SHOWDOWN IN GALLANT BLOOM

Godolphin's **Sara Louise** (Malibu Moon), the last horse to defeat super filly Rachel Alexandra (Medaglia d'Oro), takes on older fillies and mares in today's GII Gallant Bloom H. at Belmont Park. The bay reeled off two straight wins for Eldon Farm and trainer Dale Romans last term, including Churchill's GIII Pocahontas S. over the subsequent GI Preakness S. and GI Woodward S. heroine. Sara Louise was

purchased privately by the Boys in Blue after concluding her two-year-old season with a runner-up effort behind Rachel Alexandra in the GII Golden Rod S. Nov. 29. Shipped to Dubai for the winter, the \$550,000 FTFEB graduate never faced the starter at Nad Al Sheba, but returned to the races in style at Saratoga, splashing her way home to a two-length victory in the GIII Victory Ride S. Aug. 29. "In a perfect world, we'd probably keep her against three-year old fillies," said assistant trainer Rick Mettee. "But this is simply the best spot we could find for her right now and Saeed [bin Suroor] thought that if she could run against older fillies going 6 1/2 furlongs, we could have a chance going seven-eighths in the Breeders' Cup [Filly and Mare Sprint]." Although tabbed as the morning-line favorite, Sara Louise will have her work cut out for her facing two-time champion **Indian Blessing** (Indian Charlie). A distant second in the GI Ballerina S. at the Spa Aug. 29, the Hal and Patti Earnhardt homebred seeks her first victory of the 2009 season.

CHECK HER OUT

Long Lashes (Rock Hard Ten) has not required much racing to attract attention from the right sources and steps into today's G1 Meon Valley Stud Fillies' Mile at Ascot with all eyes trained on her. Snapped up by Godolphin following her debut win in the June 26 Listed Ballygallon Stud S. at The Curragh, where she earned **"TDN Rising Star"** status, the bay followed up in Newmarket's G3 Sweet Solera S. Aug. 8 before failing to act on the heavy ground when fourth in the G1 Moyglare Stud S. back at The Curragh last time Aug. 30. Trainer Saeed bin Suroor commented. "The ground was too soft for Long Lashes in Ireland, but she looks very well at the moment. She is in good form, and I think that the step up to a mile will suit her. It is a Group 1 race and she will be up against some tough opposition, but I am very happy with her condition at the moment." Cont. p2

Ballydoyle are represented by **You'll Be Mine** (Kingmambo), who, like her dam Quarter Moon (Ire) (Sadler's Wells), carries the colors of Roisin Henry. Fourth in a Leopardstown maiden on debut Aug. 13, she returned to that venue to open her account in convincing fashion last time Sept. 5. "She ran very greenly and was timid first time out, but really came home well in the last furlong and a half and last time--she really stretched out well when I pulled her out and gave her a couple of smacks," jockey Johnny Murtagh said. "It's a big step up, but we've always liked her, and Aidan is very happy that she has come on from her maiden win. She will have to improve and it looks like a very competitive race, which will be won by the horse that is improving at this time of year. We've been running them on soft and heavy ground all year, and Ascot should be perfect tomorrow." Oakley Street Racing's **Blue Angel (Ire)** (Oratorio {Ire}) needs to improve on her previous two outings, when seventh in the Sweet Solera and a close-up fourth behind **Sent From Heaven (Ire)** (Footstepsinthesand {GB}), **Mudaaraah (GB)** (Cape Cross {Ire}) and Snow Fairy (Ire) (Intikhab) in the G3 Prestige S. at Goodwood last time Aug. 29. Trainer Richard Hannon said, "Blue Angel is a good filly and, while she would look to have a bit to do, it might not be the strongest Fillies' Mile, so we could nick some black type." Another with improvement to find is Lansdon Robbins's **Chantilly Creme** (Johannesburg), who beat no rivals on her latest start in Deauville's G3 Prix du Calvados Aug. 22. She had previously finished runner-up to Dolled Up (Ire) (Whipper) in the G3 Prix du Bois at Chantilly July 5, and captured the Listed Criterium du Bequet at La Teste de Buch Aug. 2.

Rip Van Winkle (Ire) (Galileo (Ire) has put some grey hairs on Aidan O'Brien's head so far this term, but after a string of setbacks, things have gone relatively smoothly as far as his preparation for today's G1 Queen Elizabeth II S. is concerned. The team at Ballydoyle have had their work cut out just to get Susan Magnier, Michael Tabor and Derrick Smith's talented colt to the races this season following 11th-hour scares due largely to his well-documented foot problems. He finally lived up to his raw talent when making Sea the Stars (Ire) (Cape Cross {Ire}) pull out the stops in the July 4 G1 Eclipse S. at Sandown before outgunning Paco

Boy (Ire) (Desert Style {Ire}) in Goodwood's G1 Sussex S. last time July 29. "I've always said he was one of the best I've ridden, and all being well, I'm sure he'll put up a good show again," jockey Johnny Murtagh said yesterday. "He won very well at Goodwood last time, and he's a very straightforward horse with a great cruising gear who gives you a great feel. I'll be jumping out and letting him cruise and, if there is nothing in front of me, it won't be a problem. It will be a true test and the best horse will win."

Godolphin annexed this prize with some of their finest in Mark of Esteem (Ire) (Darshaan {GB}), Dubai Millennium (GB) (Seeking the Gold) and Ramonti (Fr) (Martino Alonso {Ire}), and also with the outsider Summoner (GB) (Inchिनor {GB}). They rely on **Delegator** this time. Like Mark of Esteem, he comes off the back of a fluent win in Goodwood's G2 Celebration Mile Aug. 29 but, unlike that past luminary, currently lacks a Group 1 success. Only Sea the Stars (Ire) (Cape Cross {Ire}) and Mastercraftsman proved stronger in the May 2 G1 2000 Guineas and June 16 G1 St James's Palace S., respectively, and he gets another crack at the title here. "I was very happy when Delegator won at Goodwood and he has come out of that race very well," trainer Saeed bin Suroor commented.

"[Delegator] had his last piece of work on Monday and he looked very good," bin Suroor added. "He is ready to go and I am looking forward to seeing how he gets on. There's only going to be a small field, but I am hoping that we get a nice pace on Saturday." Sheikh Hamdan bin Rashid Al Maktoum's **Aqlaam** is no back-number, having captured the G1 Prix du Moulin de Longchamp on his latest start Sept. 6 and previously finished runner-up to Goldikova (Ire) (Anabaa) in the G1 Prix Jacques le Marois at Deauville Aug. 16. Jockey Richard Hills said, "It's a small field, but they are top-class horses. He is improving all the time and did very well at Longchamp last time, so I'm expecting a big run." Khalid Abdullah's **Zacinto** is still relatively unexposed due to a setback in the spring, and went forward from a win in the Listed Thoroughbred S. at Goodwood Aug. 1 to finish runner-up to Delegator in the Celebration Mile last time. "He's got a bit to find, but the horse is in great form and he's had quite a light racing career so far so we'll see how good he is tomorrow," the owner-breeder's Racing Manager Teddy Grimthorpe told *PA Sport* yesterday. "I think if he runs up to his best, he's going to be competitive."

WinStar Farm's **Hold Me Back** returns to a synthetic surface after completing the exacta in the GI Shadwell Travers S. at Saratoga Aug. 29. The dark bay made it three-for-three on man-made surfaces with an upset win in this track's GII Lane's End S. in March prior to a rallying second-place finish over Keeneland's Polytrack in the GI Toyota Blue Grass S. He rebounded from disappointing efforts in the GI Kentucky Derby and grassy GII Virginia Derby with a good performance in the Mid-Summer Derby. "This will be our final prep for the [GI] Breeders' Cup Classic," WinStar's Elliott Walden revealed to *Daily Racing Form*. "We were looking for a race that hopefully he'd run well in and stamp his ticket. We're looking for something good to set us up right." **Wicked Style**, hero of 2007 GI Lane's End Breeders' Futurity at Keeneland, enters off a third-place finish in the GIII Washington Park H. at Arlington Sept. 5. **Dubious Miss** completed the exacta that day.

Godolphin saddle a duo of live contenders in **Frozen Power** and **Vale of York** in this competitive renewal, with the former the choice of Frankie Dettori following his smooth two-length success in the Listed Prix de la Huderie at Deauville last time Aug. 28. Vale of York, who was fifth in the red-hot G3 Acomb S. at York Aug. 18, rebounded with a comfortable score in Goodwood's Listed Stardom S. on his latest outing Sept. 8.

JUDDMONTE ROYAL LODGE S. cont.

"Frozen Power won well at Deauville and he came out of the race in good order," trainer Saeed bin Suroor commented. "He has been doing some good work at home and he deserves to take a step up in class. I was happy to see Vale of York win at Goodwood and has been working well recently. He's also stepping up in class, but he goes into Saturday's race in good heart, and I am looking forward to seeing how he gets on. The mile trip will suit them both and, while it will be a tough contest to win, they both have the class to run a big race." **High Twelve** created a favorable impression when registering a 3 1/4-length success in a mile maiden at Sandown last time Aug. 6 and warrants respect, as does the June 20 Listed Chesham S. winner **Big Audio**. He followed up at the expense of **Dubai Miracle** in the Listed Stonehenge S. at Salisbury last time Aug. 21. Trainer Richard Hannon commented, "Big Audio worked well with [jockey Richard] Hughesie aboard on Friday morning and is in good order, but he is definitely better with a bit of juice in the ground, and the new Ascot can get quite firm. If we do run, we will be more patient with our riding tactics. We have been aggressive in the past, but a horse can get fed up with being continually taken on up front so if we give Big Audio the green light, we will drop him in and ride a race."

GAGLIANO TO SUCCEED MARZELLI AS JOCKEY CLUB PRESIDENT The Jockey Club President and Chief Operating Officer Alan Marzelli will retire at the end of the year, Jockey Club Chairman Ogden Mills Phipps announced yesterday.

Alan Marzelli
The Jockey Club

James Gagliano, who has served as executive vice president and chief administrative officer of The Jockey Club for the past four years, will take over the reins. "In various capacities and over many years, Alan has done a first-rate job for The Jockey Club with a wide range of initiatives, all of which have benefited this industry, and we're immensely grateful for his many contributions," Phipps said. "We also

feel extremely fortunate to have, in Jim Gagliano, an experienced and talented individual to lead our management team and staff in the years ahead." Marzelli, with The Jockey Club since 1983, was appointed president and chief operating officer in 2003. In addition to guiding The Jockey Club through a period of unparalleled growth, Marzelli was also heavily involved with the formation of Equibase Company, where he serves as chairman. Gagliano, a Providence College graduate, served as executive vice president of Magna Entertainment's Maryland racing operations prior to joining The Jockey Club. "Jim was hired in 2005 with the understanding that he would one day succeed me, and he is ready to step into that role," Marzelli said. "While I look forward to having more time to devote to my family and personal interests, in the short term and in order to ensure a seamless transition, I will continue to serve as chairman of Equibase and represent The Jockey Club on the executive council of the International Federation of Horseracing Authorities."

CHAMPION KONA GOLD EUTHANIZED Champion sprinter and 2000 GI Breeders' Cup Sprint hero Kona Gold (Java Gold--Double Sunrise, by Slew o' Gold) was euthanized at the Kentucky Horse Park Friday morning. The 15-year-old suffered a severe fracture to his left front leg while exercising in his paddock. John Nicholson, executive director of the Kentucky Horse Park said, "Kona Gold came to the Park because he deserved his place among our other champions, and also because he endeared himself to the racing public during his illustrious career on the track. It was a case of love at first sight for our staff when Kona Gold stepped off the van two years ago as a new resident of the Hall of Champions. Not only was he a handsome animal with kind eyes, he was also gentle and good. He was definitely one of my personal favorites because he had such a good heart." Kona Gold, bred by in Kentucky by Carlos Perez's Twilite Farm, won 14 of 30 career starts and posted \$2,293,384 in earnings. He was buried on the Memorial Walk of Champions alongside Bold Forbes and Forego.

CRYPTOCLEARANCE DIES Multi-millionaire and solid sire **Cryptoclearance** (Fappiano--Naval Orange, by Hoist the Flag) died Thursday at Rood and Riddle Equine Clinic from a heart attack following complications of colic surgery. The 25-year-old stallion had been standing at Margaux Farm. "On behalf of Dr. Ira Mersack, Dr. Joseph and Lynn Fowler, myself, and all of the staff at Margaux, we want to send our condolences to Phil Teinowitz and to all of the fans who have appreciated and supported

Cryptoclearance (1984-2009)
www.margauxfarm.com

Cryptoclearance during his lifetime," Steve Johnson, managing partner of Margaux, said in a statement. "He was a 'breed-shaping' horse, and his influence will be passed down over the years through not only his sons, but very significantly, through his daughters. His contribution to the breed is that of soundness, stamina and above all else heart--traits that he and his offspring have displayed in the races that define class in our breed." A \$190,000 KEESEP purchase by Philip Teinowitz, the dark bay was trained by Scotty Schulhofer through four seasons of racing. At three, he captured the GI Florida Derby, GI Pegasus H. and GI Everglades S., ran second in the GI Travers S. and GI Belmont S., and also finished third in the GI Preakness S. He closed for fourth in the GI Kentucky Derby. Cryptoclearance later added trophies in the 1989 GI Donn H. and 1989 GI Widener H., and was victorious in successive renewals of the GII Hawthorne Gold Cup. He compiled a record of 44-12-10-7, and bankrolled \$3,376,327. As a stallion, Cryptoclearance was represented by champion Victory Gallop, as well as Grade I winners Volponi, Millennium Wind, Strategic Maneuver and Traitor. He sired 40 black-type winners from 17 crops of racing age, and his progeny have amassed over \$49.9 million to date. Cryptoclearance's daughters are responsible for 25 black-type winners thus far, topped by multiple Grade I winner and millionaire Elloluv (Gilded Time). He will be buried at Margaux.

FRANCE GALOP REJECT VERMEILLE APPEAL Connections of **Dar Re Mi (GB)** (Singspiel {Ire}) had the cards dealt early by France-Galop yesterday when it was declared that they had thrown out the appeal to overturn the decision of the Longchamp stewards to disqualify her in the G1 Prix Vermeille. Despite the initial date of the decision being set for Tuesday, the ruling body was quick to announce that Thursday's hearing had not been successful in reinstating the Lloyd-Webber's homebred and she will remain in fifth place in the records for the Sept. 13 highlight.

Sore Feet for Worstcasescenario...

Worstcasescenario (Forbidden Apple), who was eased as the 4-5 chalk in last weekend's GII Matron S. at Belmont, has exited that performance with sore feet, according to trainer Rick Violette. "Her feet are killing her," Violette revealed of the GII Adirondack S. heroine. "She's got big, flat feet, and generally we shoe the day of [the race] and, obviously, that wasn't the thing to do. She's gone to the track the past couple of days, and we're going to put glue-ons on her." Options for the Klaravich and W.H. Lawrence colorbearer's next start include the GI Frizette S. at Belmont Oct. 10, the GI Darley Alcibiades S. at Keeneland Oct. 9, and the GII Demoiselle S. at the Big A Nov. 28.

Bird Watch: Derby Winner Arrives at Santa Anita...

Kentucky Derby hero **Mine That Bird** (Birdstone) arrived at Santa Anita early Friday morning and jogged one mile over the Pro-Ride. The GII West Virginia Derby third-place finisher was vanned to Arcadia from New Mexico by trainer Chip Woolley. Mine That Bird will be re-united with jockey Calvin Borel in the GI Goodwood S. Oct. 10. "He's doing good, real good," Woolley reported. "It was a typical transport and he settled in well. He didn't eat all his feed, but that's not out of the norm for him. He ate good and drank good, so that's all right."

KEENELAND SEPTEMBER SALE

The Quiet Storm...

The Keeneland September Yearling sale rolled on Friday with a colt by Stormy Atlantic topping the session at \$80,000. Consigned by Taylor Made Sales Agency, Agent XXXIX as hip 3919, the gray was purchased by Just For Fun Stables. The son of Emptythetill (Holy Bull) was bred in Kentucky by Gulf Coast Farms LLC. Gulf Coast acquired Emptythetill in foal to Songandaprayer for \$125,000 at the 2005 OBSOCT sale. The session topper's half-brother by Indian Charlie brought \$240,000 at last year's KEESEP sale. For the session, 245 yearlings brought \$2,504,800. The average of \$10,224 was down 54.51 percent; the \$7,000 median was down 53.33 percent. Through 11 days of trade, 2,544 head have realized \$187,076,600. The cumulative gross was \$319,287,900 at this point in 2008. For complete stats and results, visit www.keeneland.com.

“When you buy stocks or you sell stocks, your price quotes are instantaneous. I buy 1,000 shares of XYZ company, that order is processed in real time. Somebody else getting a quote, their quote will have my order, my executed order, reflected into it, and it will, their quote will be updated a nano second after I make my buy or sell. And visa versa. That’s what racing needs. In this day and age, it’s an embarrassment that it takes 45 seconds for odds info to cycle through.”

PRIX DE L'ARC DE TRIOMPHE

MURTAGH BELIEVES IN FAME Johnny Murtagh is not discounting reversing form with Sea the Stars (Ire) (Cape Cross {Ire}) as Ballydoyle prepare **Fame and Glory (GB)** (Montjeu {Ire}) for next Sunday's showdown in the G1 Qatar Prix de l'Arc de Triomphe. Runner-up to Christopher Tsui's world highweight in both the June 6 G1 Epsom Derby and G1 Irish Champion S. at Leopardstown Sept. 5, the Ballydoyle jockey was keeping faith in Derrick Smith, Susan Magnier and Michael Tabor's G1 Irish Derby winner yesterday. "If the ground came up soft, it would definitely be a disadvantage to Sea the Stars and my horse has improved since Leopardstown, and is in great form," Murtagh said. "I think he's a great horse, and I'm really looking forward to the Arc. Sea the Stars seems to be able to overcome everything that's thrown at him, but it's a big test and it might not be as clear cut as everyone thinks."

BRAZILIAN TASTE TO ARC WEEKEND South America will be represented on the major stage next weekend after it was announced that **Hot Six (Brz)** (Burooj {GB}) will take part in the G1 Qatar Prix de l'Arc de Triomphe. Owner Stefan Friberg will race a quintet of horses over the weekend under the banner of Estrela Energia Stables, and all will be saddled by Givanildo Duarte before they join Pascal Bary. T.J. Pereira will take the ride on the G1 Gran Premio Latinoamericano winner Hot Six in the main event on Sunday, while **Opera Comica (Brz)** (Giant Gentleman) will run in the previous day's G1 Prix de la Foret. Friberg's Racing Manager Patrick Barbe told the *Racing Post*, "They are all Group 1 caliber, but I would say Hot Six and Opera Comica are the best of them. Hot Six won the Latinoamericano, which is the South American equivalent of the Arc de Triomphe and run in a different country each year. He is coming over especially for the Arc, for which he will remain under the care of Duarte until after the Arc before being transferred to Pascal Bary. We are hoping there will be a little rain before the big race."

Wagering without it is a real gamble.

Op/ed feedback

Senate President David L. Williams has responded to Bill Farish's Op-Ed regarding slots in Kentucky. For the original Op-Ed, click [here](#) or see the Sept. 22 edition of the *TDN*.

I never cease to be amazed by the manner in which slot interests and their spokesmen such as Bill Farish continue to mislead Kentuckians. The proposed expansion of gambling in Kentucky is bad economic policy for the state and for the horse industry. Those tied to the slots may do their best to raise the specter of false divisions and false hope, but the reality of the situation is unchanged.

www.lrc.ky.gov

Fact #1: Expanded gambling will flood Kentucky with funds that will skew our body politic. Bill Farish failed to mention his family's financial affiliation with the tracks as well as to the 527 "issues" group formed by the tracks and their supporters to circumvent campaign finance laws in order to intimidate legislators to support slots. **Cont. p12**

Senate President David L. Williams cont.

During the recent special election, his pro-slots 527 ran negative ads that never even mentioned slots. State after state with gambling in the mix has been rife with stories of political corruption.

Fact #2: Once slots arrive, horse owners and trainers will get the short end of the stick. In Florida, horsemen have complained that their promised doubling of purses has never materialized. In Ohio, under the Governor's executive orders, owners were left to their own devices to negotiate purses with the slots people. In West Virginia, purse money was shifted back to state government to make up for shortfalls. And in Kentucky, have we forgotten the bitter battle waged by Churchill Downs attempting to force our horsemen to accept a smaller slice of the revenue from Internet bets? Or the fact that Churchill Downs pays to transport horses to its own Arlington Park in Chicago in direct competition with Ellis Park? Once slots come in the picture, players will thrill to the speed of the machine and ignore the speed of our ponies.

Fact #3: Slots will not "save" Kentucky's budget. Gambling is an unstable source of revenue. In spite of gambling, Illinois raised taxes. Hardly a session has passed without Indiana's casinos and racinos asking for yet another tax break. And gambling revenues are in a decline nationwide sending governments addicted to them scurrying for additional funds.

Fact #4: The horse business is beset with problems endemic to the industry itself. The horse industry acknowledges that it breeds too many horses and runs too many races in a national economy that is fragile. Racing fans are growing older. The industry's weak marketing has done little to help. Very few people these days have the discretionary cash to plunk down a cool million for a horse, or even tens of thousands of dollars.

During the Special Session in June, Senate Democrats and Republicans unanimously passed legislation that would have nearly doubled funding for the Kentucky Thoroughbred Development Fund, and actually doubled funding for the Kentucky Breeders' Incentive Fund without slots. Our plan would have kept the Kentucky Education Excellence Scholarships scholarship program whole and not hurt charitable gaming. It would not have used any General Fund dollars.

The House plan would have forked over more than 50 percent of the revenue to the tracks and massively undervalued the license fees the tracks would have had to pay. All businesses are suffering in this economy, yet the tracks insist that they and they alone deserve special treatment.

When the House introduced its gambling bill during the 2008 session, committee members were mysteriously replaced in order to ensure passage. The 2009 version was heard in a committee that didn't even allow the opposition to testify. Finally, with the addition of over \$1 billion worth of projects the bill barely passed during the Special Session. It was a far cry from the fair hearing the bill received in the Senate committee where both sides were allowed to air their views.

The House plan relied on Kentuckians gambling a whopping \$11.9 billion--a figure that represents five times more than what is currently wagered at the tracks, at out-of-state casinos, and through charitable gaming. Where are these players going to come from? With gambling already in many of our sister states, slots will only cannibalize our own people--our most vulnerable sacrificed for what a horse industry insider, Ray Paulick, calls a "band-aid" solution.

We need to explore all the ways Kentucky horsemen can control their own future because, as Churchill Downs trainer Michael Lauer recently noted, "...once the tracks get the slots, the horsemen become secondary citizens." I respectfully would amend that quote to include all Kentuckians.

Tucked away neatly in third as Darley's Songster (Songandaprayer) and former Darley runner Accredited (E Dubai) scrimmaged up front, Ravallo shifted out three wide, took aim on the tiring pacesetters and was going well late.

LISA'S KITTEN (f, 2, Kitten's Joy--Chianti Red, by Woodman) was switched out four wide in upper stretch and rallied down the center of the Widener Turf Course to become the 14th winner for her freshman sire (by El Prado {Ire}). Third in a July 10 maiden going six over this turf course, the homebred was an even fourth to Tapitsfly (Tapit) in an off-turf affair at Saratoga Aug. 3 and sixth to that foe in the grassy P.G. Johnson S. upstate Sept. 3. The preferred half of an entry at 3-5 and the selection of Julien Leparoux, Lisa's Kitten looked to be in deep water when last of eight with no pace to run at after a half-mile. But, given her cue on the turn, she accelerated smartly and finished full of run to hand March Mischief (Smart Strike) a 3/4-length defeat. Deanaallen'skitten (Kitten's Joy) helped pad her sire's lead atop the freshman sire table, finishing third on her debut. REIN KING (c, 2, Roman Ruler--Postulant, by Pulpit) showed good early speed from a high draw to finish a promising third behind subsequent GISP Aikenite (Yes It's True) in an Aug. 9 maiden at Saratoga. Drawn inside for a similar event Sept. 2, the dark bay never quite found the front, but stayed on nicely for a fourth-place effort, beaten just a length. Sent off the 5-2 third choice while stretching out to the one-turn mile, the Florida-bred alternated up front with On Vacation (Harlan's Holiday), turned for home narrowly in front and proved a half-length too good in the finish, becoming the 16th winner for his freshman sire (by Fusaichi Pegasus). Fourth in the May 9 Listed Lingfield Oaks Trial, Spirit of Dubai was off the radar in the May 24 G2 Oaks d'Italia at Milan's San Siro and took three further attempts before shedding maiden status back at Lingfield last time Sept. 2. Reserved in rear throughout this, she was rousted along in early stretch and stayed on relentlessly under continued urging in the closing stages to prevail in a bunch finish. "She was honest enough to go for a gap as it was very tight in there and the owner's here as well, so I'm delighted," said trainer David Simcock. "We thought she'd run well and it's a nice surprise to have won. She ran very well in the Oaks Trial and we took her to Italy two weeks later, which was a very stupid thing to do. It bottomed her, but she has come back slowly and she'll be a nice filly next year." [Click for the Racing Post chart.](#) [Video, courtesy attheraces.](#)

Shamandar garnered a Ripon maiden on debut July 6 and was narrowly beaten by subsequent G3 Molecomb S. hero Monsieur Chevalier (Ire) (Chevalier {Ire}) in the Weatherbys Super Sprint at Newbury July 18. She was second once more, beaten a pixel by subsequent G2 Flying Childers S victress Sand Vixen (GB) (Dubawi {Ire}), in the Aug. 18 Listed St Hugh's S. back at Newbury and regained the winning habit in the Sept. 3 Listed Dick Poole Fillies' S. at Salisbury last time. Moving smoothly in the center of the track throughout this valuable heat, she quickened to challenge approaching the final eighth and was driven out late to best Dubawi Heights. "She was drawn on the wrong side, as it turned out, and got no cover at all," said trainer William Haggas. "She was best in at the weights, she's a consistent filly and I'm delighted she won. She was bought as a foal by James Delahooke for the Scotts, but they couldn't sell her as a yearling, so this is just dream stuff. There's a strong possibility she will run in the G1 Cheveley Park S. [at Newmarket Oct. 2]."

Anthony Pye-Jeary and Mel Smith's G3 Solario S. runner-up had returned to beat the subsequent Listed scorer Ashram (Ire) (Indian Haven {GB}) in a seven-furlong conditions race at Newbury on his sole three-year-old start July 17, but came home sore. Trainer Eve Johnson Houghton said, "The Cheka is out for the rest of the season. He has not been completely sound since his last run and on investigation, it was decided to stop for the year and get him completely sorted out. I still have every faith in the horse and when we have him sorted out next season, I am expecting great things."

HAWK WING COLT TOPS GOESBRIDGE FARE

A son of Hawk Wing proved the main attraction at the second Goresbridge Flat Yearling Sale yesterday when selling to Salvatore Pili for €11,000. Consigned by Clonroche Farmhouse as [hip 61](#), he is a half-brother to the Listed winner Dance Partner (GB) (Danzero {Aus}) and the dam of last year's G2 Rockfel S. winner and this year's G1 Irish 1000 Guineas runner-up Lahaleeb (Ire) (Redback {GB}). This is the Cheveley Park Stud family of Virtual (GB) (Pivotal {GB}) and sires Iceman (GB) and Entrepreneur (GB). Rathasker Stud's resident Mujadil had supplied the previous day's session topper at Fairyhouse and that sire was in the limelight again when his filly was snapped up by Pat Neary for €10,000. Her dam is a half to the Listed winner Wovoka (Ire), who was also by Mujahid. George Mullins later matched that figure for [hip 65](#), a filly from the first crop of Aussie Rules from Joe Foley's Ballyhane Stud. Her dam is a sister to the sire Mind Games (GB). As expected, the average was down in line with other auctions of its kind and Goresbridge Manager Martin Donohoe told the *Racing Post*, "It's tough, but we're pretty satisfied. Of course it could be better and we'd obviously like it to be better, but the clearance rate is reasonable and this sale was always going to be tough given the times we're in." THOROUGHBRED SALE Numbers were mixed at the Inglis Spring Thoroughbred Sale, which saw a rise in the average price and a decline in the median. The average rose 16.5 percent to A\$8,921 (A\$1 = US\$0.86), but there was weakness in the bottom end of the market as the median fell 30.6 percent to A\$2,500. The clearance rate held steady at 89 percent. Doubleloon (Aus) (Desert Prince {Ire}), in foal to Lonhro (Aus), sold for A\$125,000 to top the sale as **lot 14**. The half-sister to SW Walk Alone (Aus) (Honour and Glory) was from the account of D. & V. Storey of Sydney. That consignment also offered Tiger Doll (Aus) (Jeune), who brought the second-highest price of the sale when she went for A\$65,000 as **lot 16**. Like Doubleloon, Tiger Doll is in foal to Lonhro.
