TRIPLE-TEAMING IN THE PHIPPS

If there is strength in numbers, Sheikh Mohammed will be tough to beat in today's GI Ogden Phipps H. at Belmont Park. The Sheikh's overarching operation will send out three of the seven runners in the 1 1/16-mile feature: **Music Note** (A.P. Indy) and **Seventh Street** (Street Cry {Ire}) will carry the Godolphin blue, while Stonerside acquisition **Sea Chanter** (War Chant) will sport the Darley maroon and white. The Godolphin duo have been installed as the

2-5 chalk, and deservedly so. A \$1 million FTFEB purchase, Seventh Street was third after getting off to a slow start in her debut at Gulfstream in January of 2008, then disappeared for nine months. She graduated by four lengths in her return in the mud at Aqueduct Nov. 6, and added an 8 1/4-length tally in an optional claimer Nov. 30. The chestnut made it three in a row in an optional test on the Big A inner track Jan. 8, and would likely have run her record to four-for-five if she hadn't reared at the start of the Feb. 14 GI Barbara Fritchie H. at Laurel. Many lengths last in the early going of that seven-furlong affair, Seventh Street was floated wide at the top of the lane, but still came running at the end to be second, beaten just 1 3/4 lengths by Royale Michele (Elusive Quality). She put that effort behind her with a front-running 5 3/4-length victory in the Apr. 4 GI Apple Blossom H. at Oaklawn, and subsequently moved from the barn of Kieran McLaughlin to join the Godolphin string and trainer Saeed bin Suroor. "She has a lot of class," said bin Suroor's assistant, Rick Mettee. **Cont. p2**

THE SMART MONEY IS ON EINSTEIN

Already a Grade I winner on the turf and the all-weather, **Einstein** will try to complete the triple on a conventional dirt track that he has already proven he loves. First or second in seven of nine attempts last term, with wins in the GI Gulfstream Park Turf H., GI Woodford Reserve Turf Classic on the Churchill lawn and GI Clark H. on the Louisville main track, the nearly black

Sarah K Andrew Photo

Brazilian-bred opened 2009 with a third in the Jan. 31 GI Donn H. in South Florida. He followed up with a one-length tally in the Mar. 7 GI Santa Anita H. on Pro-Ride, and repeated in the Woodford Reserve last time out May 7. He looks to follow in the path of Lava Man (Slew City Slew) as only the second horse to win Grade Is on all three surfaces--but the first to do it in three consecutive starts. "He's a special racehorse," trainer Helen Pitts told *Daily Racing Form*. "If he can do this Saturday, I think he'd show a whole lot of people just what a great horse he is." **Cont. p3**

Music Note sports a resume even more impressive than that of her running mate. The bay filly was tabbed a ☆ "TDN Rising Star" ☆ after breaking her maiden

Adam Coglianesse

by 7 1/4 lengths in her second start at Aqueduct in November of 2007. Living up to that sobriquet, she reeled off wins in the GI Mother Goose S., GI CCA Oaks, GI Alabama S. and GI Gazelle S. last season, and capped off the campaign with a very respectable third in the GI Breeders' Cup Ladies Classic. "That was a good race for her, but [Zenyatta] blew right by her," Mettee said. "It was [Music Note's] first start on a synthetic surface, and she was only beaten three lengths, so she was hardly embarrassed."

The bay wintered at Keeneland, and her return to New York was delayed by wet weather. There had been talk of skipping the Phipps after she put in a subpar workout June 2, but her connections liked what they saw when the filly breezed a half in :48 1/4 six days later, and it was all systems go. "Saeed knew this would be a tough spot to come back in, but, at the same time, this is her favorite track, and the mile and a sixteenth should be just right to get her started," Mettee added. Sea Chanter has the most to prove of the Sheikh Mohammed trio. The winner of the GIII Miesque S. on the turf at Hollywood at two, she was one-for-five last season, taking a grassy optional claimer at Belmont in October. Switched to the dirt after running eighth in the GIII The Very One S. at Gulfstream in February, the four-year-old was second in the Mar. 29 GII Rampart H. and third, but beaten just 1 1/4 lengths by Seattle Smooth (Quiet American) and Color Me Up (Aptitude) in the May 16 GII Shuvee H. last time out. 8	Finallymadeit	Concerto	Negrete	8-1

Bullsbay, perfect in three starts under the Twin Spires, could play the role of spoiler today. The five-year-old won an allowance and an optional claimer at Churchill last fall, and opened the new year with a second in the Jan. 3 GIII Hal's Hope H. at Gulfstream. He faltered in the Jan. 31 GI Donn H. and was eased, but bounced back to complete the exacta in the John Campbell H. at Laurel Feb. 14. Out twice since, the bay captured a \$50,000 black-type affair in the slop at Laurel Mar. 28 and took the GIII Alysheba S. at Churchill May 1. **Asiatic Boy**, two-for-three at the Foster trip, makes his U.S. bow. The winner of the G2 UAE Derby and a pair of Group 3 events at Nad Al Sheba, he has not been out since running 12th in the Mar. 28 G1 Dubai World Cup. He worked five-eighths in :59 4/5 at Belmont June 7 in his final prep for his return.

2008 DROUGHT BREAKER, BY FLOWER ALLEY
\$20,000 payable when foal stands and nurses

**BEAUTY IS SKIN DEEP,
BUT WINNING
IS BRED IN HIS BONES.**

FLOWER ALLEY is a Thoroughbred sire whose pedigree and career are every bit as breathtaking as the good looks he shares with his offspring. The sterling 2008 colt out of DROUGHT BREAKER shown here is heading for the Fasig-Tipton July Sale, and is a prime example of the balance, beauty and substance this Leading Son of DISTORTED HUMOR passes along. For a breeding opportunity that combines good looks with great business sense, take a good look at Three Chimneys sire, Flower Alley.

🌟 **"TDN Rising Star"** 🌟 **Rail Trip** looks to get back on track after suffering his first career defeat when second as the 3-5 chalk in the GII Mervyn LeRoy H. May 9. The bay couldn't get past eight-year-old **Ball Four** that day, who led every step of the way at odds of 16-1. "We're not going to let Ball Four go," trainer Ron Ellis said. "With the inside post, we're going to let Rail Trip break out of there. He may be better as a free-running horse. He won going wire to wire at six and 6 1/2 furlongs. We're going to try and let him use that speed." **Song of Navarone** had a four-race winning streak snapped when a good third behind It's a Bird (Birdonthewire) in the GIII Lone Star Park H. May 25. He tries a synthetic surface for the first time here. "He ran a remarkable race last time and got a 106 Beyer figure," trainer Henry Dominguez commented. "He was wide and encountered trouble on the first turn, dropped back and lost position, had to go wide again and was still finishing." **Mast Track**, a wire-to-wire winner of last term's GI Hollywood Gold Cup over this course, returns to California following a disappointing seventh in the Charles Town Classic Apr. 18.

WinStar Farm's **Advice** punched his ticket to the GI Kentucky Derby with a last-to-first tally on Keeneland's Poly in the Apr. 18 GII Coolmore Lexington S., but failed to fire in the Run for the Roses, finishing 13th. The dark bay makes his grass debut here. Advice has posted four workouts over the Churchill lawn since the Derby, including a four-furlong move in :51 2/5 June 9. "He's had a handful of nice works on the turf and seems to handle it fine," Todd Pletcher's assistant trainer Michael McCarthy told *Daily Racing Form*. "He handled the synthetics at Arlington, Santa Anita and Keeneland all very well, so obviously we're hoping that parlays over to the turf. The Jefferson Cup has been on our radar all along." The speedy **Florentino** looks like the one to catch. He enters off a third-place finish in the GIII Transylvania S. at Keeneland Apr. 3. **El Crespo**, never worse than third in four career starts on the spinach, closed into slow fractions to finish third in the Arlington Classic S. May 23.

Miss Isella has thrived beneath the Twin Spires, posting wins in last November's GII Falls City H. and most recently the GII Louisville Distaff S. May 1. California invader **Santa Teresita**, heroine of the GI Santa Maria H. Feb. 14, finished second, beaten a head, by **Swift Temper** in Hawthorne's GIII Sixty Sails H. last out Apr. 18. The latter, who is winless in six starts at Churchill, was last seen placing a distant third in the Louisville Distaff.

Warrior's Reward, a disappointing eighth in the Mar. 14 GIII Tampa Bay Derby, ran a hole in the wind when cut back to seven furlongs, easily defeating subsequent GII Woody Stephens S. hero Munnings (Speightstown) in a Churchill allowance May 1. The bay earned a gaudy 113 Beyer Speed Figure that day. "[Getting off the Derby trail] probably is what was best for the horse, at least in the long run," trainer Ian Wilkes told *Daily Racing Form*. "I'm sure I would've kept pushing him toward the Derby if he had run better. As it is, we've got a horse that's really coming into himself now, and we can make a push toward the second half of the year."

Prix de Diane

LEMAIRE OPTS FOR STACELITA IN DIANE

Christophe-Patrice Lemaire has chosen to partner the unbeaten **Stacelita (Fr)** (Monsun {Ger}) in tomorrow's G1 Prix de Diane as he bids to extend the hot streak of the Jean-Claude Rouget stable in the Chantilly Classic.

Stacelita *Scoopdyga*

Martin Schwartz and Ecurie Monastic's bay, who surged to a six-length success in the G1 Prix Saint-Alary at Longchamp last time May 17, proved an irresistible draw, despite the presence of Ecurie la Vallee Martigny and Lydia Rabineau's G1 Poule d'Essai des Pouliches runner-up **Tamazirte (Ire)** (Daneshill Dancer {Ire}), who

adds weight to the Pau-based stable's challenge here. "She won brilliant last time, and I think she has a great chance," Lemaire said of Stacelita, who will break from the four stall used by Aquarelliste (Fr) (Daneshill) in 2001. "I am hoping for rain, as it will help her a lot, but I'm sure on good ground she will still be able to do something as she has a beautiful stride and is very light when she gallops. She is a big filly with a good temperament and is very quiet and relaxed." Tamazirte needs to prove her stamina, but, like Sunday's G1 Prix du Jockey-Club hero Le Havre (Ire) (Noverre), she is coming here off a placing in a mile Classic. Her staying-on, half-length second to stable companion Elusive Wave (Ire) (Elusive City) in the May 10 Longchamp contest suggests she will find the requisite stamina, and she holds the third **Fantasia (GB)** (Sadler's Wells) on that form. She breaks from the 10 hole, as Nebraska Tornado (Storm Cat) did en route to glory six years ago.

West Virginia Derby Next for Mine That Bird...

Trainer Chip Woolley announced yesterday that GI Kentucky Derby winner **Mine That Bird** (Birdstone) will make his next appearance in the Aug. 1 GII West Virginia Derby, and then point for the Aug. 29 GI Shadwell Travers S. at Saratoga. "The West Virginia Derby fits our schedule the best, and that's the main thing," Woolley said. "From there we will go on to the Travers, with the ultimate goal being the Breeders' Cup Classic." It has not yet been decided how the gelding will get from the Travers to the Classic. "He does not need an out on the Pro-Ride," the New Mexican-based conditioner added. "He has been on the artificial and he won four in a row over the synthetic last year at Woodbine. I'd like to fly him in [to Santa Anita] two or three weeks before [the Classic] and have two breezes over the track, but we can sneak a race in there [after the Travers] if we need it." Mine That Bird is likely to stay at Churchill until the West Virginia Derby, then head north to Saratoga.

Yeats Heads for Date of Destiny...

Susan Magnier and Diane Nagle's **Yeats (Ire)** (Sadler's Wells) is on track to bid for a historic fourth G1 Gold Cup at Royal Ascot. Trainer Aidan O'Brien reported the eight-year-old to be "fine" ahead of his latest run in Thursday's 2 1/2-mile marathon contest, for which 10 stood their ground at the five-day stage. "He's well at the moment," the Ballydoyle conditioner said. "He's fine and we are happy with him so far, so we are hoping to get him back at Ascot and seeing him run." In opposition will be arch-rival **Geordieland (Fr)** (Johann Quatz {Fr}), runner-up in the last two renewals. He comes into this year's edition off the back of a smooth defeat of fellow entry **Patkai (Ire)** (Indian Ridge {Ire}) in Sandown's G2 Henry II S. May 28. Trainer Jamie Osborne issued his own upbeat bulletin yesterday. "He just seemed to run out of gas a bit last year, but he's been working in a different manner this year and he's not going to run out of gas," Osborne told PA Sport. "I think we are every bit as good as Yeats and, with the new and improved Geordieland, we can go and win it." Godolphin have left in a trio including the Mar. 28 G1 Dubai Sheema Classic winner **Eastern Anthem (Ire)** (Singspiel {Ire}) and G2 Yorkshire Cup third **Veracity (GB)** (Lomitas {GB}).

Watering Begins at Ascot...

Officials at Ascot have begun watering ahead of Tuesday's opening salvo of the 2009 Royal meeting. Clerk of the Course Chris Stickels yesterday described the ground as "good-to-firm, good in places." Stickels told *Racing Post*, "We have been told to expect showers in the early part of next week, but it's far from a settled picture and how much rain we will eventually get is not, apparently, easy to predict. What water we've put on today was designed to replace what moisture we'd lost through sunshine and breeze on Thursday, but it is not as warm, nor quite so windy today, so we shall have to see how things pan out before making further plans."

STEPHEN FOSTER H.-GI, \$600,000, 3yo/up, 1 1/8m

PP HORSE SIRE TRAINER ML

1 Alphabet Magic [Alphabet Soup](#) Tomlinson 30-1

Got good over synthetics last summer, but hasn't been able to get back to that level since--over either dirt or synthetics. He could be ready to finally break through now, but has an awful lot of lengths to make up.

2 Macho Again [Macho Uno](#) Stewart 10-1

Ran a big one to win the Derby Trial last year, and finally got back to that level in the GII New Orleans H. before bouncing last time. It's not good that he hasn't developed, but if he's ever going to break through, his pattern and the timing say it's now. At the weights, a return to his top would make him a borderline contender, and a new top would make him stronger than that. He does have to avoid the five-wide second turns he has had in his last two (see upper left).

3 Einstein (Brz) Spend a Buck Pitts 2-1

Has been solid as a rock, running strong figures on dirt, grass and synthetic in 11 straight starts. His best two have actually been on dirt, with one concealed by a wide trip (5w3w) at Gulfstream. The problem here is that this is a handicap, and Einstein got killed in the weights--five pounds is worth a point on the Thoro-Graph scale, and he is spotting a point or more to horses whose best is at least as good as his. Even if he runs his best, Einstein faces a tough task, and if he doesn't, he won't hit the board. Consistency will just get you so far.

4 Arson Squad Brahms Dutrow 4-1

Ran very good figures on dirt early in his career, but didn't do nearly as well over synthetics in California. Sent back to dirt and to Dutrow he immediately improved, then broke through with a concealed big one in a losing effort in the GI Hill 'n' Dale Cigar Mile. Not surprisingly he bounced in the GI Donn H., then had trouble in the G1 Dubai World Cup, and ran poorly. Now he's fresh, gets Gomez, and is weighted such that his best would make him very strong here. The only negative is that Dutrow hasn't been that strong at Churchill (see trainer profile).

5 Researcher Two Smart Runco 4-1

Has developed into the best horse nobody has ever heard of, and at this point, this gelding is one of the best dirt horses in training. Two of his last six have been giant negative Thoro-Graph figures, with three others that were very good, including his last on only three weeks rest coming off a monster effort. He's well rested and favorably weighted, so the big question is whether he can run his race in Kentucky.

6 Bullsbay [Tiznow](#) Motion 10-1

Has improved since he got on dirt last fall. He won his latest without running his best due to saving ground (1w1w, upper left), but even on his he best doesn't figure here, and there's no reason to expect significant improvement.

7 Asiatic Boy (Arg) Not for Sale (Arg) McLaughlin 7-2

Has earned an awful lot of money, mostly in Dubai, without running very fast or being very sound. His second start this year was the best of his life and resulted in a bounce to his worst in the World Cup. At the weights, none of his previous figures gives him a shot, and his pattern is certainly not progressive. The "X" factors here are the addition of McLaughlin and Lasix. Still, we'll take our chances against him.

8 Finallymadeit Concerto Negrete 8-1

Finally ran it last time, a gigantic slop effort that would be good enough to win this if he can repeat it. But this horse has a clear history of bouncing from lesser efforts than that one, and the ship and only 19 days rest can't help.

Bottom Line – Einstein and Asiatic Boy are bet-againsts. Arson Squad and Researcher are the two strongest, and Macho Again can be used with them.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. Fillies race against colts on a regular basis in Europe, but when it happens in the U.S., it creates some controversy. How do you feel about fillies competing against colts?

STEVE BREM, BLOODSTOCK CONSULTANT:

Reading the comments from your guests, you'd think the world was flat (i.e. cut off at the equator). In the Southern Hemisphere, more particularly Australia and New Zealand, few mares are quarantined with their own sex all through their racing careers. Mixed gender competition is the lifeblood down here despite breeders constantly lobbying for same sex races, and innumerable of our champion all-comers have been females, e.g. Sunline, Makybe Diva this decade. We breed 'em, and race 'em, tough down here.

KIP KNELMAN, FARFELLOW FARMS:

Farfellow Farms has had experience running fillies against the boys. One of the top sprinters, filly or colt, was Enjoy The Moment, in the late 1990's. We always looked for the most appropriate races for her and if we and our trainer (Bill Spawr) believed she would be competitive against the colts we would run. She won a stakes [Valiant Pete H.] against the boys in Southern California. We also ran her in the GI Breeders Cup Sprint against the colts and, while she didn't finish well, we still believed she belonged.

What did you think about fillies competing against colts?

Commentator wired the field July 26 to take the GI Whitney H., a race he captured in 2005 over subsequent Horse of the Year Saint Liam (Saint Ballado). A runaway winner of the Massachusetts H. Sept. 20, the gelding weakened in the stretch of the GII Clark H. Nov. 28 and finished third in his 2008 finale. The eight-year-old set the pace in the Charles Town Classic Apr. 18 in his return Apr. 18, but three-turn trip around the bull ring proved too much, and he faded to fourth. Uncontested on the front end through fractions of :24.75 and :48.94 here against Empire-breds, he completed the final quarter in :23.48 as he widened the margin under minimal urging. "To come home that fast, I don't care what anybody says--it's gratifying," said the gelding's trainer Nick Zito. "Johnny said he was like his old self. He meant it, too." Commentator may make his next start in the Whitney Aug. 8, or he may "squeeze in something in between," according to Zito. **Click for the brisnet.com chart.** [Video, sponsored by Taylor Made.](#)

SEE N WIN (f, 3, Holy Bull--Windansea {SW, \$138,585}, by Conquistador Cielo) rushed up after missing the start in a Golden Gate maiden over Tapeta Footings Sept. 20, but grew weary late and checked in third. Freshened since her debut, the \$60,000 KEESEP yearling was given a 2-1 chance to earn her diploma here in her first start on turf. The gray broke on top and was hustled to the lead as she was angled to the inside from post eight. An Explanation of Black Type and Stakes Terms
Black Type

Advertisers using "black type" in their ads in the *TDN* are referring to stakes races which will appear in all major sales catalogues, and which:
*Have a minimum purse value of \$50,000 distributed on the day of the race, as well as other conditions.

Non Black-Type Stakes

The word "stakes" refers to non-black-type stakes, which do not appear in the catalogue page. They are:

*Races in which the prize money offered is made up at least in part of money put up by the owners of the horses entered, but which offers a purse of less than \$50,000; or excludes horses from black-type money levels due to eligibility requirements.

Graded/Group Stakes

There are 16 countries in the world where the racing is of a quality such that that country is allowed to determine its own Graded or Group stakes races, and they are accepted automatically as such in the catalogue. Know that if it has a Grade on it in the *TDN*, it's a real Grade.
