LIAM A FORCE IN THE FOSTER

Making his first appearance since finishing sixth in the GI Santa Anita H. in March, Mr. & Mrs. William Warren Jr.'s **Saint Liam** (Saint Ballado) took command turning into the fabled Churchill stretch and scampered home the easiest of winners in yesterday's GI Stephen Foster H. The five-year-old ran his record over the local strip to three wins from four tries, including a victory in the main handicap event of the fall meet, the GI Clark H., last November. "There was nothing to it," said winning jockey Edgar Prado, describing the ease of the victory. "I was coming into this race very confident because I had been working him in the morning and he's been working real good. Cont. p2

ASHADO BACK WITH A VENGEANCE

The rumors of her demise have been greatly exaggerated. Following her defeat in the GIII Pimlico Breeders' Cup Distaff May 20, some were ready to declare the career of Eclipse Award winner **Ashado** (Saint Ballado) over, but the filly silenced those naysayers yesterday, leading from flagfall to finish in the GI Ogden Phipps H. at Belmont Park. In scoring her first victory of her 2005 campaign, the reigning champion was away a beat slowly, but recovered to set a soft pace for this level and cruised home an easy winner. But the race did not unfold exactly as expected. "I don't think being on the lead is her preferred running style, but anytime you can get the first quarter in :24, you have to take that," commented winning trainer Todd Pletcher. "I think she showed today what she's all about." Cont. p2

HOPE SPRINGS ETERNAL

When it comes to trying and trying again, the Carstairs family's **Cape of Good Hope (GB)** (Inchiner {GB}) has written the book, and the world traveller made it fourth time lucky, defeating an accomplished field of sprinters in yesterday's G1 Golden Jubilee S. at Royal Ascot at York. The chestnut left a very favorable impression at the Royal Meeting last year, finishing second in the G2 King's Stand S. on opening day before finishing third in this event. He would later go on to place in the Sprinters' S. in Japan, but has reached new heights this season, including a richly deserved Group 1 victory in Australia. "He is so tough and is marvelous to train," commented winning trainer David Oughton. "He's been all over the world and we took a chance running twice in a week. Normally he'd have six weeks between races in Hong Kong, but it came off." Cont. p3

Liam Improves With Age...

Trained during his three-year-old campaign by Tony Reinstedler, Saint Liam showed promise, earning a triple-digit Beyer for a local allowance score before finishing runner-up in that year's Iowa Derby. Transferred to the barn of Richard Dutrow for his last start as a sophomore, the bay posted back-to-back allowance wins and went on to be second and third to Peace Rules in the GII New Orleans H. and the GII Oaklawn H., respectively. Sidelined off that effort, Saint Liam gave Ghostzapper everything the eventual Horse of the Year could handle in the GI Woodward S. Sept. 11, losing by a neck, and followed that effort with his Clark victory, his first in a graded stakes. Given ample time to rest for a five-year-old campaign, he dealt Roses in May a decisive 3 3/4-length defeat in the GI Donn H. in South Florida Feb. 5, but could do no better than sixth, beaten four lengths, in the Mar. 5 Big 'Cap.

Ascending to the Throne?...

With the retirement of Ghostzapper, Saint Liam was looking to demonstrate his worthiness as a potential

replacement at the head of the class. Always travelling sweetly beneath Edgar Prado, the bay tracked the pace of **Presidential-affair** (Not for Love), as that one towed the field through solid early splits of :23.58 and :46.82. Asked to engage the pacesetter as

they rounded the turn, the odds-on favorite responded to take command turning for home and remained clear under some strong hand urging. So, where does this put Saint Liam in the pecking order of the handicap division? "I think this moves him up to the head of the class now," commented Bobby Frankel, saddling Saint Liam for the suspended Richard Dutrow, Jr. "This is a really good horse and they had him ready and Edgar [Prado] knows him well." The final time of 1:47.52 was the second fastest clocking in the history of the Foster and just missed the stakes and track record of 1:47.28 set by Victory Gallop in 1999.

With his fourth-place effort in the G2 King's Stand S. this past Tuesday, Cape of Good Hope was assured a clear lead in the Global Sprint Challenge, garnered through a string of rock-solid performances including success in the G1 Australia S. at Moonee Valley Feb. 19. In his most recent appearance, he was third to the mighty Silent Witness (Aus) in the G1-HK Chairman's Sprint Prize at Sha Tin Apr. 3. Mick Kinane, back on board after the late scratching of his intended mount Somnus (GB) (Pivotal {GB}), brought the 6-1 chance across from his low draw to track the leaders in the center. Asked to quicken approaching the quarter pole, the veteran grabbed the sophomore Galeota (Ire) at the eighth pole before winning the argument by a head. The winning time was 0.24 seconds faster than the previous track record of Shalford (Ire), set in 1992. Kinane also paid tribute to the seven-year-old, whose experience of chasing home Silent Witness on 10 occasions has hardened his resolve. "He's been a great servant and is so consistent," the winning rider commented. "I thought my fellow was the one to beat on that ground and he just got there and idled a little, but he stuck his head out and stayed going well. He's just been unfortunate to run into a super horse in his own time and always runs well against him. He loves traveling and has a great constitution." For Richard Hannon, Jr., the experience of finishing second was bittersweet. "I think we were a little bit unlucky to have bumped into a good one," he said. "He had an awful lot of good horses behind him and we were delighted."

Successful in a Mulheim maiden Apr. 10, she disappointed when eighth behind the subsequent G1 Preis der Diana winner Iota (Ger) in the G3 Schwarzgold-Rennen at Cologne last time May 16. The German filly settled in a stalking third throughout the early stages, was sent to the front passing the quarter pole and stole a decisive advantage before holding the challenge of Hallowed Dream in the run to the line. "She's a lovely filly and is improving," Blume commented. "She loves fast ground and hated the soft in Cologne last time. I may send her to England for the G1 Nassau S. [at Goodwood July 30]." In a sad epitaph to the race, Saif Ali's Ayam Zaman (Ire) (Montjeu {Ire}) suffered a severe fracture with a quarter-mile remaining and was euthanized.

It took Two Trail Sioux four tries to break her maiden, but she did so in style in her first attempt at a route, romping by seven lengths at Del Mar July 26. The big bay won each of her next four starts, culminating in a front-running win in Oaklawn's Bayakoa H. Apr. 10. But after hopping at the start of the GII Louisville Breeders' Cup H. May 6, she never saw the lead and wound up a distant eighth, 19 3/4 lengths behind winner Shadow Cast (Smart Strike). Facing many of the same rivals here, Two Trail Sioux was eager to get going, showing the way through splits of :46 3/5 and 1:11 1/5, but finally settled down for Pat Day. She turned back a challenge from Rare Gift turning for home and was resurgent in deep stretch for her first graded-stakes success.

Lava Man was claimed for \$50,000 out of a second-place finish at Del Mar last summer and quickly rewarded his new connections with a victory in the Derby Trial S. at Fairplex Sept. 13. He hit the board in his next four starts against stakes company, including a sharp second behind Rock Hard Ten in the GI Malibu S. Dec. 26. Lava Man failed to finish in the money in his next three calls to the post, finishing seventh in the Sunshine Millions Classic Jan. 29, fifth in the grassy Crystal Water H. Mar. 12 and sixth in the Tiznow S. Apr. 24. The dark bay got back on track in his latest, posting a 1 1/2-length tally in a \$100,000 optional claimer over this strip May 14. The second longest shot on the board here, he stayed right with Ace Blue (Brz) (Coax Me Clyde) as that one led through :23.45, :47.11, 1:10.72 fractions. Asked for run at the top of the stretch, Lava Man put Ace Blue away, opened up a clear lead and held the others safe. "He ran a great race," winning rider Patrick Valenzuela said. "He was sitting relaxed behind the leader the whole way. Then when Corey [Nakatani, aboard second-place finisher] came to me at the three-eighths pole, he picked it up very nicely on his own. I'd never been on him before. About all I knew about him was that he won his last race and they wanted him to be on the lead. But the lead was taken today. Sometimes you have to call an audible, so we sat second." Choctaw Nation (Louis Quatorze), favored at 2-1, could only manage fourth while making his first start since placing third in the G1 Dubai World Cup Mar. 26. Bandari demonstrated all of his trademark determination when beating Maraahel to provide Sheikh Hamdan bin Rashid al Maktoum with a one-two in this contest. He had managed just one placing in his last four starts, a third in the G2 Jockey Club S. at Newmarket May 1, but flopped again when fifth in the G1 Coronation Cup at Epsom June 3. Leading the main pack as they ignored the tearaway pace of Orcadian (GB) (Kirkwall {GB}), he took command against the far rail at the top of the straight. Strongly pressed by Maraahel in the final quarter, he dug deep to repel that challenge and cause another upset. "He beats the big boys when least expected and that's the story of his life," said trainer Mark Johnston, who has won this three times in the last six years. "In the Coronation Cup last time we thought physically he was in great form, but he didn't deliver and dented our confidence. I think maybe he likes small fields, and being on his own against the far rail paid off, as he likes to feel that he is dominating." Last year's G1 King George VI and Queen Elizabeth Diamond S. winner Doyen (Ire) (Sadler's Wells) was sent off the 13-8 favorite, but never looked dangerous in the straight and was virtually pulled up in the closing stages. "He was disappointing today and his action never felt great when I let him down," jockey Kerrin McEvoy explained. "He wanted to go left at first and then right and the race found him out today."

faltered to be seventh in Afleet Alex's GII Arkansas Derby Apr. 16. Bred top and bottom to appreciate the turf--he is a close relative to former Churchill turf star Chorwon--Rush Bay made his first infield appearance in the GIII Crown Royal American Turf S. May 6, losing in a photo to Rey de Cafe,

who has subsequently returned to take the GIII Hill Prince S. at Belmont Park. The narrow second choice, getting blinkers off for this try, settled kindly towards the back of the pack as Ground Control (Golden Missile) cut out the early fractions. Given his cue while five wide on the turn, Rush Bay continued on that path into the stretch, struck the front approaching the eighth pole and held sway late. [Click for the brisnet.com chart. special. When we first got him, he was a little cantankerous, even though he was already gelded. I thought the best way to handle him was to get along with him and smother him with kindness. I think that turned him around. He converted all the energy he used to be nasty into his ability to compete.

Proudest Moment in Racing: That would have to be getting John Henry ready for the (1982) Santa Anita H. He hadn't raced in three months, and he was carrying top weight of 130 pounds. I had to get him ready to run a mile and a quarter off workouts alone. (John Henry was second by a nose, but winner Perrault had carried him out the last 70 yards and was DQ'd. The time was 1:59).

Favorite Music: Frank Sinatra.

Last Good Movie You Saw: "A Beautiful Mind." That was absolutely unbelievable, and it was a true story. Russell Crowe should've won another Academy Award.

Favorite Dessert: I try not to eat dessert, because I'm watching my weight, but I do like flan.

Favorite Vacation Spot: I really don't take vacations--I haven't taken a real vacation in 25 years. But, every year after the Del Mar meet is over, I go to Europe on a shopping spree. I look for more horses like Sweet Return and Fast and Furious, who is going to run in the Arlington Million this year.

Favorite President: Ronald Reagan, for one thing because he loved racing--he was a breeder when he was governor of California. And he was very charismatic. Even though he was a Republican, I think a lot of Democrats respected him, too.

CONGRATULATIONS!

Don't Get Mad made his patented, sweeping move on the turn to collect his fourth victory in five starts under the Twin Spires. After a pair of wins for trainer Paul McGee at this track last fall, the bay moved to Ron Ellis's shedrow in California. He ran second in the GII San Vicente S. Feb. 13 and third--to Consolidator and

Giacomo--in the GII San Felipe S. Mar. 19, but faltered in the GI Santa Anita Derby Apr. 9 and wound up 10th. Shipped to the Bluegrass State, he posted an impressive win in the Derby Trial S. Apr. 30 and came back a week later in the GI Kentucky Derby. The B.

Wayne Hughes colorbearer, near the back of the pack early, put in a solid 10-wide rally which carried him to a fourth-place finish. His training was interrupted due to the herpes quarantine at Churchill, but that didn't prove to be much of an obstacle here. Allowed to settle into stride well off the early pace by Gary Stevens, the handsome colt zoomed into contention on the turn. He hit the front in the stretch and opened up in the final furlong.

post the handy win. The dark bay filly won her first three turf starts, including a restricted stakes at Calder in November, then was beaten just a half length when rallying for fourth in the Jan. 1 Tropical Park Oaks. Given a break following that effort, she returned to be second while running against colts as the 3-2 chalk in the Apr. 9 Sophomore Turf S. at Tampa

Bay Downs. The Glen Hill homebred faced fillies once again in her latest and just missed, finishing a 3/4-length runner-up to Sweet Talker in the May 6 Edgewood S. at Churchill Downs. Getting an extra sixteenth of a mile to work with here, she was uncharacteristically close to what proved to be a slow pace. Rich in Spirit was third behind the front-running winner of the Edgewood after six panels in 1:14.59, but reeled in that rival at the sixteenth pole and edged clear late.

Rested off that effort, the homebred resurfaced in open stakes company for the first time and handled the class hike with aplomb, winning the May 14 Suthern Accent S. by 6 1/4 lengths at Louisiana Downs. Well-backed in her first start outside the Bayou, Happy Ticket attended the pace three wide, drove past Injustice with a furlong to race and pulled clear. "She won eight in a row and she was never tested in any of those races," commented winning trainer Andy Leggio Jr. "[Owner] Mr. [Stewart] Madison thought it was time for us to step up a notch and she did." Favored My Trusty Cat (Tale of the Cat), last early, offered only a mild stretch rally and finished fourth.

Testing stakes competition for the first time in their young careers, Indian Ocean and Surf Cat put on a show for the Hollywood faithful in this prep for the GII Swaps Breeders' Cup S. July 9. A well-beaten third to Surf Cat in an Apr. 9 maiden over 6 1/2 furlongs of the Santa Anita main track, Indian Ocean won a similar event over this main track, covering the distance in 1:14 4/5 and earning a 101 Beyer in the process. Stretched to two turns for his most recent appearance, the Florida-bred colt raced greenly, but managed to post a one-length victory as the 4-5 chalk. Sent off the third choice in a field scratched down to just four runners, the colt stalked the pace from the outside, bid for the lead three deep into the stretch and outfought favored Surf Cat for the win. Buzzards Bay (Marco Bay), making his first start since finishing fifth in the May 7 GI Kentucky Derby, raced inside to the stretch, but faded late to be last. After beating Thursday's G3 Norfolk S. hero Masta Plasta (Ire) in a Hamilton maiden last time May 13, he held strong claims of adding to the honor roll of West Ilsley's Royal Ascot victors Flashy Wings (GB) and Championship Point (Ire). Settled in mid-division by Olivier Peslier throughout the early stages, he made smooth progress to challenge inside the final quarter to challenge the long-time leader Great Uncle Ted. He headed that rival at the eighth pole and was pushed out to assert as Golden Stud closed late. Connections are looking at the G1 National S. at The Curragh Sept. 18.

ROYAL ASCOT

MAID ON EASY LIST

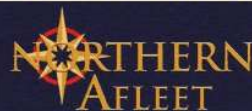

Martin Schwartz's **Maids Causeway (Ire)** (Giant's Causeway) pulled a muscle in her hip and pricked a foot during her heroics when winning Friday's G1 Coronation S. at Royal Ascot at York. After pulling up lame seconds after she had bested Karen's Caper by a short head in the mile contest, the chestnut will undergo a scan to determine the extent of the injury. "She is on her way home now. It had been feared she had fractured her near fore, but that has come to nothing," trainer Barry Hills told the *Racing Post* yesterday. "She has pulled a muscle in her off-hind hip. The foot is of secondary concern and should heal. I've not watched a replay of the race yet and can't tell you where it happened. We'll have to wait and see how things work out next week before we decide what to do next. She will be scanned next week."

Royal Meeting Flush with Success...

Ascot's Chief Executive Douglas Erskine-Crum gave the seal of approval to York's hosting of this week's Royal meeting, while assuring that it will be back at its home next year. "It's been incredibly well supported by the people of York and it's really been a triumph for planning and preparation," he said. "We decided to come to York because of the wonderful facilities and track and because it was far away, which we thought would be an advantage. People have come from all over the country and it's been a truly national event." He also had news of the redevelopment of the Berkshire venue. "It's coming on very well and the track is going exceptionally well," he added. "The underpasses are on track and, although the stands are a little bit behind, we'll catch up and we're confident of being back at Ascot next year."

For York's Clerk of the Course William Derby, it was a case of reflecting on a bright end to a week which began with rain and a slippery top surface to the turf. "It was unfortunate that we had such a wet start to the week, but the sun came out and the ground held up well and the jockeys were happy," he said. "We had a horseshoe-shaped track before and completed the circle for the Gold Cup and we're really pleased with the track extension. Ascot has run the meeting fantastically well and a huge amount of effort has gone into it from both teams. It's been a runaway success." Yesterday's crowd figure of 48,539 took the five-day total to 224,468, which prompted the Queen's representative at Royal Ascot, the Duke of Devonshire, to say, "We are delighted to have staged such a successful, popular and high-quality Royal meeting at York this year while Ascot's redevelopment is taking place. We have been overwhelmed by the way the event has been embraced in the region and the welcome we have received. More than 220,000 people have visited the Knavesmire this week and the operation has required a huge amount of planning, not just on Ascot's side, but from everyone involved. Royal Ascot at York will live in many memories for all the right reasons and we hope that many visitors from the region will join us at the new Ascot racecourse."

A champion and four-time Group 1 winner in her native Chile, Isola Piu Bella missed the entire 2004 season, but brought her South American form with her to the States. The bay mare captured the Feb. 26 GIII Sabin H. at Gulfstream in her second U.S. start and, after running second in the Mar. 26 GII Rampart H., was in the winner's circle again after the Apr. 23 GIII Sixty Sails H. at Hawthorne. The heavy chalk to earn her third stakes score on this side of the equator, she tracked the pace while saving ground, angled outside for the stretch run and closed well to win going away.

Capeside Lady won two stakes on the main track at Monmouth last year, cruising to a 13 1/2-length victory in the Little Silver S. last July and returning to post a 6 1/2-length score in the GII Monmouth Breeders' Cup Oaks in August. The bay filly was moved to the turf after finishing fourth in the GIII Turnback the Alarm H. at Aqueduct in the fall. After running fourth again in a stakes at Calder in November and returning to be seventh in the Fort Monmouth S. on the Monmouth lawn May 30, she found herself back on the main oval here. Sent off the 6-5 favorite, she pressed the pace, shot through an opening on the rail as they raced for the stretch and galloped away to an easy triumph. "It helped that the rail opened and she was able to scoot through," said Anthony Sciametta, assistant to trainer Todd Pletcher. "After that, she just opened up and said, 'catch me if you can.'"

Plans 'Scrapped' for Grand Slam of Grass:

Scrappy T (Fit to Fight) will not run in Colonial's Grand Slam of Grass next Saturday after posting an unsatisfactory eight-furlong move over the Virginia track's turf course Friday, according to *The Blood-Horse*. The GI Preakness runner-up was clocked at about 1:39, but didn't impress his connections. "He just didn't take to it [the grass]," trainer Rob Bailes told the publication. "[Jockey] Ramon [Dominguez] said he didn't have the same spurt that he had on the dirt. It's a little disappointing, but you've got to go with what your jockey's telling you." Bailes said that Scrappy T may start next in the GII Ohio Derby July 2.

"There appears to be something of a trend towards Classic winners being sired by sprinter/milers. In 2003 & 2004, the G1 Kentucky Derby & G1 Preakness S. were taken by sons of Distorted Humor (Funny Cide) & Elusive Quality (Smarty Jones) ...and on Saturday, the Preakness fell to Afleet Alex, a son of Northern Afleet."

Reserved off the early speed, he made inroads towards the stands' rail and grabbed Strike Up the Band at the eighth pole before asserting in the closing stages. "He's the fastest I've had, I think," commented conditioner Bryan Smart. "He's in the Weatherbys Super Sprint [at Newbury July 16] and that's his season's target, so this was a bonus. He's also in the Tattersalls Ireland Sales S. at The Curragh [Aug. 20], but he owes us nothing now."

Wokingham S. cont.

This race was all about Iffraaj, who made light work of one of the season's most competitive cavalry charges to reward significant punters' confidence. Confined to just one run by injury when fourth in a Newmarket handicap last April, he returned with a comfortable success in a Kempton handicap Mar. 28 before capturing the Victoria Cup at Lingfield last time May 7. Enjoying the perfect lead from the speedball Fire Up the Band (GB) (Prince Sabo {GB}) until halfway, he was committed at the head of affairs by Philip Robinson at the quarter pole. He brushed aside a brief challenge from Beckermet soon after and powered clear for an authoritative success. "He's a good horse and we've always known that," his jockey said. "We were just concerned about how he would go on fast ground and, to be fair, he hated it, and I was worried he wouldn't stretch. It took 200 yards for him to, but once he was picked up, I knew we were going to be okay."

Notable Guest's sophomore campaign was curtailed by injury after finishing third behind the smart Into the Dark (GB) in a Newmarket handicap and winning a Hamilton maiden last July. He returned on the 2000 Guineas card to win a competitive affair last time Apr. 30 and defied an unfavorable high draw here to continue his upward progression. Settled in rear by the in-form Mick Kinane, he was allowed to creep into the contest on the outside at the top of the straight and was driven out to lead with 1 1/2 furlongs remaining. Pressed by Crow Wood in the closing stages, he was always holding that rival to provide his jockey with his sixth success of the week. "This is a useful horse," commented Sir Michael Stoute after Notable Guest had assured him of the leading trainers' title at the Royal meeting. "I have been very lucky that the owner has allowed me to be very patient with him and he is only now filling his shape and getting his full strength."

Royal Ascot's closer is its most curious antique, and it was Cruzspiel who brought the week at York to an end with a game display in this marathon event. Formerly with John Oxx, the out-and-out stayer had finished third in the G3 Queen's Vase at this meeting two years ago and in the G3 Curragh Cup last June. His form had appeared to tail off for his new trainer, but he was not disgraced when 10th in the G2 Henry II S. at Sandown last time May 30 and relished this sun-baked surface to revisit past glories. Content to take a lead throughout the first two miles, he was sent to the front with six furlongs remaining and maintained the gallop all the way to the line to deny the 2002-03 hero Cover Up and Kieren Fallon. "John Oxx did what a lot of trainers wouldn't do and told us we'd get the best out of this horse by moving him and sending him to the UK," owner Pat Garvey explained. "John advised us to send him to James Fanshawe because he likes good, firm ground--there are only a limited number of staying races in Ireland and every time he went for one it came up soft."

Nufoos had the misfortune to run into the smart Lucky Spin (GB) in the G3 Chartwell S. at Lingfield May 7 and into subsequent G3 Jersey S. third Camacho (GB) in the Listed Sandy Lane S. at Haydock two weeks later. But she met nothing of that calibre in this consolation prize and carried on this week's purple patch for her owner, Sheikh Hamdan. Accepting a lead throughout the first half mile, she was allowed to stride on at the three-furlong marker and quickly settled the issue before being kept up to her work to record a deserved first stakes success.

Newmarket, 4.25, Mdn, £7,300, 2yo, 7fT, 1:27.21, gd/fm.

PORTERS (c, 2, Minardi--Time for the Show, by Academy Award) went postward as the well-backed 5-2 pick to improve on a debut fifth at Sandown eight days previously and he did so with a dominant display here. Positioned in a close third after the opening exchanges, he eased to the fore at the distance and was ridden clear in the closing stages to defeat the running-on Possessed (GB) (Desert Prince {Ire}) by an eased-down 2 1/2 lengths. A \$110,000 KEENOV weanling and a €45,000 GOFORB yearling, he marks the second winner for his freshman sire (by Boundary). Lifetime Record: 2-1-0-0, £4,745.

CODE ORANGE (GB) (f, 3, Green Desert--Warning Belle {GB}, by Warning {GB}) started her fifth out as the 11-8 second favorite. Returning from a runner-up finish at Haydock June 2, the filly posted a rather fortuitous success. Tracking the leading pair on the outside from flagfall, she missed the scrimmaging at halfway and was ridden clear inside the final quarter before holding on late as the unlucky 10-11 pick For Scarlett (Red Ransom) closed to within a half-length. The winner was a 150,000gns TATHOU yearling purchase. Lifetime Record: 5-1-3-0, £8,609.

YASOODD (GB) (c, 2, Inchinor {GB}--Needwood Epic {GB}, by Midyan) finished fifth on debut at Leicester May 30 and went postward for this as a weak-in-the-market 5-1 chance. Settled in fourth from the gun, he made continued smooth progress to lead approaching the final furlong and was coaxed clear in the closing stages to account for Silent Times (Ire) (Danehill Dancer {Ire}) by an easy three lengths. The half brother to Gript (GB) (First Trump {GB}), SW-Fr, \$120,017, sold twice, for 55,000gns as a TATDEC weanling and for 100,000gns as a TATOCT yearling. Lifetime Record: 2-1-0-0, £4,124.

Taking command with three furlongs remaining, the 3-1 second choice quickened clear before being geared down to beat Nor'wester (GB) (Inchiner {GB}) by two lengths. The Cheveley Park homebred is a half brother to Gallant (GB) (Rainbow Quest), GSP-US, \$226,785; and a full brother to Byron (GB), MGSW-GB & G1SP-Fr, \$257,284. Lifetime Record: 2-1-0-0, £3,692. The 16-1 outsider gained the edge over that rival inside the final 100 yards, but caused interference before asserting to score by a half length. The stewards allowed the result to stand.
