**INVASOR OUTSIDE, 'CAT ON THE RAIL**

The highly anticipated rematch between **Invasor (Arg)** (Candy Stripes) and **Discreet Cat** (Forestry) in Saturday's \$6-million G1 Dubai World Cup at Nad al Sheba will see the two top runners start from opposite ends of the field. The U.S. Horse of the Year Invasor will break from post seven, the outside in this compact field, while unbeaten Discreet Cat has drawn the rail. "It's a good position for us; it's outside and hopefully out of trouble," said Invasor's conditioner Kiaran McLaughlin. "We're happy there are only seven in there. We would have liked to have had more in there to have a faster pace--but then we've only got six to beat." Discreet Cat will hope to emulate Godolphin's ill-fated Electrocutonist, who used the rail post as a springboard to his success in the 2006 World Cup. "I am not at all worried about the inside draw; we were there last year and it's a smaller field," said trainer Saeed bin Suroor. "He has tactical speed, and I will be looking for him to take a position and settle into the race." **Cont. p2**

**DARLEY GONE WILD...AT OBS MARCH**

After laying low on day one of the OBS March sale in Ocala, Florida, Darley made its presence felt at yesterday's second and final session. Sheikh Mohammed's operation landed the top-priced horse of the sale, a strapping, well-muscled son of Forest Wildcat for \$900,000. Just as he did a year ago, juvenile pinhooker Jimmy Gladwell handled the bidding duties for Darley, with the majority of the team in Dubai for the Saturday's Dubai World Cup. Situated in the OBS offices, Gladwell was on the phone with Darley USA President Jimmy Bell, who watched the proceedings live on the internet from Dubai. "The colt worked really well--he got across the racetrack

well," said Gladwell, explaining the colt's appeal. "We liked him in September, we liked him even more here after he came out and performed. [Consignors] Shari and Barry Eisaman, who are close friends of ours, thought that he was one of the best horses they've had on their farm. We have a lot of confidence in both of them. He jumped through all the hoops, and he vetted great. He had a great attitude around the barn. He was just a horse we felt we needed to have in the stable." Gladwell, who signed the ticket under the name of John Ferguson, Darley's chief bloodstock advisor, said the horse would most likely begin his racing career in America. Last year, Gladwell bought three horses for Darley for \$1.725 million, including the \$1 million Imperial Reign (Indian Charlie). "Sheikh Mohammed is really enjoying supporting these two-year-old sales," said Gladwell. "He likes the format. We thought this horse fit the program, and he said, well, let's get him bought."

#### Premium Tap to Start from Post Five...

**Premium Tap** (Pleasant Tap), trained by John Kimmel for the Saudi royal family, will break from the five hole with Kent Desormeaux in the irons. "I am pleased with the position and it's going to be a rider's race," said Kimmel. "Depending on what the pace of the race is, the horse that is in the best place at the right time will win. That's the best thing about Premium Tap, he can make multiple moves." Hong Kong's **Bullish Luck** (Royal Academy) has drawn post three for his first outing on dirt. "The draw is not a problem, and he's in really great form," said trainer Tony Cruz. "Invasor and Discreet Cat are going to be the two to beat, and we'll be delighted if we finish right behind them."

#### Getting Ready for Duty...

G1 Dubai Duty Free entrant **Admire Moon (Jpn)** (End Sweep) blew out 600 meters on the dirt in :35.7. "All things are going very well," commented trainer Hiroyoshi Matsuda. "I was thinking to train him as usual, so the track rider drove him just in the home stretch. He went to Hong Kong last year, and that experience has had a good influence on him. I don't know about other horses, but as far as Admire Moon is concerned, he is a very good horse."

Duty Free hopeful **Daiwa Major (Jpn)** (Sunday Silence) and Godolphin Mile entrant **Fusaichi Richard (Jpn)** (Kurofune) started their 600-meter drill together before Daiwa Major drew off by five lengths in the final furlong. He was timed in :32.1. Hiroyuki Uehara, trainer of Daiwa Major, said, "I told the jockey to finish strongly...The movement was superb, and that was Daiwa Major all over. His weight was 540kg yesterday--it's almost the same as he was in the training center in Japan."

internal splits of :22.32, :35.15 and :48.35. Jockey Martin Dwyer, who picked up the mount after regular rider Ryan Moore was injured, was aboard for the work. "He's a nice ride to have, and he felt good," said Dwyer. Co-owner Zavaray Poonawalla was on hand to observe. "He's a Mystical horse, by name and nature," he said. "He's got a great attitude and always tries his best. You wish they were all like him!"

**Vengeance of Rain (NZ)** (Zabeel {NZ}), ready to fly the colors of Hong Kong in the G1 Dubai Sheema Classic, was on the bit for 800 meters in :48.23. Trainer David Ferraris said, "He went very well in his work this morning. [Jockey] Anthony [Delpech] jumped him off at the 1200-meter mark and breezed him over the last 700 meters. We galloped him at Sha Tin the day before he left, so I'm confident he's fit and ready."

A pair of Japanese contenders for the G1 Dubai Golden Shaheen, **Seeking the Best (Ire)** (Seeking the Gold) and **Agnes Jedi (Jpn)** (Agnes World), worked in company, getting 600 meters in :35. Their trainer, Hideyuki Mori, said, "Seeking the Best would have the best chance out of the two, but Agnes Jedi will be a much better horse than what you saw last time he ran (Mar. 1 at Nad al Sheba) as he had just arrived and was not in the best condition." The five-year-old ran fifth in the G3 Al Shimaal over track and trip, beaten four lengths by Terrific Challenge...**Bartola (Arg)** (Roy), one of two fillies entered in the G2 UAE Derby, covered 600 meters in :41, travelling on the bit throughout.

**Seeing Red in the World Cup...**

G1 Dubai World Cup hopeful **Vermilion (Jpn)** (El Condor Pasa) sped through 600 meters yesterday in :33.7, with the final 200 meters coming in :10.9. "I had a plan to work with the easy pace of 15 seconds per furlong and to finish strongly to cheer him up," said trainer Sei Ishizaka. "He wanted to go from the beginning, but that's because he is so well. He is getting better than I saw him 10 days before, when he had just travelled over." Later in the day, the five-year-old drew post two, alongside Discreet Cat on the rail. Ishizaka added, "It's better than being drawn one and it's better than being drawn seven."

**Cat's Out of the Bag...**

Discreet Cat was unquestionably the star attraction during the open house hosted yesterday by Godolphin for the international media. The unbeaten four-year-old, who has not raced since November, had an easy 1 1/4-mile gallop. "He has all the hallmarks of a great champion," said Simon Crisford, Godolphin's racing manager. "We're very hopeful he can maintain his unbeaten record." The bay will be piloted Saturday by Frankie Dettori, who was asked how the colt matched up with Godolphin's 2000 World Cup hero Dubai Millennium (GB). "It's very unfair to compare them—they're both great champions," Dettori said. "I'll answer that question after Saturday and we see how he does."

**HRTV to Present Dubai World Cup Day...**

HorseRacing TV will provide live coverage of Dubai World Cup Day from Nad al Sheba Racecourse. HRTV's Jon White and Becky Witzman will anchor the coverage of the world's richest day of racing, which begins at 9:00 a.m. ET/ 6 a.m. PT. The Dubai World Cup is the culmination of the Dubai Racing Carnival, which HRTV has carried since the beginning of the year.

**Eisamans, Darley Connect Again...**

The sale of yesterday's \$900,000 topper equaled the highest price realized by a horse consigned by the husband and wife team of Dr. Barry and Shari Eisaman, who are based near Ocala. Both horses, incidently, were purchased by Darley. Two years ago, the pair sold a Yes It's True colt named Testimony for \$900,000 at this sale. That colt went on to run second to Discreet Cat in last year's G2 UAE Derby and has earned \$449,150 to date. According to Dr. Eisaman, hip 276 has the potential to be the best they have ever handled. "He is exceptional, a wonderful prospect," Eisaman remarked. "The buyers have themselves a very nice young horse and I wish them the best of good fortune." While the consignors have high hopes for the colt, they were conservative when setting his reserve. "It was quite low," Eisaman said. "I didn't know what to expect--you never know how they will sell until it's over." He added, "We always have low reserves on our horses, because we are here to sell." Hip 276 shared the bullet with two others when he stopped the clock in :21 1/5 for a quarter at the Mar. 18 breeze show [\(video\)](#). The chestnut is the first foal out of the winning Whatacapote (Capote), a half-sister to MGSW Here's Zealous (Dehere), SW & GSP There's Zealous (Broad Brush), and SW She's Zealous (Cozzene). Bred in Kentucky by The Answer, he was purchased by Eisaman Equine for \$120,000 at last year's Keeneland September sale. Whatacapote sold in foal to Lion Heart for \$150,000 at the 2006 Keeneland January sale. Pennston Farms was the buyer.

**Leprechaun Hits Another One Out of the Park...**

In 2000, Mike and Britt Mulligan's Leprechaun Racing purchased a daughter of Hennessy at Keeneland September for \$82,000. The Leprechaun syndicate realized a nice profit on the filly, selling her to Heiligbrodt Racing Stable at Fasig-Tipton Calder for \$335,000. Named Goodness, she went on to win a pair of minor stakes races, earning \$99,361. The Mulligans dipped back into the family at the 2005 Keeneland November sale, going to \$90,000 for a weanling colt by Grand Slam out of Goodness. Sent back through the ring as hip 482 yesterday, the dark bay proved even more popular than his dam, going to John Sadler--agent for owner Edmund Gann--for \$500,000. "[Goodness] worked in :10 1/5, and that was when very few horses were working in :10 1/5," Mulligan recalled. "She broke her maiden first time out at Saratoga, but she was injured in her second start--the Sorority at Monmouth--and it took some time for them to get her back. She was cut out to be a nice horse." Hip 482 also dashed off an eighth in :10 1/5, and he looks to have inherited the talent, but mother and son are quite different when it comes to temperament. "[Goodness] was a Hennessy, and she was a little strong-minded," Mulligan said. "The Grand Slam colt is a lovely, balanced horse and he has all of her physical capabilities, but he handles everything so well. He carries himself with class on the track and in the sales ring, and I think that says a lot about a horse." Sadler was also impressed with his latest acquisition. "I thought he was a really attractive colt, the best of the sale," he said. "I liked the whole package." The trainer added, "We'll take him back to California and map out a campaign. He looks like a Del Mar-type horse to me."

**Harlan's Holiday Colt Off to a Flying Start...**

Flanked by trainers Patrick Biancone and Phil Serpe, Carl Lizza of Flying Zee Stable went to \$300,000 for hip 452, a colt by Harlan's Holiday. The colt is from the first crop of multiple Grade I winner (by Harlan). Serpe relayed after the sale that Flying Zee has no problem going after racing prospects by young stallions. "When you consider the sire's credentials, I think those are the sires you need to pay a lot of attention to," said the New York-based trainer. "So at our end, we love to go toward young sires. Mr. Lizza is probably the leading breeder in New York, and when sires like Johannesburg came along, we bred to him, as well as stallions like Giant's Causeway and E Dubai. We got into those sires in their first years, and we're always looking in that direction." Out of the 20-year-old Spectacular Bid mare Fee, hip 452 is a half-brother to MGSW High Stakes Player (High Brite) and SW Mather Miss (Black Tie Affair {Ire}), the dam of GSW Arch Mistress (Arch). At the first breeze show, the Apr. 17 foal worked a quarter in :22 flat, then improved on that with a :21 3/5 breeze six days later ([video](#)). "I thought he presented himself very well, and he had an excellent workout," said Serpe. "We were very happy to get him. His sire speaks for himself." Serpe said the colt would spend the next five or six weeks at Chime Bell Farm in South Carolina before joining Lizza's horses in New York.

**Farish Indy Mood...**

for that cross, which came in the form of hip 480, a son of his star sire out of Golden Sonata (Mr. Prospector). The co-second-highest-priced lot of the sale, hip 480 was purchased by conditioner Mark Casse, who did his bidding on the phone from OBS General Manager Tom Ventura's office. Casse was very familiar with the colt, having consigned

him to the sale through Casse Sales, the operation he owns with younger brother Justin Casse. "We had this colt and broke him, and liked him a lot," said Casse. "I thought for an A.P. Indy to work in :22 flat was, well, it was quite good. He's a nice colt, and I'm very happy to get him." The dark bay posted his :22 flat move at the Mar. 24 breeze show [\(video\)](#). Casse trains for Farish at Gulfstream Park in the winter and Woodbine in the summer, and said that hip 480 would join his stable in Toronto in a few months. Asked if he thought the colt would take to Woodbine's new synthetic surface, Casse opined, "The A.P. Indys I've seen on the Polytrack have liked it quite a lot, and I think Mr. Farish is excited about the Polytrack." Casse added, "He's probably a little more Mr. Prospector than A.P. Indy, but how can you beat A.P. Indy? He's got 15 percent stakes winners, and that cross has worked great. We're trying to find Derby horses, and hopefully this is one." Hip 480 is the first foal out of Golden Sonata, winner of the 2004 GIII Oaklawn Breeders' Cup S. Offered as a yearling at last year's Keeneland September sale, hip 480 was bought back for \$240,000. Skara Glen Stables, co-breeder of the youngster with Sha-li Leasing Associates, purchased Golden Sonata for \$1.9 million at the 2004 Keeneland November sale with this fellow in utero.

**Hooked on New York-breds...**

Trainer Rick Violette Jr. has had success buying pricey New York-breds for Seth Klarman and Jeff Ravich's Klaravich Stable. Violette went to \$320,000 to get Read The Footnotes, a Big Apple-bred son of Smoke Glacken, at the Fasig-Tipton Midlantic sale in 2003. The colt won the GII Fountain of Youth S., GII

Remsen S. and GIII Nashua S., earning \$450,660, and now stands at Sequel Stallions New York for a fee of \$8,500. Team Klaravich and partner William Lawrence had to pony up a little more to get hip 421 at OBS March, going to \$397,000 yesterday for the New York-bred son of freshman sire Hook and Ladder (Dixieland Band). The bay was consigned by Murray Smith, agent, and it at first appeared that Smith might have bought him back. "There was a little confusion," Violette explained. "We weren't sure who had the last bid,

and we ended up signing the ticket in the office." Can the colt match the accomplishments of Read The Footnotes? "He has all the earmarks of a good horse," Violette said. "He's fast, he looks good, he moves well and he has a great heart. And I have had good luck buying from Murray. She does a good job, and she has a great eye for a horse." The final price for the January foal was a little out of the ordinary, but Violette had nothing but lint left in the wallet. "That was the top end," he said. "I wasn't going to spend a penny more." The New York-based horseman bought a total of five two-year-olds at OBS March, on behalf of Klaravich and also for Ralph Evans. "I think you could be confident of coming in and buying a horse here," he said. "There wasn't silly money around. That might not have pleased the consignors, but it gets old following [John] Ferguson and Zayat [Stables] into the ring. When they are bidding, you know you don't have a chance and it gets pretty frustrating. It was nice to know you had a shot to get a good horse here."

**...And Ye Shall Be Saved**

A handsome colt from the first crop of dual Grade II winner **Repent** (Louis Quatorze) attracted plenty of attention yesterday, with representatives of prominent owner B. Wayne Hughes landing the colt for \$300,000. The colt, selling as hip 406, breezed an eighth in :10 3/5 at the Mar. 18 show, then returned to post a snappy :21 2/5 work Mar. 24 ([video](#)). "We liked him physically, and loved his breeze," said bloodstock agent Seth Semkin, who did the bidding on behalf of Hughes. "And he galloped out very well. He's by a new sire, so the word's out on him, but there's enough on the bottom side that, if he works out as a racehorse, he'll have a shot as a sire. I liked Repent as a racehorse, so he has a right to throw runners." Semkin said hip 406 will be trained by Hall of Famer Richard Mandella. The colt, named Crown of Thorns, was produced by the unraced Crowning Touch, a half-sister to champion sprinter Smoke Glacken (Two Punch), MGSW Smokey Glacken (Forestry) and SW & GSP Capote's Crown (Capote). CloverLeaf Farms II bought Crowning Touch, in foal to High Yield, for \$82,000 at the 2003 Keeneland November sale. The Reddick, Florida operation, which stands Repent, bred hip 406 and consigned him here. "When I talked to my trainer, Keith [Sargent], he said that from the first time he put tack on that horse that he was as good as any we had," said CloverLeaf's Brent Fernung. "We sold a lot of our Repents as yearlings, but kept quite a few for the two-year-olds sales, including this one. He's a wonderful horse to be around. If you want him to go fast, you just have to chirp to him, otherwise he'll go whatever pace you want. He'll gallop like a farm pony."

**Where There's Smoke, There's West Point...**

It was a busy sale for Terry Finley and West Point Thoroughbreds. With Buzz Chace acting as agent, the West Point partnership purchased six horses at OBS March. "I think this has been a pretty good sale for buyers," Finley, the company's founder and president, said. "The market might be changing, and there are a bunch of different dynamics at work, but I try not to focus on those things. We do a lot of work here, and I am really, really happy with the horses we have bought. But, as I tell our partners, time will tell how we did our job. That's the great thing about this business--you get to see exactly how your hard work pays off." Familiar faces at every venue, Finley and Chace have been particularly active at OBS March. "I like this sale," Finley said. "You have the consignors at their home base, and you have a chance to really talk to them. You can get a better feel for the horses. But, like all the sales, you have to spend the time and the effort and the money, and weed through the catalogue to find the good horses." West Point's biggest buy yesterday was hip 294, a filly by Smoke Glacken out of a half-sister to graded-winners Added Asset and Added Gold. Consigned by Scanlon Training Center, Agent XIV, she brought \$285,000, top price for a filly yesterday. "She's a big, good-looking horse, and we have always liked Smoke Glacken," Finley said. "We watched her all week and really liked her. She will race for West Point and Lewis Lakin, the same ownership as Dream Rush." Dream Rush, a \$285,000 OBSFEB purchase in 2006, has won three of her four starts and bested champion Dreaming of Anna when taking the Feb. 10 GIII Old Hat S. last time out. Hip 294 was bred in Kentucky by Jim Stone's Stoneway

Farm. Stoneway purchased the dam, Added Time (Gilded Time), for \$170,000 as a KEEAPR juvenile, and retired her to the broodmare band after she chalked up three wins and \$107,890 in earnings. Her first four foals have grossed \$525,000 for Stoneway in the sales ring. The Smoke Glacken filly RNA'd for \$75,000 at Keeneland September in 2006, and the decision to bring her home proved profitable. "She has been a super filly all along," Dave Scanlon said. "She has a little more scope than most Smoke Glackens, and she has a beautiful way of moving. She's a class horse."

**Thor-Bred Sets Sails with Stormy Atlantic Filly...**

Thor-Bred Stables' Erik and Pavla Nygaard have been in the Thoroughbred business for just two years, but weren't shy going after a well-made filly by Stormy Atlantic at yesterday's sale. Sitting a few rows back of

**Stormy Atlantic**

the ring in the sales pavilion, Erik Nygaard secured hip 270, named Ocean Goddess, for \$270,000. The bay filly was consigned by Bridlewood Farm and was bred in Florida by Bridlewood's head, Arthur I. Appleton. Out of the unraced War Goddess (War), Ocean Goddess is a half to stakes winner Libby's Halo and to the stakes-placed Mister Ali-

mony (Skip Trial). War Goddess is a half to four stakes winners, including graded winners Winter Melody (Frosty the Snowman) and Godmother (Show'em Slew). "She was a great mover, our favorite in the sale," said Nygaard. "She had a great work and we liked everything about her." The Nygaards own a farm near Ocala, the Ocala Jockey Club, and have been busy at the juvenile and yearling sales the past two years. They bought around 10 youngsters last year and plan on buying around the same number in 2007. "We buy about two-thirds fillies, one-third colts," explained Nygaard, who is in finance. "We eventually want to build up a broodmare portfolio, but we'll do it slowly over time." Thor-Bred races in California and New York, using trainers Billy Turner and Rick Violette, Jr. in New York and Dan Hendricks in the Golden State. Asked how he got into racing, Nygaard said, "Oh, my wife's a life-long horse fanatic, but this is all new to me." The Nygaards live in Del Mar, California. Ocean Goddess worked an eighth in :10 2/5 at the first show and came back to work a tick faster Mar. 24 [\(video\)](#).

**What They're Saying At The Sales...**

**Darley associate Jimmy Gladwell on yesterday's \$900,000 topper:**

*"We figured somewhere between \$700,000 and \$1 million would be what it would take to buy him. I thought he was one of the top two colts here. We ended up grading him as the top colt. There was another horse we liked that had some vet issues we couldn't get by, so we we're glad to have this one."*

**Consignor Kevin McKathan:**

*"I think the sale was honest. It wasn't easy, but honest. We had some horses that I felt fell a little short, but I guess that's going to happen with so many horses; there are only so many buyers. If you led a good horse over there, you could get good money for him. Whether it was how much you wanted was a different story. Everyone seemed to be shopping a little cheaper than in the past, so it made it tougher for us to judge were they were at. I would say I had a good sale, but nothing blew me out of the water. I knew exactly were I was, and there were no surprises."*

**286 colt    Johannesburg    Worshipped    \$200,000**

*Bred by White Fox Farm (Ky)  
Consigned by True South LLC, Agent II  
Purchased by Carolyn Wilson*

A grandson of MGISW Adored, this colt was purchased by True South at Keeneland last September for \$30,000. The two-year-old turned in two speedy works of :10.1. and :21.1 before turning a nifty profit.

**300 colt    Bernstein    Allthewaybaby    \$160,000**

*Bred by Four Horsemen's Ranch (Fl)  
Consigned by M & H Training and Sales, Agent X  
Purchased by Durham Co Ltd*

The colt proved to be an absolute bargain after Bill Poston paid just \$18,000 at last year's OBSWIN sale. Castleton Lyons's stallion Bernstein has been enjoying great success in the southern hemisphere with Group 1 winners Storm Military (Arg) and Storm Mayor (Arg).

**317 filly    Honour and Glory    Ascent    \$135,000**

*Bred by Stillmeadow Farm LLC and Michael Conrad (Ky)  
Consigned by Derby Dreams, agent  
Purchased by John Leonard*

Agent Michelle Elliott purchased this filly for \$15,000 at last year's KEESEP sale. The youngster attracted more attention here after a pair of solid furlong works.

**318 filly    Harlan's Holiday    Ascot Wedding    \$200,000**

*Bred by Nancy Mitchell (On)  
Consigned by Sescan, agent for Paul D King  
Purchased by W S Farish*

Perry Flynn purchased this filly from the first crop of MGISW Harlan's Holiday for \$50,000 at the 2005 KEENOV sale. The dark bay failed to reach her \$32,000 reserve last fall at KEESEP, but found a new home here.

**486 filly    Exchange Rate    Hannah's Ink    \$185,000**

*Bred by Red Sunset Farm (Fl)  
Consigned by Jerry Bailey Sales Agency, Agent I  
Purchased by Elite Racing*

Gulf Coast Farms bought this miss for \$40,000 at last year's OBSAUG sale. She worked a furlong in :10.1 Saturday. Exchange Rate has been well-represented this winter with graded stakes performers Swap Fliparoo and Ermine.

**Record Median As Solid OBS March Concludes...**

After last year's record-breaking OBS March sale, which featured a pair of seven-figure horses, including the \$1.8 million *Belong to Me* topper, officials came into the 2007 renewal with pragmatic expectations. At the conclusion of the two-day event yesterday, the sale boasted a new record median of \$82,000 and only modest declines in average, and sale officials were clearly satisfied with the results. "At last year's sale, everything lined up perfectly," said OBS General Manager Tom Ventura. "The market was rolling right along, and we were coming off a couple of strong sales. Everything was perfect. And we were still able to

**Tom Ventura**  
*Lucas Marquardt*

come up with a record median at this sale. The average held its own, considering there were two horses last year that, combined, brought \$2.8 million. Here, the average was down only 3.3 percent [to \$104,905 from \$108,545]. We didn't have a horse crack the million-dollar mark, but other than that, we had a very good sale through and through." The sale did see a number of comparably expensive buy-backs, including:

Hip 15, a *Unbridled's Song*--Laptop colt, for \$390,000

Hip 87, a *Halo's Image*--Najibe's Wish colt, for \$235,000

Hip 186, a *Distorted Humor*--Silk Appeal colt for \$475,000

Hip 432, a *Wiseman's Ferry*--Elmira Gulch colt for \$290,000

Hip 464, a *Malibu Moon*--French Silk filly for \$400,000

While those RNA's undoubtedly affected the sale average, the buy-back rate of 33.2% was not at all untypical for a juvenile auction. "It was awful hard to match last year's [buy-back rate of 27.4 percent]," said Ventura. "Historically, or at least in the last 10 years, to have a third of the horses as buy-backs is the norm. Last year it was 27 percent; this year it was 33 percent. Maybe the consignors were a little aggressive on some of the horses, or felt comfortable taking them to the next step, to the races." Ventura concluded, "Like I said before the sale, I think this was going to be a good test of the market, and I think we passed." At the conclusion of the March Sale, a total of 35 horses brought \$200,000 or more this year, up from 27 which surpassed the mark in 2006.

## KHRA FUNDING BILL DIES AS LEGISLATURE ADJOURNS

by Tom LaMarra, courtesy of The Blood-Horse

Legislation that would have provided about \$5 million a year to fund the Kentucky Horse Racing Authority died in the final days of the state's 2007 General Assembly session. The measure would have shifted a large portion of the state's pari-mutuel excise tax to the authority after statutory deductions. The KHRA will now rely on racetrack licensing assessments that were suspended last year when the General Assembly approved funding for the KHRA for the first year of the two-year budget cycle. The bill's demise leaves the KHRA with about \$500,000 to work with after July 1, said Republican Sen. Damon Thayer, an advocate for the legislation. The General Assembly session ended March 27. "We're back to square one," Thayer said. A state audit earlier this year noted staffing, procedural, and financial deficiencies at the KHRA. It also showed Kentucky is well behind other major racing states in regard to regulatory funding for pari-mutuel racing. Thayer called the situation "an emergency" and said he and other legislators would ask Gov. Ernie Fletcher to include the issue during a special session he has proposed for sometime this year to address legislation the House and Senate failed to pass. Also killed was a plan to funnel \$500,000 to The Red Mile, Lexington's struggling harness track, to bolster the purse account this year.

**TARIQ HAS POULAINS AIMS** Saleh Al Homaizi & Imad Al Sagar's **Tariq (GB)** (Kyllachy {GB}) is being pointed at the G1 Poule d'Essai des Poulains at Longchamp May 13, trainer Peter Chapple-Hyam announced yesterday. Off the track with a setback after finishing third in the G2 Coventry S. at Royal Ascot last June, he will warm up for the Classic in Newmarket's Apr. 18 Listed European Free H. "I'm delighted with Tariq at the moment," Chapple-Hyam said. "He is really thriving. He worked very well last Saturday on Racecourse Side, and our plan this year has always been to start him back in the Free H. If he were to win that, then the French 2000 Guineas would be his next target."

**DE KOCK IN BRITISH FORAY** Mike de Kock will train a select team of horses from Newmarket this season, according to *Racing Post*. South Africa's leading trainer will ship nine horses, including all his representatives in Dubai this weekend, into Britain and stable the string at Geoff Wragg's yard. Heading the team will be the impressive G3 UAE 2000 Guineas winner **Asiatic Boy (Arg)** (Not for Sale {Arg}), who contests Saturday's G2 UAE Derby; and last year's G1 Queen Elizabeth II Cup heroine **Irridescence (SAf)** (Caesour), who will run in the G1 Dubai Duty Free. The team will also feature the G1 Golden Shaheen runner **National Colour (SAf)** (National Assembly), who is trained by Sean Tarry; and **Mullins Bay (GB)** (Machiavellian), a multiple group-placed six-year-old from a famed Meon Valley Stud family. "Some of them may go to Hong Kong or Singapore, depending how they run on Saturday, but I'm very excited by the idea of running these horses from Newmarket," de Kock told the *Post*. "They won't all be campaigned hard, but it will be a good experience, especially with Asiatic Boy, who I think is a very good horse and could go to Royal Ascot, and Mullins Bay, who could be very competitive."

**GEORGE BACK TO HEAD OLDER BRIGADE**

by Tom Frary and Dave Keena

When **George Washington (Ire)** (Danehill) was waved off to stud at the end of last term, Aidan O'Brien could have indulged in some back-slapping for a job well done. Guiding the brilliant but enigmatic colt through an injury-interrupted campaign required all the meticulous attention to detail and individual touch that has come to be the mark of the Ballydoyle trainer. Now, in an unprecedented and unforeseen turn of events, the horse with the giant ego is back with a whole new set of challenges for those around him. At Monday's annual press, O'Brien revealed that it would be one step at a time in the second coming of George Washington.

"In one way, we are lucky to have George back," he said. "He is in an isolation yard here at the moment and will be reintroduced slowly. His mind is unraveled, as it's been on other things recently, so we'll have to put it back together and get him concentrating on being a racehorse again. I'm told he has six mares in foal, so there's a good chance it will sort itself for next year, but for now we're planning to bring him back to the track." The presence of George Washington will add luster to a team of older horses including last year's G1 Irish Derby and G1 Irish Champion S. hero **Dylan Thomas (Ire)** (Danehill), the G1 English, Irish and Yorkshire Oaks winner **Alexandrova (Ire)** (Sadler's Wells) and the 2005 G1 St Leger victor **Scorpion (Ire)** (Montjeu {Ire}).

**O'BRIEN TALKS ABOUT HIS OLDER HORSES  
GEORGE WASHINGTON (IRE)**

*c, 4, Danehill--Bordighera, by Alysheba*

"We always thought he was immature mentally, but as the year went on he got better and better. He will be in the isolation area for another week or two, so we'll have to see how it goes. It will take time, as the way it is at the moment he thinks he can cover everything and is a little bit more strong-willed than before, but we'll look at something like the G1 Queen Anne S. [at Royal Ascot June 19]. He was ridden through our lake the other day and swam to the other side, so I'd say that guts is one thing he's not lacking in."

**DYLAN THOMAS (IRE)**

*c, 4, Danehill--Lagrion, by Diesis (GB)*

"He could start off at the Curragh in the [May 7] G3 Mooresbridge S., but I'd imagine the ground will be too soft for him there, so he could go straight for the G1 Tattersalls Gold Cup [at The Curragh May 27]. If the ground was suitable, he might go for the G1 Prix de l'Arc de Triomphe later on in the year. We would have loved to have gone there with him last year, and it's a race we've never won."

**ALEXANDROVA (IRE)**

f, 4, *Sadler's Wells*--*Shouk (GB)*, by *Shirley Heights (GB)*  
 "She'll probably start off in the G1 Pretty Polly S. [at The Curragh June 30] and all those top fillies' races will be open to her. She's a natural and was coming along too quickly, so we've had to settle her back down."

**SCORPION (IRE)**

h, 5, *Montjeu (Ire)*--*Ardmelody (Ire)*, by *Law Society*  
 "He came back lame after the G1 Hong Kong Vase and could be anything this year. He could be a Cup type horse and could start off in the G1 Coronation Cup [at Epsom June 1]."

**YEATS (IRE)**

h, 6, *Sadler's Wells*--*Lyndonville (Ire)*, by *Top Ville (Ire)*  
 "He will be trained for the [June 21] G1 Ascot Gold Cup again and it's great to have a horse to run it that race. He'll stay in training as long as the wheels stay on, and I'm still not convinced the G1 Melbourne Cup isn't the right race for him."

**SEPTIMUS (IRE)**

c, 4, *Sadler's Wells*--*Caladira (Ire)*, by *Darshaan (GB)*  
 "He came back sore after the Derby last year and I shouldn't have run him in hindsight. He's done well and is one for the Mooresbridge in two weeks' time."

**The Two-Year-Olds...**

While it is too early to earmark certain juveniles as potential stars--the majority are as yet unnamed--O'Brien had a good word for an unnamed colt from the first crop of High Chaparral (Ire) out of Mountain Holly (GB) (Shirley Heights {GB}). "He's a lovely, precocious horse and shows plenty already," O'Brien said of the bay juvenile. "High Chaparral was like that, even though he was a staying horse in the making at the same point." Of the early types ready to start soon, he pointed to a son of Kingmambo out of the multiple Group 3 winner Dietrich (Storm Cat) and a son of Mr. Greeley out of Tell Me Now (A. P. Indy), whose family includes last year's G1 Prix de Diane winner Confidential Lady (GB). A quartet that are named to receive mention are the colts **Jupiter Pluvius** (Johannesburg--Saratoga Honey, by Boundary), whose dam is a half to High Heeled Hope; **Magna Cum Laude (Ire)** (Daneshill Dancer {Ire}--Miss Kinabalu {GB}, by Shirley Heights {GB}); **Warsaw (Ire)** (Daneshill Dancer {Ire}--For Evva Silca {GB}, by Piccolo {GB}), from the immediate family of Silca's Sister (GB); and **King of the Nile (GB)** (Oasis Dream {GB}--Grail, by Quest for Fame {GB}), produced by a half-sister to Three Valleys (GB) and from the family of the peerless Hasili (Ire).

**AUSTRALASIA**

**INCUMBENT SHARE SOLD** Lloyd Williams has sold a half interest in **Incumbent (Aus)** (Choisir {Aus}) to Sydney businessman Tim Hughes. The two-year-old, winner of the G2 VRC Sires Produce S., is slated to go postward in Saturday's G1 Golden Slipper S. Hughes is involved in the ownership of three Slipper entrants. Trainer Graeme Rogerson had purchased Incumbent for A\$255,000 at last year's Inglis Premier Yearling Sale. Rogerson will saddle the colt in the Slipper, but he will be transferred thereafter to Len Freedman.

**TARGET BACK ON TRACK** Top sprinter **Takeover Target (Aus)** (Celtic Swing {GB}) proved a minor injury scare was behind him with a sharp gallop at Queanbeyan yesterday, with jockey Jay Ford saying his mount went to the line strongly. "It was a strong hitout," said Ford. "He got the chance to stretch out and looked quite sharp over the 1000 meters. He gave me a good feel, and I'm also confident he'll be ready to bounce back to his best again" Takeover Target is expected to have one more serious work ahead of his first Sydney run since June 2004 when he lines up in the A\$600,000 G1 T.J. Smith S. at Randwick Apr. 9. His connections had a scare when the seven-year-old pulled up sore and favoured his off-side front leg after an exhibition gallop at Queanbeyan earlier this month. A multiple Group 1 winner in Australia, the blaze-faced bay made two starts at Royal Ascot in 2006, capturing the G2 King's Stand S. and finishing third in the G1 Golden Jubilee S. He added the G1 Sprinters S. in Japan in October, but did not take his place in the G1 Hong Kong Sprint in December due to a banned substance in his bloodwork.

**RORY'S JESTER EUTHANIZED** **Rory's Jester (Aus)** (Crown Jester {Aus}--Rory's Rocket {GB}, by Roan Rocket {GB}), hero of the 1985 G1 Golden Slipper hero and later a top stallion, was euthanized at Swettenham Stud. The 24-year-old stallion, whose books had been reduced in recent years, was pensioned in 2006. "Rory's Jester was instrumental in the growth of the former Collingrove and now both Swettenham Studs," Swettenham's Adam Sangster said in a statement. "His success each and every season has been a major factor in my life and no doubt is the reason I ended up living here in Australia...His impact was tremendous--there would hardly be a day go by without him either being the sire of the winner, or one his daughters producing a winner." Trained by the late Colin Hayes, the flashy chestnut had seven wins and six placings from 17 starts for earnings of A\$504,650. He won five stakes events in three states and was Australia's champion two-year-old for the 1984-85 season. Among his 76 stakes winners are champions Isca (Aus) and Aragen (Aus) as well as Group 1 winners Racer's Edge (Aus) and Chortle (Aus).

**NOTHING TO LOSE TO WILLOWBEND** Grade I winner **Nothing to Lose** (Sky Classic--Cherlindrea, by Clever Trick) has been purchased by Emerald Thoroughbreds' Bill Benson and David Lucas, and will begin his breeding career at the latter's Willowbend Stud in Queensland, Australia. His stud fee will be A\$7,700. While Benson and Lucas will retain a majority interest, shares will be sold in the seven-year-old. "We are offering breeders the chance to buy into him," Benson said. "We have limited shares available at A\$15,000 each. That will give the owner three noms in the first year, two in the second and one each year afterwards. That equates to A\$20,000 worth of free services for an outlay of just A\$15,000. I think for a horse of this caliber, who is about the best-looking animal I have ever seen, that is tremendous value." Bred in Kentucky by Ken and Sarah Ramsey, the bay carried those familiar white and red colors to victory in the GIII Tropical Park Derby and GIII Palm Beach S. at three. As a four-year-old, he captured the GI Shadwell Turf Mile and GI Fourstardave H. He compiled a record of 15-6-3-1 and earnings of \$809,210 in the U.S. Sold to Victorian breeder/owner Walter Alteri as a racing prospect, he won a Cranbourne barrier trial, but came up with an ankle problem. Alteri sold him to Benson as a stallion prospect only. A son of stakes winner Cherlindrea, Nothing to Lose is a full brother to stakes winner and graded-stakes placed Everything to Gain.

**SUPER IMPOSE, JUGAH PUT DOWN** In addition to Rory's Jester, two additional older Australian horses were euthanized recently. The popular gelding **Super Impose (NZ)** (Imposing {Aus}--Pheroz Fancy {NZ}, by Taipan), was euthanized last Friday at Glenlogan Park in Queensland. He was 22. "He looked a picture right up to the end, but his health was going downhill rapidly, and the last thing we wanted was to see him suffer," said stud manager Steve Morley. Purchased by Lee Freedman for A\$40,000, Super Impose notched eight Group 1 wins from 73 appearances including the Doncaster H. and Epsom H. in 1990 and 1991, and the Cox Plate of 1992. In recent years, the chestnut had served as a "nanny" to Glenlogan's youngsters. Also euthanized was **Jugah** (Northern Dancer--Highest Trump, by Bold Bidder), who at 26 had been the last active Australian-based son of Northern Dancer. The bay was put down at Bombara Downs Stud on the Mornington Peninsula due to the effects of arthritis. Stakes-placed in Ireland, Jugah is credited with 369 winners of over 1400 races from over 550 runners including 17 stakeswinners and more than A\$24 million prizemoney. He is the sire of Group 1 winners Juggler (Aus), Mookta (Aus) and Soho Square (Aus). Jugah has been a successful broodmare sire with his daughters producing the winners of more than A\$6 million including Innovation Girl (Aus), Surtees (Aus), Kelthorpe (Aus) and Lock The Key (Aus).
