SAY UNCLE

Repole Stables' **Uncle Mo** (Indian Charlie) proved that his towering debut success on the Travers Day undercard Aug. 28 was no fluke, attending a very strong pace before dusting his rivals in the stretch to take the GI Champagne S. by a commanding 4 3/4 lengths. The final time of 1:34.51 was a tick off Devil's Bag's 1983 stakes record, and equaled that of the 1976 winner --Seattle Slew. **Cont. p2**

PROVISO STREAKS HOME IN FIRST LADY

Her second trip to the Bluegrass ended a lot happier than did her first. Disqualified from the victory in last year's GI Spinster S., Juddmonte Farm's **Proviso (GB)** (Dansili {GB}) unleashed a furious rally from eighth entering the Keeneland stretch and charged past **C. S. Silk** (Medaglia d'Oro) for a half-length tally in the GI Abu Dhabi First Lady S. As to whether a start against Goldikova (Ire) (Anabaa) in the GI Breeders' Cup Mile is in the offing, Juddmonte's Garrett O'Rourke said, "It's our home turf. It's obviously going to be up entirely to what [trainer] Bill [Mott] recommends and what Prince Khalid [Abdullah] wants to do." **Cont. p2**

Gotta Go With Mo...

Travers Day two-year-old races have routinely featured the cream of the crop on the grounds at Old Saratoga, and over the past 10 years, those races have been won by the likes of GI Breeders' Cup Sprint hero Silver Train, MGSW Devil May Care, GISW Discreet Cat and MGSW Gone Astray. Those in attendance this past Aug. 28 were treated to a virtuoso performance well before Afleet Express (Afleet Alex) took the day's featured Midsummer Derby.

The word was out on Uncle Mo for the fifth race, as the Repole runner took all the play at the windows and was 90 cents on the dollar. And the bay made no mistakes. Quickly in front, he cruised along through a half-mile in :45.67, then took off like he was shot out of a cannon, getting his final two furlongs in :23.54 while widening under a hand ride. The teletimer read 1:09.21, the runner-up was 14 1/4 lengths in arrears and a

★ **"TDN Rising Star"** ★ was born.

Drawn on the rail for his first try at a route of ground, Uncle Mo broke smoothly, but John Velazquez allowed longshot I'm Steppin It Up (Congrats) to lead just to his outside. The two duked it out and got to the half-mile pole in a demanding :45.92, but Uncle Mo was always going along easily and led by a length as the field reached the top of the stretch. Just when it looked like the come-from-behinders would try to make a race of it, the

Horsephotos

1-5 chalk rebroke and won going away.

"He's obviously a very fast and talented horse and it looked as if he was doing it easily," said winning trainer Todd Pletcher. "In a perfect world you'd be going the first half in :48, in front three lengths, down the backside. We anticipated these solid fractions; the track was lively today. He's just such a talented horse; he's able to do things other horses can't do." [Click for the brisnet.com chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#). Shadwell Turf Mile cont.

It takes a horse of some quality to cut back to a mile against top competition after spending the majority of the year racing at 10 and 11 furlongs, but Gio Ponti is just that horse. Runner-up to Zenyatta (Street Cry {Ire}) in last year's GI Breeders' Cup Classic, the Castleton homebred resumed with a nose second in the Feb. 22 Tampa Bay Breeders' Cup S. before a fourth in the G1 Dubai World Cup Mar. 27. Outfinished and relegated to second by stablemate Winchester (Theatrical {Ire}) in defense of his title in the GI Manhattan H. on Belmont S. day June 5, he made it back-to-back scores in the GI Man O'War S. July 10 and looked on his way to repeating in the GI Arlington Million Aug. 21, only to be run down by the upstart Debussy (Ire) (Diesis {GB}). The dual Eclipse winner in 2009 looked a bit vulnerable on paper in a race which would go some ways in determining

Keeneland/Coady Photography

what race he would take in on Breeders' Cup day Nov. 6. Patiently handled in fifth by Ramon Dominguez, Gio Ponti raced on the bridle with all but one rival to pass at the quarter pole. From there, Dominguez got a bit more serious and daring, sending his mount between the rallying Society's Chairman and the tiring Get Stormy (Stormy Atlantic), then driving through a razor-thin opening between the eventual runner-up and Courageous Cat before edging clear. Asked about race selection for the Breeders' Cup, the Mile or the Classic, Castleton Lyons owner Shane Ryan said, "We have a very interesting debate, myself and [trainer] Christophe [Clement]. We'll see. They're both great fillies [Zenyatta and Goldikova], both great races. If we go in either one and are lucky enough to get in the picture, we'll be very happy either way." J.B.'s Thunder wired the field when kicking off his career in a maiden test on the Saratoga turf Aug. 21, and was stepping up as he tried the Poly in his second start. Showing an affinity for the new surface, he had company on the front end through a half in :48.64, but opened up on the field when they hit the stretch to win handily. "He's a versatile horse, smart head on his shoulders," said jockey Shaun Bridgmohan. "It just happened that he inherited the lead, and we just nursed it around there." It

was an impressive win, and J.B.'s Thunder could go on to try conventional dirt next time out--but not on Breeders' Cup Day. A Z Warrior was tabbed a **★ "TDN Rising Star" ★** after a front-running maiden score at Hollywood Park July 15, and came back to run second in the GIII Sorrento S. at Del Mar Aug. 6. A disappointing fifth after getting bumped in the stretch in the GI Darley Del Mar Debutante S. Sept. 4, she was trying conventional dirt for the first time yesterday. The dark bay pressed the pace through a half in :46.25, hit the front on the turn and opened up in the lane. She held off R Heat Lightning while in hand late. "I knew the fractions weren't real fast, but she was very comfortable and relaxed in my hands," jockey Alan Garcia said. "Turning for home, she really took off, but towards the end I said, 'We don't want to use her up for this one.' We wanted her to come back safe and sound and take the next step." The next step will be the Nov. 5 GI Breeders' Cup Juvenile Fillies. "We are thrilled with the performance, especially considering the competitive field," said Zayat Finance and Racing Manager Brad Weisbord. Delivering his own version of 'boom, boom, pow,' Prince Will I Am looked in a hopeless spot in last with no pace to run at for the opening six furlongs, but was switched out to the grandstand side once into the stretch and rolled home a convincing winner of the Jamaica. A deceptively good fifth, beaten less than three lengths in this track's GII Coolmore Lexington S. Apr. 17, the ridgling was runner-up to Colizeo (Distorted Humor) in a Churchill allowance May 9, but no better than fifth to that foe in the GIII Northern Dancer S. June 12. The chestnut switched to the weeds for the first time at Saratoga Aug. 7, coming from last to be third over this trip and cleared his first allowance condition last time, scoring by 3/4 of a length over 11 grassy panels at the Spa Sept. 3. Prince Will I Am and Jose Lezcano were content to take up his typical position at the back of the field early as Citrus Kid and Two Notch Road raced along through a half in :50.40 and six furlongs in a tepid 1:14.86. Given his cue at the quarter pole, Prince Will I Am accelerated sharply and drove past all his rivals for a comfortable score. "On the backside, I knew the pace was slow, but I wasn't that far back," Lezcano explained. "Then, when I was clear, he really responded. Before the race, [trainer] Michelle [Nihei] told me to break, and wait to make my move, because when I did, he would give me a big kick, and he did." A shining example...

Are you are aiming to breed a gold medal winner on the track? The Medaglia d'Oros have won G1s whatever the surface, whatever their gender, and at whatever age. He's sired superstar Horse of the Year and all-time great Rachel Alexandra. Seven G1 horses so far, plus nine per cent Stakes winners to starters in 2010, a higher ratio than any other leading sire in the land.

In short, he's got the golden touch.

Smiling Tiger was cross-entered in yesterday's Gallant Bob H. at Parx Racing, where he could have faced his peers and tried a conventional dirt surface for the first time. Connections' decision to stay at their home base paid dividends, and the chestnut became the fourth sophomore to defeat his elders in this GI Breeders' Cup Sprint pointer. Third to Lookin at Lucky (Smart Strike) in last year's GI Del Mar Futurity, Smiling Tiger resurfaced with a third in this track's Harry Henson S. sprinting on the turf Apr. 21 before wiring the field in the Gill Laz Barrera S. back on the Cushion Track

May 22. He handed his elders a 1 1/2-length beating in Del Mar's GI Bing Crosby S. Aug. 1, but he was an atypically dull third as the favorite last time out in the GI Pat O'Brien S. at the seaside oval Aug. 28. Conceding the early advantage here to the fleet **Cost of Freedom**, Smiling Tiger raced right alongside the pacesetter to the top of the lane. He put that one away and began reaching for the wire while tiring, but held off a stinging late run from **Supreme Summit** for the victory. "This is a very nice colt," said winning rider Russell Baze. "He ran a gutty and determined race. I think he's got big things in front of him. He's a three-quarter mile kind of horse, and we figured out a little bit more how to handle him in a race. I think we kind of ticked him off with the way we were handling him in his races." Smiling Tiger is off to Churchill Downs, where **Reraise** and **Sheikh Albadou** (GB) won the Sprint as three-year-olds.

Your golden opportunity...

Do you aim to strike gold in the ring? So far, no fewer than 21 sales horses by Medaglia d'Oro – all bred for less than \$40,000 – have topped \$400,000. Since 2007, he's sired more session toppers at the major sales than any other stallion. His two-year-olds have made up to \$1.6m and his yearlings up to \$1.5m.

In short, he's a gold mine.

Biondetti came into this pattern-race debut off the back of a maiden win at Newmarket Aug. 6 and an all-weather conditions score at Kempton Sept. 4, and initiated an afternoon Group 1 double at the San Siro for Godolphin with this game win. Positioned in fourth until making ominous headway in the straight, the bay colt seized control from the imposing pacesetter--and ultimately third--Billy Budd approaching the final eighth, and was ridden out in the closing stages to hold the late bid of Singapore Lilly for a career high. "Biondetti ran a very good race today, and he won quite nicely in the end as [jockey] Ahmed [Ajtebi] didn't have to be too hard on him," commented winning trainer Mahmood Al Zarooni. "He was still a bit green, but he has improved with every appearance, and I am very pleased to have won a Group 1 contest with him. I don't know if he will run again this year, we will see how he comes out of this race and then discuss any further plans. He will be given an entry for the Breeders' Cup, but I will have to speak with Sheikh Mohamed before finalising any decision." Lyphard's Delta produced a full-brother to the Gran Criterium hero in April and was bred back to Giant's Causeway. Godolphin's remarkable run in the major races of Germany and Italy in 2010 continued here with Rio de la Plata, who completed the long and winding road back to the top with a gutsy display. Top-class at two, the chestnut followed a silky smooth first black-type win in Goodwood's G2 Vintage S. with a second to New Approach (Ire) (Galileo {Ire}) in the G1 National S. at The Curragh and success in Longchamp's G1 Prix 2007 Jean-Luc Lagardere on Arc day.

Fourth in the G1 Dewhurst S. at Newmarket later that month, he returned to fill the runner's-up spot in the G1 Poule d'Essai des Poulains back at Longchamp the following May before running seventh in the G1 Epsom Derby the next month, and third in the G1 Prix Jean Prat at Chantilly in July. Held up with injury subsequently, he had three runs at the end of last term, including a second in the G3 Joel S. at Newmarket in October. He soon found his feet again this term, and was back in black-type when dead-heating with Mabait (GB) (Kyllachy {GB}) in Pontefract's Listed Pomfret S. July 25. Sunk in Haydock's deep ground when only seventh in the Aug. 7 G3 Rose of Lancaster S., he rebounded to win the G3 Strensall S. at York just 13 days later, and confirmed his resurgence with a head second to Fuisse (Fr) (Green Tune) in the G1 Prix du Moulin de Longchamp last time Sept. 5. Slowly away here, he was anchored in mid-pack early and, after arriving on the front end passing the quarter pole, was driven out to withstand the challenge of Vanjura. "Rio de la Plata ran a huge race today, and I am delighted that he has won another Group 1," trainer Saeed bin Suroor said. "He was always traveling well, and Frankie had him in a nice position throughout the race. I was a little concerned about the ground today, but it rode like [the official] good-to-soft [description], and he finished his race well. There are no plans for him at the moment, but we will have to look at winning another Group 1 race with him now."

★ **"TDN Rising Star"** ★ Etched returned from an 11-month hiatus to land an optional claimer at Saratoga last September, then prevailed in this contest when it was run under the lights as the GII Meadowlands Cup in October. However, he faded to finish 13th in the GII Clark H. at Churchill Nov. 27, and it was back to the bench for him. The blaze-faced chestnut resurfaced Sept. 12 to defeat Chirac by a length in the Formal Gold S. over a sloppy Monmouth strip, but that didn't garner him much support this time. Content to sit just off the flank of pacesetter Chirac, Etched made his move after six furlongs in 1:14.39, with odds-on Musket Man hot on his heels. The chalk had every chance to go by in the stretch, but Etched dug in admirably and got the nod. "I was a little surprised when I looked at the tote board and saw his odds," said Andrew St. Lawrence, assistant to winning trainer Kiaran McLaughlin. "It was a very solid field, and I was nervous when Musket Man came running at him in the stretch because he's a very good horse. I think after today, we have to consider the Breeders' Cup [at Churchill Nov. 6]." Musket Man, who missed last week's GI Jockey Club Gold Cup after spiking a temperature, could also be headed to Louisville. "He's always been a horse who gets a little confused when he doesn't have a target," noted rider Eibar Coa. "I told the connections I wouldn't be afraid to go to the Breeders' Cup. All he needs is a horse to run at." Click for the [brisnet.com chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#).

Dubai Majesty couldn't resist Informed Decision last out in the GIII Presque Isle Downs Masters S. Sept. 11, but was able to defeat the defending champion this time. She bounced back from a ninth in GI Humana Distaff S. in the slop at Churchill May 1 to take the GIII Winning Colors H. under the Twin Spires May 31, then ran third in the GI Princess Rooney H. at Calder July 10. She came running to annex the Incredible Revenge S. on Monmouth's lawn Aug. 15, and gave a good account of herself on the Presque Isle Tapeta. Sent off as the third choice here, the dark bay secured a good spot in third as longshot Old Time Religion dashed through splits of :22.47 and :45.65. Dubai Majesty tackled the pacesetter in the lane and forged ahead late to secure the win. Favored Informed Decision, who had a lot to do at the top of the stretch, came running in the final furlong to complete the tri-fecta. "She's been really better the last couple of months than she's been in the last two years," said winning trainer Bret Calhoun. "She's blossomed here lately, and we had a lot of confidence coming in today." As for Informed Decision, trainer Jonathan Sheppard said, "We knew it might be a bit short for her--her best distance seems to be 6 1/2 or seven furlongs, but she was running well at the end and this was a nice setup for the [GI] Breeders' Cup [F/M Sprint at Churchill] Nov. 5." Though this contest lost some of its luster when the brilliant Sidney's Candy (Candy Ride {Arg}) was scratched in the morning due to a pending sale (see below), Liberian Freighter gave the crowd a thrill with his determined late charge. The Cal-bred endured a five-race losing streak before breaking the schneid in his latest, the Harry F. Brubaker H. at Del Mar Aug. 25, when he led every step. Different tactics were in order this time, though. With the eager Tropic Storm dragging Russell Baze up front, Liberian Freighter--by far the longest shot on the board--settled into an easy rhythm in third. He set his sights on Colgan's Chip as they straightened for home and would not be denied as they flashed under the wire. "Mr. Neil [Drysdale] told me, 'If you make him relax, I think you will win,'" explained rider Martin Garcia. "I knew that those other two [Tropic Storm and Colgan's Chip] had a lot more speed than mine, so I just broke and let him settle." Drysdale indicated that Liberian Freighter would likely make his next start in the Cal Cup Mile Oct. 30. "I'm delighted," said Drysdale. "My wife [Shawn] owns a piece of him, so I'm even happier." Sidney's Candy (Candy Ride {Arg}) was scratched Saturday morning due to a pending sale. The GI Santa Anita Derby hero took the GII La Jolla H. in his turf debut, covering the 8 1/2 furlongs in course-record time of 1:39.52. John Sadler told *Daily Racing Form* that the deal calls for him to continue to train the colt, with a start in the Breeders' Cup in mind.

She ran evenly when finishing fifth on the Woodbine lawn in her Aug. 28 debut, but Wyomia is now perfect in two starts on the Woodbine Poly. The dark bay filly pressed the pace through the opening quarter in a maiden test going a mile and 70 yards Sept. 19 before taking control and galloping away to win by 5 1/4 lengths. Sent right to the lead this time, she had ☆ **"TDN Rising Star"** ☆ and odds-on chalk **Delightful Mary** on her heels as she reeled off a half in a leisurely :48.28 and six furlongs in 1:12.54, and easily held the favorite at bay down the lane to win as much the best. "She probably handles both [turf and synthetic] very

well," said trainer Daniel Vella, who saddled Knights Templar (Exploit) to victory in the 2005 Mazarine. "Her first start, she just needed a race. She was looking around. She's showed her class since then." The filly could try the dirt for the first time in the Nov. 5 GI Breeders' Cup Juvenile Fillies, but a final decision on her next start has not yet been made. "I still believe there was a little more in the tank," offered Vella. "I think she was playing at the end. She's a really good filly." But he added, "[The Breeders' Cup] a little too far ahead for me to think about right now. We really haven't made any plans yet." Silver Timber successfully defended his title in this prep for the Breeders' Cup Turf Sprint and remained perfect in three starts over this track and distance. Sixth to California Flag (Avenue of Flags) in last year's BC Turf Sprint on the latter's home track, the grey gelding returned from a vacation to land the GIII Shakertown S. at this venue Apr. 10 and followed with a narrow success over Chamberlain Bridge (War Chant) in the GIII Turf Sprint at Churchill Apr. 30. He ran his skein to three straight with a victory in Monmouth's Wolf Hill S. June 5, but was runner-up at odds-on in the July 11 John McSorley S. and fifth in the Troy S. at Saratoga Aug. 18. Allowed to settle in the latter half of the Woodford field as Charles Town raider Central City clicked off a :21.67 opening quarter mile, Silver Timber was angled out for run in upper stretch by Julien Leparoux and was up into second by the time they reached the final furlong. He raced on his wrong lead, but gradually wore down the front-runner in the waning strides. Winning trainer Chad Brown likes his chances on Championship Day. "He has the [five-furlong course] record over there that he set this spring. And we'll be at equal weight. I think he's going to be double-tough," he commented. California Flag weakened to finish last after disputing the pace. "He really had a great trip. He was lying right where I wanted him to," his jockey Joe Talamo commented. "I just don't think he handled the track that well. The main thing is he pulled up great, so we'll live to fight another day."

Victorious in the Palomares S. at the Fairplex for trainer Jerry Hollendorfer a little over a year ago, Kaweah Princess snapped a nine-race losing streak here in style. Sent to Western Canada earlier this spring, the chestnut posted consecutive runner-up finishes in the Brighthouse Belles S. May 9, in the Senate Appointees S. June 12 and to Summer Song in the July 1 Vancouver Sun H. Victimized again by that rival in the Strawberry Morn H. July 17, she shipped to Northlands Park for a third in the City of Edmonton Distaff H. Aug. 21 prior to a fourth behind Wind Storm (He's Tops) in a sloppy allowance test at this oval Sept. 6. Dismissed here by the wagering public, Kaweah Princess was in close attendance to the early pace while racing three wide. She took command approaching the final turn, opened an unassailable advantage past the eighth pole and held on late. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). Sajjhaa, denied a nose by Aspectoflove in Ascot's Listed Rosemary H. over a mile last time Sept. 25, reversed that form on two-pound better weight terms to record a first pattern success here. Unplaced in the G1 Epsom Oaks when only 8-1 for that June 4 Classic, the homebred gave notice that 10 furlongs was too far when fourth in Newcastle's Listed Hoppings S. June 24, but duly justified the faith of connections back at this trip when scoring with authority in the Listed Dick Hern Fillies' S. at Bath Aug. 15. Settled behind the early leaders, the bay struck for home inside the final quarter and drew away from her arch-rival in the final 100 yards. Settled last of the six runners here, the bay filly was urged closer passing the quarter-mile marker and was driven out in the closing stages to nail Captain Chop on the line for a career high. Bewitched began this campaign with victory in a Naas handicap May 12 and landed the Listed Sandy Lane S. at Haydock May 29. Third in the Listed Land O'Burns Fillies' S. over five furlongs at Ayr June 19, she ran sixth in the G3 Brownstown S. at Fairyhouse June 30 before rebounding to take the Listed Sweet Mimosa S. back at Naas July 21. The gunmetal grey took the bronze medal in the G3 Phoenix S. at The Curragh Aug. 8, but was back to winning ways in the G3 Renaissance S. at the Co. Kildare venue Sept. 9, and showed an impressive turn of foot to land back-to-back Group 3 contests here. Held up towards the rear of the field until the final quarter mile, she was always traveling best as the pace increased, and came with a storming run around the outside of the field to land the honors with her ears pricked. "She started off in handicaps, but she's really learning how to sprint now," said winning rider Johnny Murtagh. "She likes to find her feet and come home with a nice rattle at the finish, and she impressed me today. We're still not at the bottom of her--there's plenty left yet." Electric Waves broke her maiden at the third attempt going five furlongs at Warwick June 22, and followed up over the same trip in a Haydock nursery handicap next time July 17. She stepped up to listed class with an impressive success in the St. Hugh S., again over five furlongs, at Newbury Aug. 13, but disappointed when seventh in her first try at pattern company in the G2 Flying Childers S. at Doncaster last time Sept. 10. Bouncing out of the gate here, the chestnut was always traveling comfortably in front and, as those behind struggled to land a telling blow, scooted away to earn a striking victory. "She ran well at Doncaster [last time], but got very worked up beforehand," said winning rider Richard Mullen. "She was very relaxed here, the most relaxed I've ever known her. She's very versatile regards the ground, and seems to be getting better and better." [Click for the Racing Post chart or the brisnet.com PPs. Video, courtesy attheraces.com.](#)

Tracking the early pace here, the bay swooped to overhaul Dux Scholar in the final furlong before asserting as Pausanias closed without threatening out wide. "I told Richard [Hills] he wasn't on a 25 or 33-1 shot, but one with a chance," trainer Clive Brittain told *PA Sport*. "He only won at Redcar last month, but I thought he'd like the ground."

Askbut I Won'ttell was at the mercy of a slow pace when fifth to lonely leader **Tizaqueena** in the GIII Arlington Matron H. May 29 and could do no better than an even fifth to the late Tuscan Evening (Ire) (Oasis Dream {GB}) in the GIII Modesty H. on the Arlington turf July 17. The chestnut enters this off a bang-up second by a neck to top Canadian three-year-old Biofuel (Stormin Fever) in Woodbine's Belle Mahone S. Aug. 22, a race in which Mike Smith may have asked his mount a touch too soon. Any sort of pace up front would enhance this one's longshot chances. **Hot Cha Cha** was a solid third in the Modesty and was last seen finishing second in the GI Beverly D. S. at Arlington Aug. 21. A Grade I winner over the Keeneland turf course, she returns to the all-weather for the first time since finishing third in the 2009 GIII Arlington Park Oaks.

Voodoo Storm, out of MGISW and millionaire turf mare Voodoo Dancer (Kingmambo), was fourth in a turf sprint at Saratoga Aug. 8, but went gate to wire when trying 1 1/16 miles Sept. 6. The Green Hills Farm homebred steps up in his third start. **Z Appeal** has been untouchable in his first two appearances. The bay cruised to a seven-length score over \$50,000 maiden claimers on the Churchill main track July 2, then switched to the turf and galloped home a 5 1/2-length winner in the 5 1/2-panel Chenery S. at Colonial Downs 15 days later. He tries a route in his third attempt.

Monzon was a much-the-best 12 1/2-length maiden winner on the dirt at Laurel in his second start Aug. 13. The dark bay gelding followed up with a 5 1/4-length allowance tally going a mile on the grass at Delaware Park last time out Sept. 4.

The odds-on chalk in the Sept. 12 Swynford S., he once again drew off in the final furlong, winning by 3 1/2 lengths, and should handle his first two-turn test.

RACETRACK Round-Up

QUALITY ROAD TO LANE'S END MGISW and multi-millionaire **Quality Road** (Elusive Quality--Kobla, by Strawberry Road {Aus}) will head to Mr. and Mrs. William S. Farish's Lane's End Farm in Versailles, Kentucky, at the conclusion of his racing career, it was announced yesterday. The four-year-old is being pointed for his swan song in the GI Breeders' Cup Classic at Churchill Downs Nov. 6. "We are honored to have Quality Road come to Lane's End," Will Farish said. "His top class pedigree and outstanding conformation, combined with his champion caliber ability and rare brilliance, make him not only the best stallion prospect of his generation, but perhaps the best we have seen in many, many years. In my mind, Quality Road is the most important

Quality Road Horsephotos

horse to go to stud since A.P. Indy. He has all the attributes we look for in stallion prospect. We will support him in every way we can." Four-for-five this season and eight-for-12 overall, the Edward Evans' homebred heads to the Breeders' Cup off a 4 3/4-length victory in the Sept. 4 GI Woodward S. at Saratoga. The bay captured the GI Florida Derby, GI Fountain of Youth S. and GI Amsterdam S. at three, and opened 2010 with a win

in the GIII Hal's Hope H. A romping 12 3/4-length victor in the GI Donn H. going nine panels, he added the GI Met Mile H. to his resume in May. Quality Road was much the best in the Woodward while upping his bankroll to \$2,232,830. "Quality Road's unique brilliance on the race track will be greatly missed as this phase of his career comes to a close, but I look forward to his career at stud with great anticipation, as I am confident he will pass that brilliance on to his foals like all great racehorses that make great stallions do," Evans said. "We will give him every opportunity to be as successful a sire as he was a racehorse." A stud fee will be announced at a later date.

Devil May Care Done for the Year...

Glencrest Farm's **Devil May Care** (Malibu Moon), a two-time Grade I winner in 2010, will miss the GI Breeders' Cup Ladies' Classic and the balance of the season after being diagnosed with a case of non-contagious hepatitis, according to *Daily Racing Form*. Victorious in the GI Mother Goose S. and the GI CCA Oaks earlier this summer, Devil May Care was fourth in the GI Alabama S. in her most recent outing Aug. 21. She had been kept in training, but was ruled out of the GI Fitz Dixon Cotillion S. and GI Beldame S. last weekend after not training to the satisfaction of trainer Todd Pletcher. She was sent to Kentucky last week, where her condition was diagnosed. "She's going to be on some antibiotics," Pletcher told *DRF*. "We are going to give her 60 days off. It's a situation where she needs to be taken out of stressful training. We expect her to come back better than ever. It helps explain her somewhat lackluster effort in the Alabama."

Adam Coglianesse

Wickedly Perfect Out of BC With Knee Chip...

Wickedly Perfect (Congrats), winner of Friday's GI Darley Alcibiades S. at Keeneland, was diagnosed with a chip in her left knee and will undergo a Monday procedure to remove it, *Daily Racing Form* reports. Dr. Larry Bramlage will perform the surgery. "She had a little heat in a left knee. We did X-rays and she has a chip," trainer Doug O'Neill told the trade daily. "It's a bummer, because we'll miss the Breeders' Cup, but the prognosis is 100 percent." O'Neill told the Form that vets have said the filly could return to training within a couple of months. Owned by STD Racing Stable, Peter Moehrke and Rafter JR Ranch, Wickedly Perfect won the GIII Sorrento S. and was runner-up in the GI Darley Debutante S. before taking her two-turn bow in the Alcibiades. She has a record of 4-3-1-0 and earnings to date of \$404,600.

Dream Date On...

Khalifa Dasmal's **Dream Ahead** (Diktat {GB}) looks set to take on **Frankel** (GB) (Galileo {Ire}) next Saturday in the G1 Dubai Dewhurst S. at Newmarket. Trainer David Simcock yesterday stated that the G1 Prix Morny and G1 Middle Park S. winner would tackle the seven-furlong Newmarket feature. "It looks that way," Simcock said. "He's going to have a workout on Wednesday, but it's more than likely he will run. He's just had a routine week of cantering and seems very fresh and well, and it's so far, so good."

RETIRED

Donna and Vern Dubinsky's **Careless Jewel** (Tapit--Sweet and Careless, by Hennessy), whose 2010 career was derailed by nagging problems, has been retired and will go under the hammer as part of the Hill 'n' Dale Sales Agency consignment at the Fasig-Tipton Kentucky Selected Fall Mixed Sale Nov. 7. She will sell as [hip 97](#). Five-for-seven as a sophomore in 2009, Careless Jewel crushed the fields by 7 1/4 lengths in the GII Delaware Oaks and by 11 lengths in the GI Alabama S. The grey made it three straight in the GII Fitz Dixon Cotillion S., but faded to eighth in the GI Breeders' Cup Ladies Classic in what would prove to be her final start. She earned \$1,013,346. "It was unlucky that a couple of minor physical setbacks prevented Careless Jewel from getting back to the races this year," said Hill 'n' Dale principal John Sikura. "When you see the impact previous Alabama winners have had at stud--the likes of Shuvee, Summer Guest, Sky Beauty and Heavenly Prize--Careless Jewel is truly a collector's item."

TATTS CATALOGUES 1,582 HEAD FOR

AUTUMN Tattersalls announced that 1,582 head have been catalogued for the Autumn Horses in Training Sale, which will take place in Newmarket Oct. 25-28. Last year's graduates of the auction include Makfi (GB) (Dubawi {Ire}), who captured the G1 2000 Guineas and G1 Prix Jacques le Marois this season. The catalogue is available at www.tattersalls.com. "The 26,000 guineas purchase of 2000 Guineas winner Makfi at last year's Tattersalls Autumn Horses in Training Sale is a spectacular example of why this sale attracts so much global interest every year," commented Tattersalls Chairman Edmond Mahony. "It is a unique sale that caters for so many different requirements, and this year's catalogue yet again has all the attributes to entice the usual huge crowd of both domestic and overseas buyers." Among the horses catalogued for this year's sale are Group 1 winners **Hearts of Fire** (GB) (Firebreak {GB}) and **Markab** (GB) (Green Desert).

The Morton Fink homebred resurfaced with a fifth-place finish in a \$62,000 optional claimer at Arlington Aug. 6, then placed second in the Presque Isle Breeders' Cup Mile S. Sept. 10. Favored by the Keeneland faithful, Successful Dan sat just off Gran Estreno (Arg) in second, and blew by that one in the stretch to win for fun. The lukewarm 3-1 favorite in the Sept. 11 GIII Arlington-Washington Lassie S., the homebred weakened late to be fourth, but she excelled with the return to a sprint here. The bay broke sharply and went right to the front. Third Chance (Kafwain), the 9-5 choice, tried to put the heat on her as they raced around the bend, but Honey Chile shook off the challenge and set sail for home, drawing off to take it by 6 1/2 lengths. RAUSCHENBERG (c, 3, Grand Slam--Catbaby, by A.P. Indy) finally broke his perfect record of runner-up finishes with this rallying victory. The dark bay was second in his lone start last season on the Hollywood Cushion in December, then came back after a layoff to fill out the exacta at that track May 15 and again June 12. The result was the same after the summer-time ship to Del Mar and the stretch-out to a mile July 22. Trying turf for the first time Aug. 15, he was beaten 3 1/4 lengths, but that set him up to get his picture taken here. Rated off the pace until they turned for home, 2-1 Rauschenberg finished well to collar Kumiva (Giant's Causeway) and edge away to a 1 1/4-length success. Sales history: \$140,000 yrl '08 FTKJUL. Katla, a narrow second to last week's G1 Prix Marcel Boussac heroine Misty For Me (Ire) (Galileo {Ire}) in her second start at The Curragh July 17, got off the mark on her following appearance over six furlongs at Cork Aug. 1. Recording a short-head second next time out over that trip back at The Curragh in the Listed Blenheim S. Sept. 11, the bay ran fifth in the G3 Park S. over an extra furlong there Sept. 26, but found the step back in class much more to her liking here. Traveling with consummate ease in behind the leading pack, the homebred loomed large at the quarter pole and hit the front in nonchalant fashion before scuttling away to a facile success. "We came here looking for some place money, and I honestly didn't believe she could do that--it's unbelievable," said her breeder, owner and trainer John Grogan. "I'm a farmer based at Cashel near where Aidan O'Brien trains, and she's the only horse I train. I bred her as well, and now she's gone and won like that. There's a Group 2 in France [the Nov. 1 Criterium de Maisons-Laffitte] in three weeks' time, and we might have to go for that after the way she has won today."
