ARLINGTON CHOOSES POLYTRACK

Chicago's Arlington Park announced yesterday that the synthetic surface Polytrack had been chosen to replace its conventional dirt surface. Officials announced in December that the track, which suffered from a number of fatal breakdowns last summer, would be switching to an artificial surface for the 2007 season. In doing so, Arlington becomes the first track owned by Churchill Downs Inc. with a synthetic surface. The estimated \$10-million project is

slated to be completed by the start of the 2007 meet, which begins Friday, May 4. "Arlington Park has always considered the health and safety of the horses and riders as our most important priority," said track President Roy Arnold in making the announcement. "We are confident that our new Polytrack surface will provide the safest and best racing surface possible and will strengthen our leadership in the racing industry." Nick Nicholson, CEO and president of Keeneland, which owns part of the North American rights for Polytrack commented, "We are honored that Arlington Park has selected Polytrack for their surface. We have admired and respected [Arlington chairman] Dick Duchossois for many years, and look forward to working with him on this project, as he has been instrumental in making Arlington Park into a showcase for Thoroughbred racing worldwide."

SUNSHINE STALLIONS

In 2002, Bridlewood Farm stallion Stormy Atlantic sired the \$1.9-million Barretts two-year-old and subsequent Grade III winner Atlantic Ocean in his first crop, and ranked ninth on the North American freshman sire list. That bought him a ticket to Kentucky, where he has gone from strength to strength--his first Kentucky crop made him North America's leading sire of two-year-olds in 2006. In 2004, two more Florida stallions, Successful Appeal and Yes It's True, finished one-two on the freshman sire list, and packed their bags as well. That brings us

Songandaprayer
Louise Reinagel

to the sires whose first foals were born in 2003, were two-year-olds in 2005 and three-year-olds of 2006, meaning they were awarded APEX ratings for the first time. Florida stallion **Songandaprayer**, the GI Fountain of Youth winner from Unbridled's Song's first crop, jumped off to a hot start and followed Successful Appeal to Walmac in Kentucky. He has four graded-stakes winners and an A Runner Index of 2.50 from his first two crops, but he's by no means the only Florida F2003 stallion to make a noise, though whether any of the others follow him to Kentucky we shall have to wait and see. **(APEX CHARTS, p7-9)**

Two other Florida stallions actually rank one-two among F2003 sires by APEX A Runner Index, namely another Bridlewood stallion Put It Back (4.03), and another Padua stallion (they had Yes It's True), Exchange Rate (3.61). In fact, none of the top five F2003 sires by A Runner Index stood the 2002 season in Kentucky, and only two of the top 10 on that list--Five Star Day (3.01) and Broken Vow (2.86)--actually started out at stud in Kentucky. **Oppenheim cont. p2**

Padua Stables paid \$1.4 million for **Exchange Rate**, by Danzig out of the Grade III-winner Sterling Pound (Seeking the Gold) from the top-drawer Native Partner family, at the 1998 Keeneland July (remember that?) sale. He won the Risen Star S. at three, then went on to win the seven-furlong GII Tom Fool H. (Beyer 110), at Belmont, at four. Xchanger. I've already written a couple of times this winter about a third F2003 Florida stallion, Ocala Stud's **Trippi**. He ranks third among F2003 sires in number of ABC Runners (19), and fifth in ABC Runner Index (1.88). He also finished 2006 as the number three second-crop sire in progeny earnings, and was the number five sire of two-year-olds nationally. So he makes the Florida F2003 Honor Roll as well.

Two stallions who started out in New York and a Canadian stallion also registered A Runner indices of 2.99 or better through the end of 2006. Ghostzapper's half-brother **City Zip** has followed the Belong To Me route, and was moved to Lane's End in Kentucky, though in his case it was before his two-year-olds had even run. They weren't wrong, though. He ranked third on the 2005 North American Freshman Sire list, and finished sixth in progeny earnings among

Besides sporting a 3.02 A Runner Index, City Zip ranks second to Galileo in number of ABC Runners (22), and is tied for first by ABC Runner Index (2.37). Giant's Causeway's little brother **Freud** never even won a stakes on the racetrack, but his sire numbers are convincing: he ranks seventh by A Runner Index (2.99), and sixth by ABC Index (1.87), including the multiple Grade I-placed three-year-old filly Quick Little Miss. The top Canadian among this group is **Trajectory**, a three-time stakes winner in Canada by Gone West, who is owned in partnership by Pin Oak Stud and Gardiner Farms, and stands at the latter's Ontario farm. He ranks third in this group by A Runner Index (3.45), and is tied with City Zip for the top spot by ABC Index (2.37). He had stakes horses all over the place at Woodbine last year. Three European stallions rated among the top 10, including very likely the top stallion from this sire crop, **Galileo**. He led all F2003 sires with 162 year-starters, and also led with 10 A Runners (all in 2006), for a very respectable 3.09 A Runner Index, ranking him fourth among these. Besides leading in number of A Runners, he also leads in number of ABC Runners (22). Considering those 10 A Runners included eight group or graded

stakes winners, two of which were Classic winners (Nighttime and Sixties Icon), another a Breeders' Cup winner (Red Rocks), plus Teofilo, the top two-year-old in Europe, I feel safe in saying Galileo is surely the best sire of this group, even though he doesn't have the highest A Runner Index. Another Coolmore sire, **Mozart** (2.88), ranks among the top 10, but this will be his one and only appearance in the APEX figures, as he had only one crop of three-year-olds, last year. Number three in Europe is **Medicean** (2.63), sire of G1 Coronation S. winner Nannina and the unbeaten two-year-old winner of the GI Middle Park S., Dutch Art.

Medicean
cheveleypark.co.uk

One of the things I've learned over years of studying sire statistics is that they are a work in progress at this stage of the game. The commercial market may insist that these sires are successes or failures, but experience teaches us that the indicators are much more reliable once their oldest crops have raced at four, which means they've had two crops of three-year-olds to race. There's still time for a lot to happen, and the better-known Kentucky stallions from this group--Point Given, Tiznow, Aptitude, El Corredor, Forest Camp, Brahms (sire of last weekend's GII Strub winner Arson Squad) and Albert the Great (sire of GIII Holy Bull winner Nobiz Like Shobiz)--could yet end up dominating this sire group. But, for the moment, the Provinces rule. And, whatever happens in 2007, some of these less well-known sires have staked serious claims to be much better known--and respected.

BRADLEY THOROUGHBRED BROKERAGE

Since the American market emerged from the two MRLS years (2002-03), there has been a big jump in the three combined January sales – mostly Keeneland January, of course. Between 2004 and 2006, the number sold in the three sales was up 15%, the gross was up 41%, and the average 22%--quite impressive gains. There has been a marginal dip this year – off 3% in gross and 2% in average – so it remains to be seen whether that sets a trend for the year, or not. If this year's major thoroughbred market was off 3% from record 2006 levels, I doubt there would be too many complaints.

Two More Great Values...

I've written about a lot of stallions over the past couple of months, but there are two more horses I reckon are very good value for 2007 who haven't yet had a mention. They are:

Horse Chestnut (Claiborne, \$5,000): A four-time Group 1 winner, and eight-for-nine in his native South Africa by the impeccably bred Fort Wood (Sadler's Wells--Fall Aspen), Horse Chestnut's one and only start in the U.S. resulted in a win in the Gill Broward H., a Donn prep, on the dirt, running a Beyer 110. His oldest foals were five-year-olds of 2006. Through the end of last year, he had an A Runner Index of 1.44, was right around average for B and C Runners, for a 1.19 ABC Runner Index. Okay,

he's no superstar, but he is an above-average sire, with two- to four-year-old ratings in the 1.20 range. Having covered only 27 mares last year, according to The Jockey Club's Report of Mares Bred, Claiborne has dropped his fee to \$5,000 for this year. I'd call that somewhere between 'very attractively priced' and 'dirt cheap.'

Taste of Paradise (Crestwood, \$6,000): By Conquistador Cielo and inbred 4x3 to Bold Ruler from the same female family which produced Kamar and Swain, Taste of Paradise finished his career with a win in the new-look, six-furlong GI Vosburgh in 2005 (Beyer 110), followed by a desperately unlucky loss to the \$25,000 stallion Silver Train in the GI Breeders' Cup Sprint, running a Beyer 114, which in my book equates to a Timeform 126. I know there's a big discount for sprinters, but I just think this horse is an unbelievable buy. Pope McLean does an excellent job with his stallions (Petionville, Storm Boot), and this is another I think could be standing around that \$15,000 level once they get to the races. I would definitely send a mare to him if I was someone hoping to breed a race-horse.

A look at the 2006 leading sires list for Europe underlines the remarkable degree of dominance that Danzig

Arson Squad
Benoit photo

and his mail line descendants have attained in that part of the world. First and second positions on the general sires' list were held by Danehill and his son Danehill Dancer, with another Danehill son, Dansili, in sixth, and Cape Cross (by Danzig's son Green Desert) in 10th. Four more Danzig-line horses appear in the top 25, and in the top 36, we find Danzig himself, and a total

of 12 other Danzig male line horses. Glancing at the juvenile table, we find Danehill Dancer and Danehill reversing positions, with Invincible Spirit (by Green Desert) third and Rock of Gibraltar (by Danehill) fifth, and other Danzig line horses, Danetime and Elnadim, seventh and tenth. Invincible Spirit and Rock of Gibraltar also finished one-two on the freshman list.

Danzig's impact as a sire of sires in the U.S. has been less profound. Of the sons which are no longer with us, the best were Chief's Crown, Polish Numbers, Honor Grades, Ascot Knight and Boundary. Lately his principal representatives on this side of the Atlantic have been Pine Bluff, Belong to Me and Langfuhr. Their ranks have been reinforced lately, however, with arrival of the previously French-based Anabaa--sire of eight group or grade one winners--to Castleton Lyons for the 2007 breeding season, and the emergence of Florida's Exchange Rate, and the Kentucky-based Brahms as promising young horses.

One of the reasons that the Danzigs have flourished in Europe is a that many tend to predominately throw turf hoses. Brahms, typically, spend the majority of his career on the lawn, beginning in England where in six juvenile starts he won his maiden and finished second in the G1 Dewhurst S. and G3 Futurity S., and third in the G1 Middle Park S. Switched to the U.S. at four, Brahms went four-for-four, including wins in the Seattle Slew Stakes, GIII River City Handicap and GI Hollywood Derby. Kept in training at four, Brahms didn't add to his win tally, but he did take second in the GII Maker's Mark Mile, and third in the GI Shoemaker Mile, GI Woodford Reserve Turf Classic and, trying the dirt, third in well-contested renewal of the GII Stephen Foster H.

With just two crops to run, Brahms is quickly showing that his offspring handle the full gamut of surfaces, and he already has stakes winners on dirt, polytrack and turf. Dirt is clearly the preferred surface for his first-crop star Arson Squad, and it's on that surface that he captured the GII Stub S. this past weekend. This was the fifth win in 11 starts for the consistent Arson Squad. Unraced at two, he took a six-furlong maiden at Santa Anita on his second start, the came straight back to win the San Pedro S. at the same trip, beating the speedy Da Stoops. Third in the GII Lazaro Barrera Memorial S. and the GIII Affirmed H., Arson Squad then upset Point Determined and A.P. Warrior in the GII Swaps Breeders' Cup S. **Porter cont. p6**

Fourth to A.P. Warrior in the GII La Jolla H., his only foray on the turf, Arson Squad ended last year with a win an allowance event, and an off-the-board effort in the GI Malibu S. This year, his only start prior came in the GII San Fernando Breeders' Cup S., where he took fourth behind Awesome Gem, Midnight Lute and Brother Derek, all of whom were behind him in the GII Strub.

Arson Squad is one of four stakes winners in the first crop sired by Brahms. In his second crop, two-year-olds of 2006, he already has the stakes-winning filly Zaylaway, and he also has the very smart Australian graded-stakes winner Real Mak from his first Southern Hemisphere crop.

Arson Squad's dam, the Green Dancer mare, Majestic Fire, was 20-years-old when she foaled Arson Squad. She is the dam of 11 earlier foals, eight of which won, but only one, the stakes-placed gelding Southern Rebel (by Southern Halo) had earned black-type. A winner twice herself, Majestic Fire is a half-sister to three European stakes winners, including the Sham colt Stramus, who took the G3 Criterium di Roma at two. Stamusc's sister, Sham Street didn't earn black-type but turned out to be a good broodmare, producing three stakes winners, including the English group winner Melrose Avenue (by Kris S.) and the Group 1-placed two-year-old Shahik (by Spectacular Bid). Another half-sister, Wajima Street, is the granddam of Ermine, winner last year of the GIII Falls City H. and second in the GI Kentucky Oaks. Ermine is by Danzig's son, Exchange Rate, so is bred on somewhat similar lines to Arson Squad.

Arson Squad's granddam, Majestic Street, a daughter of Majestic Prince and Beaver Street, won twice at two and was second in the Palo Alto S., but she was closely related to a much better filly in the shape of Kentucky Oaks heroine Native Street, who was by Majestic Prince's grandsire, Native Dancer, out of Beaver Street.

Native Street subsequently became dam of GI Florida Derby winner Royal and Regal and graded-stakes-winner Regal and Royal, and is ancestress of a host of other good performers, including Champion Older Mare Fire the Groom, English champion three-year-old Stravinsky (a horse with a very similar genetic background to Arson Squad), and Group and Grade I winners Dowsing and Pearl of Love. Other good horses to spring from this family include Grade I winners Fleetstreet Dancer and River Special, and Grade II winner Read the Footnotes.

Arson Squad is bred on a Danzig/Nijinsky II cross, and even though both of those stallions are by Northern Dancer, this cross has worked quite well. This is particularly so for mares by Arson Squad's broodmare sire, Green Dancer, as he appears as the broodmare sire of eight Danzig-line stakes winners, six group or graded. In the case of Arson Squad there is a second factor working, as Brahms is out of a mare by Mr. Prospector (by Raise a Native) and his dam Majestic Fire is out of a mare by Majestic Prince (by Raise a Native), so he is an example of what we have come to call a "Parallel Pattern"--a pedigree where the sire and dam (or broodmare sire) are the product of a similar cross (in this case Northern Dancer/Raise a Native).

MEMORIAL SERVICE FOR SCHULHOFER A memorial service for Hall of Fame trainer Scotty Schulhofer, who died in December, will be held Saturday at Gulfstream Park. During his 38-year training career, Schulhofer conditioned 80 stakes winners and five champions. He trained 1969-70 champion sprinter Ta Wee, 1978 champion turf horse MacDiarmida, 1986 champion sprinter Smile, 1990 champion juvenile Fly So Free and 1992 champion sprinter Rubiano. Schulhofer was inducted into the Hall of Fame in 1992. Saturday's memorial service will be held in the Serenata Dining Room at the north end of Gulfstream's second floor from 11 a.m. until 12 noon.

TRF GETS SECOND 4-STAR RATING The Thoroughbred Retirement Foundation has received its second consecutive four-star rating from Charity Navigator, the country's leading charity evaluator, which cited the organization's "ability to efficiently manage and grow its finances." Said Trent Stamp, Charity Navigator's Executive Director, "Only 12 percent of the charities we've rated have received at least two consecutive four-star evaluations, indicating that Thoroughbred Retirement Foundation outperforms most charities in America in its efforts to operate in the most fiscally responsible way possible. This 'exceptional' designation from Charity Navigator differentiates Thoroughbred Retirement Foundation from its peers and demonstrates to the public it is worthy of their trust." The TRF, the country's oldest and largest equine rescue organization, currently provides permanent lifetime homes for 1,300 retired racehorses at a series of farms across the country, primarily on prison farms in six states, where the prisoners are rehabilitated in a highly acclaimed vocational training programs. "It's gratifying to be recognized for the fact that we care for so many horses and our programs are so successful while remaining fiscally responsible," said Diana Pikulski, the TRF's Executive Director. "We use the money that we receive from our contributors in the way they want--which is on program expenses. Our staff is incredibly thinly stretched, and our staff and volunteers put in a tremendous amount of time in making every donor's dollar go as far as it possibly can to care for our horses."

Jockeys Will Ride Today:

After refusing to ride the remainder of last Saturday's card and all of Sunday's card because of the quality of care they received at a local hospital, jockeys at Aqueduct have agreed to resume riding as talks continue with New York Racing Association management, reports *Daily Racing Form*. "We're going to race on [today]," Bill Nader, NYRA's senior vice president and chief operating officer, told the publication. The issue came to a head Saturday after the second serious accident in three days at Aqueduct. Jockeys with injuries are typically taken to Jamaica Hospital, the nearest trauma center to Aqueduct, but riders say they receive inferior treatment there and instead prefer North Shore University Hospital. NYRA officials were scheduled to meet with jockeys yesterday.

GROOM DANCER DIES Cheveley Park Stud's **Groom Dancer** (Blushing Groom {Fr}--Featherhill {Fr}, by Lyphard) has died at the age of 23. Bred by Marvin Warner, he was trained by Tony Clout to defeat the subsequent G1 Prix de l'Arc de Triomphe winner Tremolino in the 1987 G1 Prix Lupin at Longchamp before retiring to Haras d'Etreham. After a four-year spell at Shadai Farm in the 1990s, Groom Dancer was brought back to Europe by David and Patricia Thompson to stand at their Newmarket base. One of his best sons was the 1992 G2 Prix Maurice de Gheest winner Pursuit of Love (GB), who was second in the G1 July Cup and third in the G1 2000 Guineas, and ended the year as the highweighted three-year-old sprinter in England and France. Groom Dancer was also represented by 1995 G1 Prix de la Salamandre hero Lord of Men (GB), 1993 G1 Prix Jean Prat winner Le Balafre (Fr) and multiple group winner Kabool (GB), all of whom went on to secure places at stud. Other notable runners include 2004 G1 Derby Italiano hero Groom Tesse (GB) and Australian Group 1 winner Spenophyta (NZ) as well as group winners Dancienne (Fr), Egerton (Ger) and Maiden Tower (GB). His daughters have produced G1 Prix Jean Prat winner Rouvres (Fr), G1 Dewhurst S. victor Tout Seul (Ire) and Beckett (Ire), who took the G1 National S. in 2000. "Groom Dancer was a truly international traveller whose legacy will live on through his many sons and daughters around the world," Cheveley Park Stud's Managing Director Chris Richardson told *Racing Post*.

AUSTRALASIA

TIC TIC TRINIDAD DIES Tic Tic Trinidad, the affable and widely respected bloodstock advisor to Philippine-based brewery owner Eduardo Cojuangco, has died of a suspected heart attack. He was 61. Cojuangco owns Gooree Stud near Mudgee in New South Wales, home to a coveted broodmare band amassed over the past 15 years, with Trinidad playing a crucial role. Trinidad helped select a range of horses for Cojuangco, ranging from Don Eduardo (NZ), the NZ\$3.6-million saletopper who went on to win the AJC Derby, to modestly priced stars such as Galaxy winner Snowland (Aus) and evergreen Desert War (Aus). The universally respected Trinidad also acted for Cojuangco and other clients at sales in North America and elsewhere. "He was a constant at every sale, a very highly knowledgeable and pleasant person who will be sorely missed not only by Mr. Cojuangco, but by all of us in Australia," said Aushorse chairman and Arrowfield chief John Messara. Reg Inglis, the recently retired chairman of Inglis & Son, said Trinidad's role in the immense success of the Gooree bloodstock operation could not be underestimated. "He was a real pedigree buff who identified emerging nicks and bought regardless of whether the horse was fashionably bred or not, but he was also a great friend to Mr. Cojuangco and a really nice bloke," said Inglis.
