THE SECRET'S OUT

Flashes of brilliance at a lower level had suggested that **Sakhee's Secret (GB)** (Sakhee) could be the real deal and Bridget Swire's homebred duly delivered on the biggest stage in European springing, capturing yesterday's G1 Darley July Cup at Newmarket. Despite a lack of previous form in group company, a rare display of brilliant acceleration had marked his latest win in the June 17 Listed Cathedral S. at Salisbury and the July Course crowds believed enough to send the chestnut off as the 9-2

second favorite. The writing was on the wall before Sakhee's Secret, escaping the ruckus passing halfway, unleashed his trademark turn of foot to swamp his rivals and deny **Dutch Art (GB)** (Medicean {GB}) by a half-length. **Darley July Cup cont. p2**

BEAR NOW JUST A POLYTRACK TIGRESS?

Four-for-six over the synthetic main track at Woodbine, **Bear Stables Ltd's Bear Now (Tiznow)** looks to retain her perfect record going two turns in this afternoon's \$500,000 GII Delaware Oaks. Third in the

Apr. 22 **Star Shoot S.** going six furlongs at Woodbine, the dark bay has exploded in her two tries at a route of ground, crushing the field by eight lengths to take the GIII **Selene S.** May 20 before adding a 9 3/4-length victory in the **Hill 'n' Dale S.** June 16. "I think when she got around two turns she just really came into herself," trainer **Reade Baker**

commented. "I just thought once she got in her proper place we would try her and that would be it. We tried her, and she was gone. Instead of hustling and sending her now, now she can just lay there on her hold and she just loves it." Whereas **Bear Now** has thrived on the stretchout, **Cotton Blossom (Broken Vow)** has some questions to answer. The Florida Oaks winner was only ninth in the G1 **Kentucky Oaks**, but, returned to a one-turn mile for her latest, ran down **Dream Rush** for a one-length success in the G1 **Acorn S.** at **Belmont Park** June 9. **Delaware Oaks field p5**

July Cup cont.

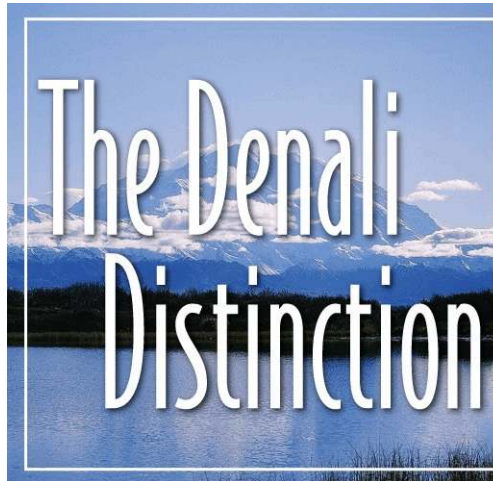

Tried over seven furlongs after his maiden win at Windsor last August, **Sakhee's Secret** faded to finish fourth behind the subsequent G1 Racing Post Trophy runner-up Charlie Farnsbarns (Ire) in a conditions event at Ascot in October. Following that reversal, a sprinting campaign was assured and the homebred proved a handicap snip when turning the Voute Sales S. into a procession at the Craven meeting here Apr. 18. Making a comfortable transition to stakes class when annexing the May 18 Listed Carnarvon S. at Newbury, he entered the fray for this contest with a stunning four-length victory at Salisbury. Connections had been reluctant to overface him early in his career, but their caution was unfounded as he traveled with elan amongst this peloton. Using his gears to find a gap before the quarter pole, he quickened down the outside to surge into the lead with 150 yards remaining and keep Dutch Art and Jimmy Fortune at bay in the final drive. "He gave me a great ride and has done everything for me," jockey Steve Drowne commented. "I've always had a lot of faith in him, but he was an inexperienced three-year-old and a youngster against old veterans. Luckily, he's got the guns for them, and he's as good as I've ridden." He added, "I just had to wait for the gap, but you know when you've got a horse like this under you he has the engine to get out of holes. He's never been off the bridle at home and is not a small horse, so he can only go forward. He's got scope, not many miles on the clock and doesn't need them to stop in front, as he can pick them up--he's what this division needs." **Click for the [Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

Trainer Morrison added, "You can never quite believe that they are that good when they have only won at listed race level and it is quite a performance to go up four grades. The horse is in everything--the G1 Nunthorpe S. [at York Aug. 23] and he will be put in the [Sept. 8] G1 Haydock Sprint Cup--the speed he shows, you would not be frightened coming back to five. The owner, Miss Swire, is a big supporter of British racing. She has been half-paralysed since she was very young and finds it hard to get out and about. But she was watching at home with Toby Balding. This is a brilliant result for her." Dutch Art's trainer Peter Chapple-Hyam is looking at taking on the winner again at Haydock. "He got in some scrimmaging in the middle, was shuffled back and Jimmy [Fortune] said that everything that could go wrong did go wrong," he explained. "He finished like a train and he thought he was a bit unlucky--maybe we were or maybe we weren't, but we'll take him on again. [Dutch Art] will go for the G1 Prix Maurice de Gheest [at Deauville Aug. 5], and then we'll meet the winner again in the [Sept. 8] G1 Haydock Sprint Cup."

Record Crowds for July Festival...

Yesterday's crowd at Newmarket helped bring about a record for the three days of the July Festival, with the total of 35,056 beating the previous best of 34,089 set in 2005. Richard Hambro, chairman of Newmarket Racecourses, welcomed the news. "We are absolutely delighted with how the meeting has gone," he said. "The crowds have been up every day and the success of the redevelopment has been resounding, with wonderful feedback from a wide cross-section of our customers. Equally importantly, we have had perfect racing conditions, with the praise from trainers and jockeys about the state of the track every bit as good as for the redevelopment. Lisa [Hancock], Michael [Prosser] and the team have done a tremendous job with the Ritz Club July Festival and it is now very much a case of onwards and upwards for Newmarket's summer highlight."

Hatta Fort beat the subsequent G2 Coventry S. runner-up and G2 July S. third Swiss Franc (GB) when receiving seven pounds in a conditions event at Windsor June 4 before finishing third over Ascot's five furlongs in the June 19 Listed Windsor Castle S. Switched off with this extra quarter mile to travel here, the bay was last of all at halfway before delivering a sustained rally down the outside. Leading with 100 yards to race, he responded to Hugh Bowman's drive to outgame Declaration of War in a struggle to the line. "I was surprised that he was as far back, as he led over five furlongs when he won at Windsor," his rider said. "I wasn't concerned, because the pace was hot and I had plenty of horse at the end." Trainer Mick Channon added, "We have always thought a lot of Hatta Fort. At Royal Ascot, we thought he could win, but the five furlongs was probably a bit too short for him. The ground has been the other big difference today--it's nice to get some decent ground rather than the bogs we've been racing on this year. We will see where we go from here--he has a Group 2 penalty now." The runner-up's conditioner Peter Chapple-Hyam commented, "He ran into a better horse, but does need a bit of cut and will wait for the soft ground. He's tough enough to dig deep and is a nice horse to have." Hatta Fort's second dam, Ingozi, was produced by Italian champion miler Inchmurrin and is a half-sister to the sire Inchinor (GB). Theann has been kept busy and showed her forte in sprinting with third placings in the Apr. 7 G3 Leopardstown 1000 Guineas Trial and G3 Greenlands S. at The Curragh May 26. Fifth in the G3 Ballyogan S. back at Leopardstown June 6 and seventh in Royal Ascot's G3 Jersey S. last time June 20, the bay rebounded here, stalking the early pace wide before taking control in the final 1 1/2 furlongs under jockey Seamus Heffernan. "She's had lots of racing this season, but just in these past couple of weeks she's thrived," her rider told *PA Sport*. "She's had some tough asks, but Aidan [O'Brien] picked this race out a while ago and there is nobody better at doing that. Back in against the fillies and back over six furlongs, she found it much easier and she won easy in the end."

All carry 128 pounds.

Formerly run over 10 furlongs, this prize went the way of Andre Fabre no less than eight times since 1989 and he added another edition in its revamped guise 12 months ago courtesy of Rail Link (GB). Like that subsequent hero of the G1 Prix de l'Arc de Triomphe, **Airmail Special** warmed up for this with success in the G3 Prix du Lys over course and distance last time June 19 and bids to continue on the road to the Oct. 7 fall showpiece. Aidan O'Brien annexed the first renewal of this race as a 12-furlong contest with Scorpion (Ire) and relies solely on **Eagle Mountain** this time. Fifth in the G1 2000 Guineas at Newmarket May 5, he was runner-up to Authorized (Ire) in the June 2 G1 Epsom Derby before finishing third in the G1 Irish Derby at The Curragh July 1. Pascal Bary saddles **Zambezi Sun** for the sponsors and he gave Airmail Special five pounds and a head beating in a 10-furlong debutantes race here Apr. 5 before besting Shamdinan (Fr) back at this track 24 days later. He was behind the latter when fourth from a disadvantageous wide draw in the G1 Prix du Jockey-Club (French Derby) at Chantilly June 3 and will appreciate this step up in trip. German interest revolves around the June 10 G2 Oppenheim-Union-Rennen winner **Axxos** and the Listed Bremen Derby-Trial runner-up **Prinz**, both scratched from the G1 Deutsches Derby earlier this month.

Champs Elysees looked ready to add to his family's honor roll when successful in the G3 Prix d'Hedouville here May 8, but failed to take a step forward when fifth in the June 3 G2 Grand Prix de Chantilly. His display in that mile-and-a-half contest suggests that unlike his siblings Banks Hill (GB), Dansili (GB), Intercontinental (GB) and Cacique (Ire), stamina looks to be his forte. Andre Fabre, who has eight renewals to his name, also saddles **Macleya**, who followed success in the May 2 G3 Prix Allez France at Chantilly with a second to stable star Mandesha (Fr) in the G2 Prix Corrida at Saint-Cloud last time May 30. **Bussoni** had the subsequent Listed Grosser Canon-Preis winner **Dragon Fly** back in fifth when recording back-to-back wins in the G3 Betty Barclay-Rennen at Baden Baden last time May 12 and both have proven form in the likely testing conditions.

Tiago is the undisputed class of this event and looks to punch his ticket to the more lucrative three-year-old events in the second half of the year. Giacomo's younger half-brother returned \$60 in winning the GI Santa Anita Derby in April and he did not disgrace himself in the GI Kentucky Derby a month later, finishing seventh and galloping out as if crying out for more distance. He got just that chance in the GI Belmont S. June 9, but raced closer to the pace than is his custom and finished third, 5 1/2 lengths behind Rags to Riches. "He came out of the Belmont good and has worked well for the Swaps," said trainer John Shirreffs. "We're happy with the way he ran in the Belmont. I think any time they can be placed in a Classic race is very good." **Albertus Maximus** has two wins and a runner-up

finish since being stretched to a route of ground earlier this year. A maiden winner at Santa Anita Mar. 3, he added a Hollywood allowance May 3. He was gaining good ground late in the June 17 GIII Affirmed H. and wound up less than two lengths behind **Desert Code**. He too acts like a horse who will improve with this added real estate and gets a 10-pound pull in the weights with the favorite.

Echo of Light took this race last year, when run as a Group 3 on Lingfield's Polytrack and is back under a penalty to defend his title. Sixth in Goodwood's G1 Sussex S. on his next start, he returned to winning ways in the G3 Strensall S. at York and G2 Prix Daniel Wildenstein at Longchamp in September before trailing in the GI Breeders' Cup Mile at Churchill Downs when last seen in November. "We've given the horse a nice break and he seems in very good form now," Saeed bin Suroor commented. "He does go well fresh and we are looking forward to running him. The trip is perfect and the ground should be fine. We will see how he goes on Saturday before making future plans." **Dark Islander** also carried extra poundage as a result of his exploits when winning the GII Oak Tree Derby at Santa Anita in October. He is reappearing for the first time since finishing eighth in the GI Hollywood Derby the following month. **Cesare** has twice won over this track and trip, in the Royal Hunt Cup last June and May 2 Listed Paradise S. and was far from disgraced when fifth, beaten about a length, in the G1 Queen Anne S. on his third try here last time June 19.

The Niarchos Family's **Light Shift** pitched Henry Cecil back into the spotlight with her success in the G1 Epsom Oaks and the homebred is primed to become the eighth since 1981 to complete the double in today's G1 Darley Irish Oaks. Since Diminuendo dead-heated to achieve that feat and provide Cecil with his first renewal of this Curragh Classic in 1988, the master of Warren Place has added a further two editions, the most recent coming via the fellow dual Oaks heroine Ramruma eight years ago. Light Shift handled fast conditions when taking the May 9 Listed Cheshire Oaks and good-to-soft when accounting for **Peeping Fawn** by a half length in the June 1 Epsom Classic, but deep ground is an unknown. "She's done better since Epsom-her work has been better and she is looking better and I wouldn't swap her," said trainer Henry Cecil. "I don't mind soft ground, but I don't want heavy."

The Delaware H. - Class of '57...

No less than 19 fillies and mares lined up for the 1957 edition of the Delaware H. The field included three-year-old **Bayou** and four-year-old **Pucker Up**, who both finished off the board, but would each be crowned champion at year's end. Browse the bloodlines of champion **Slew o'Gold** and Classic winner **Coastal**, as well as Grade I winners **Sleep Easy**, **Aptitude**, **Oath** and **Victory Ride**, and you will find Bayou's name.

The winner was **Princess Turia**, who went on to produce champion and Classic winner **Forward Pass**. Finishing out of the money was **Attica**, who never did win a stakes race, but will forever be a factor in pedigrees through her son, the champion race horse and sire **Sir Ivor**.

Another pair of also-rans have also had a lasting influence on the breed.

LEVEE (Bull Lea--Mar-Kell, by *Blenheim 2nd) was named Broodmare of the Year due to the exploits of her champion daughter **Shuvee** (Nashua), who twice beat the boys in the Jockey Club Gold Cup. In addition to that superstar, Levee is responsible for:

- MSW **Nalee**, the dam of top broodmare **Nalee's Flying Flag**. She produced MGISP **Johns Treasure** and champion **Sacahuista**, herself dam of top Southern Hemisphere sire **Hussonet** and MGSW and freshman sire **Ekraar**.
- Nalee's Flying Flag is the third dam of GISW **Geri** and GSW **A.P. Arrow**; and the second dam of GSP **Pennant Fever**, dam of MGSW and sire **Stormin Fever**, MGISW **Raging Fever** and SW **Roaring Fever**.

STREET SENSE BREEZES AT CHURCHILL GI Kentucky Derby winner **Street Sense** (Street Cry {Ire}) continued to progress towards a return to the races yesterday, breezing five furlongs in a steady 1:02.20 at Churchill Downs. The work, the 10th fastest of 27

Street Sense Reed Palmer

works at the distance, was accomplished in fractional splits of :13.80, :27, :38.80 and :50.60. He galloped out six panels in 1:14.60 and was up seven-eighths in 1:28. Exercise rider Tracey Wilkes, wife of assistant trainer Ian Wilkes, was in the irons in lieu of jockey Calvin Borel, who was to take part in Friday night's "Ca-

jun Jockey Challenge" at Evangeline Downs. Wilkes put Street Sense through his paces and was more than satisfied with the results. "He's a horse that's happy, and that's the main thing," Wilkes said. "Condition-wise he's great and he's happy." Connections have yet to decide whether Street Sense will resurface in the GI Jim Dandy S. at Saratoga July 29 or in the GI Haskell Invitational S. at Monmouth Park Aug. 5. The Jim Tafel colorbearer is expected to have one additional work at Churchill prior to joining trainer Carl Nafzger's barn at Saratoga. Street Sense is unraced since his narrow defeat at the hands of **Curlin** (Smart Strike) in the GI Preakness S. at Pimlico May 19.

FUNNY CIDE RETIRED Funny Cide (Distorted Humor--Belle's Good Cide, by Slewacide), the "gutsy gelding" who in 2003 became the first gelding to win the GI Kentucky Derby in nearly three-quarters of a century, has been retired from racing, the *Blood-Horse* reports. Bred in New York by WinStar Farm, Funny Cide was perfect in a trio of starts at two, including a pair of restricted stakes victories. Though winless in his first

Funny Cide Horsephotos

three outings as a sophomore, the striking chestnut made steady progress, parlaying a sneaky-good runner-up effort to Empire Maker in the GI Wood Memorial S. into a 12-1 upset over that rival in the Run for the Roses. He won the GI Preakness S. by 9 3/4

lengths, arguably his best career effort, but his Triple Crown dreams came undone in the Belmont slop, finishing third to the Juddmonte runner. He was subsequently voted champion of his generation. Winner of the GI Jockey Club Gold Cup in 2004, he made just three starts as a five-year-old, but rediscovered his better form last year, winning the GIII Dominion Day S. and the Kings Point H. for Empire-breds. He fell short in his first three appearances this term, and was lured to Finger Lakes Racetrack in upstate New York for the Wadsworth Memorial H., which saw its purse money raised to \$100,000. In front of 11,429, the largest on-track crowd in 30 years, Funny Cide did not disappoint, winning by three lengths as the 122-pound heavyweight. He retires sound with a career record of 38-11-6-8 and earnings of \$3,529,412. "We decided that after the great fun and excitement of watching Funny Cide win the Wadsworth Memorial at Finger Lakes at the age of seven, it would be a good note on which to retire the horse," trainer Barclay Tagg told the *Blood-Horse*. "He had tremendous three-year-old and four-year-old seasons, and won stakes every year, except his five-year-old year." He continued, "His fabulous accomplishments have thrilled us all for so long. We'll probably keep him at the track for a while, and either Robin or I will ride him out to the track with the sets each morning. He'll continue to be pampered, just as he's been his entire career. We're all thrilled to be able to retire him sound and happy."

KATDOGAWN'S SIS TOPS TATTS JULY FINALE

The Tattersalls July Sale concluded its four-day stand with a modest session at Newmarket yesterday, with Katdogawn (GB)'s three-year-old half-sister **Kat Act Two (GB)** (Act One {GB}--Trempkate, by Trempolino) topping the action at Nick Elser's 46,000 guineas. Esler handled the bidding duties for Newmarket International's Richard Galpin, explaining, "I bought her for...Galpin, whose on a plane back to the States, on behalf of owner Jimmy Mearns Long. She'll be boarded in Ireland and [will be] bred." Kingsdown Stables consigned the placed gray filly, cataloged as lot 912, as the property of a partnership. Katdogawn, by Bahhare, was a four-time graded winner in the U.S. of \$827,580. With 64 lots sold yesterday for 553,500 guineas, an average of 8,648 guineas and a median of 4,500 guineas, the four-day sale saw a total of 593 lots sold for 10,951,300 guineas, an average of 18,468 guineas and a median of 11,000 guineas. BBA Ireland finished as the leading purchaser, with 16 lots for 577,000 guineas, ahead of Bobby O'Ryan, with 11 lots for 538,500 guineas. The leading vendor was Darley, whose 47 lots sold realized 1,391,800 guineas, from Juddmonte Farms, whose 33 lots realized 871,000 guineas. "This has been a very strong July Sale with returns second only to last year's and turnover breaking the 10,000,000-guineas mark for only the second time," commented Tattersalls Chairman Edmond Mahony. "Year after year the Tattersalls July Sale attracts buyers from throughout the world and the varied nature of the catalogue is the key. The sale genuinely has something for just about every sector of the market and the demand across the board this week has demonstrated the global appeal of the July Sale very clearly."

Addressing the Market...

Mahony added, "On a different note there has been another issue which has consistently been drawn to our attention this week and which is evidently causing some concern at all levels of the industry on both sides of the Irish Sea. The recent merger of Goffs and Doncaster Bloodstock Sales has coincided with news that from the beginning of 2008 Tattersalls will be charging a full 50 percent less for the service we provide than any other firm of bloodstock auctioneers in Britain and Ireland. While we will continue to charge only five-percent commission the standard commission elsewhere will be 7.5 percent and, in one case, 10 percent. Understandably, the nature of the concerns expressed to us has been regarding our intentions, while also questioning a 50 percent rise in commission rates at a time when prize money in Britain is declining, owners' direct costs are rising and the four leading British and Irish bloodstock sales companies achieved record turnover in 2006. We respect the fact that any sales company can and should charge as much or as little as it deems appropriate to the market, but we also recognize that these are legitimate concerns for the industry. We can only say that, at this stage, we remain committed to the same levels of service to which we have always aspired as Europe's leading bloodstock auctioneers while continuing to charge our clients 50 percent less than elsewhere. We will continue to invest seven-figure sums in the business on an annual basis, we will continue to commit a minimum of almost £300,000 of our own money to the £2,200,000 Tattersalls Millions, and we will not be keeping any surplus raised from owners' entry fees, we will continue to sponsor races in Britain and Ireland from Group 1 level down to Point to Points, we will continue to allocate approaching £200,000 a year to the BHB/TBA Inward Buyers Initiative and we will continue our annual commitment, again well into six figures, to Racehorse Sponsorship crucially satisfying the VAT requirements of racehorse owners."

Praying for Cash made just one start at two, breaking his maiden at Monmouth Park in June of 2005, and returned to be third in a Gulfstream allowance the following February. Sixth in the GII Swale S. in March, he shipped back to the Jersey Shore to post an allowance score in May. The bay was second as the favorite in the Coronado's Quest S., but upset Latent Heat in the GIII Long Branch Breeders' Cup S. to book his ticket to the GI Haskell Invitational S. He set the pace in Monmouth's marquee event and still had the lead at the quarter pole, but couldn't handle Bluegrass Cat down the lane and finished a distant second. Moved from Kelly Breen's barn to that of Todd Pletcher after that effort, he had made just one start since, finishing fifth in the Oct. 13 Perryville S. at Keeneland. Praying for Cash was scheduled to go to stud this year, but plans changed and he was back in action for trainer Kiaran McLaughlin here. Sent to the lead, he cut out fractions of :22.75 and :45.69 and pulled away down the lane for a handy victory. [Video, sponsored by Taylor Made.](#)

Canterbury to Conduct its Own Extreme Day:

Emulating a similar program at Calder Race Course in Miami, Canterbury Park in Shakopee, Minnesota, will conduct an "Extreme Race Day" Sunday, July 22. The day will be highlighted by "The Battle of the Surfaces," which will feature as many as 20 horses running and competing simultaneously on the turf and dirt. The two starting gates will be staggered so that the race distance (1 1/16 miles) is the same on each surface. The race will finish at the same finish line. Other races will include horses which have not finished in the top three at the meet; a 100-yard dash for quarter horses; a race at 2 1/16 miles, the longest in the history of the track; and a "Battle of the Sexes" at five furlongs on the grass for two-year-old maidens; five fillies and five colts. The day's events will be sponsored by SPAM.

Panza Mostly Pleased With First Cushion Go-Round:

Hollywood Park Racing Secretary Martin Panza expressed his overall satisfaction with the first meet to be conducted over the Cushion Track at Hollywood Park. "We are averaging 8.17 starters per race through [July 12]," he commented. "The numbers could have been higher, but we've written more allowance races than in the past to put on a higher-quality show." Panza expressed some disappointment in the numbers as the meet wound down. "It was a good meet and started off strong, but I was was not happy with the lack of support from horsemen during the last two weeks," he continued. The average number of starters had reached 8.32 July 2 before tailing off.

Black-Type Minimum Purse to Increase:

The North American members of the Society of International Thoroughbred Auctioneers remind the Thoroughbred industry that beginning in 2008, the minimum purse value for black-type races in North America will increase from its current level of \$45,000 to \$50,000. In order for a stakes to receive black-type designation in North America and Canada, the race must (a) close at least 72 hours prior to its running, have an entry fee paid by its owner and have a total purse value distributed equal to or greater than the established minimum; (b) have all entries be eligible for the purse monies used to determine the minimum purse value for black-type or listed status; (c) not have restrictions other than state-bred, non-winners of a sweepstakes, sales graduates or stallions' progeny; (d) not contain a preference clause(s) based on criteria unrelated to the quality of the horse if such preference clause(s) could possibly exclude any horse(s) of superior quality from competing.

DUBAWI, SHAMARDAL TO SWITCH FOR 2008

Darley announced yesterday that **Dubawi (Ire)** (Dubai Millennium {GB}--Zomaradah {GB}, by Deploy {GB}) will stand at Kildangan Stud in County Kildare, Ireland, for the 2008 season, trading places with **Shamardal** (Giant's Causeway--Helsinki {GB}, by Machiavellian), who heads to Dalham Hall Stud in Newmarket, England. Both stallions currently have their first crops of foals on the ground. "Dubawi and Shamardal were the two most exciting horses to retire in 2006 and, having comparable profiles, switching them seems a great opportunity to help breeders who prefer to keep their mares at home," said Sam Bullard, Darley's director of stallions. "Of course, Darley's transport allowances will be available to breeders who wish to travel their mares." The 2005 Irish 2000 Guineas hero Dubawi, a triple Group 1 winner, covered no fewer than 51 blacktype performers in his initial year at stud. Shamardal, who is out of a full-sister to America's Darley stallion Street Cry (Ire), covered a book that included 29 mares that have already produced group winners and 32 mares that won at group level themselves. The 2005 G1 Poule D'essai Des Poulains winner was a four-time Group 1 winner who captured six of his seven starts.

After three unplaced efforts in top handicap company last term, connections worked the oracle with Giganticus over the winter and he gave an instant return on his four-year-old bow when scoring at Newcastle Apr. 14. Fourth and third, respectively, in handicaps around the tight oval of Chester May 11 and June 12, the chestnut relished the return to a straight galloping track here for a career-best in this prestigious prize. Racing prominently throughout, he ground his way to the front passing the eighth pole and was tenacious as King of Argos threatened late on. "I got a lovely lead and he picked up nicely when I asked him and stayed on well," jockey Philip Robinson commented. Connections are looking at Ascot's valuable July 28 Totesport International H. for the winner. "Seven furlongs is probably his trip," trainer Barry Hills commented. "He lost his way a bit last year, holding his breath. We had him gelded and there was always a decent race in him."

TYBALT (c, 3, Storm Cat--Tuzla {Fr} {GISW-US, \$1,332,620}, by Panoramic {GB}) showed promise at two, but had disappointed when off the board in two handicaps on his latest outings at Sandown Apr. 27 and Haydock May 26. Sent off at 9-1, the homebred languished in rear early before traveling easily into contention before the quarter pole. Quickening soon after, he struck the front with a furlong remaining before asserting to beat Artimino (GB) (Medicean {GB}) by 1 3/4 lengths. "He likes the ground on top, so we had our ground," trainer John Gosden commented. "Maybe he will run at Goodwood in the [Aug. 3] totesport Mile H., then we will head to the States. The [Aug. 19] GII Del Mar Mile and the [Oct. 7] GII Oak Tree S.--those are the sort of races that will suit him well." Lifetime Record: 6-2-2-0, £27,162.

+ **LAURELDEAN GALE (f, 2, Grand Slam--Ravnina, by Nureyev)**, sent off the 2-1 favorite, traveled well in mid-division throughout the early stages before being asked to take closer order past halfway. Responding to her rider's urgings, the \$325,000 KEESep yearling gathered in Kashoof (GB) (Green Desert) in the final 100 yards to assert for a 1 1/2-length score. "She wants seven furlongs and is a nice filly," trainer Peter Chapple-Hyam commented. "I think she's my best filly and has been showing a lot at home. Hopefully, she'll go for the G1 Fillies' Mile [at Ascot Sept. 29] if she's good enough, with the G3 Prix du Calvados [at Deauville Aug. 18] or G3 Prestige S. [at Goodwood Aug. 25] on the way." The victress is a half to Costume Designer (Capote), SW-US, \$161,600; and Secret History (Bahri), GSW-Eng, \$142,972. Lifetime Record: 1-1-0-0, £9,715. DONEGAL (c, 2, Menifee--Vickey's Echo, by Clever Trick), runner-up at Sandown on debut June 15, broke well from his outside post to raced prominently throughout the early stages. Despite running greenly and veering right, the \$80,000 FTSAUG yearling, a half to French Braids, MSW & GISP-US, \$607,685, took over with a quarter mile remaining and drew away to register a convincing six-length success from Transmission (Ire) (Galileo {Ire}). Lifetime Record: 2-1-1-0, £8,082.

1.50 Chantilly, Mdn, €21,000, unraced 3yo, 1 1/8mT.

SAGEBURG (IRE) (Johannesburg) got off to the most impressive start to his career when recording an eight-length success at Chantilly last month and takes a gentle step up the ladder for His Highness The Aga Khan and Andre Fabre. Out of a sister to the 1998 G1 Prix de l'Arc de Triomphe winner Sagamix (Fr) and half to the 2000 G1 Criterium de Saint-Cloud winner and 2001 Arc third Sagacity (Fr), the grey is joined by Michael Tabor and Susan Magnier's **Noble Prince (Ger) (Montjeu {Ire})**, a half-brother to Noble Stella (Ger) who scored at the third attempt at Saint-Cloud last month.

2.15 Ascot, Cond, £10,000, 2yo, 7fT.

BAFFLED (Distorted Humor) secured a last-gasp success on debut at Lingfield in May and followed up with a third in the G3 Albany S. at Royal Ascot last month. Opposition to the Jeremy Nosedo trainee, a \$350,000 KEESep yearling, includes **Speedy Dollar (Dixie Union)**, who is out of a half-sister to G1 Breeders' Cup Juvenile runner-up Minister Eric, from the in-form Peter Chapple-Hyam barn.

2.25 Chester, Cond, £21,000, 3yo/up, 7f 2ydsT.

OPERA CAPE (GB) (Barathea {Ire}) is another beneficiary of Godolphin's patient approach and faces seasoned opponents in this comeback run after 434 days on the shelf. Placed in both G1 Prix Jean-Luc Lagardere and G1 Dewhurst S. during a juvenile campaign which gleaned the G3 Solario S., he makes his first start since finishing last to George Washington (Ire) in last term's G1 2000 Guineas.

Making continued headway inside the final quarter mile, the 66-1 outsider required minimum force from the eighth pole and prevailed by a neck from Red Alert Day (GB) (Diktat {GB}) despite a late drift to the left. FILLY EXCELS AT WINTER SALE As the final opportunity to purchase yearlings eligible for next year's \$100,000 Scone Inglis Challenge, yesterday's William Inglis & Son Winter Weanling, Yearling & Thoroughbred Sale saw healthy competition among bidders that led to an outstanding RNA rate of 9.1 percent. Topping the one-day event was Lot 108, a chestnut Exceed and Excel (Aus) filly that sold to Inglis, as agent, for A\$145,000. Offered by Segenhoe Stud as agent, the filly is a half-sister to dual Listed winner Russian Caravan (Aus). The topper was the lone horse to clear the six-figure mark. In all, 189 head exchanged hands for A\$1,396,850, an average of A\$7,391 and a median of A\$2,500. For full results, visit www.inglis.com.au.
