**SHE'S 'ZEE' ONE IN BAYAKOA**

Arnold Zetcher's **Zardana (Brz)** (Crimson Tide {Ire}) hadn't touched synthetic since finishing last of four in the 2008 GI Santa Maria H., but came from just off the pace to take Saturday's GII Bayakoa H. at Hollywood. Previously trained by Ron McAnally, the dark bay was turned over to conditioner John Shirreffs at the end of last year. She captured two of six previous tries for Shirreffs, taking a one-mile allowance on the local sod May 31 and

the restricted Swingtime S. on the Oak Tree infield Oct. 12. The Brazilian-bred came here off an eighth in Santa Anita's GII Las Palmas H. Nov. 6. After sitting a perfect trip in third along the rail, the five-year-old switched out in the lane and finished up well, giving Shirreffs his fifth Bayakoa triumph. "She won three races on the dirt in Brazil," Shirreffs noted. "We've been thinking of running her on the dirt since we got back here [from Santa Anita]--it seemed like the thing to do."

**TSUIS MAKE THEIR MARK AT DEAUVILLE**

All focus is on the book of Sea the Stars (Ire) (Cape Cross {Ire}) at present, and that factor dominated yesterday's opening session of Arqana's December Breeding Stock Sale as the Tsui family stepped in for a pair of choicely bred mares for their champion. Heading Ling Tsui's shopping list, and the day's trading overall, was **Aquarelle Bleue (GB)** (Sadler's Wells). Nearing the halfway point of the opening session, all eyes were fixed on [hip 101](#) from the draft of Haras du Mezeray. Bred by Ecurie Wildenstein, the five-year-old is a daughter of that

operation's outstanding Aquarelliste (Fr) (Danehill). One of the best to carry the family's royal blue colors, Aquarelliste captured the 2001 G1 Prix de Diane and G1 Prix Vermeille, and was second in that year's G1 Prix de l'Arc de Triomphe before returning to add the following season's G1 Prix Ganay to her tally. Aquarelle Bleue had been offered at this venue last year while in foal to Mr. Greeley, but RNA'd at €500,000. Bred back to Cape Cross (Ire) after delivering a colt by Mr. Greeley, she prompted a bidding battle before Mandore International Agency held sway at €520,000.

Nicolas de Watrigant heads Mandore, and he earlier paid €140,000 for Derryluskin Stud's [hip 92](#), the five-year-old **Alizaya (Ire)** (Highest Honor {Fr}), who is a half-sister to this year's G1 Irish St Leger and G1 Prix du Cadran hero Alandi (Ire) (Galileo {Ire}). She is in foal to Oratorio (Ire) (Danehill). "I bought these two mares for Mrs. Tsui and both will have a honeymoon night with Sea the Stars," de Watrigant explained. "We are delighted to have the daughter of Sadler's Wells and Aquarelliste, as Mrs. Tsui was very keen to have that blood to breed to him. They are both extremely good-looking mares and both with a top-class pedigree."

**Last But Not Least...**

Arqana kept the crowds enthralled until the close of play, with the 10-year-old former sprinting luminary **Porlezza (Fr)** (Sicyos) the last to pass through the ring. Consigned by Haras d'Ellon, the 2003 G1 Prix Maurice de Gheest heroine who also registered back-to-back wins in the G2 Prix du Gros-Chene is in foal to the now-deceased Anabaa (Danzig). She was knocked down to Marc-Antoine Berghgracht's MAB Agency for €320,000. "She has been bought for an undisclosed client, and is a gorgeous-looking mare who is young and in foal to a top sire, who unfortunately died this year," Berghgracht explained. "We have not as yet decided what to do with her--whether she will stay in France or go abroad."

**Towards the Light...**

Blue Sky Bloodstock was responsible for the purchase of the jewel of the Haras de Fresnay-le-Buffard consignment for €300,000. [Hip 174](#), the three-year-old **Towards** (Fusaichi Pegasus), is a daughter of the 1990 G1 Cheveley Park S. runner-up Imperfect Circle (Riverman), who later extended her importance as the dam of Spinning World (Nureyev). Her page is replete with some of the Niarchos operation's classiest performers in recent years, including Denon (Pleasant Colony), Chimes of Freedom (Private Account) and her champion son Aldebaran (Mr. Prospector). "I signed the ticket, but in fact just helped Bill Dwan buy the filly for an undisclosed client of the Castlebridge Consignment who is a breeder," Blue Sky's Freddy Powell commented. "He loved the pedigree and wanted to get into that family, and that was a rare opportunity. The filly will be sent to the breeding shed soon."

**Coming From Down Under...**

On a day when Australasian interests were at the forefront, Arqana's correspondent in that sphere Damon Gabbedy was snapping up a pair of bluebloods on behalf of Belmont Bloodstock. After paying €200,000 for Haras de Grandcamp's [hip 36](#), the three-year-old **Dowing (Ire)** (Hawk Wing) who is a half-sister to Dehere, they also purchased last year's G2 Flying Childers S. winner **Madame Trop Vite (Ire)** (Invincible Spirit {Ire}). Consigned as [hip 155](#) by her owner Bansha House Stables, she was knocked down to the agent for €190,000. "This sale is a good opportunity to buy nice mares," Gabbedy commented. "I bought these two for two different Australian clients, and they will be sent there to be bred. The grey filly Madame Trop Vite is by an obviously very good sire, and she was a Group 2 winner and listed winner herself. So, she has all credentials to be a good broodmare, and she should be easy to cross."

**Let It Snow...**

Arqana allowed wildcard entries, and it was one of those who featured from Haras du Logis. The six-year-old **Mrs Snow (GB)** (Singspiel {Ire}), placed at group and listed levels, is a half to this year's G2 Oaks d'Italia runner-up Wadaat (GB) (Diktat {GB}). Her dam is a half to the high-class Walzerkoenigin (Kingmambo), who produced this year's multiple Group 1 winner Wiener Walzer (Ger) (Dynaformer), and Mrs Snow was offered in foal to New Approach (Ire) (Galileo {Ire}). The Shadai Corporation was the name on the docket after €200,000 secured her, and agent Patrick Barbe said, "This mare has been bought by Shiraoui Farm, a partnership of Japanese Breeders in which Teruya Yoshida and his brother Katsumi are majority share holders. The mare will go to Japan and has been bought because of her pedigree, but the key factor is that she is in foal to a champion, New Approach, who could turn out to be a top sire."

**Summer In December...**

One of the late Gerald Leigh's finest families was represented by [hip 44](#) from the draft of Haras du Mezeray, and the six-year-old **Summer Stage (GB)** (In the Wings {GB}) was in demand. The unraced sister to Act One (GB) is also a half to the 2005 G1 Poule d'Essai des Poulains third Gharir (Ire) (Machiavellian), listed winner Summer Solstice (Ire) (Caerleon) and 2000 G1 Fillies' Mile runner-up Summer Symphony (Ire) (Caerleon). In foal to Duke of Marmalade (Ire) (Danehill), she was snapped up by Agence FIPS for €190,000.

- Late in the session, Anthony Stroud paid €225,000 for [hip 220](#), Haras des Capucines' three-year-old listed winner **Rex Regina (Ire)** (King's Best), who is out of a sister to Al Nasr (Fr) (Lyphard) and half to the fellow sire Kingsalsa (Kingmambo).

anthonystroud.com

- Meridian International paid €215,000 for Nicolas Clement's [hip 180](#), the four-year-old listed winner **Saturnine (Ire)** (Galileo {Ire}), whose dam Katchina Quest (Fr) (Highest Honor {Fr}) was fourth in the 2002 G1 Prix de l'Opera. "I have just launched a new company with shareholders to invest in breeding," Meridian's Guislain Bozo said. "It is called Capital Pur Sang, and we are starting to buy our first horses. I bought three mares at Newmarket and this is the first one in Deauville. I don't think we can improve her racing record, so she will probably be retired to stud and be bred, but it is much too early to say to which stallion."
- His Highness The Aga Khan's consignment always offers a powerful draw, and Sylvain Vidal was responsible for the purchase of the most wanted among the regal draft. [Hip 71](#) is the three-year-old **Vidiyna (Fr)** (Danehill Dancer {Ire}), a winning daughter of the 2003 G3 Prix de Flore winner and 2004 G1 Grand Prix de Saint-Cloud third Visorama (Ire) (Linamix {Fr}) who sold for €170,000.

- Minutes later, Mags O'Toole paid €160,000 for a foal son of Oasis Dream (GB) consigned as [hip 76](#), also by Mezeray. The sale of the grandson of the top-class Hatoof (Irish River {Fr}) represented a coup for the vendor Charles Henri de Moussac, who explained, "It was an extremely good sale. Last year, we sold the dam for €115,000 to a new syndicate of young investors who had never been involved with horses before. So they are thrilled to have sold that foal at that price and of course they still own the mare. It is a pretty nice story for them and they couldn't be off to a better start. It seems to me that the market is very good for the quality horses in the sale. It seems to be struggling a little bit more for the rest." O'Toole also paid €205,000 for [hip 237](#), the Wertheimers' three-year-old **Never Busy** (Gone West), a daughter of the 1996 G1 Cheveley Park S. winner Pas de Reponse (Danzig), and therefore a half to the recent Listed Prix Herod winner Saying (Giant's Causeway); and €150,000 for [hip 121](#), the three-year-old **La Maestranza** (Storm Cat). Also from Mezeray, she is out of the brilliant Cash Run (Seeking the Gold) and is therefore a sister to SW & GSP Great War Eagle.
- Two notables who did not meet their reserve were Haras des Capucines' [hip 224](#), this year's G1 Preis der Diana winner **Night Magic (Ger)** (Sholokhov {Ire}) who failed to make more than €800,000; and Mezeray's [hip 177](#), the three-year-old daughter of Islington (Ire) (Sadler's Wells) **Isla Canela** (Gone West), who was led out unsold at €500,000.

Those failures could hardly impact on a highly successful session, at the end of which the average of €51,442 and median of €30,000 blew the 2008 equivalent out of the water, with staggering increases of 35 percent and 87 percent, respectively. Selling continues today at 11 a.m. Full results can be found on [www.argana.com](http://www.argana.com).

*Consigned by Aga Khan Studs*

Ridafa, currently in foal to Sinndar (Ire), was a winner on the track and is by the all-important broodmare sire Darshaan. She is from the family of this year's G1 Irish 2000 Guineas runner-up Rayeni (Ire) (Indian Ridge {Ire}).

**263**, Consciousness (GB), f, 3, Pivotal (GB)--Sacred Song, by Diesis (GB)

*Consigned by Haras de Fresnay-le-Buffard*

From the Niarchos operation, this is a daughter of dual group winner and 2001 G1 Yorkshire Oaks runner-up Sacred Song, who has also produced the high-class Multidimensional (GB) (Danehill).

**299**, Goldfonic (Fr), f, 3, Hernando (Fr)--Superfonic (Fr),  
by Zafonic

*Consigned by Wertheimer et Frere*

Unraced, Goldfonic offers the chance to buy into the family of the sensational Goldikova (Ire) (Anabaa), as the dam is a half to the dual G1 Breeders' Cup Mile heroine.

**331**, Forago, f, 3, Forestry--Acago, by Royal Academy  
*Consigned by Wertheimer et Frere*

Out of the talented Acago, who took the 2003 G3 Prix Chloe and was just a notch below the very top-class of her generation, this Wertheimer cast-off hails from the family of top performers Dare and Go, Go Deputy and Quiet American.

**367**, Cracking Melody (GB), f, 2, Shamardal--Cracovie (GB),  
by Caerleon

*Consigned by Haras d'Etreham*

This is an unraced half-sister to the 2007 G1 Prix Saint-Alary winner Coquerelle (Ire) (Zamindar) from the excellent family of Luth de Saron (Fr). Among her offspring are the sires Roi Normand and Luth Dancer and high-class Trampoli (Tremolino), while Lixirova (Fr) (Slickly {Fr}) provided a significant update last month when capturing the G3 Prix Miesque.

All horses in the *TDN* are bred in North America,  
unless otherwise indicated

**RED LETTER DAY?** The venerable **Vermilion** (Jpn) (El Condor Pasa) is a mainstay of the G1 Japan Cup Dirt, winning in 2007 and finishing third last year. He defeated a number of today's rivals last out in the JBC Classic at Nagoya Nov. 3. "He's the same old Vermilion," trainer Sei Ishizuka said of the seven-year-old. "This fall, he's looked as good as he ever has.

Vermilion *JAIR photo*

There was a horse who couldn't run to his right last year, and he took us out of the race. The preparation has been perfect this time. All we ask for is a clean race." **Espoir City** (Jpn) (Gold Allure {Jpn}) comes in off a four-length tally in the Mile Championship Nambu Hai at Morioka

Espoir City *JAIR photo*

Oct. 12. "His performance when he won the Nambu Hai was so impressive, we decided to head straight to the Japan Cup Dirt," enthused trainer Akio Adachi. "He's shaping up to be a real good dirt runner, packing on a lot of muscle, and he's been training like never before. It's

too bad Summer Bird (Birdstone) had to pull out, because he's really learned how to run a race. We can't wait for it to begin." **Cont. p6**

The win marked her first victory on the grass following four straight wins on the dirt, including a wire-to-wire, four-length triumph in the G1 Gran Premio Seleccion at Palermo Nov. 14.

## Summer Bird Sails Through Surgery...

The Jayaramans' homebred **Summer Bird** (Birdstone), the frontrunner for the Eclipse Award as champion three-year-old, made it safely through surgery Friday for

Equi-Photo

a non-displaced fracture in his left front cannon bone. The chestnut is expected to race at four. "As long as rehab goes smoothly, he should make a full recovery," said trainer Tim Ice. "There was no cartilage damage at all. They inserted one screw, and it went in

with no problem and fit like a glove." The fracture was discovered after the colt arrived in Japan for an intended engagement in the G1 Japan Cup Dirt. He has bankrolled \$2,323,040 while winning four of nine career starts, all in 2009.

## Delta Jackpot Night Wrap-Up...

WinStar's **Rule** (Roman Ruler), a game winner of the GIII Delta Jackpot S. Friday night, will head to Florida while a course of action is plotted out to get him to the first Saturday in May. The homebred--produced by a half-sister to 2003 GI Kentucky Derby hero Funny Cide (Distorted Humor)--earned \$450,000 by defeating Uh Oh Bango (Top Hit) in the rich Louisiana event. "It puts him in a great position where we can manage him any way that we like," trainer Todd Pletcher told *Daily Racing Form*. "Should he be good enough to be in the Derby field, we have enough graded earnings to be there. It's a great position, and we're happy for it."

DRF also reported that George and Lori Hall's **Truth and Justice** (Yes It's True--Sala de Oro, by Expelled)

Truth and Justice (2007-'09)

was euthanized after breaking down at the top of the stretch in Friday night's GIII Delta Princess S. Favored at 2-1 following three straight black-type wins, the bay filly reportedly sustained multiple fractures in her right knee. She bankrolled \$238,599 while winning four of six previous starts for trainer Kelly Breen.

A fan of the Big A inner track, Awesome Ashley captured the Plankton S. and Feel the Beat S. on the surface at the beginning of the season. Fourth in the Mar. 21 Gil Distaff H. in her latest inner-track appearance, the grey was off the board in her next three outings and was given a break. She returned after nearly four months on the shelf to run seventh behind pro-tem champion Informed Decision (Monarchos) in the Oct. 10 Gil TCA S. at Keeneland, but entered this off a much-improved second in the Nov. 11 In Her Glory S. on the main track at Aqueduct. Content to settle off the pace, Awesome Ashley moved within striking distance as they raced around the turn and fired her best shot in the lane, closing on the far outside to get up in the shadow of the wire. **Click for the [brisnet.com chart](#) or [Video, sponsored by Taylor Made.](#)**

Riviera Cocktail placed in two of his four starts while racing on grass and synthetic in France before shipping to the U.S. in the spring. The bay came out running at Del Mar, breaking his maiden going a mile on the all-weather Aug. 26, and followed with a runner-up allowance finish at Oak Tree Oct. 11. Adding blinkers for an optional claimer Nov. 6, he got off to a rough start and never factored in a sixth-place effort, but he was back on track with the return to turf here. Riviera Cocktail was taken back off the pace and settled in midpack as the field raced single-file behind runaway leader Dover Street Art (Ire) (Alhaarth {Ire}) down the backstretch. He saved ground around the bend and burst through the gap that opened when the pacesetter drifted wide while tiring at the top of the lane, then dug in gamely in the three-way fight to the wire to prevail by a nose. A maiden winner in his second career start at Woodbine Oct. 2, Bear's Hard Ten was a lackluster fifth as the 7-5 chalk in an allowance test Oct. 22, but rebounded trying two turns for the first time here. The bay was taken in hand to sit second as Send Him In (Came Home) cut out the fractions on a daylight lead. He ranged up alongside the pacesetter on the far turn and opened up under an energetic Eurico Rosa Da Silva to win handily. "I think he's a very nice horse," said trainer Reade Baker. "I don't know what to think about his race before this. I still have no clue as to what happened that day." [Click for the brisnet.com chart](#) or [Video, sponsored by Taylor Made.](#)

**Restrictions Lifted on One Calder Barn:**

Calder Race Course near Miami has lifted the restrictions on one of four barns placed under monitoring due to an outbreak of equine herpesvirus, but the entire stable area at the racetrack remains under quarantine, *Daily Racing Form* reports. The quarantine and further restrictions on three barns were implemented Monday after a horse tested positive for the virus. A fourth barn was placed under similar restrictions Thursday after a horse exhibited symptoms of a possible neurological disorder. A sample sent to the University of Kentucky College of Agriculture-Livestock Disease Diagnostic Center came back negative Friday, however, allowing Calder to eliminate the restrictions on the fourth barn. Horses in the three barns that remain under monitoring must train separately from the rest of the population and are not allowed to race. The herpesvirus outbreak forced Calder to postpone the GIII Tropical Turf H. and GIII My Charmer H., which were originally scheduled for yesterday. No make-up date for either race has been determined. Calder officials have selected Dec. 13 as a target to lift the track-wide quarantine, and Dec. 20 for removing the restrictions on the three barns.

The dark bay dueled through fast fractions and drew clear under minimal urging to defeat state-breds by 7 3/4 lengths in a six-furlong heat over Aqueduct main track Nov. 7. Previously trained by suspended Rick Dutrow Jr., the juvenile is now under the tutelage of Dutrow assistant Juan Rodriguez, who has won with five of his 17 starters (29%) in 2009.

**SILVER GRECIAN SOLD TO HONG KONG INTERESTS**

**Silver Grecian (GB)** (Haafhd {GB}) has been sold to race in Hong Kong, the *Racing Post* revealed yesterday. Having raced in the colors of Ocean Trailers Ltd, the John Ryan-trained juvenile was successful in the G2 Superlative S. at Newmarket in July before finishing third under a penalty in the G2 Champagne S. at Doncaster in September. "The owners concerned have all said they are going to reinvest," Ryan told the trade daily. "He was sold for a substantial amount of money, which will enable them to go to the sales and try to purchase another one."

Grinding his way past Master Leon (GB) (Monsieur Bond {Ire}) in the final 100 yards, the 150,000gns TATOCT yearling asserted to score by two lengths. The victor is a half-brother to Alkaadhem (GB) (Green Desert), GSW-Fr, MSW & GSP-Eng, GSW-UAE, \$442,884. Lifetime Record: 1-1-0-0, £4,094. [Video, courtesy of attheraces.](#)

Making smooth progress on the final turn, the 37,000gns TATOCT yearling rolled to the front with 150 yards remaining en route to a snug half-length defeat of Barreq (Proud Citizen). When you fill out your foal registration application, designate an amount of your choice to

The Jockey Club's Thoroughbred retirement checkoff program.

Your payment will go directly to the THOROUGHBRED RETIREMENT FOUNDATION and the THOROUGHBRED CHARITIES OF AMERICA, two leading organizations that help retire, retrain and adopt Thoroughbred racehorses.

The Jockey Club, through profits earned from its subsidiaries, will provide \$200,000 in funding to these charities to supplement the monies raised through the checkoff program in 2009.
