## HEADLINE NEWS

### CURLIN GETS LAST WORK BEFORE CLASSIC

GI Jockey Club Gold Cup winner **Curlin** (Smart Strike), one of the favorites for Saturday's GI Classic, breezed an easy four furlongs yesterday at Keeneland Race Course. The sophomore stopped the clock in :50 1/5, which ranked as the 24th fastest of 32 works at the distance.

Trainer Steve Asmussen's assistant Scott Blasi is scheduled to arrive at Monmouth Park with Curlin today, along with Asmussen's other two Breeders' Cup hopefuls, GI Juvenile contenders **Pyro** (Pulpit) and **Kodiak Kowboy** (Posse). That pair was

**Curlin**

also on Keeneland's worktab Monday. Pyro, who comes off a second in the GI Champagne S. at Belmont Sept. 30, worked four furlongs in :50 3/5, while Kodiak Kowboy got the same distance in :50 2/5.

### HARD SPUN TURNS THE SCREWS

Fox Hill Farm's **Hard Spun** (Danzig) took to the track at Delaware Park yesterday for his final serious drill in advance of the GI Breeders' Cup Classic. The Larry Jones-trained colt, winner of the GI King's Bishop S.

and GI Kentucky Cup Classic S. in his last two, breezed five furlongs in 1:00 1/5. "I'm not sure about the time, I just know he worked well," said Jones. "He couldn't be doing any better. He's training better than he ever has."

Hard Spun, who will van to Monmouth this morning, will be partnered with regular jockey Mario Pino in the Classic.

### DIAMOND STRIPES WORKS AT BIG A

**Diamond Stripes** (Notebook) fired a sharp five-furlong bullet yesterday at Aqueduct for trainer Rick Dutrow, Jr., going five panels in :59 1/5 (1/7). While Dutrow didn't say which race he'd send his charge to--Diamond Stripes has been cross-entered in both the \$5-million GI Classic and the \$1-million Dirt Mile--it sounded yesterday like he was perhaps leaning toward the Classic. "I see rain in the forecast and I'm not going to duck Curlin or Lawyer Ron at Monmouth for \$5 million," said the trainer, who captured the 2005 Classic with Saint Liam. Diamond Stripes captured the Oct. 5 GI Meadowlands Breeders' Cup S. in his most recent. "I don't like running horses back in three weeks, but maybe this is what he's looking for," said Dutrow. "I'm seeing nothing but good, so I'm just following his lead."

## BREEDERS' CUP BULLETIN

### EASY DOES IT IN SMOKEY'S LAST BREEZE

Harry Aleo's **Smokey Stover** (Put it Back) worked a relaxed five furlongs in 1:01 4/5 at Monmouth Park on Monday morning for trainer Greg Gilchrist. "It's just what we wanted," Gilchrist said afterwards. "I certainly didn't want him to leave his race out there today. That last work of his was when we really wanted to get something out of him; he went in :58 last week [Oct. 14 at Bay Meadows]. Today we just put a little air in him. He finished real well." Jockey Aaron Gryder, Smokey's regular jockey, exclaimed "Great!"

**Smokey Stover**

coming off the racetrack after the work. The pair visited the paddock prior to the breeze. Smokey Stover is coming off an atypical prep for the Breeders' Cup, having won Monmouth's Icecapade S. Sept. 1 in wire-to-wire fashion. "The race was perfect because I wanted to get a race over the track for him and for it to be a good experience," explained Gilchrist.

**PLETCHER PLAYS WEATHER WAIT-ING GAME...**

Last year's champion three-year-old filly **Wait a While** (Maria's Mon) has proven plenty on the sod, including winning five graded races and a pair of Grade 1s. The one thing she hasn't done, however, is compete over a yielding lawn, and with rain in the forecast for Saturday, trainer Todd Pletcher is keeping a wary eye on the skies. "I don't think she likes soft turf, but I am sure that the turf course at Monmouth won't be as chewed up as the turf here at Belmont," said Pletcher. "You never want to scratch out of a race that you think you have a decent shot in. It may come down to a tough decision." That said, it seems unlikely that Monmouth's course will have too much give to it Saturday. Showers are expected this evening and tomorrow morning, with sun in the forecast Thursday and Friday before showers return Saturday. Of Wait a While's nine turf starts, eight have come over a firm course. The other came in September of 2005 over a Belmont course labeled good, when she broke her maiden by five lengths.

**...AS DOES SHIRREFFS WITH AFTER MARKET**

Another trainer who is checking The Weather Channel with some frequency is John Shirreffs, who sends out **After Market** (Storm Cat) in the GI Breeders' Cup Mile. "It's up to the boss [Marty Wygod], but I'm fairly certain we'd be a bye-bye if they have a wet course for the race," said Shirreffs. "He just won't handle it. One way or another, race or no race, the plan is that he's off to stud [at Lane's End] after Saturday."

**TALE OF EKATI WORKS FAST AT BELMONT**

Trainer Barclay Tagg was a bit chagrined after his talented two-year-old colt **Tale of Ekati** (Tale of the Cat) worked a blistering four furlongs in :45.79 at Belmont yesterday, which was the fastest of 48 works at the distance and nearly a full second quicker than the second-ranked work. "He went way too fast," said Tagg. "We'll just take it easy with him the rest of the week." Jockey Eibar Coa was in the irons and will be aboard in the GI Breeders' Cup Juvenile.

**LA TRAVIATA ROCKETS IN KEENELAND WORK**

Michael Tabor, Derrick Smith and Mrs. John Magnier's **La Traviata** (Johannesburg) put her rivals on notice with a blistering four-furlong drill in :45 3/5 from the gate over Keeneland's Polytrack yesterday morning. Just who those rivals will be remains something of a mystery, however. Her connections selected the GI Breeders' Cup Sprint as first preference when pre-entries were taken last week, but TVG reported last night that La Traviata will instead start in Friday's inaugural \$1-million Filly & Mare Sprint, a race in which she'll vie for favoritism. The lightly raced three-year-old is a perfect three-for-three and is coming off a resounding victory in the Gill Victory Ride S. at Belmont Aug. 25.

**ZITO CONFIRMS COMMENTATOR FOR SPRINT**

Tracy Farmer's Grade I winner **Commentator** (Distorted Humor) will pass on Friday's Breeders' Cup Dirt Mile in favor of Saturday's GI Breeders' Cup Sprint, trainer Nick Zito confirmed yesterday. The six-year-old gelding, who has been off since running third in the GII A.G. Vanderbilt S. at Saratoga in late July, was pre-entered for both races.

**IN SUMMATION OUT OF SPRINT**

Waterford Stable's GI Bing Crosby S. winner **In Summation** (Put it Back), who worked five furlongs in 1:00 flat at Belmont Sunday, has been declared from the GI Breeders' Cup Sprint. "He did not come back 100 percent from his breeze [Sunday] and, after consulting with the owner this morning, we decided he will not go in the race," confirmed trainer Christophe Clement.

**MY TYPHOON WORKS FOR MILE**

Fillies have fared well in the GI Breeders' Cup Mile, with five renewals of the race going to the fairer sex. Trainer Bill Mott will go for six Saturday if **My Typhoon (Ire)** (Giant's Causeway) gets her first preference in the Mile; she was also pre-entered in the Filly/Mare Turf. The impeccably bred five-year-old worked on Belmont's main track yesterday, breezing four furlongs in :48 2/5. "She went very well," said Mott. My Typhoon is one-for-two at the mile distance, with her win coming in this year's GII Just a Game S. at Belmont in June.

Steve Sherack

**'WINNEY' ON WINFREY TODAY**

As reported, **Oprah Winney** (Royal Academy), a candidate for Friday's \$1-million Filly & Mare Sprint, is set to make her network debut on today's "The Oprah Winfrey Show." The show is set to air at 4:00 p.m. EDT. "You've gotta watch it," said a grinning Rick Dutrow Jr., who trains the filly. "If they quote me, man, I said something so funny. The whole barn is excited about it; everybody knows. There's friends of mine calling me up from Maryland saying they heard I'm gonna be on the show. We're all pumped up."

**RAHIYAH TO SKIP BREEDERS' CUP**

The three-year-old filly **Rahiyah** (Rahy), third in this year's G1 Poule d'Essai des Pouliches and a pre-entered candidate for the \$1-million Filly & Mare Sprint, will not make the trip to the States for the Breeders' Cup, according to International Racing Bureau Managing Director Alastair Donald. The Sheikh Rashid bin Mohammed-owned chestnut, who is trained by Jeremy Nosedo, most recently was second by a neck in a listed race at Redcar Oct. 6.

You can also pick up a copy of the TDN today at the Breeders' Cup at Monmouth Park.

**LADY JOANNE WORKS AT CHURCHILL**

While her celebrated Kentucky Derby-winning stablemate Street Sense arrived at Monmouth last week, **Lady Joanne** (Orientate), an accomplished runner in her own right, has held down the fort at Churchill and yesterday worked five furlongs in 1:01 4/5 under the Twin Spires. "Everything went well," said conditioner Ian Wilkes, who oversaw the breeze for Lady Joanne's trainer, Carl Nafzger. Wilkes added that the GI Alabama S. winner will board a van at 5 p.m. today and ship overnight to Monmouth in Oceanport, New Jersey.

It is not often you find a movie about racing that gets it right, but "First Saturday in May" does just that. Film makers Brad and John Hennegan, who grew up at the track, give an inside look at the people behind six of the contenders headed to the 2006 Kentucky Derby. It doesn't matter whether you have been involved in rac-

ing for a lifetime or don't know the difference between Todd Pletcher and Todd Schrapp, this film will grab you at the start and keep you all the way to the finish.

Returning from a recent trip to the real deal, this Tuscan-style farmhouse certainly offers an authentic feel and atmosphere. The appetizers were delicious and the entree list offered plenty of variety involving rustic Tuscan preparations. In true Tuscan tradition, the ingredients were fresh, and the preparation delightfully light, without skimping on flavor. Whether you want wine by the glass or by the bottle, the choice of Italian vinos is impressive. If you are looking for something a little more casual, the bar area is great for a quick bite.

Table's well-traveled chef, Dublin native Martin Bradley, opened this cozy BYOB earlier this year and has managed to amass quite a following in a few, short months. His garden saffron asparagus risotto is outstanding and I would couple a scoop of his home-made ice cream with the raspberry napoleon for a brilliant finish.

**Darley Fee Story cont.**

Darley has reduced stud fees on a number of its high-profile stallions. **Singspiel (Ire)** (In the Wings {GB}--Glorious Song, by Halo) will stand the 2008 season at £15,000--down from £35,000 in 2007, while **Halling** (Diesis {GB}--Dance Machine, by Green Dancer) will stand for £12,000--down from £20,000 in 2007. "Sheikh Mohammed's long-term goal is to stand the world's best stallions, and he is well aware that great sires emerge from a healthy breeding industry," explained bloodstock advisor John Ferguson. "Our prices give breeders with quality mares the chance to produce top-class horses at reduced cost, and breeders planning for the yearling market of 2010 can do so with increased confidence. I'm absolutely certain that our proven stallions stand at a fraction of their value, and that our high-profile young horses could hold their own at far higher fees. But Sheikh Mohammed is determined that breeders who use Darley stallions get the better of the deal."

**AMADEUS WOLF RETIRES Amadeus Wolf (GB)** (Mozart {Ire}--Rachelle {Ire}, by Mark of Esteem {Ire}) has run his last race and will head to the Irish National Stud. The four-year-old was owned initially by John Duddy and Brendan McDonald, and a 50-percent share was purchased by the Co. Kildare Stud and Dermot Farrington Bloodstock after his success in the 2005 G1 Middle Park S. at Newmarket. Trained by Kevin Ryan, Amadeus Wolf was successful in four of his 17 races, earning nearly £400,000 in prizemoney. Alongside his Middle Park success, he also captured the same year's G2 Gimcrack S. at York and inflicted his third defeat on eventual G1 Haydock Sprint Cup hero Red Clubs (Ire) in the G2 Duke of York S. at York in May. He was also runner-up in the G1 Nunthorpe S. and third in the G1 Prix Maurice de Gheest and G1 Haydock Sprint Cup last year. "Amadeus Wolf is exceptionally good-looking," commented the Stud's Chairperson Lady Chrissy O'Reilly. "And being a grandson of Danehill from the most sought after sire-line in Europe, breeders will no doubt be very eager to support him next season." No fee has been set for the colt.

Kentucky-bred Tomcito, a Northern Hemisphere two-year-old colt by leading second-crop sire Street Cry (Ire), trounced a field of 10 Southern Hemisphere three-year-old colts in the second leg of Peru's Quadruple Crown series. A fast-closing second in the G1 Clasico Polla de Potrillos (Peruvian 2000 Guineas) Sept. 23, Tomcito was fanned wide on the first turn before unleashing a belated rally with 1 1/2 furlongs remaining to draw away easily in a resounding effort. Stablemate and pacesetter Lulito held second over Quiron, while Peru's champion juvenile Granizo (Per) (Farallon P.) finished ninth in the field of 11 challengers. Visually impressive while winning his first two starts by a combined 26 lengths, Tomcito will target next month's G1 Clasico Derby Nacional, the third leg of the Peruvian Quadruple Crown for three-year-olds over 1 1/2 miles on the dirt. As he did in the Guineas, Peru's perennial leading trainer, Chilean-born Juan Suarez, celebrated a remarkable feat as he saddled the top three finishers, in the process adding his seventh victory in the Peruvian Classic. Tomcito is the first winner out of the unraced Eastern Echo mare Inside Or Outside, a half sister to Canadian champion turf male Numerous Times and to this year's Oceanside S. winner Ten a Penny.

The people at Coolmore with the task of setting next year's stallion fees must be busily recalculating after the magnificent recent efforts of Rock of Gibraltar's progeny, especially his two-year-olds.

Last Friday's Newmarket card started off with the debutant General Elliott turning in a dominant display in a mile maiden and it was a similar story three races later when Kandahar Run earned **★ "TDN Rising Star" ★** status with his clear-cut victory in the Houghton S. The Derby was mentioned as a possible future target for Kandahar Run.

Newmarket's Saturday meeting showed Rock of Gibraltar in a similarly favourable light. One of the feature events, the G1 Champion S., saw Eagle Mountain put up a career-best effort in finishing a short-head second to Literato, three lengths clear of the G1 Man o' War S. winner Doctor Dino. The stallion didn't have long to wait for compensation for this narrow defeat as his daughter Kitty Matcham--a May 21 foal--put up easily her best effort in winning the G2 Rockfel S. Earlier in the day, down in Australia, Rock of Gibraltar had enjoyed another Group success when Pillar of Hercules landed a Group 3 at Caulfield.

Then, to top off a great weekend, the G3 Prix de Conde was won in determined fashion by High Rock, with trainer Jean-Claude Rouget saying that the Prix du Jockey-Club could be an option for his Rock of Gibraltar colt in 2008.

One telling comment made by Aidan O'Brien after Kitty Matcham's Group 2 success was:

"She's tough and she travels and...with these Rock of Gibaltars, the more you throw at them, the better they get."

For the record, Eagle Mountain was running for the seventh time this year, and for the 11th time in all; Kitty Matcham, despite her late birthday, has already raced five times; Yellowstone, who is much more talented than the average Group 3 winner, has raced 10 times this year; and Theann, another Group 3 winner from The Rock's first crop, has raced 12 times in all.

Even Kitty Matcham's frustrating Red Rock Canyon, who must rank as the best maiden in training, recently put up his best effort to be third in the G1 Irish Champion S. on his 11th career start.

But then you would expect toughness to be one of the main virtues of Rock of Gibraltar's offspring. In much the same way that Dylan Thomas, another of

"The Rock"

Danehill's best sons, has danced every dance at this year's Group 1 middle-distance ball, Rock of Gibraltar rarely missed an opportunity in Europe's best mile races. After a winning debut in a five-furlong maiden in the April of his first season, he raced exclusively in Group contests and his

last eight starts were all against Group 1 opposition. To his enormous credit, he won the first seven of the eight, his solitary setback coming when a high draw counted against him in the GI Breeders' Cup Mile at Arlington. Even so, he managed to come through from 13th place to finish second to Domedriver.

The way Rock of Gibraltar thrived on such a demanding schedule might have conjured up visions of a champion with a physique worthy of Secretariat. The reality was somewhat different. Although Danehill was perfectly capable of siring big, imposing sons, Rock of Gibraltar isn't one of them. Timeform described him as a close-coupled, medium-sized individual and I wouldn't disagree. Although he apparently measures 16 hands, his short-coupled body makes him look smaller.

With this in mind, it comes as no surprise to see the names of some big, rangy stallions among the broodmares sires of his good winners. The promising General Elliott is out of a daughter of the 16.3-hands Selkirk, who also sired the dam of Rock of Gibraltar's first Group 1 winner, Mount Nelson. Pillar of Hercules has a dam by Brocco, who stood nearly 17 hands, while Yellowstone's broodmare sire is the 16.2-hands Exclusive Era. That said, there are also plenty of medium-sized stallions among the broodmare sires, so size may not be an issue.

It is going to be fascinating to see what price is placed on Rock of Gibraltar's 2008 services. His fee in his first season was listed as private, but it was published as €65,000 in his second season in 2004, only to be reduced to €55,000 in 2005 and then to €45,000 in 2006. That last reduction was possibly a reaction to the fact that his first yearlings had achieved a median of \$114,220, which was probably not a huge amount more than his initial fee.

The doubts about Rock of Gibraltar continued to grow when his first two-year-olds failed to create much excitement in the summer of 2006 and an announcement was made in October last year that he had been leased to stand the 2007 season in Japan. Hardly had the announcement been made than the stallion came up with his first Group 1 winner, when Mount Nelson won the Criterium International, with another Rock of Gibraltar colt, Yellowstone, in third.

Fortunately Rock of Gibraltar's stallion career has continued to turn the corner. There are now 10 stakes winners from his first crop (which numbered 117 foals) and his second crop has already produced five stakes winners, including the group scorers Unilateral, High Rock and Kitty Matcham. This, combined with a yearling crop which has achieved such good prices as 900,000, 500,000 and 380,000 guineas, should ensure plenty of interest in Rock of Gibraltar when he returns to Ireland.

Two of his recent two-year-old group winners illustrate growing trends in the European industry. Kitty Matcham is out of Sadler's Wells's dual classic winner Imagine and her Rockfel S. win means that Rock of Gibraltar is the fourth son of Danehill to sire a group winner from a daughter of Sadler's Wells. Peeping Fawn, one of the stars of the European season, is by Danehill out of another Sadler's Wells mare.

And Unilateral, winner of the G3 Firth of Clyde S. in September, is out of a Sharpen Up mare. Rock of Gibraltar also has a Group 3 winner out of a Kris mare and a Group 1 winner out of a Selkirk mare. At least seven of Danehill's sons now have group winners out of grand-daughters of Sharpen Up, which links to Danehill's achievement of siring Group 1 winners from daughters of Diesis, Kris and Selkirk.

**EMPIRE MAKER COLT TOPS F-T DAY ONE** A colt from the second crop of Classic winner **Empire Maker** (Unbridled) elicited the highest price at yesterday's opening session of the Fasig-Tipton Kentucky Fall Yearlings sale in Lexington, Kentucky. Preston Madden purchased the son of Grade I winner Nonsuch Bay (Mr. Greeley) for \$320,000. Warrendale Sales, as agent, consigned the colt, who was catalogued as hip [251](#). He is the first foal out of his eight-year-old dam, who counted the GI Mother Goose S. among her victories. Nonsuch Bay was purchased for \$1.15 million by NeverTell Farm LLC at the 2004 Keeneland November sale. Stonewall Farm Stallions bred hip 251, who failed to meet his reserve at \$370,000 at last month's Keeneland September sale. The second and final session of the sale gets underway today at 10 a.m. For complete results, visit [www.fasigtipton.com](http://www.fasigtipton.com).

**RECORD PRICE SMASHED AT DEAUVILLE**

Arqana's October Yearling Sale received the perfect advert when Class of 2006 graduate Natagora (Fr) won the G1 Cheveley Park S. earlier in the month and solid trade, aided by a new sale record, boosted returns which eclipsed last year's equivalent figures after the first of three sessions at the Deauville venue yesterday. Leading the way was Haras des Capucines' Lot **68**, a Monsun (Ger) filly, who was knocked down to Charlie Gordon-Watson, acting on behalf of Shadwell, for €300,000. She is a granddaughter of the multiple graded-stakes winner J J'sdream, whose page received an update when the GII San Fernando Breeders' Cup winner and GI Pacific Classic S. runner-up Awesome Gem ran second in the GII Goodwood S. last month. The price easily smashed the sale record, which was €200,000 paid by trainer Pia Brandt for a Poliglote (GB) colt during the final session last year. "This filly was very straightforward and vetted very well," commented Gordon-Watson. "She is by the right stallion and will now return to England. For the price, it was as far as we could go." The first of three six-figure deals was brokered early in the session when Pegasus Farms Ltd went to €115,000 for Lot **13**. The March-foaled filly by Ballingarry (Ire), already named Lingarry (Fr), was offered by Haras de Grandcamp on behalf of Eric Lhermite and her price advanced on the €90,000 she cost as a foal at this venue last December. The final six-figure price of the day, €110,000, was paid by Highflyer Bloodstock for Haras des Marais' Lot **109**, a Lost World (Ire) colt already named War of the World (Fr). An improved clearance rate ensured returns saw significant advances across the board with the aggregate up over 50 percent, while the average and median marched forward 42 percent and almost 28 percent, respectively. Today's session begins at 10 a.m. and catalogue and full results can be viewed at [www.argana.com](http://www.argana.com).

**TROPHY AIM FOR LOVE** Trainer Roger Charlton suggested that Khaild Abdullah's **Fifteen Love** (Point Given) would contest Saturday's £200,000 G1 Racing Post Trophy at Doncaster, for which 19 stood their ground at the five-day stage yesterday. Having finished runner-up to Rio de la Plata at Newmarket on debut July 11, the homebred graduated at that track July 28 before adding a Salisbury conditions event to his tally last time Oct. 3. "Fifteen Love is well and could go to Doncaster, but also has the option of the G3 Horris Hill S. at Newbury, so we will consider what is in each race," Charlton commented. "Fifteen Love is well and is in good form, but he is going from a soft maiden to a soft novice race to a group race, so he is very unproven. Having said that, I have always liked him and at some stage you have to put your head above the parapet and fire at decent races." Another Juddmonte possibility is the Sir Michael Stoute-trained Ascot conditions scorer **Confront (GB)** (Nayef), who could be joined by stable companion **Tajaaweed** (Dynaformer), Sheikh Hamdan Bin Rashid Al Maktoum's impressive Nottingham maiden winner. Aidan O'Brien is responsible for five entries, with Derrick Smith's Tipperary maiden scorer **King of Rome (Ire)** (Montjeu {Ire}) and Michael Tabor's Gowran debut winner **Frozen Fire (Ger)** (Montjeu {Ire}) most likely to represent Ballydoyle. Godolphin have two entries remaining in the stylish G3 Autumn S. victor **Ibn Khaldun** (Dubai Destination) and the G3 Somerville Tattersall S. runner-up **Iguazu Falls** (Pivotal {GB}), while Brian Meehan has left in the Sangster family's G2 Royal Lodge S. hero **City Leader (Ire)** (Fasliyev) and Jessica Harrington has declared Juliet Cooper's authoritative G2 Beresford S. winner **Curtain Call (Fr)** (Sadler's Wells). Doncaster's Managing Director Adam Waterworth yesterday gave an update on the ground ahead of the fascinating mile contest. "The ground is currently good, good to soft in places," he explained. "We had drying days over the weekend and it has been the same story today. It is expected to cloud over, but no significant rain is forecast this week."

**CLASSIC DESCENT (GB)** (Auction House) shaped with promise when fourth on debut at Haydock last month and has been found an ideal spot to open her account. A half-sister to G1 Irish 1000 Guineas victress Saoire (GB), she remains at six furlongs for this second go, but tries the polytrack surface for the first time.

**FORTUNE KEEPING FAITH** Jimmy Fortune yesterday spoke of his confidence in Saturday's G1 Dewhurst S. third **Raven's Pass** (Elusive Quality) after Stonerside Stables' homebred lost his unbeaten record. Having partnered the John Gosden-trained colt to a seven-length success in Sandown's G3 Solario S. Sept. 1, Fortune was not disheartened by finishing three lengths adrift of New Approach (Ire) in the Newmarket contest. "I was absolutely delighted with the horse, as he traveled like the winner and looked like he had them all beat at the two pole," he said. "When things got serious, he just didn't handle the ground and in my opinion, he is still a high-class horse. I was a bit surprised at how soft it was and we tired and didn't handle the ground, but it rode a very good race. You have to have a lot of respect for New Approach--he's tough and was off the bridle a long way out, but stuck to his guns. It might be a different story when they meet on better ground. Raven's Pass is a big horse with a lot of scope and although he feels like he is mature, I'm sure there is room for improvement."

Down the field in a Doncaster nursery on his latest start Sept. 13, the bay was ignored by the punters and that looked the right decision as he was shuffled back to last after the moderate pace increased markedly on the final turn. Finding his stride to surge between rivals inside the final furlong, he reeled in Latin Lad in the final strides to record an ultimately convincing score.

### COMPTON PLACE PISA TOPPER

ITS hosted its one-day October Yearling Sale in Pisa yesterday and it was a Compton Place (GB) colt who topped proceedings when knocked down to Emerald Bloodstock for €28,000. Offered by I.B.M. as Lot 20, the March-foaled chestnut is a half-brother to Heaven (GB), a two-year-old in training with Peter Makin in England who broke her maiden at Bath last month. Second place on the podium went to Azienda Agricola San Jore's Lot 60, an Invincible Spirit (Ire) filly who went the way of Bozzi Bloodstock for €24,000. She received a timely update to her page when Luna Nel Pozzo (GB) won the Listed Premio Repubbliche Marinare in Rome last month. Third-highest price of the day was paid by locally based Andrea Marcialis who went to €18,000 for Lot 7, a Soviet Star colt and another of I.B.M.'s offerings. He was bought for 7,500gns as a foal at Tattersalls' December Sale last year. Full results and statistics will be available at [www.its-aste.com](http://www.its-aste.com) today.

### AWESOME AGAIN FILLY TOPS SGA

Societa Gestione Aste Srl's one-day horses-in-training sale took place at the Settimo Milanese complex in Milan on Saturday, when a daughter of Awesome Again was purchased by the Spanish agency Jalobey Racing for €31,000. From the Bruno Grizzetti consignment, hip 13 is the three-year-old filly West Roses, a dual winner at the San Siro this term who is out of a half-sister to the sire Zaha, as well as the 1998 GI Santa Anita Oaks heroine Hedonist and 2002 GII Brooklyn H. scorer Seeking Daylight. Earlier, Paolo Fivero had paid €22,000 for hip 4, the three-year-old **Falange (Ire)** (Presenting {GB}), who is a three-times winning half-sister to this year's very smart domestic juvenile Farrel (Ire). Full results are available on [www.sgasales.com](http://www.sgasales.com).

## AUSTRALASIA

**SESSIONS ADDED TO INGLIS SALES** Inglis has added Part 2 sessions to both its Australian Easter Yearling Sale and Melbourne Premier Yearling Sale to accommodate a record level of entries. The Australian Easter Yearling Sale - Select Session Part 1, will be held Apr. 20-22, while the sale's Select Session Part 2 will be held Apr. 24 and 25. The classic session will be held Apr. 27 and 28. Part 1 of the Premier Yearling Sale will be held Mar. 2 through 4, while Part 2 will be held Mar. 6 and 7. "There have been numerous requests from breeders in recent weeks for Easter to include a select Part 2 session to accommodate their entire yearling crops and allow them to focus on one sale, similar to the grading used during the successful Keeneland sales in Kentucky," explained Jonathan D'Arcy, Inglis director of auctions. "Easter Part 2 will comprise two evening sessions for select yearlings that are marginally below that normally accepted at Easter. Noting the top price at Classic earlier this year was A\$350,000, a limited number of the top-quality entries for Classic will be given the opportunity to switch to the Easter Part 2 session."
