SOUTH AMERICAN GOLD MINE

Three of the last nine winners of the GI Hollywood Gold Cup have hailed from South America. Looking to follow in the hoofsteps of Siphon (Brz), Gentlemen (Arg) and Total Impact (Chi), **Al Arz (Brz)** (Roba Fina {Ire}) will break from the far outside in post 10 this afternoon. The only horse in the field with a victory at the 10-furlong Gold Cup distance, Al Arz hit the line first in six of his eight starts in his native Brazil. He capped a four-race winning streak with a 4 1/4-length score going a mile and a quarter in Group 2 company on Valentine's Day, 2004. The bay disappeared for more than 15 months after that effort, but returned with a promising second-place finish behind **Keep On Punching** (Silver Deputy) in an optional claimer at Hollywood June 4. "That was his first start off a long layoff, and I think the extra distance will help him," said trainer Paulo Lobo, who has guided the career of the talented import Pico Central (Brz). **Limehouse** (Grand Slam) has tried 10 panels just once before, finishing fourth behind Smarty Jones in the GI Kentucky Derby, but could be ready to tackle the route once again. The chestnut colt rebounded from a troubled fifth-place finish in the Apr. 9 GII Oaklawn H. to take the May 6 Alysheba S. at Churchill Downs. He made it two in a row in the June 11 GII Brooklyn H. at a mile and an eighth and is the morning-line chalk to make it three in a row.

WHAT'S IN A NAME?

Talented (Fusaichi Pegasus) will have the chance to live up to her name as she makes her graded-stakes debut in today's GI Prioress S. at Belmont Park. The bay filly dropped her bow to the undefeated and CCA Oaks-bound For All We Know, but has proved elusive in her last two. An eight-length maiden winner at Keeneland Apr. 27, the \$700,000 FTSAUG yearling overwhelmed the field by six lengths in winning the May 29 Twist Afleet S. But she will have to get past the lone previous Grade I winner in the Prioress, **Sense of Style** (Thunder Gulch). Coupled with **Maddalena** (Good and Tough), the bay is winless in three tries since taking the GI Matron S. last September and **Sense of Style** Adam Coglianesse cuts back to a sprint following a nose defeat in the Revidere S. going two turns at Monmouth June 4. "I think she has a lack of stamina," trainer Patrick Biancone admitted. "She won the [GII Spinaway S. at seven furlongs] by 6 3/4 lengths, but only won the Matron at one mile by a length." Biancone added that the Prioress is not the main goal for his filly. The \$800,000 KEESEP yearling is being pointed for the GI Test S. at Saratoga Aug. 6. "We're just using the Prioress as a prep for that," he said. **Prioress field, p2**

Madcap Escapade suffered her first-ever defeat when she stretched out to a mile and an eighth for last year's GI Kentucky Oaks, finishing third behind subsequent Eclipse winner Ashado. She came out of the race with a hip fracture and was sidelined for nearly 10 months, but looked as good as new as she reeled off wins in the Feb. 19 GII Shirley Jones H. at Gulfstream and Apr. 13 GIII Madison S. at Keeneland. The bay faded after setting the pace in the Humana Distaff, but has been working bullets for her return. She faces the unbeaten Louisiana-bred **Happy Ticket**. Seven-for-seven while racing almost exclusively against state-breds last season, the four-year-old cruised to a 6 1/4-length score in her seasonal bow, the May 14 Suthern Accent S. She took on graded foes for the first time in the June 18 Chicago BC H. and remained undefeated with a 3 1/2-length tally over the consistent **Savorthetime**.

Smile Sprint H. cont.

On the board in 12 of 15 local starts and perfect in two tries at the distance, **Nightmare Affair** won the Apr. 9 Sprint S. at Tampa and followed up with a solid 1 1/4-length success over **Toscani** in this track's Ponche H. Apr. 30. Tried at a mile in his latest, the gray was caught late in the June 5 Blazing Sword S. and should be well suited by the cutback in distance this afternoon. **Woke Up Dreamin** looms a slight favorite off his big-figure victory in the GII True North BC H. on Belmont day, but must deal with a ton of other speed, including **Don Six**, who comes in off a 2 1/4-length score in the Longfellow S. at Monmouth June 11.

6	Don't Get Mad	Stephen Got Even	Ellis	9-5
7	Indian Ocean	Stormy Atlantic	Robbins	3-1
8	Khyber Pass	Running Stag	Cerin	15-1

Indian Ocean was extremely green in winning his two-turn bow over this surface May 25, but was much more professional in his latest, digging in late to best **Surf Cat** by a neck in the GIII Affirmed H. June 18. Trainer Jay Robbins sent Tiznow out to finish second to Captain Steve in the 2000 renewal and looks to go one better here. **Don't Get Mad** is easily the most accomplished member of this octet and is a deserving favorite. However, despite some visually impressive efforts, including a 3 1/4-length victory in the June 18 GIII Northern Dancer BC S. at Churchill, he has yet to post a triple-digit Beyer and must prove he is something other than a Louisville slugger.

7	Friel's For Real	Sword Dance (Ire)	Allard	10-1
8	Madonna Lily	Elusive Quality	J Jerkens	15-1

Capeside Lady, who romped to a 6 1/2-length score in the GII Monmouth BC Oaks over a muddy main track last year, is likely to catch a wet track again here. The bay filly was freshened after her Grade II romp, returning to be second behind Daydreaming in the Oct. 1 GIII Indiana BC Oaks. She was off the board in her next three starts, including a seventh-place finish in her 2005 bow, the May 30 Fort Monmouth S. on the grass, but returned to the main track and to the winner's circle for her latest, the June 18 Monmouth Beach S. over track and trip. "We know she loves Monmouth and she can handle any kind of track," said Anthony Sciametta, Jr., assistant to trainer Todd Pletcher. "Now we just have to get the job done." While **Capeside Lady** is a horse for the course, Sovereign Award winner **One for Rose** makes her first trip to the Jersey Shore, and only her second outside her native Canada. Fourth behind Azeri in the GI Spinster S. last season, the six-year-old mare captured four Woodbine stakes, beating the boys in the Seagram Cup, and was named the country's champion older mare. She opened 2005 with a second-place effort in the May 15 GIII George C. Hendrie H. before posting a head tally in the June 18 Ontario Matron H. last time out. **La Reason** looks to defend her Molly Pitcher title. The five-year-old mare posted the upset at 22-1 last year, then ran out of the money in seven of her next eight starts. She broke the losing streak with a Churchill allowance score at 11-1 May 25, and comes off a fourth-place finish in the June 18 GII Fleur de Lis H. in Louisville.

California-bred distaffers have won three of the last four runnings of this invitational and **Alphabet Kisses** and **Valentine Dancer** fly the flag for the Golden State this time around. Alphabet Kisses is the horse for this course, having won four of her five starts, but recorded her biggest victory across town, taking the GI La Brea S. last December. The four-year-old won the B. Thoughtful S. over track and trip Apr. 24, but faltered to be fourth in the GII Milady Breeders' Cup H. June 4. **Puxa Saco** missed by 3/4 of a length when third in the GI Humana Distaff H. at Churchill May 7, but atoned for that defeat with a solid three-length tally in the GIII Desert Stormer H. June 5.

Trainer D. Wayne Lukas, who has captured six runnings of the Debutante, including the last three in a row, goes for lucky number seven with **Dance Daily**. Purchased for \$600,000 at the Barretts March sale, the chestnut filly opened her account with a maiden win at Keeneland Apr. 20. She came right back to take on the boys in the May 7 Three Chimneys Juvenile S. at Churchill Downs, but faded to fifth after dueling through quick early fractions. "I probably brought her back against the colts a little bit quick, but I liked [her race] at Keeneland," Lukas said. "I think she is going to do really well. She's by a sire that gets fast horses, and she is certainly fast."

Lucky Spin, who was campaigned mainly over seven furlongs after winning the Listed Eternal S. at Warwick last June, rounded off her sophomore season with a third in the Listed Dubai Duty Free Cup at Newbury in September. She returned to take the G3 Chartwell Fillies' S. at Lingfield May 7 before flopping at a mile in the G2 Windsor Forest S. at Royal Ascot at York last time June 15. Struggling to lay up with these furious early fractions, she was gathered up by Ryan Moore and asked to close from rear passing the halfway mark. Quickening to collar La Cucaracha with 300 yards remaining, she stretched further clear with distance for an emphatic score. "She struggled for a bit of speed early on, but they went quite hard and when they stopped she showed a real good turn of foot and did it well," her jockey explained. "She has a lot of speed, but I still think she'll get seven and it was a very good performance." **Click for the racingpost.co.uk chart.**

SHAMARDAL TO SHUTTLE Dual French Classic winner **Shamardal** (Giant's Causeway), who was retired with an ankle injury on the eve of the G1 Eclipse S. last weekend, will shuttle to Darley's Hunter Valley Stud in Australia for the 2005 breeding season. He will stand for A\$55,000. "Shamardal has been a real champion in Europe and has won all his races on turf, the last four of them at Group 1 level," Oliver Tait, general manager of Darley Australia, said. "He is every bit his father's son--tough, talented and exceptionally resolute. He's from a spectacularly successful female family, too. His dam is a full sister to Dubai World Cup winner Street Cry. It's hard to think of a more appetizing stallion prospect." Shamardal won five of six career starts and bankrolled £1,099,290 in earnings.

ROCK HARD TEN OUT TIL FALL Although pleased with his horse's daily progress, trainer Richard Mandella reported yesterday that **Rock Hard Ten** (Kris S.) will not make his long-awaited return until the GII Goodwood Breeders' Cup H. at Santa Anita Oct. 1. The Goodwood will be his lone prep for the GI Breeders' Cup Classic. Rock Hard Ten has not competed since winning the Mar. 5 GI Santa Anita H. He was subsequently sidelined when developing muscle soreness that may have been the result of a wrenched back. "He's galloping and doing well," Mandella said. "I would go ahead and breeze him except he's not going to run until the Goodwood in October, so I don't want to have the first breeze until after the first of August." Mandella said he chose the Goodwood because he didn't think he could have Rock Hard Ten ready in time for major summer races such as the Pacific Classic. "I lost too much time with him and would really have to rush to make the Pacific Classic," he said. "By rushing, I could really blow everything. I'd rather give him too much time rather than too little." Mandella added that no decision has been made regarding whether or not Rock Hard Ten will race next year as a five-year-old.

OUIJA BOARD ON ROAD BACK Lord Derby's **Ouija Board** (GB) (Cape Cross {Ire}) could return to cantering next week after pleasing connections with her recovery from injury. Last year's G1 English Oaks and G1 Irish Oaks and GI Breeders' Cup Filly and Mare Turf winner sustained a stress fracture to her near-fore cannon bone after trailing in the G1 Prince of Wales's S. at Royal Ascot at York June 15, and retirement was considered an option. However, trainer Ed Dunlop is satisfied that the four-year-old is progressing. "We re-X-rayed her left fore and were pleased to see there had been improvement," he said yesterday. "Both my vet Mike Shepherd and I were happy that she could start back in ridden exercise. She has, for the last three weeks, been swimming, spa-ing and horse-walking--so she hasn't been totally standing still. The last week or so, she has thrived and has been beginning to come back to herself well. The plan is to walk and trot for several days. Next Thursday, she will have a bone scan on the leg. If the results of the bone scan suggest we can carry on, she will start back in cantering exercise."

KITTEN'S JOY ON TRACK FOR MILLION Champion **Kitten's Joy** (El Prado {Ire}) came out of his win in Monday's GII Firecracker Breeders' Cup S. in fine fettle and is on track to make his next start in the GI Arlington Million Aug. 13, trainer Dale Romans reported yesterday. "He came out of the race great," Romans said, adding, "It was a phenomenal race and a great effort out of him. It was better than I ever could have expected. He came home in :10 and change after running seven-eighths of a mile. That was pretty impressive."

BOUNDARY PENSIONED AT CLAIBORNE

Claiborne Farm stallion **Boundary** (Danzig--Edge, by Damascus) has been pensioned at the farm due to declining fertility. Bred by the partnership of Claiborne Farm and William H. Perry's Gamely Corporation, the bay was a two-time Grade III winner at sprint distances before retiring to stud following his four-year-old season. From eight crops to race, Boundary is the sire of 16 stakes winners, 48 stakes horses and the earners of over \$21 million to date. His best offspring include Minardi (--Yarn, by Mr. Prospector), the champion two-year-old colt in England and Ireland in 2000; Pomeroy (--Questress, by Seeking the Gold), winner of last year's GI King's Bishop S. as well as a trio of millionaires in Japan. Boundary, who stood his entire career at Claiborne, stood the 2005 breeding season for a fee of \$10,000.

DRUG POSITIVES WEREN'T CALLED...

by Tom LaMarra, courtesy of www.bloodhorse.com

A Kentucky legislative subcommittee, now squarely involved in the debate over changes to the state's equine medication policy, has requested records from the Kentucky Horse Racing Authority that are said to show officials with the old Kentucky Racing Commission didn't take action for drug positives called by the laboratory that conducted the tests. The information was revealed July 8 during a meeting of the Interim Joint Subcommittee on Licensing and Occupations. Though it remains to be seen what, if any, action will be taken in Kentucky, the revelation figures to provide ammunition for industry officials who have called not only for upgraded drug testing, but stringent accountability procedures at laboratories. KHRA Executive Director Jim Gallagher, during a presentation before the subcommittee, cited information for 2002 and 2003. (The KHRA was formed and replaced the racing commission in early 2004.) He said tests found drugs and their metabolites that are prohibited at any level, and that higher thresholds were used for substances that might be detected by the lab at Iowa State University. MUSIC SCHOOL OUT OF BASHFORD MANOR

Music School (A.P. Indy), an impressive debut winner at Churchill Downs June 11, has been withdrawn from tomorrow's GIII Bashford Manor S. due to a minor lung infection. The colt coughed a couple of times last week and underwent an endoscopic exam after working three furlongs in :37.40 Thursday morning. "I wanted to do enough with him so we could get a good scope on him to make sure everything was OK," trainer Neil Howard said. "As it turned out, it was a blessing that we scoped him, because he had a fair amount of mucus." A three-quarter brother to Horse of the Year Mineshaft, Music School will now be pointed for the July 28 GII Saratoga Special, or possibly for an allowance race.

The Florida-bred got back in the win column with a 6 1/2-length allowance victory at Philadelphia Park Apr. 25, was third in the May 29 Frisk Me Now S. at Monmouth and was most recently the 1 1/4-length victor of the Wadsworth Memorial H. at Finger Lakes June 19. The outsider in this compact field of four, Sinister G immediately established a clear lead, turned for home well in front and was not seriously menaced. Eye of the Tiger (American Chance), making his first start since winning last year's GII Washington Park H., seemed to struggle over the off going and finished last. PURSUITS TO DEAUVILLE

The Pursuits & National Stud Partnership's **Pastoral Pursuits (GB)** (Bahamian Bounty {GB}) is set to contest the G1 Prix Maurice de Gheest at Deauville Aug. 7 following his success in Thursday's G1 July Cup at Newmarket. Conditioner Hughie Morrison pinpointed the six-and-a-half furlong contest for the four-year-old, who was reported "in good form" after his 1 1/2-length success in the major sprint. "I'm very happy with him," Morrison told *PA Sport* yesterday. "Going to France for the Prix Maurice de Gheest at Deauville is the obvious route to take if he is fit and well."
