WHAT 'AWI' WAITING FOR?

If the vibes are right, Frankie Dettori has the easiest job at Newmarket this afternoon--steering red-hot favorite **Dubawi (Ire)** (Dubai Millennium {GB}) to the winner's spot in the G1 2000 Guineas.

Dubawi *bettingzone.com*

Following the script to the letter, he was the first of the late champion's progeny off the blocks last term, breaking his maiden at Goodwood, then jumped to the head of the class with success in the G3 Superlative S. at Newmarket's July meeting. He earned plaudits with an emphatic three-length score in

the G1 National S. at The Curragh in September and had his engine tuned in a Nad al Sheba trial earlier this month. "He should give a good account of himself in the Guineas," Dettori said. "He only did in his trial what he had been showing us over the winter. He worked really well, everybody's happy, and he can only beat the horses you put in front of him."

The O'Brien Factor...

Like Godolphin, Aidan O'Brien has won this race twice, taking the Classic with King of Kings (Ire) and Rock of Gibraltar (Ire). Today he saddles Michael Tabor and Susan Magnier's duo of **Footstepsinthesand (GB)** (Giant's Causeway) and **Oratorio (Ire)** (Danehill). The former enters this Classic an unknown quantity despite his success in the G3 Killavullan S. at Leopardstown in October, but has been giving all the right signals while training in County Tipperary this spring. In contrast, Oratorio, who hardly missed a beat last term in winning the G3 Anglesey S. and G2 Futurity S. at The Curragh and G1 Prix Jean-Luc Lagardere at Longchamp before chasing home Shamardal in the G1 Dewhurst S. at this track in October, has been keeping his powder dry. "Footstepsinthesand is a natural athlete and Kieren [Fallon] has been very happy with him," O'Brien commented. "They are two total opposites, as Oratorio is a lazy worker and a hardy customer, but Footsteps is no wimp either." **2000 Guineas field, p2; story cont. p3**

CAPER HEADS LARGE CAST

Stonerside Stables' **Karen's Caper** (War Chant) will have to overcome the widest draw when she faces 20 rivals in tomorrow's G1 1000 Guineas at Newmarket.

The John Gosden-trained filly was promoted to favoritism for the mile Classic after beating **Cape Columbine (GB)** (Diktat {GB}) by 3/4 of a length in the G3 Nell Gwyn S. over seven furlongs at this track Apr. 13.

"She's in good form and has come through her preps well," Gosden said. "She won nicely and she's improved in her coat.

It's an open race in my book and we'll be in there giving it a go. She's won over a mile already as a two-year-old and I think the extra distance will suit her. She's a very genuine, rangy filly with a big, raking stride and she's handled the track."

YES IT'S TRUE COLTS HEAD WITHERS

After finishing a disappointing sixth as the 2-5 chalk in Turfway's Rushaway S., **Proud Accolade** (Yes It's True) looks to get back on track in today's GIII Wither S. at the Big A. All four of the dark bay's victories have come around one turn, including last season's G1 Champagne S. and last February's GII Hutcheson S. Although winless since notching the FSS In Reality S. last October, **B.B. Best** (Yes It's True) can be a tough customer here. The speedster enters this off a pair of creditable third-place finishes behind High Fly in the GII Fountain of Youth S. and the G1 Florida Derby. "I'm very happy with how he's been doing," trainer Eddie Plesa Jr. said of B.B. Best. "He kept real good company in Florida this winter and hung in there well with them. With his speed, a little less distance should be a help." **Field, p4**

'Craven' Success...

While only two winners of the G3 Craven S. have gone on to success here since 1990, that course-and-distance trial generally throws up real contenders and this year is no exception. Despite a muddling pace and several hard-luck stories, it was Harry Dobson's **Democratic Deficit (Ire)** (Soviet Star) who emerged on top Apr. 14. Last year's G2 Railway S. scorer was gaining compensation for chasing the tails of Oratorio and Dubawi at The Curragh last season, but faces possible improvers in Philip Newton's **Rob Roy** (Lear Fan) and Cheveley Park Stud's G2 Coventry S. winner **Iceman (GB)** (Polar Falcon). The former, who comes from the Sir Michael Stoute stable successful five times in this Classic, was unlucky to be beaten a head on that occasion, having been checked entering the "dip." However, it was the fourth-placed Iceman who was one of the worst affected by the scrimmaging, and his trainer John Gosden believes there may be something to emerge from that trial to challenge the favorite. "The Craven was run on the slow side, but horses come out of those races better," he said. "It's a hot race and Dubawi has the best credentials, but Rob Roy and Iceman are the types of horses who will let him know he's been in a battle." Tweenhills Thurloe Partnership's **Diktatorial (GB)** (Diktat {GB}) has claims on his success in the G3 Somerville Tattersall S. over seven furlongs at this venue in September and limbered up for this contest with an impressive racecourse gallop on Sunday.

1000 Guineas cont.

I Coulda Been a Contendah...

Heading the list of contenders for the 1000 Guineas are Cheveley Park Stud's unbeaten **Shanghai Lily (Ire)** (King's Best), who has not been seen since winning a conditions event at Newbury in September; and Godolphin's UAE 1000 Guineas and UAE Oaks victress **Satin Kiss** (Seeking the Gold). That filly switches from the dirt back to turf. Trainer Saeed bin Suroor said yesterday, "It is a tough race, but Satin Kiss has a chance. The trip will be no problem as she is relaxing in her races and we will see how she gets on returning to race on grass." Martin Schwartz's G2 Rockfel S. heroine **Maids Causeway (Ire)** (Giant's Causeway) has pleased trainer Barry Hills since completing a racecourse gallop at the track during the Craven meeting. "She has grown and strengthened up, though was a little slow coming in her coat," he told the *Racing Post*. "She tends to sweat up at the races, but that's her--she's one of those busy types. Having said that, she's a very solid filly who doesn't overdo herself at home." **Penkenna Princess (Ire)** (Pivotal {GB}) broke new ground for trainer Ralph Beckett when winning the G3 Fred Darling S. at Newbury Apr. 16 and Beckett is hoping the bargain purchase can make the grade. "Her preparation has gone smoothly," he told *PA Sport*. "She's come out of the Newbury race well, she's gone well since and I'm hopeful of a good performance in what looks like an open renewal. Obviously her best form is on soft ground, but we've only run her once on fast ground and the race wasn't run to suit, so I wouldn't be concerned about the ground."

- A total of 46 fillies have won both the 1000 Guineas and the Oaks, the most recent being **Kazzia (Ger)** in 2002.
- The stakes record of 1:36.38 was set by **Lahan (GB)** in 2000.
- Three favorites have won in the last 10 years: **Wince (GB)** (1999), **Cape Verdi (Ire)** (1998-joint) and **Bosra Sham** (1996).
- Four fillies have completed the 1000/2000 Guineas double, but none since **Sceptre (GB)** in 1902.

Macaw ran a couple of solid races back in 2003 while under the tutelage of trainer Barclay Tagg, including a second-place finish in the GI Sword Dancer H., but had only posted one win since in the John Henry S. at The Meadows Oct. 29. The bay's 2005 campaign got off to an eventful beginning when he lost his rider in the GIII Mac Diarmida H. at Gulfstream. He only made one more trip to the post since, finishing sixth, beaten one length in the GI Gulfstream Park Breeders' Cup H. Mar. 6. Ridden by Javier Castellano here, he trailed the field through the opening half mile, edged closer down the backstretch, was swung out extremely wide for the stretch run and rallied strongly to get the money. "When I asked him to run, he finished very well," Castellano said. "He really seemed to like the soft turf. I'm glad it all worked out for the best."

GENERAL JOHN B OUT OF DERBY The GI Santa Anita Derby runner-up **General John B** (Sweetensouthern-saint) has suffered a strain of the tendon under the left front knee and will not run in the GI Kentucky Derby. "It's not a big injury," trainer Roger Stein said. "I just can't run a horse against the top three-year-olds in America if he's not 100 percent." His defection opens the door for **Going Wild** (Golden Missile) and either one of B Wayne Hughes' hopefuls, **Don't Get Mad** (Stephen Got Even) or **Greeley's Galaxy** (Mr. Greeley) if there are no other late entries.... It was also announced yesterday that jockey Patrick Valenzuela will ride GII Coolmore Lexington S. winner Coin Silver in the Kentucky Derby.

New System for the Preakness Draw...

Pimlico Race Course announced yesterday that it will change the post-position draw process for the 130th Preakness S., to be held at Baltimore's ESPN Zone Wednesday, May 18 and televised live on ESPN from 5-6 p.m. EDT. Entries will still be taken by the racing office Wednesday morning, but instead of having a draft order draw in the Pimlico press box, Pimlico's racing secretary Georganne Hale will randomly assign numbers to each participant. The numbers will then be revealed during the pill pull at the ESPN Zone and that corresponding number will determine order of selection. "I thought the last two years lacked suspense," said Lou Raffetto, chief operating officer of Maryland Jockey Club. "This will give the draw a little flair."

PAT DAY BACK IN THE SADDLE Hall of Fame jockey Pat Day has been cleared by his surgeon, Dr. Marc Phillipon, to return to riding. Day, 51, underwent an operation to repair damaged cartilage in his right hip Mar. 30. "The doctor said that where I'm at now, at four weeks, is where he would have anticipated that I would be in seven," the rider said. It is a longshot, but there is some chance he will be back in the saddle in time for the 131st running of the GI Kentucky Derby. Day has been in the starting gate on the first Saturday in May since 1984, a streak of 21 straight Derby mounts. His lone winner came aboard Lil E. Tee in 1992. Asked about his chances of adding to his streak this year, Day said, "I wouldn't say it was an impossibility, but I would still kind of say that it's a little bit of a longshot. I don't want to be there just to be there. If I don't feel that I've got my wits about me, my timing and such, that I could be competitive and very near, if not at, 100 percent, then I don't want to be there. There's too much hanging in the balance for all the connections and for everybody involved to go out there just to show up and not be able to give 110 percent." Day, who has been in intense physical therapy since the surgery, plans to begin galloping horses this weekend and, if all goes well, could be racing again by the middle of Derby week. "I don't think that I've lost a lot in regard to fitness--I think that it'll come back pretty quick," Day said. "There is no pain whatsoever in the hip--none. That's reason to rejoice, to say the least." Day, a four-time Eclipse Award winner, is fourth on racing's all-time win list with 8,780 victories. His career earnings stand at a record \$296,380,336.

ESPN LANDS BREEDERS' CUP ESPN has reached an eight-year agreement with Breeders' Cup Limited to televise the World Thoroughbred Championships beginning in 2006. The telecast will be a live seven-hour program airing from 12:00 p.m. to 7:00 p.m. EDT, two hours longer than its current length. "This is an extraordinary multi-media agreement highlighted by unprecedented television coverage for the Breeders' Cup and Thoroughbred racing," said D.G. Van Clief Jr., president of Breeders' Cup Ltd. and NTRA commissioner. "It solidifies our sport's presence on television and a broad spectrum of media platforms for the next eight years." Since its inception in 1984, the Breeders' Cup has been televised by NBC.

SULTRY SONG TO SHUTTLE Millennium Farms stallion **Sultry Song** (Cox's Ridge) will shuttle to South America to stand the 2005 Southern Hemisphere season at Haras Arroyo de Luna in Argentina. He will depart for South America at the close of the 2005 season and return to Millennium for the 2006 breeding season. "Sultry Song is completely free of Northern Dancer, Raise a Native, Bold Ruler and Blushing Groom," commented Millennium Farms manager William Hardin. "His Grade I success in 2004 and continuing success this year will make him very attractive to Southern Hemisphere breeders." Sultry Song is the sire of 36 stakes horses, including last year's GI Breeders' Cup Turf Mile S. winner Singletary.

Seeking Answers had failed to hit the board in four straight tries, but had his picture taken in an allowance win at Tampa Jan. 7 and followed up with another success over that course Feb. 26. Allowed to settle into stride by jockey Rafael Bejarano, the bay came charging five wide into the stretch and blew the race open for a convincing win.

CHRB Backs Industry Weight Proposal:

Backing away from a plan to adopt a more stringent plan proposed by The Jockeys' Guild, the California Horse Racing Board Thursday voted to endorse a scale of weights that has been developed to a committee of national racing commissioners and horsemen. The decision was based on testimony by Dr. Dan Bernardot, a nutritionist for the U.S. Olympic gymnastics team and director of the athletic performance laboratory at Georgia State University, who stated that the standards set in The Jockeys' Guild's proposal lacked adequate scientific verification, and recommended a year-long study of U.S. riders to determine "the normal values of the jockey population." In addition, Craig Fravel, executive vice president of Del Mar, and trainer John Sadler testified that if the scale of weights in California was higher than the rest of the country, many horsemen would begin racing out of state.

Micro-management in California?

A proposal out before the California Horse Racing Board Thursday would require horses racing in California to be implanted with microchips. The chips, about the size of a grain of rice, would be injected into a horse's neck and would be used to keep tabs on the movements of horses. The concept was unveiled in response to the incident in which after champion Sweet Catomine was identified as a stable pony when she was shipped from Santa Anita to an equine clinic in early April. "We learned a lesson recently," Commissioner Richard Shapiro said. "We don't always know who is coming and going out of our racetracks." In addition, CHRB Executive Director Ingrid Fermin has distributed an 11-point proposal to racetracks and trainers suggesting procedures to be used when horses pass through the stable gate.

‘ACT’ COMING TOGETHER The Sangster Family’s **Playful Act (Ire)** (Sadler’s Wells), who had been ruled out of a tilt at the G1 1000 Guineas, has been reported on course for the middle-distance Classics by trainer John Gosden. Last year’s G2 May Hill S. and G1 Fillies’ Mile winner has been slow to come to hand, and may sidestep the G3 Musidora S. at York May 11 in favor of either the G1 Epsom Oaks June 3 or G1 Prix de Diane at Chantilly June 12. “She’s improving all the time and, as a lot of the fillies have had a difficult time this year she has been no exception,” Gosden said. “We’re heading in the right direction, but it’s all getting tight. The great thing about Playful Act is she does know the game and is highly professional. I am certainly a lot more pleased than I was, and if I have to take her straight in to the English or French Oaks it wouldn’t bother me. The Musidora is a stepping stone and we don’t have to use it.”

‘ARCH’ AIMED AT POULAINS Franconson Partners’ **Montgomery’s Arch** (Arch) will be aimed at the G1 Poule d’Essai des Poulains at Longchamp May 15 after a setback ruled him out of today’s G1 2000 Guineas at Newmarket. Last year’s G2 Richmond S. hero had disappointed when returning to finish seventh in the G3 Craven S. at Newmarket Apr. 14, and sustained a foot injury after exercise this week. “He was found to have a bruised off-fore on Wednesday night,” commented conditioner Peter Chapple-Hyam yesterday. “We bathed it all through the evening and again early on Thursday morning, but he was still lame. So, in the circumstances, we took the view that we couldn’t run him on Saturday. Of course it’s disappointing, but we will now aim to get his foot right again, take a change in tack and probably target the French 2000 Guineas.”

MORE TIME (IRE) (c, 2, [Night Shift](#)--In Your Dreams {Ire}, by **Suave Dancer**), fifth on debut over course and distance Apr. 6, broke sharply and soon had command. Tackled by Glenmuir (Ire) (Josr Algarhoud {Ire}) inside the final quarter, the 3-1 chance was always holding that rival and was firmly on top at the line, where he had 1 1/4 lengths to spare. The winner was a €46,000 GOFNOV weanling and a 46,000gns DONSEP yearling. Lifetime Record: 2-1-0-0, £3,035. O-Liam Mulryan; B-Ballyreddin Stud; T-Mick Quinlan.

Musselburgh, 4.50, Mdn, £6,330, 3yo/up, 1 1/8mT, 1:57.01, gd.

BRONWEN (IRE) (f, 3, **King’s Best**--Tegwen, by **Nijinsky**), a half sister to Teggiano (Ire) (Mujtahid), G1SW-GB, \$278,947, was the runner-up over course and distance last time Apr. 12. After settling in mid-division in the early stages, the 11-4 shot took time to find her stride in the straight, but responded to her jockey’s urgings to deliver a withering run which took her past Smooth Jazz (GB) (Zafonic) in the final strides and on to a neck success. Lifetime Record: 3-1-1-0, £5,359. O-Abdullah Saeed Belhab; B-Darley; T-Jeremy Nosedá.

Nottingham, 2.10, Mdn, £5,615, 3yo, 6f 15ydsT, 1:17.29, gd.

KENMORE (GB) (c, 3, **Compton Place {GB}**--**Watheeqah**, by **Topsider**), runner-up to the smart Tomoohat on his latest start at Newmarket in October, broke well and soon led. Strongly pressed by Patternmaker (Elnadim) inside the final quarter, the 8-13 pick pulled out extra to assert and score by a length. He was a 16,000gns TATDEC weanling and a 38,000gns DONSEP yearling. Lifetime Record: 3-1-1-0, £5,850. O-John C Grant; B-Downclose Stud; T-Barry Hills.

Musselburgh, 2.50, £5,225, 2yo, 5fT, 1:02.46, gd.
 + **MEMPHIS MAN (GB)** (c, 2, **Bertolini**--**Something Blue {GB}**, by **Petong {GB}**), sent off at odds of 8-1, showed early dash to stalk Myths and Verses (GB) (Primo Dominie {GB}) and was chased along to keep tabs by halfway. Responding in game fashion to pass that rival with 1 1/2 furlongs remaining, he was driven out to beat the long-time leader by 1 1/2 lengths. A 40,000gns DONSEP yearling purchase, the bay marks the second winner from the first crop of his sire (by Danzig). Lifetime Record: 1-1-0-0, £3,396. ZAYN ZEN (GB) (f, 3, Singspiel {Ire}–Roshani {Ire}, by Kris {GB}) met some smart types in her four starts last term, including subsequent G1 Fillies' Mile third Dash to the Top (GB), but hadn't been out since running fifth in a maiden at Ayr Oct. 11. Keen in the early stages, the 4-1 chance was reined back to stalk the pace before being asked to quicken inside the final three furlongs. Challenging Clara Bow (Ire) (Sadler's Wells) soon after, the chestnut edged ahead with 100 yards remaining before digging deep to score by a short head. Lifetime Record: 5-1-1-0, £5,715.

O-Sheikh Ahmed bin Rashid al Maktoum; B-Darley; T-Michael Jarvis.

Nottingham, 5.40, Mdn, £5,105, 3yo, f, 1m 54ydsT, 1:47.22, gd.

LYSANDRA (IRE) (f, 3, Danehill--Oriane {GB} {MSP-Ire}, by Nashwan), a half sister to Barati (Ire) (Sadler's Wells), GSP-GB & Ire, ran fourth in a Newmarket maiden on her last start in October. The bay filly was settled in mid-division early here before making steady progress in the straight. Driven to close inside the final quarter, the 85-40 pick reeled in Abide (Fr) (Pivotal {GB}) with 50 yards remaining to score by 3/4 of a length. Lifetime Record: 3-1-1-0, £5,525.

MIRABILIS (f, 3, Lear Fan--Media Nox {GB} {GSW-Fr & US, \$184,279}, by Lycius) went postward as the 11-10 favorite off a ninth in the G1 Prix Marcel Boussac at Longchamp Oct. 3 and a last-out second in the G3 Prix Miesque at Maisons-Laffitte Nov. 2. Reserved off the pace in fifth for the majority of this, the homebred made good progress inside the final quarter to challenge at the eighth pole and was pushed out thereafter to account for her owner's second-string Birthplace (King of Kings {Ire}) by two lengths. The winner is a half to Burning Sun (Danzig), GSW-Fr, SW-GB, GSP-US, \$232,139; and Nebraska Tornado (Storm Cat), MG1SW-Fr, G1SP-GB, \$654,995. Lifetime Record: GSP-Fr, 5 starts, 2 wins, 2 places, €50,250.

BEE CHARMER (IRE) (c, 3, Anabaa--Bayourida {SW & GSP-Fr}, by Slew O'Gold) placed fourth on debut at Longchamp Apr. 15, but was made the 21-10 choice to compensate here. Settled in third after the opening exchanges, he was shuffled back to fourth at the top of the stretch, then found a telling run inside the final 1 1/2 furlongs to defeat Voltmeter (Ire) (Giant's Causeway) by a pushed-out length. Lifetime Record: 2 starts, 1 win, 1 place, €12,100.

O-Mme R G Ehrnrooth; B-Elevage Haras de Bourgeauville; T-John Hammond.

SHAWANDA (IRE) (f, 3, Sinndar {Ire}--Shamawna {Ire} {GSP-Fr}, by Darshaan {GB}), a half sister to Shawara (Ire) (Barathea {Ire}), SW-Fr, finished second on debut going 2100 meters at Maisons-Laffitte Apr. 1 and enjoyed punters' confidence as the 17-10 pick for her return. Positioned in a tracking third from the outset, she was left in the lead after an incident at halfway in which the leading pair both fell (*news report follows*). Pushed along at the quarter-mile marker, the favorite was safely clear in the closing stages and eased to the wire 2 1/2 lengths ahead of Bastet (Ire) (Giant's Causeway). Lifetime Record: 2 starts, 1 win, 1 place, €12,600.

JOCKEYS' ESCAPE

Jockeys Thierry Jarnet, Thierry Thulliez and Johann Lermyte escaped serious injury when involved in a nasty incident at Saint-Cloud yesterday. Jarnet was aboard leader **Mala Vida (Fr)** (Septieme Ciel) in the Prix de la Fosse Aux Biches, a 10-furlong maiden race for three-year-old fillies, when his mount veered away from the rail at halfway and catapulted him to the turf. Thulliez, at the time aboard second-placed **Frescatie (Fr)** (Septieme Ciel), could not avoid colliding with Mala Vida and was also thrown from his filly. Lermyte, on **Popula (Fr)** (Poplar Bluff {GB}), raced off the pace in rear, but was funneled into the danger zone and was also brought down.
