**U.S. GRADED RACES ANNOUNCED FOR 2008**

The Thoroughbred Owners and Breeders Association's American Graded Stakes Committee yesterday announced its listing of U.S. graded stakes for 2008. The committee, which conducted its annual grading session in Lexington, Kentucky on Tuesday, awarded three races new Grade I status: the Maker's Mark Mile S. and First Lady S. at Keeneland, as well as the Just a Game

S. at Belmont Park. No current Grade I events were downgraded. Notably, the trio of races added to the Breeders' Cup World Championships this year--the Filly & Mare Sprint, Juvenile Turf and Dirt Mile--were left ungraded after Breeders' Cup Limited chairman Bill Farish, Jr., a guest at the grading session, asked the committee to table a previous request by Breeders' Cup to award all three races Grade I status. The races could still receive a grade prior to next year's Breeders' Cup at Santa Anita Park. Seven races were upgraded to Grade II status for 2008: the Rebel S. at Oaklawn Park, Fifth Third Elkhorn S. at Keeneland, Indiana Oaks at Hoosier Park, Lake George S. at Saratoga, Sands Point S. at Belmont Park, Providencia S. at Santa Anita and Old Hat S. at Gulfstream Park. **Complete listing, p3-4**

**ROMANCE IS DIANE TRIES TO BUILD OFF WIN**

Senji Nishimura's *Romance is Diane* (In Excess {Ire}) has had a rollercoaster year since winning the GI Hollywood Starlet S. nearly 12 months ago as a 14-1 longshot. After that big victory, she failed to make much of an impact in her next three, running near the back of the pack in each, but began to turn things around over the summer. She ran third, beaten a half length, in the Fleet Treat S. at Del Mar in July, then was second in the Torrey Pines S. at that track in early September. It was her latest race, though, that signaled the Mike Mitchell-trained filly might be back to her old self. Sent off at 5-1 in the \$150,000 Cal Cup Matron H., *Romance is Diane* was put on the front for the first time since breaking her maiden and responded with a rousing 6 1/4-length tally at Santa Anita Nov. 3. The time of the race, 1:40 1/5, established a new track record for a 1 1/16 miles. Given plenty of time to recover from that effort--which earned her a 101 BRIS figure--*Romance is Diane* has drawn the four hole in her return to graded company.

## Tattersalls December Sale Foal Sale

### STARCRAFT FILLY TOPS TATTERSALLS DAY 2

Yesterday's low-key second session of the Tattersalls December Foal Sale in Newmarket, during which the figures and clearance rate dipped markedly from 2006, was topped by a 65,000gns filly from the first Northern Hemisphere crop of Group 1 winner Starcraft (NZ) (Soviet Star). Out of Proudfoot (Ire) (Shareef Dancer), the half-sister to Listed winner Head Over Heels (Ire) (Pursuit Of Love {GB}) was consigned

Lot 704 Tattersalls

by breeder Jim Mitchell from Beechgrove Stud. She was purchased by Starcraft's owner Paul Makin through Badgers Bloodstock. "I've got plenty of Starcrafts myself, but I saw her and thought she was just a very nice well-bred filly," said Makin. "I'm keen to support the breeders who have used Starcraft and it may be that I put the whole lot through as yearlings and buy some back; I just don't know at the moment what I'll do." A French-bred half-sister to recent Listed winner Lady Deauville (Fr) (Fasliyev) was bought by the same owner as her sibling, Warwickshire-based Peter Hughes. He paid 60,000gns for the Zieten filly, out of Group 1 winner Mercalle (Fr) (Kaldoun {Fr}), who was offered by the Castlebridge Consignment. "Lady Deauville has been absolutely fantastic for us and, at some point, I would like to breed from her, but I just thought that if there were any problems we would have a back up on the bloodlines," said Hughes. The pinhooking partnership of David Redvers and Peter Molony paid 60,000gns for a Compton Place (GB) colt out of Listed-placed Millybaa (Anabaa). He will be re-offered by Molony's Rathmore Stud next year. For the day, Tattersalls sold 155 yearlings for 2,431,000gns. The average of 15,684gns fell 17.4 percent from a year ago, while the median fell 33.3 percent to 10,000gns. The sale continues today at 10 a.m.

**RAFFETTO REPLACED AT MJC** The Maryland Jockey Club announced yesterday that, effective immediately, Lou Raffetto has left his post as president and chief operating officer of MJC. Chris Dragone, who formerly served as senior vice president and general manager for the Magna Entertainment Corp.-owned MJC, has been appointed to replace him. Frank Stronach, chairman of MJC, stated, "Lou worked very hard during his tenure with MJC to manage the day-to-day operations and improve the future of thoroughbred racing in the state of Maryland. We wish him well in his future endeavors." Stronach added, "MEC remains strongly committed to the future success of thoroughbred racing in Maryland. To this end we will put the full support of MEC behind Chris and the MJC management team." Dragone joined MEC in 2002 as general manager of Great Lakes Downs and Portland Meadows, then was named to his post at MJC in 2006. He left that position eight months later due to personal reasons, taking the job as executive director of the New York Thoroughbred Breeders' Inc. "Working with the other key stakeholders, I hope to build upon the platform established by Lou Raffetto and the De Francis family," Dragone remarked.

**PENNSYLVANIA BANS STEROIDS** The Pennsylvania Horse Racing Commission announced yesterday that, effective Apr. 1, 2008, the use of anabolic and androgenic steroids in Thoroughbreds will be prohibited in the state, according to published reports. The commission also said it will increase testing for steroids. Officials have advised trainers and veterinarians to discontinue the use of steroids by Dec. 1 to allow steroids to clear a horse's system by Apr. 1. The Thoroughbred tracks affected by the ban are Penn National, Philadelphia Park and Presque Isle Downs.

**SANTA ANITA TO CLOSE MAIN TRACK** Santa Anita Park yesterday announced that it would close its main track from Dec. 3-10 after concerns were raised about drainage. During that span, officials plan to bring in experts to test and adjust existing material. "We are just not satisfied that our racing surface is ready for the winter weather, and we want to be sure it's working properly before the start of the meet on December 26," said Santa Anita President Ron Charles. The Cushion Track surface was installed last summer. Santa Anita has already solicited numerous track surface and soil preparation specialists, who have conducted a number of maintenance programs on the main track and water tests in the seven furlong chute. The experts agreed that it would be advisable to conduct further investigative efforts on the Cushion Track and its drainage foundation. "We just feel we owe it to the horsemen to do everything we can to make sure the drainage system we have provides the same consistent surface we all expected and were guaranteed," said Charles. "Right now, I just don't think we're there. It's critical that we go into our winter meet knowing that when it does rain, the track drains vertically and allows us to be back racing on a safe racing surface in a very short period of time. Santa Anita has now invested over \$11 million to provide a safe racing surface. We are looking to Cushion Track to provide the ultimate answer to this problem." Santa Anita's inner training track will remain open for training during this period of adjustment to the main track, and will operate with extended hours to accommodate horsemen.

her first black-type event in the Hillsborough H. at Bay Meadows last March, then won the GIII Wilshire H. over Hollywood's lawn Apr. 25. Sent to the sidelines off an off-the-board finish in the local GI Gamely S. in late May, Charm the Giant had been working very well for her come-

back and was the crowd's well-backed favorite. The bay got an ideal tracking position in third as a pair of rivals sped out well in front. Charm the Giant began to make up ground on the far turn and was full of run down the lane as she swept past. I Can See earned the place spot over fellow closer Double Trouble. It was the fourth victory on the afternoon for jockey Michael Baze. "She broke out of the gate and she was just dragging me," Baze said after the Intercontinental. "Then down the backside she actually started to relax. When I asked her, she just exploded." [Video, sponsored by Taylor Made.](#)

NTRA REPORT FROM  
*Capitol Hill*

**Farm Bill Decision Looms in Senate**

Senate leaders are expected to reach agreement this week on the number and type of amendments that will be allowed on the Farm Bill. The bill could reach the Senate floor for debate next week.

Agriculture Chairman Tom Harkin (D-IA), plans to limit amendments from Republicans and Democrats to about 5-10 per side to speed the bill's passage. Nearly 200 amendments are up for consideration, including the **Equine Equity Act**, sponsored by Senate Minority Leader Mitch McConnell (R-KY).

More hurdles remain for the Farm Bill: the Senate version is markedly different from the House-passed version, spelling a long Conference to work out differences between the two bills, and President Bush has threatened to veto the legislation.

On the upside, a number of influential agricultural groups are pressuring Congress to pass the bill as quickly as possible.

**Currin Hoping to "Wack" Underwood Foes:**

Trainer and co-owner Bill Currin believes he has a live longshot for Sunday's GIII Vernon O. Underwood S. at Hollywood Park in the form of **Bushwacker** (Outflanker). The five-year-old, owned in partnership with Al Eisman, snapped a six-race losing streak in his latest, taking a 6 1/2-furlong allowance race Nov. 10 beneath jockey Joe Talamo in the cracking time of 1:14.86. "He's as good as he's been," the always loquacious Currin commented. "Nothing has ever been wrong with him. And Talamo rides him well, too." A four-time winner in his career, Bushwacker was runner-up to Declan's Moon in the 2004 GIII Hollywood Prevue S. The conditioner also issued an update of **Ever So Pretty** (Stormy Atlantic), a full sister to former stable star Stormello. An impressive debut winner at Hollywood June 2, the bay was sixth in the June 30 Landaluce S., and found a world of trouble in the GI Del Mar Debutante Sept. 3. "A horse broke down in front of her and the jockey had to pull her up," Currin explained. "I was in no hurry to rush her back. This is a very good horse and I gave her time to grow. I have big goals for her for next year."

**Keeneland, NYRA Join Forces on Project:**

The Keeneland Association and the New York Racing Association are working together to preserve NYRA's extensive film and video archives, spanning over 100 years of racing. Undertaken as part of Keeneland's "Racing Through Time" project, some of the track's Broadcast Services Department recently traveled to Aqueduct to catalogue and transport the 858 film reels. Among the film archives is video shot by Thomas Edison on opening day of the new Belmont Park and race footage of legends such as Kelso, Secretariat and Ruffian. "NYRA's film archive is one of the most significant collections of Thoroughbred racing footage in the world," said Keeneland President and CEO Nick Nicholson. "We are very excited to assist them in preserving such an important piece of history." Added NYRA President and CEO Charles Hayward, "With so much racing history made on New York tracks, it's vital that we safeguard the irreplaceable record of our great sport contained in NYRA's film and video archive. We are so pleased to partner with Keeneland on this vital project."

☆ LETTERS TO THE EDITOR ☆

To All NJ Breeders:

As many of you already know, longtime Four Winds Farm employee, Mary Zalinsky, has been diagnosed with breast, liver and bone cancer. Each year I have donated stallion seasons to the various stallion auctions and fundraisers to raise money for their many charities. This year I decided Mo Mon would work to help raise money for Mary's many expenses while she is undergoing chemotherapy. If anyone would like to gift money towards Mary's medical bills, I in turn will donate a free stallion service back to them for 2008. Since she does not have tax-free status, checks must be made out to Mary Zalinsky fundraiser and will not be tax deductible.

If you wish to make a tax deductible donation please make your donation payable to the Racetrack Chaplaincy of America with a note that the donation is for Mary Zalinsky. Donations made through the Racetrack Chaplaincy of America can be mailed to P.O. Box 91640 Los Angeles, CA 90009

**CHEVELEY PARK ACQUIRES KINGSGATE**

**NATIVE** Cheveley Park Stud has acquired the future breeding rights in Group 1-winning juvenile **Kingsgate Native (Ire)** (Mujadil--Native Force {Ire}, by Indian Ridge {Ire}). Until the conclusion of his racing career, the colt will continue to run in the colors of John Mayne and will be trained by John Best. "Both John Mayne and myself are delighted that Cheveley Park Stud came forward to secure a place at such a prestigious stud for Kingsgate Native," commented Best. "We are very excited that he will be running for us next year and hope we can add a few more Group 1 successes to his name. We are very lucky to have a horse as good as Kingsgate Native and it is an honour to have an association with Cheveley Park Stud." Kingsgate Native began his career with a narrow runner-up effort in the Windsor Castle S. at Royal Ascot. He was again a narrowly beaten second in the G3 Molecomb S. before coming home first in the G1 Nunthorpe S. The bay ended his juvenile campaign with a runner-up effort in the G1 Prix de l'Abbaye. "This purchase will compliment the already established source of proven speed associated with Cheveley Park Stud," said the farm's managing director Chris Richardson. "Kingsgate Native showed a blistering turn of foot to win the G1 Nunthorpe S. at York, which he so nearly repeated at Longchamp in the G1 Prix de l'Abbaye when second, another simply stunning two-year-old performance. We very much look forward to further successes for Kingsgate Native in 2008."

**MAGIC MILLIONS SALE DEEMED A SUCCESS**

Magic Millions concluded its two-day Horses in Training Sale on the Gold Coast yesterday, with officials declaring the auction, held under the spectre of the equine influenza outbreak, a resounding success. The sale produced a record average of A\$38,508 and an impressive clearance rate of 86.5 percent. A colt by Giant's Causeway attracted the highest bid during yesterday's second and final session of the sale. The two-year-old, consigned by Oakwood Farm, agent, is out of Marigot Bay (Ire) (Fairy King). He was purchased for A\$220,000 by World Wide Bloodstock, as agent for Patrick Shaw. "He's a lovely colt with a stallion pedigree," Shaw said. "And, at A\$220,000, I think he's a bargain." Macau trainer Gary Moore, buying through his NSW-based bloodstock agent John Hutchinson, purchased two six-figure juveniles, including the fastest breeze-up performer, a colt by Cather in the Rye (Ire) for A\$140,000. At the close of business, Magic Millions Managing Director David Chester expressed his satisfaction with the sale. "This sale has helped restore great confidence in the Australian Thoroughbred industry at a tough time," Chester said. "Many people thought this sale was going to be a disaster. But looking back on the past two days, it's been a stunning success."
