TDN Feature Presentation GRADE 2 SAN CARLOS HANDICAP

LANE'S END SALES GRAD & TDN RISING STAR DUNKIRK IS NOW 2 FOR 2 WITH HIS "eye-catching 4 3/4-length win" IN GULFSTREAM ALLOWANCE THIS WEEK!

BACK OFF THE DL

Yankee Bravo (Yankee Gentleman) hasn't been out since finishing 10th in the May 17 GI Preakness S., and he faces a solid field in his return in today's GII San Carlos H. at Santa Anita. The dark bay started his career with a maiden win at Britain's Redcar in September of 2007. Shipped across the Atlantic for his second start, he took the Eddie Logan S. at Santa Anita that December by a half-length, and made it three in a row in the California Derby last January. Yankee Bravo rallied to be third in the Mar. 8 GII Louisiana Derby, then added a fourth in the Apr. 5 GI Santa Anita Derby, but lacked the graded earnings to make the field for the GI Kentucky Derby, and showed little in the Preakness. **Cont. p2**

SKY MESA HAS SECOND SURGERY

Three Chimneys stallion **Sky Mesa** (Pulpit--Caress, by Storm Cat) underwent a second surgery yesterday after veterinarians discovered an impaction, the farm announced. Surgeons went through the same incision they used Feb. 15 when operating on the nine-year-old after he developed colic. "Sky Mesa had an impaction post-operatively [Thursday] afternoon and the surgeons at Rood & Riddle thought it best to correct it surgically," said Three Chimneys' Case Clay. "The impaction was corrected, and he has recovered well from the procedure. Again, we expect a full recovery and our target date has been slightly adjusted from Mar. 15 to Mar. 20. He was bright and alert this morning in his stall, and we will advise you with any notable updates."

SHE'S NUMBER ONE

It was her toughest test to date, but **One Caroline** (Unbridled's Song) ran her record to a perfect four-for-four in her stakes debut in yesterday's GIII Sabin S. at Gulfstream Park. The grey had to overcome a troubled trip to break her maiden by a length at Churchill Downs May 17, but sailed along on the front end in her second start and hit the line 6 3/4 lengths to the good in an allowance test June 22. Sidelined after earning **"TDN Rising Star"** status with that performance, she resurfaced in an optional claimer over this track and trip Jan. 15, and once again romped to a 6 3/4-length score. Jockey Edgar Prado sent the grey to the front soon after the start yesterday, and she loped through splits of :47.32 and 1:11.80 as the even-money chalk. **Swift Temper** (Giant's Causeway) made a run at her down the lane, but One Caroline held on gamely to get the one-length victory. "It was an easy ride," Prado said. "We started out second and just ran a smooth race. She was cruising the entire time without much trouble. The only reason it got tight at the end was because she was looking for a little competition, but she had plenty today." Added trainer Rusty Arnold, "The Rampart [GII, 1 1/18 miles, Mar. 29] is the logical spot for her next. I think she's pretty special." **Chart, p3**

San Carlos H. cont.

Freshened after his Triple Crown experience, Yankee Bravo was scheduled to get back into action in the Gill La Jolla S. at Del Mar in August, but suffered a minor foot injury that kept him on the shelf for the rest of the season. The four-year-old prepped for the San Carlos with a three-furlong blowout in a bullet :33 2/5 Feb. 18, and trainer Paddy Gallagher is hopeful he is ready to roll in his comeback attempt. "We've got to get him started somewhere," Gallagher said. "This race came up, so that's where we are. Distance doesn't appear to be a problem. He's handled it in the past." Yankee Bravo will actually be making his first start at seven panels, but broke his maiden going five-eighths, and took the Eddie Logan at a flat mile, both on the turf. "If all goes well after the San Carlos, I'd like to get him back on the grass," Gallagher added.

Counterpoint...

Past the Point (Indian Charlie) has been successful at seven-eighths, graduating at that trip at Churchill Downs as a three-year-old. The Darley colorbearer has raced exclusively around two turns since, running second behind Horse of the Year Curlin in the Aug. 30 GI Woodward S. and behind Slew's Tizzy in the Dec. 6 Gill Native Diver H., both at nine panels. He shortens up after weakening to be seventh in the Jan. 10 Gill San Pasqual H. going a mile and a sixteenth.

Three Chimneys stallion WARCHANT's career at stud rages on. In just 8 days, this sterling sire had three stakes winners. CHAMBERLAIN BRIDGE won the Colonel Power S. at Fair Grounds and was just 2/5 off the track record. On Valentine's Day, BALLYMORE LADY won the \$125,000 Endeavour S. (G3) and PEACE CHANT won the \$100,000 Phoenix Gold Cup. Only one other Kentucky sire has as many stakes winners this year, making it a good week to be War Chant and a great week to call Three Chimneys to add him to your breeding program.

near the back of the pack early while adding distance this time, the bay was asked late by Johnny Murtagh for some run, and got up in time to collect her first group score. "That was a great ride from Johnny, and he says he was always confident during the race," said Brown. "We knew the step up in trip would suit her, and the horses are going well." Murtagh also scored earlier in the evening with Mike de Kock's Bankable (Ire) in the Etisalat Apple Sunrise Trophy.

Well Armed Works; Dubai World Cup Next...

WinStar Farm's Well Armed (Tiznow) worked a half-mile in :48.60 under regular jockey Aaron Gryder at Santa Anita Thursday morning in advance of an expected start in the G1 Dubai World Cup Mar. 28. "All things considered, I think I'm going over with a winning chance," said trainer Eoin Harty. "He is doing super; he is right on cue.

Benoit Photo

Hopefully, he'll run the best race of his life." Well Armed, winner of the G1 Goodwood S. and third in the G1 Dubai World Cup last season, will be trained up to this year's edition of Nad Al Sheba's marquee event. "We're going to do nothing too fancy between now and then," Harty said. The six-year-old was a troubled fourth in the Jan. 10 GII San Pasqual H. at Santa Anita. In his most recent effort, Well Armed was second in the GII San Antonio H. Feb. 8. "He ran a very good race," Harty said. "He just got beat that day." Another WinStar runner trained by Harty, multiple Grade I winner Colonel John (Tiznow), is nominated to the Dubai World Cup as well, but the trainer said he plans to run the four-year-old in the GI Santa Anita H. Mar. 7.

Spice Route has been within two lengths of the winner in every one of his five North American turf starts, and enters this off a game nose score over Soldier's Dancer (Lost Soldier) in the Dec. 6 GIII Tropical Turf H. at Calder. The chestnut gelding was also second in the GI Canadian International S. going a mile and a half and third in the GII Sky Classic S. at the Mac Diarmida trip at Woodbine last October. Edgar Prado gets the mount. **Mr. Sidney** adds blinkers after a rallying half-length tally in a Gulfstream allowance test going a mile Jan. 24. The five-year-old has been on the board in five of six tries, but faded to 10th in his only prior stakes start, the Nov. 22 GIII River City H. at Churchill Downs. Speedster **Presious Passion**, the front-running winner of the GI United Nations S., GII W.L. McKnight H. and GIII Pan American H. last year, changed tactics for his latest. The six-year-old rated just off the lead in the Jan. 24 Sunshine Millions Turf S. at Santa Anita, but finished well to be second, beaten just a half-length by the aforementioned Soldier's Dancer.

Beethoven Works for Fountain...

John Oxley's **Beethoven** (Sky Mesa), fourth in the GIII Holy Bull S. last time Jan. 31, tuned up for the Feb. 28 GII Fasig-Tipton Fountain of Youth S. with a five-furlong move in 1:01.40 at Gulfstream Park Friday. Calvin Borel was in the irons. "With Calvin in town, we figured we'd get him back out there, and he did it well and finished strongly," trainer John Ward said. "He's finishing the way a good mile-and-a-quarter horse should. We're finding out what he likes, and as long as I can figure that out, we can keep pleasing him." Beethoven closed out his juvenile campaign with a victory in the GII Kentucky Jockey Club S. at Churchill Downs.

Charitable Man on the Comeback Trail...

Mr. and Mrs. William K. Warren's unbeaten **Charitable Man** (Lemon Drop Kid), off since his victory in Belmont's GII Futurity S. last September, fired a three-furlong bullet in :37 4/5 at Palm Meadows Thursday. It was only his second recorded workout since returning from the sidelines. "It was just an easy three-eighths to get him back and ready," Neil McLaughlin, assistant trainer and brother to the vacationing Kiaran McLaughlin, said. "We will be looking to run somewhere in early April. Whether it's a stakes or some kind of allowance we don't know, but it all depends on everything going perfectly. We're up against it to make the first Saturday in May, but we will see what happens from here. We can't have any setbacks."

Real estate developer and restaurateur Ted Julio, who has purchased a trio of two-year-olds since entering the game in 2006, has quickly struck gold with the unbeaten three-year-old **Not For Silver** (Not For Love).

"I've bought three horses at Timonium Fasig-Tipton, one each year since 2006, and it's a well-run auction," Julio offered. "It is, however, the only auction that I've ever been to, so I can't speak about the others. [Trainer] Michael [Trombetta] was in Ocala [for Tuesday's OBSFEB sale], and we communicated about a couple of horses that we had interest in, but we weren't able to buy those."

Not For Silver, an \$85,000 FTMMAY juvenile graduate, ran his record to three-for-three after annexing the six-furlong Fred "Cappy" Capossela S. by 1 1/4 lengths at the Big A Sunday ([Video](#)). He previously won his first two starts at Laurel by a combined margin of 10 3/4 lengths.

"I'm very proud of him," the 52-year-old said of Not For Silver. "For a three-year-old with only three starts, he seems very mature. He's very professional, as Ramon Dominguez mentioned after the race. He's done what we've asked him to do, and we're so delighted with his performance so far. The only downside is that because he had some shin issues in November and December, we weren't able to get a couple of more races into him. We couldn't find a seven-furlong spot, which would've been ideal, so we opted for the Fred Capossela."

Julio remains optimistic that his charge will be able to stretch out in distance.

"That's obviously the question, which could've been answered had we not had that issue," Julio said when asked if Not For Silver will be able to handle longer distances. "I guess we'll just have to wait and see. I believe in the horse. I wasn't at the Aqueduct race, but I was at the second Laurel race, and the horse was not winded at all when I was in the winner's circle."

Based in Maryland, Julio was introduced to racing through his wife's cousin, trainer Francis Campitelli. Julio transferred his horses to Trombetta after Campitelli opted to close his Pimlico stable.

According to Trombetta, Not For Silver may stretch out in distance for Laurel's one-mile Private Terms S. Mar. 21.

"It's a possibility," Trombetta said of the Private Terms. "We just mentioned that [in *Daily Racing Form*]. We're not sure exactly where we're going with him yet. We're going to try [to stretch him out]. We're going to give him an opportunity to see how far he wants to take us. We realize he may have some limits, but we'll see."

Not For Silver winning the Fred Capossela at the Big A Adam Coglianesi

Trombetta selected the son of Silverdew as a two-year-old in training.

"Like all sales, you go there looking for a nice horse," the conditioner explained. "He was attractive, and looked like he'd develop into what we were hoping would be the right kind of horse, and so far he has. I like them both [yearling sales and two-year-old sales]. You have to go to [the sales] where your clients' interests are. Some clients buy nothing but yearlings. Some people like to see them breeze a little bit before they purchase. Some people are hoping for quicker action, but the reality of it is, even though you got them out of a two-year-old sale, sometimes you still have to wait a considerable amount of time." --S.S.

KELLY'S LANDING RETIRED Eight-year-old gelding **Kelly's Landing** (Patton--Best Game, by Great Above), hero of the 2007 G1 Dubai Golden Shaheen, has been retired, according to *Daily Racing Form*.

Throughout his career, he also annexed Keeneland's GIII Phoenix Breeders' Cup S., Churchill's GIII Aristides Breeders' Cup H. and Gulfstream's GIII Mr. Prospector H. "He retired completely sound," trainer Eddie Kenneally told *DRF*. "He's competed at such a high level for such a long time, and we realized he wasn't going to be able to compete at that level any more. He'll wind down on the farm for a while and then might come back to the track this summer as a pony." Owned and bred by Summerplace Farm, the son of MSW Best Game retires with a record of 27-10-3-2 and earnings of \$1,853,831.

After racing greenly to be seventh last March at Aqueduct in his debut, Elusive Gift was moved to the grass and responded with a second after setting the pace in a seven-furlong maiden event over the yielding Widener course at Belmont in late April. The homebred once again tired over the same course and distance in May, reporting in fourth after dueling for the lead. Following another fourth in a six-furlong dash over the inner turf in June, Elusive Gift was rested, and hadn't faced the starter since. The bay, coupled in the wagering with fellow maiden Tax Man (Broad Brush) and making a return to dirt here, used stalking tactics early before commencing a three-wide rally in the stretch. In front by the furlong marker, Elusive Gift edged away under a drive to earn his diploma against winners.

Costa Rising, a 10-time stakes winner, was sent to the shelf following his 2007 campaign, which he concluded with a 15 1/4-length romp in the Louisiana Classic for state-breds at the Fair Grounds in December. The dark bay then entered rehabilitation after undergoing surgery for a bone chip in a rear ankle and missed the 2008 season. Returning from the lengthy layoff here, Costa Rising broke outwards into Hallway before settling in second 2 1/2 lengths behind the early pacesetter. He assumed command in midstretch and was chased home by Hallway to earn a comeback score.

Facing only three opponents following the withdrawal of the morning-line second choice Dixie Meister (Holzmeister), the bay set comfortable fractions of :24.50 and :48.56 while receiving light pressure from Booyah. Thoro-Graph Race of the Week

by Jerry Brown

Saturday, Oaklawn Park, post time: 6:02 p.m. EDT
SPRING FEVER S., \$50,000, 4yo/up, f/m, 5 1/2f

For sheets and complete Thoro-Graph data on the Race of the Week, click [here](#).

PP HORSE	SIRE	JOCKEY	ODDS
1 Wriggle	Hennessy	Thompson	8-1

Developed nicely as her campaign went on last year, finally getting down to good efforts at Delaware. In her second local start, she got back to her best, and doesn't have to bounce--she didn't bounce much when she ran that fast last year, and she's older and theoretically stronger now.

2 Magnetic Miss	Artax	Compton	8-1
------------------------	--------------	----------------	------------

Got good over the summer before finally tailing off--for the second year in a row. First of all, it's not summer. Secondly, all her good ones last year were over the synthetic at Arlington; her dirt tries were much worse.

3 Palanka City	Carson City	Emigh	9-5
-----------------------	--------------------	--------------	------------

Lost narrowly last time despite running yet another good race. This filly benefits greatly under the allowance conditions--five pounds is worth one point on the Thoro-Graph scale, and about a length at today's distance. As co-low weight here, seven of Palanka City's last eight tries are probably good enough to win this, and with five weeks rest there is no reason to expect a clunker.

4 Sentable	Vindication	Garcia	6-1
-------------------	--------------------	---------------	------------

Has a perfect record: she has either bounced or gone to the bench following every good effort of her life. She has also only run well off layoffs and non-efforts, and she comes here following a lifetime top, and with only 16 days rest--two strikes. The third is that even a repeat won't get her much against these. Note that trainer Tim Ritchey is doing much worse recently (see "Last 90 days" than usual ["Overall"]).

All horses in the *TDN* are bred in North America, unless otherwise indicated

5 Solarana (Arg)	Mutakddim	Borel	4-1
-------------------------	------------------	--------------	------------

Ran three good ones last spring and summer before tailing off, and went forward nicely in her second start this year. This filly gets in light, has lots of figures that would get her into the exotics, and could even win if Palanka City doesn't fire. But she's only had 14 days since her last, and is shipping in to run; tricky call.

6 Rated Fiesty	Exchange Rate	Quinonez	2-1
-----------------------	----------------------	-----------------	------------

Has the classic Thoro-Graph sheet of the unsound horse--a few big figures, separated by wide open spaces. One of the great false handicapping assumptions is that all horses benefit from having a race under their belt following a layoff, and then improve; unsound horses often run their best fresh. This filly did so last time, for the third time, and the first two were followed by a forced layoff, and a bad bounce. Even if she pairs-up her last, she's very unlikely to beat Palanka City--she spots her a ton of weight, and the Race Shape shows us she may get hung wide. But there's also a very strong possibility she could bounce, which could bounce her right out of the exotics.

7 Temple Street	Street Cry (Ire)	Court	12-1
------------------------	-------------------------	--------------	-------------

Improved dramatically when she got back on dirt in November. Her last four efforts over that surface all give her a decent shot to get a check here, though this is another one that comes in on short rest.

Bottom Line: This is a situation where we have a very likely winner that will be a short price, and another short-priced horse we want to bet against. The play is Palanka City on top, using Solarana, Temple Street, and especially Wriggle underneath.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

TATTS BREEZE-UPS BENEFIT FROM NEW BONUS

The Tattersalls Craven and Guineas Breeze-Up Sales are both part of the new £500,000 Breeze-Up Bonus incentive, which was announced yesterday. The eligible horses, which will be identified in both catalogues, will qualify for the £500,000 scheme, which encompasses winners throughout the world and offers breeze-up buyers additional purse money. "The race-course achievements of Tattersalls breeze-up graduates are themselves powerful incentives for buyers, and the innovative £500,000 Breeze-Up Bonus Scheme makes the Tattersalls breeze-ups even more enticing for buyers from throughout the world," said Tattersalls Chairman Edmond Mahony. "The scheme is a marvellous example of industry self help at a time when we all need to explore avenues to encourage participation in the sport." The initial 40 winners of juvenile maidens, conditions or stakes races worldwide purchased from participating breeze-up sales in 2009 will each receive a premium of £10,000 on top of the normal race prize-money won, while an additional 20 races carrying a £5,000 bonus are also up for grabs. The Breeze-Up Bonus is open to anyone who purchases a qualified horse from a participating Breeze-Up Sale in 2009, with no extra costs. The regulated scheme, set up by leading consignors in the competitive two-year-old sales market, is funded by the vendors and the sales companies. The Tattersalls Craven Breeze-Up Sale takes place from Apr. 14-16. Catalogues, online at www.tattersalls.com, will be published Feb. 24. The Tattersalls Guineas Breeze-Up takes place Apr. 30 to May 1, with catalogues published Mar. 18. Further information, as well as terms and conditions, are available at www.breezeupbonus.com or www.tattersalls.com.

DIANA'S CHOICE (SAf) (f, 4, Windrush--Fly to the Stars {SAf}, by Desert Team), winner of the G3 Kenilworth Fillies' Nursery and G3 Cape of Good Hope Nursery during her juvenile season, debuted in the UAE with a bang-up third behind Big City Man and Star Crowned in the G3 Al Shindagha Sprint over this turf course Jan. 22. Tried against easier foes last time, the filly responded to post a 3/4-length score against handicap company Feb. 6. On the front end in the early going of this one, the South African-bred had enough left to fend off Munaddam (Aljabr) by a half length at the wire. "We knew she would go close, and she is a nice filly who we may take to Europe," said rider Kevin Shea. BALTHAZAAR'S GIFT (IRE) (h, 6, Xaar {GB}--Thats Your Opinion {GB}, by Last Tycoon {Ire}), winner of the G2 Criterium de Maisons-Laffitte at two, was runner-up in the G1 Golden Jubilee S. the following season, when he was crowned highweight three-year-old colt at five to seven furlongs in England. Adding another group victory at four in the G3 Hackwood S., the bay also collected a third-place finish in the G1 Sprint Cup S. With only one victory in 10 starts last term, that coming in the Listed Liesure S., the Irish-bred failed to land a blow when ninth in his debut at Nad Al Sheba in a Jan. 22 handicap. A much-improved third last time Feb. 5, the six-year-old made it to the winner's circle here with a come-from behind victory. Grantley Adams (GB) (Dansili) was a short head back in second. The winner was a €6,000 GOFFEB and €12,000 GOFSEP yearling, a 20,000gns DBSAPR juvenile and a 105,000gns TATOCT HRA in '08. SNAAFY (h, 5, Kingmambo--Nafisah {Ire} {SW & GSP-Eng, \$112,344}, by Lahib) won one race in five starts in England in 2007, but has enjoyed a much better record since his move to the UAE. A winner over 1600 meters in a Jebel Ali handicap last February, the bay remained on the sidelines until returning with a third-place finish over that track Jan. 30. Marking his debut at Nad Al Sheba with a score Feb. 5, Snaafy settled off the early pace, rolled to the front in the straight and was 2 1/2 lengths in front of Noble Citizen (Proud Citizen) at the wire. POMPEYANO (IRE) (g, 4, Rainbow Quest--Lady Lodger {GB} {GSW-US, \$313,923}, by Be My Guest), winner of the Listed Derby De L'ouest-Grand Prix De L'Asselco at Nantes last June, failed to hit the board in Deauville's marathon Prix Michel Houyvet Aug. 12. In his most recent start, the €220,000 DEAOCT HRA rebounded to be a good second in the Listed Grand Prix Inter-regional Sept. 13. Making his debut for new connections here, the gelding slugged it out in the stretch to eke out a head victory over Strategic News (Aus) (Strategic {Aus}). Lifetime Record: SW-Fr, 8-3-2-2, \$175,297. TWO STEP SALSA (c, 4, Petionville--Two to Waltz, by Seattle Slew) accounted for four of his first five lifetime starts, including Hollywood's GIII Laz Barrera Memorial S. last May and the GIII Affirmed H. the following month. Runner-up in the nine-furlong GII Swaps S. July 12, the dark bay was sent to the sidelines until a sixth in the GII Pennsylvania Derby over nine panels Sept. 1. In his final start for Julio Canani, the colt tired in the late stages to be third in the Breeder' Cup Dirt Mile Oct. 25. Purchased by Godolphin soon after that effort, Two Step Salsa looked to be worth the investment yesterday. Armed with plenty of speed in the early going of his UAE bow, the Kentucky-bred colt make it look easy as he cruised to a 3 1/2-length victory over Star Crowned (Kingmambo). Sixth in his European finale in the Listed Ben Marshal S. Nov. 1, the 40,000gns TATDEC weanling and 16,000gns TATOCT yearling purchase got back on track in his UAE debut. Settled in midpack early, the half to Cheshire (GB) (Warning {GB}), GSW-Fr, made smooth progress to get into contention 500 meters out and drove to the front late to score by 3/4 of a length over Emmrooz (GB) (Red Ransom). VIVA PATAKA OUT TO BOOK DUBAI TRIP

Stanley Ho's **Viva Pataka (GB)** (Marju {Ire}), runner-up as the international betting favorite in last year's G1 Dubai Sheema Classic, gets his final prep for the 2009 renewal when he faces an apparently over-matched seven rivals in today's HK-G1 Citi Hong Kong Gold Cup over a metric mile and a quarter. A handy winner of the 2008 Gold Cup, the seven-year-old was desperately unlucky in the Dec. 14 G1 Hong Kong Cup, failing to secure any running room until it was far too late and settling for fourth behind Eagle Mountain (GB) (Rock of Gibraltar {Ire}). He has made but one start since, a creditable third to G1 Hong Kong Mile hero Good Ba Ba (Lear Fan) in the Stewards' Cup Jan. 24. Darren Beadman, who missed the ride last time while recovering from an injury, is back in the saddle Sunday afternoon.

COOLMORE'S BUSHFIRE APPEAL AID NEARING \$400K

Bidding on Coolmore Australia's stallion nomination auction to aid the Red Cross Victorian Bushfire Appeal is now just under A\$400,000. Owners Trevor Stuckey and Penny Yan, who have enjoyed success with champion and MG1SW Racing To Win (Aus) (Encosta de Lago {Aus}), now hold the top bid on that one's sire at A\$260,000. "We've reached A\$388,000 and remain on track to crack the A\$400,000 mark for the Victorian bushfire victims," said Coolmore Australia's General Manager Michael Kirwan. "Full credit goes to breeders across Australia and New Zealand for their enthusiasm in embracing this worthy cause, and to all the media outlets both across the country and internationally that have continued to help keep this very important cause in the public conscious. We couldn't have raised a sum like this for the Red Cross Victorian Bushfire Appeal if it wasn't for all of these good people." The auction of nominations will run until 5 p.m., Monday, Feb. 23. To place a bid, please contact Sebastian Hutch on 0423 770 854 (mobile) or at sebastian@coolmore.com.au.
