GALILEOS SHINE AT TATTS YEARLING SALE

Tattersalls' marathon December Sale kicked off in Newmarket yesterday with a day of yearlings that--for a much enlarged catalogue--saw turnover rise by three percent to 3,574,600gns, but posted decreases in all other categories. The clearance rate fell from 78 percent in 2009 to 74 percent, the 9,000gns median was down 18 percent and the 18,426gns average dropped by 19 percent. A

colt and filly by Coolmore's flagship sire Galileo (Ire) headed the day's trade when selling for 140,000gns. Demi O'Byrne was the first to hit that benchmark when fighting off Peter Doyle for the Galileo colt out of Golden Coral (Slew O'Gold). The yearling, sold from David Nagle's Barronstown Stud, is a half-brother to stakes-placed Aleagueoftheir own (Ire) (Daneshill Dancer {Ire}).

Agent Charlie Gordon-Watson was another with 140,000gns to spend on a Galileo and his opportunity came when seeing off Luke Lillingston of Kern Lillingston for a half-sister to GI Champagne S. and GI Hollywood Futurity winner Toccet (Awesome Again) consigned from Watership Down Stud. The filly, out of Cozzene's Angel (Cozzene), was unsold at €180,000 when offered at Arqana in August.

Last week's Delta Downs meet developed into a celebration of the former Claiborne stallion Forty Niner. The Delta Mile S. fell to Z Humor, a grandson of Forty Niner by Distorted Humor; the GIII Delta Downs Princess S., won by Bouquet Booth, provided the first graded stakes success for Distorted Humor's son Flower Alley in his role as stallion; and the GIII Delta Downs Jackpot was won in good style by Gourmet Dinner, a colt by Forty Niner's grandson Trippi.

Trippi's sire End Sweep had been in the news the previous weekend, via his son Precise End. This former New York stallion enjoyed a stakes double in New York and Tokyo, thanks to his sons Driven By Success and Glorious Noah, the latter taking his second Grade 3 victory of the year on dirt. **Cont. p. 3**

"I saw her when she was at the Deauville sale and I think she's improved physically since then," Gordon-Watson said. "I don't know where she will be trained, but she's been bought for a partnership who are likely to breed from them. She's by Galileo and what can you say? He's the best sire in the world."

(Montjeu {Ire}), is the recipient of a 115,000gns first-crop Teofilo (Ire) (Galileo {Ire}) colt out of listed-placed Whirly Bird (GB) (Nashwan) sold from Albert Perry's Woodcote Stud. Trainer Roger Charlton signed for the colt after outbidding agent Rachel Boffey.

"I've really liked the Teofilos I've seen," Charlton said. "They have all looked very similar with lovely heads and real quality about them. This colt is also obviously from the family of Inchinor (GB) and is one that I know very well."

Dirk Eisele of BBA Germany paid 105,000gns for a Shamardal (Giant's Causeway) colt out of Amandalini (GB) (Bertolini) sold by Jamie Railton to join trainer Andreas Lowe. The yearling is a half-brother to graded stakes winner Persianlux (GB) (Persian Bold).

An interesting aspect of these successes is that all five of the stakes winners mentioned above have at least two lines of Mr. Prospector in their pedigree (Driven By Success and Glorious Noah are both 4 x 3, Z Humor 3 x 5 and Gourmet Dinner 4 x 4, while Bouquet Booth is by a stallion inbred 3 x 3 to Mr. Prospector).

And they're not alone, as last week's stakes winners also included Aruna (3 x 4), Turbulent Descent (3 x 4) and Eminent Tale (4 x 4).

Of course there's nothing new about Mr. Prospector inbreeding involving the Forty Niner branch of the male line, with the likes of Society Selection, Commentator, Forty Niners Son and Flower Alley being among the Grade I winners which originally encouraged breeders to follow this route. Vineyard Haven is a more recent example and we have now seen the first Grade I winner inbred to Forty Niner himself, thanks to R Heat Lightning. This winner of the Spinaway S. is inbred 3 x 3 to the sire of Coronado's Quest, Distorted Humor, Editor's Note, Ecton Park, Gold Fever, Roar, Sunday Break, etc.

In Europe a certain amount of inbreeding takes place simply because it is very difficult to avoid some of the dominant influences, such as Danzig and Northern Dancer. Of course some of the inbreeding is deliberate, such as the duplications to Danehill which are beginning to creep in.

The Mr. Prospector line has been so successful for so many years that I guess American breeders are increasingly finding that inbreeding to the great son of Raise a Native is becoming harder to avoid. I note with interest that Bouquet Booth and Gourmet Dinner are by no means the only two-year-old group/graded winners of the 2010 season with two lines of Mr. Prospector in the first four generations. There have been successes for Misty For Me, Wonderlandbynight, Rogue Romance, French Navy (all inbred 4 x 3), Kantharos, Dubai Prince and Split Trois (all 4 x 4) and there is even Lou Brissie, who is inbred 4 x 4 x 4.

To these we can add Awesome Feather, A Z Warrior, J.B.'s Thunder, Position Limit, Saamidd, Irish Field, To Honor And Serve, Laughing Lashes and Soldat, all of whom are inbred to "Mr. P" within five generations.

Trippi *Louise Reinagel*

With Gourmet Dinner and R Heat Lightning to his credit, 2010 has proved an excellent year for Trippi, who also has the stakes-winning Flying Trip among his juveniles. Trippi now ranks third behind More Than Ready and Indian Charlie among the sires of juveniles, but he is

no longer in Florida to capitalise on his success. He was sold in the summer of 2008 to South African interests. Then 11 years old, he had spent seven years at J. Michael O'Farrell's Ocala Stud, and has already been champion sire in Florida.

The Number One Source For Graded Stakes Winners.

“It was a substantial offer and ultimately it was a business decision,” Farrell said at the time. “We thought it was in everyone’s best interest if we sold him. He has served us very well.”

Trippi covered 114 mares in ‘08 at a fee of \$12,500, so his last American crop reaches the races next year.

His sire End Sweep also left Florida for foreign climes. The son of Forty Niner made a spectacular start to his stallion career, taking the title of 1998’s leading freshman sire, both by progeny earnings and by number of winners, with a record total of 33.

He was sold soon afterwards, leaving his base at Mockingbird Farm after completing his fifth season. His new role was to shuttle between Arrowfield in Australia and Shadai Farm in Japan. End Sweep was nearing the end of his third Japanese season when he suffered a fall which resulted in his being put down at the age of 11.

End Sweep came to the notice of Japanese breeders early in his career, as one of his 33 first-crop winners was the Japanese colt South Vigorous, who achieved a string of group sprint successes at the ages of six and seven.

Another of his first crop’s durable performers was Nany’s Sweep, winner of the GI Santa Monica H. as a five-year-old. End Sweep went on to take the titles of leading second- and third-crop sire, thanks largely to the Grade I winners Trippi and Swept Overboard.

Trippi enjoyed a magnificent three-year-old campaign after being unraced at two, winning seven of his 10 starts including five graded stakes. Although he possessed enough stamina to win the Flamingo S. over a mile and an eighth, he was something of a seven-furlong specialist and he made all to beat More Than Ready in the GI Vosburgh S.

End Sweep’s premature death looks especially regrettable with the emergence of the outstanding Japanese performers Rhein Kraft, Sweep Toshō and Admire Moon.

Trippi’s American exploits suggest that he could prove similarly important to his adopted country.

UNCLE MO DONATING PORTION OF BC WINNINGS TO T-BRED RETIREMENT CHARITIES *(Edited Press Release)*

Mike Repole, the owner of **"TDN Rising Star"** **Uncle Mo** (Indian Charlie), will donate a total of \$50,000 of his colt's GI Breeders' Cup Juvenile winnings to five different Thoroughbred retirement organizations: Old Friends, Thoroughbred Retirement Foundation, Turning For Home, Akindale Thoroughbred Rescue and The Exceller Fund. "We cannot thank Uncle Mo and Repole Stable enough for supporting the more than 1,200 retired Thoroughbred racehorses in our care," said TRF Executive Director Diana Pikulski.

"Mike Repole is one of those conscientious, outgoing, compassionate owners who always puts what is in the best interest of the horse first and foremost." Old Friends President and Founder Michael Blowen added, "This money will be used for the continued care of more than 100 Thoroughbreds we have retired in three states. Uncle Mo's generosity is helping to assure the safe retirement of runners less fortunate than himself." Repole said, "There are so many wonderful charities throughout our industry, and so many dedicated volunteers who work tirelessly for the welfare of our equine friends, and I commend them all. It is my hope that other Breeders' Cup winners and top stakes winners follow suit and continue to donate to their favorite horse charities."

"We think Purge will be well received with New York breeders," said Vinery President Tom Ludt. "He's in the top of his crop in every category, is a nine-year-old son of emerging sire-of-sires Pulpit and, on top of that, he's a very attractive individual." The 2005 GI Cigar Mile H. winner and earner of over \$900,000 will stand alongside Posse (Silver Deputy) and Repent (Louis Quatorze), who relocated to Empire Stud in 2010, and first-year sire Justenuffhumor (Distorted Humor). GLOBAL HUNTER TO STUD IN 2011 Global Hunter

(Arg) (Jade Hunter--Griffe De Paris {Brz}, by Telescopico {Arg}), who sustained a life-threatening ankle injury while galloping out after taking the GII American H. at Hollywood July 4, continues to recover, and will stand stud at Magali Farms in Santa Ynez, California, for the 2011 breeding season. The seven-year-old Grade I winner and earner of over \$600,000 was treated at Alamo Pintado Equine Clinic in Los Olivos, California, and recently was released. His fee will be \$3,500 and, according to *Daily Racing Form*, trainer A.C. Avila said that he will be bred to approximately 30 mares. Magali Farms Manager Tom Hudson told *DRF*,

"[Global Hunter] is walking really good now. Dr. [Doug] Herthel [of Alamo Pintado] was here on Saturday and he couldn't believe how well he was walking. He should have no problem breeding mares." There are plans for Global Hunter, who was campaigned by Monte Pyle and Shawn Turner in America after a successful career in Argentina, to be shuttled to his native country later in the year.

CASH RULES (c, 3, Peace Rules--Cindys Sonnet {SP, \$134,989}, by Silver Buck) kicked off his career with a neck win in the slop at Calder Aug. 7, and came back to be second by that margin in an allowance test 15 days later. Third after getting bumped at the break Sept. 24, he rallied to take an optional claimer in a photo Oct. 17. The bay was 4-5 as he stretched out to two turns for the first time here. Cash Rules broke like a shot and eased over to the rail as they raced into the first turn. Taken in hand to let Tripofalifetime (Trippi) cut out the pace through six furlongs in 1:13.03, he was put to a drive as they came around the final bend, collared the leader inside the eighth pole and opened up late to take it by 2 1/4 lengths. PROFOUND BEAUTY RETIRED Trainer Dermot Weld yesterday announced that Moyglare Stud's **Profound Beauty (Ire)** (Danahill--Diamond Trim {Ire}, by Highest Honor {Fr}) has been retired. Successful in nine of 21 lifetime starts and with earnings over £430,000, the six-year-old captured seven black-type events, three at Group 3 level. Runner-up in the G1 Irish St Leger at The Curragh in September, she was most recently unplaced in the Nov. 2 G1 Melbourne Cup. "She's been retired honourably and was a wonderful mare to train--she was so consistent," Weld said. "If her progeny have her courage and will to win, they will be very good horses." **Profound Beauty** was highweighted older mare in Ireland from 11 to 14 furlongs twice, and at 14+ furlongs once. Fifth in the 2008 Melbourne Cup, she captured the 2009 G3 Curragh Cup and the 2009 and 2010 runnings of the G3 Ballyroan S.

Heard About The Daily Deal?

Ready for more details? Here's how it works...

As a service to stallion owners and breeders, the TDN is creating a way for season/share-sellers and service providers to raise immediate operating cash by offering a one-day discount on regular fees.

One daily deal will be emailed to our audience of 7,800 daily subscribers, listing a discounted item or service for that day only, if payment is made by the close of business on that day.

Sellers can offer:

- Stallion seasons (or shares), either individually, or in multiples at a particular farm. Seasons can be either live-foal guaranteed, or no guarantee.
- Cash coupons to be applied to specified farm stallions, i.e., pay \$40,000 to get \$60,000 worth of fees at a particular farm.
- Two or more stallions may also be linked together at a discount; i.e., one very popular with one who might need a boost.
- Cash coupons may also be offered for services, such as vet fees, feed, or vanning.

Buyers have that day and that day only to accept the offer and **must pay that day.**

The details:

The daily offer is sent out at 12:01a.m. est

Buyers have until 3 p.m. est to accept the offer, and complete wire transfer information. The farm or seller is notified, and the transaction completed.

If the offer is a stallion season, the farm has until 5 p.m. est to accept or turn down the mare. If the mare is accepted, wire is triggered to the TDN.

Payment to the seller is made within 1 business day of receipt of the funds from the buyer, by check or wire, less commission of 5%, including state sales tax.

**Sellers have the option to allow breeders who have already booked for 2011 the right to participate by converting their existing LFG season to up-front payment through The Daily Deal.*
