**ALABAMA STILL RICH IN TALENT**

Rags to Riches may be sitting this one out, but today's \$600,000 GI Alabama S. at Saratoga has still attracted a quality field. Todd Pletcher, seeking his first Alabama trophy, will saddle a pair of fillies coming off Grade I wins at today's 10-furlong distance: **Octave** (Unbridled's Song), who bested **Lear's Princess** (Lear Fan) and **Folk** (Quiet American) in the GI CCA Oaks at Belmont July 21; and **Panty Raid** (Include), winner of the GI American Oaks over Hollywood's turf course July 7. "This is probably the most competi-

tive race of the meet," said Donald Lucarelli, co-owner of Octave. "Any one of these horses could win. I think we can run our race. Because it's such a competitive field, I'm worried about all of them." **Lady Joanne** (Orientate), second by a half-length to Octave in the GI Mother Goose S. June 30, is also in the fray. **Cont. p4**

**GO WEST, YOUNG LADY**

Virginia Kraft Payson's **Rutherienne** (Pulpit) could have stayed home at Saratoga to contest yesterday's GI Lake Placid S., where she would have been a heavy favorite. However, the multiple graded-stakes winner will put her four-race skein on the line 3,000 miles away this evening in the \$400,000 GI Del Mar Oaks, and she faces a tough group of local fillies headed by **Valbenny (Ire)** (Val Royal {Fr}). Winner of three graded stakes, the bay was second by 3/4 of a length in the GI American Oaks

July 7 at Hollywood, and has been freshened up for this contest. "The time away from racing has been good for her," said trainer Paddy Gallagher. "She's ready to go now." **Cont. p5**

**ADENA REDUCING IN NOVEMBER**

Adena Springs has announced that it will be offering over 300 in-foal mares in November at both Fasig-Tipton and Keeneland. In addition to the annual Adena Springs Broodmare Sale Nov. 8 at Fasig-Tipton, another 200 of the operation's mares will be entered in the Keeneland November Breeding Stock Sale, including Grade I winners **Spun Sugar** (Awesome Again) and **Amorama (Fr)** (Sri Pekan). **Cont. p2**

**GALILEO COLT STEALS THE SHOW**

Demi O'Byrne put the seal on a momentous opening session of Arqana's Deauville Yearling Sale when paying €1.4 million for a colt by Galileo (Ire). Widely expected to be the sale topper beforehand, hip 108 is a half-brother to the accomplished duo of Turtle Bowl (Ire) and Turtle Bow (Fr). It was soon clear that the bay, who was offered by Haras d'Etream on behalf of Berend van Daltsen, would comfortably eclipse the €600,000 paid for his half-sister by Diesis (GB) at this sale 12 months ago. O'Byrne got the better of BBA Germany's Dirk Eisele, who was representing Norwegian interests, to secure the most expensive yearling at this auction since a daughter of Indian Ridge (Ire) fetched €2 million in 2002. Van Daltsen was on hand to witness his colt create a bidding war. "He is a great-looking individual who never had a problem from the day of his birth and he boasts a great pedigree," the owner of Turtle Bowl commented. "I am thrilled, but in sheer honesty I think that he went for the right price, and this is what I had valued him at." **Cont. p9-13**

Bill Mott is comfortably atop the trainer standings at this meeting, but even he must have breathed a sigh of relief when Christophe Clement decided to send Rutherienne to Del Mar. Sharp Susan had opened 2007 with a pair of victories, including the GIII Herecomes-thebride S. at Gulfstream Mar. 25, before chasing home Rutherienne in each of her next three starts. Fourth to that filly in the GIII Sands Point S. June 2, the dark bay crossed the line third, but was put up to second in the GIII Boiling Spring S. at Monmouth June 30. In her most recent outing with blinkers off, Sharp Susan finished a half-length in third behind her nemesis in the GIII Lake George S. over this sod July 27. IEAH Stables acquired an interest in the well-bred filly earlier this week, and she went postward here as the second choice. Sharp Susan came away alertly from post seven and went straight to the front, showing the way through splits of :47.42 and 1:10.32. The others came after her in the lane, but jockey Kent Desormeaux kept the three-year-old busy and she made it to the wire safely in front of New Edition, who was coming off a close second to Dreaming of Anna in the July 21 Virginia Oaks. "I've got to give Kent a lot of credit," Mott said. "He's got a good set of hands, and she rated well for him. As I said before, I think he understands pace." Sharp Susan might be ready to take the next step.

"We'll sit down and have a look at what we might want to do," Mott said, mentioning the GI Garden City S. Sept. 8 at Belmont or the GI Queen Elizabeth II Challenge Cup Oct. 13 at Keeneland as possible targets.

ADENA NOVEMBER REDUCTION (cont. from p1)

The 11th annual Adena Springs Broodmare Sale at Fasig-Tipton Nov. 8 will feature over 100 mares carrying their first foals, with 2008 season options to Adena Springs stallions. At Keeneland November, Hidden Brook Farm will act as agent for Adena Springs for the 200 mares slated to sell. These include the five-year-old **Spun Sugar** (Awesome Again--Irish Cherry, by Irish Open), a multiple Grade I winner in foal for the first time to A.P. Indy; and six-year-old **Amorama (Fr)** (Sri Pekan--Tanzania {Ire}, by Alzao), a multiple Grade I winner carrying her first foal by Ghostzapper. "With a large broodmare band, this reduction is a natural progression for an operation of our size," Frank Stronach explained. "Strong support of our stallion roster has been the primary goal of our program for the past decade, and that strategy of accumulating young mares to breed to our stallions and immediately offering them in foal will continue in the future. I'm very pleased to offer a diverse group of predominantly young mares, many carrying their first foals by very fashionable stallions." Adena Springs has won three straight Eclipse Awards as the nation's top breeder.

Scratched: Candy Jo, Red Diadem (GB).

River's Prayer concluded her three-year-old campaign with a pair of unplaced efforts in Grade I company, but has been unstoppable this year at four. The versatile grey kicked off 2007 with a score in the grassy Irish O'Brien H. Mar. 17 and added the GIII Las Cienegas H. on the downhill Santa Anita course Apr. 15. After a brief break, she kept her streak alive in the Great Lady M. H. over the Hollywood lawn June 14, then travelled cross country to annex the GI Princess Rooney H. on the main track at Calder July 7. The second choice to MGISW Pussycat Doll (Real Quiet) here, River's Prayer tracked Lady Gamer through splits of :22.75 and :46.10 before making her move turning for home.

Strong Faith took a run at her late, but the Cal-bred had enough left to secure her fifth straight score. "I'm trying to find a time to give her a little break, so I may or may not run in the [GIII Sen.] Ken Maddy [H. Sept. 26]," said winning trainer and co-owner Paula Capestro. "I want to make sure she's super-fresh for the Breeders' Cup [F/M Sprint, Oct. 25, Monmouth]." [Click for the brisnet.com chart.](http://www.brisnet.com) [Video, sponsored by Taylor Made.](#)

**UPSTATE GIRLS** Glencrest Farm's **Panty Raid** (Include), a 7 3/4-debut winner at Saratoga a year ago ([video](#)), might be the most versatile member of her division. Second by a head in the GIII Bourbonette Breeders' Cup S. on Polytrack at Turfway Mar. 24, she took an allowance over Keeneland's all-weather Apr. 13 before winning on dirt at Pimlico in the GII Black-Eyed Susan S. May 18. She then made her successful turf audition in the GI American Oaks at Hollywood July 7 ([video](#)), and comes here off a sharp local drill Aug. 12, when

she covered five panels in :59 3/5. Jockey Edgar Prado, who has been aboard for each of her wins this season, has the mount once again. "She's a master of winning all of those races," Pletcher said. "It would be hard to criticize her record. I think she's better on the dirt; Edgar thinks she's better on the turf. If you had seen her work, you would likely agree with me."

**'Moon' Catching Up...**

Fourth in Panty Raid's Black-Eyed Susan at Pimlico, **Moon Catcher** (Malibu Moon) had blinkers added for the Susan's Girl BC S. at Delaware June 16 and responded with a two-length score. She followed that with a game, wire-to-wire win in the GII Delaware Oaks ([video](#)) July 14, earning a best-in-this-field Beyer Speed Figure of 100.

**Be Leery of the Princess...**

West Point Stable has been having a dream season with their runners this year, and the operation will be represented by a live longshot **Lear's Princess** (Lear Fan). After winning first-time out on Polytrack Apr. 26, the blaze-faced bay scampered through a pair of grass outings, including Belmont's Tweedside S. July 1, before making her dirt debut in the CCA Oaks ([video](#)). Her bold late move came up a half-length short that day, and trainer Kiaran McLaughlin thinks there's more to come. "We're hoping she'll improve off her first race on the dirt," McLaughlin said. "She has been training well off that race. She won her first three starts on two different surfaces. That's not easy to do."

Brandon Benson photo

**Charity at Work...**

**Octave** (Unbridled's Song), owned by Jack and Laurie Wolf's Starlight Stables and Donald Lucarelli, shed her bridesmaid status in the Mother Goose prior to her CCA Oaks score. The grey filly's civic-minded owners will donate 5 percent of her earnings from the Alabama to the Make a Wish of Northeastern New York foundation. If the grey wins, the organization could receive about \$18,000. "We're always donating to things that make sense and give you joy and a smile," Lucarelli said. "Anytime you can give back something that is rewarding to a kid, you cannot put a price tag on that."

She's lucky *and* good. Winner of both 2006 outings, **Rutherienne** finished fourth in her seasonal opener at Keeneland in the Appalachian S. Apr. 22, but has gotten her picture taken in each of her next four starts. Her streak began in the Sugar Plum Time S. at Belmont May 12, continued through a dead-heat score in the GIII Sands Point S. at the same track June 2 as well as as a second--placed first via disqualification--in the GIII Boiling Springs S. at Monmouth June 30. The neatly made sophomore boldly rallied up the hedge to annex the GIII Lake George S. at Saratoga July 27 ([video](#)) last out, and will need that moxie once again versus this bunch. Since arriving in California, **Valbenny** has captured four of six starts, including the GIII Miesque S. last season as well as the GIII Senorita S. May 12 and the GII Honeymoon BC H. June 9, and was a valiant second in the GI American Oaks July 7 ([video](#)). That contest featured the stateside bow of **Supposition**, who managed to finish seventh, beaten 3 3/4 lengths, despite her saddle slipping. The Juddmonte homebred had previously been in Ireland with trainer Dermot Weld, for whom she graduated by seven lengths in a Galway maiden last August before being beaten a length when third in the G1 Moyglare Stud S. Aug. 27 at The Curragh. Her final outing for Weld was an ignominious eighth behind Arch Swing as the 4-5 chalk in the G3 Park S. Sept. 16 at The Curragh. She has made progress since arriving in Bobby Frankel's barn at Del Mar, according to assistant Humberto Ascanio. "Each time she works, she does it well," he said. "So far, she's done everything right for us. Let's hope she does it right in the race on Saturday."

Last year's winner **Welsh Emperor** returns to the scene of his finest hour and encounters arch foe **Caradak**, who was back in third in that edition before gaining revenge when prevailing by a short neck in the G1 Prix de la Foret at Longchamp in September. The latter has been off the track since finishing third in the G1 Premio Vittorio di Capua at the San Siro the following month, but Godolphin's trainer Saeed bin Suroor is hoping he can defy a penalty. "It's the right race for him--he's had a long break since last year and is working well," he commented. "We're starting him back in a Group 2, he'll improve for the race and from there will go on to a Group 1 again." **Red Evie** takes a step down in class and trip, having disappointed since her win here in the May 19 G1 Lockinge S. when off the board in the G1 Queen Anne S. at Royal Ascot June 20 and G1 Falmouth S. at Newmarket July 11. "She obviously likes the track and I'm hoping the ground is going to be good or easier rather than the other way, but she's in good nick," trainer Michael Bell told *PA Sport*. **Per Incanto** is a fascinating contender running for the first time outside of Italy, where he captured the G3 Premio Tudini at the Capannelle May 20. **Quest for Honor** and **Axxos** are penalized for their successes in the May 14 G2 Prix Greffulhe at Saint-Cloud and G2 Oppenheim-Union-Rennen at Cologne June 10, respectively, and the latter may have stronger claims on his subsequent second in the G1 Grand Prix de Paris at Longchamp July 14. **Literato** returns from a break, having found only Lawman (Fr) too strong in the G1 Prix du Jockey-Club at Chantilly June 3, when the GI Secretariat S. hero Shamdinan (Fr) and Grand Prix de Paris winner Zambezi Sun (GB) were back in third and fourth. He represents the Jean-Claude Rouget stable, successful with Pinson (Ire) two years ago. Quest for Honor, who was down the field in the Jockey-Club, is bidding to provide Andre Fabre with his sixth renewal since 1989. He is joined by stable companions **El Comodin**, who took the Listed Prix Pelleas at Chantilly last time July 8; and **Russian Desert**, third behind Harland (GB) and **Regime** in Maisons-Laffitte's G2 Prix Eugene Adam on his latest start July 28. Regime's trainer Michael Bell is hopeful he can make his presence felt again. "It looks a slightly stronger race than the Eugene Adam, but I think he's improved a bit for his run at Maisons-Laffitte," he told *PA Sport*.

🌟 **"TDN Rising Star"** 🌟 **Proviso** takes her next step up the ladder and could have a bright future judged on her easy four-length success in a course-and-distance maiden July 11. She encounters a live overseas threat in the Newmarket maiden winner **Laureldean Gale**, who had the subsequent G3 Sweet Solera S. winner **Albabilia** (Ire) back in fourth in that July 13 contest. "She had a tune-up Tuesday morning and I feel that left her spot-on," trainer Peter Chapple-Hyam commented. "She should be fine if the forecast showers leave the ground on the easy side of good."

**Galileo Colt Tops Deauville opener cont.**

Yesterday's session-topper is a half-brother to Turtle Bowl (Ire) (Dyhim Diamond {Ire}), who took the 2005

G1 Prix Jean Prat and was second and third, respectively, to Manduro (Ger) in this year's G1 Prix d'Ispahan and G1 Prix Jacques le Marois; and Turtle Bow (Fr) (Turtle Island {Ire}), winner of the G2 Prix d'Astarte and runner-up in the GI Flower Bowl Invitational in 2002. Further down on the colt's catalogue page also includes the multiple Group 1 winner Kartajana (Ire) and the G1 Prix de Diane heroine Caerlina (Ire). Berend van Daltsen, breeder of this blaze-faced bay colt, also campaigns Turtle Bowl. "The dam is a great producer and has a foal by Sadler's Wells, but I gave her a year off this season," van Daltsen explained. "The half-sister to that horse, Turtle Bow, has a foal by Giant's Causeway and is in foal to Mr. Greeley, so there is more fun along the road."

**Relative Merits...**

Fillies have sold particularly well at this sale in recent years and, despite the dramatic upturn in the market for colts, there were several bluebloods causing a stir yesterday. Hip 83, from Richard Strauss' Kilfrush Stud, is a Cape Cross (Ire) half-sister to this year's G2 Prix du Gros-Chene winner Beauty Is Truth (Ire), and she sold for €780,000 yesterday to the account of Robert Collet. Collet trains her sibling--who runs in Thursday's G1 Nunthorpe S. at York--and conditioned much of the family, including the group-winning dam Zelding (Ire); this yearling will also join his yard.

Red Rocks (Ire) needs no introduction after his exploits in the GI Breeders' Cup Turf at Churchill Downs in November, and his half-sister by Linamix (Fr) was knocked down to Jean-Louis Branere's France Pur Sang for €620,000. Consigned by Ballylinch Stud as hip 41, the grey will run in the colors of 6C Racing's Andreas Putsch, made famous by the 2002 G1 Prix Vermeille heroine Pearly Shells (GB). "I bought this filly for Mr. Putsch, who recently purchased Haras de Saint Pair du Mont in France," Branere said. "He has some quality broodmares at stud in Ireland, but he wishes to develop a large broodmare band in France, and this half-sister to Red Rocks fits the pattern perfectly. She will probably be trained in France."

**Dansili in Demand...**

Dansili (GB) has made a serious impact the past two seasons--courtesy of Rail Link (GB), Price Tag (GB), Passage of Time (GB) and Strategic Prince (GB)--and his progeny provided a keen focal point yesterday. Mags O'Toole secured Haras de la Perelle's hip 85, a colt already named Aiglemont (GB), for €950,000. Standing alongside trainer Charles O'Brien, the agent later confirmed that the son of the 1998 G3 Prix Penelope winner and G1 Prix de Diane runner-up Abbatale (Fr) (Kaldoun {Fr}) was Ballydoyle-bound. The bay colt traces back to the Wildenstein family of Arcangues, Aquarelliste (Fr) and Cape Verdi (Ire), and Haras de la Perelle's owner Jurgen Winter was delighted with the outcome. "We bought this horse earlier this year in January from his breeder Jean-Charles Coude in a private deal, and decided to consign him here," Winter said of the colt named after the headquarters of the Aga Khan Development Network. "We certainly never expected that he would go for so much money, but there had been a lot of interest in him from the beginning, and we have been lucky that Coolmore and John Ferguson really wanted him. We do not own the dam, but I know that she is in foal to Azamour (Ire)."

Moments earlier, the Juddmonte sensation was responsible for the day's top-priced filly when hip 77, named Cadenza (Fr), sold for €800,000. She is a half-sister to the 2005 G1 2000 Guineas third-place finisher and dual group winner Kandidate (GB) as well as 2004 G3 Prix de Meautry winner Star Valley (Fr). Consigned by Alette Forien's Haras de la Reboursiere et de Montaigu, it was

Dansili *juddmonte.com*

Shadwell's Angus Gold who prevailed for Sheikh Hamdan bin Rashid Al Maktoum's operation, also responsible for seven other six-figures lots. "Sheikh Hamdan enjoys the atmosphere here and really likes Deauville," Gold commented. "We've had success buying horses here before and he loves walking around the sales--it is very easy to inspect horses." Forien was bowled over. "It is the first time that I have sold a horse for so much money and it is a great emotion," she commented. "I bought the dam at Newmarket in foal to Observatory [for 95,000gns at Tattersalls December in 2003], and we made the right choice to send her back to Dansili for a strong foal, as the dam is quite light and small. Ever since she arrived on the sales ground at Deauville there had been a lot of interest in her, and it boosted my confidence. This is an outstanding result for an exceptionally good-looking filly. She is a great walker and she always had a lovely temperament."

**Lots to Note...**

- BBA Germany, who missed out on the session-topper, later found compensation with Haras de Fresnay-le-Buffard's hip 114, a son of King's Best for €600,000. He is out of Group 1 winner Indian Danehill (Ire) full sister Danseuse Indienne (Ire) (Danehill), who has already produced the Group 3 winners Devious Indian (Ire) and Etendard Indien (Fr).
- Just two lots later, Shadwell's freshman Haafhd (GB) was center stage after his son from listed winner Desert Magic (Ire) was knocked down to Demi O'Byrne for €400,000. From the Ballylinch draft, hip 116 hails from the excellent family of Alexander Goldrun (Ire) and Medecis (GB).
- Mr. Greeley's reputation continues to thrive in Europe as well as the States, especially due to the exploits of his Coolcullen-based daughters Finsceal Beo (Ire) and Saoirse Abu, who took Sunday's G1 Phoenix S. It was no surprise that demand was high for this half-sister to the 1997 G2 Prix d'Astarte heroine Daneskaya (GB), who is the dam of the top-class Japanese performer Six Sense (Jpn). Consigned by Haras d'Etream as hip 102, she is also a half to the dual group winner Silverskaya and smart Stateside runner Mumtaz (Fr). She was knocked down to Meridian International for €560,000.

**Cause for Celebration...**

Officials at Arqana were in an ebullient mood yesterday evening after an outstanding opener, which saw the average of €182,777 exceed last year's equivalent by nearly 35 percent and the median of €120,000 a third up on 12 months ago. The number of yearlings selling for €200 000 or more was also up from 19 in 2006 to 24, all achieved against the backdrop of the recent stock market fall. "We were quite confident that we had a solid choice of horses for the €150,000 to €300,000-price range and that it would be a good day," commented the sales company's Executive President Eric Hoyeau. "We had very few disappointments and a lot of good surprises. The interesting fact is that the increase of the median and average are in line and have progressed by the same percentage, which means that the horses that sold for a lot of money, including the €1.4-million top price, did not affect the average. That has increased because we had more horses selling better in all price ranges. We are extremely satisfied to see that this year there is also a solid market for good colts, which has been rare in Deauville. We are also very pleased that Deauville is a market where you can rely on a wide range of different buyers and that we can keep and expand our clients over the years. It is not the same everywhere and we are keen to maintain it like that and not depend only on a few buyers. The French have also been very active, which is also a very good sign and we hope to continue the trend over the next three days, when we still have very nice horses to sell." Selling continues today after racing at 5 p.m. Full results are available on [www.arqana.com](http://www.arqana.com).

**What They're Saying At The Sales...**

*Angus Gold, racing manager to Sheikh Hamdan bin Rashid Al Maktoum:*

"It is a very solid market. Horses are selling very well, and the next two days will certainly tell us more. We have bought quite a few that we liked and they will at first be sent to Ireland before being dispatched to our trainers. Some may certainly come back to France to take advantage of the owner's premiums in this country."

*Jean-Louis Branère, bloodstock agent:*

"There is a very good market for good horses and it is very selective. The horses are going for the right price most of the time and, if you want good quality, you have to pay for it."

*Teddy Grimthorpe, racing manager to Juddmonte Farms:*

"The momentum Dansili has built up on the race-course has come to a head in the auction ring today. Everyone now believes that he is a stallion of the highest class."

*Paul Nataf, bloodstock agent:*

"It is a very good market and very active--certainly the opposite of what some expected. It looks as if the decrease in the world stock markets has had no influence on buyers, who want to have fun with racehorses. I don't know if the English and Irish markets will follow in the same trend, but for sure Deauville is doing well. Pinhookers have not done too well, but breeders have had a good sale, and that is more important."

**Hip 131, f, Pleasantly Perfect--Grisonnante (Fr),  
by Kaldoun (Fr)**

*Consigned by Haras des Capucines*

There are only two offerings by Lane's End's resident Pleasantly Perfect in this catalogue. This jewel from Eric Puerari's draft should be in much demand. She is a half-sister to the 2001 GI Matriarch S. and GI Breeders' Cup F/M Turf heroine Starine (Fr).

**Hip 145, c, Okawango--Logica (Ire), by Priolo**

*Consigned by Kildaragh Stud*

Okawango boasts the smart juvenile Declaration of War (Ire) from his first crop and this colt is certain to attract interest by virtue of the recent exploits of his half-brother Doctor Dino (Fr). That runner has progressed markedly this term, filling the third spot in the G1 Prix Ganay and GI Arlington Million.

**Hip 157, c, Highest Honor (Fr)--Numidie (Fr),  
by Baillamont**

*Consigned by Haras du Quesnay*

Highest Honor is still capable of producing smart performers, and his previous matings with this colt's dam have resulted in the 2000 G1 Prix Saint-Alary winner Reve d'Oscar (Fr), last year's G2 Prix Hocquart hero Numidie (Fr) and listed winner Sir Eric (Fr).

**Hip 174, c, Giant's Causeway--Rose Gypsy (GB),  
by Green Desert**

*Consigned by Haras des Capucines*

Ballydoyle's 2001 G1 Poule d'Essai des Poulaches winner Rose Gypsy visited Kingmambo three times before being bred to the "Iron Horse." This colt is a descendant of a high-class Oppenheimer family, which includes the 1997 G1 Prix d'Ispahan hero Sasuru (GB) and 1990 G2 Challenge S. winner Sally Rous (GB).

**Hip 180, f, Bernstein--Shoofha (Ire), by Bluebird  
*Consigned by Haras du Quesnay***

This filly is a 3/4-sister to the talented Magic America (High Yield), who was runner-up in last year's G1 Prix Morny and the winner of the G3 Prix Miesque before a serious injury halted her sophomore campaign. The dam is a sister to the triple-group winner Delilah (Ire), who hails from the celebrated Strauss family of King's Drama (Ire), New Girlfriend (Ire) and also last year's G1 Irish 1000 Guineas winner Nighttime (Ire).

**Hip 200, f, Green Desert--Volvoreta (GB),  
by Suave Dancer**

*Consigned by Haras du Quesnay*

Volvoreta proved high class in the millennium when winning the G1 Prix Vermeille before finishing third to Sinnidar (Ire) in the G1 Prix de l'Arc de Triomphe. This February-foaled filly is offered on behalf of Klaus and Renata Jacobs' haven for top-class distaffers at Newsells Park Stud.

**Hip 210, c, Sadler's Wells--Athyka, by Secretariat  
*Consigned by Haras d'Etreham***

This colt is a close relative of the 1997 GI Oaklawn H. winner Atticus, who was also runner-up in the previous year's G1 Poule d'Essai des Poulains. Athyka herself was a smart performer, winning back-to-back renewals of the G2 Prix de l'Opera in 1988 and 1989. More recently, this family has produced talented fillies Theoretically and Dubai Surprise (Ire). The latter annexed the G2 Premio Lydia Tesio in 2005.

**Hip 214, f, Daylami (Ire)--Cracovie (GB), by Caerleon  
*Consigned by Haras du Mezeray***

This page received a major boost when half-sister Coquerelle (Ire) took the G1 Prix Saint-Alary in May. The second dam is Luth de Saron (Fr), who has produced sires Roi Normand and Luth Dancer and the multiple graded stakes winner Trampoli.

**READY TO ERUPT**

STD Racing Stable & Jason Wood's **Lava Man** (Slew City Slew), fresh off his GI Hollywood Gold Cup hat trick June 30, looks to reel off back-to-back victories in Sunday's GI Pacific Classic at Del Mar.

STD Racing, the brainchild of Steve Kenly and his father Dave Kenly, was formed about 10 years ago at Turf Paradise in Phoenix, Arizona. The elder Kenly owned horses for more than 30 years prior to racing under the STD banner with his son. The stable name was formed from Steve and Dave's first initials, as well as the first initial of the latter's wife, Tracy.

"Fortunately or maybe unfortunately," Kenly joked when asked if he was introduced to racing through his father. "You know how that works. In the early days we would go to Turf Paradise, then later on we took the occasional trip to California here and there. We also went to tracks in New Mexico when I was a kid."

STD Racing has approximately 15 horses in training, but Kenly considers his family's principal business to be a 3,500-acre farm, which produces rose bushes as well as cotton. The Kenly family is also involved in the real estate development market.

"The farm has been around forever [more than 30 years]--that's the bread and butter," Kenly explained. "I studied real estate in school and got out and have just been fortunate enough to be around some properties and be able to develop them in a big market in Phoenix."

Lava Man will go down as one of the most successful claims of all time. The Cal-bred was haltered for \$50,000 in August 2004 and has gone on to capture seven Grade I events. His career earnings currently stand at \$5,189,706.

"At the time, I realized that a lot of the high-priced claimers weren't that far away number-wise from stakes horses," the 44-year-old recalled. "I was looking for a horse that I thought we could improve and I was actually targeting a Cal-bred because they have such a good incentive program; obviously you can get that restriction and there's a lot of money to be had in stakes races."

Regarding the Pacific Classic Kenly offered, "The one hole makes me a little bit more nervous than if we drew outside the other speed horses. We're optimistic, but it's a funny racetrack, and you never right now--he

hasn't run on it yet. That's why you have 12 horses against him. I'm assuming that if it were a dirt race you might have about six. With this racetrack, you just don't know. I don't blame the other connections for taking him on. The Polytrack has become a great equalizer right now."

Lava Man has never raced over Del Mar's Polytrack, but has posted his last three workouts over the new surface, including a six-furlong move in 1:14 4/5 Aug. 11.

"He trains great on it," Kenly said. "You talk to most of the trainers and they say that it's two different racetracks--one in the morning and one in the afternoon. Speed has really not been good recently, especially in route races. For a while, it didn't matter how slow the horses were going on the lead, they couldn't win. Then the other day, a couple of horses won on the lead. Maybe it's tightening up. Maybe it's a day-to-day thing. It may depend on the weather--if it's hot, cold, sunny, etc. It's a great unknown."

Let go here at 9-1 despite top connections, the half-sister to Renaissance Lady (A.P. Prussian was offered twice at public auction, but failed to reach his reserve on both occasions. Instead, the well-bred colt entered the Monticule racing operation and that decision was validated by an eye-catching debut performance here. The bay signaled his readiness for his debut by working five furlongs over the Saratoga turf training track in 1:01 2/5 Aug. 2 and was sent off the 19-10 chalk to get it done at first asking. Smoothly into stride beneath Kent Desormeaux, Prussian loped along with fluid strides on the front end. He was asked the question turning for home and the response was immediate, as he opened up at will and crossed the line an impressive 6 3/4 lengths to the good of Nor'easterner (Fusaichi Pegasus). Hidden Glance (Kingmambo) was a good third. The dam is a half to ill-fated MGSW Mubtaker (Silver Hawk). Lifetime Record: 1-1-0-0, \$37,800. [Video, sponsored by Taylor Made.](#)

**SAYYEDATI DEAD Sayyedati (GB)** (Shadeed--Dubian {GB}, by High Line {GB}) died recently at the age of 17. Trained by Clive Brittain for Mohamed Obaida, she won the 1992 G1 Moylare Stud S. at The Curragh before adding Newmarket's G1 Cheveley Park S. to her juvenile tally. Returning to that track to win the G1 1000 Guineas at Newmarket, she also collected the G1 Prix Jacques le Marois at Deauville later that summer and at four took the G1 Sussex S. at Goodwood. Following a third in the 1995 GI Breeders' Cup Mile at Belmont, she was retired and produced Godolphin's 2002 G2 Champagne S. winner Almushahar, who was denied the chance to build on that highly promising success by injury. The death of the luminary, who has a 2007 filly foal on the ground by Storm Cat, follows the comment made by Brittain at Newmarket on Saturday that the G3 Sweet Solera S. scorer Albabilia (Ire) was the best filly he had trained since Sayyedati. That conditioner paid tribute on the website [www.rabbah.co.uk](http://www.rabbah.co.uk) yesterday. "She was a great horse and a pleasure to train," Brittain said. "She had speed, class and a great heart."

**REVERENCE HEADS NUNTHORPE ACCEPTORS**

Gary and Lesley Middlebrook's **Reverence (GB)** (Mark of Esteem {Ire}) headed a field of 18 sprinters remaining in Thursday's G1 Coolmore Nunthorpe S. at York yesterday. Successful on soft ground 12 months ago, the six-year-old may have to contend with faster conditions this time as he bids to become the first to follow up since Sharpo (GB) won the second of his three titles in 1981. Trainer Eric Alston is expecting a bold show in the five-furlong highlight. "I really couldn't be happier with him and I am expecting another good run in the Nunthorpe," he told the *Racing Post*. "All I need now is for it to rain on Monday and Tuesday at York and it should be ideal." As expected, trainer Hughie Morrison has scratched Bridget Swire's G1 July Cup winner **Sakhee's Secret (GB)** (Sakhee), while Bryan Smart has paid the £22,000 supplementary fee to add the G3 King George S. winner **Moorhouse Lad (GB)** (Bertolini).

Fifth in the G2 Queen Mary S. at Royal Ascot June 20, Cake occupied the same berth in the Listed Empress S. at Newmarket 10 days later, but dropped to 10th in the G3 Molecomb S. at Goodwood last time July 31. Positioned in the wake of Perfect Paula in the center of the track from the bell here, she was pushed along for her bid with 1 1/2 furlongs remaining and asserted under a drive in a three-way bobber for a first stakes score. "It's good compensation for not running in the Super Sprint [sales race] as we thought she'd take a lot of beating in that and the owners were gutted when the [last Newbury] meeting was cancelled," explained the trainer's son, Richard Hannon, Jr. "She's a nice filly and I love her to bits."

## AUSTRALASIA

**FIRST FOAL FOR MAKYBE DIVA** The foaling season in Australia began with a huge bang yesterday, with the delivery of a gold-chip colt. The keenly awaited first foal from triple G1 Melbourne Cup winner and former Australian Horse Of The Year **Makybe Diva (GB)** (Desert King {Ire}--Tugela, by Riverman) was born at Coolmore Stud in the NSW Hunter Valley. The colt is by Coolmore shuttler and G1 English Derby winner Galileo (Ire), who has made an excellent start with his first three crops to race. Makybe Diva retired from racing in November 2005 as Australasia's leading money earner with 15 wins and seven placings from 36 starts and A\$14,526,685 in earnings.

**STARTAC TO WESTBURY STUD Startac** (Theatrical {Ire}--Tenga, by Mr. Prospector), winner of the 2001 GI Secretariat S. at Arlington Park, has been purchased by a syndicate and will report for stud duty at Westbury Stud in Pinjarra, West Australia. The Allen Paulson colorbearer also collected wins in the 2000 GIII Generous S. at Hollywood Park and the GII Belmont Breeders' Cup H. in 2002. He won five of 19 career starts and bankrolled \$703,718 in earnings. The bay closed out his racing career with a third-place finish in a Churchill allowance in April 2004. Chad Schumer of Schumer Bloodstock and Donato Lanni of Hill 'n' Dale brokered the deal.
