VIRGINIA IS FOR TURF LOVERS

It seems only appropriate that the 11 horses assembled for this afternoon's GIII Virginia Derby include a rebel, a war and even the English. But only one can walk away this afternoon with the winner's share of the booty and the one likely to be favored to do so is Jim Scatuorchio's **English Channel** (Smart Strike). The chestnut colt comes into this test with four wins from his five career starts, all on the grass, including a 3 1/2-length score in the Colonial Turf Cup going a sixteenth of a mile shorter June 25. Like the other members of the field, he must negotiate today's 10-furlong trip, but is well equipped to handle it nicely. He is out of a full sister to GISW Pharma and MGSW & MGISP turf runner Hap. **Rush Bay** (Cozzene), making a rare Midlantic appearance for the Tom Amoss barn, was on the Triple Crown trail earlier this year, but has blossomed with a switch in surfaces. Second, beaten a nose by **Rey de Cafe** (Kingmambo) in the GIII Crown Royal American Turf at Churchill May 6, the three-parts sibling to MGSW Chorwon came back to win the GIII Jefferson Cup S. beneath the Twin Spires June 18. Rey de Cafe proved his Louisville effort was no fluke, returning to best **Prince Rahy** (Rahy) by a nose in the June 10 GIII Hill Prince S. at Belmont Park. The X-factor in today's race is **Rebel Rebel (Ire)** (Revoque {Ire}), second in the G1 English 2000 Guineas Apr. 30 at 100-1. The bay, a listed winner at Kempton in his season debut Mar. 26, was fourth in the G1 Irish 2000 Guineas May 21 and was purchased for a sum in excess of \$1 million by the IEAH Stables. "He came to us highly recommended and we were greatly impressed by his appearance and tapes of his races," Iavarone commented. "He should be able to step right into the upper echelon of 3-year-old turf performers and provide plenty of excitement for us."

ROUND ONE

Two of the top sophomore fillies in the country meet for the first time in today's GII Delaware Oaks. **Round Pond** (Awesome Again) is the early choice as she bids for her fifth consecutive win. After suffering her only career loss in her debut at Oaklawn in February, the bay reeled off wins in a maiden test, the Honeybee S., the GII Fantasy S. and, in her first try outside of Arkansas, the June 4 GI Acorn S. She takes on **Sis City** (Slew City Slew), who started the year with a 16-length romp in the Feb. 5 GII Davona Dale S. and added a 10 1/2-length score in the Apr. 9 GI Ashland S. **Oaks Preview cont. p3**

BAKER'S DOZEN FOR IRISH OAKS

Tomorrow's G1 Darley Irish Oaks at The Curragh has attracted the largest field since 1979 when 13 fillies head to post. With the G1 Epsom Oaks heroine Eswarah (GB) missing from the line-up, it is up to Sheikh Maktoum bin Rashid al Maktoum's **Pictavia (Ire)** (Sinndar {Ire}) to represent the form of that Classic. She was third on that occasion and jockey Kevin Manning believes there were excuses. "She's come out of Epsom well," he said. "I felt on the day she didn't handle the track at all and it was only in the last furlong when she met the rising ground that she was doing her best work. I was surprised she didn't handle it, as she's a handy filly, but on this big, galloping track there shouldn't be any excuses. She seems in very good form and we're very happy with the way she's building up into the race--I'm looking for a big run." The likely favorite at this stage is Helena Springfield Ltd's **Dash to the Top (GB)** (Montjeu {Ire}), who finished third in the Fillies' Mile last term before taking the Listed Hopping S. at Newcastle last time June 23. **Irish Oaks cont. p2**

One trainer looking to open her account is Frances Crowley. She is represented by the Joseph Joyce's G1 Irish 1000 Guineas winner **Saoire (GB)** (Pivotal {GB}), who finished eighth in the G1 Pretty Polly S. over 10 furlongs at this venue last time June 25. "She is in great form and her preparation has gone really well since the Pretty Polly," she said. "I think she has improved from run to run and think she will improve for the step up in trip." This renewal has strength in depth, with the Sangster Family's G1 Fillies' Mile winner **Playful Act (Ire)** (Sadler's Wells) bidding to build on her return success in the G2 Lancashire Oaks at Haydock July 2. His Highness The Aga Khan has two representatives and Alain de Royer-Dupre will be looking for his first success with the G3 Prix du Royaume winner **Shawanda (Ire)** (Sinndar {Ire}). The ground is currently good to firm on the round course, with watering continuing.

Delaware Oaks cont.

Freshened since weakening to be fourth in the May 6 GI Kentucky Oaks, **Sis City** will be saddled by Bobby Frankel, who takes over for suspended trainer Rick Dutrow Jr. She prepped for her return with a bullet six-furlong move in 1:12 4/5 on July 5 and came back six days later to go five-eighths in :59 3/5. **Brooke's Halo** ships in from California after wiring the field in the June 12 GII Hollywood Breeders' Cup Oaks. It was her first two-turn try. "We bought this filly to stretch her out," said trainer Jeff Mullins. "We thought that, according to her dosage and pedigree, that she would go long. When we finally got the opportunity to long with her, she won. The only thing they have at Del Mar for her are turf races, so the Delaware Oaks was really one of our only options." **Pleasant Chimes** comes off a one-length win over **Dance Away Capote** in the Susan's Girl Breeders' Cup S. over track and trip June 18.

Bowling Green H. cont.

The 11 furlongs of today's GI Bowling Green H. at Belmont Park should suit **Relaxed Gesture** to a tee. The chestnut colt finished fastest of all in the June 11 GI Manhattan H. going a mile and a quarter, running second by a half-length to Good Reward. He was also the runner-up in a pair of Group 2 events in his native Ireland, missing by a neck in the Beresford S. at two and by 1 1/2 lengths in the Derrinstown Stud Derby Trial in his lone start at three. Sidelined for nearly a year after that effort, the four-year-old returned to take a Keeneland allowance test in April and made it two in a row despite lunging through the gate at the start of another allowance event at Belmont in May. "He's got the makings of a top, top horse," trainer Christophe Clement said. Trainer Tommy Albertrani, who is 11-for-27 at the current meet, sends out **Salic Law** for his first try at graded company. The Darley colorbearer has won four of his five starts this year, most recently taking a handicap race over the Bowling Green course and distance June 25.

Purchased for \$1.9 million at the Barretts March sale, **What a Song** looked worth the money when posting a handy 3 1/4-length tally over **Stevie Wonderboy** in his June 18 debut. **Bashert** was also impressive at first asking. Slow into stride when third in his career opener May 14, the bay was right there through a half in :44 2/5 last time out and drew away late to take that June 5 maiden race by five lengths.

SONGANDAPRAYER TO WALMAC KY Freshman sire **Songandaprayer** (Unbridled's Song--Alizea, by Premiership) will move from Hartley/de Renzo Walmac South in Florida to Walmac Farm LLC in Lexington for the 2006 breeding season. A \$1 million juvenile purchase, Songandaprayer went on to win the GI Fountain of Youth S. and run second in the GI Toyota Blue Grass S. He has four winners from his first crop, including \$1.9 million Barretts March two-year-old What a Song, who goes in the GIII Hollywood Juvenile Championship S. today. "Songandaprayer has made the kind of explosive start to his stud career that horsemen dream about," said Walmac Managing Director John T.L. Jones III. "He has been very well received at auction, but, most important, his two-year-olds have hit the track running, with four first-time starters winning, one breaking Chilukki's track record at Churchill and another winning by 15 lengths at Calder. Unbridled's Song commands a fee of \$125,000, and we believe his best son at stud is cut from the same cloth."

STOP THE MUSIC DIES **Stop the Music** (Hail to Reason--Bebopper, by Tom Fool), the sire of champion Temperence Hill among his 44 stakes winners, was euthanized last Friday at Gainesway Farm due to the infirmities of old age. A foal of 1970, the bay had the misfortune of being from the same crop as Secretariat and Forego, but still managed to make a name for himself at the races. The winner of the Saratoga Special S. and the Champagne S. (over the disqualified Secretariat) as a juvenile, he went on to capture the GII Dwyer H. and was runner-up in the GI Travers S. in 1973. A dual track-record setter at Belmont Park, he won 11 times from 30 races and earned nearly \$450,000. In addition to Belmont winner Temperence Hill, Stop the Music was also the sire of millionaire Music Merci and Grade I winners Dontstopthe Music and Missy's Mirage. He also ranks among the top 25 broodmare sires of 2005, largely due to the exploits of Kentucky Derby winner Giacomo, a son of Set Them Free. "Stop the Music was one of the greatest competitors of his time," said Antony Beck, president of Gainesway Farm. "With 402 winners, he certainly proved himself a successful sire. He will be missed."

TCT SUSPENDS OPERATIONS The Thoroughbred Championship Tour, conceived in 2002 as a means to bridge the gap between the Classics and the Breeders' Cup World Thoroughbred Championships, has suspended its operations. With a primary goal of enhancing the exposure of Thoroughbred racing to sports fans and to improve the industry's economics, the TCT plan called for a series of "big event days," which would draw attention to racing. A broad range of leading owners contributed time and capital to the effort and had reportedly pledged their willingness to invest \$25 million into the Thoroughbred industry via the TCT. The organization believed that for their plan to work, it needed the support and cooperation of racetracks, horsemen's associations, the Breeders' Cup and the NTRA. However, citing a lack of "complete cooperation" after years of working with all parties, the TCT Board made the decision not to go ahead with the \$25-million investment. In issuing their statement, the TCT Board specifically encouraged Breeders' Cup Limited to devise a tour similar in structure to the TCT, as well as emphasizing product enhancement and increasing the fan base for Thoroughbred racing.

Kennel Up had hit the board in his last three starts, most recently running second by a half length at a mile July 3. The even-money chalk facing just three rivals here, the dark bay shadowed Show Boot to deep stretch before driving past and drawing off for the win.

3rd-BEL, \$45,080, Alw, NW2L, 3yo, 1m, 1:38 3/5, ft. LOOKING BEST (c, 3, Best of Luck--Rum Punch, by Two Punch) bested maiden claimers at Gulfstream in March, but was not close while picking up checks in three subsequent starts at Aqueduct. The dark bay colt tried the turf for the first time in his latest, but showed no affinity for the surface, finishing ninth in a Belmont allowance May 5. Adding Lasix and returning to the main track after a short break, he tracked the early pace and forged past Apprentice (A.P. Indy) in the final yards for a half-length score. Given a break after that experience, the gray colt returned against maidens as the 3-5 chalk. He was pushed along while fifth early, but kicked it into gear in the final furlong to get up for a 3/4-length triumph over War Marshall (A.P. Indy). A \$23,000 OBSAUG yearling and a \$135,000 OBSMAR juvenile, the winner is a 1/2 to Rizzi Girl (Rizzi), GSW, \$335,343. Lifetime Record: SP, 6-1-2-0, \$76,560. [Video, sponsored by Taylor Made.](#)

Scrappy T Out of Leonard Richards:

Scrappy T (Fit to Fight), who hasn't been out since running second after nearly causing Afleet Alex to fall in the May 21 GI Preakness S., will be scratched from tomorrow's GIII Leonard Richards S. at Delaware Park. The three-year-old was the 9-5 favorite on the morning line, but had an unsatisfactory work on the Delaware strip Thursday. "He's about 90 percent, which is not where we want to go," trainer Robert Bailes told *The Blood-Horse*. "It's nothing major. It was enough to throw up the caution flag. We want him right before we run him." The dark bay could make his next appearance at the upcoming Saratoga meet.

Cruz Injured at Monmouth:

Jockey Carlos Cruz, who went down in the spill at Monmouth Thursday afternoon, suffered a fractured left knee and will be sidelined from four-to-six weeks. Cruz, 41, is scheduled to undergo surgery at Monmouth Medical Center today. "Dr. Chris Spagnuolo will insert two screws in the knee, and they will help accelerate his recuperation," explained Monmouth medical director Dr. Angelo Chinnici. Cruz was injured when his mount in the fifth race, the maiden **Proud Affair** (Formal Gold), clipped heels and fell as they entered the clubhouse turn. The three-year-old filly suffered a fractured shoulder and neck and died instantly. Jockey Luis Rivera Jr. was also unseated in the incident, but was not hurt. A native of Puerto Rico, Cruz has won eight races from his 102 mounts at the current Monmouth meet.

Intidab to Shadwell's Nashwan Stud:

Intidab (Phone Trick--Alqwani, by Mr. Prospector) will stand the 2006 breeding season at Shadwell Farm's Nashwan Stud, Shadwell Vice President and General Manager Rick Nichols said yesterday. The 12-year-old stallion, who previously stood at Gallagher's Stud in New York, has made an impact with just two very small crops to race. The dark bay ranks as one of his generation's best sires by percentage of winners, stakes winners and stakes horses and has been most prominently represented by Greater Good, who defeated Afleet Alex and Rockport Harbor in the GII Rebel S. at Oaklawn Park this past March. A stud fee will be announced at a later date.

Initial Tests Negative in Ellis Strangles Case:

An initial round of tests for strangles in a quarantined barn at Ellis Park in Henderson, Kentucky, have been returned negative. Nasal wash samples were drawn on 17 animals--16 race horses and one pony--and were submitted for testing July 7. "With the results of these tests, we remain confident that the problem was detected early, allowing for intervention to minimize the spread of disease," commented Rusty Ford, Equine Programs Manager for the Kentucky Department of Agriculture's Animal Health Division. Before being allowed to return to the general horse population, each affected horse will have to test negative a total of three times for strangles.

BABE MACCOOL (IRE) (c, 3, Giant's Causeway--Kotama {SW-Ire}, by Shahrastani), a 50,000gns TATOCT yearling, showed the battling qualities that are becoming the trademark of his sire's progeny to win a Leicester handicap on his latest start July 2 and was sent off the 4-1 second favorite in this competitive contest. Settled in a staking third throughout the early stages, he muscled his way to the front at the eighth peg and dug deep when tackled by Bayeux de Moi (Ire) (Barathea {Ire}) to prevail by a head. Extending her advantage on the turn into the straight, the 11-4 pick drew away in the closing stages to beat Remaal (Ire) (Unfuwain) by seven lengths. Lifetime Record: 6-3-0-1, £15,108.

Sent off the 10-11 favorite while dropped in class here, he traveled easily in a stalking third off the generous early tempo. Content to race in behind All for Laura (GB) (Cadeaux Generux {GB}) early, the full to Frizzante (GB), G1SW-Eng, \$439,045, hooked up with that rival at halfway and bested her in the final strides to win the duel by a head. PHOENIX BACK ON TRACK

Winterbeck Manor Stud's multiple Group 1 winner **Phoenix Reach (Ire)** (Alhaarth {Ire}) has recovered from a minor setback and will run in next Saturday's G1 King George VI and Queen Elizabeth Diamond S. at Newbury. Conditioner Andrew Balding told the *Racing Post* that the five-year-old had fully recuperated from a reaction to treatment for a bout of colic. "He is very bright and very well," he said. "We had to reschedule his training program, but he seems none the worse and is absolutely bouncing. He is back on course for the King George." Also on target for the Group 1 event is the Niarchos Family's **Bago (Fr)** (Nashwan). Last year's G1 Prix de l'Arc de Triomphe winner could only finish third when favorite in the G1 Grand Prix de Saint-Cloud last time June 26, but connections have given him the green light for the mid-summer showpiece. "He is in good form and on course for Newbury," Racing Manager Alan Cooper told *PA Sport*. "He is an intended runner at this stage, although a final decision will not be made until next week."
