### AUSTRALIAN INVASION AT THE SPA

No stranger to the winner's circle in her native Australia, **Alinghi (Aus)** (Encosta de Lago {Aus}) translated that form to this side of the world with an impressive come-from behind score in Monday's GIII Ballston Spa Breeders' Cup H. at Saratoga. Sent off the well-deserved 4-5 choice here, the filly tracked the early pace in sixth and came up along the inside before swinging out four wide turning for home. She drew off

Runner-up in the Apr. 23 G2 Sandown Mile and in the G3 Diomed S. at Epsom June 4, he shared the spoils in the G3 Prix de la Porte Maillot at Longchamp June 27 before being put in his place by the smart Caradak (Ire) when fourth in the G3 Minstrel S. at The Curragh last time July 17. Following his second Muguet success May 1, Martillo finished sixth in the G1 Queen Anne S. on his latest start at Royal Ascot at York June 14 and comes here a fresh horse.

Coming into this event with 10 victories Down Under, the dark bay Alinghi appeared to have the edge in her American debut for import specialist Bobby Frankel, who is currently hitting at over 25 percent with first-time U.S. starters, and leading Saratoga rider Edgar Prado. And she didn't disappoint. "She's a real nice filly," said the winning trainer. "I thought Edgar rode a beautiful race. She's got a tremendous turn of foot." Winner of the G1 Australian Thousand Guineas at three, the dark bay was beaten only a neck in her seasonal debut in the five-furlong G1 Lightning S. Feb. 5, but quickly returned to her winning ways three weeks later going six panels in the G1 Robert Sangster S. at Morphetville. Making it two straight with a two-length score in the G1 Newmarket H. at Flemington Mar 12, the filly, who had finished in the money in 11 prior starts, finally proved mortal and came home fourth last time in the G1 T J Smith S. at Randwick Mar. 26. Future plans have not yet been announced.

**PROCLAMATION ADDED TO CUP** Princess Haya of Jordan's G1 Sussex S. winner **Proclamation (Ire)** (King's Best) was yesterday supplemented for Saturday's £225,000 G1 William Hill Sprint Cup at Haydock. Trainer Jeremy Nosedo paid the fee to add the sophomore, who heads the 21 remaining entries for the six-furlong contest. "He'll go on any ground and we just hope we get a decent draw and a little bit of luck in running now," Nosedo said of the colt, who beat Soviet Song (Ire) by a half length in the Goodwood race July 27. "The plan is Haydock, then possibly the G1 Prix de la Foret [at Longchamp Oct. 1] and then maybe Belmont [for the G1 Breeders' Cup Mile Oct. 20]." Among his opponents on Saturday could be Guy Reed's Aug. 18 G1 Nunthorpe S. heroine **La Cucaracha (GB)** (Piccolo {GB}), Sheikh Mohammed bin Rashid Al Maktoum's G1 Prix Maurice de Gheest runner-up **Goodricke (GB)** (Bahamian Bounty {GB}) and last year's runner-up **Somnus (GB)** (Pivotal {GB}).

**FUNNY CIDE BACK ON THE WORK TAB** Kentucky Derby winner **Funny Cide** (Distorted Humor) worked for the first time in 22 days yesterday morning at Saratoga. Piloted by regular rider Robin Smullen, the five-year-old posted an easy four-furlong breeze in :51 over a sloppy main track. The Sackatoga Stable-owned gelding missed a scheduled start against allowance company last Friday because of back problems. "It's just another setback," said trainer Barclay Tagg. "I don't know what it was, but something was hurting the hell out of him. I never saw anything like it. It scared all of us." The condition was noticed shortly after a four-furlong work over the track Aug. 8. "I don't know know if it's behind him or not," he added. "I had the chiropractor go over him again [Monday]. He looks fine now." Barring further setbacks, the chestnut is expected to make his next start at Belmont Park sometime in the middle of next month, and depending on his performance, may try and defend his title in the GI Jockey Club Gold Cup Oct. 1.

**RED OAK BUYS CHILEAN GROUP WINNER** John Brunetti's Red Oak Stable has purchased Chilean Group 3 winner **Hotesse (Chi)** (Indian Lodge {Ire}--Homogenica {Chi}, by Fappavalley) and will send her to trainer Ron McAnally for a U.S. campaign. Bred by Haras Mantancilla, the three-year-old filly has won four of her six career starts, including a 5 1/4-length score in the July 24 G3 Carlos Valdes Izquierdo, and was third in a Group 1 event in June. She will be acclimated at Red Oak Farm in Ocala, Florida before joining the McAnally stable in California.

## PEDIGREE INSIGHTS

BY ANDREW CAULFIELD

### THE LEGEND LIVES ON

With Smart Strike's versatile daughter Shadow Cast taking the GI Personal Ensign H. and Flower Alley supplying another boost to Distorted Humor's reputation in the GI Travers S., the Mr. Prospector male line had a pretty good time at Saratoga last week. And they weren't the only in-form members of this prolific sire line.

Mr. Prospector's son Machiavellian completed a notable stakes treble when Chic repeated her 2004 victory in the G2 Celebration Mile at Goodwood, soon after Quito had landed his third Listed race of the year in the Hopeful S. at Newmarket and Cold Cold Woman had won a stakes race at Del Mar.

Perhaps more important, bearing in mind that Machiavellian died prematurely last year, his top-class son Medicean was represented by his first group winner when Nannina took the G3 Prestige S. This youngster's victory, just half an hour after Chic's fine win, completed an excellent group-race double for Cheveley Park Stud.

It is going to be interesting to see how Machiavellian's reputation as a sire of sires develops over the next few years. What can be said for sure is that his eldest stallion sons, such as Vettori, Titus Livius and Almutawakel, have all sired some smart performers despite being modestly priced. With Medicean also shaping up well, the outlook has to be favourable for Machiavellian's lengthy list of unproven sons, which includes Street Cry in the U.S. and Best of the Bests, Medecis, No Excuse Needed and Storming Home in Britain and Ireland.

Medicean embarked on his career at Cheveley Park, just across the road from Machiavellian's base, at a fee of £15,000 in 2002. Bearing in mind that Machiavellian's fee had soared to £80,000, his son had to have plenty of appeal. After all, Medicean had collected three important mile events, including the G1 Juddmonte Lockinge and G2 Queen Anne S., before confirming that he stayed a mile and a quarter with his determined victory over Grandera in the G1 Eclipse S.

Adding to his appeal was the fact that his dam Mystic Goddess was a precocious stakes winner by Storm Bird, from the same female line as that very successful stallion Caro.

Medicean attracted 74 mares in his first season, but 24 of them came from the Thompson family's Cheveley Park operation. As these 24 represented roughly 22 percent of this stud's distinguished broodmare band, the Thompsons were clearly making a major commitment to their homebred stallion. It is therefore good to see their loyalty to Medicean starting to be rewarded, with Nannina's first group success representing a major milestone.

## CHAMPION 2-Y-O's, CLASSIC 3-Y-O's, COLTS & FILLIES, GOING LONG & SHORT, ON DIRT & ON TURF.

His first crop stars include unbeaten Classic winner FOOTSTEPSINTHESAND, European Champion 2yo & dual Classic-winning 3yo SHAMARDAL and Royal Ascot G1 winner MAIDS CAUSEWAY.

Now it's the turn of his first USA crop to show their mettle. And on Saturday, in the G1 Hopeful Stakes at Saratoga, FIRST SAMURAI did just that - winning by 4 1/4 to remain unbeaten.

**Caulfield cont.**

As a pedigree buff, I was intrigued to note that Cheveley Park's visitors to Medicean included three daughters of Danehill--two of them group winners--as this pairing creates a complex pedigree featuring a concentration of lines to Almahmoud.

Machiavellian's dam Coup de Folie was inbred 3x3 to Almahmoud, through Cosmah and Natalma, and Machiavellian's pedigree also features another line of Native Dancer, the sire of Natalma. By mating Machiavellian to Mystic Goddess, a granddaughter of Northern Dancer, Medicean is inbred 4x4 to Natalma, 5x5x5 to Almahmoud and 4x5x5 to Native Dancer.

Danehill, of course, was inbred 3x3 to Natalma, so mating his daughters to Medicean results in 4x4 to Northern Dancer, 5x5x5x5 to Natalma, 5x6x6x6x6 to Native Dancer and 6x6x6x6x6 to Almahmoud. With Nannina's dam Hill Hopper you add 5x5 to Ribot to the mix.

Cheveley Park's other group-winning Danehill mare covered by Medicean was Regal Rose, winner of the G1 Cheveley Park S. in 2000. With this mare, the inbreeding also includes 3x4 to Mr. Prospector and 5x4 to Hoist the Flag. Regal Rose's Medicean foal is a colt named Regal Royale. He created such a favourable impression in winning a newcomers' race at Newbury from the future Listed winner Dr Dash that he started a clear favourite for the prestigious Acomb S. at York. Unfortunately, he finished only seventh of eight behind Machiavellian's son Palace Episode, but could well bounce back from this reverse.

As Medicean's winners also include the good Irish filly Abigail Pett, winner of the Listed Silver Flash S., he is making the type of start essential to maintain support in today's fickle market. It is also in Medicean's favour that his second crop, sired at a reduced fee of £12,000, is larger than his first, with roughly 20 more foals. It hasn't all been plain sailing though, as his fee was reduced again in his third season, this time to its current level of £10,000. These reductions were probably partly a response to the arrival of new Group 1-winning sons of Machiavellian at other Newmarket studs.

Nannina isn't this year's only interestingly bred group winner out of a Danehill mare. The Australian juvenile Perfectly Ready is by the up-and-coming More Than Ready, whose sire Southern Halo is inbred 3x4 to Almahmoud through Cosmah and Natalma. Therefore this Group 1-placed Group 3 winner is inbred 4x4 to Northern Dancer and has three lines to Natalma and four to Almahmoud. Sunday Silence, another stallion by Cosmah's son Halo, has a pair of good winners out of Danehill mares. Then there's Flying Pegasus, an Australian Group 3-winning juvenile who is inbred 3x3 to Danzig.

I should also mention the Irish 2000 Guineas third Democratic Deficit, who is inbred 3x4 to Northern Dancer and 4x5x5 to Natalma, and you will find similar inbreeding, but a bit further back, in the pedigrees of the Irish 1000 Guineas winner Saoire, the Hong Kong Group 1 winner Vengeance of Rain, the Australian Oaks winner Dizelle and the Group 3 winner Tarfah.

There is even a successful British handicapper, Realism, by Machiavellian out of a Danehill mare, while the very good Australian filly Shania Dane is by Danehill out of a Machiavellian mare. The chances are we are going to see a lot more experimentation along these lines over the next few years.

### Stevens Out for the Week:

Jockey Gary Stevens has taken off his mounts this week after aggravating a minor tailbone injury sustained in a post parade spill at Saratoga last Wednesday, according to the *Blood-Horse*. "He knew it was bruised and he was feeling a little off, but after [Monday] he decided he needed a break," Stevens's agent Craig O'Bryan told *Blood-Horse* Monday. Sir Xaar has done nothing wrong throughout his juvenile campaign and gained a richly deserved first stakes success in this dash. Having finished fourth in the June 14 G2 Coventry S. at Royal Ascot at York, he failed to make an impact over an extra panel when off the board in the July 7 G3 Superlative S. at Newmarket and Newbury conditions race 17 days later. Dropped back to six, he was second as the highweight in a Redcar nursery Aug. 7 before finishing fifth in the G2 Gimcrack S. at York 12 days ago. Chasing Johannes throughout, he inhaled that rival approaching the eighth pole and had enough in reserve to repel his renewed rally in the drive to the line.
