**QUALITY, NOT QUANTITY FOR BC CLASSIC**

A total of 141 horses were pre-entered yesterday for the 11 races of the \$23-million Breeders' Cup World Championships next weekend at Monmouth Park. Of those, nine were entered for the \$5-million GI Breeders' Cup Classic, including the five best three-year-olds in

training--in alphabetical order--**Any Given Saturday** (Distorted Humor), **Curlin** (Smart Strike), **Hard Spun** (Danzig), **Street Sense** (Street Cry {Ire}) and **Tiago** (Pleasant Tap). Headlining the four older horses in the field are **Lawyer Ron** (Langfuhr), hero of the GI Whitney H. and GI Woodward S.; and **George Washington (Ire)**

(Danehill), a top European miler who was sixth in last year's Classic. The last time there were fewer than 10 runners in the Classic was 1997. "This is possibly the deepest Breeders' Cup Classic field ever," said Greg Avioli, president and chief executive officer of Breeders' Cup Limited. "If not the deepest, it's definitely one of the deepest. We have the first three finishers of the Kentucky Derby, we have Grade I winners Tiago and Any Given Saturday, and we have George Washington coming to run again from Europe." Avioli added, "We are pleased that 20 horses pre-entered from Europe, including Arc de Triomphe winner Dylan Thomas, who is the number one rated horse in the world right now. In addition to Dylan Thomas (Ire), we also are going to have former champions Red Rocks (Ire) and Better Talk Now back in the Turf--so the Turf is setting up as one of the most exciting Turf races we've had in years. Another former champion who is back is Street Sense, who is trying to do the unprecedented triple of the Juvenile, the Derby and the Breeders' Cup Classic. We think we have all the elements here for possibly the biggest Breeders' Cup ever." Six of the races were oversubscribed; all 11 races will be drawn Wednesday, Oct. 24. **BC fields p2-5**

Last year's G1 2000 Guineas hero **George Washington** was retired after finishing sixth to Invasor (Arg) in the GI Breeders' Cup Classic at Churchill. However, the handsome bay was returned to training after proving sub-fertile at stud, and is set to fly to the States for another go. He has been pre-entered in the Mile as well, but is almost certain to go in the Classic. Trainer Aidan O'Brien thinks he can improve on his 2006 showing. "He's a very fresh horse this year," the Ballydoyle conditioner told *Sporting Life*. "Last year, come Breeders' Cup time, he'd had a tough season and was probably a little bit washy-looking. He ran a good race in it last year when everyone was saying you need a mile-and-a-half horse on that track to win over a mile and a quarter on the dirt, but this year at Monmouth everyone is saying maybe a mile-and-a-furlong horse could win." Fourth by a neck in his return, the one-mile G1 Queen Anne S. at Royal Ascot June 19, "Gorgeous George" finished third to Notnowcato (GB) and Authorized (Ire) in the 10-furlong G1 Coral-Eclipse S. July 7. He heads overseas off a third in the one-mile G1 Prix du Moulin Sept. 9. The four-year-old is one of five Ballydoyle runners entered for the Breeders' Cup (*see p2*)

Champion **LEONNATUS ANTEAS** sets a **NEW TRACK RECORD** for 1 1/8 miles in his victory over Older Horses in the Durham Cup S. (G3) at Woodbine on October 13.

Stormy Atlantic is the sire of **12 SW's** in 2007 and his progeny have earned over **\$5.3 million**.

**O'BRIEN LOADED FOR CUP**

Aidan O'Brien, trainer of 2001 GI Breeders' Cup Juvenile winner Johannesburg and 2002 and 2003 GI Breeders' Cup Turf hero High Chaparral (Ire), heads to Monmouth Park with a strong hand for this year's World Championships. O'Brien has pre-entered **Achill Island (Ire)** (Sadler's Wells) (Juvenile Turf); **All My Loving (Ire)** (Sadler's Wells) (Filly & Mare Turf); **Excellent Art (GB)** (Pivotal {GB}) (Mile); **Dylan Thomas (Ire)** (Danehill) (Turf) and **George Washington (Ire)** (Danehill) (Classic). Dylan Thomas, last seen annexing the G1 Prix de l'Arc de Triomphe Oct. 7, finished a well-beaten fourth--and last--behind Bernardini when shipped to the U.S. for last term's GI Jockey Club Gold Cup. Dylan Thomas has been brilliant in eight starts this term, winning five and placing second in three. "He has a lot of class, speed and stamina all mixed together," O'Brien said. "He seems to be in good form [since the Arc] and we're very happy with him at the moment. Dylan Thomas is probably as good of a horse as we've ever had. He has all the attributes of a great horse." Achill Island broke his maiden in his third try at Tipperary Aug. 30, then placed a good second in the G2 Juddmonte Royal Lodge S. last out Sept. 29. All My Loving most recently finished ninth in the G2 Prix de Royallieu at Longchamp Oct. 6. According to O'Brien, she will start in Sunday's Listed Barathea Finale S. at The Curragh and will head to the Breeders' Cup if she runs well enough. Excellent Art has his sights set on the Mile following second-place finishes in the G1 Sussex S. Aug. 1 and the G1 Queen Elizabeth II S. Sept. 29.

**NAFZGER'S DYNAMIC DUO**

Trainer Carl Nafzger, who saddled Unbridled to an unforgettable victory in the 1990 GI Breeders' Cup Classic, has pre-entered **Street Sense** (Street Cry {Ire}) in the Classic and **Lady Joanne** (Orientate) in the Distaff. Street Sense became the first horse in Breeders' Cup history to annex the GI Kentucky Derby after bringing home the Juvenile. He takes on a loaded field in the Classic following a second-place finish to **Hard Spun** (Danzig) in the GII Kentucky Cup Classic S. at Turfway Sept. 29. "I think it's one of the best fields that's been put together," Nafzger said of the Classic. "You've got the top three Derby finishers, Lawyer Ron and George Washington. They've got speed, stamina, soundness and they definitely have the class. I think it's going to be a great Classic and I'm just glad to be part of it." Lady Joanne, heroine of Saratoga's GI Alabama S. Aug. 18, heads to the Distaff off a good second in the GI Juddmonte Spinster S. at Keeneland Oct. 7. "I think we have a good chance there, but it's a real tough field," Nafzger commented. "All year long these fillies have just been tremendous. We've got a great filly...but it's really going to be a tough, tough, race."

**DOUBLE-FISTED FOR THE CLASSIC**

Satish Sanan, owner of Padua Stables, has a pair pre-entered in the Classic--**Any Given Saturday** (Distorted Humor) and **Curlin** (Smart Strike). Any Given Saturday has been unstoppable in the second half of the season after finishing a disappointing eighth in the GI Kentucky Derby May 5. The \$1.1-million KEESEP graduate won the GII Dwyer S. July 4 and the GI Haskell Invitational H. at Monmouth Aug. 5 and, most recently, defeated older horses in the GII Brooklyn H. Sept. 22. "I personally think that the horse has matured a lot since the Derby," Sanan said. "I think [trainer] Todd [Pletcher]'s done an exceptional job. He's run on the track before and won very impressively, and I think he's going to be right there." Curlin, winner of the GI Preakness S. May 19, defeated his elders in the GI Jockey Club Gold Cup S. last out Sept. 30. "He's on the board [in] eight out of eight [starts]," Sanan said of Curlin. "His last race was tremendous. He beat an older horse [Lawyer Ron], not too many horses have done that. He also had a trip --not a great trip--over Monmouth. I hope that we are a dead heat or one-two." Sanan's Padua Stables has tasted Breeders' Cup glory with Cash Run in the 1999 Juvenile Fillies, Vindication in the 2002 Juvenile and Cajun Beat in the 2003 Sprint.

**SHIRREFFS HEADS EAST WITH A PAIR**

Southern California-based trainer John Shirreffs will be represented by **After Market** (Storm Cat) in the Mile and **Tiago** (Pleasant Tap) in the Classic. Tiago was a game winner over older horses in the GI Goodwood S. Sept. 29. "It's a very competitive field and I think we're blessed to be there," Shirreffs said of the Classic. The GI Santa Anita Derby winner finished seventh in the GI Kentucky Derby May 5. After Market had a four-race winning streak snapped when cut back to one mile in Belmont's GII Kelso H. Sept. 29. "I think the decision [owner] Mr. Wygod made on the Mile was that they thought it would do him better as a sire," Shirreffs explained. "For a Storm Cat, he has so much size and scope. He's an amazing individual to look at."

### DARBY DAN SPONSORS BC CONTEST

Darby Dan Farm welcomes Thoroughbred aficionados to participate in its "Fantasy Breeders' Cup Challenge." After registering for the contest at [www.darbydan.com](http://www.darbydan.com), players will spend 50 "Darby Dollars" to spend on three horses in each of the 11 Breeders' Cup World Thoroughbred Championship races to be held Friday and Saturday, October 26 and 27. The purchase price for each horse will be based upon the morning-line odds for each starter. Although three horses must be selected, all Darby Dollars do not need to be spent. After the races are made official, points will be awarded to each horse in the player's stable. Total available points for each race are determined by the number of starters. The player who accumulates the most points in each race will receive \$50. The grand prize winner will be the player who earns the most points through all 11 rounds.

In the case of a tie, the winner will be determined by the player who selected the greatest number of winners. The grand prize winner will have a choice between a no-guarantee season to Darby Dan stallion Suave for 2008 or a pair of reserved tickets to the 2008 Breeders' Cup at Santa Anita.

[www.sirenaristorante.com](http://www.sirenaristorante.com)

For years, I wondered why no one on the Jersey Shore had opened a restaurant with great food and a great ocean view. Finally, someone has. Sirena sits right in Pier Village in Long Branch, within walking distance of the Ocean Place Resort and offers outdoor oceanfront seating on warm nights. The views inside are equally spectacular. I'd recommend washing down risotto and sea scallops with a Sirenatini or two...

Still want good food and a nice view, even though you've brought the kids? Salt Creek Grille in Rumson offers the best of all worlds: a kids' menu, good food for the grownups, and view of the Navesink River. The kids can watch the boats go by, or sit outside with mom or dad at the open-air fireplace.

**Best Run: Need to work off all this good restaurant advice?**

The Monmouth area offers some of the most beautiful running scenery there is. Hartshorne Woods (<http://www.monmouthcountyparks.com/parks/hartshorne.asp>) has 17 miles of trails in a 787-acre park with river and ocean views about five miles from Monmouth Park and the host hotels. Tip: Don't skip Dead Man's Hill, which takes you from the area's highest point to the lowest...and back up. Don't want to run alone? The New Jersey Road Runners Club hosts group runs weekdays at 5:30 a.m. and Sunday at 8 a.m. Visit <http://www.njrcc.org/sundayrun.htm> for more info on the Sunday run, or e-mail [suefinley@thoroughbredailynews.com](mailto:suefinley@thoroughbredailynews.com) for weekday run instructions.

This is a no-frills place, so don't expect high quality ambiance, but the food is fantastic. Richard, the owner/chef, will let you choose the level of heat that you prefer for your selected dish. You can go for a whimpy "1 chile" or "no chile" all the way up to a super hot "5 chile" mouth burner. Either way, you'll love the fresh and distinctive tastes of his entrees and soups. The Pad Thai is my personal favorite and their Special honey beef is a close second. BYO.

**CHEVELEY PARK DUO RETIRED** Cheveley Park Stud's **Dutch Art (GB)** (Medicean {GB}--Halland Park Lass {Ire}, by Spectrum {Ire}) and **Confidential Lady (GB)** (Singspiel {Ire}--Confidante, by Dayjur) have been retired. Dutch Art, who was owned by Paul and Susan Roy before David and Patricia Thompson acquired a 50-percent share, will take up stallion duties at the Newmarket Stud. No fee has been announced for the three-year-old, who retires as the winner of four of his 10 starts and £461,889 in prizemoney. The chestnut's successes include last year's G1 Prix Morny and G1 Middle Park S. This term, Dutch Art was runner-up in both the G1 July Cup and the G1 Prix Maurice de Gheest and third in the G1 2000 Guineas. "We are thrilled to be in a position to offer British Breeders the opportunity to use a dual Group 1-winning son of Medicean in Dutch Art, said Cheveley Park Managing Director Chris Richardson. "Dutch Art would lower himself almost level with the ground when asked to sprint to the line--his electric turn of foot was impressive." Confidential Lady, winner of last year's G1 Prix de Diane, will join the operation's distinguished broodmare band. The four-year-old filly was brought back to the track last month, but disappointed when last to finish in the Listed Doonside Cup at Ayr. Richardson told *Racing Post*, "Confidential Lady is coming back to the stud to join Echelon and Nannina, and we are very much looking forward to the day when we see their progeny on the racecourse. We took the chance to keep her in training, but sadly on this occasion it didn't work...she was a Classic winner and she owes us nothing."

The G1 Poule d'Essai des Poulains and G1 Irish 2000 Guineas runner-up was supplemented Monday. Trainer Saeed bin Suroor said, "Creachadoir worked well over five furlongs. Following the three-year-old's success in the G2 Blandford S. at The Curragh last time Sept. 14, retirement had been mooted, but the bay is set for a swan song in the 10-furlong event. "She's been a pretty useful filly for us, and a mile and a quarter is her best trip," Oxx commented. "This is more than likely her last run, so we thought she deserved another crack at a Group 1."

## KEEPING THE BEST COMPANY

By Tom Frary

Brian Meehan's current position as public trainer at Manton owes much to his determination and willpower and ability to reap a rich harvest from his stock. He learnt that in large part from Richard Hannon, for whom he served as an assistant over a six-year period until taking out his own licence in 1992. Thanks to the exploits of Tumbleweed Ridge (GB) and Tomba (GB), the latter of which captured the 1998 G1 Prix de la Foret, the County Limerick-born son of an orthopaedic surgeon was soon on the map.

Further success followed at the top level with Bad As I Wanna Be (Ire), Kaieteur, Buy the Sport, Magical Romance (Ire), Donna Blini (GB) and David Junior, who provided him with his first winner from his first starter from the Sangster Family's Manton establishment when taking the G1 Dubai Duty Free at Nad al Sheba last March.

Yet Meehan is not dwelling on the past. His current yard houses last year's G1 Breeders' Cup Turf hero Red Rocks (Ire), the highly promising Diamond Tycoon and a clutch of exciting juveniles. They include the impressive Newbury maiden winner Cat Junior, the Listed Washington Singer S. scorer Sharp Nephew (GB), the Sangster Family's own G2 Royal Lodge S. winner City Leader (Ire) and **Fast Company (Ire)** (Daneshill Dancer {Ire}).

Meehan freely admits that this is the best bunch of juveniles he has handled.

"Very luckily, we have a serious bunch of horses amongst them," he says, before turning his attention to Fast Company, who is unbeaten in two starts in a Salisbury maiden in July and G3 Acomb S. at York's Ebor meeting the following month.

Purchased by Sheikh Hamdan bin Mohammed Al Maktoum after that impressive 3 1/2-length success, the bay needs to live up to his title to cope with what appears to be a vintage renewal of the G1 Darley Dewhurst S. on Saturday.

"Last year, the Dewhurst looked like one of the best we'd ever seen, but this year's looks even better," he says. "It's a very tough race, but we have the courage of our convictions--he has given us that confidence."

Fast Company's recent work has helped give his trainer belief that he can upset the proposed "three-horse war" of New Approach (Ire), Rio de la Plata and Raven's Pass.

"He is in tremendous shape and is a very progressive type of horse," Meehan adds. "He has improved with each month and worked great on Monday, so we're very high on him. He is a lovely colt, and I hope I can say on Saturday afternoon that he is one of the nicest I've handled. Whether he goes to Godolphin or not, the most important thing from my point of view is to get him to the race and hand him over in tip-top shape."

## Rain Comes for Approach...

Jim Bolger and Sheikh Mohammed bin Rashid Al Maktoum's **New Approach (Ire)** (Galileo {Ire}) will have his favored rain-softened conditions in Saturday's G1 Darley Dewhurst S. after Newmarket was hit by a deluge of rain. After impressing in his workout on Tuesday, the G1 National S. winner was confirmed on course for the seven-furlong contest, which is certain to be run on ground softer than good. "The ground will be fine," his trainer told *Sportinglife.com*. "He isn't facing anything he hasn't faced before." Clerk of the Course Michael Prosser gave the update yesterday. "We've had 35 millimetres of rain, which was more than we anticipated, but the track has taken it very well," he said. "It is soft, but the forecast is set fair, so hopefully it will dry out slowly and I expect it to be good to soft on Saturday." That news was not what John Gosden

wanted to hear. The trainer of Stonerside Stables' G3 Solario S. winner **Raven's Pass** (Elusive Quality) was lamenting his luck yesterday. "We could have done without the rain," he said. "When we worked on the ground last Sunday, Jimmy Fortune said it was on the slow side of good. Of course, it will dry and we are going to be on a fresh strip, but we are looking at good to soft. It is autumn now and it's not going to dry out that fast, but Raven's Pass is in good form." Another conditioner who did not welcome the rain was Mick Channon, who may swerve the contest with Sheikh Ahmed bin Rashid Al Maktoum's G2 Superlative S. winner **Hatta Fort (GB)** (Cape Cross {Ire}). "There's no doubt he was hating the ground at Longchamp [when fourth in the G1 Prix Jean-Luc Lagardere] and I don't see any point in running him on it again," he commented. "In the circumstances he ran a cracker and even though this looks the best colts' race of the season, he won't be far away if he does take his chance. He's a fresh horse and his work has been of a consistently high level."

☆ SALES NEWS ☆

**NAYEF FILLY TOPS AT TATTS** Book two of Tattersalls' October Yearling Sale concluded last night in Newmarket, posting a 23,907,500gns aggregate, up 18 percent on 2006; a 50,544gns average, up 15 percent; and a 35,000gns median, which rose by three percent. Hamdan Al Maktoum's Shadwell Estates was

Lot 1263 tattersalls.com

easily the sale's biggest buyer. Yesterday's purchases--which included five of the top eight lots--were headed by hip 1263, a second-crop Nayef filly out of Listed-placed Classical Dancer (GB) (Dr Fong). The daughter of Shadwell's multiple Group 1 winner attracted a final bid of

300,000gns. Bred by Jane Lovelace at Launceston Stud in Dorset, the in-demand filly was prepared by Trickle-down Stud. Breeze-up consignor Struyan Cochrane tried for her, but Sheikh Hamdan's racing manager Angus Gold had to finally fight off agent Stephen Hillen and trainer Mark Wallace. "We always try to buy a few in the sale," said Gold. "We have mainly been looking for nice colts, and over the years, have been quite lucky in what used to be the second week of October." A duel between Gold and trainer Bryan Smart helped a son of Nayef, hip 1225--bought-in for

Lot 1128 tattersalls.com

just 16,000gns as a foal last year--show a big advance on that price when making 280,000gns. The bay, a grandson of champion Ma Biche, was consigned by Snailwell Stud. Shadwell's trio of Nayefs was rounded out by hip 1128, a colt from the Highclere Stud draft. The

chestnut's dam, Valthea (Fr) (Antheus), is a 3/4-sister to leading sire Green Dancer.

John Magnier's son M. V. signed for hip 1112 at 230,000gns. The bay Peintre Celebre colt was bred and consigned by Dermot and Perle O'Rourke's Plantation Stud. John Warren was underbidder on the colt. "The lads all loved him and we'll send him home, then decide where he is going to be trained," said Magnier. Plantation Stud's chief executive also enjoyed a good result when selling hip 1283, a Danehill Dancer (Ire) colt for 215,000gns to agent Charlie Gordon-Watson, acting for an undisclosed client. A More Than Ready colt, bought for \$200,000 at Keeneland in November, sold for 210,000gns yesterday when reoffered from Denis Brosnan's Croom House Stud as lot 1152. "He was a nice, very athletic horse and is likely to be for an American owner," said purchaser John Gosden.

At the close of action last night, Tattersalls chairman Edmond Mahony said: "We were pleased with the way Book One went last week, and equally pleased with the last two days, which have also exceeded expectations by some considerable margin. At the end of last week, it became clear talking to the trainers and agents that the strong Book One trade had left many of them with more orders to fill going into this week than they had expected and, without doubt, this has driven the sustained demand we have witnessed throughout Book Two. A measure of the strength of Books One and Two is the total turnover in comparison with recent years. We have added more than 1-million guineas to the turnover at the equivalent stage last year and more like 27-million guineas to the 2004 equivalent. These are big figures and an average for Book Two of over 50,000 guineas is equally impressive. The key has been the quality of the yearlings offered in both Books One and Two, as well as the format of the two weeks which has attracted a wide cross section of buyers from start to finish. It all bodes well for a successful Book Three, which starts on Wednesday at 9:30 a.m." Tattersalls cont. p11

Mr. Nightlinger took his Keeneland debut in impressive fashion, but the event was marred by a fatal breakdown suffered by 2-1 favorite Scorpius (Five Star Day). Winner of a Lone Star allowance Apr. 14, Mr. Nightlinger was third in the Gill Lone Star Derby before going missing for four months. He resurfaced for the Fairplex meeting and made two appearances--third-place efforts in the Sept. 7 Derby Trial S. and in the Sept. 22 Pomona Derby. Shortening up for this, Mr. Nightlinger was sent for the lead, set a good pace, turned back a bid from 2006 G2 Richmond S. hero Hamoodly at the eighth pole and edged clear. Scorpius dueled inside the eventual winner, but broke down nearing the quarter pole. He was vanned off the track and was later euthanized.

Given a bit more time to recover for his latest, he looped the field and graduated by a widening 1 1/2 lengths over the Delaware turf course Sept. 18. Dismissed at 9-1 to put them back-to-back, the homebred was allowed to lope along on a rating hold, was asked for his best approaching the stretch and was up to defeat Winemaster (War Chant) by a head in a blanket finish. **3rd Dam: Ave Valeque, by Bold Ruler**

A \$200,000 FTSAUG yearling purchase, Monba was part of his trainer's string across Interstate 64 at Churchill Downs and sported a worktab that was solid, if not eye-catching. With Rene Douglas named, the gray drifted from his morning-line quote of 5-1 to a dime short of 10-1 at the off. Smoothly into stride, Monba was never far from the front while tracking the pace from three or four wide. Douglas popped the question and the colt caught the eye leaving the quarter pole. He made the front four wide into the lane and was going very well late, scoring by an easy 4 1/4 lengths while galloping out as if looking for more distance. The winner's dam is the last foal from Ciao, who also produced GISW Secret Hello and GSWs Hadif and Silent Account. Lifetime Record: 1-1-0-0, \$31,270. Switched to this barn for her latest, the homebred faced similar company at Turfway Park Sept. 27 and fared no better, checking in eighth. Stepping up in class and stretching out for the first time, the dark bay sped to the front and opened up by as many as nine lengths after six panels. She shortened stride late, but the 27-1 chance had built up an insurmountable lead and proved 3 3/4 lengths better than favored Artistic Escape (Kris S.). Lifetime Record: 3-1-0-0, \$31,400. **Keeneland to Host Military Appreciation Day:**

Keeneland will honor all active duty, reserve and veteran military members and their families with special activities as part of Military Appreciation Day, Sunday, Oct. 21. Servicemen and women and their families will receive free admission and grandstand reserved seating by presenting a military ID at any Keeneland pass gate. The first 300 with military ID also receive a free program voucher. "Military Appreciation Day has become such a popular event at Keeneland," said Rogers Beasley, Keeneland's director of racing. "It's a great way for military families to enjoy an afternoon of fun and relaxation, and a way for Keeneland, and our race fans, to thank them for their hard work and sacrifice." Military members and their families may gather from 11 a.m.-1 p.m. at a Rally Tent located in the bus parking lot inside Keeneland's Man o' War entrance. The first 500 uniformed military to check in at the tent before 1 p.m. will receive a \$10 food voucher valid at any Keeneland concession stand. Service members and their families will make an entrance to Keeneland at 11:50 a.m. The Ft. Knox Army Band will conduct a patriotic concert from 11:30 a.m. to noon in Keeneland's walking ring, followed by the National Anthem and presentation of colors by the Kentucky National Guard. Post time for the first race is 1:15 p.m.

**AUTUMN SALE BEGINS**

Baden-Baden's three-day Autumn Mixed Sale gets underway today at the centre of the Racing and Sales Festival. Among BBAG's 489-strong catalogue are foals, yearlings and two-year-olds, as well as horses in and out of training and broodmares, while the list of vendors includes Con Marnane's Bانشa House Stables, now a regular here, and leading stud operations Gestut Auenquelle, Brummerhof and Etzean as well as Elite and Graditz. Sires represented include the established domestic stalwarts Big Shuffle, Dashing Blade (GB), Lomitas (GB), Platini (Ger) and Tiger Hill (Ire), alongside the still unproven Black Sam Bellamy (Ire), Next Desert (Ire), Ransom o'War, Royal Dragon, Samum (Ger) and Sholokhov (Ire). While last year's edition failed to match the high of 2005, when a new record was set with the sale of **Dalicia (Ger)** for €400,000, the exploits of German-bred runners around the globe continues to draw the focus to these auctions. High-profile graduates include last year's GII New York Breeders' Cup H. winner **Noble Stella (Ger)**, while this season the G2 Prix Maurice de Nieuil and International Bosphorus Cup hero **Bussoni (Ger)** and G2 Europa Meile and G3 Hamburger Meile scorer **Konig Turf (Ger)** have advertised this sale after being bought for a total of €29,000. This catalogue features a clutch of relatives to group winners, most notably Brummerhof's hip 404, a Tiger Hill yearling half-sister to Sheikh Mohammed bin Rashid Al Maktoum's G2 Champagne S. winner McCartney (Ger). Other lots to note include Wilhelm's Jackson's hip 38, a foal half-brother by Noroit (Ger) to last year's G2 German 1000 Guineas heroine Lolita (Ger); hip 51, a yearling daughter of Next Desert (Ire) from the family of Manduro (Ger) consigned by Gestut Romerhof; Eva Quick's hip 256, a yearling colt by Law Society out of a listed-placed half-sister to this year's G1 Deutschlandpreis third and G1 Rheinland-Pokal runner-up First Stream (Ger). Other standouts include: Kevork Nercessian's hip 261, a two-year-old Samum filly out of the stakes-winning Fluid Dancer, who is the granddam of last year's G1 Premio Lydia Tesio winner Floriot (Ger); hip 335, a yearling son of the smart miler Banyumanik (Ire) from Romerhof's draft whose half-sisters are the 2006 G2 Premio Regina Elena heroine Windhuk (Ger) and yesterday's Lingfield maiden scorer for Godolphin Whispered Dreams (Ger); Gestut Rottgen's hip 338, a Platini (Ger) yearling colt out of the 2000 G2 Europa-Championat winner Wild Side (Ger), whose stakes-winning siblings include White Rose (Ger) and Win For Us (Ger) and hip 356, Dieter Meinke's yearling son of Catcher In the Rye (Ire) who is a half to Banyumanik himself. Selling begins today at 10 a.m. Catalogue and updates are available at [www.bbagg-sales.de](http://www.bbagg-sales.de).
