Gulfstream Park. The Sunshine Millions pits Florida-breds against California-breds in six races, three at Gulfstream and three at Santa Anita, but the Sunshine State is sure to prevail in the Classic. All 10 starters in the nine-panel test were bred in Florida. Four-year-old First Dude hit the board in eight of his first nine starts last season. In addition to his Classic placings, the Donald Disney runner was

second by a neck in the GI Pennsylvania Derby and third in the GI Travers S., GI Haskell Invitational S. and GI Blue Grass S. He was on the front end early in the Nov. 6 GI Breeders' Cup Classic, but faded to eighth. Trainer Dale Romans opted to give the colt a class break for his 2011 bow. "I could run him in the [GI] Donn [H. Feb. 5 at Gulfstream], but the purse is the same for the Sunshine Millions, so it makes sense to make things as easy I can for him," Romans told *Daily Racing Form*.

**INAUGURAL SALE ENDS WITH A FLOURISH**

The inaugural Cape Premier Yearling Sale drew to a close Friday, selling 214 lots for turnover of R87,900,000 (US\$12,222,105). There was a clearance rate of 79 percent. The average price was R410,748 (\$57,113) (US\$1 = R7.192). Leading vendor at the sale, by aggregate, was Klawervlei Stud. They sold 32 yearlings for an aggregate of R15,725,000. Leading vendor, by average (three or more sold), was Lammerskraal. They

**Lot 269** *tba.co.za*

sold a trio of yearlings for an average price of R933,333. Champion sire Jet Master had an outstanding sale. His 21 yearlings sold for an aggregate of R15,585,000 and an average of R742,143, which made him the leading sire by average as well. A pair of colts by the stallion, both knocked down for R2.5 million, ultimately topped the two-day sale. Lot 269, a son of Jet Master (SAf)--Alexandra Bi (Ire) (Darshaan {GB}), was knocked down yesterday to Singapore-based trainer Patrick Shaw. **Cont. p2**

*'The best qualified'*

The run of success by Kingmambo's stallion sons is bound to center attention on his unproven sons, such as **Henrythenavigator...**

As a dual Classic winner, he must be considered the best qualified of these... A winner of the **G2 Coventry S.** over six furlongs on only his second start, he rounded off his 11-race career with a fine second in the **Breeders' Cup Classic** over a mile and a quarter... It's hardly surprising, then, that his first weanlings sold for up to **\$450,000.**

Patrick Shaw was also responsible for Thursday's R2-million son of Captain Al (SAf)--Leading Dame (SAf) (Jallad). Lot 269 is a half-brother to three winners from four to race, including Alexandra Rose (SAf) (Caesour), a Group 2 winner and twice Group 1-placed in South Africa. She later finished runner-up in the Cape Verdi S. in Dubai and landed the 2008 GIII Monrovia H. for Team Valor and partners. The bay colt was consigned by Varsfontein Stud. The other son of Jet Master to sell for R2.5 million was lot 102. Out of the Al Mufti mare Laptop Lady (SAf), the colt was consigned by Klawervlei Stud. He was bought by Gauteng owner Ebrahim Khan. Buyers were very impressed by the sale.

Both the venue and quality of horse on offer drew praise from all involved. Team Valor's Barry Irwin remarked, "I came here to buy three, and am leaving with seven horses. There were some very nice horses on offer, and I was happy to see the horses were not backward, but of a very high quality. The selection of horse on the sale was excellent and, despite having a relatively small number, I still found 16 fillies I was keen to buy." Dubai owner Ali Alqama, who has horses in training with champion trainer Mike de Kock, purchased three horses at the sale, all of which are headed to Dubai. He said of the sale, "The prices are very reasonable in South Africa, which I like. There were some very nice horses on offer, and South African horses have an excellent record in Dubai. After this sale, I will definitely be coming to the Emperor's Palace National Yearling Sale later in the year." All in all, the sale proved tremendously popular, with both buyers and vendors praising the concept, venue and quality of horse on offer. ## WHAT THEY'RE SAYING ...AT THE SALES

**Andrew Cary, Thoroughbred Futures VP & Select Sales general manager:**

"The promoters of the Cape Premier Yearling Sale deserve an immense amount of credit for bringing South African racing into the worldwide consciousness.

**Andrew Cary**

Leading the way is Chairman Robin Bruss, a tireless worker whose passion and vision for the future of South African racing is unmatched. In an incredible example of planning and logistics, Bruss and his team have transformed the Cape Town International Convention Centre into a sales auditorium and hospitality area as well as stable grounds for 300 yearlings. I was impressed with a lot of the stock on offer...especially considering how early it is in the year for these yearlings. On

the whole they are mature, well-prepped and athletic. In particular, I have been impressed by the offspring of Jet Master, Silvano and Captain AI."

Cary, who was born in Zimbabwe, added, "More than 20 years after leaving Africa, it has been a tremendous personal thrill to be in Cape Town this week for the Cape Premier Yearling Sale. My own feelings aside, I am hopeful that this sale will prove successful and entice more foreign buyers to invest in South African racing and breeding."

months ago, but is drawn eight here and enters this year's renewal in peak form, having handed **Tales of Bravery** a 2 1/4-length beating in the Queen's Plate at this venue three weeks back. **Pocket Power** is quite conceivably set to face the starter for the final time of his remarkable career. A three-time winner of the Met (2007-2009), he was an admirable third in search of a fourth straight win in the race last year and gave an honest account of himself when fourth, beaten just over four lengths when going for a fifth consecutive Queen's Plate Jan. 8. While he was not disgraced that afternoon, he has failed to take down a Group 1 in over a year. "There have been opposing opinions on the matter, both of which hold valid viewpoints, but we have decided to retire Pocket Power officially from racing," trainer Mike Bass said on his website. "He is a very brave horse who will always try his very best no matter what, so to race him on and break his heart after all that he has given us would be a great injustice.

Team Block and Richard Ege's **Askbut I Won'ttell** looks to increase her win streak to three--all at nine furlongs on the sod. The five-year-old took the GIII Cardinal H. by 1 1/4 lengths under the Twin Spires Nov. 7 and scored in the GIII My Charmer H. close by at Calder Dec. 4 by 3/4 of a length. The chestnut covered her last eighth in an impressive :11.09

in the My Charmer, and broke her maiden over this course in 2009 for Michael Trombetta. Live Oak Plantation's **Dynaslew** fell just a neck short of Proviso (GB) (Dansili {GB}) when fourth in the GI Diana S. at the Spa July 31, and returned there to take the Aug. 28 GII Ballston Spa H. in front of a trio of next-out stakes winners and an allowance winner. She finished off last term when sixth in the GI First Lady S. at Keeneland Oct. 9. "We had to re-group with her after the First Lady," Seth Benzel told *Daily Racing Form*. "We sent her to Live Oak, where she had some down time, and when she came back to me from the farm she looked great--exactly like she did all summer--and ever since she's been working consistently and is ready to go." **Honeymoon Girl** returned from more than a two year layoff to secure an allowance here Jan. 6 in her fourth career go. Conditioner Chad Brown, who took over training duties from Daniel Vella before Honeymoon Girl's last start, has had tough luck over the Gulfstream turf course this meet. His only win came with this runner, but Brown has run second five times and third once in eight grass tries.

She looks to rebound after running fifth in the Jan. 2 GIII Monrovia H. going 6 1/2 furlongs on the Santa Anita turf. Speedster **Briecat** bids to make it four wins from her last five starts. The six-year-old captured the Sept. 25 Las Madras H. at Fairplex, then ran second in the Oct. 10 Swingtime S. at Oak Tree. A neck on top at the finish of the turf GII Las Palmas H. Speedy veteran **Cost of Freedom** could prove tough to collar after back-to-back-to-back victories at Hollywood Park to end 2010. The 2008 GI Ancient Title S. hero annexed the Cal Cup S. at Oak Tree Oct. 30 by 6 1/4 lengths, the Vernon O. Underwood S. Nov. 25 by 1 3/4 lengths and the Dec. 11 Miles Tyson S. by 4 1/4 lengths, earning an imposing 115 Beyer Speed Figure. The eight-year-old hasn't run on conventional dirt since breaking his maiden for Carla Gaines by 5 1/2 lengths at Del Mar in 2006, but runs like the type who should appreciate the natural stuff. David Fawkes, conditioner of 2010 champion sprinter Big Drama (Montbrook), ships **Apriority** in to represent Florida. The four-year-old was winless over turf and synthetic out West for Gary Mandella during the year, but has found a niche on dirt. The bay broke his maiden by four lengths at Calder Nov. 19, took an allowance back there by three lengths Dec. 9 and most recently notched a one-mile allowance tally at Gulfstream by a head Jan. 6.

IEAH Stables, et. al.'s **Amen Hallelujah** makes her long-awaited return to the races with several bullet drills over the track on display. The dark bay took the GII Santa Ynez S. at Santa Anita last January before annexing the one-mile GII Davona Dale S. here by 6 1/4 lengths Feb. 26. Second in the GII Bonnie Miss S. Mar. 20, the Florida bred was off the board in the GI Kentucky Oaks before coming up a half-length short when runner-up in the GI Acorn S. at Belmont June 5. "She had an issue with a cannon bone after the Acorn," conditioner Rick Dutrow Jr. told *Daily Racing Form*. "But she's done fabulous since coming back here, she's been training like a monster, and this will be a big race for her." Red Oak Stable's **Feel That Fire** could have the most upside in this field while making just her fourth start. After dropping a first-out decision by a nose at Monmouth Nov. 6, the homebred graduated by three lengths back at the Oceanport oval Nov. 21. She appears to have progressed as a four-year-old, as she sped home to a quick track-and-trip allowance score by 1 1/4 lengths Jan. 7, good for a 92 Beyer Speed Figure. GI Princess Rooney H. victress **Jessica Is Back** has disappointed in her last two tries. The chestnut was seventh in the Nov. 5 GI Breeders' Cup Filly and Mare Sprint before being purchased by Carolyn Vogel two days later at FTKNOV for \$475,000. Still in the Marty Wolfson barn, the seven-year-old was a never-in-contention seventh in the GIII Sugar Swirl S. here Jan. 15.

 **NEW YORK** 

**NY Breeding Fund to Pay Out \$4M in Owed Awards:**

The New York Thoroughbred Breeding and Development Fund announced Thursday that approximately \$4 million in owed breeders awards--\$1 million from 2009 and \$3 million from 2010--will be distributed in late February and March respectively. The now defunct New York City OTB, which provided about one third of all revenue to the breeding fund each year (about \$4 million), owed the fund more than \$2.1 million in 2009 and began to defer payments in 2010, forcing the fund to withhold payments owed to breeders last year (30 percent for the year and an additional 20 percent from July to December). Positive revenue expectations, the recovery of a portion of owed money from NYCOTB and assistance from NYRA, however, have allowed the fund to pay back all money owed in 2010 and 52 percent of back payments from 2009. "In large part thanks to the fact that our Board Chairman, John Sabini, got NYCOTB to set aside payments due the Fund beginning in May of 2010, the bookmaker paid the Fund more than \$1.163 million in December and early January," explained Executive Director Tracy Egan. "Those payments mean the fund will have more than \$3 million available to make our program participants 'whole' for 2010." While money owed from 2009 was not able to be recovered from NYCOTB, the fund will be able to pay back 52 cents on the dollar with help from NYRA, who have agreed to forego a payment of \$383,333 owed by the fund for purse enrichment in 2010.

Egan explained, "Because NYCOTB went bankrupt and failed to pay the Fund more than \$2.1 million in 2009, the Fund was only able to pay breeders about 70 percent of their earned award amounts that year. So, the purse enrichment [from NYRA] will be pooled with other money on hand at the Fund, such that we will be able to pay about 52 cents on the dollar towards what [is owed from 2009]." The fund has not yet been able to fully determine what effect the closure of NYCOTB has had on revenue and handle, but they are hopeful that positive changes in New York will outweigh the negatives. "By the spring we'll be able to see what handle has been picked up by NYRA [from NYCOTB]," said NY Thoroughbred Breeding and Development Fund board member Jeff Cannizzo. "That handle's actually better for the industry and for breeders because we partake in a larger percentage of handle for on on-track bet versus an OTB bet. So, any business picked up by the track is potentially better for owners and breeders in the state-- that could be a growth area. There's still uncertainty surrounding what the drop-off from NYCOTB will be." While the net difference between the loss of NYCOTB handle and increased revenue from the Aqueduct racino (the fund will receive 1 percent of VLT revenues for the first two years of operation and 1.5 percent after that) slated to open this spring is yet to be determined, Cannizzo, who also serves as executive director of New York Thoroughbred Breeders Inc, is optimistic for the future of New York racing and the Breeding Fund. "With Aqueduct's VLTs up and running, it's a new found revenue stream for the breeders," he explained. "Ultimately, this is going to be a transition year where we'll balance out and hopefully be at a higher end than where we were for the past few years. In 2012 and going forward, we're going to be in a much, much better position as the VLTs become fully functional and various changes that NYRA is looking into with teletheaters and off-track sites themselves progress--that would be a game-changer for New York. So, there are things down the road that are looking very good for New York."

## NEHBPA Blocks NYRA Signal:

The New England Horsemen's Benevolent and Protective Association voted late Wednesday to block the transmission of the New York Racing Association signal to Massachusetts betting outlets, including Suffolk Downs. The move came in response to the fact that the track has failed to negotiate a purse contract for 2011. Suffolk Downs had proposed running less than the mandated 100 days this year, and to allocating just four percent of simulcasting revenue to purses, the minimum allowed by law. The NEHBPA is seeking a 100-day meet with purses of \$100,000 a day. In a statement, the organization said, "The New England HBPAs has consistently sought application to purses of a fair share of the gross revenue generated from racing. The New England HBPAs remains open to a reasonable proposal from Suffolk Downs that results in an equitable division of revenue."

Below this, there are sections for 'MONTBROCK' and 'Beyer 112' ratings. The report lists various race records, including dates, track names, and finishing positions. **7th-SAX, \$57,136, Alw, Opt. Clm. (\$40,000), NW1X, 4yo/up, f/m, 1 1/16m, 1:42 1/5, ft. LEA THE PUNISHER (f, 4, Petionville--Slewtruss, by Seattle Slew)**, second behind Makoma (Malibu Moon) on the Hollywood Cushion Oct. 11, made her turf bow at that track Nov. 6 and graduated by 1 1/4 lengths. Third in an allowance test on the weeds Dec. 11, she was a 3-1 chance making her conventional dirt debut here. The dark bay stalked the pace through the opening exchanges before making a run at the lead as they straightened for home. She put a head in front inside the eighth pole and this time held off Makoma to take it by a neck. The winner is a 1/2 to Slewville (Petionville), MSW, \$124,747. **1st-SAX, \$55,944, Msw, 4yo/up, 1m, 1:36 1/5, ft. TEMP (c, 4, Mr. Greeley--Tempest Dancer {SW, \$115,250}, by Storm Cat),** a \$1-million KEESEP yearling, didn't make it to the races until Nov. 13, when he ran second in a 6 1/2-furlong dash on the Hollywood Cushion Track. He mirrored that effort Dec. 10, and finished third when tested over this conventional dirt surface Jan. 7. Sent off as the 7-5 second choice in this five-horse affair, the liver chestnut was three wide early, but let his rivals get away from him as they raced down the backstretch. However, he got back in the bridle, rallied to reach contention turning for home and, despite getting leg weary and late with his lead change, hit the wire a neck in front of pacesetter Reality Ride (Candy Ride {Arg}). Produced by a full-sister to the ill-fated Sardula, Temp is a half-brother to Windrush (Seeking the Gold), GSW, \$219,532, who has become a successful stallion in South Africa with the likes of MG1SW Mother Russia (SAf). LISA COZZENE (f, 4, Cozzene--Crystal Delight, by Two Punch)** showed some speed before fading to finish off the board in her first two tries at Hollywood, both sprints on the Cushion Track. Stretched out on the Inglewood infield Nov. 28, the grey set the pace, but tired to finish a distant fourth, and was available at 8-1 for this dirt debut. Never too far from the front here, Lisa Cozzene came charging up the center of the track in the stretch and outfinished Lady Sweetness (Candy Ride {Arg}) for a neck decision. Roxanne O (Rock Hard Ten) trailed throughout. Sales history: \$125,000 yrl '08 KEESEP. [Click for the brisnet.com chart.](#) [Video, sponsored by Taylor Made.](#) Lifetime Record: 4-1-0-0, \$35,480.

**2:45p HRTV 5th-GP, \$51.5K, Alw, 3yo, 7f SOVEREIGN DEFAULT (Northern Afleet)** was tabbed as a "TDN Rising Star" following a sharp debut win at Belmont July 15 ([video](#)). A \$95K KEESEP yearling who RNA'd for \$110K at OBSFEB, the Klaravich/Lawrence colorbearer defeated GISP Stay Thirsty (Bernardini) that day. He hasn't faced the starter since, but trainer Rick Violette Jr. hits at 20% with his long-layoff runners. Also in the field is Darley's **Crossbow (Bernardini)**, who earned a trip to the Sunshine State after graduating in his second start at Aqueduct Jan. 2. [brisnet.com PPs](#)

**3:30p HRTV 2nd-SA, \$54K, Msw, 3yo, 6f RUNFLATOUT (Flatter)** was picked up for \$165K by West Point Thoroughbreds at BESMAR last year. The dark bay made the entry box for trainer Carla Gaines over the summer, but didn't actually face the starter, and makes his debut here for trainer John Sadler. Bob Baffert, who is currently 33% with his first-time starters, has debutant **Midnight Interlude (War Chant)**--a son of G1SP Midnight Kiss (NZ) (Groom Dancer)--for Arnold Zetcher, as well as Peachtree's **Tokubetsu (Congaree)**. The latter, a half to recent GSW Calibrochoa (Southern Image), was a game second in his career opener at Hollywood Dec. 5. Also in the field is Padua's **Le Mans (War Front)**, a \$275K purchase at OBSMAR trained by Steve Asmussen; and **Unbridled Kimanchi (Unbridled's Song)**, the first foal from Canadian champion Kimchi (Langfuhr). John Shirreffs will saddle the latter for Terra di Sienna Stables. [brisnet.com PPs](#)
