TAYLOR PAIR TO COOLMORE AT KEENOV

Multiple Grade I-winning mares consigned by Taylor Made Sales Agency and purchased by Coolmore interests brought the top two prices during Monday's opening session of the Keeneland November Breeding Stock Sale yesterday in Lexington. Leading the charge was Society Selection (Coronado's Quest--Love That Jazz, by Dixieland Band), who kicked off the 13-day event with a session-topping bid of \$1.85 million.

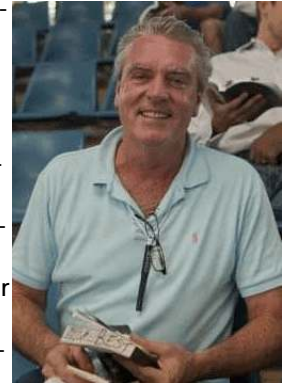

Coolmore's Aisling Duignan & Richard Henry Coady Photography/Keeneland

Aisling Duignan, director of sales at Coolmore's Ashford Stud in Kentucky, signed the ticket for the mare, who sold from the dispersal of Irving Cowan. Kern Lillingston's Lincoln Collins was the underbidder on the nine-year-old. "Obviously, we liked her," said Duignan. "She's got a good pedigree and has all the criteria, doesn't she?" Duignan, standing out back with a Coolmore team that included John Magnier, Michael Tabor, Paul Shanahan and M.V. Magnier, also put her name on the docket for Aaron and Marie Jones's Golden Ballet (Moscow Ballet--Golden Jewel Box, by Slew o' Gold), who was hammered down for \$1.4 million. Golden Ballet is the dam of this year's GI Belmont S. winner Drosselmeyer (Distorted Humor). Duignan said that Society Selection would be sent to Ashford's Giant's Causeway, while Golden Ballet will make the trip across the pond and visit Galileo (Ire).

Sun Sets for 'Carribean' in Australia...

Carribean Sunset (Ire) (Danehill Dancer {Ire}--Bonheur {Ire}, by Royal Academy), a multiple Group 3 heroine in Ireland who collected third-place finishes in the prestigious G1 Irish 1000 Guineas and G1 Coronation S., brought \$1 million from the Australian-based Kia Ora Stud at Keeneland November Monday. James Bester signed the docket out back. "I like to buy on track--she was a beautiful mover and a very classy filly with a wonderful head," said Bester, who preferred not to disclose the owners of Kia Ora. Carribean Sunset's second dam, GI Yellow Ribbon Invitational S. heroine Queen to Conquer (King's Bishop), produced Quebrada (Ire) (Devil's Bag), a multiple champion in Germany.

James Bester Sportpix.com.au.

"I liked the pedigree, there was a lot going on there," Bester continued. "We figured she fitted the profile. Obviously, Danehill Dancer is well known in Australia, so that's part of the pedigree appeal. We want group-winning fillies, preferably on turf, because we race on turf in Australia. She had Group-1 form as well." Bester was also active at last year's KEENOV sale for Kia Ora, securing Canadian champion Callwood Dancer (Ire) (Danehill Dancer {Ire}) for \$675,000. "This fitted a similar profile," he offered. "She'll go back to Australia and be bred to one of the leading stallions there. She did it in Ireland as well as America--we like that. Royal Academy is a very good broodmare sire as well. He's the broodmare sire of our leading stallion Fastnet Rock (Aus). We figured that this filly ticked all the boxes."

Jon and Sarah Kelly went to \$1.25 million to purchase Carribean Sunset at the 2008 KEENOV sale. During her tenure in the U.S., the five-year-old added a win in Philly Park's Dr. James Penny Memorial H. and finished just a head short of champion Forever Together (Belong to Me) in last year's GI Diana S. at Saratoga. She was consigned as a broodmare prospect by Middlebrook Farm as hip 110. -SS

12 of 19, won the GI Frizette S. at two, and took the GI Test S. and GI Alabama S. at three. As a broodmare, she produced the winning three-year-old filly Superior Selection (Giant's Causeway), as well as the unraced Ghostzapper filly American Angel. She

has a yearling colt by A.P. Indy named Rightfully So and sold here in foal on a Mar. 5 cover to Medaglia d'Oro. "I thought that was an awesome sale," Taylor Made's Duncan Taylor smiled after watching the nine-year-old sell for \$1.85 million. "You don't find many racemares like her; but there really wasn't much to compare her to in the past few years at her age that have sold. When someone's trying to buy really good blood, they've made a good buy, and we're happy with the sale. There aren't too many mares that can win a Grade I going seven furlongs in the Test S., then come back a few weeks later and win the Alabama at a mile and a quarter. She was definitely something special." Taylor said the transaction took on adding meaning because of the client. "Folks like Mr. Cowan and what he's done for the business...those are the kind of people we need," said Taylor. "He's enjoyed it, and he deserves [success]. I was really glad to see a War Chant [sire of Chamberlain Bridge, winner of Saturday's GII BC Turf Sprint] win the Breeders' Cup race." War Chant, another Cowan homebred, won the GI BC Mile at Churchill in 2000 and is a successful sire at Three Chimneys.

At the recent Fasig-Tipton Kentucky Fall Yearlings Sale in Lexington, another horse from the Cowan dispersal brought good money. A yearling filly by Hard Spun out of the Cowans' champion Hollywood Wildcat (Kris S.) made a sale-topping \$310,000. Lakland Farm purchased the filly. Marjorie Cowan passed away in February of 2009 at the age of 68.

Taylor Made's other big gun Monday was Golden Ballet, whom Coolmore bought for \$1.4 million, selling in foal to Unbridled's Song. Golden Ballet, catalogued as [hip 161](#), won the

GI Santa Anita Oaks and GI Las Virgenes S. and banked over \$730,000. She was put through the November Sale in 2001 and was secured by Aaron and Marie Jones for \$1.6 million. It was a steep price tag, but Golden Ballet proved her worth time and again over the past decade. Her first foal, Ballado's Gold (Saint Ballado), sold for

**Hip 161, Golden Ballet**  
Coady Photography/Keeneland

\$425,000. Her second foal was the \$1.6 million KEESep yearling Stage Luck (Unbridled's Song), who became a black-type winner for Sheikh Mohammed's Darley operation. Other yearlings to sell included Ghizlaan (Seeking the Gold), who made \$600,000; and Black Pond (Forestry), who brought \$190,000. Overall, yearlings out of Golden Ballet have grossed \$3,415,000.

Golden Ballet's biggest claim to fame, of course, is that she's the dam of this year's Belmont hero Drosselmeyer, who gave WinStar its second Classic win on the year with a strong late-running effort. WinStar purchased Drosselmeyer for \$600,000 at the 2008 Keeneland September Sale. He was sidelined with an injury following the Belmont, but is on track to make a full return to racing in 2011.

over and thanked the Coolmore team out back.

"I think that was a fair price for a great mare," said Taylor Made's Frank Taylor, longtime advisor for the Joneses. "It's hard to sell a mare like that. She had it all--she was a great runner, a great producer and had a great sales record."

The Joneses have their own barn at Taylor Made, and so generally keep their broodmares limited to the number of stalls in the barn.

"Right now, we have about 26 mares, I think," said Marie Jones.

Taylor added, "We've been trying to get the average age of our broodmare band down a little bit, so we're buying some younger ones. It's worked out well. Golden Ballet actually reminds me of the mare we bought last night, Warbling, in that they're both the best physicals of the sales they were in."

Quality. Later in the day, they were forced to \$825,000 to bring home **Just Reward** (Deputy Minister) ([hip 185](#)) from the Phipps Stable reduction. While the brothers declined to comment on the purchase, the sale was satisfactory

to Seth Hancock, whose Claiborne Farm consigned the mare. "We thought she'd be between \$750,000 and \$1 million and she brought \$825,000," said Hancock. "So that is a fair price." Just Reward, in foal to Malibu Moon, is the dam of GI Personal Ensign S. winner Persistently (Smoke Glacken). Out of champion Heavenly Prize, she is a half-sister to Good Reward (Storm Cat) and Pure Prize (Storm Cat). "She is by Deputy Minister, he's been a great broodmare sire, and she's in foal to Malibu Moon, who is about the hottest sire going," Hancock said of the mare's appeal. "And she's the dam of a Grade I winner, so it doesn't get much better than that." Of the overall market, Hancock added, "The bottom of it is pretty weak, but from the middle on up it's plenty strong enough, I think."

**Stonestreet Strikes Early...**

Jess Jackson's Stonestreet Thoroughbred Holdings LLC snatched up 2009 GII Barbara Fritchie H. heroine **Royale Michele** (Elusive Quality--Michele Royale, by Groovy) for \$700,000 early in yesterday's opening session of the Keeneland November sale. In the money in 10 of 15 career starts, the five-year-old out of the stakes-placed Michele Royale was offered in foal to leading sire Unbridled's Song as [hip 19](#). The Pollock Farm homebred was consigned by Taylor Made Sales Agency, Agent CLXXXV. "She's a beautiful broodmare prospect," Jackson's bloodstock advisor John Moynihan said after signing the ticket toward the back of the ring. "She's by Elusive Quality and she's absolutely gorgeous. She could run *really* fast--she ran a two on the sheets-- and she's in foal to Unbridled's Song. I thought it was a very good buy. If she reproduces what she is physically, she'll have really pretty foals." Moynihan added that he didn't have in mind which stallion she would be bred back to next year. Chimichurri, a GSW and GISP by Elusive Quality, was acquired by Jackson for \$2,100,000 at the 2005 KEENOV sale. Her offspring have sold quite well since, including a filly by A.P. Indy who realized \$3.1-million as a yearling at KESEF two years ago. "We have Chimichurri, who is also by Elusive Quality, who produced the sale's topper (by A.P. Indy) a few years back," Moynihan commented. "We like those good looking Elusive Quality mares that can run." -SS

**Miss Keller Purchased by New Partnership...**

Miss Keller (Ire) (Montjeu {Ire}--Ingozi {GB}), by Warning {GB}, heroine of Woodbine's GII Canadian S. in September while bearing the colors of Three Chimneys Racing, will return for a five-year-old campaign after

**Lincoln Collins**  
kernthoroughbreds.com

bringing \$700,000 at Keeneland November's opening session. Kern Lillingston's Lincoln Collins, who purchased Miss Keller privately on behalf of Three Chimneys last summer, signed the ticket on the GI E.P. Taylor S. runner-up.

"We bought her for a new partnership, including several individuals, and she will go back to [trainer] Roger Attfield and race next year," Collins, sporting his usual New York Yankees cap, revealed out back while check-

ing out the result's sheets. "The Three Chimneys partnership has to sell all their horses at the end of the year. She's sound; she's obviously running well, so we put together another partnership."

Trained by John Oxx during her European campaign, she relocated to the United States following a fourth-place finish in the Listed Kilboy Estate S. at The Curragh in July 2009. A close second in Keeneland's GIII Pin Oak Valley View S. last October, she really turned it on this season, winning her first stakes race in Saratoga's De La Rose S. prior to her aforementioned exploits north of the border. The bay also finished second in Woodbine's GII Nassau S. and placed third in the GII Churchill Distaff Turf Mile S. and the GII Ballston Spa H. at Saratoga.

"She's really progressed this year," Collins continued. "When we bought her originally in Ireland, she had no black-type. She came here, Roger worked with her over last winter and she improved and really started 2010 as a different filly. I think he's really figured her out, because he's a brilliant trainer. He's really figured out what makes her tick. It'd be crazy not to send her back, as well as she's running."

He continued, "She had a slightly unlucky trip in the Breeders' Cup [ninth, beaten four lengths by Shared Account (Pleasantly Perfect) in the Filly & Mare Turf]. Our objective is to try and win a Group 1 with her next year, which we all feel she's capable of doing. She has a significant residual value even if she doesn't."

The daughter of the stakes winning mare Ingozi was consigned by Three Chimneys Sales as [hip 211](#). -SS

**Distorted Passion to the Joneses...**

When **Distorted Passion** (Distorted Humor--Arianna's Passion, by Unbridled's Song) last went through the sales ring, the bay mare was led out unsold at \$400,000 at this year's Keeneland January sale. Now in foal to Giant's Causeway, the five-year-old sold yesterday at Keeneland for \$800,000 to Aaron and Marie Jones. "She has a wonderful physical," commented Doug Cauthen, who was consulting for Marie Jones and sat with her in the back of the sales pavilion during the bidding. "Obviously she could run. She ran a six ragozin. She had speed and she could carry it 1 1/16 miles." In her only start this term, Distorted Passion ([hip 5027](#)) won the Jan. 1 Interborough H. She also won the 2009 Correction H. and was second in the GII Distaff Breeders' Cup H. and third in the GII Bed o' Roses S. She is out of a full-sister to Warbling (Unbridled's Song), who the Joneses purchased Sunday night at Fasig-Tipton for \$1.1 million. "It's a great cross," Cauthen said of the mare's pedigree. "Distorted Humor and Unbridled's Song--she's got the best of both. She had the whole package and is in foal to a great horse." Of the price tag, Cauthen said, "Premium sells well. But Mrs. Jones is very excited to have her. She and Warbling were our top picks, so it's kind of exciting to get both of them." Distorted Passion was consigned by Taylor Made Sales Agency, as agent for the Gulf Coast dispersal. [Thorostride video](#)

**O66: Number of the Best...**

Shadwell Farm's Rick Nichols purchased the top-priced weanling during Monday's opening session of Keeneland November, a colt from the second crop of two-year-old champion and GI Kentucky Derby hero Street Sense (Street Cry {Ire}) who went for \$450,000.

**Brandon and Diannah Perry**

Brandon and Diannah Perry's Paragon Farms LLC consigned the bay as [hip 66](#). From the family of GSW E Z Warrior (Exploit) and this year's GI Frizette heroine A Z Warrior (Bernardini), the colt was produced by Time for a Crown (Time for a Change). He is a half to SW Banga Ridge (Snow Ridge) and to GISP Coronet of a Baron (Pure Prize). "He's a nice, well-grown colt with good bone and is correct," said Nichols. "And he's got a reasonable pedigree. We'll see how he grows up."

The transaction was a sizeable success for the Perrys, who also operate Vision Sales with John and Jill Stephens. Just 11 months ago at Keeneland January, they acquired the colt's dam shortly after she RNA'd for \$65,000.

"We bought her the day after the sale," Brandon Perry said after congratulating Nichols on the purchase. "She was very inexpensive--she's not a very attractive mare. Francis [Vanlangendonck] from Summerfield consigned her, and the owner had to sell, and so he said to just make an offer. We actually bought the mare with the idea of putting her back in foal and reselling her here." Time for a Crown, the colt's dam, is selling during Book 4 as [hip 2207](#); she is currently in foal to First Samurai.

**Street Sense**  
*Darley.com.au*

What was meant to be a quick turnaround on the mare turned into much more when this colt hit the ground. "The day he was born, you could tell he was a star," said Perry. "He's done everything right, he's got a great head on his shoulders."

The colt eclipsed the price of last year's leading weanlings; in 2009, a Tiznow--Emmy's Storm colt sold for \$440,000, and a Bernardini--Flanders filly matched that price. Asked if he expected the colt to realize such a number, Perry said, "After the vet work we had, yes. He scoped 15 times, which for a foal is tremendous. We're very pleased with the end result." -LM

**Almar Holds the Key on Tapit Colt...**

A handsome roan colt attracted a final bid of \$340,000 during yesterday's opening session of the Keeneland November sale. Bloodstock agent John Moynihan signed the ticket as Lakewoode Stables on behalf of a partnership, but declined to say who was involved with the deal. "We're just kind of putting it together now," he explained. "He's probably going to be re-sold next year." Asked what he liked about the colt, Moynihan said, "He's a beautiful horse and we love the sire. I knew he was going to bring a lot of money because he's a really nice horse." Carrie Brogden, whose Select Sales consigned the colt, admitted she was "thrilled" with the sale. "I knew when we stopped the scopes at 10, he was a special horse," she added. The weanling was bred by and raised at Jon and Jennifer Goebel's Almar Farm in Paris. He is out of the unraced Storm Key (Storm Cat) and is a half-brother to the speedy Desert Key (E Dubai). Goebel purchased Storm Key, with Desert Key in utero, for \$80,000 out of the 2005 Keeneland January sale. He sold Desert Key in 2006 at Keeneland September for \$270,000. The dark bay went on to run second in the 2008 GI King's Bishop S. Jon Goebel said Storm Key's pedigree initially attracted him to the mare in 2005.

"She was a Storm Cat," he said when asked why he purchased the mare. "And probably as correct a Storm Cat filly as I've seen. She also had some progeny in the works that people were high on. The price was right at the time and she's been a very nice mare for us." Storm Key is currently in foal to GI Travers S. winner Colonel John. "If we do half as well next year, that would be fine," Goebel said. The \$340,000 price tag was above expectations. "I guess all we were hoping for was to be in the hands of the right bidders," Goebel said. "But we were figuring anywhere around \$200,000 or so. So we're very happy. And it seems like he's going to be in the right hands. We had high expectations just because he was such a lovely colt right from the beginning and by the right sire right now." A native of Minnesota, Goebel has been in Kentucky for about 15 years. "We had a horse and crop farm up there [in Minnesota]," he recalled. "My father was in the business--so it's just the family business. We have just five of our own broodmares now and we board for clients. We're a full-service operation, from breeding to sales. We have raced a few, but our operation is a boarding and sales operation." Yesterday's Tapit colt is Almar's biggest sales result to date. "The mare sold a couple of nice ones for us and we've done well enough," Goebel said. "If you can do this once every 10 years, you're happy." -J Martini

**Solid Start to November; RNA's Down Considerably...**

Strength in the \$500,000 to \$1 million level helped propel Monday's opening session of Keeneland November. When the sale concluded at around 5:45 p.m., a total of 183 horses had sold for \$38,970,000. The average was \$212,951, up a slight 2.05 percent from last year's average of \$208,663. The median of \$140,000 was down 12.50 percent, from \$160,000. "At the top of the market, while it's selective, they're giving a premium for those horses," Keeneland's Director of Sales Geoffrey Russell commented when asked about the disparity between average and median.

Yesterday, there were 15 horses that sold for \$500,000 or more, compared to nine during the corresponding session a year ago. "And last year, there was one million-dollar horse in the first session--Azeri [who sold to Katsumi Yoshida for \$2.25 million], and this year there were three," Russell pointed out.

One major bright spot of the session was the RNA rate, which checked in at just 19.38 percent at day's end. That's compared to 31.89 percent in 2009. "I think sellers did a very good job appraising they're stock," said Russell. "Like I've said before, I think last year's Overbrook dispersal helped people evaluate their horses, and I think that's continued on."

**Keeneland November Wrap Up..Day 1..**

There was a broad, deep buying bench of internationals Monday. The Japanese were well represented and included Northern Farm's Katsumi Yoshida, who bought two mares for \$1,035,000. Australian bloodstock agent James Bester secured the day's third-highest-priced mare--Carribbean Sunset (Ire) (Danehill Dancer {Ire}) for \$1 million--and the Wertheimer brothers Gerard and Alain, in attendance after Goldikova (Ire)'s victory Saturday in the GI BC Mile, walked away with two mares who grossed \$1,250,000.

"We felt going in that it was a very international marketplace, which it is," Russell commented. "Coming into the sale, we looked to international markets whose general economies had recovered better than ours. I think the thing that surprised most of us was the strength of the domestic market."

Jess Jackson's Stonestreet Thoroughbred Holdings led all U.S. buyers, purchasing three head for \$1,385,000. Coolmore, falling where it does as both an international and a domestic entity, topped the buyers' sheet, with its two purchases totaling \$3,250,000.

The complete dispersal of Gulf Coast Farm's breeding stock, which is being handled by Taylor Made Sales, yielded mixed results. The 33 horses on offer yesterday from the dispersal were selling without reserve and grossed \$5,917,000. The average was \$179,303. Topping the dispersal was [hip 5020](#), the mare Distorted Passion (Distorted Humor), who sold to Aaron and Marie Jones for \$800,000. -LM

**CORRECTION:** Monday's TDN identified the underbidders on Dubai Majesty (Essence of Dubai), who sold to Katsumi Yoshida for \$1.1 million at Fasig-Tipton November Sunday night, as SS Bloodstock. The operation is SF Bloodstock.

William A. Carl offered homebred Sapphire n' Silk (Pleasant Tap) at KEESEP 1997, but brought her home when the bidding stalled at \$20,000. It proved a wise move. The filly went on to win four races, including the GII Prioress S. and GIII La Troienne S., and earned \$222,182. She was even more profitable in the breeding shed. Her first foal, GSW Shaniko (A.P. Indy), was a \$550K FTSAUG yearling. The mare paid her bills and then some every year thereafter, with her next seven foals amassing \$1.14 million in the sales ring.

Lavin Bloodstock bought Mt. Kobla (Mt. Livermore), in foal to Stormin Fever, for \$57,000 at this sale four years ago. Lavin partnered with Bernie Sams and Mark Hennig, and they sold the colt for \$40,000 as a KEENOV weanling. Named King Ledley, he is three times group placed, with earnings of \$307,867. The bigger catalogue update came courtesy of the mare's half-brother, Quality Road (Elusive Quality), a MGISW of \$2,232,830. The partners ponied up for the Giant's Causeway stud fee, and cashed out on the mare yesterday.

It's not easy to turn a quick \$100,000 profit in this market, but McCauley Farms just about managed it with this mare. McCauley picked up Pfeiffer (Storm Cat) for just \$52,000 at KEEJAN this year, out her in foal to Unbridled's Song, and sent her right back to the ring to collect the cash.

Jon and Jennifer Gobel signed the ticket on dam Storm Key (Storm Cat), in foal to E Dubai, for \$80,000 at KEEJAN 2005. The resulting foal was a good one--Desert Key sold for \$270,000 as a KEESEP yearling, and went on to run second in the GI King's Bishop S. and GII Amsterdam S., earning \$273,994. The Goebels's Almar Farm also sold a filly by Political Force out of the mare for \$62,000 at KEESEP this year, and really scored when this colt by the popular Tapit went through the ring. Alvin and Marlys Goebel, the heads of the racing family, are based in Minnesota.

Eamon Cleary picked up the dam, Summer Scene (Belong to Me), for \$150,000 at this sale two years ago. The then five-year-old was a half-sister to champion Stevie Wonderboy (Stephen Got Even), in foal to Corinthian. The resulting colt brought \$160,000 here in 2009, and there was a significant catalogue update when Summer Scene's half-sister Theysken's Theory (Bernardini) captured the G3 Prestige S. earlier this year. With a live pedigree and a successful young sire on her side, this Tapit filly put Cleary clearly in the black.

Consigned by Lane's End as [hip 145](#), the 13-year-old was offered in foal to European Horse of the Year Sea the Stars (Ire).*

*What They're Saying Cont...*

**Lincoln Collins on the market:**

"I think that if you have something that they *really* want, then it will make good money. But other than that, I think the market is still trying to find its level. It's very difficult for consignors who are trying to figure out the *actual* value of a commercial product like a broodmare. Similarly, it's very difficult for the buyers to work out the math, because even if you're not commercial, you're trying to buy something at a reasonable price. I think we're in the process where people are just trying to figure that out."

**Has been tough getting the ones you want?**

"It remains tough to buy the right ones. I think the trick of these things is always particularly at the high level--getting what the sellers expect and what the buyers are prepared to pay in sync. I think there's plenty of competition for the right horses."

### European Breeders' Fund Announces Changes...

The European Breeders' Fund yesterday announced changes to its program that will allow North American stallion managers to make the offspring of their stallions eligible for EBF-restricted races with a nomination fee of 50 percent of the advertised stud fee. The program, restricted to stallions who stand outside the EBF area, is set to begin in 2011 and follows the termination of the Breeders' Cup/EBF Cross Registration Agreement. There are roughly 1,200 EBF races in Europe, comprised primarily of maiden, listed and condition races and handicaps. Horses who are not EBF eligible cannot run in those races. "I think stallion managers here would embrace the new system as an advertising tool, if nothing else," the EBF's Chief Executive Officer Sam Sheppard said yesterday from Keeneland November. "They really can save their customers a lot of money." Progeny conceived in 2011 by a stallion who stands outside the EBF area--and who is not nominated--can be nominated, as in the past, for \$500 by May 1, 2013, \$3,000 by Feb. 15, 2014, or \$6,000 by June 30, 2014. Sheppard said the vast majority of maiden races in Europe's major racing jurisdictions were EBF-restricted races. He estimated that 80 percent of the maiden races in Britain, 90 percent of the maiden races in Ireland and 100 percent of the maiden races held at the "metropolitan" tracks in France were restricted to EBF-nominated horses. In September, the Breeders' Cup announced it was ending a cross-registration agreement that had been in place since 1995.

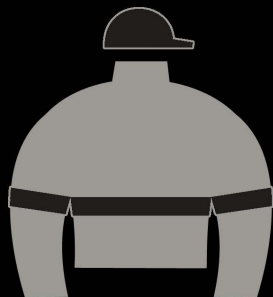

In an effort to attract more foreign runners, the Breeders' Cup instituted a program similar to the one just announced by the EBF, whereby progeny by stallions outside of North America in the Northern Hemisphere could automatically be nominated to the Breeders' Cup with a payment of 50 percent of the published stud fee. TDN columnist Bill Oppenheim, a Breeders' Cup trustee who serves on the Racing and Nominations committee and who worked on a sub-committee tasked with developing the Breeders' Cup program, talked about the situation yesterday. "I think the important thing to realize is that both the Breeders' Cup and the European Breeders' Fund are non-profit organizations who are both working toward the same thing--the success of racing in a world where there are any number of entertainment options," he said. "These changes can be confusing at first, but we feel that once everyone is familiarized with the programs, that they will work in everyone's best interests. The Breeders' Cup now has a representative in virtually every major racing jurisdiction, and so if anyone has any questions, they shouldn't be afraid to pick up a phone."

## MALIBU MOON TO STAND FOR \$60K IN 2011

Leading sire **Malibu Moon** (A.P. Indy) will stand the upcoming 2011 breeding season at Spendthrift Farm for a fee of \$60,000, stands and nurses. Last season,

Joy Gilbert/Spendthrift photo

Malibu Moon stood for a fee of \$40,000. "Malibu Moon has proven himself to be a top sire with each year being better than the one before," said B. Wayne Hughes, owner of Spendthrift Farm. "We thought he earned a bump this year and wanted to put him at a price that breeders

would feel is still good value." Malibu Moon's progeny earnings in 2010 are approaching \$8 million, with six graded stakes winners, including by Grade I winners Devil May Care, Life At Ten and Malibu Prayer. He was also a leading sire at the yearling sales this year, with individuals selling for \$700,000, \$650,000, \$500,000, etc.

**BOB ANDERSON DIES** Longtime thoroughbred owner Robert M. (Bob) Anderson passed away Sunday. He was 64. Anderson had suffered a heart attack Wednesday in Florida while preparing to leave to attend the Keeneland November sale, where he had a consignment of 15 horses. Anderson, who lived in St. Thomas, Ontario, was the president of Anderson Farms and also served on the Board of Directors for Woodbine Entertainment Group, chairing the Thoroughbred Racing Committee. Funeral services are expected to be held next Sunday and Monday in St. Thomas, Ontario, with further details yet to be released. "His passion for the sport of horseracing radiated from his soul and he was such a good friend to so many of us," said David Wilmot, Chairman of the Board of the Ontario Jockey Club. "Our thoughts are with David, Jessica and their families as they deal with this loss which has come far too early." Liberation's Rob Whiteley added, "I have spoken with many sad people today who miss Bob very much. It is hard to imagine a sale without him. Over virtually every sale during the past 25 years, I always brightened when I saw his easy smile and heard his warm hello, and listened to his candidly expressed and intelligent points of view. The horse industry is a tapestry of people, and Bob's vibrancy and resiliency have added a special color and texture that cannot be replaced."

## KHRC ISSUES STATEMENT; BC LADIES' CLASSIC

The Kentucky Horse Racing Commission issued a press release Monday, addressing Life at Ten (Malibu Moon)'s poor showing in Friday's GI Breeders' Cup Ladies' Classic. "The Kentucky Horse Racing Commission is continuing its inquiry into the incident at the Breeders' Cup Ladies' Classic Friday, Nov. 5, 2010, involving Life at Ten," read the statement. "From the time Life at Ten was brought to the paddock, saddled, led to the track for the post parade, warmed up and loaded into the starting gate, neither trainer Todd Pletcher nor jockey Johnny Velazquez voiced any concerns they may have had regarding Life at Ten to any racing officials, veterinarians or the outriders prior to the running of the Ladies Classic." The statement continued, "Should a trainer or jockey have concerns about whether a horse is fit to race, they know the proper protocol is to notify a KHRC veterinarian who will talk to the jockey and observe the horse and then make a recommendation to the Stewards regarding any scratch. After the race, Chief State Racing Steward John Veitch interviewed Mr. Pletcher as well as the head outrider Greg Blasi and KHRC chief veterinarian Dr. Bryce Peckham. An interview with Mr. Velazquez is pending. The Kentucky Horse Racing Commission takes seriously the safety of horses and jockeys--before, during and after each race. The Kentucky Horse Racing Commission firmly believes its veterinarians and racing stewards acted properly in all instances regarding this race."

# RETIRED

**CAREER OVER FOR MINE THAT BIRD** The 2009 GI Kentucky Derby winner **Mine That Bird** (Birdstone--Mining My Own, by Smart Strike) has been retired after running 10th in the GI Breeders' Cup Dirt Mile Saturday.

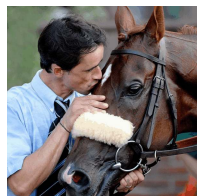

*Sarah K Andrew photo*

"We don't want to hurt him or disgrace him anymore," co-owner Leonard Blach told *Daily Racing Form*.

"He'll live out his days here at Double Eagle. We've got a special paddock and shed for him." Mine That Bird's co-owner Mark Allen operates Double Eagle Ranch in New Mexico. The four-year-old, bred by needham/Betz Thoroughbreds, was originally purchased for \$9,500 by trainer David Cotey at the

2007 FTKOCT sale. Shipped north to Canada, he won four of his five starts at Woodbine, including the GIII Grey S., and was named champion Canadian two-year-old of 2008. Blach and Allen bought the gelding privately for a reported \$400,000 after his victory in the Grey, and shipped him to Santa Anita for the GI Breeders' Cup Juvenile. He was last in that outing, then took an unorthodox route to the "Run for the Roses." Mine That Bird was second in the Borderland Derby at Sunland Park in February and fourth in the Sunland Derby in March, then was vanned across country to Churchill Downs by trainer Chip Woolley. A 50-1 shot on the first Saturday in May, he rode the rail around the track and shot to the front in the stretch before drawing off to win by 6 3/4 lengths over the sloppy strip. He followed up with a second behind Rachel Alexandra (Medaglia d'Oro) in the GI Preakness S. and thirds in the GI Belmont S. and GII West Virginia Derby, but failed to hit the board in his next six starts. He retires with a record of 18-5-2-2 and earnings of \$2,228,637.

### *Workforce to Race on in 2011...*

Connections of **Workforce (GB)** (King's Best) have announced that he will stay in training as a four-year-old. After being scratched from Saturday's GI Breeders' Cup Turf due to the prevalent ground conditions, Khalid Abdullah's G1 Epsom Derby and G1 Arc winner will be put away until 2011. The owner/breeder's Racing Manager Teddy Grimthorpe told the *Racing Post*, "We've a horse who is very important to us. He's sizeable and scopey and racing him on too-fast ground for him at this stage--this would have been only his sixth lifetime start--well, his future career is too important. Workforce will stay in training. He won't run again this year."

annexing the six-furlong Jimmy V. "Don't Give Up... Don't Ever Give Up!" S. at Churchill Downs on the Breeders' Cup Ladies' Day undercard Friday. He could step back into the deep end next time. "The [Dec. 26 GI] Malibu going seven-eighths at Santa Anita would be a great race

for him," said conditioner Ken McPeek. "We may look at some races in Hong Kong and Japan, but I will probably keep him at seven-eighths." The bay's prior start before Friday came in the G1 St. James's Palace S. at Royal Ascot June 15. He was a close-up fifth in that top-class turf mile.

**BC-Winning Connections Could be Back for Clark...**

**Apart** (Flatter), a 3/4-length winner of the GIII Ack Ack H. at Churchill Downs last Friday, is being considered for the GI Clark H. at the Louisville oval Nov. 26. The GII Super Derby winner, owned and bred by GI Breeders' Cup Classic hero Blame (Arch)'s co-owner/breeder Adele Dilschneider and conditioned by winning Classic trainer Al Stall Jr., has been partnered in workouts with Blame, and could cap off his sophomore season in strikingly similar fashion to his older stablemate. "The Clark [is a] maybe," Stall said. "He's going back to Keeneland and I'll talk it over with his owner." Stall acknowledged the similarities between Apart and Blame, who also ran in the Super Derby last term--but was second--and who signaled himself as a potential force in 2010 with a neck score in the Clark over a stellar field. "He is with Blame on the calendar," Stall reflected. On the decision to run Apart in the Ack Ack rather than the GII Fayette S. at Keeneland Oct. 30, as he did with Blame, the Louisiana native explained, "We thought dirt was Apart's best surface, and he was not proven on PolyTrack...We [also] had our eye on Charlie Lopresti's horse [Successful Dan {Successful Appeal}], and he ran like we though he would in the Fayette [winning by three lengths]."

**Duke of Mischief** (Graeme Hall), trained by David Fawkes, who sent out Big Drama (Montbrook) to a win in the GI Breeders' Cup Sprint Saturday, is also possible for the Clark. The MGSW four-year-old, who was fourth last time in the GII Monmouth Cup Oct. 9, finished eighth behind Blame in the GI Stephen Foster H. earlier this season.

*Awesome of Course to Journeyman...*

**Awesome of Course** (Awesome Again--Mais Oui, by Lyphard), sire of undefeated Breeders' Cup Juvenile Fillies' winner and Fasig-Tipton November Sale Topper Awesome Feather, will stand the 2011 season at Brent and Crystal Fernung's Journeyman Stud, it was announced yesterday. His stud fee will be \$5,000, stands and nurses. From 26 named foals, he has 20 starters, 15 winners, and four stakes horses. Bred in Florida by Fred Brei's Jacks Or Better Farm, the Awesome Feather is undefeated in six starts this year, five of them against black-type company. Last Friday, Awesome Feather scored a decisive victory in the GI Breeders' Cup Juvenile Fillies, and two days later, she sold for \$2.3 million to Frank Stronach at the Fasig-Tipton Kentucky November Breeding Stock Sale, top price at the venue this year. "We are delighted to welcome Awesome of Course to the Journeyman stallion roster," said Brent Fernung. "He's from the first crop by Awesome Again, and we had followed his career, from his stakes victory at two to his multiple stakes wins at three. He sired a pretty good stakes winner in his first crop, Honey Honey Honey. But Awesome Feather is in another league all together, and her sale price proves he can be commercial as well. We expect he'll draw plenty of interest from breeders."

*Goldikova to Stay in Training...*

Owners Alain and Gerard Wertheimer have confirmed the news that **Goldikova (Ire)** (Anabaa) will remain in training for the 2011 season. Fresh from completing a three-peat in the GI Breeders' Cup Mile at Churchill Downs Saturday, the 12-time Group 1/Grade I victress will postpone retirement and target a fourth success in the GI Breeders' Cup Mile back at the Kentucky venue next term. "She won her last race so well," explained Gerard Wertheimer, who along with his brother was attending yesterday's Keeneland November sale in Lexington. "That is the main reason we decided to keep her in training. And the other reason is that my brother and I think that to keep a horse in training for a longer time is very good for us and also for the public, because it is very important to have the public behind a horse. It's very good for racing." Alain Wertheimer added, "The public gets used to the name and, if they race a little bit more, we think it will help the Thoroughbred industry."

It takes quite a serious flight of fancy to imagine a Breeders' Cup event falling to the offspring of an inexpensive stallion based in Oklahoma, but sometimes truth is indeed stranger than fiction.

Kip Deville's victory in the 2007 Mile came just months after his sire Kipling stood the 2007 season at a fee of \$2,500 at Mighty Acres, near Pryor.

And now the Juvenile Fillies has fallen to Awesome Feather, an unbeaten daughter of Awesome of Course, who was advertised as standing the 2010 season at a fee of \$1,750 at Legend Farm near Coleman. Awesome of Course was reported to have covered nine mares in 2009, the last of his six years in Florida. In those six years, he is credited with having been bred to a total of only 70 mares, for 46 lives foals.

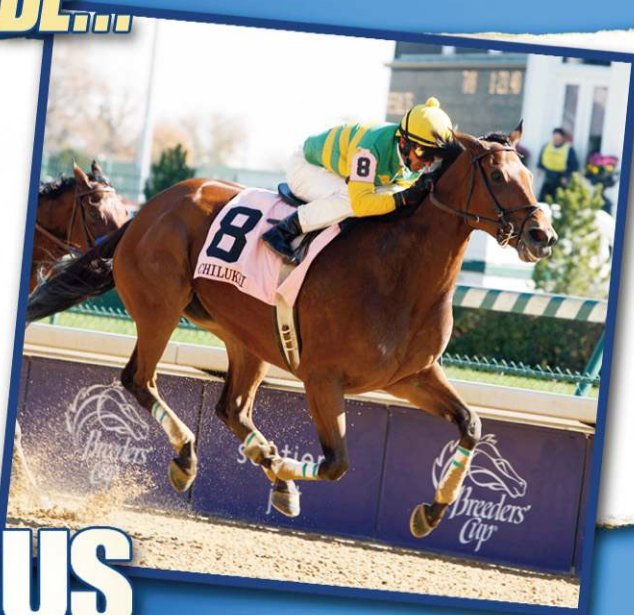

The scenario of the Awesome Feather story started to sound even more far-fetched when she topped the Fasig-Tipton November Sale at a price of \$2.3 million, falling to the bid of Frank Stronach's Adena Springs.

If this prompts the question of why Stronach, winner of numerous Eclipse Awards as a breeder, would want a daughter of Awesome of Course, the quick answer could be that she is a granddaughter of Awesome Again. This Adena Springs stallion won the Breeders' Cup Classic before becoming one of the strictly limited number of stallions to have sired four or more Grade I winners at the Breeders' Cup. Those winners, of course, were Wilko (2004 Juvenile), Ghostzapper (2004 Classic), Round Pond (2006 Distaff) and Ginger Punch (2007 Distaff).

**Pedigree Insights Cont.**

As a winner of three ungraded sprint stakes at the ages of two and three in Florida, Awesome of Course wasn't in the same class as this quartet, but there was absolutely nothing wrong with his bloodlines. His dam Mais Oui was a very useful granddaughter of Straight Deal, a champion older mare from the La Troienne family.

The reality is that Awesome Feather has a far more impressive pedigree than might reasonably have been expected of a daughter of Awesome of Course.

For a start, her third dam is Princequillo's high-achieving daughter Quill. Way back in 1981, in my days as a writer at Timeform, I penned the following essay on Quill, with regards to her Vaguely Noble filly Last Feather, who now ranks as the second dam of Awesome Feather:

"Few mares have had so long or so spectacular a career as Last Feather's dam Quill," I wrote. "Born back in 1956, she became the champion juvenile filly in the USA, winning six of her eight starts from five-and-a-half to eight-and-a-half furlongs; at three, she won two important races, the Acorn S. over a mile and the Mother Goose S. over nine furlongs, before finishing a close second in the CCA Oaks; and at four she was rated the second-best older filly after winning the valuable Delaware H. over a mile and a quarter by nine lengths. After failing to add to her stakes victories at five she retired the winner of 14 of her 26 starts which, together with four seconds and two thirds, earned \$382,041. Her stud career proved similarly outstanding. Her foal of 1963, First Feather, became the dam of Run the Gantlet, successful in the Washington International and the sire in 1981 of those top winners April Run, Ardross and Providential; her foal of 1966, the champion Canadian grass horse One For All, won 13 times at up to two miles and has sired one of the handful of mares to win over \$1,000,000, The Very One; her 1970 foal, Shill, bred a champion two-year-old colt in Japan.

Next came Riboquill, a smart performer in France, who finished sixth in the 1974 Prix de l'Arc de Triomphe; then came the 1975 Irish St Leger winner Caucasus, who subsequently became one of the best grass performers in the USA. After producing eight foals in 10 years, Quill's age and exertions finally seemed to be catching up with her--she produced only two foals, both unraced fillies in the next six seasons--but her final produce, the appropriately named Last Feather, looks likely to improve Quill's highly impressive record by becoming one of the leading middle-distance fillies in 1982.

"Quill's achievement in producing such a good filly at the age of 23 is amazing. Of the 1,056 horses listed in that useful reference book Pedigrees of Leading Winners 1960-1980, only Aggravate, Arctic Storm, Batitu, Chamour, Fighting Charlie, Kauai King, La Bamba, Lagunette and Yellow God were foaled when their dam was aged 20 or more and of those dams, only Chamour's was as old as 23. Incidentally, the 1980 Oaks winner Bireme was foaled when her dam was 18 and the 1981 winner Blue Wind was produced by a 21-year-old mare, so if Last Feather improves enough to win the 1982 Oaks, which is by no means out of the question, she'll extend a sequence which will be well-nigh impossible to stretch further."

**Cont. p21**

**Andrew Caulfield Cont.**

Last Feather didn't win the Oaks, but she didn't miss by far. Having won Britain's main Oaks trial, the Musidora S., the daughter of Vaguely Noble finished third in what proved to be a vintage edition of the Ep-

**Awesome Feather**

som fillies' Classic. The winner, Time Charter, went on to defeat the males in the Champion S., Coronation Cup and the King George; the second, Slightly Dangerous, became a Broodmare of the Year; and the fourth, the future Arc third Awaasif, became the dam of an Oaks winner who in turn produced a winner of the Derby, King George and Arc.

To update the Quill family history, it has added a few more Group 1 winners to its collection since 1981, thanks to Vettori, a French 2000 Guineas winner out of Quill's Group 3-winning grand-daughter Air Distintue, and to the brother-and-sister team of

Fragrant Mix and Alpine Rose.

Awesome Feather is the latest family member to score at the highest level. Her dam, Precious Feather, was bred by John R. Gaines Thoroughbreds but did well for Jacks or Better Farm, winning several small stakes at Calder, in addition to finishing second in a couple of Grade III events--on one occasion finishing ahead of Spain in the Turfway Breeders' Cup S.

In keeping with the Breeders' Cup theme, Precious Feather is a daughter of Gone West. In common with Awesome Again, the other grandsire of Awesome Feather, Gone West is responsible for the winners of four Grade I races at the Breeders' Cup championships, thanks to Da Hoss, twice a winner of the Mile, Johar, who dead-heated in the 2003 Turf, and Speightstown, winner of the 2004 Sprint.

Precious Feather is by no means the first daughter of Gone West to have done well with a stallion from the Deputy Minister line, as others have produced graded winners to Forest Camp, Dehere and Touch Gold.

**TRF ELECTS HOGAN TO BOARD OF DIRECTORS**

Dr. Patricia Hogan has been unanimously elected to the Thoroughbred Retirement Foundation's Board of Directors, the organization announced yesterday. Hogan, an equine surgeon attending to some of the most valuable Thoroughbreds, is known for treating 2004 Kentucky Derby winner Smarty Jones as a two-year-old after the colt suffered a fracture to his left eye socket, and for being instrumental in the design and construction of the new Ruffian Medical Center at Belmont Park. "It's a great honor to be named to the Thoroughbred Retirement Foundation Board," said Hogan, who heads her own veterinary surgery clinic, Hogan Equine, at Fair Winds Farm in Cream Ridge, New Jersey. "I've always been active with the TRF and other retirement organizations, but the Thoroughbred Retirement Foundation is the most recognized name and, I think, is the one that can change policy." TRF Chairman Tom Ludt said, "I am pleased and honored with the unanimous election of Dr. Patricia Hogan to the board of directors. Patricia has been a friend of TRF's for a number of years. Her extensive background in equine medicine and her desire to help TRF fulfill our mission for a successful, long-term retirement plan will be of incredible benefit." Hogan, a native of New Jersey, studied animal science at the University of Delaware and veterinary medicine at the University of Pennsylvania. She completed an internship at Rood and Riddle Equine Hospital in Lexington, KY, followed by a surgical residency at Texas A&M University College of Veterinary Medicine.

**5th-PHA, \$47,380, Msw, 3,4,5yo, 6f, 1:11, ft.**  
**GANTRY** (c, 3, **Pulpit--Rhum {MSW, \$306,234}**, by Go for Gin), a \$140,000 KEESEP yearling, kept good company in his first two starts at Belmont last summer. He was a debut third behind GI King's Bishop S. hero Discreetly Mine (Mineshaft) (who was second) July 9, and took the show money again behind runner-up and subsequent GSW Exhi (Maria's Mon) July 24. Despite a lay-off of almost a year and a half, the dark bay was bet heavily to be 6-5 for this belated third go. He was slowest into stride, but quickly made headway while very wide to move into a stalking second behind a half in :46.74. Unfazed by the slow start and ground loss, the intriguing colt had plenty left for the stretch run, and leveled out nicely for an effortless 3 3/4-length score from firster Silver Prado (Speightstown). Lifetime Record: 3-1-0-2, \$35,600. **Click for the [brisnet.com](http://brisnet.com) chart or Video, sponsored by Taylor Made.** O-Black Swan Stable. B-D J Stable LLC (KY). T-Michael E Hushion.

May Day Rose debuted with a runner-up finish sprinting at Del Mar Aug. 22 before breaking through with a victory most recently Sept. 4. Sent off the second choice in her route bow, the bay made all and cruised home an easy 4 1/4-length winner. "When she sprinted, she just got to the lead and kept going the same pace," explained winning rider Martin Garcia. "She was a little bit rank, like babies usually are, because they don't know how to run. We've been making her finish in the mornings and look at the results today." As for the added yardage, Garcia added, "I think she's always wanted a distance. She's got a really long stride and I think she's going to be a good filly. From five and one-half furlongs to go a mile and one-sixteenth is really a big difference. But you know [trainer] Bob Baffert, he's such a class trainer and he knows what he's doing."
