GOLDEN SHAHEEN ON TURF?

Officials at Meydan Racecourse might transfer the G1 Dubai Golden Shaheen, part of the Dubai World Cup card, to the new racing venue's turf course, *Racing Post* reports. Inaugurated in 1996, the 1200-meter dash had been contested solely over a straight-ahead

Meydan Racecourse meydan.ae

dirt course at now-closed Nad Al Sheba. Horses competing over that distance on Meydan's Tapeta all-weather track will be required to go around a turn. Should officials decide to move the Golden

Shaheen to the turf course, the race could keep its straight-ahead format. "Everything remains under discussion," Frank Gabriel, CEO of the Dubai Racing Club, told the trade daily. "Regarding the Golden Shaheen, we have to change the surface as we no longer have a dirt track, but to move it to turf is a big decision. However, that option does keep the race on a straight track." Horses from the United States have won 10 of 14 runnings of the Golden Shaheen, including the last six renewals. "Obviously, we are considering input from the industry before we make a final decision," Gabriel added. "The [Dubai] World Cup itself will be contested on a new surface, and we hope it will attract a worldwide entry. The last two Breeders' Cup Classics have been on a synthetic surface and attracted extra European interest. That could be a coincidence, but is most probably surface related. We hope the Tapeta will appeal to everyone." The 2009 Dubai Golden Shaheen carried a purse of \$2 million in 2009.

SCENIC BLAST TO UNITED STATES

Scenic Blast (Aus) (Scenic {Ire}), Australia's Horse of the Year for the 2008-09 racing season, will be expatriated to the United States and will be trained by John Shirreffs, the *Herald Sun* reports. "He won't race here again," part-owner Elio Galante told the publication. "He'll carry the flag for Australia in America and be a great advertisement for our racing." Galante said plans would be confirmed by Christmas Day. A two-time Group 1 winner in his native country and hero of the G1 King's Stand S.

at this year's Royal Ascot meeting, the five-year-old was banned from racing in Australia after he bled when last of 14 in the G1 Cathay Pacific Hong Kong Sprint at Sha Tin Dec. 13. The gelding will be allowed to race in the United States while being treated with Lasix. Scenic Blast has won eight of 21 career starts while trained by Dan Morton.

I Want Revenge Back in Training...

Daily Racing Form reports **I Want Revenge** (Stephen Got Even), winner of this year's GI Wood Memorial following a tardy start and a rough trip, is back in light

Alyse Jacobs

training after suffering an ankle injury that forced the GI Kentucky Derby morning-line favorite to be scratched on race day. "We're taking things really slowly," co-owner David Lanzman told DRF. "Every day he goes to the track I get an e-mail. He's just jogging." Second by a

nose in last year's GI CashCall Futurity over Hollywood Park's Cushion Track, the Jeff Mullins trainee blossomed when trying conventional dirt for the first time in the GIII Gotham S., humbling his opponents by 8 1/2 lengths. That effort caught the attention of IEAH Stables, Puglisi Racing and Charles Winner, who subsequently bought a 50-percent stake in the colt.

SMART BID LIKELY FOR MALIBU Trainer Graham Motion has told *Daily Racing Form* **Smart Bid** (Smart Strike) is likely to start in Saturday's GI Malibu S. Winner of the seven-furlong Damascus S. over the Malibu's course and distance Nov. 7, the Augustin Stable representative was also nominated for Saturday's GIII Sir Beaufort S. "I'm a little on the fence still," Motion told DRF. "There is a good shot we'll run in the Malibu." After breaking his maiden in his third career start at Philadelphia Park last December, the dark bay was shipped to Santa Anita, where took an optional claimer on turf in January. The homebred was sixth in Santa Anita's GIII Sham S. over Pro-Ride in February and second in the GIII Transylvania S. on Polytrack at Keeneland in April in his last two starts before the Damascus S.

One of the unwritten laws of American racing has been that he who wins the GI Breeders' Cup Juvenile shall also receive the Eclipse Award for two-year-old male. There have, of course, been a few exceptions to this rule during the first 25 years of the Breeders' Cup, but only one of the last 13 winners of the two-year-old male Eclipse failed to win the Juvenile. That was in 2004, when the Juvenile was taken by Wilko, an unconsidered British raider who had won only two of his 10 previous starts. The Eclipse voters preferred Declan's Moon, who ended his undefeated juvenile campaign with a victory over Giacomo and Wilko in the GI Hollywood Futurity.

There's every chance that we are due a repeat this year, after the Juvenile was won by another unconsidered English-trained raider in Vale of York (Invincible Spirit {Ire}). This colt had triumphed in only two of his five previous starts. The partisan Eclipse voters are surely going to prefer the home-trained Lookin at Lucky, who improved his record to five wins from six starts when he landed the CashCall Futurity three days ago, in the process recording his fourth graded success and his third at Grade I level.

There's one difference, though. Whereas Declan's Moon sidestepped the Breeders' Cup Juvenile, Lookin at Lucky filled the runner-up spot at Santa Anita. However, his narrow defeat at the hands of the foreign raider had a lot to do with his post position of 13, which forced him to take a wide route throughout the 1 1/16 miles.

Whatever the result of the Eclipse voting, the Live Oak Stud team has every right to be thrilled that they secured Lookin at Lucky's dam Private Feeling for \$2,000,000 from the Taylor Made Sales consignment at Fasig-Tipton's November Sale. **Caulfield cont. p4**

Plan to attend Keeneland's
April Two-Year-Olds-in-Training Sale
April 5, 2010

Caulfield cont.

The price paid for the 10-year-old daughter of Belong to Me marked a considerable increase on the \$130,000 the mare had fetched at Keeneland's 2004 November Sale (a year after she had changed hands for as little as \$17,000). The escalation in her value wasn't based solely on Lookin at Lucky's exploits, as Private Feeling had also highlighted her potential through her second foal, Kensei. This son of Mr. Greeley had scored a pair of notable Grade II victories in the Jim Dandy and the Dwyer, and Private Feeling is again in foal to Mr. Greeley.

One remarkable aspect of Lookin at Lucky's proud record as a two-year-old is that it was achieved in defiance of a May 27 birthday. It goes without saying that a very late foaling date is by no means an insuperable handicap, but it is fair to assume that it might take a late foal some time to catch up with the older members of the generation, which, in Lookin at Lucky's case, could be nearly five months older. No doubt his foaling date had something to do with his failing to find a buyer at \$35,000 as a yearling, but he had clearly made enormous progress by the time he reappeared at Keeneland seven months later, when his price soared to \$475,000.

Two recent examples of late foals that shone at four are Aragorn, who was born on May 26, and Archipenko, who was born May 30. Again, such a late birthday didn't stop these high-class colts from running at two or becoming Grade II/Group 2 winners at three. It wasn't until they were four, though, that these colts were able to demonstrate the full extent of their talents. The four-year-old Aragorn won four consecutive races at Grade I or Grade II levels, while boosting his Timeform rating from 110 to 125, and Archipenko triumphed in a Group 2 in Dubai, a Group 1 in Hong Kong and a Group 2 in England, while increasing his Timeform rating from 114 to 127. If Lookin at Lucky proves capable of similar improvement as he matures, Smart Strike could have another Curlin on his hands.

It is well worth mentioning that Lookin at Lucky comes from Smart Strike's first crop, sired at a fee as high as \$50,000, with the Lane's End stallion's next three crops, respectively, sired at fees of \$75,000, \$150,000 and \$125,000. As the \$50,000 crop also includes On Verra, runner-up in the G1 Prix Marcel Boussac, and Zanzibari, winner of the G3 Prix de Cabourg, there's reason to get excited about these future crops.

Smart Strike lanesend.com

It is easy enough to see why Smart Strike was selected as the 2006 mate for Private Feeling. The son of Mr. Prospector had already demonstrated a proclivity for mares with Danzig blood, his 14 foals out of Danzig mares featuring Canadian Horse of the Year Soaring Free and the Grade III winner High Strike Zone. He had also been represented by the Grade I winner Shadow Cast, whose dam was by Danzig's son Dayjur. Now we also know that Smart Strike is an excellent match for mares by Belong to Me, another son of Danzig. From only six foals out of Belong to Me's daughters, he has also sired the stakes-winning Striking Tomisue and the GII Arkansas Derby winner Papa Clem. **Cont. p5**

Caulfield cont.

The previously mentioned On Verra and Zanzibari are others out of granddaughters of Danzig, and the Grade II winner Bel Air Beauty is another, their respective broodmare sires being Always Fair, Zieten and Boundary.

It isn't too surprising that Belong to Me is showing promise as a broodmare sire, as plenty of his daughters feature among his best winners. His Grade I-winning daughter Circle of Life has already made her mark

Forever Together
Sarah K. Andrew

through the Grade I winner Circular Quay and the talented The Roundhouse; the GI Acorn S. winner Jersey Girl is dam of the Grade III-placed Jersey Town; and Grade I winner Miss Houdini is the dam of Papa Clem. This bodes well for Belong to Me's best daughter, Forever Together.

Lookin at Lucky's dam Private Feeling wasn't in the same class as these Grade I winners by Belong to Me. Indeed, she won only \$18,245 during a seven-race career. She is, though, a half-sister to the Grade III winner Grand Charmer, who has found fame as the second dam of the champion filly Wait a While, and her third dam is Sleek Dancer, who has a host of stakes-winning descendants, including the G1 Irish Derby winner Sir Harry Lewis.

TBA AWARDS ANNOUNCED

Six Thoroughbred Breeders' Association Award winners for 2009 were revealed yesterday. The TBA Awards were presented under a new format this year, and the remaining winners will be announced following the organization's Annual General Meeting at Newmarket in June. For the sixth time this century, Prince Khalid Abdullah's Juddmonte Farms has won the Queen's Silver Cup, awarded to the British-based Flat breeder who accrued the most prize money in Britain and Ireland from mares normally resident in the UK. Juddmonte secured the award for the second year in succession, with earnings of £2,342,000. Its team was led by the Group 1 winners Midday (GB) (Oasis Dream {GB}), Twice Over (GB) (Observatory) and Special Duty (GB) (Hennessy). The operation reaped further reward, thanks to the achievement of resident sire Oasis Dream (GB), who clinched the BBA Silver Cigar Box as the leading British-based Stallion by Flat earnings (£2.86 million). Pivotal (GB) maintained his position as the top British-based stallion, taking his third successive Barleythorpe Cup for the leading Flat sire in terms of individual winners. The Cheveley Park Stud stallion sired 78 individual winners in 2009, nine more than his nearest rivals, Kyllachy (GB) and Oasis Dream (GB). Dubawi (Ire), a Classic-winning son of the late Dubai Millennium (GB), won the 2009 Tattersalls' Silver Salver as the leading British-based first-season sire based on Flat earnings. BROWN IS THE NEW BLACK.

BIG BROWN

\$55,000, payable when foal stands and nurses

"BIG BROWN's intense pedigree should make him a particularly prepotent stallion. Inbred 3 x 3 to Northern Dancer, he should really pop with Mr. Prospector-line mares, or with Halo, Roberto, Seattle Slew, and Blushing Groom strains."
