HE'S GOT THE POWER

Last year, **Powerscourt (GB)** (Sadler's Wells) finished first in the GI Arlington Million, but was disqualified for lugging in during the stretch drive and placed fourth. Looking to prove that victory was no fluke, the gray returned to Chicago for the 23rd running of the Million and, sent off at 5-1, left champion **Kitten's Joy (El Prado {Ire})** in his wake as he swept to an impressive three-length triumph. "This little horse deserved this win," winning jockey Kieren Fallon said. "He was unlucky last year to be taken down." **Cont. p2**

AN INTERNATIONAL AFFAIR

Trained by Frenchman Patrick Biancone and ridden by American Gary Stevens, British-bred **Angara (GB)** (Alzao) came with a powerful stretch run that carried her to a neck victory over a gallant **Megahertz (GB)** (Pivotal {GB}) in the GI Beverly D. S. at Arlington Park yesterday afternoon. It was another head back to 3-1 favorite **Melhor Ainda (Pulpit)**, with **Wonder Again (Silver Hawk)** a further neck back in fourth. "This filly is just unbelievable," Stevens said. "It was all her." **Click for the [brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#) or the [Video, sponsored by Taylor Made.](#)**

MILITARY HONORS

Gun Salute (Military) went on the offensive in the stretch, battling past 9-10 favorite **English Channel (Smart Strike)** to take the GI Secretariat S. by 1 3/4 lengths. Off at 6-1 after posting a nose tally in the GII American Derby July 23, the bay gave visiting jockey Cornelio Velasquez his fourth graded win at Arlington this meet. **Cont. p4**

PERFECT TEN?

One more win and it will be 10 straight for the Niarchos Family's **Divine Proportions (Kingmambo)**. That sounds simple, but it will be the stuff of legends if she pulls it off in today's G1 Prix du Haras de Fresnay-le-Buffer-Jacques le Marois at Deauville. This event has had cliches rolling for weeks, but for once the "race of the year" tag may be justified as the high-octane filly takes on His Highness the Aga Khan's **Valixir (Ire)** (Tremolino), Godolphin's **Dubawi (Ire)** (Dubai Millennium {GB}) and Robert Strauss's **Whipper (Miesque's Son)**, who just happens to be her 3/4-brother. Trainer Pascal Bary, who saddled another special Niarchos filly, Six Perfections (Fr), to win two years back, has her right where he wants her after her win in the July 31 G1 Prix d'Astarte over course and distance. "She's really well and I was more than satisfied with her final workout on Tuesday," he told *PA Sport*. "The filly's come on for her run in the d'Astarte. She hadn't done a great deal of work before that race and was a little lax leaving the stalls. On Sunday she'll be sharper and more energetic and will be ridden closer to the leaders." **Cont. p8**

DRAMA KING

Trainer Bobby Frankel expected **King's Drama (Ire)** (King's Theatre {Ire}) to lead every step in yesterday's GI Sword Dancer Invitational H. at Saratoga. The race did not unfold as expected, but, after settling in second, the bay took control a half mile from home and held off **Relaxed Gesture (Ire)** (Indian Ridge {Ire}) for a 3/4-length success. "I was surprised when I saw that King's Drama didn't get the lead immediately," Frankel said from Arlington Park. "I was wondering when Jorge [Chavez] was going to take the lead, but obviously he knew what he was doing because he won the race." **Cont. p5**

Looking for an Elusive Win...

Denied the chance to have his picture taken after last year's Million by the stewards, **Powerscourt** returned to Europe and was beaten just 3/4 of a length when third in the Sept. 11 G1 Irish Champion S. He was on a plane again after that, flying back to the U.S. for the Oct. 29 G1 Breeders' Cup Turf. Off at 5-2 in that event, he was rushed up after breaking poorly to contest the pace and had the lead in the stretch, but was caught by Better Talk Now and Kitten's Joy, running third once again. The bay remained on the road, but was off the board in the Nov. 28 G1 Japan Cup, Dec. 12 G1 Hong Kong Cup and Mar. 26 G1 Dubai Sheema Classic. That string of misfortune continued with a fourth-place finish in the June 18 G2 Hardwicke S. at Royal Ascot at York, but the five-year-old signalled a return to form when second in the G2 Scottish Derby July 18.

and then **Cool Conductor** (Stravinsky) cut out the running. He was still in behind horses as they neared the eighth pole, but the holes opened in front of him and he powered on through, passing the crowd's choice and drawing away to win handily under a jubilant Kieren Fallon. "I think it was a great training performance by Mr. [Aidan] O'Brien," he said.

"The horse was in great condition today and he was an impressive winner. He had a long year last year before he came here.

Aidan kind of freshened him up most of this year. He had a come back in Scotland where he ran second and he had him peaked for today." Click for the [brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#).

No Joy for Kitten...

Kittens Joy looked to have it won after taking control in the stretch, but he couldn't hold off the winner and had to fight off **Fourty Niners Son** and **Better Talk Now** (Talkin Man) to take the three-way photo for second.

Trainer Dale Romans felt the four-year-old was at a disadvantage because the Million was only his second race of the year. The chestnut came back off an eight-month layoff to win the July 4 GII Firecracker Breeders' Cup H. going a mile at Churchill Downs. "He'll be better off this race," Romans said. "I wish we could have gotten another race in him. I'm not going to make any excuses. He ran a super race. Powerscourt ran a great race." Added jockey Edgar Prado, "He raced super. I wish we could have had another race in him. He got a hold of the turf OK. He tried hard, they just wore us down in the stretch."

Making the Grade...

Angara earned her first Grade I score in the Beverly D. A conditions winner while racing in France, she was entered in the Tattersalls December Sale at the end of 2004, but was withdrawn and was acquired privately by Martin Schwartz from the Wildenstein family. The four-year-old earned an allowance score at Keeneland Apr. 16 in her third U.S. start. She made it two in a row in the Gill Bewitch S. Apr. 27, then missed

by a half length when second in the GII Sheepshead Bay H. May 22. As is a habit of European horsemen, Patrick Biancone decided to give the filly a try against the colts in her next start and she was not disgraced, finishing fifth while beaten less than two lengths in the June 11 GI Manhattan H. The bay was given a little break, returning to be a fast-closing third in the GI Diana H. July 30. Getting an extra sixteenth of a mile to work with yesterday, she had just one horse beat through six panels in 1:15.47 over the yielding course. Angara hit the gas in the stretch, taking control inside the final furlong and outfinishing her rivals for the win.

Erasing Old Memories...

It had been two years since Gary Stevens last won a race at Arlington, and the memory of his latest near-miss is not one of his fondest. Stevens hit the wire first with Storming Home (GB) in the 2003 edition of the Arlington Million, but the headstrong horse swerved sharply just before the finish, throwing his rider, then stepping on him. The result was a collapsed lung and a fractured vertebra that sidelined him for three weeks. Storming Home was disqualified and placed fourth. "I don't mind flashing back," Stevens said. "I've wondered for two years whether I could win again here and get back to the winner's circle without having my number taken down and without ending up in a hospital."

A Troubled Trip...

Melhor Ainda, who lost for the first time when second in the GI American Oaks July 3, was sent off the slight choice to get back on track here, but did not have the best of racing luck. The three-year-old was caught behind a wall of horses in the stretch and had too much to do once clear, but closed well to be third. "Until the quarter pole I had a good trip, but then I didn't have anywhere to go," jockey John Velazquez said. Runner-up **Megahertz** was also compromised, not by the trip but by the turf. "The whole backstretch she was switching leads," jockey Alex Solis said. "The soft turf is not her going, but today she proved that she's a champion and she ran a valiant race."

Run and Gun...

Gun Salute broke his maiden at Ellis Park and was an allowance winner at Keeneland last season, but finished out of the money in his first two tries against stakes foes. But, third time lucky with blinkers added, he drove to a 2 1/2-length victory in the Apr. 21 Forerunner S. at Keeneland. He was caught near the wire in the June 18 Gill Jefferson Cup at Churchill Downs and had to settle for third, beaten 3/4 of a length, but bounced back to earn his first graded tally in the American Derby. **English Channel**, five-for-six coming into this race, was odds-on to add to his resume after taking the Gill Virginia Derby last time out July 16. He tugged jockey John Velazquez to the front after six furlongs and still had the lead as they raced toward the final furlong, but Gun Salute had been tracking him throughout and kicked past him in deep stretch. "We've been beaten some tough seconds in this race before, I guess today was our day," winning trainer Bill Mott said. "I believe the blinkers helped him focus a little bit more. He was a little erratic running early on--he wanted to get out, wanted to get away from horses. He's obviously becoming more professional now." **Click for the brisnet.com chart or the [free brisnet.com](http://free.brisnet.com) catalogue-style pedigree or the [Video, sponsored by Taylor Made.](#)**

Breaking the Streak...

English Channel fought on gamely, but was no match for the winner and had his winning streak stopped at four. "Being on the inside, he was pretty aggressive and he never really got off the bridle," John Velazquez said. "It's hard to get them to relax when they have to go the whole time. Everybody wanted to go at the same time and he got to throwing his head around and I never could get him to relax." **Chattahoochee War**, who followed English Channel home when second in the Virginia Derby, chased him once again yesterday, finishing a well-beaten third. "He picked it up nicely the last part, but I was a little too far back early on," jockey Pat Valenzuela said. "The speed never really stopped like it did the last two races when it stopped completely. We thought we were doing the smart thing by taking him back. I thought it was a little soft at first, but he seemed to handle the going just fine."

King's Drama has split his time between Europe and the U.S., going three-for-13 in France and three-for-eight stateside. A Group 3 winner across the pond in 2003, he was third in the Virginia Derby that year, but failed to fire in two French starts last term. He returned to America last fall, winning at Belmont in June and at Saratoga in September before finishing third in the GI Man o'War S. He ended 2004 with a fifth-place effort in the Oct. 24 GI Canadian International, then returned to wire the field in an optional claimer at Belmont July 14. The seeming lone speed in the Sword Dancer, he let Relaxed Gesture take the lead for nearly a mile, but forged ahead as they raced into the turn and held that rival at bay late. Pomeroy had shown some of his best form at Saratoga, finishing a close second in the GII Amsterdam S. last summer before posting a sparkling win in the GI King's Bishop S., covering seven furlongs in 1:20 4/5. That proved to be his last start of 2004, and the bay returned to run seventh in his turf bow Apr. 16 in Keeneland's GIII Shakertown S. Following a third in the GII Churchill Downs H., he was fourth in the GI Met Mile before trouncing Monmouth optional claimers by 6 1/2 lengths July 10. Pomeroy broke alertly here to battle for the lead and shook loose after a torrid half of :43.85. That speed sapped his rivals, and the four-year-old colt strode out nicely to the wire to win by daylight as the fourth choice in the wagering. "The track was really fast for him and he ran a big race," said winning trainer Patrick Biancone, whose Angara (GB) took the GI Beverly D. minutes later at Arlington. "Hopefully, we'll get him ready for the Forego [GI, Sept. 3] and then the Breeders' Cup [GI Sprint, Oct. 29]."

Willow O Wisp joined trainer Vladimir Cerin's stable after a juvenile campaign that saw him win just once in seven starts, but he has now taken three of four outings under new management. The bay kicked off the year with an entry-level allowance score at Hollywood Apr. 23, then missed by a head when second in the May 28 Gill Will Rogers S. He led every step to take the June 26 Gill Cinema Breeders' Cup H. and was the 7-5 choice to post his second straight graded win. Content to track Juliesugardaddy through the early going, he was given the slip at the top of the stretch, but came with a relentless drive that saw him get on top in the shadow of the wire. Previously undefeated El Roblar stalked the pace while under a stout hold and wheeled out as they raced around the turn, but could not mount a rally and had to be content with third.

 Also ran: Mamool (Ire), Gamut (Ire).

Lochbuie denied Mubtaker a fourth consecutive win in this race at a very wet Newbury. He progressed through the ranks last term, taking handicaps at Ripon, Chester and Glorious Goodwood before concluding his season with a third in the Listed Noel Murless S. at Newmarket in September. He started back with a third in a 12-furlong Doncaster conditions event Apr 2 before finishing fourth in the May 6 G3 Ormonde S. at Chester. The colt was upped in trip afterwards, finishing second in the G2 Henry II S. at Sandown May 30 and 12th in the valuable Northumberland Plate H. at Newcastle June 25 before filling fourth in the July 28 G2 Goodwood Cup. Held up towards the rear early this time, he was the first to come under pressure and while the response was not immediate, he eventually wore down the longtime leader Mubtaker in the shadow of the post. "He's a very game, gutsy horse," jockey John Egan commented. "We always thought last year this was a Cup horse. He showed me a burst of speed just inside the two pole that I hadn't seen before and battled hard." Selene S. May 22, the bay came back to score by four as the 1-5 favorite in the Hill 'n' Dale S. June 25. Backed as the heavy chalk again this time, the filly broke a step slow, but recovered well to track the early pace in fifth. Four wide turning for

home, Lemon Maid overtook the

ultra-game Hatpin and drew clear in the final yards to record her first graded stakes success. "We were looking for an off-the-pace trip with her, to save her for the end, and hopefully she would kick on nicely for us," jockey Todd Kabel said. "She did just that." Lemon Maid has now won stakes at three different distances, but according to trainer Malcolm Pierce, she appears to have found her best trip. "I always thought seven-eighths would be perfect for her. She's done everything right so far. She's been a pleasure to be around," he said. [Click for the brisnet.com chart.](#)

Sleeping Indian took another stride forward at a rain-soaked Newbury to rebound from a fifth in the G1 Sussex S. at Goodwood last time July 27. That had broken an unbeaten run that was capped with wins in the Listed Ben Marshall S. at Newmarket in October and the June 2 Listed John of Gaunt S. at Haydock in his seasonal opener. Keeping tabs on the freewheeling Attraction (GB) (Efisio {GB}) throughout, he was committed by Jimmy Fortune as that filly began to tread water at the quarter pole. Lengthening clear soon after, he was not hard pushed to hold on. "We were very happy the rain came when it did, as he just needs to get his toe in," his rider said. "We went very quick and this horse gets every bit of a mile, which is why I took it up when I did." Trainer John Gosden said that the G2 Celebration Mile [at Goodwood Aug. 27] or G2 Park S. [at Doncaster Sept. 8] are options for Sleeping Indian. Jockey Kevin Darley was not disappointed with the effort of Attraction, who faded into fourth under the burden of an eight-pound penalty. "As soon as she hit the gates she was running and I thought, 'Here we go,'" he said. "She was traveling good at halfway, but I was a bit concerned that she was over-exaggerated in changing her legs and I blame the ground, which is loose on top--she was uncomfortable on it. She ran her race today and the ground is the major thing with her." [Click for the Racing Post chart.](#)

PRIX DE HARAS DE FRESNAY-LE-BUFFARD JACQUES LE MAROIS-G1, €600,000, 3yo/up, c/f/m, 1mT

SC	PP	HORSE	SIRE	TRAINER	WT
1	1	Valixir (Ire)	Tremolino	Fabre	130
2	4	Whipper	Miesque's Son	Rob Collet	130
3	3	Council Member	Seattle Slew	bin Suroor	123
4	2	Dubawi (Ire)	Dubai Millennium (GB)	bin Suroor	123
5	5	Semarang (GB)	Hernando (Fr)	Pease	123
6	6	Divine Proportions	Kingmambo	Bary	120

Divine Proportion faces a stellar line-up of males at the top of their game here. Chief among them is **Valixir**, who would give Andre Fabre his fourth win since 2001. Campaigned over middle distances as a sophomore, he has flourished since shortening up this term. After taking the G1 Prix d'Ispahan over an extended 1 1/8 miles at Longchamp May 22, he floored Rakti (GB) with raw miling speed in the G1 Queen Anne S. at Royal Ascot at York June 14. He gained valuable straight-course experience when warming up with a win in the G3 Prix Messidor at Maisons-Laffitte July 24. Georges Rimaud, the Aga Khan's racing manager in France, told *PA Sport*, "Valixir has won on a variety of surfaces, so hopefully the conditions will not stand in our way."

Dubawi bids to emulate his iconic sire, who was devastating in 1999. He has his quirks, but more than enough talent when there is dig in the ground as he proved when winning last year's G1 National S. and May 21 G1 Irish 2000 Guineas at The Curragh. Third when stretched too far in the June 4 G1 Epsom Derby, he has enjoyed a summer break and is ready to roll. Defending champion **Whipper** has a longstanding love affair with the place, which he confirmed when completing a hat trick of the August meet's Group 1 races last Sunday in the G1 Prix Maurice de Gheest.

Lorraine Rodriguez

Mr. & Mrs. Rodriguez Benoit

This week's accomplishment:

With her husband Rod, sent her first-ever horse through the sales ring at Saratoga. The Fusaichi Pegasus filly, consigned by Taylor Made Farm, topped Tuesday's session at \$2 million from Jess Jackson's Stonestreet Stables.

Birthplace: Lorraine: Cottonwood, California
Rod: Rome, New York

Residence: Cottonwood Creek Ranch, Cottonwood, CA

You've been breeding and racing for years. Why was this your first horse through the ring? Because we race them, and we don't buy or raise them to sell them. We've had the mare (Collect Call) in Kentucky and we converse a lot of with Steve Castagnola at Taylor Made and he was very convincing that we put the filly in the sale. We really wanted to keep her and race her but he talked us into it. We took the chance and did it. We haven't come out of this euphoric state yet. Sort of a surreal feeling.

What was it like to watch someone else lead him away? It's a very different feel. We're not used to that. We know that she's a very nice filly, the kind we like to own and race. So it was not normal.

Saratoga or Del Mar? I would have to take Del Mar because it's very difficult to beat the weather and very beautiful. I won't speak for my husband since he has the New York ties.

How long would it take you to complete the NY Times Crossword puzzle? I don't do crossword puzzles, so that's an impossible question. Probably a month.

What would you be doing if you weren't in horse racing? My husband is a real estate developer. We also raise cutting horses and ranch horses in our place and raise beef cattle. I've had horses all my life, and I'd still be raising horses of some sort.

CONGRATULATIONS!

to our consignors, and thanks to our buyers for making our 2005 Saratoga Selected Sale such a resounding success.

7	3	Konigstiger (Ger)	Tiger Hill (Ire)	Schiergen
8	7	Nicaron (Ger)	Acatenango (Ger)	Steinmetz

All carry 132 pounds, bar Konigstiger & Nicaron, 120.

Bandari tackles G1 Deutsches Derby hero **Nicaron** as he bids for that elusive Group 1 on his first foray to Germany. A stakes winner at two, three, five and six, the evergreen campaigner has failed to hit the target at this level in seven attempts. However, the manner of his defeat of Maraahel (Ire) in the G2 Hardwicke S. at Royal Ascot at York June 18 suggests he maintains his ability. Nicaron, who beat Night Tango (Ger) by 1 ½ lengths in the July 3 Hamburg Classic last time, will emulate the 2003 hero Dai Jin (GB) if he follows up here. Peter Schiergen, who saddled Catella (Ger) to win this in 2000, relies on a duo headed by **Konigstiger**, who has nearly 10 lengths to find on Nicaron on the form of his Deutsches Derby fourth last time. He had gone into that race unbeaten after battling scores in the G3 Albert von Metzler-Rennen at Frankfurt Apr. 24 and the G2 Oppenheim-Union-Rennen June 12 and deserves another chance if the ground dries out. **Simonas**, whose trainer Andreas Wohler captured this with Sabiango (Ger) four years ago, benefitted from the disqualification of Soldier Hollow (Ire) when awarded the G2 Hansa-Preis at Hamburg June 26, but could only manage third in the G1 Deutschlandpreis at Dusseldorf on his latest start July 24.

What a Song, who topped the Barretts March Sale at \$1.9 million, proved a handy winner of his June 18 debut at Hollywood. The Lewis colorbearer had to work a bit harder to stave off **Bashert** by a neck in the GIII Hollywood Juvenile Championship S. July 16, but has continued to work brilliantly in recent weeks and merits favoritism. The highstrung **Corazondelcampeon** hasn't been out since trouncing maidens by six lengths in his career opener at Hollywood May 29. Stan Fulton's \$1.3-million KEESEP acquisition **A. P. Warrior** earned his diploma at first asking going 5 1/2 furlongs July 17 and should relish today's added distance.

BELLAMY EYES RETURN; CAUSEWAY OUT

Trainer Nick Zito gave a progress report Saturday on a pair of colts who made some noise in the run up to the spring Classics. GI Wood Memorial winner **Bellamy Road** (Concerto) appears poised to mount a comeback, while stablemate **Noble Causeway** (Giant's Causeway), runner up in the GI Florida Derby, is expected to remain on the sidelines until later this fall. The former, who popped a splint in his left foreleg and finished seventh in the GI Kentucky Derby May 7, worked five furlongs in 1:00 1/5 over a sloppy track at Saratoga Saturday. Regular exercise rider Maxine Correa was aboard. "The rider was just sitting there," said Zito. New York Racing Association clockers caught the three-year-old in fractions of :22 3/5 for the opening quarter and :47 2/5 for the half. "That's the kind of horse he is," Zito explained, when asked if the initial quarter was faster than he wanted. "Knock on wood, everything's good." Owned by George Steinbrenner III's Kinsman Stable, the bay is expected to start Aug. 27, in either the seven-furlong GI King's Bishop S. or the 10-furlong GI Travers S. "We're just keeping our options open," Zito said. "When that horse is right, he runs with anybody. The King's Bishop is extremely tough with Lost in the Fog. On the other hand, we have the conditioning thing going a mile and a quarter [for the Travers]...we've got another week and we'll go from there." Noble Causeway, who was scratched at the gate prior to the GI Jim Dandy S. and pulled up early in an allowance test last week, was examined by Dr. Larry Bramlage at the Rood and Riddle Equine Clinic in Lexington yesterday. "He has no stress fractures, but Dr. Bramlage found a little pebble in his left ankle and found something in his right-side suspensory," explained Zito. "[Today] we're going to take out the pebble in his left ankle and [Dr. Bramlage]'s going to treat the suspensory. He'll need two weeks in the stall, three weeks hand walking and he'll be back on track in six weeks."

ROYAL MOMENT (c, 3, Two Punch--Moments Delight, by General Assembly), a half to Sleetwood Mac (Seattle Sleet), MSW, \$268,787; and a full to Heavyweight Champ, GISP, \$211,668, broke his maiden at the Spa last summer, before running fourth to Proud Accolade in an allowance Sept. 1. He was sent to Kentucky for the rest of his two-year-old campaign, where he was second in an Keeneland allowance Oct. 8 and a well-beaten third Oct. 29. The chestnut gave a better account in his final start of the season, finishing third behind Don't Get Mad in a Churchill allowance Nov. 26. Not given much respect by the Saratoga faithful at 14-1 here, the \$110,000 KEENOV weanling and \$270,000 FTSAUG yearling stayed within striking distance, split horses in the stretch and powered clear to a three-length tally. Close up early, the \$60,000 KEENOV weanling and \$125,000 FTNAUG yearling gained command at the half and ran away and hid from his foes in the run to the wire, scoring by a widening 12-length margin. Well Noted Filly Tops NYBS Finale:

A filly by first crop sire Well Noted brought a top bid of \$43,000 from Patrick Minogue at yesterday's final session of the New York Breeders' Sales in Saratoga Springs. Out of the Cutlass mare Creed's Lass, the chestnut was consigned by Monhill Farm LLC, agent. Leading the boys was hip 143, a bay by Millennium Wind out of Audacity (by Chief's Crown), who realized \$35,000. Purchased by Marla Farm, the bay, who is from the family of two-time champion sprinter Ta Wee, was consigned by Blue Chip Stock, acting agent for Golden Dome Stable. At the conclusion of the sale, a total of 210 horses sold for \$1,251,400. The average for both days stood at \$11,587, while the median was \$5,000. Eighteen Layoffs at Hollywood Park:

Eighteen employees at Hollywood Park, including Vice President of Marketing Allen Gutterman and James Miller, the paymaster of purses, have been laid off due to the impending sale of the track to Bay Meadows Land Co. The sale is expected to be finalized Sept. 23. "The timing was to be to the benefit of those being laid off," Hollywood's Director of Communications Mike Mooney told *The Blood-Horse*. "People have been under pressure for months since rumors of the sale began." Added Jack Liebau, president of the Bay Meadows Racing Association, "I think it was Churchill's position that this has been going on for a long time and there was quite a bit of concern on the part of the workforce there," Liebau said. "Churchill decided that it would be better business to let people know the plans now rather than worry about it for a month. That was their decision and we don't quarrel with it. I've been in this situation before at Santa Anita. Accounting, marketing, and group sales, these are areas that can naturally be consolidated. In this situation, it was made easier because Bay Meadows and Hollywood Park overlap dates only in the last week of April and the first week of May."

Strut took three outings to get the message, but still looked green when winning a Windsor maiden a week ago. She was all at sea in the early stages here, blown out the back by the furious tempo with Steve Drowne struggling to get her together. As the leaders started to crack, she found her best stride and cut back every rival to rob Sweet Afton of the victory in the final strides. "She could be very good, but unfortunately she thinks she's a mile-and-a-half filly," her rider explained. "Mentally, she takes her time and she's learning a lot--she's not blowing there and could be a lovely filly and is not furnished yet."

ICE PLANET (GB) (g, 4, **Polar Falcon--Preference {GB}**, by **Ef시오 {GB}**) had shown improvement throughout the season, taking a five-furlong handicap at Thirsk June 3 and another over an extra panel at Doncaster June 25. He suffered a troubled trip when fifth at Newmarket last time July 29 and was drawn right against the favored far rail for this Great St Wilfrid H. Tracking the leaders in fourth during the early stages, the 10-1 chance hit the front at the eighth pole and was ridden out from there for a cozy three-length success from stablemate Pieter Breughel (Citidancer). The winner was a 22,000gns TATDEC weanling and 9,000gns TATAUT two-year-old. Lifetime Record: 15-3-2-2, £47,459. O-David Faulkner; B-L C and Mrs A E Sigsworth; T-David Nicholls.

+ EXTREME MEASURES (GB) (c, 2, [Montjeu {Ire}](#)--Fade {GB}, by Persepolis {Fr}), let go at 4-1 as the joint-favorite, traveled like a professional stalking the early fractions before taking over passing the quarter pole. Pushed out with hands and heels from there, he was always holding his market rival Hazeymm (Ire) (Marju {Ire}) in the closing stages and reported home a comfortable two-length winner. "He's been pleasing us in every way and we think he'll go on from here," Godolphin Racing Manager Simon Crisford said. A 360,000gns TATOCT yearling acquisition, Extreme Measures is a half brother to Faru (GB) (Mtoto {GB}), MSW-Fr, \$234,805; Birdie (GB) (Alhaarth {Ire}), SW-GB; and Fading Light (GB) (King's Best), MGSP-Fr. JEU DE MOT (IRE) (c, 2, [Montjeu {Ire}](#)--Nwaahil {Ire}, by Nashwan), runner-up to the subsequent Listed Star S. winner Confidential Lady (GB) in a conditions event at Beverley on debut July 2, carried his rider to the front from the break and traveled strongly in the middle stages. Briefly threatened by Criminal Act (Bahri) approaching the final quarter, the 15-8 second choice opened up and was comfortably on top, beating that rival by three lengths. "I think the [soft] ground really suited him and he gets into it and loves it," his trainer said. "He's done it nicely and is totally relaxed in his races and lazy in his work, so that's the right way to have it." Produced by a half sister to G1 Epsom Derby hero Secreto, Jeu de Mot was a 44,000gns TATOCT yearling purchase. Lifetime Record: 2-1-1-0, £6,097. O-H R H Princess Haya of Jordan; B-Christopher Maye; T-John Gosden.

The winner is a half brother to Stonemason (Nureyev), GSW-Ire. Lifetime Record: 4-1-1-0, £6,663. O/B-Cathal Ryan; T-Richard Hannon.
