finishing 12 lengths behind the victorious Consolidator, and was put away for the winter. The Florida-bred was transferred to Nick Zito prior to his three-year-old bow, in which he demolished allowance foes by 15 lengths going a mile at Gulfstream Mar. 12.

Riding the Rail...

Breaking alertly from the two hole, Bellamy Road bounced out to the lead and cruised along through sprightly fractions of :46.08 and 1:09.84. His main challengers were nowhere to be found when he turned the corner for home, and the Kinsman colorbearer poured it on with a mile split of 1:34.41. He wound up 17 1/2 lengths in front at the wire while equalling the track record set by Riva Ridge in 1973. "I told Javier [jockey Castellano] that the plan was to let him get to the first turn," Zito said. "We'll take our chances...and let the horse run his race, because he's a big, long horse and he wants to run free." Bellamy Road adds to the array of talent in Zito's three-year-old arsenal. The native New Yorker will saddle Sun King and Andromeda's Hero next Saturday in the GI Toyota Blue Grass S. and the GII Arkansas Derby, respectively. "I'm just happy to be in the game with this many horses at this time," he said. "We'll see what happens next weekend." Bellamy Road has Javier Castellano convinced of his prospects. "He wants to go longer, no question about it. The more distance, the better. I'll keep my fingers crossed and pray that everything works out good."

In bowling, it's a turkey...in hockey, the hat-trick. To win three Santa Anita Derbies in a row? Ask trainer Jeff Mullins, who yesterday added to his victories in this event in 2003 with Buddy Gil and last year's upsetter Castledale (Ire). "I'll tell you what. I've never had a horse come into this race this good," the much-maligned trainer commented. "He was better than the last two." Buzzards Bay won his maiden in his third career start at Calder before being acquired by current connections, but was only fourth in his West Coast debut at Hollywood Dec. 3. The blaze-faced chestnut was equipped with blinkers for the Jan. 15 Golden Gate Derby and he responded well to the equipment change, cutting out all the fractions before holding on to win by a nose. A distant 10th in the GIII Risen Star S. in New Orleans, the Fog City runner shed the blinkers for his latest, a third in the GIII El Camino Real Derby Mar. 12. Sent up to press the pace from third, Buzzards Bay fought his way to a narrow lead at the end of the backstretch, battled between horses into the stretch and held gamely for the win. The major disappointment of the race was Sweet Catomine (Storm Cat), fifth as the even-money favorite. Owner Marty Wygod, who indicated the filly bled following her last work and had a minor foot problem last week, ruled out starts in both the Kentucky Derby and Oaks. "I can't say what's next for her. Yes, she will run again," he added. **More on Sweet Catomine, p10. Click for the brisnet.com chart or the [free brisnet.com](http://free.brisnet.com) catalogue-style pedigree.**

her maiden by a nose at Saratoga last summer, the bay tried Grade I company a couple of times last year, running third in the Frziette S. and fourth in the Breeders' Cup Juvenile Fillies. She ended her two-year-old campaign with a win in the Nov. 27 GII Demoiselle S. and

opened the new year with a 16-length win in the Feb. 5 GII Davona Dale S. Favored to join the ranks of Grade I winners off that effort, the bay let Amazing Buy (High Yield) lead through a half in :47.46, but was in control after six furlongs and ran away from the field down the lane as she turned in yet another dominant performance. "Plan A was to go to the lead," jockey Edgar Prado explained. "Plan B was to sit just off the lead. Even though my filly was pulling, she settled down and rated nicely. She finished full of run even though this track has been a bit tiring." The next likely spot for Sis City is the May 6 GI Kentucky Oaks. "All we have to do is keep her happy and healthy," trainer Rick Dutrow Jr. said.

ginning with the letter A--Azeri had won the last three renewals--but the 1-2 favorite failed to come up with the goods as Dream of Summer made every pole a winning one for her first Grade I victory. The California-bred had reeled off a five-race winning streak last year, highlighted by scores in the GII A Gleam H. and the GIII Rancho

Bernardo H. A close third in the Sunshine Millions Distaff Jan. 29, she came within a nose of Tarlow in a heartbreaking second in the GI Santa Margarita H. last out at Santa Anita Mar. 12. Dream of Summer was sent off as the second choice to Ashado in her first start outside of her home state. She went straight to the front under Pat Valenzuela as Star Parade fought for her head right behind on the inside. Ashado looked to be sitting in the catbird seat in second, but didn't kick on once on the real running began in the stretch. Dream of Summer kept digging in as Star Parade came after her, and found the wire a neck in front of the Argentine mare. As for Ashado, trainer Todd Pletcher said, "She had been away for a while [since Oct. 30], but I thought she was tighter than it turned out she was." Last year, trainer Todd Pletcher brought an impressive Gulfstream allowance winner to the Carter in search of the horse's first Grade I victory. That one, Strong Hope, could do no better than second to Pico Central (Brz) as the 4-5 pick, but Pletcher got his Carter win here with the talented Forest Danger. The four-year-old rattled off three straight to begin his career in 2004, culminating with a 7 1/2-length triumph in the Apr. 10 GIII Bay Shore S. on the Wood undercard. The colt managed only one more start as a sophomore, finishing second to Medallist in the one-mile GIII Withers S., before going to the sidelines with a hairline fracture to a rear leg.

Hope for the Future...

In a performance reminiscent of Strong Hope's four-year-old comeback, Forest Danger set a Gulfstream track record when he blazed through a 6 1/2-furlong allowance in 1:14 2/5 on Valentine's Day, earning a 118 Beyer. Bettors took notice of that effort and sent Forest Danger off as the 4-5 favorite despite the presence of graded winners Primary Suspect (Hennessy), Mass Media (Touch Gold), Medallist, and Don Six. The speedy bay settled into an easy rhythm under Rafael Bejarano and raced some five lengths off Don Six

Forest Danger (red cap) tops Medallist Adam Coglianes

as that one ripped through a half in :43.30, but drafted behind the rallying Medallist into the lane. Put to the whip in mid-stretch, Forest Danger forged to the lead shortly thereafter and was lengthening away late. "We told Rafael [jockey Bejarano] to go along and see how things developed in there," said Seth Benzel, assistant to winning trainer Todd Pletcher. "He was probably a little bit farther back than we thought he would be, but Rafael did a great job of judging the pace. He got him in contention when he needed to." Forest Danger's immediate plans aren't yet confirmed. "I'm not really sure what Todd is going to do with him," Benzel continued. "I don't know if he'll try to stretch him out to a mile, or just keep sprinting."

Greeley's Galaxy showed little in his debut as a 6-1 shot, getting into repeated trouble and coming home a well-beaten sixth at Santa Anita Jan. 15. Sent off at even-money facing just three rivals in his next, he graduated by 3 1/2 lengths in the slop Feb. 19. Asked to tackle two turns in a entry-level allowance Mar. 10, he won the stretch out with aplomb by four widening lengths and was the betting choice wading into stakes waters. Never far back as Daddy Joe (Unbridled's Song) cut out the running, he eased out to take control going into the far turn, entered the lane five lengths on top and kept the pedal to the metal down the lane. "I think we will head in the direction of the Kentucky Derby," confirmed winning trainer Glen Stute. "He sure looks like the type of horse. I think we have a runner. We have always had a lot of faith in this horse...I love the way he works, how he runs with his head down. He's just a real hard-knocker." Grand Reward, son of super filly Serena's Song, began his career in Europe, where he was good enough to place in a quartet of graded events before being shipped stateside last fall. The move to America's dirt tracks looked like poor one for the colt, who finished up the track in both the GI Malibu S. Dec. 26 and a Santa Anita allowance Jan. 23. But he started to come around in his next, taking an off-the-turf NW2X by four Feb. 12, and proved he could compete with top horses with a very good fourth in the GI Santa Anita H. Mar. 5. Smartly handled here under John McKee, Grand Reward lulled the field to sleep through fractions of :24.20, :49.20, and 1:13.10 and dug in gamely to hold the charge of Second of June.

Singletery looked a solid miler early last year, winning the Feb. 11 Thunder Road H. at Santa Anita and the Apr. 24 GII San Francisco Breeders' Cup H. at Bay Meadows, and stamped himself one to watch when second in the May 31 GI Shoemaker Breeders' Cup Mile. The bay went to the shelf after that performance, but made good on his promise when he returned in the fall, running third by a head to Musical Chimes in the Oct. 9 GII Oak Tree Breeders' Cup Mile. There were still plenty of skeptics in the crowd when he went to the gate for the Oct. 30 GI Breeders' Cup Mile, but Singletery silenced his doubters as he fought his way to a half-length triumph at 16-1. Freshened after his WTC score, the Kentucky-bred came up short in his first start of 2005, tiring to be seventh in the Mar. 5 GI Frank Kilroe H., but he was firing on all cylinders in his second start of the year. Never far from the front, he drove to the lead after six furlongs and outfinished Sweet Return for a determined victory. "He proved today we're still the champ," trainer Don Chatlos said. "We still wear the crown until they beat us at Belmont Park [in the Oct. 29 GI Breeders' Cup Mile]." As for what's next, Chatlos said, "We're contemplating coming back in the [GII Inglewood H. at Hollywood Apr. 30 as a prep for the [GI Shoemaker Breeders' Cup Mile May 30], but we haven't made any decisions yet."

 Also Ran: Lieutenant Danz, Benjamin Baby, Soldiers Charge. Scratched: Attila's Storm.

Making his first foray to New York, Lost in the Fog maintained his unbeaten record with an effortless display on the front end. The Florida-bred had earned his first graded stakes victory in the GII Swale S. Mar. 5, but his connections sagely opted not to nominate him to the Triple Crown. He was a prohibitive 1-9 chalk here, and NYRA

Adam Coglianese

officials announced that there would be no show wagging. Breaking from the rail, the bay was in front several steps later and cruised through an easy opening quarter of :22 3/5 with Big Top Cat at his flank. After a half in :45 1/5, Russell Baze shook the reins at Lost in the Fog and the muscular colt responded, opening up in the final furlong to win by daylight. "How could you be unhappy with that," winning trainer Greg Gilchrist asked. "I was a little concerned about drawing the one-hole when the entries came out. We've been trying to get him to relax a little bit, and today, we didn't have a chance to do that." Gilchrist said that the colt would be flown back to his Golden Gate base Tuesday. "We're not shying away from a route, but who would want to not keep doing this?" Gilchrist said, adding that a return trip to New York was likely. "The Riva Ridge [GII, 7f, June 11, Belmont] is kind of on the schedule right now." Click for the [brisnet.com chart](http://www.brisnet.com/chart). Berbatim, a five-length winner versus \$35,000 Arlington maidens last summer, continued her progression into a solid stakes performer. The dark bay followed her debut win with a nose victory in the Canterbury Lassie S. in July, then was a good runner-up in the Oct. 28 Jesamine County S. at Keeneland two starts later, her first grass test. Purchased privately by Gary and Wendy Broad and moved to Richard Mandella's barn, she dead-heated for third in the 6 1/2-furlong La Habra S. at Santa Anita Mar. 6. Adding ground this time, she stayed close to a modest pace, inherited the lead two panels out and was kept busy under Alex Solis, winning by a comfortable margin. "She ran real well around two turns at Keeneland before we bought her," said Mandella, "and had a nice race down the hill. We thought it ought to set her up." Mandella said the filly would be pointed toward the GI American Oaks at Hollywood July 3. [Click for the brisnet.com chart.](http://www.brisnet.com/chart)

Jean-Claude Rouget, who has a powerful team this year, will saddle the unbeaten **Ruwi** here. TDN ☆ Star of the Week ☆

Brought to you by **FASIG-TIPTON**

Pablo Suarez

This week's accomplishment:
 Co-owns Thor's Echo (Swiss Yodeler), winner of the \$500,000, Apr. 2 WinStar Derby; stands Atticus, sire of GI Florida Derby winner High Fly, at Magali Farms, Ca.

Birthplace: Los Angeles, Ca

Birthdate: 7-22-68

Current Residence: Stevenson Ranch, Ca

Principal Business: Nectar Pharmaceutical, Inc., a wholesale distribution company.

Family: Michelle, wife. Four children: Justin, 6; Kyle, 3; twins Jack & Olivia (14-months old).

How did you get involved with horse racing? A friend of mine kept asking me to get in. I always thought that maybe that wasn't the smartest thing to do with my money. But we went in with another friend on a \$12,500 claimer--Running Thunder--in 2001. We won the shake and ran him back five days later for \$20,000. He ran second and was claimed. I was thinking, man, this is easy money. This is better than the stock market! [laughs]

Favorite vacation spot? My wife and I went to Cancun, Mexico, for our honeymoon, and I'd say Cancun.

Who's the best horse you've owned? Sharp Lisa, who I'm lucky enough to own 25 percent of along with J. Paul Reddam. We bought her privately after she broke her maiden at Calder. When you first look at her, you're like, 'Wow, she's a Grade I winner?' because she's not very big. But she's got such heart and class. She's so well-balanced and has a big rear end on her.

If you could change one thing about horse racing, what would it be? I would keep the champion horses racing longer. I think they go to the breeding shed way too early. I understand it, because that's where the money's at, but I think it would really help the fan base if the horses would stick around a little longer.

If you could have dinner with a historical figure, who would it be and why? I know it's kind of a religious answer but I'll say it anyway--Jesus. I'd just like to thank him for all that he's done for us and just listen to him.

Have you ever sung karaoke in a bar before? [laughs] Yeah, I have. As my friends will tell you, it'll take a lot to embarrass me.

CONGRATULATIONS!

from Fasig-Tipton's Star of the Week **YADDO CAT**, winner in her debut of the first 2-year-old race at Keeneland on Friday! She was a \$200,000 Fasig-Tipton Saratoga August Yearling.

Congratulations to owner *Heiligbrodt Racing Stable* and trainer *Steve Asmussen*

Sweet Catomine Has Her Problems...

As it turns out, GI Santa Anita Derby favorite **Sweet Catomine** (Storm Cat) may not have been ready to fire her best shot in yesterday's race and almost did not make the starting gate. "I was 50-50 about running her," owner Marty Wygod commented following the Eclipse Award winner's fifth-place effort to Buzzards Bay. "I was thinking about scratching her after her last work when she went :59 1/5 [at Santa Anita Apr. 3]. She bled out of that work. We sent her to Alamo Pintado [Equine Medical Center in Los Olivos] and treated her and brought her back. She had a little foot problem on Wednesday. In my heart, I felt not to run, but yesterday we made up our mind."

Rush Bay Works for Arkansas Derby...

Rush Bay (Cozzene), runner-up in last year's GII Kentucky Jockey Club S., worked five furlongs in :59 at Churchill Downs yesterday morning. He makes his next start in the Apr. 16 GII Arkansas Derby. "We demanded some finish from him at the end of the work," trainer Tom Amoss said. "He quickened noticeably to the naked eye in the last eighth of a mile. We're delighted and ready to go to Oaklawn." The bay was eighth in the Feb. 12 GIII Risen Star S. in his sophomore bow, but comes off a Fair Grounds allowance score Mar. 14. He is scheduled to ship to Hot Springs Tuesday. As for future plans, Amoss said, "Right now, the only thing we're looking at is how we fit in the Arkansas Derby. If we fit in with them, then we'll talk about something else."

GHOSTZAPPER ON HOLD Ailing Horse of the Year **Ghostzapper** (Awesome Again) may return to training as early as Monday, according to *Daily Racing Form*.

Ghostzapper in 2004
Horsephotos

Trainer Bobby Frankel had intended to start the bay back in the GII Oaklawn H. yesterday, but those plans were put on hold after Ghostzapper came down with a severe sinus infection in late March. "They had to drill a little hole in his head to drain his sinuses," Frankel told *DRF*. "He's fine now. I'm looking to get him back on the track by

Monday." The GIII Ben Ali S. Apr. 28 at Keeneland had also been under consideration for the Stronach colorbearer's comeback after the Oaklawn plans fell through. Frankel now intends to point the champion for the GI Metropolitan H. May 30 at Belmont Park.

SHARP LISA SCRATCHED FROM ASHLAND

Sharp Lisa (Dixieland Band), one of the favorites going into yesterday's GI Ashland S. at Keeneland, was

Sharp Lisa
Benoit

forced to scratch from the race after injuring herself. "She evidently kicked the wall," explained trainer Doug O'Neill. "It seems like she just bruised her left hind foot, but we'll know more in the morning." Pablo Suarez, who owns the filly in partnership with J. Paul Reddam, added, "If the X-rays come back negative, will probably go to the GII Fantasy S. Friday [at Oaklawn] before going on to the GI Kentucky Oaks [May 6]." Sharp Lisa has won her last two on the West Coast, the Jan. 17 GII Santa Ynez and

Feb. 12 GI Las Virgenes S.

CLASSIC CAMPAIGN (c, 3, Rahy--Crystal Symphony {GSW, \$289,759}, by Red Ransom) was nowhere to be found in two main-track efforts last fall, but sprang to life with the surface switch and captured his seasonal debut over Tampa Bay's lawn Jan. 27. Third, beaten 2 1/2 lengths, in a Gulfstream allowance Feb. 21, he came into this off a runner-up effort at Hallandale Mar. 13. Adding Lasix, the Kinsman homebred split foes turning the corner and edged clear to prevail by 2 1/4 lengths at odds of 9-5. Lifetime Record: 6-2-1-1, \$51,932.

ON THE ACORN (GB) (c, 4, Inchinor {GB}--Amarice {GB}, by Suave Dancer) won an allowance race at Del Mar last September, but couldn't quite handle the jump into graded-stakes competition. The dark bay finished seventh in the Oct. 17 GII Oak Tree Derby and 11th in the Nov. 28 GI Hollywood Derby; he crossed the line fourth in the Nov. 6 GIII Bay Meadows Derby, but was moved up to third by the stewards after getting bothered in the stretch. Dropped back to an allowance for his final start of the year, he improved to be third at Santa Anita Dec. 26, then was given a break. Making his four-year-old bow here, the British-bred settled in fifth for six panels. He closed on the far outside to grab the lead in deep stretch and pulled clear to post a 1 1/2-length triumph. Favored Place Cowboy (Ire) (Compton Place {GB}) held on for second. The winner was an 11,000gns TATOCT yearling and a 16,000gns TATAPR juvenile. Lifetime Record: GSP, 11-3-0-3, \$123,792.

R. AND R. (f, 3, Louis Quatorze--Royal Trips, by Summer Squall) opened 2005 with a third-place finish at Gulfstream Feb. 3, but got off to a bad start at that track 24 days later and could do no better than seventh. The 1/2 to Certifiably Crazy (Fit to Fight), MGSP, \$212,639, closed to be second in her latest, an off-the-turf test in Hallandale Mar. 18, encouraging her connections to try the main track again here. The bettors were not as confident, sending the bay off as a 16-1 shot, but R. and R. outran her odds, rallying from between horses to win by a widening 2 1/2 lengths. Urban Shocker (Charismatic) closed well to be second. Lifetime Record: 5-1-1-1, \$41,190.

+ MEADOW SOPRANO (f, 4, Meadowlake--Candytuft, by Dehere), a \$50,000 KEESEP yearling who blossomed into a \$370,000 FTFFEB two-year-old, had worked forwardly in California for her belated debut and shipped in as the piping hot 4-5 pick. The B. Wayne Hughes colorbearer was settled in fourth through a quick quarter in :21.69, angled out for the drive, took a narrow lead a furlong from home and held on by a neck as Unbridled Idol (Unbridled) came charging late. The latter, a full sister to 1999 juvenile champ Anees, was forced to take up abruptly nearing the quarter pole and again at the furlong grounds, but ran on well once straightened out. **For the video replay, click [here](#).** Lifetime Record: 1-1-0-0, \$31,270.

Fourth in a main-track sprint at Gulfstream Jan. 22, the chestnut ran second as the favorite in a nine-furlong test on the turf course Feb. 17 and was the 7-2 second choice in her first start since. Never far from the front, she collared pacesetter Nature's Dowry (Forestry) approaching the quarter pole and prevailed by a head after a stretch-long battle. They were 11 lengths clear of favored Wind Surf (Lil's Lad) in third. The winner, a \$250,000 KEESEP yearling purchase, is a half to Scorpion (Seattle Slew), GISW, \$555,749. He stumbled and lost his rider at the start of a first-level test Feb. 5, but returned to run fourth in a similar contest Mar. 16. Sent off as the 7-2 third choice here, the bay raced along in third, took command with a three-wide move in the stretch and went on to score by 4 3/4 lengths. He is a half brother to Seeking the Sky (Storm Cat), GSW, \$143,589; a 3/4-brother to Seeking the Money (Capote), GSP, \$232,842; and a full to Seeking It All, GISP, \$176,930. He had six lengths on the field at the eighth pole, but just held on to beat Heretic (Holy Bull) by 3/4 of a length. Lifetime Record: 3-1-0-1, \$27,310. O/T-Joseph A Lostritto. Procreate lit up the toteboard and the teletimer with this world-record performance. The seven-year-old had been racing on the main track for much of the past two years, but moved to the lawn last out and responded with a smart three-length victory in a \$20,000 starter allowance at Gulfstream Mar. 24. The gelding was on the front here through wicked fractions of :20.97 and :42.51 and simply forgot to stop, establishing a new world mark for five panels in :53.79. "The trainer [John Charles Zimmerman] and his assistant are at Keeneland, so they left me here to saddle the horse," said winning groom Mauricio Zaragoza. "He ran just like I expected him to. That horse has a big heart."

MISS MATCHED (f, 3, Formal Gold--Ivory Princess {Ire} {SW-US, \$235,124}, by Cure the Blues) came out running last July, winning a Monmouth maiden by 12 lengths, then was sold privately to owner John Oxley. She made her first start under her new colors in the GII Spinaway S. at Saratoga and finished a respectable second, but faltered when trying two turns in the Oct. 8 GII Alcibiades S. and ran sixth. Back after a six-month layoff, the full to Becky In Pink, SW, \$150,996, was bet down to 3-10 and came through for her backers despite a rough trip. The dark bay was steadied early, recovered to sit second, drove to the front at the eighth pole and drew away to a 2 1/2-length victory. Lifetime Record: GSP, 4-2-1-0, \$92,000. Bernie Blue won his career debut, a maiden test at Thistledown in August, but was sidelined after that effort. He came back to make it two in a row in a Tampa allowance race in December. The bay was 12-1 in his stakes debut, the Jan. 22 Pasco S. at Tampa, and tired late to be fifth, but rebounded to take an optional claimer on the grass Mar. 6. A longshot in his return to the stakes ranks, the Florida-bred went right to the front, set all the pace and outfinished Lite Brigade to post the upset.

Nicandro was an 8 1/4-length winner in his debut at Mountaineer Park last November, but tired badly in his first two starts this term, finishing sixth in the Feb. 26 Sam F. Davis S. and seventh in the Mar. 19 Tampa Bay Derby. Trying turf for the first time here, the chestnut colt was given little chance by the Tampa handicappers, but led every step and held off favored filly Rich in Spirit for his first stakes success.

Margins: 2HF, 2 1/4, 8. Odds: 2.90, 2.20, 3.30.

Portsea took her second career outing by seven lengths at Monmouth last July before being shelved after going unplaced in Saratoga's GII Spinaway S. Returning to capture her first stakes, she was 5 3/4 lengths the best in the Jan. 15 Sandpiper S. at Tampa Bay, but folded after battling early and trailed home fifth in the GIII Old Hat S. Feb. 5. Taking advantage of the rapid early pace of Megascape and Angel Trumpet, Portsea moved to the throat latch of the former in upper stretch and proved best in the final panel. Megascape's jockey, Larry Sterling, Jr., alleged inference because of bumping down the lane, but stewards let the finish stand. "Sterling thought we came out and bumped them in the stretch," said victorious rider Chris DeCarlo. "I thought differently. I didn't think it affected the outcome in any way. She's a game filly."

 Terroplane ended his three-year-old campaign with three straight off-the-board finishes against graded-stakes company. The gray was a close-up fourth in the Sept. 6 GII Del Mar Derby, but faded to sixth in the Oct. 17 GII Oak Tree Derby and was 13th and last in the Nov. 28 GI Hollywood Derby. Given a three-month break after that race, the gelding returned to be second in a nine-furlong allowance Mar. 9 and was odds-on to get home first here. Terroplane broke on top, settled just off the pace while riding the rail and found running room on the inside in the lane to secure the victory.

Hedgehunter, who suffered a tired fall at the last fence when in contention in this 12 months ago, justified the collected punters' faith in making him off the 7-1 favorite this time when taking the 158th renewal of this prestigious event. Always traveling easily while tucked in behind the leaders under a confident Ruby Walsh early, he defied the perils customarily thrown up by these intimidating fences before fortune struck on the second circuit in his favor at the legendary Becher's Brook fence. Left in front there when J. P. McManus's **Clan Royal (Fr)** (Chef de Clan {Fr}) was stopped by a loose horse, he was in cruise control when kicked clear at the "elbow" on the long run to the line. For owner Trevor Hemmings it was the culmination of a lifetime's dream. "It's incredible," he said. "All I can say is that I'm one lucky man now. He came down at the final fence last year and I was more worried about that last fence today. It's a credit to the entire team." His jockey added, "When **Clan Royal** got carried out I was left in front and I hadn't planned on being there. I thought to myself that, whatever happens, I wouldn't move until the elbow and when we got there, away he went--he was brilliant." This National will also be remembered for the exploits of **Forest Gunner (GB)** (Gunner B {GB}), who took **Carrie Ford** into fifth place, equaling the previous best finishing position by a lady jockey.

Party Boss, one of the revelations of the current all-weather season, registered his fifth straight win with an impressive display of front-running speed. He has proved versatile, winning at the three venues with artificial surfaces this winter from seven furlongs to an extended mile, wiring a handicap at this track Feb. 26 before swooping late to take the Listed Spring Cup here last time Mar. 19. Allowed his favored position at the head of affairs early under **Richard Hughes**, he was firmly in control by the final turn and needed only to be pushed out to bag his second stakes race. "He's a grand horse and just gets better and better every time I ride him," his jockey commented. "I went a real good gallop and nice even pace, but at every stage I felt I could have gone quicker, so he's got a lot of gears." Trainer **Clive Brittain** has ambitious aims for the grey. "He is a genuine galloper and one of the unique ones who want to win," he said. "It's on to **Newmarket** and next stop the **G1 2000 Guineas** [Apr. 30]."
