CYNTHIA PHIPPS DIES IN ACCIDENT

Owner/breeder Cynthia Phipps died yesterday at New York-Presbyterian Hospital as a result of injuries sustained in an early morning fire in her Manhattan apart-

ment. She was 62 years old. Daughter of the late Ogden Phipps and granddaughter of Mrs. Henry Carnegie Phipps, she was the chairman of the Animal Medical Center, a non-profit veterinary hospital in Manhattan. Survivors include her brother, Ogden Mills "Dinny" Phipps, the

chairman of The Jockey Club. Phipps's yellow and purple colors were carried by champion Christmas Past as well as top runners Gold Fever, Out of Place, Saarland, Sugar Plum Time and Versailles Treaty. Services will be held Saturday at the Church of the Advent in Old Westbury, N.Y., at 10:30 a.m. In lieu of flowers, the family requests donations be made to the Animal Medical Center, 510 East 62nd Street, New York, N.Y. 10065.

CRY AND CATCH ME OUT OF JUVENILE FILLIES

Stetson Land and Cattle LLP's **Cry and Catch Me** (Street Cry {Ire}) came down with a fever Wednesday morning and has been scratched from Saturday's \$2-million GI Grey Goose Breeders' Cup Juvenile Fillies at Monmouth Park. Trainer Bob Baffert said, "She got sick and, when the temperature hit 102, I pulled the plug." Tabbed as a

HOPE DIAMOND

Four Roses Thoroughbreds' **Diamond Stripes** (Notebook) would have been among the favorites in the \$1-million Dirt Mile, but his connections have opted to go for the gold in the \$5-million Classic. "Chances like this don't come along every day," said trainer Rick Dutrow Jr. "He's a gelding, so you have to try and grab all the purse money you can," Dutrow continued. "We can make more money by finishing third in the Classic than we can winning the Dirt Mile." The grey sustained his first career defeat when third by a half-length in the GI Stephen Foster H. June 16. Third to Lawyer Ron in both the GI Whitney H. July 28 and GI Woodward S. Sept. 1, he rebounded with a game victory in the GII Meadowlands Cup Oct. 5 for his fifth score in eight lifetime starts. Diamond Stripes, stretching out to 10 furlongs for the first time, will face Lawyer Ron once again as well as all of this year's star sophomores. "Some of the Classic horses are faster than us on paper, but they're not reaching freakish territory--they're kind of just holding their form," Dutrow continued. "We believe Diamond Stripes has more to give. We'll find out on Saturday if he's going to really step up to the plate." Dutrow added, "Of course we think we'd have a better chance to win the Dirt Mile. We don't know if he wants to run that far or if he can compete at that level, but there's no pressure in the Classic. We have nothing to lose and everything to gain."

THEATRICAL - A LIVING LEGEND

G1 WINNER ON BOTH SIDES OF THE ATLANTIC

Five weeks after her win in the Prix Vermeille (G1) at Longchamp, Mrs Lindsay invaded North America and set a **NEW COURSE RECORD** in the Grade 1 E. P. Taylor Stakes at Woodbine on October 21st.

HOY TITLE ON THE LINE SATURDAY

The Horse of the Year title is up for grabs Saturday, and Todd Pletcher was doing his best as a campaign manager. "There are several horses that could be Horse of the Year, but need to win the Classic to do it," said Pletcher, who will saddle GI Haskell Invitational hero **Any Given Saturday** (Distorted Humor) as well as top older horse Lawyer Ron. "We thought he was one of the top three-year-olds going into the Kentucky Derby. He lost by a nose to Street Sense in Tampa in track-record time. Street Sense has gone on to win the Derby and the Travers. Any Given Saturday has won three in a row, including the Haskell right here at

Monmouth. He has become the horse we thought he was." Any Given Saturday heads back to Monmouth off a workmanlike score in the GII Brooklyn H. Sept. 22. Owned by the partnership of WinStar and Padua, the handsome colt is slated to become a Darley stallion upon retirement.

WYGODS ON FIRE WATCH

Mile hopeful **After Market** (Storm Cat) has been on the grounds at Monmouth for several days now, but the same can't be said for his owners, Pam and Martin Wygod of Rancho Santa Fe, near San Diego, California. Raging wildfires have forced evacuations and caused serious damage in the area. "I know the Wygods had to evacuate their home," explained trainer John Shirreffs. "And they

Equi-Photo

had to evacuate their horses to the fairgrounds at Del Mar. I heard they might have had to evacuate the horses from there then, too. But as far as I know, it hasn't interrupted their plans to be here for the races on the weekend. They're still coming."

CORRECTION: In Bill Oppenheim's column in Wednesday's *TDN*, he referred to the owner/breeder of Raven's Pass (Elusive Quality) as George Strawbridge. He, of course, meant Stonerside. We regret the error.

RANDOM EPO TESTS NEGATIVE FOR BC HORSES

The New Jersey Racing Commission has informed Breeders' Cup officials that all blood tests of Breeders' Cup horses conducted by the state were negative. At the urging of Breeders' Cup Ltd., the NJRC conducted a random sampling of all Breeders' Cup pre-entered horses Oct. 15. Blood was drawn from horses based both here and abroad and processed at the New Jersey Equine Testing Laboratory. On Sept. 17, the NJRC approved new regulations to conduct out-of-competition testing for EPO (Epogen) and TCO2 testing in Thoroughbred racehorses competing at racetracks in the Garden State. In the event a sampled horse was determined to test positive for Epogen, DarbEPO or other blood doping agents, the Racing Commission Board of Stewards could authorize a search of the premises occupied by the stable that is subject to the positive test. The Board would notify the State Veterinarian for the purpose of placing the positive horse on the veterinarian's list pending a hearing by the Board of Judges. The penalty for a first violation of this rule provides that the license of the trainer and other responsible person shall be suspended for 10 years and fined \$50,000.

FAMILY MATTERS

Juvenile hopeful **Dixie Chatter** (Dixie Union), who will attempt to give trainer Richard Mandella a seventh Breeders' Cup winner, hails from a family the Hall of Famer knows well. Mandella conditioned the swift Phone Trick through nine wins in 10 starts; Phone Trick went on to sire Phone Chatter, who won the GI Juvenile Fillies for Mandella in 1993. The big chestnut is the granddam of Dixie Chatter, whose sire was also trained by Mandella, and came to Monmouth in 2000 to take the GI Haskell Invitational. "He looks like a combination of his sire and dam," said Mandella. "He's more leggy like Phone Chatter, with the prettiness of Dixie Union. He was a pretty, fast horse." Dixie Chatter is coming off a score in the GI Norfolk S. Sept. 30 at Oak Tree. "He...moved forward when he won the Norfolk," Mandella added. "He is growing and gaining all the time."

LOCAL LASS HOPING TO MAKE GOOD

Prop Me Up (Reparations) is up against eight Grade I winners in the Distaff, but the five-year-old has a wealth of experience at Monmouth: her record at the Jersey Shore is an enviable 9-4-4-1. She captured the Lady's Secret S. over this strip Aug. 5, and heads into the biggest race of her life off a five-length victory in the Long Look S. at The Meadowlands Sept. 15. The Silly Goose Racing Stable colorbearer is 50-1 on the morning-line. "We have home-field advantage and [jockey] Joe Bravo knows the track like the back of his hand," said trainer Greg Sacco. "She's coming in super. I love the post. Post two is a good post to save ground." He added, "We have no illusions about the depth of the field. But she's an overachiever, and I feel she'll give a good account of herself. We'll see if it's good enough."

SMARTY PANTS

Unbeaten **Smarty Deb** (Smart Strike) has shipped in from Washington--the state--to take on the division's best in the Juvenile Fillies. The Northwest Farms homebred has beaten the boys twice while remaining perfect in four starts, but is 30-1 on the morning line. When asked if she felt slighted, trainer Doris Harwood replied, "Absolute not--we're from Emerald Downs. We don't have these kinds of races." She added, "We have to prove we can do it. It's a challenge." The liver chestnut handed colts a three-length defeat last out in the Gottstein Futurity at Emerald Downs Sept. 29.

MIRACULOUS MISS GETS IN ONE MORE WORK

F/M Sprint contender **Miraculous Miss** (Mr. Greeley) blew out three-eighths in :35 at Fair Hill yesterday morning. "With all the rain [in New Jersey], I wanted to get that done over the Tapeta [surface] before bringing her over," said trainer Steve Klesaris. "It's out of my hands, but I really hope this weather clears out." A multiple graded stakes winner in 2006, the four-year-old missed by a nose last out in the My Juliet S. at Philly Park Sept. 29.

BEST LUNCH:

That Hot Dog Place, 30 Monmouth Street, Red Bank.
732-219-6999. www.soupmeister.com.

Forget the name of the place: locals call owner Gary Sable "The Soupmeister," and it's the soup which has made him a local legend and inspires the long lines out the door at lunchtime. Recently reviewed by both the *New York Times* and the *Newark Star-Ledger*, Sable serves up to five soups a day, half of which are vegetarian. Yesterday's offerings of 5-alarm chili, split pea, cream of chicken barley and lentil offer a typical example of his fare. I'm a vegetarian, but the *TDN* staff raves about his chicken salad as well. Breeders' Cup visitors staying at the Molly Pitcher can reach the store in a brief walk; he's just across the alley from the Dublin House. A rabid Yankees fan (let's face it; nobody is perfect), he's also incredibly knowledgeable about horse racing and can usually be found cooking in his Tale of the Cat hat. His best soup? The Sue Finley Corn Chowder, naturally.

BEST PANINI: Tavolo Pronto, River Road, Fair Haven.
732-741-6009. www.tavolopronto.com.

Tavolo Pronto, an Italian food market and lunch stop, was opened last year by Bobby Rallo, the owner of one of Barry Weisbord's best bets for dinner earlier this week, the original Tavolo. Pronto undoubtedly offers the finest panini in New Jersey, starting with the best bread you've ever eaten, adding fresh, traditional ingredients and grilling them to perfection. The panini menu is creative, from the signature Tavolo (soppressata, gorgonzola, arugula and olive oil) to the Tonno (tuna in olive oil, hot peppers, mesclun greens and balsamic dressing.) It's the kind of neighborhood place where you can walk in the door, and someone throws a number 5, no eggplant, on the panini press for you without your even asking. (Or maybe I just go there way too often...) Great salads, wraps, pasta and take-home meals as well.

Original Classic Painting Auctioned for Charity

Artist Susan Sommer-Luarca's portrait "Breeders' Cup Classic-The Race for Horse of the Year," a 5' by 4' tonal acrylic on canvas that depicts four of the top contenders for Saturday's Breeders' Cup Classic, has been donated to the National Thoroughbred Racing Association (NTRA) and will be auctioned off on Ebay to benefit the NTRA Charities: Permanently Disabled Jockeys Fund. Featured in the painting are Lawyer Ron, Any Given Saturday, Curlin and Street Sense--any one of whom could win 2007 Horse of the Year honors with a victory in the Breeders' Cup Classic. The painting is available for bidding on Ebay until Nov. 1 at 6:00 p.m. EDT. Sommer-Luarca's work has a retail value of \$25,000. The opening bid is \$5,000. "We are delighted that Susan is again graciously donating her talents in support of such a worthy racing-related cause," said Keith Chamblin, Senior Vice President of Industry Relations and Communications for the NTRA. "Her beautiful painting of Street Sense raised a lot of money for the NTRA Charities--Barbaro Memorial Fund in the spring, and this latest one-of-a-kind work will undoubtedly do the same for the PDJF."

SHAKESPEARE TO HILL 'N' DALE The recently retired **Shakespeare** (Theatrical {Ire}--Lady Shirl, by That's a Nice) will enter stud in 2008 at Hill 'n' Dale in Lexington, Kentucky. The six-year-old will stand alongside his sire for a fee of \$20,000, live foal, as property of a partnership. "Shakespeare was a fantastic racehorse," said John G. Sikura, president of Hill 'n' Dale. "He competed at the elite level, winning Grade I races from a mile to a mile and a half defeating all comers, including English Channel. He is out of a Grade I winner who is a multiple stakes producer who earned nearly \$1 million. Theatrical is a fantastic sire, and we are pleased to offer breeders his best son to retire to stud." Shakespeare, hero of the GI Joe Hirsch Turf Classic in 2005, returned to action this season to post an impressive success in the GI Woodbine Mile Sept. 16 ([video](#)). The bay retires with a record of seven wins from eight starts and earning of \$1,293,780.

RACING POST TROPHY-G1, £200,000, 2yo, 1mT

Peter Chapple-Hyam has confirmed Violet Mercer's **Declaration of War (Ire)** (Okawango) on course for this contest. Runner-up to Rio de la Plata in the G1 Prix Jean-Luc Lagerdere at Longchamp last time Oct. 7, the bay will take his chance in the mile contest. "He ran a blinder last time at Longchamp and came out of his race very well," Chapple-Hyam said. "I still think he is in the same good form as he was in France and all being well, we will take our chance. It looks as if it will be a very tough race but so it should be--it's a Group 1. The ground will be fine and if it comes up on the soft side, even better, as he will handle it while some of the others possibly might not. He is stepping up from seven furlongs to a mile, but Ryan Moore, who rode him at Longchamp, said he would have no problem getting the trip." Barry Hills will saddle Jack Hanson's Listed Chesham S. third **Feared in Flight (Ire)** (Hawk Wing), who was seventh in the Sept. 14 Goffs Million at The Curragh on his latest start. His son and assistant Charlie Hills said yesterday, "Feared In Flight is on target for the Racing Post Trophy and he still looks well in his coat. The mile will really suit him on Saturday, although he would probably want a little bit more rain than we have seen, but the track and trip will be ideal. He has been running in good company most of this year and things have not quite gone his way. He has not run a bad race and we feel that there is more to come from him."

BREEDERS' CUP 2007

TDN
THOROUGHBRED DAILY NEWS

DOUBLE YOUR PLEASURE

With the addition of three new races, the Breeders' Cup World Championships expands to two days for the first time this year. The event now offers no less than \$23 million in purses, and year-end honors will be on the line in every category but one. It would be nearly impossible to take the three-year-old filly Eclipse Award away from the sidelined Rags to Riches, but a big win in the Breeders' Cup could seal the deal in any other division. "This is a very good year," said trainer Steve Asmussen, who saddles Curlin in the Classic. "Everybody's still around, still in the game."

Steve Asmussen
Horsephotos

The Classic field alone boasts 15 Grade I wins and more than \$16 million in earnings. Trainer Carl Nafzger, who is hoping that Street Sense can add a fourth Grade I win to his resume while becoming the first GI Kentucky Derby hero to repeat in the Classic since his Unbridled in 1990, has been particularly impressed by the sophomore crowd. "You look back and they beat each other and they beat each other, but none of them really threw in a bad race," Nafzger said. "That is what makes them so good. It is not like they were winning and when they hit the older horses, they caved in. They just kept coming." Eight three-year-olds have reigned in the GI Breeders' Cup Classic, but at average odds of 7-1. Only A.P. Indy got the job done as the favorite, winning the race in 1992 as the 2-1 chalk. His son Bernardini was sent off the even-money choice last year, but fell victim to Horse of the Year Invador (Arg).

What makes a stallion? We tend to think: you do!

Breeders, and their mares – just about the most important thing a wannabe sire has to have on his side.

So: are you going to turn Bernardini from a well-bred, gorgeous-looking dream of a racehorse into a spectacular sire? Well, hats off! You're doing a great job! His first book of mares included 64 G1 winners/producers. **It's been described as the best first book of mares ever afforded a stallion.**

Leader of the Pack...

Tabasco Cat's status as the highest-priced favorite in Classic history (he finished second behind Concern at 7-2 in 1994) may not be threatened, but this year's edition of the Breeders' Cup brings together no fewer than four horses who could lay claim to the role of the crowd's choice. But the *TDN* choice is **Street Sense** (Street Cry {Ire}). The three-year-old is a perfect two-for-two at a mile and a quarter, and he has looked sensational during his morning constitutions around the Monmouth main track. He would be the first BC Juvenile winner to come back to capture the Classic, but he is no stranger to breaking jinxes. Jim Tafel's homebred star was the first-ever Juvenile winner to take the Kentucky Derby, and he became the first Eclipse-winning juvenile to wear the blanket of roses since Spectacular Bid in 1979. Trainer Carl Nafzger believes his champion is even better now. "He is a different horse than he was before the Derby," Nafzger said. "He is a patient horse now, professional. He has grown up a lot since the Derby; if you are going to compete against older horses, you've got to grow up." Street Sense was beaten by **Hard Spun** (Danzig) in his Classic prep, the Sept. 29 GII Kentucky Cup Classic, but he went into the 2006 Breeders' Cup off a third-place finish in the GI Breeders' Futurity, then ran away from the field in the Juvenile. Street Sense won't pay off at 15-1 like he did last year, but the colt could offer true value in this well-matched field.

Wild Card...

It's hard to knock a horse who has won five of his eight starts and has earned a Beyer figure under 103 just once in his life. GIII Pegasus S. winner **Diamond Stripes** suffered the first defeat of his career when a troubled third in the GI Stephen Foster H. in June, but lost by just a half-length. A well-beaten third in both the GI Whitney H. and GI Woodward S., he rebounded to take the Oct. 5 GII Meadowlands Cup. The gray gelding appears to be a cut below the best, but he has been incredibly consistent over his career and could be closing if the speedsters get carried away.

The Contenders...

You can make a solid case for just about every one of this year's Classic runners, but three really stand out.

Curlin (Smart Strike) proved his mettle when getting the better of Street Sense in the GI Preakness S., and he was not disgraced when running second by a head behind Rags to Riches in the GI Belmont S. The chestnut was not at his best when third behind

Curlin over Lawyer Ron in Gold Cup
Sarah K Andrew

Any Given Saturday (Distorted Humor) and Hard Spun in the GI Haskell Invitational S. on the Monmouth strip, but he rebounded to beat the East Coast's top older horse, **Lawyer Ron** (Langfuhr), by a determined neck in the Sept. 30 GI Jockey Club Gold Cup. Built like a power forward, he will give Street Sense all he can handle on Saturday. Lawyer Ron earned himself quite a rep with two stellar efforts at Saratoga. The four-year-old eclipsed the track record when taking the GI Whitney H. by 4 3/4 lengths and he romped by 8 1/4 lengths in the GI Woodward S. The only question mark was whether he could strut his stuff going 10 panels, but he proved he could with his game effort in the Gold Cup, and the racing surface at the Jersey Shore will only help his chances. Any Given Saturday completes the contender trifecta. The dark bay bids for his fourth straight graded-stakes score, and he boasts the only win over the track. A four-length winner over Nobiz Like Shobiz in the GII Dwyer S., he was a well-backed 9-5 in the Haskell and handed Hard Spun an impressive 4 1/2-length defeat. The \$1.1-million KEESEP yearling came back to beat a less-than-stellar field when taking on his elders for the first time in the Sept. 22 GII Brooklyn H. It was an easier prep than those run by his co-favorites, and he has had an extra week between starts, which will keep him fresh, but will he be fit enough to run his A race over the mile and a quarter of the Classic?

4/4

The great gray's in great form.

Giacomo, Pohave, Bishop Court Hill and Flashy Bull have seen to that. A G1 winner in each of the last four seasons – there's many a high-profile sire who hasn't managed that sort of strike-rate. Hit 2007 freshman sire Macho Uno is a Holy Bull, too.

Leader of the Pack...

At his morning-line odds of 7-5, Mrs. John Magnier and Michael Tabor's **Dylan Thomas (Ire)** (Danehill) is the heaviest favorite on Championship weekend. And that

Dylan Thomas
bbc.co.uk

seems to be a well-deserved distinction, based on his four Group 1 victories this season--the Prix Ganay Apr. 29, the July 29 King George VII and Queen Elizabeth S., a successful defense of his title in the Irish Champion S. Sept. 8 and a narrow success in the Prix de l'Arc de Triomphe Oct. 7. The homebred colt had to survive a lengthy inquiry by Longchamp stewards after he raced erratically during the latter stages of the race, but the result was allowed to stand. While the Arc

has been a productive precursor to success in the Breeders' Cup Turf--six also-rans from the Arc have shipped over to win--no winner of the race has gone on to double up in this event. Still, he has the full confidence of his jockey. "There are only [eight] runners, so it's a small enough field and Dylan Thomas is drawn seven," John Murtagh told *Racing Post*. "He has the best form in the race. His form in Europe has been great, and he is going to be very hard to beat."

The Contenders...

Better Talk Now (Talkin Man), who upset the 2004 Breeders' Cup Turf at odds of 27-1, is back at the ripe old age of eight to make his fourth consecutive appearance in the race. Seventh to Shirocco (Ger) in 2005, the veteran rallied from 10th last year, but could not quite get to **Red Rocks (Ire)** (Galileo {Ire}) and finished second by a half-length. The dark bay seems to have lost little in 2007. Fourth in his seasonal debut in the GI Woodford Reserve Turf Classic May 5, he got through at the rail and was up in the waning strides to best **English Channel** (Smart Strike) by a head in the GI Manhattan H. at Belmont Park June 9. A non-threatening third to the Todd Pletcher trainee in the GI United Nations S. July 7, Better Talk Now was to have made his next start in the GI Sword Dancer Invitational, but suffered a puncture wound necessitating time off. He completed his preparations for the Turf with a strong six-furlong breeze in 1:13 at Fair Hill Oct. 22. English Channel is perfect in two starts at Monmouth and set a track record in defending his U.N. title this summer. Owner Jim Scatuorchio lives 10 minutes from the track and would love nothing more than a first Breeders' Cup trophy on the mantle. "This is very special for me," he said at Tuesday's post position draw. "This whole week is special, getting to spend time with friends and family. It would be great to win."

A NEW RISING STAR FOR YANKEE GENTLEMAN

YANKEE GENTLEMAN

Storm Cat — G1 SW Key Phrase

The Wild Card...

Grand Couturier (GB) (Grand Lodge) was on the fringes in France last year, winning a listed stakes, finishing a troubled third in the G2 Prix Noialles and fourth in the G1 Grand Prix de Paris. The latter result looks much better in hindsight, given that the winner,

Grand Couturier
Adam Coghlanese

Rail Link (GB), returned to take the 2006 Arc, while the runner-up that afternoon was Red Rocks. Facing older foes in his U.S. bow, the bay was a respectable third in the 2006 Sword Dancer, but was put away off a fourth to Better Talk Now in the GII Sky Classic S. last September. He returned to be a non-factor in two starts at distances well short of his

best to kick off 2007, but, returned to 12 furlongs and paired with Calvin Borel, he surged up the hedge to account for English Channel in this year's Sword Dancer Aug. 11. The bay finished well in his latest, a third in the 11-furlong GI Man o'War S. Sept. 8 and will love the extra real estate Saturday afternoon. He may not be in the same class as Dylan Thomas, but he is a strong candidate for the exotics at a juicy number.

Leader of the Pack...

"Well, whoever wins it, we'll know she's an awful good horse, won't we?", trainer Jerry Hollendorfer said, assessing a particularly strong renewal of the Distaff. Hollendorfer just might have that "good horse" in

Hystericalady (Distorted Humor). The four-year-old filly clearly enjoyed her last trip to the Jersey Shore, when she laughed all the way home to a 6 1/4-length victory in the Aug. 25 GII Molly Pitcher Breeders' Cup H. She returned to California and was a game runner-up behind

Hystericalady

(Tiznow) after setting the

pace over the all-weather in the Oct. 7 GI Lady's Secret S. "For as difficult as [the Lady's Secret] was and as fast as they ran, she came out very well," Hollendorfer said. "Better than expected. We've got a horse that's peaking in looks and performance. She just has never been better." The conditioner also thinks Hystericalady's versatility will be a major asset in the Distaff. "We think we've got a lot of ways to go with her," he explained. "She can run on the lead or she can come from behind. She's capable of so many things and we think we'll get a good trip and put in a good showing in the Distaff." Eddie Castro, who was aboard for Hystericalady's win in the Molly Pitcher, will be back aboard for the Distaff.

The Contenders...

Lear's Princess (Lear Fan) opened her career this spring with three straight wins, including a stakes win over the Belmont lawn July 1. She was a bang-up second behind **Octave** (Unbridled's Song) in the July 21

Ginger Punch *Horsephotos*

GI Coaching Club American Oaks in just her fourth start, then was a neck short of **Lady Joanne** (Orientate) in the Aug. 18 GI Alabama S. The West Point filly finally earned her Grade I victory in dramatic fashion, outbattling GI Belmont S. winner Rags to Riches in the Sept. 15 GI Gazelle

S. **Ginger Punch** (Awesome Again), a \$180,000 Distaff supplement, has done little wrong this term. The Stronach homebred dominated the competition in the GII First Flight H., GI Go for Wand H. and GI Ruffian S. But the chestnut filly lost out on morning-line favorite status after running third behind **Unbridled Belle** (Broken Vow) and **Indian Vale** (A.P. Indy) in the Sept. 30 GI Beldame S. last time out. Despite her narrow loss in the Beldame, favored status did go to Eugene Melnyk's Indian Vale. The five-year-old opened the year with a front-running victory in the GIII Next Move H. and added a win in the GII Fleur de Lis H. at Churchill two starts later. Off the board in the July 15 GII Delaware H. and third in the Aug. 24 GI Personal Ensign, Indian Vale showed renewed vigor with her game effort in the Beldame and she is six-for-seven at the Distaff's nine-furlong distance.

Wild Card...

A leading sophomore filly early last term, **Balance** (Thunder Gulch) opened 2007 with wins in the Feb. 11 GII La Canada S. and Mar. 10 GI Santa Margarita H. over Santa Anita's conventional dirt surface. Since then, she has been thwarted by California's change to all-weather surfaces and a burgeoning superstar in Nashoba's Key. "She just loves a dirt surface and hates a synthetic surface," trainer David Hofmans explained. "She's doing great here [at Monmouth]. This is the same sort of track that Santa Anita had before it put in Cushion Track."

E Dubai was the fastest sprinter by Mr. Prospector (1:07.4), the fastest miler by Mr. Prospector (1:33.2) and the fastest mile-and-a-quarter horse by Mr. Prospector (2:00.4). **Speed is definitely his thing.** His first-crop includes not one but two record-breaking Stakes winners – the multiple G3 winner Desert Code (6.5 in 1.11.4) and unbeaten multiple Stakes winner Barilko (whose :57.0 is faster than anything E Dubai himself ever ran).

Leader of the Pack...

Were it not for a pair of short-margin defeats, **Excellent Art (GB)** (Pivotal {GB}) would come into this contest as one of the most accomplished European milers in recent years entered in the Breeders' Cup. The bay triumphed in the G1 St. James's Palace S. at Royal Ascot June 19, then missed by a head to Ramonti (Fr) in the G1 Sussex S. at Goodwood Aug. 1, and went down by a half-length to that four-year-old in the G1 Queen Elizabeth II S. at Ascot Sept. 29. Those efforts were enough to see him installed as the 3-1 favorite here, but, mired in post 13, he'll have his work cut out for him. "It's not great," rider Johnny Murtagh said. "He has drawn

Horsephotos

a bit wide, and the stats are against him coming from that wide. I suppose a lot will depend how they jump out of the stalls. If they jump well you can go forward. I would hate to be sitting fifth, three-wide or four-wide."

The Contenders...

Remarkable News (Ven) (Chayim) could make history as the first Venezuelan-bred to capture a Breeders' Cup event. Holly Rincon's homebred does his best running on the lead and has captured three of five 2007 outings, including the GII Dixie H. at Pimlico May 19 and the GII Firecracker H. at Churchill June 30. The chestnut missed the summer after developing colic, but returned to run a solid fourth in the GI Woodbine Mile Sept. 16. Having drawn the 14 hole here, the five-year-old doesn't have much of a choice except to come away running. Wet weather may not help his cause, either. "If the rain continues and the turf isn't firm, I have no idea how he will take to it," said trainer Angel Penna Jr. "The thing about racing is that you can do all the work in the world and then sometimes what you need is a little touch of luck. Look at his post position, and then the turf might be good or even yielding. But a good horse can overcome a lot of obstacles, so we'll keep our hopes up and see what happens."

Contenders cont.

Kip Deville (Kipling) will look to become the second Oklahoma-bred Breeders' Cup winner, following Lady's Secret in 1986. The grey captured the GI Frank E. Kilroe Mile in March at Santa Anita, then defeated Showing Up and **Purim** (Dynaformer) in a rousing GII Maker's Mark Mile at Keeneland the following month. Though he came up short in his next three outings, he was the runner-up to Shakespeare in the GI Woodbine Mile last out, and trainer Rick Dutrow Jr. has given him the go-ahead after detecting a minor filling in his pastern last weekend. "We're very happy with the way he's been training, and the way he's going into the race," Dutrow told *Daily Racing Form*.

Wild Card...

Host is one of two runners in the field with a victory over the Monmouth lawn; the other is stablemate **Icy Atlantic** (Stormy Atlantic). The Chilean-bred, winner of the 2005 GI Shadwell Turf Mile, was given some time off after an ill-advised trek over 12 furlongs in the G1 Dubai Sheema Classic Mar. 31. He rebounded with a score in the local Elkwood H. May 26, covering a mile in 1:33 4/5. Third in his next two, the chestnut comes here off a fifth in the Woodbine Mile.

Trainer Bob Baffert won the first of his three Breeders' Cup races in 1992, sending out Thirty SLEWS to an 18-1 upset in the GI Breeders' Cup Sprint. If the silver-haired conditioner is successful in this year's renewal, it will come at a much slimmer mutuel, courtesy of **Midnight Lute** (Real Quiet). The handsome dark bay colt won three of his first four trips to the post, capped by a

Midnight Lute Sarah K Andrew

4 3/4-length victory in the seven-furlong GIII Perryville S. over the Keeneland Polytrack a little over a year ago. He rallied from far off the pace to finish an excellent third to Latent Heat in the GI Malibu S. Dec. 26, before acquitting himself well in the Strub series. Second by a nose to Breeders' Cup Classic aspirant Awesome Gem in the GII San

Fernando Breeders' Cup S. Jan. 13, he was fourth as the favorite in the Feb. 3 GII Strub S. and the two-turn experiment was halted. Returned to the Bluegrass for the GII Commonwealth Breeders' Cup S. at his preferred seven-furlong trip, Midnight Lute struggled home fourth and was given some time off to address breathing issues. He returned to action in the GI Forego S. at Saratoga Sept. 1, another seven-furlong affair, and justified his trainer's confidence, rolling home 2 1/4 lengths better than the underrated **Benny the Bull** (Lucky Lionel). Midnight Lute has trained extremely well since and is the one to fear, if Saturday's distance is not too sharp.

Smokey Stover (Put It Back) stamped himself as the leading sprinter on the West Coast, if not the entire country, earlier this year, defeating **Greg's Gold** (Lake George) by 4 1/4 lengths in the GII Portrero Grande

Smokey Stover Equi-Photo

Breeders' Cup H. Apr. 7. But he faltered to finish third behind Mach Ride--declared from the Sprint late last week--in the GII Smile Sprint H. at Calder July 7. Crafty trainer Greg Gilchrist sent the four-year-old gelding to take in this track's Icecapade S. Sept. 1 and the dark bay

proved his affinity for the surface, striding home an easy two-length winner over Park Avenue Ball, who starts in the Breeders' Cup Dirt Mile tomorrow. Smokey Stover is drawn in the two hole--not ideal, but workable, according to Gilchrist. "It's not a place I'd choose, but it can be--if things happen right--a good thing," he said. "The rail could be fast. But I don't need or want to be on the lead. There's going to be a lot of speed in there. He's better with something to run at and he'll get that in here."

The Wild Card...

Difficult as it is to deem a track-record setter a live longshot, **Idiot Proof** (Benchmark) is pegged at morning-line odds of 10-1. An allowance winner over the Hollywood Cushion Track May 23, trainer Clifford Sise Jr. shipped in for the GIII Jersey Shore Breeders' Cup S. July 4, and the Wygod homebred declared his independence from the rest of the field, waltzing home to score by 7 1/4 lengths in a final time of 1:07 2/5. He was third at 3-10 in the Real Good Deal S. at Del Mar Aug. 10, but bounced back in his latest to post a 3/4-length victory over Greg's Gold in the GI Ancient Title S. at Santa Anita Oct. 7. Sise has had one other Breeders' Cup starter. Paying Dues was runner-up to Lit de Justice in the 1996 Sprint at Woodbine.

The Stakes record for the G2 San Felipe at Santa Anita had stood for 26 years: even the likes of Point Given, Fusaichi Pegasus and the mighty Affirmed were unable to lower it. Then along came Consolidator. A G1 winning juvenile and still several months short of his third birthday, he stopped the clock at 1:40 flat, trumping the previous record by all of six lengths. Now that is fast.

Leader of the Pack...

It's hard to go against a filly who is undefeated in seven career starts. West Coast maven **Nashoba's Key** (Silver Hawk) marched through her conditions with aplomb, breaking her maiden going a mile against state-bred rivals at Santa Anita in January before galloping over Cal-breds by six lengths while stretching to nine panels Feb. 7. On the sidelines for almost three months, the feisty bay transitioned to Hollywood's Cushion Track with a victory in the Fran's Valentine S. against state-breds Apr. 29 and handled her step up in class with ease, defeating Hystericalady in the GII Milady BC H. June 3. In front by 3/4 of a length over Balance in the nine-furlong GI Vanity H. July 7, Nashoba's Key took the show on the road to Del Mar and once again proved best to take the GII Clement L. Hirsch H. Aug. 5. The classy Citronnade appeared to be en route to an easy score after setting pedestrian early fractions in the Sept. 29 GI Yellow Ribbon S., but Nashoba's key showed her true grit and was up late to best that rival by 3/4 of a length. The only knock against the filly is that she has never raced outside of California, but a win over this international cast will almost certainly ensure an Eclipse Award.

Wild Card...

Argentina (Ire) (Sadler's Wells), third in last year's GI Gamely BC H., opened 2007 with a second--only 3/4 of a length behind by My Typhoon--in the GI Diana S. at Saratoga July 28. Following a two-month hiatus, the five-year-old was settled at the back of the pack in the early going of the GI Flower Bowl Inv. S. at Belmont Sept. 29. Despite mounting a gallant rally in the stretch, the Stonerside mare crossed the wire fifth, beaten a mere 1 3/4 lengths.

The Contenders...

Honey Ryder (Lasting Approval), winner of the 2005 GI E.P. Taylor S. and GI Flower Bowl Invitational S. last year, started off this season with a second to Jambalaya in the GI Gulfstream Park BC H. Feb. 24 before heading over to Dubai for a crack against the world's best turf runners in the Mar. 31 G1 Sheema Classic. The six-year-old mare failed to fire, coming home 11th in the field of 14, but bounced back to win when back with her own gender for the May 26 GII Sheepshead Bay H. Facing the boys next time, she was only a length behind stablemate English Channel in the 11-furlong GI United Nations H. at Monmouth July 7. The Todd Pletcher

Honey Ryder
Horsephotos

trainee struggled home a well-beaten sixth in Arlington's GI Beverly D. S. Aug. 11, but can be forgiven after failing to handle the good ground that day. She makes her first start since. "She runs well fresh, so that was the thinking behind the layoff," said Pletcher. "She had a good race here in the United Nations. This is going to be the last race before she goes home to be bred, so we were trying to figure out the way we could get her the best and we didn't think that running in the Flower Bowl or another prep four weeks out would optimize our chances." **Passage of Time (GB)** (Dansili {GB}) concluded the 2006 racing season with a victory over a field including Soldier of Fortune (Ire)--subsequent G1 Irish Derby hero--in the G1 Criterium de Saint Cloud in November. A narrow winner in her reappearance this term in the 1 5/16-mile G3 Musidora S. at York May 16, the Juddmonte homebred failed to handle the step up in trip or the soft turf in the 12-furlong June 1 G1 Vodafone Epsom Oaks and faded to eighth. Off three months, the English-bred was third in the G1 Prix Vermeille Sept. 16.

Favorites: Four favorites have won in eight previous editions of this race: **Soaring Softly** (1999); **Islington (Ire)** (2003); **Ouija Board (GB)** (2004 & '06).

Cherokee Run's exceptional racing aptitude is still relevant today. Because it's exactly what he passes on to the best of his offspring. And if you're in any doubt about that, may we invite you to turn the page...

Leader of the Pack...

When Charles Fipke purchased the mare Silence Beauty (Jpn) (Sunday Silence) to breed to his racehorse and stallion Perfect Soul (Ire), he wound up with an unexpected bonus: the foal she was carrying at the time turned out to be **Tale of Ekati** (Tale of the Cat). An easy winner in his July 7 debut at Belmont, he couldn't catch Ready's Image when runner-up in the July 26 GII Sanford S. at Saratoga, but flashed an impressive degree of talent and professionalism in the GII Futurity S. at Belmont Sept. 15. In that event, the bay awaited room along the inside before bursting through a seam in deep stretch. He now looks to provide Fipke, trainer Barclay Tagg and jockey Eibar Coa their first Breeders' Cup winner while stretching beyond seven furlongs for the first time. The two turns is an unknown, as is how a blistering four-furlong move in :45 4/5 three days ago--much faster than Tagg wanted--will affect him in the biggest test of his career.

Tale of Ekati *Horsephotos*

The Contenders...

While Tale of Ekati is the *TDN* pick, we can't fault anyone who is backing **War Pass** (Cherokee Run) with both hands. The Robert LaPenta-owned colt is unbeaten in three starts and just keeps getting better. He earned a 90 BRIS speed figure romping by 2 3/4 lengths in his unveiling at Saratoga July 28, added an allowance win there Aug. 26 (100 BRIS), then sped out to lead the way in the Oct. 6 GI Champagne S. at Belmont and forgot to stop, holding on after seeing a big lead whittled down to 1 1/2 lengths by **Pyro** (Pulpit) (107 BRIS). Regression is always a concern after a big effort, especially for juveniles, and nothing short of his best will take this salty event. So how do you spell disrespect? C.A.L.I.F.O.R.N.I.A., apparently. Though the nicely bred **Dixie Chatter** (Dixie Union) enters this as a Grade I winner, having taken the Sept. 30 Norfolk S., and **Salute the Sarge** (Forest Wildcat) has a pair of graded wins to his credit, the pair are 10-1 and 12-1 on the morning line, respectively. The main reason that line maker Brad Thomas installed each horse at double-digits, though, is likely because neither has run on conventional dirt. The Norfolk was run over Santa Anita's Cushion Track, while Salute the Sarge's graded wins came at Hollywood and Del Mar. But both are battled-tested and can relax off a hot pace, and you toss them out at your own peril.

Wild Card...

Joseph Lacombe's homebred **Slew's Tiznow** (Tiznow) got our attention with his maiden win at Saratoga in mid-August. The colt, a full-brother to GSW Slew's Tizzy, ran fourth to War Pass in his first start at the Spa July 28, then returned three weeks later to post a professional 4 1/4-length tally. In that race, he set a pressured pace, then kicked away beautifully with long, fluid strides in deep stretch ([video](#)). He ran with credit to be second to **Wicked Style** (Macho Uno) in the GI Breeders' Futurity at Keeneland Oct. 6 and enters this off a smart work over that surface in :58 3/5 Oct. 20.

Did You Know?

Of the 23 runnings of the Breeders' Cup Juvenile, only three have been won by the offspring of Northern Dancer-line stallions. The line was off to a good start in the Juvenile when Chief's Crown took the inaugural running, but endured a 17-year drought before Johannesburg won in 2001. Wilko, a great-great grandson of Northern Dancer, was the last to do it in 2004.

Leader of the Pack...

Even if Cry and Catch Me had not been scratched, it's tough to believe she would beat **Izarra** (Distorted Humor) again. Izarra hadn't quite gotten it together when she finished third behind **Set Play** (Van Nistelrooy) in the GI Del Mar Debutante, and she did not have the best of it when making her two-turn bow in the Oak Leaf. The bay broke from post 8 and lost ground into the first turn, and jockey Victor Espinoza had his hands full trying to get her to settle down the backstretch.

Izarra Sarah K Andrew

Widest of all around the final bend, she closed willingly and came within a nose of getting to the wire first. The Janis Whitham homebred boasts two-time GI Breeders' Cup Distaff winner Bayakoa (Arg) as her second dam. "She's a very smart filly, not at all hyper like her grandmother," trainer Ron McAnally said.

The Contenders...

The speedy **Indian Blessing** (Indian Charlie) earned the role of morning-line chalk with a record-setting debut victory at Saratoga and a dominant win in the Oct. 6 GI Frizette S. going a one-turn mile. The second choice is also unbeaten. **Proud Spell** (Proud Citizen) went back-to-back at Delaware before closing for a 4 1/4-length tally in the Sept. 15 GII Matron S. Her trainer Larry Jones believes her ability to rate will stand her in good stead in her first route try. "Most of these horses haven't raced enough to show a confirmed pattern; most of them have won with pure speed," Jones said. "At least she's shown she can come from off the pace in all of her wins." **Clearly Foxy** (Volponi) is also perfect to date. Like last year's Juvenile Fillies winner Dreaming of Anna, she prepped with a Woodbine turf score, taking the GIII Natalma S. Sept. 9, but makes her dirt bow.

Wild Card...

GIII Sorrento S. heroine **Tasha's Miracle** (Harlan's Holiday) had to be scratched from the GI Del Mar Debutante when she tied up before the race, then weakened to fifth when trying two turns for the first time in the Oak Leaf. She will be tighter with blinkers on this time.

BREEDERS' CUP DIRT MILE

Let's Get Dirty, Mile Style...

Discreet Cat Sherackstthetrack

The inaugural \$1-million Breeders' Cup Dirt Mile has shaped up to be a good, but not great, race. That said, the race has attracted one superstar, Godolphin's **Discreet Cat**, as well as GI Met Mile winner **Corinthian** and six other graded winners. Because of Monmouth's configuration, the race will not, in fact, be run at a flat mile, but at one mile and 70 yards, which will allow the runners some room to maneuver before they go sailing into the first turn.

Leader of the Pack...

There were few performances more impressive last year than **Discreet Cat** (Forestry)'s rousing victory in the GI Cigar Mile in November, which added an exclamation point to an undefeated campaign. But 2007 has been a star-crossed year for the Godolphin colorbearer. A much-anticipated showdown with Horse of the Year Invasor (Arg) in the G1 Dubai World Cup fizzled when Discreet Cat emerged from a last-place effort in the Cup with a severe throat abscess, a diagnosis that surprised few after a race that was too bad to be believed. It took the four-year-old

Discreet Cat working Sunday
Sarah Andrew

a few months to recuperate, and when he finally did make his return to the races, his reputation was such that he still was sent off the 4-5 pick in the GI Vosburgh S. at Belmont Sept. 30. The typically brilliant runner appeared dull, however, coming home third to Fabulous Strike. His connections think he's taken a step forward since that race, as evidenced by a dazzling :57 2/5 bullet work going five panels at Belmont Park Sunday. "He's really come on since the Vosburgh," said Rick Mettee, assistant to trainer Saeed bin Suroor. "It was either run there or give him a good work every seven days. I'm glad we ran. The race has really helped him." Discreet Cat, who shipped to Monmouth yesterday morning, has drawn the one hole for the Dirt Mile. That post could benefit the colt, as horses to the outside risk being floated wide with a short run into the turn. "I thought it was a good draw for him," said Mettee. "I'm very happy with an inside draw in a two-turn race. I spoke to Saeed and he was happy with it, too. We should be able to pull a pretty good trip. I think Gottcha Gold will be in front, High Finance will be close on the stretchout and, depending how Discreet Cat handles the bend, will be stalking the lead." Bin Suroor is supposed to arrive today.

The Contenders...

Inconsistent is a word that can be used to describe **Corinthian** (Pulpit)'s season. The four-year-old looked like he was ready to join Lawyer Ron atop the handicap division when he registered early season wins in the GII Gulfstream Park H. and GI Metropolitan H. But he failed to land a punch in his next two, well-beaten tries in the 10-furlong GI Suburban H. and nine-furlong GI Woodward S. at Saratoga Sept. 1. Trainer Jimmy Jerkens attributes those losses to distance, and hopes the scale back to a mile will get his charge back on track. "It seems like [he is best at a mile]," said Jerkens. "I didn't think so before, because he won the Gulfstream Park H. at a mile and three-sixteenths. I guess it wasn't against the best field. I guess he outclassed them." Jerkens has also been encouraged by Corinthian's recent works, which have improved since he moved from Saratoga to Belmont last month. "His workouts were kind of sluggish up there [at Saratoga]," said Jerkens. "Thankfully, his workouts have been very good lately." In his most recent, Corinthian breezed six furlongs in 1:11 3/5 over Belmont's training track Oct. 19. Inconsistency has also plagued **High Finance** (Talk is Money) this season. He's run five times since February, winning two, including the GII Tom Fool H. in July, while missing the board in the other three. That includes a double-digit defeat in the Sept. 1 GI Forego S. at Saratoga, his last race.

Corinthian *Sarah Andrew*

Wild Card...

Gottcha Gold (Coronado's Quest) was 10-1 when he upset Lawyer Ron in the GIII Salvator Mile S. in June and was 15-1 when he took the GIII Philip H. Iselin BC S. Aug. 15. At some point, with Gottcha Gold's record five wins and two seconds in eight starts over Monmouth's main track, it no longer becomes an upset.

BREEDERS' CUP JUVENILE TURF

Contested for the first time this year, the Juvenile Turf has drawn a full field of 12. Though Europe's best youngsters have stayed home to contest the Group 1 races across the pond, three promising two-year-olds have been lured by the \$1-million purse. In the past 23 years, three European shippers have come over to take the Juvenile on dirt: superstars Arazi and Johannesburg, as well as the honest Wilko.

This is all the time it took for Songster to break his maiden at Gulfstream, equalling the track record on his debut. It's also where he stopped the clock in the G2 Woody Stephens. A muscular, precocious horse from an all-speed sireline, he retired to stud ranked the best sprinter in the land.

Monticule LLC offered a colt from Danzig's final crop twice, but the youngster RNA'd both times, for \$300,000 as a yearling at Keeneland September and for \$625,000 from the Eddie Woods draft this past April at Keeneland. Monticule principal Dr. Gary B. Knapp wound up taking the bay home, leaving others to ponder what might have been. Named **Prussian**, the colt was tabbed as a ☆ **"TDN Rising Star"** ☆ after taking his Saratoga debut by 6 3/4 lengths Aug. 17. He

Horsephotos

came back to capture Woodbine's GIII Summer S. Sept. 16, and looms as the one to beat here. The Bill Mott trainee has been forwardly placed in each of his two starts, and he'll have to work out a good trip from post nine. "You know, you'd rather be in a little more," Mott acknowledged. "At least we're not on the complete outside. It would have been nice to be in-

side the seven for that particular race, but we'll have to make due." Prussian is the 3-1 morning-line favorite.

The Contenders...

After taking his debut on the Ellis lawn Sept. 22, **Cherokee Triangle** (Cherokee Run) chased home Old Man Buck in his next two starts, including the Miller Lite Cradle S. at River Downs on Labor Day. The bay stepped out of that colt's shadow at Louisiana Downs Sept. 22, kicking away smartly from his rivals to score by 10 3/4 lengths. He has trained smartly since for Mike Maker at Churchill's Trackside. **Gio Ponti** (Tale of the Cat), a winner at first asking at Belmont Sept. 7, came back a month later to take the Bourbon S. at Keeneland, defeating Nownownow, with Your Round fourth. Sadler's Wells has been represented by five individual winners of six Breeders' Cup in his storied career, second only to Mr. Prospector and tied with Storm Cat.

The venerable stallion is represented by a pair of sons here, **Achill Island (Ire)** (Sadler's Wells) and **Domestic Fund (Ire)** (Sadler's Wells) having shipped over from Ireland. Both will race with Lasix, while Domestic Fund has blinkers on as well. Achill Island, second in his first two starts, graduated in game fashion at Tipperary Aug. 30. Produced by a half-sister to Royal Academy and Terlingua--the dam of Storm Cat--the bay had some traffic problems in the G2 Royal Lodge S. at Ascot Sept. 29 before finishing second by 3/4 of a length. "[He's drawn] a bit wide, but he is a solid little horse," rider Johnny Murtagh told *Racing Post*. "He ran well at Ascot. Scintillo finished third that day and went on and won [a Group 1] in Italy, which is solid enough form. I am looking forward to a good run from him, too." Domestic Fund, a full brother to G1 2000 Guineas hero Refuse to Bend (Ire) and a half to G1 Melbourne Cup conqueror Media Puzzle, broke through in his third try at Leopardstown Aug. 19. The Moyglare Stud homebred followed that with a runner-up effort in the G2 Juddmonte Beresford S. at The Curragh Sept. 30.

Wild Card...

The Juvenile Turf was overscribed with 23 two-year-olds when pre-entries were taken last week, and **Cannonball** (Catienus) was last on the preference list. His connection opted to run Sunday in the King Cugat S. at Belmont, and the New York-bred duly won for owner/breeders Ken and Sarah Ramsay. Several defections later, Cannonball is back in the picture with a quick turnaround. "We're going to give it hell," said trainer Wesley Ward. "Right now, he's wilder than a March hare." The gelding should secure a tactical trip from post two. "We'll be a cool sitter and go-getter," Ward added.

BREEDERS' CUP F/M SPRINT

Fillies and mares have done quite well in the GI Breeders' Cup Sprint throughout the years, and they will finally have a race to call their own this year. Very Subtle got the job done for the fairer sex in 1987 and fellow females Safely Kept and Desert Stormer defeated the colts in 1990 and 1995, respectively. Other memorable performances in the Sprint include Meafara's back-to-back second-place finishes in 1992 and 1993, as well as Soviet Problem's runner-up effort in '94. Safely Kept was runner-up to Dancing Spree in '89, but was still awarded the sprinter Eclipse that year.

They say breeding's a numbers game. But sometimes this is the only number you need. Elusive Quality was the number one fastest miler in the world. He was the number one freshman sire of his year. He is the one and only stallion to have become Champion Sire from a \$10,000 stud fee. And guess who was the number one most profitable \$100k sire at Keeneland Book 1, with a median of \$405k? That's right, yours truly, number one!

Leader of the Pack...

Dream Rush (Wild Rush) kicked off the season with a second-place finish in a \$100,000 optional claimer at Gulfstream Park in January, but has been unbeatable since. The speedy sophomore reeled off victories in the GIII Old Hat S. at Gulfstream Feb. 10, the GII Nassau County Breeders' Cup S. and the GI Prioress S. at Belmont Park May 5 and July 7, and the GI Darley Test S. at Saratoga last time Aug. 4. The West Point colorbearer also finished a game second when stretched to one mile in the GI Acorn S. June 9. She figures to have plenty of company on the early lead in her first attempt against older horses. "It remains to be seen," trainer Rick Violette, Jr. said when asked how his star filly will handle having company on the early lead. "In the Test, there was a world of speed and she opened up on them. There's certainly a world of speed in this race. She's very capable of laying second or third if the pace is the :21 and change variety. If it's :22 flat or :22.1, I'm sure we're going to be right there. She's more than capable of laying second and starting a challenge at the three-eighths pole." Violette holds Dream Rush in the highest regard. "She's obviously very special," Violette continued. "She can easily be undefeated. She's shown up every time we've led her over there, whether she's been on all eight cylinders or not. In the Test, she was perfect. There were other races where we had [small] issues with her and still got an 'A' effort. Those horses are rare. She doesn't need a racetrack--she's won at four different racetracks. She doesn't need a post position--she's won from the one hole and she's won from the outside. Unfortunately, good horses like that don't come around often enough."

The Contenders...

The first preference for **La Traviata** (Johannesburg) was for the GI Breeders' Cup Sprint, but the undefeated filly was entered in this spot after all. The dark bay couldn't have been more impressive in her Churchill debut June 8, then got the job done by five lengths in Monmouth Park's Post Deb S. July 22. She stumbled at the start in Saratoga's GIII Victory Ride S. last out Aug.

25, but still led 'em past every pole en route to a 9 1/4-length victory.

Oprah Winney (Royal Academy), fresh off an appearance on the Oprah Winfrey Show Tuesday, placed second in the GII Vagrancy H. June 17, then added Monmouth's Regret S. Aug. 5 and the Schenectady H. most recently Sept. 9. **Maryfield**

(Elusive Quality) closed from fifth to annex the GI Balle-rina S. at the Spa Aug. 26 by a nose over **Baroness Thatcher** (Johannesburg).

Wild Card...

Shaggy Mane (Bertrando), a 7 3/4-length victress of the Sunshine Millions Filly and Mare Sprint S. Jan. 27, appears to be the speed of the speed. The dark bay dueled through fractions of :21 2/5 and :44 2/5 before

giving way late to River's Prayer in the GI Princess Rooney H. July 7. She enters off a disappointing eighth-place finish as the 6-5 favorite behind **Miss Macy Sue** (Trippi) in the Presque Isle Downs Masters S. Sept. 15. "I can't really put my finger on any one thing," trainer Don

Chatlos, Jr. said when asked why he thought Shaggy Mane ran so poorly. "I think it was a combination of things that caused that to happen. Number one, the long trip. It was a six-hour flight to Lexington, then an 11-hour van ride. I think that kind of got her unwound a little bit. She was a little more on edge all week than I wanted her. The race was at night, which is something she's not used to, and then that track. I just think the track was the final straw. I think on a normal day, maybe she would've handled that track fine, but with all those factors together, I think it was too much for her." Whatever the excuse may have been that day, Shaggy Mane appears to have put the Masters behind her; she fired a five-furlong bullet in :58 4/5 over the Hollywood Cushion Oct. 12. "I can't believe that she came back from Pennsylvania the way she has," said Chatlos. "She's much better now than she was going into the Sunshine Millions. I'm not saying she's a slam dunk in the Breeders' Cup, but I'm just saying going in, I'm very, very happy where she's at." Chatlos, who saddled Singletary to an upset victory in the 2004 GI Breeders' Cup Mile, is making it very clear where his charge will be. "For us to win, we've got to clear that field," he said. "We have to get clear, at least a length. I'm so happy that Cornelio [Velasquez] is riding her, because I know if they turn for home and he's in front, you better have a lot of horse to get by him."

ANNA FOREVER (f, 3, Grand Slam--Midnight Polka, by Danzig) was disqualified from the win in her Dec. 16 bow at Philly Park, but graduated in her next start Jan. 7. Facing much tougher here in her first appearance since a third in Laurel allowance company Feb. 10, the half to Four Pennies (Gulch), SW, \$167,154, was slow to start, but quickly recovered to attend the pace. She edged to the front in upper stretch and stayed on for a 2 1/4-length success over Ginger Bay (Golden Missile) at odds of 12-1. The winner was a \$100,000 KEESEP yearling acquisition. Lifetime Record: 4-2-1-1, \$56,842.

JIVE (f, 4, Dynaformer--Dance Gaily, by Nureyev), seventh to the talented Roshani in a May 28 allowance over the Monmouth turf, improved to fifth in a similar event June 30 and was last seen finishing fourth in two-other-than company in Oceanport Aug. 8. A 4-1 chance in this off-the-turf affair, the \$25,000 KEESEP yearling was never far from the front, gained ground on the final turn and ran down Wingspan (Silver Hawk) for a 1 3/4-length victory. ABSOLUTELY CINDY (f, 2, Arch--Ms. Boucheron, by L'Enjoleur) ran third on Turfway's Polytrack Sept. 23. Put in against winners in a grassy Keeneland allowance Oct. 11, she ran well in her turf debut, finishing second at 13-1 odds. Wheeled back two weeks later here and back on the Poly, she caboosed the field through the opening half, then came charging late to catch Lookalike (Dynaformer) by 3/4 lengths. Favored to earn his first black-type, War Monger was confidently handled by Kent Desormeaux in the

Bettors didn't let the 15 1/2-month break dissuade them from sending her off the 4-5 pick here, and she came through for the crowd, dueling with Who Fu (Fusaichi Pegasus) from the start and digging in to beat that foe by a nose. The dark bay earned some of that back here--both in purse money and in win money, if his connections indeed visited the windows beforehand. Off at 14-1, he made every step a winning one to beat Truly Yours (Yes It's True). A 3/4-brother to G City Gal (Elusive Quality), GISP, \$297,624, he was a \$5,000 KEENOV weanling, \$25,000 KEESEP yearling and \$47,000 OBSAPR juvenile. The dark bay took some play at 4-1, but still had plenty to do as she turned for home at the back of the pack. ★ INDUSTRY INFO ★

Harper and Geary Address RTIP Students in Forum:

Joe Harper and Ron Geary were guest speakers in classes for The Race Track Industry Program at the University of Arizona campus. Harper, president and general manager of the Del Mar Thoroughbred Club, discussed the operation of a major racetrack on a state fairground, the installation of the Polytrack surface and profiled Del Mar's marketing strategy. "We created an atmosphere away from the racing product," said Harper, whose presentation is available through iTunes U. Ellis Park owner and president Ron Geary detailed the efforts he has made to improve the finances of the Henderson, Kentucky oval since he assumed the helm in September 2006. In an effort to change the trend of six years of consecutive losses, Geary made capital improvements, lowered takeout on the track's Pick 4 to four percent, increased sponsorship revenue and improved relations with the horsemen as part of a much larger strategy. We're going to blow them away next summer," Geary said.

FIGURES UP AT DEAUVILLE Arqana's October Yearling Sale, which witnessed a new record price when Patrick Barbe paid €330,000 for a 3/4-sister to Natagora (Fr) Tuesday, ended with major increases after a solid final day's trading yesterday. Despite a small drop in the session average yesterday, the median of €16,000 represented an increase of 14 percent on 2006, but it was the total returns which told the real story. At the end of a momentous three days for the sales company, the average of €28,868 was up by 32 percent and the median of €20,000 rose by 25 percent on last year's equivalent. Trainer Nicolas Clement was to the fore of the main action yesterday when snapping up the top-priced filly and colt. Haras de Grandcamp's hip 421, a Lando (Ger) half-sister to the GII San Luis Obispo H. winner Obrigado (Fr) and dual group winner Coupe de Champe (Fr), provided the session's central focus and was knocked down to the Chantilly-based conditioner for €100,000. Clement also paid €77,000 for Haras du Ma's hip 380, a son of the late Kendor (Fr) whose dam, Zalida (Ire) (Machiavellian), is a half to this year's listed scorer Baby Blue Eyes (Ire). As a descendant of the champion It's In the Air, he shares his page with Storming Home (GB) and the 2003 G1 Poule d'Essai des Pouliches and 2004 GI John C Mabee H. winner Musical Chimes. Winning Bloodstock Agency purchased hip 466, a Fantastic Light half-sister to the dual listed winner Hamriya (GB) from the immediate family of Northern Afleet and Tap to Music, for €72,000, while Prime Equestrian paid €70,000 for Haras de Coulonces's hip 493, a daughter of Lando (Ger) from the extended family of the 1989 G1 Middle Park S. winner and sire Balla Cove (Ire). KALANISI RELOCATES TO BOARDSMILL STUD

Kalanisi (Ire) (Doyoun {Ire}--Kalamba {Ire}, by Green Dancer) will relocate to Boardsmill Stud from Giltown Stud in Ireland, in a deal brokered by bloodstock agent Edward Daly. The 11-year-old stallion, whose first crop is four, is the sire of stakes winners Hasanka (Ire), Sindirana (Ire) and Katchit (Ire). Kalanisi won the 2000 renewals of the GI Breeders' Cup Turf and G1 Dubai Champion S. "I am thrilled to have acquired Kalanisi ahead of the 2008 stud season," said Boardsmill Stud owner William Flood. "He is obviously a very fertile and dominant sire who proved his toughness and soundness on the racecourse at Group 1 level from seven furlongs to 1 1/2 miles. Most importantly, he is passing on his toughness and soundness to his produce." Kalanisi will stand for €6,000.

3rd Dam: Special, by Forli (Arg)

Aidan O'Brien, who has introduced individuals with potential in this contest in the past, utilized the tried-and-trusted method once more to unveil Kingdom of Naples in this year's renewal. Occupying a handy rail position behind the leaders, the 5-1 second favorite made continued smooth progress once into the home straight. The bay colt quickened to the front in impressive style approaching the final furlong and stretched clear in the closing stages to record an easy three-length success from Masiyma (Ire) (Dalakhani {Ire}).
