

GALILEO DOMINATES DAY 2 AT TATTS

Coolmore boss John Magnier and his team once again topped trading Tattersalls' October Yearling Sale in Newmarket yesterday when paying 900,000gns for a

Galileo Topper Tattersalls 2010

filly by the stud's flagship sire Galileo (Ire) (Sadler's Wells). Auctioneer Alastair Pim described the Camas Park Stud offering--a three-parts sister to Classic-placed Gagnoa (Ire) (Sadler's Wells)--as having "a step as good as you'd see anywhere." Bidding kicked off at 200,000gns, and local agent Hugo Las-

celles tried hard for the filly, but it was Charlie Gordon-Watson who provided Magnier with his main opposition. "She was just a good individual by a stallion we like and know well," said Magnier. Gordon-Watson had more success later when acting on behalf of New York-based Bjorn Nielsen. The bloodstock agent went to 550,000gns for a Galileo colt sold from Denford Stud for whom trainer William Haggas was underbidder. Gordon-Watson secured the athletic bay with a single bid. "Just look at the page, you can't beat it," enthused Gordon-Watson. "He's a Galileo with a Darshaan (GB) (Shirley Heights {GB}) cross, so he's very exciting. He's a full-brother to a nice horse, No Heretic (GB) (Galileo {Ire}), that ran well first time, and he is from a great family." During Wednesday's day of selling, fillies accounted for four of the top five prices, and others on the leaderboard included a 450,000gns Green Desert (GB) (Danzig) three-parts sister to last year's 700,000gns

sale-topper Rudolf Valentino (GB) (Oasis Dream {GB}). Gordon-Watson was underbidder this time, as owner Andrew Tinkler had the successful bid, via agent Dwayne Woods. "Hopefully, she'll have a future for breeding, she's a really well-bred nice filly. I'm pleased to have her," said Tinkler. "Her trainer is undecided, they all go back and we'll work it out. I've got seven mares at Brook Stud at the moment, including Sugar Free (Ire) (Oasis Dream {GB}), who is in foal to Sea the Stars (Cape Cross {Ire})." **Cont. p2**

Tatts Success for Denford Stud...

This is the second year that Prince Faisal Salman has consigned yearlings under his Denford Stud banner, and the Saudi royal, who previously bred as Belgrave Bloodstock, was delighted when Charlie Gordon-Watson secured a Galileo (Ire) colt for 550,000 guineas on behalf of Bjorn Nielsen.

Denford's Galileo colt *Tattersalls 2010*

The yearling boasts a distinguished lineage: his second dam Last Second (Ire) (Alzao) twice carried Salman's distinctive green silks to victory at Group 2 level, while his dam, Intrigued (GB), is a stakes-

placed full-sister to Group 1 winner Approach (GB) (Darshaan {GB}) and a half-sister to Aussie Rules (Danehill), who was successful at the highest level in the G1 Poule d'Essai des Poulains and GI Keeneland Turf Mile. "He's a very nice horse and as nice a Galileo as you could hope to get," Prince Faisal said. "I'm glad Bjorn Nielsen has bought him, because he will send him to a good trainer."

In regard to the fledgling operation, Prince Faisal added, "The aim is to improve the stock each year. We have a nice group of yearlings, and we sell another two on Thursday--a Montjeu (Ire) colt and a Bernardini (A. P. Indy) colt, so I hope they sell okay too."

Looking ahead, the Prince added, "We will be back every year with a view to keep things small and select. The fillies will be kept to race and the colts will be sold as yearlings."

Makin Things Happen at Tatts...

Paul Makin has enjoyed Group 1 triumphs as an owner, notably with Australian champion and G1 Queen Elizabeth II S. winner Starcraft (NZ) (Soviet Star), and he is proving successful as a breeder too after investing significantly in a select band of high-class mares. The Australian was pleased to see John Magnier pay 360,000 guineas for a Montjeu close relative to Mikhail Glinka (Ire) (Galileo {Ire}), who landed the G3 Queen's Vase for the Coolmore supremo and his partners at Royal Ascot in June.

"They got a lovely horse," said Makin. "Unfortunately, you can't keep them all, and he has gone to a good home. He made a good price, but I just wanted him to go to good people and he has."

Makin cont.

Offered by The Castlebridge Consignment on behalf of Makin's Paulyn Ltd, the colt has plenty of black-type on his page. His dam, Lady Karr (GB) (Mark of Esteem {Ire}), is a full-sister to G1 Epsom Derby winner Sir Percy (GB) (Mark of Esteem {Ire}) out of the high-class Percy's Lass (GB) (Blakeney {GB}).

"I've got the dam as well as the sister," Makin added. "[Lady Karr]'s in foal to Galileo (Ire)--carrying a colt, so we have that to look forward to."

Makin, who has been adding to his select band of mares, commented, "I have five mares, all high-end. Funsie (Fr) (Saumarez {GB}) is the dam of [G1SW] Authorized (Ire) (Montjeu {Ire}) and I also have Song (Ire) (Sadler's Wells). I paid 1.7 million guineas for Song last year, and she is in foal to Sea the Stars (Ire)."

Deer in the Highlights...

A year after topping the Tattersalls October Yearling Sale at 700,000 guineas with Rudolf Valentino (GB) (Oasis Dream {GB}), John Deer's Wales-based Oakgrove Stud struck gold against yesterday

Green Desert filly Tattersalls 2010

with a Green Desert filly out of the same mare. Maganda (Ire) (Sadler's Wells) was purchased by Amanda Skiffington for 320,000 guineas at Tattersalls in 2007 from the Haras de Bouquetot dis-

persal, and her star yesterday was a 450,000 guineas Green Desert for whom owner Andrew Tinkler outbid Charlie Gordon-Watson.

"I'm very pleased with that--I'm still in shock," admitted Deer. "The mare is a wonderful animal and, although she wasn't cheap, she's proving to be good value. That's all thanks to Amanda [Skiffington]."

Deer, who currently has 28 mares at Oakgrove Stud, indicated that the long-range objective is to upgrade the mares at the stud and focus on quality.

"Maganda has a Green Desert colt foal and is in foal to Oasis Dream, so we have those to look forward to," he added.

Asked if he got as much pleasure out of breeding as his successes as an owner, which included top-level victories with the half-brothers Avonbridge (GB) and Patavellian (Ire), he said, "[It's probably not as much as a thrill--not when I've experienced having Group 1 winners. That's really something. But coming here and having success is very nice for me, the staff at the stud and Amanda."

A Good Buy...

Agent Michael Goodbody was another shopping for fillies on behalf of an Aussie owner, and he was pleased to get a Mr. Greeley filly out of Helena Molony (Ire) (Sadler's Wells), a sister to G1 Derby winner High Chaparral (Ire), for 425,000gns.

"She's for an Australian client who will race her here in Newmarket," said Goodbody, after outbidding Catherine Duncan of the Qatar-based Al Shahania Stud. "She's hopefully going to be a foundation mare, as she has a wonderful page. I think there is a great shortage of good fillies in the sale, and as a result, you are having to pay over the odds to get them. She made about what I thought she would."

Al Shahania Stud had more success with another Newsells Park Stud offering, a 400,000gns Galileo (Ire) daughter of dual Grade I winner Janet (GB) (Emperor Jones). The filly, heading to an undisclosed British trainer, was bought as a long-term breeding prospect.

CORRECTION: The immediate underbidder on hip 59 during Tuesday's opening session at Tattersalls was Grant Prichard-Gordon and not Charlie Gordon-Watson, as was reported in Wednesday's *TDN*.

TATTERSALLS OCTOBER YEARLINGS

Lot	Sex	Sire	Dam	Price (gns)
<u>290</u>	f	<u>Mr. Greeley</u>	Helena Moloney (Ire)	425,000

B-Newsells Park Stud

Consigned by Newsells Park Stud Ltd

Purchased by M H Goodbody

On behalf of Newsells Park Stud, bloodstock agent John Warren went to 1.1-million guineas to acquire Helena Moloney (Ire) (Sadler's Wells), a full sister to MG1SW High Chaparral (Ire) out of the 2006 Tattersalls December sale, and that expenditure has proved shrewd. The mare's first produce, now two-year-old Ownman (Kingmambo), made €600,000 as an Arqana August yearling last summer and this transaction takes the team a little bit closer to a profit from just two foals. Helena Moloney is the dam of a weanling filly by Street Cry (Ire) and is back in foal to Danehill Dancer (Ire) on an April cover.

<u>319</u>	f	<u>Galileo (Ire)</u>	Janet (GB)	400,000
------------	---	----------------------	------------	---------

B-Balmerino Bloodstock & Newsells Park Stud

Consigned by Newsells Park Stud Ltd

Purchased by Al Shahania UK

Janet (GB) (Emperor Jones) was a two-time Grade I and \$1-million winner for the Red Baron's Barn and trainer Darrell Vienna in California, then was purchased by the Jacobs family operation for \$575,000 at KEENOV in 2002. Her Giant's Causeway colt of 2004 realized 220,000gns, while her 2005 produce, a filly by Cape Cross (Ire), made 150,000gns. Demi O'Byrne signed the ticket on the mare's Montjeu (Ire) colt last year at ARQAUG for €150,000, but her Galileo filly easily trumped those. Janet gave birth to a colt by Holy Roman Emperor (Ire) this year and was bred back to Dubawi (Ire).

<u>352</u>	f	<u>Empire Maker</u>	La Cucina (Ire)	200,000
------------	---	---------------------	-----------------	---------

B-Litex Commerce JSC

Consigned by Britton House Stud

Purchased by BBA Ireland

Bloodstock agent Anthony Penfold acquired La Cucina (Ire) (Last Tycoon {Ire}), the dam of MGSWs Sir Cherokee (Cherokee Run) and Miss Isella (Silver Charm), for just \$150,000 carrying this foal in utero at KEEJAN in 2009. The family has done exceedingly well commercially lately, as Miss Isella brought \$1.085 million at KEEJAN this past winter, and La Cucina's two-year-old of this year, Majestic Man (Maria's Mon), was a \$525K purchase out of the KEEAPR two-year-old sale. Yesterday's transaction kept the ball rolling. La Cucina is also the dam of a weanling filly by Mr. Greeley.

Employing the services of Grant Pritchard-Gordon's Badgers Bloodstock, Paul Makin of MG1SW Starcraft (NZ) (Soviet Star) fame paid 700,000gns for Lady Karr (GB) (Mark of Esteem {Ire}), in foal to Galileo (Ire), at this auction house's December sale back in 2006. Lady Karr--a full-sister to 2006 G1 Epsom Derby hero Sir Percy (Ire)--produced a colt, now named Mikhail Glinka (Ire), the 250,000gns TATDEC foal went on to glory in this year's G3 Queen's Vase at Royal Ascot. A full-sister to Mikhail Glinka made 275,000gns as a foal last December, and this transaction proved another profitable for Makin.

B-Epona Bloodstock Ltd

Consigned by Croom House Stud

Purchased by C Gordon-Watson Bloodstock

Landmark (Arch), a year-older full sister to Canadian Horse of the Year Arravale, brought \$160,000 when offered at the 2006 KEEJAN sale and was snapped up by the braintrust at Dennis Brosnan's Epona Bloodstock. Bred in her first year at stud to Danehill Dancer (Ire), Landmark produced a colt, which sold for 140,000gns at this venue two years back. A full sister to this offering made 155,000gns last year, and, with this sale, the Brosnans have made over 600,000gns, about five times their original buy-in.

Through agent Amanda Skiffington, John Deer's Oakgrove Stud paid 320,000gns for Maganda (Ire) (Sadler's Wells), pregnant to Oasis Dream (GB), out of the 2007 Tattersalls December sale. The operation made that money back and then some when that colt, Rudolf Valentino (GB) was sold for a sales-topping 700,000gns last October. This 3/4-sister to the Group 3-placed juvenile was cause for even more celebration yesterday at Tatts.

A group which called itself the Mine Excavation Syndicate bid 235,000gns through Cormac McCormack Bloodstock to acquire this dam, an unraced half-sister to five full stakes winners, including Hernando (Fr) and Johann Quatz (Fr), out of the Tattersalls December Mares sale in 2006. A full-brother to hip 428 made €190,000 as an ARQAUG yearling in 2009 and this filly put the group over the top in fairly short order.

NTRA REPORT FROM CAPITOL HILL

LABOR DEPARTMENT PROPOSES NEW H-2B VISA WAGE RULE

The U.S. Department of Labor's Employment and Training Administration proposed this week new rules for calculating the wages paid to H-2B workers. Secretary of Labor Hilda Solis cited "marketplace realities" as the reason to update the methods used to determine wage rates for the types of jobs for which employers seek H-2B workers. The result may be higher wages paid by employers.

Under the proposed regulation, wages for H-2B workers and American workers recruited in connection with an H-2B application must meet or exceed the highest of the prevailing wage; the federal minimum wage; the state minimum wage; or the local minimum wage. It would end the use of private wage surveys and the four-tier wage structure tied to the necessary experience, education and supervision to perform a job.

Employers use the H-2B program for temporary or seasonal non-agricultural employment. The program is limited by law to an annual cap of 66,000 visas.

The NTRA is working with several industry trade associations to determine how the proposed rule would impact the Thoroughbred industry. Interested parties may submit comments on the proposed rule via the [federal e-rulemaking portal](#).

Discreetly Mine Hurt, Out of Sprint...

E. Paul Robsham Stables' **Discreetly Mine** (Mineshaft), in many circles the one to beat in the GI Breeders' Cup Sprint Nov. 6, will be forced to miss the event after being diagnosed with an injury to his left stifle, *Daily Racing Form* reported. "It's nothing too serious, but he'll have to be given 60 days off, which naturally

Discreetly Mine EquiPhoto

eliminates the Sprint from consideration," trainer Todd Pletcher told *DRF*. "If all goes well, we hope to have him back in training again this winter at Palm Meadows. This is terribly disappointing to us because obviously this horse found his niche sprinting during the second half of the year." On the Triple Crown trail over the winter following a front-running score in the GIII Risen Star S., the homebred half-brother to GISW Discreet Cat (Forestry) was runner-up in the GII Woody Stephens S. on the Belmont S. undercard before winning the GIII Jersey Shore S., the GII Amsterdam S. and the GI King's Bishop S. in succession. He was being trained up to the Sprint.

GSW Helleborine Done for Season...

Khalid Abdullah's **Helleborine** (GB) (Observatory) won't race again this season, and according to trainer Criquelette Head-Maarek, the homebred will be targeted at Newmarket's G1 1000 Guineas next year. Runner-up in Sunday's G1 Prix Marcel Boussac at Longchamp, the previously unbeaten G3 Prix d'Amaule winner will be bidding to add a fifth renewal of that Classic to her conditioner's tally in May. "She looks very well and she ran a very good race," Head-Maarek told *PA Sport*. "She won't run again this year, but we will enter her in the 1000 Guineas at Newmarket, that is for sure. We will also put her in the French Guineas and then decide where we are going to go. The English Guineas is a race I like, and she is the kind of filly for that race if I can have her in good form. If we go for the Guineas, she will have a prep race in the G3 Prix Imprudence at Maisons-Laffitte in April. All my horses that have won the Guineas have had a prep race there, because the timing is perfect."

Frontieres out of Cup Reckoning...

Sir Robert Ogden's **Sans Frontieres** (Ire) (Galileo {Ire}) will miss the Nov. 2 G1 Melbourne Cup after suffering a setback, it was announced yesterday. The Jeremy Nosedo-trained four-year-old, who took the G1 Irish St Leger at The Curragh Sept. 11, was reported to have suffered from a severe attack of azoturia (Tying up) after a workout on Tuesday by the owner's Racing Manager Barry Simpson. "It's hugely disappointing for Sir Robert and everyone involved," Nosedo told *PA Sport*. "We were all looking forward to having a runner in such a famous and prestigious race. It started at 5 p.m. on Tuesday night, and the attack was quite severe. We had veterinary people to see him straight away and the view is that he has reacted to the Australian food mix that he has gradually been given. It's a massive ask to get a horse to Australia in the first place, so when something like this happens it makes it all the more difficult. It's a bitter pill to swallow at the moment, but the decision has been made. Azoturia causes muscle damage and that is stopping him working and stopping him going to Australia, but it's not a major problem. It's something that he'll recover from in three to four days, but we can't risk sending the horse on a plane for 28 hours with this hanging over him. He was always going to stay in training next year, so that's not an issue."

Fuisse Faces Champion Test...

Alec and Ghislaine Head's G1 Prix du Moulin hero **Fuisse** (Fr) (Green Tune) has become the latest to be green-lighted for a tilt at the G1 Emirates Airline Champion S. next Saturday. Trainer Criquelette Head-Maarek revealed that the homebred four-year-old and ☆ "TDN Rising Star" ☆ will be at Newmarket for the 10-furlong test. "Fuisse is very well and is going to England next week to run in the Champion S.," she told *PA Sport*. "He worked over the straight mile at Chantilly on Tuesday with two lead horses, and he was very impressive. I would like good ground for him, as he's got a huge action. I hope the mile and a quarter will be okay."

Clarification to yesterday's Weekly Sales Ticker: The Tattersalls Part 1 sale in 2007 was a four-day sale; it has been shortened to three days. The Goffs sale format has changed from the Millions/Sportmans in 2007-08 back to the Goffs Orby sale in 2009-10.

"She had a good breeze, just to get her re-acclimated to the surface here," trainer Jonathan Sheppard said. "We're very happy with the way she's doing. We know the race going to be tough. Her record has been a little spotty this year, but she's still a very good filly." SEXTON RESIGNS FROM CHURCHILL POSTS

Steve Sexton, executive vice president of Churchill Downs Inc. and president of Churchill Downs Entertainment, disclosed yesterday that he would be leaving Churchill Downs. It was also announced that the CDE initiative, begun in 2009 in an effort to bring live entertainment to CDI venues, would be discontinued, effective immediately. "I am proud of the CDE team and what we accomplished, and I have enjoyed my tenure at both Arlington Park and at Churchill Downs Race-track during my nine years with CDI," Sexton said. "I was fortunate to lead superb teams at each venue, overseeing six record-setting Kentucky Derbys, two Breeders' Cups, and the \$121-million renovation of Churchill Downs Racetrack. I am looking forward to expanding my career in a new direction." Explaining the decision to dissolve CDE, CDI President and Chief Executive Officer Robert L. Evans remarked, "It has become clear that launching new, upscale entertainment events in the current economy, particularly with the persistently high levels of unemployment, is extremely difficult. While we received exceptionally high marks from the nearly 80,000 people who attended our CDE events, we fell short of the attendance levels necessary to operate these events profitably."

INDIAN CHARLIE COLT TOPS EASTERN FALL FINALE

A colt by Indian Charlie out of MSP Ten Halos (Marquetry) brought a final bid of \$160,000 to top the second and final session of Fasig-Tipton's Eastern Fall Yearlings sale in Timonium, Maryland, yesterday. Consigned by his breeder, CandyLand, the bay was purchased by Jack H. Smith III. The second day of selling boasted a 42-percent boost in the median, from \$5,500 last year to \$7,000 in 2010, while the average was up 1.8 percent to \$16,458. Overall, the average rose 10.3 percent, from \$14,513 a year ago to \$16,005 this year, but the median was off 2.7 percent, down from \$5,500 to \$5,350. There were 10 six-figure sales in 2010, compared to seven at the 2009 auction. For complete results, go to www.fasigtpton.com.

Endless Circle was claimed for \$14,000 from Western Resources Racing and trainer David Jacobson out of a win at Aqueduct Apr. 16. The dark bay put together two more victories for his new connections May 16 and June 16 at Big Sandy, then ran second by 3/4 of a length in a tough heat at Saratoga July 26. He rebounded with a four-length triumph over Driven by Success (Precise End) in the John Morissey S. at the Spa Aug. 5, and earned a well-deserved break. Even-money for his return, the six-year-old raced eagerly in fourth in the early stages. He came off the fence to take command in the lane, and rider Edgar Prado waved the stick at his mount a few times late to keep him interested for a popular success. **Click for the [brisnet.com chart](#). SOCIAL PAGE (f, 3, [A.P. Indy](#)--Private Status {SW & GISP, \$146,337}, by Alydar), a full-sister to Secret Status, MGISW, \$1,053,705; and Alumni Hall, MGSW, \$747,756, rounded out the trifecta in each of her two starts last season. Second to subsequent GSW Acting Happy (Empire Maker) in a Gulfstream maiden Jan. 24, the chestnut ran third in a Feb. 17 test at the Hallandale oval, but was subsequently sidelined. The \$700,000 KEESEP yearling was a non-threatening ninth on the turf at Delaware in her Sept. 6 return, and was 7-1 as a main-track-only entrant this time. Though she broke well enough, Social Page soon found herself far behind the field. She gathered momentum to pick off rivals on the sweeping turn, collared Super Espresso (Medaglia d'Oro) and prevailed by a neck after a stretch-long battle. The winner is also a sibling to Private Gift (Unbridled), SW, \$212,248. **Click for the [brisnet.com chart](#). [Video, sponsored by Taylor Made](#).** Lifetime Record: 6-1-1-3, \$58,240.

Four-Day Weeks at Santa Anita this Winter:

Following what track officials called a “study of the horse population” in Southern California, Santa Anita Park in Arcadia is tentatively scheduled to conduct four-day race weeks during the months of January and February, according to *Daily Racing Form*. The publication reports that the number of horses based in the region sits at about 2,800, a loss of about 1,000 over recent years. The track will apply for 76 live racing dates at the next meeting of the California Horse Racing Board Nov. 9. In March and April, the track will resume a more typical Wednesday-to-Sunday schedule. Santa Anita will host five days of racing during the weeks of Jan. 17 and Feb. 21, both of which include Monday national holidays. Track president George Haines believes that the shorter weeks “should make the quality better on the weekends.”

First-crop starters to watch: Thursday, Oct. 7

"I've got the best water in the world here. There's no pollution. Our paddocks are bigger than most people's stud farms. I came here because this is the best place in the world to raise horses."
—Gary Player

"You can never give a horse ability. A horse either has it, or they don't have it. But there's one thing you can change, which is the strength of bone, the strength of their tnedons. A good athlete can't be locked up in a room and at the age of 21 come out and start running. Our horses have been running from a young age and stretching their ligaments. We try to go back to the natural ways."
—Graeme Koster, who once tracked a pack of 54 yearlings and found that it had traveled more than 20 miles in the course of a day on his Rosedene Stud.
