**ORATORIO OUSTS MOTIVATOR**

He takes some stoking up, but when he gets going, Susan Magnier and Michael Tabor's **Oratorio (Ire)** (Danehill) can do some damage. He dealt a major blow to **Motivator (GB)** (Montjeu {Ire}) in yesterday's G1 Coral-Eclipse S. at Sandown, handing that rival his first-ever defeat. Last year's G1 Prix Jean-Luc Lagardere winner trailed in 25 lengths behind Motivator in the G1 Epsom Derby June 4, but showed a spark of revival in the interim, running third in the G1 St James's Palace S. at Royal Ascot at York June 14. "We don't know what really happened in the Derby, and every week for some reason he's just getting better and better," said trainer Aidan O'Brien. **Coral-Eclipse S. cont. p2**

**AMERICAN ANTHEM**

Unbeaten **Melhor Ainda** (Pulpit) will fly the flag for the U.S. in the \$750,000 GI American Oaks today at Hollywood Park. She is one of seven American-based fillies in the field, with three fillies coming over from Ireland in addition to representatives from England, Italy and Japan. **Silver Cup (Ire)** (Almutawakel {GB}) has been nearly unstoppable in Italy, most recently rallying to take the G2 Premio Regina Elena May 15 at Cappanelle for her fifth victory in six career starts. "She is improving with each race," commented trainer Stefano Botti. "I'm not worried about a mile and a quarter; I just hope the trip did not take too much out of her." **Cont. p10**

**YOU'RE SO VAIN**

The \$300,000 GI Vanity Invitational H. at Hollywood has the brilliant **Andujar** (Quiet American) as the headline act, but the supporting cast is certainly capable. The last two winners of the GI Hollywood Starlet S., **Hollywood Story** (Wild Rush) and **Splendid Blended** (Unbridled's Song), are set to go, as is the intriguing newcomer **Casty (Mex)** (Valiant Nature). The four-year-old has captured 14 of 17 career starts. "She has earned \$322,333, which is like \$3.2 million in the U.S.," said trainer Ruben Contreras. "It may be too tough here, but a friend kept pushing me into thinking about coming after her last race, and the owner said it was all right to go." **Cont. p11**

**Getting Motivated...**

Kieren Fallon had to get to work on the languid **Oratorio** even off steady early fractions in the Eclipse, but the colt responded to sit a stalking third. The 12-1 shot had 2-5 pick **Motivator** firmly in his sights in the straight and, as the Derby winner was committed at the quarter pole, he quickened on the uphill climb to inhale him with 100 yards remaining. "I don't think we've ever had a tougher horse than this fellow," commented Aidan O'Brien. "He's sound and tough, but is inclined to be so lazy and laid-back and all he does is eat and sleep at home. He is very honest, but I think racing is going to get the best out of him. He's really something to look forward to. The plan was to come here and go back to a mile for the G1 Sussex S. [at Goodwood July 27] to try and wake him up." Added Fallon, "He deserved this and we always expected it. He...was running on strongly at York, so a mile and a quarter here was always going to suit. He's a very good horse and is tough, so it was always going to happen for him."

**The Fate of the Favorite...**

Forced to share the early lead due to lack of pace, Motivator looked booked for further success at the quarter pole, but was caught on the line. "The ground was a little bit fast today and, although he felt very good through the race, a furlong out he just changed his legs and put his head in the air," jockey Johnny Murtagh said. "I always thought that he was a mile-and-a-half horse who needed cut in the ground and that's still what I feel...my first comment when I rode him was he'd be a lovely horse to ride in the Arc and I'd look forward to that."

Produced by a half sister to leading sire Dynaformer, Offlee Wild earned his first career Grade I win and stamped himself as one of the best remaining runners in his division. At three for previous trainer Thomas Smith, the dark bay won the GIII Holy Bull S. and ran third in the GI Blue Grass S. before finishing 12th in the GI Kentucky Derby. After a lengthy stint on the sidelines, he came back to the races that fall, but failed to win in five more starts for Smith and was transferred out of that barn following an eighth in last winter's GIII Skip Away H. He won an allowance race for Rick Dutrow in May before annexing the GI MassCap in June, but was out of action until the winter. After a close second in the John Campbell H. Feb. 19 at Laurel, the five-year-old romped in the GIII Excelsior Breeders' Cup H. Apr. 2 at Aqueduct. He floundered in the gooeey going in the GI Pimlico Special H. May 20, finishing sixth to Eddington, and was given some time to recover. "He didn't run at all over the wet track at Pimlico," explained owner Lansdon Robbins. "We did some tests and X-rays and didn't find anything serious." Getting the green light with Juan Rodriguez subbing for the suspended Dutrow, the third choice cruised along in fourth as the inexperienced Record Buster (Alphabet Soup) raced the wind down the backstretch. Offlee Wild, moving in tandem with favored Pollard's Vision, reeled in the pacesetter on the turn before putting away his game rival in the lane. "I have to give T. V. Smith a lot of credit," Robbins added. "He picked out a lot of my horses in 2001." Robbins indicated that the GI Arlington Million Aug. 13 was under consideration for Offlee Wild, in addition to the GI Whitney H. Aug. 6. After upsetting champion Kitten's Joy at 27-1 in the GI Breeders' Cup Turf Oct. 30, Better Talk Now faltered as the even-money choice in the GI Hollywood Turf Cup Dec. 4, finishing sixth. He regrouped with a win in the GIII Fort Marcy H. Apr. 23, but his late charge fell short in a fourth-place effort in the GII Dixie H. at Pimlico May 21. With rabbit Shake the Bank (Sandpit {Brz}) running on a long, lonely lead here, the favorite lingered near the back of the pack. The six-year-old came up the rail in the stretch, pounced to the lead and came home safely in front. "I got a little nervous at the quarter-pole when it looked like the rabbit would keep going," admitted winning trainer Graham Motion. "But our plan couldn't have worked out any better. [Jockey] Ramon [Dominguez] rode a great race."

After breaking his maiden in his final outing last year, the bay was well-beaten at Gulfstream Feb. 21, but regrouped to win on the grass at Keeneland Apr. 23. He came from way out of it to be third, beaten a half-length by Unbridled Energy (Unbridled's Song), in the GIII Marine S. at Woodbine May 21, and added a 4 1/2-length tally in the Victoria Park S. June 12. Lightly regarded here at 8-1, Palladio came away well and raced along in fifth as Hal's Image (Halo's Image) set a moderate pace. Wend had an awkward start and was giving away a ton of experience to her rivals, but overcame those

obstacles to maintain her perfect mark on the grass. After finishing unplaced on the dirt at Aqueduct Nov. 24, the Claiborne homebred captured her turf bow at Tampa Jan. 2 and added a pair of daylight allowance wins at Gulfstream over the winter. She aired in the Hollywood Wildcat BC H. at Calder Apr. 30, but hadn't

Wend Adam Coglianese photo

been out since. Though she had previously raced on or near the lead, Wend came away a bit slowly here and found herself at the back of the pack under a stranglehold by Jerry Bailey through extremely soft fractions. Bailey let out a notch approaching the far turn and the bay took the lead at the top of the stretch. Veterans Wonder Again and Film Maker took aim at her, but Wend found the wire in time. "She cut her lip going to the gate," said winning trainer Bill Mott. "If she breaks good, she would have been well in front. When I saw the fractions and saw where she was, I wanted to throw up. With the Breeders' Cup here this fall, this was a good test to see how she would handle better company and more distance." Wend could go next in either the GI Diana H. at Saratoga July 30 or the GI Beverly D. at Arlington Aug. 13. "I also have Sand Springs for one of those races," added Mott, who later won the GIII Locust Grove H. at Churchill with Delta Princess. After a layoff of 280 days, Playful Act confirmed her class with a hard-fought score in this competitive renewal. The bay had not been out since proving a length too strong for Maids Causeway (Ire) in the G1 Fillies' Mile at Ascot last September. She was fresh and keen throughout the early stages of this contest, but was helped by the generous pace and eventually settled in third for Jimmy Fortune. Angled wide inside the final three furlongs, Playful Act was still in hand approaching the eighth peg. She quickened to the front in a matter of strides and was all out as Hidden Hope closed wide late, but the post arrived in time. "She's not back to her best yet," trainer John Gosden told *PA Sport*. "The plan is the G1 Irish Oaks [at The Curragh July 17] and that's where we'd like to go, but we will see how she is over the next few days. It's 15 days to Ireland, but it is a nice month to York [for the G1 Yorkshire Oaks Aug. 17]. But obviously if she is going to be an Irish Oaks filly, she needs to step up again." second consecutive graded stakes victory. Winner of the Navajo Princess S. at the Meadowlands last Oct. 1, the dark bay was a close fifth in the GIII Athenia H. at Aqueduct Oct. 31 before getting a breather. Second in the Jan. 9 Marshua's River S. at Gulfstream, she took the

Endeavour S. at Tampa Bay Downs by a half-length Feb. 26, was runner-up to Intercontinental (GB) in the GIII Jenny Wiley S. at Keeneland Apr. 17 and was coming into this off a one-length success in this track's GIII Mint Julep H. Atypically close to the front as Shaconage cut out pedestrian early fractions, Delta Princess was rated along near the inside by jockey Brice Blanc, but still had two lengths to find as Marwood overtook the pacesetter at the eighth pole. Angled out to the five path with a sixteenth of a mile to race, the Bill Mott trainee rallied gamely and was along in time for the narrow win. "We told Brice to save as much ground as possible and bring her out and give her a nice clean run at the wire," said assistant trainer Kenny McCarthy. "Hats off to Brice; he's never ridden her before, but he's been beat by her a couple of times." Shaconage rerallied to nip Marwood for second money. "There's really not much to say," said Shaconage's jockey Mike Smith. "She's running out of this world, but the other horse is just beating her, you know?"

**TDN ☆ Star of the Week ☆**

Brought to you by  **FASIG-TIPTON**

**Shug McGaughey**

*Horsephotos*

**This week's accomplishment:**

A decade after conditioning Inside Information to a championship, McGaughey saddled her daughter Smuggler to victory in last Saturday's GI Mother Goose S.

**Birthplace:** Lexington, KY

**Birthdate:** 1-6-1951

**Family:** Wife Allison; sons Claude IV and John Reeve.

**What are the similarities between Inside information**

**and Smuggler?** Smuggler is a little more bunched-up--her mother was longer--and has a deeper girth, but when they're running straight at you, they look an awful lot alike. And both give you everything on the track.

**Most underrated sire?** You know who I've been really impressed with is Horse Chestnut. I've got a couple in the barn now I really like. There was a filly that won on the turf the other day, and another named Winner that won her first time out real impressively.

**What Was the Last Movie You Saw?** The Longest Yard. It was all right. I don't remember the first one all that well, but I think it was probably better. This one was a bit hokey-pokey.

**Favorite Vacation Spot?** Florida. When I'm down for the winter, that's vacation enough for me. I'd rather take a day or two and go fishing in the Keys or down in the Bahamas than take a whole week off. I get to worrying about the horses, calling in everyday, and I probably get more worked up over stuff than I should. Today, I took off from the barn a little early and played a few rounds a golf before coming back.

**What's your take on the drug situation in racing?** I think it did get out of control there for awhile. But there's been a lot of talk about it lately, and that's a good thing. The monitoring barn, while inconvenient, is working out well; Milkshake testing is a good thing. For a long time I was very dissatisfied; I'm getting more satisfied.

connections of Purim are feeling positively giddy following their colt's victory in this first leg of the Mid-America Triple. Easily the least seasoned member of the field, the homebred debuted innocently enough, taking a six-furlong maiden over the Tampa main track by

2 3/4 lengths Apr. 30. Bred nicely for either surface, the dark bay made his next start in Churchill allowance company going a flat mile on the turf June 4 and he handled it quite nicely, settling just off the pace before surging late to another 2 3/4-length score. Tracking the pacesetter United from second, Purim was roused to the front at the eighth pole and quickened clear. "He ran a tremendous race," said winning rider Mark Guidry. "The more you run him, the more professional he'll get and the more you'll hear from him." Favored Guillaume Tell (Ire) (Rossini), blinkered for the first time, was bumped hard at the break, raced keenly in the opening stages and weakened to finish last.

Sandown's Eclipse card got off to a dramatic start with the fall of Celtic Mill (GB) (Celtic Swing {GB}) and a bobber at the finish which went the way of the improving Resplendent Glory. The winner showed the same early speed he had evidenced when winning the Listed Scurry S. over course and distance June 11 to dispute the advantage with Celtic Mill. He found himself alone on the lead when a weakening Celtic Mill, crowded by the rallying Lafi, stumbled and fell just over a furlong out. Lafi came on again in the final 50 yards, but Resplendent Glory held on gamely. A stewards' enquiry found no wrong-doing. Stipendiary steward William Nunneley told *Racing Post*, "It was one of those unfortunate things where there can be serious consequences, though nothing has been done wrong." Celtic Mill escaped from the fall unscathed, but jockey Frankie Dettori was taken to hospital for X-rays on a suspected broken collarbone and could be out up to six weeks. Connections of the winner revealed that he will be aimed at the G1 Prix de l'Abbaye de Longchamp Oct. 2.

When asked, he delivered his challenge to lead with 100 yards remaining before asserting from the game Miss Lips. June 10. Backed as the second choice to make it two straight, Whimsy settled in the early going as Mary Alex set the early fractions. Swung out for the stretch drive, she rallied to the lead and drew clear late to post her first graded stakes victory. "She wasn't really ready as a two-year-old, so we sent her back to the farm," winning trainer Michael Stidham said. "We hoped she would be able to fire back with the same kind of race she ran last time and she obviously did and she beat a pretty good filly, Cee's Irish, who is already a graded stakes horse on the West Coast. I don't think she has any distance limitations. If anything, she has improved going around the turns."

Stalking the pace from third, R. Associate rallied two deep into the stretch and set sail for Roscoe Pito, who carried a 1 1/2-length advantage past the eighth pole. He collared that rival inside the final 100 yards and drove clear to his first graded stakes success.

**Melhor Ainda** has cruised to victory in each of her four career starts, most recently in the Gill Sands Point S. June 5 at Belmont. She meets a California contingent which most recently squared off in the Gill Honeymoon Breeders' Cup H. June 5. **Three Degrees** was first across the wire that day, with **Thatswhatimean** second, **Isla Cozzene** third, **Singhalese** fourth and **Louvain** sixth. The American line-up is completed by **Memorette**, who will be making her turf debut. The Cal-bred has held her own against the best of her division on dirt, with three Grade I placings, and is coming off a second in the Gill Hollywood Breeders' Cup Oaks June 12. "I think Memorette will be a better filly on turf than she was on dirt," jockey Kent Desormeaux said. "She ran like a turf filly on dirt. The question Sunday will be if she can step it up to this level." In addition to Japanese Oaks heroine **Cesario**, the overseas crew features **Hallowed Dream**, runner-up in the G1 Oaks d'Italia June 18; **Luas Line**, third by a half-length in the G1 Irish 1000 Guineas May 22; **Silk and Scarlet**, heroine of the G2 Debutante S. last year; and **Sweet Firebird**, who broke her maiden going this distance at Clonmel May 26. The latter, a 3/4-sister to Stravinsky, had previously been third in the G3 Blue Wind S. May 14. She will be saddled by Dermot Weld, who won this contest with Dimitrova (Ire) in 2003. "Like Dimitrova, Sweet Firebird is a very tough, very genuine and very sound filly," Weld explained. "She's fresh, beautifully bred and progressive."

**Deutsches Derby cont.**

Peter Schiergen enjoys a stranglehold on this year's renewal, with **Arcadio**, **Konigtiger** and **Silent Wind** all representing the trainer who saddled Boreal (Ger) to victory in the race in 2001. Arcadio burst onto the scene with a 15-length success in the G3 Bavarian Classic at Munich last time May 26 and sets the standard, but the unbeaten Konigtiger has battle experience and could upstage his flashier stable companion. He was a Group 1 winner at two, taking the Gran Criterium at the San Siro in October, and showed a willing attitude to follow up in the G3 Albert von Metzler-Rennen at Frankfurt Apr. 24 and G2 Oppenheim-Union-Rennen at Cologne last time June 12, when only a nose separated him from Silent Wind. Andreas Schutz has dominated this contest in recent years, saddling five of the last seven winners. His best chance appears to rest with **September Storm** this time. The colt looked special when winning his maiden at Mulheim May 26 and duly followed up in the Listed Derby-Trial at Bremen June 19. He bids to emulate his sibling Shirocco (Ger), who was stunning in victory here 12 months ago.

After spending most of his career as a turf horse, **Forest Grove** has been reinvented as a main-track sprinter, and that looks to be his future. The chestnut was a game second in the GIII Count Fleet Sprint H. at Oaklawn Apr. 14 before wiring the field in the GIII Los Angeles Times H. May 14, earning respective Beyer Speed Figures of 107 and 109. The lightly raced **McCann's Mojave** ran down Congrats to win the 7 1/2-furlong Ack Ack H. June 11 in his first start at Hollywood. Sidelined after a second to champion Speightstown in the GII Churchill Downs H. last May, the Cal-bred was unplaced in his first three starts back, all in graded stakes company, before the Ack Ack. **Mass Media** has shown flashes of brilliance in his career, but he is still looking for his first victory this year after four starts. He is coming off a good third in the GII True North Breeders' Cup H. at Belmont June 11.

**Andujar**, who couldn't find her way to the winner's circle in five French races, has been nearly unstoppable since arriving in L.A. Following a half-length second in her U.S. bow down the hill at Santa Anita, the bay graduated over the same trip Apr. 7, added a 10 1/2-length allowance win on the main track Apr. 28 and was purchased privately. She handled the rise to stakes company with aplomb when she wired the GII Milady Breeders' Cup H. June 4, defeating **Hollywood Story** by seven lengths. **Splendid Blended's** lone defeat at two was a second to champion Sweet Catomine in the GII Oak Leaf S., and she ended the year with a win in the GI Hollywood Starlet S. The chestnut didn't race again until June 4, when she was a very game fourth in the GI Acorn S. at Belmont. She received an invitation for the American Oaks, but that plan was scrapped after an unconvincing workout on the turf. The Florida-bred is seeking to become the first three-year-old to claim the Vanity since her fellow Sunshine State native It's In the Air did so in 1979.

As part of the new French initiatives, this race was reduced from its usual trip of an extended nine furlongs and brought forward in the calendar. Aidan O'Brien suffered a blow when his G1 2000 Guineas hero Footstepsinthesand (GB) was retired last week, so the ball is firmly in the court of Ballydoyle's **Ad Valorem** in the premier mile contests to come. He looked to possess more than an average dose of speed when winning the G1 Middle Park S. at Newmarket in October, and shaped well on his return over a mile when runner-up to Shamardal in the G1 St James's Palace S. at Royal Ascot at York June 14.

**Prix Jean Prat cont.**

Rocamadour finished fourth on that occasion, having chased Shamardal home when third in the G1 Prix du Jockey-Club at Chantilly June 5. He had shown his effectiveness from the front when winning the Listed Feilden S. at Newmarket Apr. 14 and the Listed Newmarket S. Apr. 30 and will be dangerous if allowed a soft lead here. "He deserves his chance and is in great condition," trainer Mick Channon told *Paris-Turf*. "He has class, is easy to train and is very consistent--he has a solid chance, especially if the ground has not softened too much." **Salut Thomas**, who was fourth in the G1 Poule d'Essai des Poulains, beat **Mathematician** and **Starpix** by two short heads in the Listed Prix Djebel at Maisons-Laffitte Apr. 5.

☆ NEWS TODAY ☆

**DETTORI INJURED AT SANDOWN** Frankie Dettori, last year's champion jockey in Britain, could have some difficulty defending that title after suffering a fractured collarbone in a spill at Sandown yesterday. Dettori was vying for the lead aboard **Celtic Mill (GB)** (Celtic Swing {GB}) in the G3 Laurent-Perrier Champagne Sprint S. when the colt clipped heels with Lafi (Ire) and fell. Celtic Mill's trainer, David Barker, told *Racing Post*, "[Dettori] said the horse wasn't travelling great and ran short of room. I went to see him in the racecourse hospital and he was lucid, but shocked and in pain, which you would be after a fall like that." Dettori was taken to Kingston General Hospital, where X-rays revealed the fracture. The jockey's manager, Peter Burrell, told *Racing Post*, "The hospital staff have done a great job and have looked after him extremely well." He added, "With a broken collarbone, it will be a month to six weeks before he is back in action." Celtic Mill escaped injury in the fall. Dettori had been the 7-4 favorite with Paddy Power to retain the championship, but those odds were eased to 8-1 after the spill. Jamie Spencer is now the 5-6 favorite to take the title race.

**PERFECT DRIFT EYEING HOLLYWOOD** Trainer Murray Johnson has circled the \$750,000 GI Hollywood Gold Cup for his multi-millionaire **Perfect Drift** (Dynaformer) after the gelding breezed a half mile in :48.20 yesterday at Trackside Louisville. "The timing is better than the Cornhusker and the horse is doing fine," said the conditioner. "It's a big pot, it's a Grade I and the locals haven't done a lot. [Fellow shipper] Limehouse is a good horse, but we'll take our shot. We've known all along that you're not going to win every Grade I that you go in--but you're never going to win if you don't run in them." In his most recent start, Perfect Drift ran third in the GI Stephen Foster H. June 18. Johnson said the final decision to run the six-year-old would be made after the weights are announced for the 10-furlong race, but indicated that a flight had been reserved for Wednesday.

Sunday, Hollywood Park

**TRIPLE BEND INVITATIONAL H.-GI**, \$350,000, 3yo/up, 7f

PP	HORSE	SIRE	WT
1	Roi Charmant	Evansville Slew	115

Missed most of his three-year-old year, and has improved recently, breaking through with a small lifetime top in his last. He's had time to recover since, and a repeat is possible, which might get him a check with an inside trip.

2	Saint Buddy	Saint Ballado	114
---	-------------	---------------	-----

Ran back to the best figure of his life in his last. But it was 15 months between "tops", his overall history is of bouncing from big efforts, and he's not fast enough.

3	Forest Grove	Forestry	118
---	--------------	----------	-----

Returned to dirt recently and confirmed that he much prefers it. His OP race two back was very big (neg 1), and a repeat of that effort gives him a big shot here. But that is the only race good enough to give him any chance—his Beyers are inflated due to some inside trips in small fields, and he's an underlay as one of the favorites.

4	Taste Of Paradise	Conquistador Cielo	116
---	-------------------	--------------------	-----

Ran big (zero) in his first try for G. Mandella, and did it off a layoff. He ran back to that race at LRL before a stinker on grass, and another layoff. Now he returns fresh, working well. Solis will have to work out a come from behind trip in a big field, but this is a live longshot.

5	Harvard Avenue	You and I	117
---	----------------	-----------	-----

Has shown gradual development throughout his career, and paired zeros before catching one of several quagmire rails in Kentucky this spring. This guy is the most likely horse to run his top or a new one, and he's fast enough to win. He faces coming from way back in a big field, but he's a contender.

6	Tsigane (Fr)	Anabaa	115
---	--------------	--------	-----

Was good last summer, but hasn't run as well since, and none of his dirt figures are competitive here.

7	Saint Afleet	Northern Afleet	116
---	--------------	-----------------	-----

Threw some good figures at two and early at three, but really hasn't gone on. He did improve enough to win a Grade II earlier this year, but would need to improve again to be competitive.

8	Mass Media	Touch Gold	116
---	------------	------------	-----

Ran huge at LAD as a two-year-old, and even faster at BEL last fall—his negative 3 is by far the fastest figure in the field. But note all of his good ones have come outside California (remember Sightseek?), and Frankel hasn't been on fire at HOL. We'll swallow hard and look elsewhere.

9	Areyoutalkintome	Smokester	117
---	------------------	-----------	-----

Has run 11 times over the last 12 months, and he's never gone more than one race without running his top. He hit a new level with a zero in March, bounced in a race where he had trouble, and then returned to his top last time. In that race he earned a much better figure than the winner—he was 4w while Forest Grove was on the rail. This horse is sound and getting stronger as he ages, and with two months rest doesn't have to bounce this time. Contender.

10	Bear in the Woods	Formal Gold	112
----	-------------------	-------------	-----

Is way too slow here.

11	St Averil	Saint Ballado	114
----	-----------	---------------	-----

Was very good at two and early three, but those big efforts ruined him—he's never gotten back to that level, let alone developed.

12	McCann's Mojave	Memo (Chi)	117
----	-----------------	------------	-----

Has a history of short campaigns and long layoffs. He ran a top (1-1/4) a little more than a year ago, and it hurt him so badly he disappeared for the rest of the year. He finally returned to that level last time, and we expect it to hurt again. Since even a repeat won't do him much good, he's a very weak morning line favorite.

13	Ender's Shadow	A.P. Indy	116
----	----------------	-----------	-----

Will probably take some money after showing speed and doing well in route stakes, including an astoundingly poor Grade II last time. But he's never run fast enough to be competitive here.

14	Unfurl The Flag	Bertrando	115
----	-----------------	-----------	-----

Has soundness issues, like McCann's Mojave, and like that one is coming off a big effort. But unlike that one he's had lots of time to recover, and has an even better race to run back to. On his best he is the second fastest horse, and he has some early speed in a race where several contenders will come from out of it.

**Overview** — *This is a scramble, with the favorites very beatable. Exotics are probably the way to go, with the live horses being Taste Of Paradise, Harvard Avenue, Areyoutalkintome, Unfurl The Flag.*

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor, and 65 other horses that have gone on to win stakes for their clients. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are Thoro-Patterns, and figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sire's and dam's runners at different distances, over different surfaces, and at different ages. Overlooked at 10-1 odds in the GI Breeders' Cup Distaff, she held her own to finish third behind Ashado in her final start of the season. Purchased for a hefty \$3.6-million at KEENOV last fall, she was heavily favored for her first start sporting the Godolphin blue silks. Silver Train opened some eyes with a seven-length maiden tally at the Spa last summer, then closed out his juvenile campaign with a well-beaten fourth behind Proud Accolade in the GI Champagne S. Oct. 9. He returned to the races for a pair of allowance attempts at Gulfstream, but could only manage a third-place effort Feb. 16 and a seventh-place finish Mar. 5. Freshened up off that dismal effort, he responded with a troubled third in the restricted Lite the Fuse S. at Belmont May 18. **IFFRAAJ HEADS JULY 26**

Sheikh Ahmed bin Rashid al Maktoum's **Iffraaj (GB)** (Zafonic) yesterday headed the 26 entries remaining in Thursday's G1 Darley July Cup at Newmarket. Impressive when taking the Wokingham H. at Royal Ascot at York June 18, the Michael Jarvis-trained four-year-old will be partnered by Philip Robinson on his stakes debut and the jockey is confident he can make the grade. "I was very pleased with him at York and he has come out of his race extremely well," he said. "He is looking really well and happy within himself and he is really starting to impress me." Jeremy Nosedo could be double-handed with Budget Stable's G3 Chipchase S. winner **Soldier's Tale** (Stravinsky) and Sanford Robertson's G1 Golden Jubilee S. third **Balmont** (Stravinsky). "I was thrilled with [Balmont's] run and he is now back in the same groove as he was as a two-year-old in 2003," the trainer commented. Lady Legard's multiple Group 1 hero **Somnus (GB)** (Pivotal {GB}), John Lazzari's Golden Jubilee S. runner-up **Galeota (Ire)** (Mujadil) and Toyomitsu Hirai's **Keeneland Swan** (Distant View) are other notables left in the six-furlong contest, which will feature a maximum field of 20 runners and a new reserve system. "Such is the competition at the top level of sprinting that, for the second year running, horses may have to be eliminated from the Darley July Cup, as also happened at York in the Golden Jubilee. It is precisely for this reason that I asked the BHB to introduce a reserve system for our race," commented Newmarket's Clerk of the Course Michael Prosser. "The fact that Iffraaj and Soldier's Tale seem to be improving at exactly the same rate adds a fascinating twist to next week's race."

**DAYANO DQ'D**

Gestut Fahrhof's **Dayano (Ger)** (Lomitas {GB}) has been disqualified from his second placing in the 2004 G1 Derby Italiano on a technicality. Unire, racing's governing body in Italy, took the unprecedented step after stating that trainer Andreas Wohler campaigned both Dayano and G2 Premio Carlo d'Alessio winner Simonas (Ger) against the country's rules of racing. Italian regulations state that a horse can carry its foreign colors for one month after its first start, after which he must be registered as imported and declared with Italian colors. The claim is that Wohler kept his horses at the San Rossore training center at Pisa beyond that time period. Connections are set to appeal against the decision, which has also resulted in prize money for Simonas's success in the Carlo d'Alessio being frozen.
