SADLER'S WELLS COLT TOPS TATTS OPENER

Yesterday's Tattersalls December Yearling Sale was headed by a 170,000gns Sadler's Wells colt who was consigned by John Troy and knocked down to Demi O'Byrne, acting for the Coolmore partners. The colt was previously purchased by Earle Mack's Citywest Inc. for 280,000gns at the Tattersalls October Yearling Sale,

Lot 229 Tattersalls

but was returned because he was incorrectly catalogued at that auction. "I was very pleased to get him for that amount, and it's more than likely that he'll be going into training with Aidan [O'Brien]," said O'Byrne. The session topper is out of Zarawa (Ire) (Kahyasi {Ire}), a half-sister to group-placed Zarannya (Ire). A Montjeu

(Ire) colt changed hands for 160,000gns, the day's second-highest price, when offered through Flash Conroy's Glenvale Stud. Agent John McCormack outbid Blandford Bloodstock's Tom Goff for the three-parts brother to G1 Fillies' Mile second Dance to the Top (GB) (Sadler's Wells). "He's been bought to race in Hong Kong and is for the same owner for whom I bought Hong Kong Derby winner Industrial Pioneer and Industrialist," said McCormack. "He's bred to be a good horse and, if you believe cream rises to the top, he's going to have a good future." McCormack was earlier underbidder for an Indian Ridge (Ire) colt who had missed his date at the Goffs Million Sale. "He's a nice sort of horse with scope, I like Indian Ridge as a stallion and there aren't many more of them," said trainer John Gosden, who paid 150,000gns for the colt, who is out of Scruple (Ire) (Catrail). The five-day December Foal Sale starts today at 10 a.m.

TATTERSALLS FOALS SELL TODAY

Following yesterday's Yearling Sale, the five-day Tattersalls December Foal Sale begins at 10 a.m. this morning with a record 1,395 lots catalogued. There are sure to be many highlights among the Sangster family's dispersal, which includes Lot 1361, a Montjeu (Ire) colt who is a sibling to five black-type performers, including G1 Fillies' Mile heroine Playful Act (Ire) (Sadler's Wells), who made a record \$10.5 million at Keeneland in November. Lot 1270 is a Rock Of Gibraltar (Ire) filly who is a sibling to six Australian black-type performers, including Group 2 winner Newquay (Aus). **Cont. p2**

MISS ANDRETTI NAMED HORSE OF THE YEAR

Miss Andretti (Aus) (Ihtarim {Ire}) was named Australian 'Racehorse of the Year,' as well as champion sprinter and 'Most Popular Racehorse' trophy at the Australian Racehorse of the Year and Hall of Fame gala dinner at Royal Randwick on Monday night. During season 2006-07, Miss Andretti won four Group 1 races: the Manikato S., Lightning S., Australia S. and Newmarket H. before scoring in the G2 King's Stand S. at Royal Ascot in June. Miss Andretti, who flew out Monday night ahead of her tilt in the G1 Hong Kong International Sprint on Dec. 9, collected 75 of the votes for most popular title, well clear of rivals Miss Finland (Aus) (16); Haradasun (Aus) and Takeover Target (Aus) (three); and Racing to Win (Aus) (two). **Cont. p3**

Miss Andretti Horse of the Year (cont. from p1)

Miss Andrett's trainer, Lee Freedman, and jockey Craig Newitt, were absent from the awards ceremony because Racing Victoria stewards advised the EI quarantine would keep them away from the stables and the races for two days afterwards. "She deserves to win it, without a doubt," said Newitt, who travelled to the U.K. with the six-year-old for her Royal Ascot score. "She's a multiple Group 1 winner and broke three track records in the process." Miss Andretti has a record of 19 wins from 28 starts and earnings of A\$2,836,991.

And The Winner Is...

The Gai Waterhouse-trained **Meurice (Aus)** (Strategic {Aus}), who won the champion two-year-old colt title, was transferred to Waterhouse after winning the Listed Debutants S. and placing in the G3 Maribyrnong Plate and L. Merson Cooper S. He won the G2 Todman S. Mar. 17 at Rosehill before a game third to Forensics (Aus) in the G1 Golden Slipper S. Mar. 31 at the same track. Meurice concluded his juvenile season on a high with a win in the G1 Champagne S. Apr. 17.

Heading the three-year-old filly division was **Miss Finland (Aus)** (Redoute's Choice {Aus}) following wins in the G1 Crown Oaks, G1 1000 Guineas and G1 Australian Guineas against the opposite sex. **Haradasun (Aus)** (Fusaichi Pegasus)'s Group 1 wins in the George Ryder S. and Doncaster H. ensured he was champion three-year-old male. Haradasun has since joined Aidan O'Brien's Ballydoyle string. Earning the title for champion sire was Flying Spur (Aus), whose Group 1 winners include Forensics (Aus), Mentality (Aus) and Magnus (Aus).

Creme de la Creme...

Eight racing identities were inducted into the Hall of Fame: jockeys Darren Beadman and Arthur Ward; former Sydney Turf Club chairman Harry Tancred was inducted as a Racing Hall of Fame Associate, champion gallopers Flight (Aus), Grand Flaneur (Aus) and Super Impose (NZ) were inducted into the Racehorse category, while Fred Best and racing's first lady Gai Waterhouse became Hall of Fame trainers. Not surprisingly, immortal galloper and inaugural Hall of Fame member Phar Lap (Aus) was inducted as the first Tabcorp Racing Hall of Fame Legend. David Hayes was named the Champion Group 1 Trainer for 2006-07, while Craig Williams, with eight Group 1 wins, was named Champion Group 1 Jockey.

Every now and again the pages of Monday morning's TDN are, for me, the equivalent of Old Mother Hubbard's cupboard--bare of any obvious material for my Tuesday column. But then there are other days when there are enough bones in the Hubbard cupboard to satisfy an Irish Wolfhound. The Thanksgiving holiday was one such period, with graded stake after graded stake throwing up rich pickings.

For example, the GI Citation H. saw Langfuhr represented by his third Grade I winner of the year, in the form of Lang Field, while the GI Cigar Mile win by Daaher helped Awesome Again match that notable feat. Victory Gallop's revival continued apace, with Kettleoneup taking the GII Falls City H. and Anak Nakal the GII Kentucky Jockey Club S. Anak Nakal's win was made all the more interesting by the fact that he is inbred 3x3 to Fappiano. **Cont. p.5**

(Pedigree Insights cont.)

Although Empire Maker's daughter Turn Away suffered from pilot error when favorite for the GII Golden Rod S., the 2003 GI Belmont S. winner was able to show his potential when Mushka cruised from last to first in the GII Demoiselle S. The Saratoga sale-topper has a Seattle Slew mare as her second dam, so each of Empire Maker's first two graded winners has the 1977 Triple Crown winner in the third generation of her pedigree.

We also saw Mr. Prospector's broodmare daughters reinforce two of their strongest partnerships. A.P. Arrow's first Grade II success, in the Clark H., means that A.P. Indy's total of 11 graded winners from 98 foals out of Mr. Prospector mares now includes seven at Grade I or Grade II levels. And The Leopard's victory in the GIII Generous S. means that daughters of Mr. Prospector have now produced 10 graded winners from 89 foals by Storm Cat. Another of those 89 foals, Catienus, struck gold when his daughter Precious Kitten topped her fine season with victory in the GI Matriarch S. Catienus also had the second--Talent Search--in the GI De Francis Dash.

And Catienus wasn't the only son of Storm Cat in fine form. The royally bred Pure Prize was responsible for Pure Clan, the admirably versatile filly who maintained her unbeaten record in the Golden Rod S.

Storm Cat's broodmare daughters also got into the act, with Ministorm being responsible for Mini Sermon. This winner of the GII Top Flight H. is one of the many horses with 4x4 inbreeding to Secretariat in their pedigree, created by sending daughters of Storm Cat to sons of either A.P. Indy or Gone West. Before anyone jumps to the conclusion that this is a sure-fire way of producing top performers, I should point out that Mini Sermon is only the third graded winner, following Sky Mesa and Horse Greeley, from the first 109 foals bred this way.

Another highly popular nick, this one concerning Storm Cat's sire Storm Bird, was also back in the news when Gulch's son Court Vision overcame all sorts of trouble to land the GII Remsen S.

It was back in 1991, in his third season, that Gulch covered Storm Bird's daughter Line of Thunder. You'll hardly need me to remind you that that mating resulted in the excellent Thunder Gulch, who, coincidentally, gained his first stakes success in the Remsen S. in 1994. That Grade II victory proved to be a prelude to much greater things, including victories in the Florida Derby, Kentucky Derby, Belmont and Travers S., plus the title of champion three-year-old colt of 1995. Other Remsen winners who have gone on to land the Kentucky Derby include Go For Gin, Pleasant Colony and Northern Dancer.

Needless to say, Thunder Gulch's exploits brought daughters of Storm Bird flocking to Gulch's gate, to the extent that Storm Bird is now the commonest broodmare sire among Gulch's foals, with a total of 59.

(Pedigree Insights cont. from p5)

The nick has maintained momentum with further graded successes from Fast Decision (2002 Withers S.), the speedy Listen Here (GII Amsterdam S. in 2002) and now Court Vision, who has won his last three starts. Another stakes winner from this cross is Court Vision's brother Garcia Marquez, who won important races over 1¼ and 1½ miles in Hong Kong.

Gulch isn't the only son of Mr. Prospector with plenty of foals out of Storm Bird mares, others being Seeking the Gold (sire of the champion juvenile filly Flanders) and Machiavellian (sire of the Group 1 winner Medicean). There are also graded winners by Chester House, Fusaichi Pegasus, Gone West and Jade Hunter.

Court Vision's connections must have high hopes that he will continue to follow in Thunder Gulch's footsteps, but the colt has probably already done enough to earn a place in the WinStar stallion barn.

Court Vision came on the market as a yearling in 2006, when Gulch was 22 and coming off a couple of comparatively quiet years. Although sired at a fee of \$50,000, Gulch's 2006 yearlings averaged only \$64,257 and their median was only \$50,000. Court Vision, though, achieved the third-best price of \$180,000 and was seen in a much better light at Fasig-Tipton Florida's select two-year-olds in training sale, where he made \$350,000.

Even so, Court Vision's reception in the sales ring was in sharp contrast to the welcome that had awaited one of his older brothers, Kipling.

When Kipling appeared at the 1997 Saratoga Yearling Sale, he topped the sale at \$1,400,000. This was hardly surprising as, in addition to being bred on the same cross as Thunder Gulch, he was out of a mare with a tremendous pedigree. His dam, Weekend Storm, is an unraced sister to Summer Squall, an excellent winner of the Preakness S., and she is also a half-sister to A.P. Indy, 1992's Horse of the Year. What's more, with Storm Bird as her sire and a Secretariat mare as her dam, Weekend Storm was bred to the same pattern as Storm Cat, who had already been champion juvenile sire on three occasions.

Although Kipling fell well short of the hoped-for standard on the racetrack, he has shown this year that his buyers weren't totally wrong in having faith in him. He is the sire of Kip Deville, who was gaining his second Grade I victory when he landed the Breeders' Cup Mile. There has been no better advertisement for the virtues of the Lassie Dear female line than Breeders' Cup Day. As many as five stallions from this family have now sired GI Breeders' Cup winners, the others being A.P. Indy (Tempera), Summer Squall (Storm Song), Honor Grades (Adoration) and Deerhound (Countess Diana). Three of the five--Kipling, Deerhound and Honor Grades --never won a stakes race, so Court Vision, with two graded wins already in the bag, is well qualified for stallion success.

**Demoiselle S.-G2 winner MUSHKA is the
 11th Graded stakes winner of 2007 from
 Denali Stud consignments.**

Congratulations and thank you to
 breeders Guy and DeDe Snowden,
 owner Zayat Stables and trainer Bill Mott.

In 1999, we helped DeDe and Guy Snowden
 and Bill Mott select SLUICE at Keeneland July.

After her stakes-winning racing career,
 managed by Bill Mott, we helped plan the mating
 to EMPIRE MAKER with DeDe Snowden.

We foaled, raised, and sold MUSHKA,
 who topped the Saratoga Sale at \$1,600,000.

On Saturday, MUSHKA powered to a 4 1/2 length
 victory in her Graded stakes debut.

Congratulations DeDe on SLUICE's first foal being
 a graded stakes winner.

PRIX BELLE DE NUIT-Listed

Sir Mark Prescott utilizes Jean-Bernard Eyquem for many of his French forays and the jockey executed orders to perfection here to garner further black type for the illustrious family of Kirsten Rausing's homebred. Alma Mater broke through at third attempt in a Musselburgh maiden last time Nov. 9 and wired the field for an easy success in this stakes bow. Breaking swiftly from the gate to lead, she was coaxed along with three furlongs remaining and maintained a relentless gallop inside the final quarter mile to win unchallenged.

Victorious in last term's Listed Prix du Cercle at Deauville, Biniou had not entered the winner's circle in 13 subsequent starts, but corrected matters here to complete an afternoon British stakes double. Lining up off a seventh in the Nov. 2 G3 Prix de Seine-et-Oise at Maisons-Laffitte, he tracked the leaders in a close eighth until making his bid at the eighth pole and asserted under a sympathetic drive in the closing stages to record a snug success.

GOFFS/DBS EXTEND BLOOD TESTING

The Goffs/DBS Group yesterday announced that they will extend the blood test for banned drugs to include anabolic steroids from the beginning of the New Year. As a result of recent improvements in the accuracy and speed of testing methods for the substance, the organization's Chief Executive Officer Henry Beeby spoke of the need to "increase transparency" at the sales in Britain and Ireland. "We have introduced this test as a further example of our confidence in the horses we sell and to increase transparency at all our sales," he said.

AUSTRALASIA

STEROID POLICY ASSESSED DOWN UNDER

Australian sale companies are unlikely to follow the lead of Keeneland and Fasig-Tipton, both of which are implementing a policy where no anabolic steroids may be administered to weanlings and yearlings within 45 days of sale. "My feelings are that it is really not an issue, because the major Australian studs, as far as I know, don't use steroids--we'd be looking for 'reds under the bed,'" Magic Millions managing director David Chester said. "Particularly at our sales--we get the cream of the crop and they are from well-renowned studs that don't use these drugs. I don't think it is an issue in Australia." Inglis director Jonathan D'Arcy said the Sydney-based sale company would observe the US situation. "We believe that the industry here should observe what happens at the sales in the U.S. for the first year at least," D'Arcy said. Aushorse chairman and TBA President John Messara said he doubted Australia would follow suit in the immediate future. "If we have nothing to hide, we have nothing to fear," Messara said. "I am not against drug testing, but I don't think it will be introduced here unless there is a push for it."

AJC ANNOUNCES REVAMPED THREE-DAY CARNIVAL

The Australian Jockey Club (AJC) has announced a revamped three-day autumn carnival, beginning on Saturday, Apr. 26 with Derby Day, followed by Oaks Day April 30 and Doncaster H. and Sydney Cup Day Saturday, May 3. The final day will feature five Group 1 events; the Doncaster H., Sydney Cup, Queen Elizabeth S., Champagne S. and All Aged S. "The decision to condense the carnival has come about due to the exceptional circumstances the racing industry faced with the outbreak of Equine Influenza earlier this year," AJC chief executive Norm Gillespie said. "However, it does give the AJC the opportunity to try a new format for 2008. After wide consultation it was felt that maximising the potential of both Saturday race days was paramount to showcasing our leading Autumn races--the Derby and the Doncaster."
