GOLDIKOVA SCOOPS TOP CARTIER AWARD

Alain and Gerard Wertheimer's three-time GI Breeders' Cup Mile heroine **Goldikova (Ire)** (Anabaa) was honored as Cartier's Horse of the Year at a ceremony held Tuesday night at London's Dorchester Hotel. The homebred five-year-old, who garnered a 12th top-level success at Churchill Downs Nov. 6, also set another standard by becoming the first dual winner of the older horse award. In the Horse of the Year race, she fended off a stellar line-up of contenders that included G1 Epsom Derby and

G1 Prix de l'Arc de Triomphe hero **Workforce (GB)** (King's Best), who gained the consolation of the winning the three-year-old colt prize at the expense of an equally impressive cast; triple Group 1 hero Canford Cliffs (Ire) (Tagula {Ire}); Harbinger (GB) (Dansili {GB}), who posted a spectacular, record-breaking performance in the G1 King George VI & Queen Elizabeth S. before being forced into retirement through injury; and G1 Eclipse S. and G1 Champion S. victor Twice Over (GB) (Observatory). The prestigious awards, which were established in 1991, were determined by points earned in pattern races during 2010, combined with the opinions of a panel of racing journalists and votes from readers of the *Racing Post* and *Daily Telegraph*. **Cont. p2**

A FUNNY THING HAPPENED AT KEENOV

After several firework-free days, Keeneland November showed that it still had some tricks up its sleeves yesterday. Namely, the sale of racing prospects from several high-profile operations, including WinStar, Darley, Shadwell, and Gary and Mary West. It was WinStar that brought the biggest arsenal--entering the day with some 50 catalogued prospects--and Kenny Truitt's operation was rewarded with the ninth session's top-priced lot. The juvenile filly **Funny Sunny**, who hails from the first crop of GSW Sharp Humor (Distorted Humor), sparked a lively bidding duel that concluded with Whisper Hill Farm's \$380,000 offer. Whisper Hill owner Mandy Pope, sitting alongside advisor Chris Brothers, saw off a challenger in an adjacent section of the pavilion for the daughter of the 13-year-old mare Sunny Laugh (Relaunch), a half-sister to SP Awesome Launch (Awesome Again). Funny Sunny hails from the extended family of Grade I winners Golden Ballet (Moscow Ballet) and her GI Belmont S.-winning son Drosselmeyer (Distorted Humor), a WinStar colorbearer. "She's put together well," Pope said after signing the ticket. "And she's very level-headed. [At the WinStar breeze show], she was alert and paying attention, but not silly about anything, even being around all the colts. We like our horses to be very smart and well-mannered; we think that plays well on the racetrack."

RACETRACK Round-Up

Music Show, Meeznah Staying in Training...

Jaber Abdullah's G1 Falmouth S. victress **Music Show (Ire)** (Noverre) will continue racing as a four-year-old in 2011, it was announced yesterday. "Music Show stays in training, and will be campaigned from a mile up to a mile-and-a-quarter," confirmed the owner's racing manager Bruce Raymond. "She showed a great turn of foot to win the Falmouth S., in which they went a true gallop, and she is best suited by a strong pace. I think she is sure to stay a mile and a quarter, and it could be that she actually finds some improvement for going further. She is certainly a very high-class filly who, hopefully, can enjoy another successful season."

It was also announced yesterday that Saif Ali and Saeed Altayer's G1 Epsom Oaks runner-up **Meeznah** (Dynaformer), who also ran fourth in both the G1 Irish Oaks and the G1 Yorkshire Oaks, is to stay in training. The David Lanigan trainee, who has yet to experience black-type success, will be campaigned at staying distances next term, according to connections. Bruce Raymond, speaking on behalf of the owners, commented, "Meeznah ran a fine race at Epsom and, for a moment, I thought she was going to win. They had gone fast early in the race, and down the home straight she was still on the bridle, while the others were being pushed along. Snow Fairy ended up a worthy winner, but Meeznah showed really good staying qualities that day, with the strong pace playing to her strengths. While she has run a lot of really good races, she has just a maiden win to her name, so it is really important to get her head in front again. At Doncaster, [when third] in the [G2] Park Hill [S.], she showed she gets 15 furlongs, so, hopefully, there will be a nice staying prize for her in 2011."

TAPIT STUD FEE INCREASED TO \$80K

GISW **Tapit** (Pulpit--Tap Your Heels, by Unbridled) will stand the 2011 season for \$80,000, live foal (stands and nurses), up from his 2010 fee of \$50,000. Winner of the 2004 GI Wood Memorial, the Gainseway stallion has already been represented by champion Stardom Bound, as well as Grade I winners Tell a Kelly, Laragh and Careless Jewel.

www.gainseway.com

"Tapit's performance to date as a stallion has been truly remarkable," Gainseway's Michael Heron. "He was the leading juvenile and freshman sire in his first year, he has two Breeders' Cup winners, a Grade I winner on dirt in Japan and he's now the leading third crop sire by graded stakes horses, all from mares bred at the \$15,000 level. Demand for Tapit transcends the marketplace."

Sunny Despite the Rain...

It was cold and grey in Lexington Tuesday, but the sale of Funny Sunny energized the Keeneland sale pavilion. Bred by Highclere in Kentucky, Funny Sunny was

Chris Brothers
facebook.com

hammered down to WinStar Farm for \$60,000 at the Fasig-Tipton Calder Sale earlier in the year after breezing a quarter in :21 4/5. The filly's sire, Sharp Humor, stands at WinStar. Sent to trainer Richard Budge, Funny Sunny debuted going six furlongs at Hoosier Park Oct. 13 and made a favorable impression, rallying clear to a 2 1/4-length decision.

"Her first race was very impressive," said Chris Brothers. "She ran away from the field, and that's what you want to see first time out."

Added Pope, "She was on the outside and got hung wide around the turn, and had no clue what she was doing, but then figured it out and said, 'Oh, I'm supposed to be a *racehorse*.' And she just took off and passed them."

At WinStar's inaugural under-tack showcase Nov. 2, Funny Sunny breezed four furlongs in :48 4/5 ([3:40 mark of video](#)).

Pope laughed that Kentucky's tax laws played the deciding factor in where Funny Sunny will now go. "We thought about sending her to Churchill Downs, but after realizing I'd have to pay six-percent sales tax [if she stayed in Kentucky], we'll send her to Florida and probably have her ready to run at Gulfstream," she said.

Pope got into breeding and racing in the early 1980s, but has stepped up her involvement markedly in recent years. She's been active at the yearling and bloodstock sales, typically for nicely bred fillies and mares, but this year expanded the scope of Whisper Hill, buying some yearling colts to pinhook. *Cont. p5*

SUMMER BIRD TO STAND FOR \$15,000

Champion **Summer Bird** (Birdstone--Hong Kong Squall, by Summer Squall), hero of the 2009 GI Belmont S., GI Shadwell Travers S., and GI Jockey Club Gold Cup S., will stand his first season at stud for \$15,000 at Mr. and Mrs. Ben P. Walden Jr's Pauls Mill in 2011, it was announced Tuesday. "Our mission at Pauls Mill is to shower breeders with stud fee value and personal attention," Walden commented. "To that end our 2011 fees speak for themselves, but Summer Bird's introductory fee breaks all the rules."

Keeneland November Cont. from p4

"It's going well," she said of the venture. "We bought four colts--two Speightstowns, a Grand Slam and Street Sense. They've been nominated to the Fasig-Tipton Sale and the OBS March Sale, and we'll probably have two go to one, and two to the other. We also have a few fillies. We'll sift through them and go to a later sale, either Keeneland April or OBS April. I don't like to push the fillies, so we'll take our time with them."

Pope currently has a broodmare band of about 20. She boards them in Kentucky at Wayne Sweezy's Timber Town farm, as well as at Fares Farm and Gunston Hall.

"We just don't have the stallions in Florida," she explained. "We've been breeding to Bernardini, Distorted Humor...so they have to be up here. I used to ship back and forth a lot, but I think the shipping stresses them, and the change in environment stresses them. I'm trying to do what's best for the mare."

And while Whisper Hill has been primarily a breed-to-sell operation, Pope said she plans to enjoy racing, too.

"I'd definitely like to keep some of the fillies [and race]," she said. "I've been working really hard on the farm, and I want to get out and enjoy going to the races."

Hopefully, Funny Sunny provides plenty of enjoyment for Pope and Co. in 2011.

Whitham Buys Out WinStar on Bayakoa Kin...

Janis Whitham, who campaigned the great Bayakoa (Arg) to a pair of GI Breeders' Cup Distaff victories in 1989 and '90, bought out partner WinStar Farm on a great-granddaughter of the famed racemare yesterday.

Bayakoa's grave at Pennbrook
tbheritage.com

The three-year-old filly **Tabby**, by Storm Cat out of the first-class Affluent (Affirmed), was knocked down to Whitham advisor Frank Penn for \$200,000.

WinStar, which co-bred the filly with Whitham, consigned Tabby as [hip 3014](#). Trained by Ian Wilkes this season, Tabby

broke her maiden in her turf debut sprinting 5 1/2 panels at Ellis Park Aug. 13 and recently ran sixth in Keeneland NW1X Oct. 22. Penn said Tabby will now head to the broodmare shed.

"The Whitham family did a foal share with WinStar, and Tabby was the result of that," Penn explained. "We decided that when her racing career was done, we'd put her back through the sales, and that way everybody would have a shot at her."

Penn, reached by phone in the late afternoon, said the filly was on a van at that moment, heading toward his Pennbrook Farm. The Whithams currently have 12 mares at Pennbrook, according to Penn. "They enjoy the game, and they breed to race," he added. Whitham, 78, bred and raced Affluent, a foal of 1998 who banked nearly \$1.5 million. Affluent won the GI Queen Elizabeth II Challenge Cup S. going nine furlongs on the grass here at Keeneland in October of 2001, then, in her very next start, rallied from 14 lengths back to capture the seven-furlong GI La Brea S. over Santa Antia's dirt track in December. Bayakoa was a two-time champion who won 12 Grade I races in the U.S. and banked over \$2.7 million. She died in 1997.

Frank Penn *horsework.com*

Whitham's longtime trainer Ron McAnally, conditioned both Bayakoa and Affluent. This term, horses to carry Whitham's silks include Ivory Empress (Seeking the Gold), runner-up in the GIII Endine S. at Delaware in September and most recently second in a Churchill allowance last Friday. Wilkes trains Ivory Empress.

Hulse Keeps His Humor, Lands SW Colt...

T K Stable's Kevin Hulse flew in from Nebraska on Monday with the express purpose of buying two horses, both juveniles by Sharp Humor from the WinStar draft. He was thwarted on the first, the session-topping Funny Sunny, who soared past his appraisal. That left Hulse with a case of the nerves as the second, the undefeated stakes winner Glint (Sharp Humor--Glimmer, by Deputy Minister), came into the ring later in the day as [hip 3326](#).

"I figured [Glint would] bring between \$250,000 and \$350,000, but...I was on the other Sharp Humor earlier, and she brought \$380,000. I didn't think she'd bring \$150,000!" laughed Hulse. "I thought, 'Whoa! I better go see how big the checkbook is!'"

Big enough, as it turned out. Hulse, a relatively new face on the scene, proved gamest for Glint, and landed the colt for \$340,000. That was the second-highest price for a horse yesterday.

"He's the real deal," said Hulse, wearing a Harley-Davidson jacket and doing his bidding out back. "It isn't much more of a risk coming here and spending \$350,000 for him, or giving a \$100,000 for a yearling. We know he can race. I've had yearling [purchases] that you need a search warrant to find. The risk factor isn't as bad. This will be a good experience; this will be fun."

Bred by WinStar, Glint was sent through the Keeneland September Sale 14 months ago, but was bought back for \$32,000. That proved the right decision. Glint outclassed the competition in his debut, romping by over nine lengths at Hoosier Sept. 1, then powered clear to a three-length win in the Fitz Dixon Jr. Memorial Juvenile S. at Presque Isle Sept. 25. Glint had a chip removed from his ankle following the race.

"It was a really small chip--it was less than a millimeter--but they thought, as good as he is, if you get to campaigning him hard next year, it would be sad in April to find out you needed to remove it," Hulse reasoned. "It was kind of a preventative thing. I had three different vets look at it, and he's really good; he's recovered well."

Glint's second dam is MGSW Recognizable (Seattle Slew), a three-parts sister to GISW Awe Inspiring (Slew O' Gold).

Based in Grand Island, Nebraska, Hulse operates T K Stable with his wife, Tammie. "That's how you get T K Stable," said Hulse. "Somehow, she got her name in front of mine. But you notice I'm the one who's got the [sale] paper!" Hulse is the owner of Mid-Plains Power Inc, a company involved in electric power line construction that he founded in 1993. Previously a journeyman lineman (electricity, not football), Hulse now employs roughly 100 people. He's been involved in breeding and racing Thoroughbreds for about three years. "My wife and I always liked horses," he said. "We own a construction company, and it's done well, so we decided it would be a good time to get involved. We've got a lot of young stock. Usually, we come to the Keeneland [September] yearling Sale. I bought a Medaglia d'Oro filly this year. We want to try to keep some here, and then have some in Nebraska, Iowa and Oklahoma. And we'll move them back and forth."

The Hulses currently have 26 horses in training and roughly five broodmares at home. They employ Armando and Kelli Martinez to train their horses in the midwest, but will leave Glint in Kentucky with Kellyn Gorder to resume his racing career. Gorder trained Glint for WinStar. "He's a good horse," said Hulse. "Everybody's high on him. "We're just trying to build. The sport seems to have so much negativity, and it kind of gets old. But there are a lot of positives, too."

Star of the Show...

With the top five lots and 15 of the top 20 selling from WinStar's draft of racing prospects, it wasn't hard to figure the fuel driving Tuesday's strong ninth session at Keeneland November. WinStar's Elliott Walden was on hand all day to keep track of the consignment, and proclaimed himself satisfied at selling's end. "The two Sharp Humors were our two best, and we weren't surprised they were the two highest prices," said Walden. "They had good form at two, and everybody wants to have a good two-year-old. Funny Sunny won her only start, and Glint won both of his starts, and it was something that was very appealing to buyers." Walden said that all indicators pointed to a strong day of trading. "We had over 900 shows [Monday] with 40 horses, which means each horse averaged over 20 shows," he said. "It was very active, and the closer the horse is to the races, the more comfortable people feel spending money right now. The market's still a little tenuous, but I couldn't be happier." Many members of the WinStar consignment were shown during an undertack preview at the farm Nov. 2, and Walden thought it made a big difference come sale day. "I thought it helped a lot," he said. "I know Funny Sunny worked extremely well that day, and the 25 or 30 people who were there were very impressed." Keeneland officials applauded WinStar for its efforts. "The market today reflected the quality of offerings from WinStar racing," said Director of Sales Geoffrey Russell. "They produced a quality draft of horses with very few withdrawals. They showed the horses very professionally, they marketed the horses very professionally, and I think they got a full return on that investment. Frankly, they laid a template for those looking to sell horses of racing age."

GI Belmont S. for owner Robert LaPenta and trainer Nick Zito, sold yesterday as a racing or stallion prospect to Foye Genetics for \$180,000. Lane's End consigned the horse as [hip 3308](#). Foye Genetics' owner, David Foye, typically part of LaPenta's yearling buying team, signed for the horse, but said it wasn't a buyback. Foye said the horse was bought for "breeding purposes" and would likely stand in the U.S. "He's a Belmont winner with speed," said Foye. "If you look at his record and that fact that he's by Tiznow, there's a

lot going for him." Zito was on hand to watch his former charge sell, and wasn't giving up hope he might return to his shedrow. "I don't know who he bought the horse for, but I'm going to ask him," quipped Zito. "I just hope I get another chance to train him. I'm going to go work on [Foye]--I'm going to go buy him a few drinks."

GOFFS NOVEMBER FOALS
IRELAND - SINCE 1866
Nov. 16-18, 2010

KODIAC COLT STARS AT GOFFS OPENER

Kodiac (GB) (Danehill) has had a more than respectable set of results from his first crop in 2010, and it was a son of the Tally-Ho Stud resident who topped the Tuesday's opening session of the Goffs November Foal Sale. Consigned by J K Thoroughbreds on behalf of Camogue Stud, [hip 41](#) is a half-brother to the Dermot Weld-trained juvenile and Cork maiden winner Declan's Warrior (Ire) (One Cool Cat). The bay was knocked down to Tally-Ho's Roger O'Callaghan for €35,000 (US\$47,214). "He's a good-looking foal and very typical of the stock that the sire produces," O'Callaghan said. "We're delighted with the start Kodiac has made with his first runners this year, and we were happy to get this colt. He'll be back for resale." The colt is inbred 3x3 to Eljazzi (GB) (Artaius), whose Group 1-winning daughter Rafha (GB) (Kris {GB}) is the dam of leading sire Invincible Spirit (Ire) (Green Desert).

Eddie O'Leary's Lynn Lodge Stud paid €27,000 for Moyfynn's [hip 106](#), a son of Kheleyf whose dam Kissing Time (GB) is a half-sister to the top sprinter and sire Acclamation (GB) (Royal Applause {GB}). "He's a good-looking foal," O'Leary said. "I thought that there was plenty to like about him, and you've got Acclamation under the second dam. Let's hope that he's lucky."

Late in the session, Ballyphilip Stud paid €25,000 for Nanallac Stud's [hip 237](#), a son of Elusive City whose page includes the champion Lemon Souffle (GB) (Salse).

Lawman (Fr) has made an instant impression this fall, and his Pipe View Stud-consigned [hip 216](#), a colt from the Juddmonte family of Zafonic et al made €23,000 when selling to MC Bloodstock. Of the fillies, the top-priced lot was Boulic Stables' [hip 238](#), a half-sister by High Chaparral (Ire) to MGSW Sehzad (Ire) (Titus Livius {Fr}) who sold to Cahermorris Stud for €24,000.

[Hip 197](#), a Clodovil (Ire) filly from the draft of Rathasker Stud who is out of a half-sister to the G3 Killavullan S. winner Dubai Prince (Ire) (Shamardal), was purchased by Paula Flannery for €18,000. Full results are available on www.goffs.com. The second session of the three-day auction gets underway today at 11 a.m.

FUSAICHI PEGASUS COLT TOPS NZ OPENER
Edited press release

A colt by Fusaichi Pegasus provided an early highlight to an otherwise mixed day's trade at the first session of New Zealand Bloodstock's 2010 Ready to Run Sale of

Fusaichi Pegasus colt - Lot 52
www.nzb.co.nz

2-Year-Olds Tuesday at Karaka. The striking grey colt from the stakes-winning Danehill mare Skates (Aus) fetched NZ\$340,000 (US\$261,074) to the bid of Hong Kong buyer Magus Equine on behalf of trainer Me Tsui. Offered by

Lyndhurst Farm, he is a half-brother to Group 1-winning Juste Momente (Aus) (Giant's Causeway). Magus Equine principal Willie Leung arrived in New Zealand with a group of five trainers from Hong Kong, including Me Tsui, who will train session-topping colt for his client P. Lau. A regular buyer at the Karaka Ready to Run Sale, Leung thought the colt was a sale standout.

"He is a big, strong horse, a lovely mover with a good pedigree, and was my top pick of the sale," Leung offered. "He's a precocious type, so we'll be looking to take him up to Hong Kong straight away and target the griffin races in May and June." He added, "On average, the quality this year is pretty good, with the bigger catalogue offering more choice than usual. The sale is stronger than I expected, but with the exchange rate, it is still good value compared to Europe and Australia, which is why we're buying more here."

NZ Ready to Run Sale Cont.

With 250 horses catalogued during the first of two sessions, 125 were sold for an aggregate of NZ\$6,593,000. This represents a current average of NZ\$52,744 and a median of NZ\$32,000. The clearance rate is currently 56 percent. With 18 horses already sold for six-figure sums, there appears to be strength at the top of the market, but the middle and lower end of the market are facing a bigger challenge.

"We have a much bigger catalogue this year, 200 horses more than last year, and while that's offered buyers a broader selection, we knew it was going to make it very difficult to sustain last year's figures," commented NZB Co-Managing Director Petrea Vela. "But even given that, today's clearance rate is disappointing, and reflects a patchy middle to lower market. The international buying bench has been as robust as ever, but the domestic market is very quiet, which is of concern. New Zealand buyers spent more than NZ\$3 million at the one-day sale last year, and it's barely a fraction of that today (NZ\$1.2 million). Hopefully, we can see some improvement on that tomorrow."

A broad international buying bench has seen buyers from Australia, Hong Kong, Singapore, Macau, Malaysia and Korea all represented on the buyers' sheet on the first day. Heading the list is Magus Equine with three other purchases made during the day, including the NZ\$220,000 paid for the Darci Brahma colt from Group 3-winning Pins (Aus) mare Rosetti Bay (NZ) as lot 20. Making the biggest impact on the results sheet is Singapore, with a total of 27 horses purchased for racing there. Amongst the most prominent Singapore buyers are Laurie Laxon, Michael Freedman, Dr. K.C. Tan and Soon Hock Lee. Also active are both the Seoul Racehorse Owners Association and the Korean Racing Authority, with 14 two-year-olds purchased for Korea so far. Selling two of the top five lots, Mark and Shelley Treweek's Lyndhurst Farm is on track to be the leading vendor for the fourth year in a row. Their five entries sold thus far for brought an aggregate of NZ\$770,000 and an average of NZ\$128,333. Lyndhurst has another 13 young horses catalogued for sale tomorrow. Selling continues from 10 a.m. Wednesday at Karaka. Complete results are available on www.nzb.co.nz.

SANTA ANITA RELEASES STAKES SCHEDULE

Santa Anita Park released its stakes schedule for its 74th season, which kicks off Dec. 26. The 76-day meeting will feature 46 graded stakes, headed by the \$1-million GI Santa Anita Derby, which will be contested Apr. 17. An additional eight Grade I stakes will be held throughout the meet, including the Malibu S. and La Brea S. (both on opening day); Santa Monica H. Jan. 30; Las Virgenes S. Feb. 5; Santa Margarita S. Mar. 12; Santa Anita H., Frank E. Kilroe Mile; Santa Anita Oaks (all Mar. 5). Major preps heading to next year's Santa Anita Derby and GI Kentucky Derby include the Feb. 12 GII Robert B. Lewis S Feb. 12 and the Mar. 12 GII San Felipe S. "We've added \$450,000 to our 3-year-old program, which makes Santa Anita the nation's most attractive avenue to the Triple Crown," said Santa Anita Racing Secretary Rick Hammerle. Hammerle also noted that MI Developments' (MID) recently announced Preakness 5.5 (million) incentive program should prove to be of direct benefit to those racing at Santa Anita. "The Preakness 5.5 is going to be a big plus for us," said Hammerle. "It's going to encourage people to run in the Santa Anita Derby and in our Derby preps. If you run in and win either the Lewis or the San Felipe and go on to win the Santa Anita Derby, you're eligible to win the \$5.5 million bonus, if you win the [GI] Preakness [S.]," said Harlow. Other important dates on Santa Anita's stakes calendar include the Sunshine Millions Jan. 29, which features bicoastal competition between Florida-breds and California-breds. Santa Anita and Gulfstream Park, will each host three Sunshine Millions races. Santa Anita will run two \$300,000 stakes on Sunshine Millions Day, the Sunshine Millions Turf, presented by San Manuel Indian Bingo and Casino, and the Sunshine Millions Distaff. The Sunshine Millions Sprint will offer a purse of \$200,000. For the complete schedule visit www.santaanita.com.

NEW JERSEY PANEL MAKES OMINOUS RECOMMENDATIONS

A New Jersey advisory commission, charged with recommending a “new self-sustaining course for the horse racing industry” in the state, has suggested the closing of the Meadowlands and consolidating all racing operations at Monmouth Park. It also recommends that the two tracks and/or racetrack properties be sold for operation by the private sector. Despite the success of its 50-day elite meeting, Monmouth Park will post a loss of \$6.6 million, while the Meadowlands Racetrack is estimated to lose an additional \$11 million. “Neither the New Jersey Sports and Exposition Authority, nor the taxpayers of New Jersey, have the wherewithal to support two money-losing racetrack operations,” the report states. In what the commission calls a “direct and difficult solution,” it recommends 59 live Thoroughbred dates at Monmouth Park from May to September, following the successful model of the summer of 2010. The track would host 30 days of Standardbred racing in the fall of 2010 and 70 days in subsequent years. The commission, in an attempt to “preserve the heritage of the Hambletonian” recommends a six-day “super” meet at the Meadowlands in August 2011. These changes would require a capital investment of approximately \$4.6 million at Monmouth Park for Standardbred racing, including the installation of lights, a changeover from the Thoroughbred to the Standardbred racing surface, a receiving barn and a partial winterization of a portion of the grandstand. The commission also floated the idea of expanding the network of off-track betting facilities in the state, even as it suggested selling the Woodbridge OTB. The Meadowlands would be converted into an OTB exclusively, one which the Hanson Commission feels could be the most profitable in North America. Officials at the New Jersey Thoroughbred Horsemen’s Association are said to be in the process of scheduling a meeting of its board to discuss recent developments. For the complete Hanson Commission report, click [here](#).
