'ALEX' WON'T MAKE BC CLASSIC

Up against the clock and trying to rebound from surgery performed to correct a hairline fracture suffered in July, dual Classic winner **Afleet Alex** (Northern Afleet) looked on the verge of the doing the improbable and making a scheduled start in the GI Breeders' Cup Classic. In the end, however, connections felt the three-year-old wouldn't have enough time to ready for the Oct. 29 event at Belmont and have decided to skip racing's championship day. Trainer Tim Ritchev, along with Patricia M. Hogan, a veterinarian at the New Jersey Equine Clinic, re-

Adam Coglianese

leased a statement on afleetalex.com that read, "The horse is doing very well clinically and has progressed remarkably well. He will remain in training. We feel it is in Alex's best interests to miss the Breeder's Cup races. Unfortunately, the timing is just a little too close to demand the enormous athletic effort that would be required to race at that elite level of competition. Although perhaps a disappointment for racing, it is only a temporary one. The prognosis remains excellent for a return to Alex's elite level of competition." Third in the GI Kentucky Derby, 'Alex' went on to take the GI Preakness S. and GI Belmont S. before being sidelined with a hairline condylar fracture of the left front ankle. A single screw was inserted to help stabilize the injury at the New Jersey Equine Clinic July 27, and, following some time off, the bay had recently come back to post two impressive works. He drilled four furlongs in :46.02 at Belmont last Friday and was reportedly on target for the Oct. 14 GIII Budweiser Perryville S. at Keeneland. A follow-up exam after the work, however, did not meet with the approval of his connections. "All involved with Alex agreed that if [the Breeders' Cup] was to be a possibility, then the healing process was to have been completed 100 percent for this to be considered," read the statement. "After the recent works, Alex was radiographed again and although it is very subtle, it is evident that the bone is still in the end stages of the healing process. We are 99 percent there but for this horse we require 100 percent."

HURRICANE RUN TO MISS BREEDERS' CUP

Michael Tabor's G1 Prix de l'Arc de Triomphe hero **Hurricane Run (Ire)** (Montjeu {Ire}) will miss the Oct. 29 GI Breeders' Cup Turf at Belmont after a bout of coughing. The sophomore, who had annexed the G1 Irish Derby earlier in the term, will remain in training at four, but is finished for the season, according to his trainer, Andre Fabre. "Hurricane Run coughed last Friday and again over the weekend and will miss his intended engagement in the Breeders' Cup Turf," said Fabre in a statement released yesterday.

yesterday's GIII Grey Breeders' Cup S. at Woodbine. A \$750,000 Barretts March purchase, the dark bay opened his account with a fourth-place finish at Saratoga Aug. 17. He came back to break his maiden at Woodbine Sept. 17, and was the 3-1 third choice while trying two turns for the first time in his stakes debut. Unification broke sharply, but jockey Robery Landry took him back to stalk the early pace. The colt collared **Seaside Retreat** (King Cugat) on the far turn, opened up at the top of the lane and held off Badge of Truth for the score. He gives sophomore sire Dixie Union (Dixieland Band) his third graded-stakes winner in 10 days. "He's a nice little horse, he's uncomplicated," said Landry. "When I asked him to kick on, he did. It made my job easy." If he goes on to the World Thoroughbred Championships, Unification will try to follow in the hoofsteps of champion Macho Uno, who used the Grey as a stepping stone to Breeders' Cup success in 2000. TATTERSALLS OCTOBER (PART 2) BEGINS

After a successful first installment and a three-day break, part two of the October Yearling Sale gets going at Tattersalls in Newmarket today at 10 a.m. Many of the top agents and leading trainers are still at Park Paddocks and have been inspecting yearlings for this week's action and, with plenty of orders still to be filled, the sale is expected to get off to a solid start. Well-bred fillies were at a premium last week from buyers looking for long-term paddock potential and among the contenders for this market is Lot [937](#), a King's Best half sister to multiple Group/Grade I winner Storming Home (GB) (Machiavellian) offered from Mount Eaton Stud. Montjeu (Ire)'s yearlings were selling like hotcakes last weeks and included in his offerings here is Lot [725](#), a half brother to Group 3 winner Lady Lahar (GB) (Fraam {GB}), while Lot [957](#)--a filly out of Young Affair (Ire) (Mukaddamah)--was bought for 38,000gns as a foal at Tattersalls in December and is offered from Denis and Joan Brosnan's Co. Limerick-based Croom House Stud. Lot [1196](#) is a first-crop Noverre (Rahy) half brother to this season's G2 Coventry S. winner Red Clubs (Ire) (Red Ransom) offered from Islanmore Stud, while Lot [849](#) is an Erhaab half brother to US Grade II winner Three Degrees (Ire) (Singspiel {Ire}) consigned from David Shekells' locally based Old Mill Stud. The dearest pinhooked lot for sale is Lot [1182](#), a Pivotal (GB) (Polar Falcon) colt out of Splicing (GB) (Sharpo) bought by the Yorkshire-based Darley and Townsend partnership for 62,000gns at Tattersalls in December. Trickle-down Stud reconsigns the colt. The sale runs today through Friday, starting at 10 a.m. with post-racing sessions on Thursday and Friday kicking off at 5.30 p.m.

You can also pick up a copy of the TDN today at the OBS Fall Mixed Sale & Tattersalls October Yearling Sale.

NETJETS MILE-GI, \$1,500,000, 3yo/up, 1mT

Dogwood Stable confirmed yesterday that Limehouse (Grand Slam), a close-up fourth in his grass debut in the Oct. 2 GII Kelso H. at Belmont, would participate in the Breeders' Cup Mile. Connections, who said Jose Santos will ride, are optimistic about the chances for the four-year-old Todd Pletcher charge. "Though fifth in the [Kelso], Limehouse demonstrated an affinity for the grass, and did not benefit from a last-minute jockey replacement for the injured John Velazquez, and a few traffic glitches on the unfamiliar going," explained Dogwood president Cot Campbell. "He has the Kelso under his belt now, is based at Belmont and will be reunited with Santos, who rode him so well in the Kentucky Derby, in which he was a highly respectable fourth. The Mile Turf will be one of the toughest races on the Breeders' Cup card, but we feel Limehouse deserves a shot in what will be his swan song to racing--as he retires later this year to go to stud at Vinery in Lexington." Joe Bravo partnered Limehouse in the Kelso, a race won by **Funfair (GB)** (Singspiel {Ire}), another horse expected for the Mile.

STORM CAT FEE REMAINS AT \$500,000 The fee for the world's most commercially successful stallion, Overbrook Farm's **Storm Cat**, will remain at \$500,000

Tony Leonard

for the 2006 breeding season. The 22-year-old son of Storm Bird, twice the overall leading sire in North America and the leading juvenile sire seven times, covered 109 mares in 2005. It was earlier speculated that Storm Cat would see a reduction in the number of mares he serviced next year, but there

was no word yesterday on the prospective size of his 2006 book. Storm Cat's dominance in the sales ring was underlined this year at Keeneland September, when 22 of his yearlings sold for an average of \$2,028,409, including the sale-topper, a \$9.7 million son of Tranquility Lake purchase by Sheikh Mohammed.

PHONE TRICK DEAD The 23-year-old stallion **Phone Trick** (Clever Trick--Over the Phone, Finnegan), sire of 1997 champion two-year-old colt and Horse of the Year Favorite Trick, died Sunday

of natural causes at his home at Milford Stud in Unadilla, New York. Considered a leading source of speed over the years, the son of Clever Trick foreshadowed his successful stud career with a stellar race record that saw him win nine of 10 starts. As a three-year-old in 1985, he

won all six of his starts, including a 4 1/2-length tally in the six-furlong Palos Verdes H. in 1:08 flat. Phone Trick opened his four-year-old season with a daylight win in the GII San Carlos H., his first graded score, then added victories in the Bold Ruler S. and GII True North S. His lone loss came to Groovy in the GII Tom Fool S. that July, his final start. Phone Trick suffered a sesamoid injury while preparing for the GI Breeders' Cup Sprint and was retired to Walmac International in Kentucky. Among Phone Trick's best runners were GI Breeders' Cup Juvenile hero Favorite Trick, who became the first two-year-old since Secretariat to be named Horse of the Year on the strength of an undefeated juvenile campaign; Phone Chatter, honored as champion two-year-old filly in 1993 after winning the GI Oak Leaf S. and GI Breeders' Cup Juvenile Fillies; and two-time Golden Shaheen winner (once as a Grade I, once as a Grade III) and UAE champion Caller One. His sons at stud include the promising Intidab, Mazel Trick, Caller I.D. and Zavata. From 16 crops, Phone Trick has sired 53 stakes winners from 1,109 foals and earners of over \$48 million. Phone Trick was moved from Kentucky to Milfer in the fall of 2001. Over the past four seasons, he bred 238 mares with over a 90 percent conception rate. He first crop of New York-breds are two-year-olds of 2005.

Want a good two-year-old? Use a son of Storm Cat!

That was the message of last weekend's graded events, both in the USA and France. Friday's GII Alcibiades S. saw She Says It Best, a daughter of Stormy Atlantic, record her fourth success from six starts. That victory set the tone for the following day's important events.

At Belmont, in the GI Champagne S., Giant's Causeway's son First Samurai strengthened his position as the leader of the juvenile pack, this time with another

Dawn of War
Bill Straus photo

victory over Hennessy's high-priced son Henny Hughes. Over at Keeneland, sons of Storm Cat scored a meritorious 1-2-3 in the GI Breeders' Futurity, thanks to Dawn of War (Catienus), Catcominatcha (Tale of the Cat) and Stream Cat (Black Minnaloushe). Meanwhile, over at Saint-Cloud, the G3 Prix Thomas Bryon was won in good style by Hennessy's son Set Alight.

An interesting dimension was added to two of these results in that, on this occasion, the sons of Storm Cat fared better than their sire. Storm Cat's daughter Performing Diva was third in the Alcibiades, while his son Sharp Attack filled fourth place behind the trio of grandsons in the Breeders' Futurity.

Another noteworthy coincidence is that First Samurai has something in common with Dawn of War, the unexpected winner of the Breeders' Futurity. In addition to both being by sons of Storm Cat, First Samurai is out of a daughter of Dixieland Band, whereas Dawn of War is out of a granddaughter, by Dixieland Band's fast son Chimes Band. **Caulfield cont. p7**

While I am busily pointing out links between top juveniles, I may as well add that there is a connection between First Samurai and Diamond Omi, the juveniles which have recently helped dispel any doubts about Giant's Causeway's ability to come up with top-notch winners on the main track. Whereas First Samurai has a Fappiano mare as his second dam, Diamond Omi--the very progressive winner of the GII Oak Leaf S.--is out of a another daughter of Fappiano. In other words, these two have added to the already substantial evidence which suggests that Giant's Causeway is an ideal match for mares from the Mr. Prospector line, in much the same way that Storm Cat is. Remember, the rising star of the Ashford team has already excelled with daughters of Forty Niner, Kingmambo, Machiavellian, Miswaki and Seeking the Gold.

Eight of Storm Cat's graded winners have Mr. Prospector as their broodmare sire, with the Group 1 winners Denebola, One Cool Cat and Finder's Fee leading the way, and Storm Cat also has Grade/Group I winners out of mares by Mr. Prospector's sons Seeking the Gold, Forty Niner and Lycius.

Catienus is another Storm Cat with a Mr. Prospector dam. He didn't quite manage to become another graded winner for this successful partnership, but he did win at stakes level and was once beaten only half a length at Grade II level. Although Catienus was available for as little as \$3,500 in his second season at Ramsay Farm, Dawn of War doesn't have a \$3,500 pedigree. He is the second foal of a winning daughter of Cadillac Women, who ranked a close fourth behind Pleasant Stage among the juvenile fillies of 1991.

First Samurai, and to a lesser extent Dawn of War, acts as a reminder of the excellent results being achieved by Dixieland Band in his role as broodmare sire. Tenth on the list of broodmare sires in 2003, Dixieland Band then achieved the considerable feat of depriving Mr. Prospector of his eighth consecutive championship. The Lane's End veteran is currently third on the 2005 list, within striking distance of a resurgent Mr. Prospector.

Dixieland Band's finest achievements as a broodmare sire include Monarchos, Dream Supreme, Exotic Wood, Bandini, Society Selection and Southern Image. Until First Samurai came along, the best winners by sons of Storm Cat out of daughters of Dixieland Band were the Grade II winners Freefourinternet, by Tabasco Cat, and Futural, by Future Storm. This cross produces 4x3 inbreeding to Northern Dancer.

Freefourinternet and Futural came from a sample of around 20 foals, but there will no doubt be plenty more now that First Samurai has advertised the cross so well, with Dawn of War indirectly adding some extra prestige.

Of course Dixieland Band isn't the first champion American broodmare sire from the Northern Dancer line. Northern Dancer himself topped the list in 1991 and 1992, to be superseded in '93 and '94 by his brilliant son Nijinsky.

The fact that Dixieland Band was still commanding a fee of \$50,000 at the age of 25 this year tells its own story. He has enjoyed consistent success for many years--arguably a lot more success than could reasonably have been expected from a horse who won only eight of his 24 starts and who gained his brace of Grade II successes at Keystone and Suffolk Downs. Dixieland Band clearly represents another example of the Northern Dancer magic, which enabled quite a few of his stallion sons to outperform their racing records.

Dixieland Band is another who owed much of his success to his prolific partnership with daughters of Mr. Prospector, this cross yielding 11 stakes winners including the graded winners Chimes Band, Southern Rhythm, Didyme, Jazz Club and Love That Jazz. Dixieland Band also sired stakes winners from mares by several sons of Mr. Prospector, so it is hardly surprising that one of Dixieland Band's stakes winners out of daughters of Fappiano should produce a colt as good as First Samurai.

 Winless in two starts last season, Cayuga's Waters captured an off-the-turf maiden test at Gulfstream Park Mar. 18 in her 2005 bow. She added a June 10 victory over New York-bred allowance foes on the grass at Belmont Park two starts later and, after finishing second by a nose in the July 22 Jena Jena S., romped by 10 1/2 lengths in an off-the-turf allowance race in the Saratoga slop Aug. 31. Looking to put together back-to-back wins for the first time in her career, the bay went right to the front, shook clear in the stretch, then was all out to hold off longshot Wait It Out at the wire. "She showed speed and did it comfortably," jockey Jerry Bailey said. "She gave me a nice kick off the turn. I was the one that was getting tired."

War Front wasn't at his best in two starts over the Aqueduct inner track last winter, finishing off the board in his December debut and following up with a distant third-place effort in February, but has been unbeatable since taking a spring break. The bay colt came back after a 7 1/2-month layoff to wow the crowd at Saratoga with a front-running 11 1/2-length maiden score Aug. 31 and was nearly as impressive when taking a Belmont allowance test by six lengths Sept. 18. The heavy favorite to handle this field as easily, he pressured Funk through a half in :47 1/5, took command on the turn and cruised to the wire a much-the-best winner. Mr. Whitestone had been on the board in all four prior starts this term, most recently running third in this company at Saratoga Aug. 18, but was looking for his first win of the year. Prominently placed by jockey Edgar Prado early, the bay swung wide into the stretch and just got past favored Voodoo in the final strides.

Bet down to 3-2 to get the job done this time, the \$525,000 FTFFEB juvenile went after the lead when the gates opened, gained the upper hand after six furlongs and opened it up down the lane to hit the line 6 1/4 lengths in front. Pleasant Laughter (Coronado's Quest) was second best. Lifetime Record: 3-2-0-1, \$47,100.

The chestnut colt came back to be second behind repeat winner War Front in the slop at Saratoga Aug. 31 and was 3-5 to break his maiden in his second start off the layoff. Sent right to the front, he was hounded by Aaron's Classic (Sky Classic) every step of the way, but still had his nose in front when they hit the wire. Lifetime Record: 4-1-2-1, \$45,320. Surf Cat was first or second in his first six starts, including a five-length triumph in the GII Swaps BC S. at Hollywood Park July 9. The dark bay colt took on older horses, Grade I company and a mile and a quarter in his next appearance, but found the Aug. 21 GI Pacific Classic just a little too tough, finishing sixth. The overwhelming choice to get back on track with the drop to the allowance ranks, he was off a step slowly, then tracked the pace while racing wide down the backstretch. FOUR ADDED TO CHAMPION Four horses have been supplemented for the G1 Emirates Airline Champion S. at Newmarket on Saturday, swelling the potential field to 17. Two of the additional entries, Philip Newton's G3 Joel S. scorer **Rob Roy** (Lear Fan) and Cheveley Park Stud's G2 Celebration Mile heroine **Chic (GB)** (Machiavellian), hail from the Sir Michael Stoute stable, while Godolphin paid the £24,000 fee for the impressive Doncaster conditions winner **Echo of Light (GB)** (Dubai Millennium {GB}). Jean-Claude Rouget has also added the G2 Prix Guillaume d'Ornano scorer **Pinson (Ire)** (Halling).

The Lineup...

Sir Michael Stoute also has Sheikh Hamdan bin Rashid Al Maktoum's G1 International S. third **Maraahel (Ire)** (Alzao) and Godolphin the G3 Sovereign S, scorer **Layman** (Sunday Silence), while Aidan O'Brien has a trio headed by Susan Magnier's G1 Eclipse S. and G1 Irish Champion S. winner **Oratorio (Ire)** (Danehill). That sophomore was reported on course for the 10-furlong contest by trainer Aidan O'Brien at The Curragh on Sunday. "The plan is to run him in the Champion S.," he said. "Everything is going according to plan with him at the moment." Alongside Pinson, a strong French challenge is on the cards after Carlos Laffon-Parias confirmed Wertheimer et Frere's G3 la Coupe de Maisons-Laffitte winner **Prospect Park (GB)** (Sadler's Wells); Henri-Alex Pantall left in Gary Tanaka's G2 Prix Dollar hero **Touch of Land (Fr)** (Lando {Ger}); and Elie Lellouche confirmed N P Bloodstock Ltd's G2 Prix Jean Romanet and G2 Prix Foy scorer **Pride (Fr)** (Peintre Celebre). Tanaka also has the Michael Jarvis-trained **Rakti (GB)** (Polish Precedent) engaged, but the ground will be the deciding factor if the 2003 winner is to turn up. Noel and Miriam O'Callaghan's multiple Group 1 heroine **Alexander Goldrun (Ire)** (Gold Away) and Mike Charlton's G1 Grand Prix de Saint-Cloud winner **Alkaased** (Kingmambo) add strength to the field.

The Forecast...

Clerk of the Course Michael Prosser expects the ground to be riding officially "good" for the Champions' Day fixture. "The going is currently good, though it's now just on the quick side of good in places. Tomorrow will be dry and we are then forecast to get between three and five millimetres of rain on Wednesday, but it will then be dry for the rest of the week. Assuming the rain comes on Wednesday, we should be going into the meeting on genuine good ground."

PERCY SET FOR DEWHURST DATE Anthony Pakenham's unbeaten G2 Vintage S. winner **Sir Percy (GB)** (Mark of Esteem {Ire}) looks certain to take on the Ballydoyle big guns in Saturday's G1 Darley Dewhurst S. at Newmarket. Off the track since his battling score in that Goodwood contest July 27, he was reported on course for the seven-furlong juvenile championship by trainer Marcus Tregoning. "He's a fresh horse, which will be of benefit going into a race like the Dewhurst," he told the *Racing Post*. "I think it's quite possible that he will run there." Sir Percy was one of 17 confirmed entries left in at yesterday's stage, with Aidan O'Brien accounting for eight of the list including Susan Magnier's G1 Phoenix S. and G1 National S. winner **George Washington (Ire)** (Danehill) and Susan Magnier and Diane Nagle's G1 Prix Jean-Luc Lagardere scorer **Horatio Nelson (Ire)** (Danehill).

Also ran: Le Carre, Sword Roche (Ger), Pretty Tough (Ire).

Mosaic, coming off a conditions score at Craon Sept. 19, was taking on some grizzly older stayers in this, but belied his inexperience to open his stakes account. Sent to the lead early, he set steady fractions before turning the pressure up down the backstretch. Pushed along at the quarter-pole, he was ridden out inside the closing panel to maintain a comfortable buffer.

Chantilly, 1.50, Hcp, €57,000, 3yo, 12fT, 2:33.30, gd. **SPECIAL HONOR (FR) (c, 3, Highest Honor {Fr}--Secret Wells, by Sadler's Wells)** finished runner-up in a Saint-Cloud conditions in his latest June 26 and started this comeback as the 37-10 second choice. Afforded a soft lead from the bell, the chestnut homebred was pushed along to reassert when pressed inside the final quarter and kept on well to account for Kugelhof (Fr) (Kahyasi {Ire}) by 1 1/2 lengths. 2nd Dam: **Vadsa, by Halo**

3rd Dam: **Rainbow's Edge, by Creme Dela Creme**

Grand Vadla was asked by punters to make this a winning debut as the 7-5 favorite, but only did so after the intervention of the stewards for an early-stretch incident. The Lagardere-bred was positioned third for much of the contest, but felt the brunt of Mednaya (Ire) (Grand Lodge)'s inward maneuver at the top of the straight. Rebalanced when readied for a bid approaching the final eighth, the half to Vadlawys (Fr) (Always Fair), GSW-Fr; Val Royal (Fr) (Royal Academy), GISW-US, MGSW-Fr, \$1,126,482, was undone by inexperience and wandered when urged to seize the initiative. BRIBON (FR) (c, 2, Mark of Esteem {Ire}--Rowat Arazi {GB}, by Arazi) ran second in a course-and-distance conditions event last time Sept. 1 and asserted for the early lead in this return. Coaxed safely clear approaching the final furlong, the 11-10 pick was pushed out in the closing stages to withstand the late rattle of Royal Mirage (Fr) (Zafonic) by three-parts of a length. Lifetime Record: 6 starts, 2 wins, 3 places, €45,150. O/B-Darpat SL; T-Carlos Laffon-Parias.

DARKARA (IRE) (f, 4, Halling--Daralbayda {Ire} {GSP-Fr}, by Doyoun {Ire}) completed a quick-fire treble in the Listed Prix des Tourelles at this track last term and followed two subsequent off-the-board efforts with a last-out second at Clairefontaine Aug. 19. Positioned in third until coaxed to the fore with 2 1/2 furlongs remaining, the 9-2 chance found extra when tackled by Helike (Rahy) inside the final eighth to turn down that rival by 3/4 lengths. AVONBRIDGE TO WHITSBURY MANOR

Last Sunday's G1 Prix de l'Abbaye at Longchamp winner **Avonbridge (GB)** (Averti {Ire}--Alessia {GB}, by Caerleon) will stand at Whitsbury Manor Stud when he retires at the end of the current season. John Deer's five-year-old will replace his sire, who died of a heart attack in December. His fee has been set at £4,500. Avonbridge, who was also runner-up in the G1 July Cup this term, may compete in the G1 Hong Kong Sprint at Sha Tin Dec. 12.

Polar Jem is dangerous left alone on the front end and was gifted a third stakes score when wiring this contest under an enterprising ride from Johnny Murtagh. Off the mark on her seasonal bow in the July 16 Listed Aphrodite S. at Newmarket, she failed to make the frame in her next four starts, but managed a fourth in the G3 Winter Hill S. at this track Aug. 27 and sixth behind Ouija Board (GB) in the G3 Princess Royal S. at Newmarket last time Sept. 24. Dictating throughout, her kick in the home straight was enough to settle the issue. Trainer George Margaron said, "Hopefully, she'll go again at Newmarket on Thursday [in the Listed Severals S.] and will possibly be kept in training next year."
