SPLASH POINT WINS UAE 2000 GUINEAS

Splash Point (Street Cry {Ire}) forged to the lead in the final 200 meters to best Zanzamar (SAf) (Fort Wood) by one length in Thursday's G3 UAE 2000 Guineas at Meydan. Settled near the back of the pack in the early going, the bay narrowed the gap on the front rank 400 meters out. The grandson of

Splash Point A Watkins

Very Subtle was confidently in charge late. "That is a great feeling and I am delighted," said winning trainer Mahmoud Al Zarooni, who was winning his first UAE 2000 Guineas. "I am so grateful to His Highness Sheikh Mohammed and everybody for this opportunity. Splash Point ran well first time and we were hoping for a big run. [Jockey] Mickael [Barzalona] did everything right." Splash Point was runner-up in a pair of maiden tests last term, including over Kempton's all-weather Sept. 3. In his final English start, the WinStar-bred finally got the job done over 1400 meters over the Kempton oval. Targeted for this meeting, Splash Point wilted in the final stages of his most recent start at the conditions level here Jan. 20 and was well-regarded to improve off that effort in his group debut. 10 ENTERED FOR DAVIS

A contentious field of 10 sophomores was entered yesterday for Saturday's GIII Sam F. Davis S. at Tampa Bay Downs. WinStar Farm's Brethren (Distorted Humor) drew post 10 as he kicks off his sophomore campaign in the same race his half-brother Super Saver (Maria's Mon) used en route to his GI Kentucky Derby win a year ago. The bay colt debuted a winner at Belmont last October and has been off since adding a Churchill allowance Nov. 27. Magdalena Racing's Washington's Rules (Roman Ruler) breaks from post three. The gray gelding was second in his unveiling at Saratoga last August and returned to graduate in an off-the-turfer at Gulfstream Jan. 22. He prepped for the Davis with a five-furlong bullet drill at Gulfstream Saturday in :59.72. Monzon (Thunder Gulch) is seeking his second straight stakes triumph after winning Aqueduct's Count Fleet S. on New Year's day. He breaks from post eight.

Willcox Inn, a rallying third along the hedges at 23-1 behind the impressive Pluck (More Than Ready) in the GII Breeders' Cup Juvenile Turf at Churchill Downs last out Nov. 6 ([video](#)), has begun gearing up for his sophomore season with a pair of three-furlong breezes at Fair Grounds. A stylish debut winner going two turns over Arlington's Polytrack Sept. 18 ([video](#)), the dark bay punched his ticket to Louisville with a respectable third-place finish in the GI Dixiana Breeders' Futurity at Keeneland Oct. 9 ([video](#)). Trainer and co-owner Mike Stidham is taking a wait-and-see approach before mapping out a campaign for the All In Stable colorbearer.

"He's had a couple of easy works--his first works back off his little lay-up," Stidham offered. "So far, he's doing well. These are the first works that he's ever had on dirt. As far as knowing really where we're going with him, as far as surface, we don't know yet. That'll be determined when we get up a little further, put him in some company, ask him for some serious finish on the dirt and try to determine which surface is his best."

Bred in Kentucky by Dr. John A. Chandler, Willcox Inn hails from a very deep, grassy female family. His dam De Aar (Gone West) made all 19 of her career starts on the infield, including placings in the GIII Gallorette H. and GIII Pebbles H. The 14-year-old mare is a half-sister to lawn mowers Cetewayo (His Majesty) and Dynaforce (Dynaformer), both multiple winners at the highest level.

“... **Rock of Gibraltar** (Danehill) was a tip-top racehorse, winning seven Group 1 races in a row... he's been a **really useful sire**. He has a 2.16 A Runner Index and very consistent age figures, and--interesting point here--seems to work very well with Sadler's Wells mares. There aren't as many \$25,000-ish really useful sires in Europe as you'd think, but he really qualifies, the sort of horse you like to kick a mare off with, because **he's very consistent**.”

Whoa, Nelly: Whipping Won't Speed Up Horses?
 Rebecca Kessler, MSNBC.com

"If I had a gun to my head right now, I'd probably say that turf and synthetic is going to be his best," Stidham commented. "You never say never in this business though, so we'll wait on the dirt decision."

Willcox Inn has developed nicely during his time on the shelf and will likely be ready to return to the races by early/mid-March, with one possibility being the \$60,000 Grindstone S. over the Fair Grounds grass Mar. 5, Stidham reports.

"He's always been kind of a smallish horse, but he's filled out quite a bit," he said. "He's got a lot of Gone West in him. I'm very pleased with the way that he's developed as far as putting on weight and muscle in the right places. We have high hopes for him."

He continued, "We know he handles the synthetic and grass; now we have to find out about the dirt. If the dirt theory follows through and we think we can run him on it, we'll pick out a different spot."

Along with Stidham and assistant trainer Hilary Pridham, the All In Stable partnership group includes former Stonerside Stable racing manager John Adger, Kentucky bloodstock agent Marette Farrell, Jack Hodge's Oakcrest Farm, and Marty Nixon and Al and Ron Lepinsky's Three Kings Stable. Willcox Inn was selected by Pridham and Farrell as a Fasig-Tipton Kentucky July yearling for \$50,000. -SS

TEAM VALOR, DENALI ANNOUNCE ALLIANCE

Barry Irwin's Team Valor and Craig and Holly Bandoroff's Denali Stud have announced the formation of a strategic alliance that will make Denali the exclusive boarding and sales agent for the international racing stable. "Team Valor is trying to consolidate its business and deal with those horsemen with whom we have enjoyed the most success," Irwin said. "Last year, on the racing scene, we decided to put all of our horses in training with Graham Motion at Fair Hill training center. Now this year, we have decided to place all of our breeding stock and young horses at Denali. Craig and Holly Bandoroff have been family friends and business associates for several years and we have enjoyed a lot of success and fun together. As Team Valor has evolved, we are now doing a little more breeding and racing of homebreds and we have the utmost faith in the entire Denali operation and its staff." Craig Bandoroff added, "We have a high opinion of what Barry has been able to accomplish with his racing partnerships because we not only have seen it first hand, we also have participated. Every year, he comes up with the kind of horses that we want to be able to sell at public auction and be able to retain a few to breed on our farm. We are happy to be involved and get some of our clients involved. It has been good business for us and we have been members in partnerships that have owned and bred some outstanding runners."

SWEETEST SONG (m, 5, [Unbridled's Song](#)--Real Cat, by Storm Cat), winless since taking an allowance on the Gulfstream grass last March, got back on track at 15-1 here. The grey did hit the board in three of her final five starts in 2010, capping the campaign with a second-place finish in an optional claimer at Tampa Dec. 15. She was dropping down after trailing the field home in the Jan. 9 Gill Marshua's River S. at this track. Taken in hand at the start, Sweetest Song was guided to the fence while last in the early going. The longshot didn't enter the picture til they hit the far turn, and was still at the back of the pack as she saved ground on the bend, but she eased out for the final drive and hit the gas, gobbling up ground late to get up in the final stride. She bested 19-1 Dreamed to Dream (Deputy Wild Cat) by a nose. Sales history: \$300,000 yrl '07 KEESEP. [Click for the brisnet.com chart. Video, sponsored by Taylor Made](#). SUPERIOR SELECTION (f, 4, [Giant's Causeway](#)--Society Selection {MGISW, \$1,984,200}, by Coronado's Quest) began her career in the Allen Jerkens shedrow. She aired by five lengths when stretched to a mile by new conditioner Rick Dutrow Jr. last February at Gulfstream, but faltered to fourth behind subsequent graded winner Touching Beauty (Tapit) in a Mar. 14 allowance, and went to the sidelines. Now back with the Hall of Famer, the chestnut went postward as the 5-2 second choice, and assumed command at the outset while shadowed by 3-5 Crown Me Wicked (Wild and Wicked). The favorite got her head in front turning for home, but Superior Selection dug in admirably on the rail and forged clear late to score by 1 1/2 lengths. Dismissed at 7-1 here, Dahlgren Chapel broke alertly from the rail, but soon conceded the lead and the inside advantage. HAMMERSMITH (Johannesburg), Michael Tabor's homebred son of GSW Bella Bellucci (French Deputy), came up a head short to Heron Lake (Bernardini) in a seven-furlong test over this strip Jan. 15 ([video](#)); the third-place finisher that day, Arch Traveler (Sky Mesa), came back to win last weekend. Also in the field is **Stormberg (Storm Cat)**, a son of champion and stellar broodmare Serena's Song (Rahy) who showed vast improvement when stretched out at Calder Jan. 2. Trained by Seth Benzel for William Sims, the \$450K KEESEP yearling earned an 89 Beyer Speed Figure for that effort. [brisnet.com PPs](#)

RUMOR (Indian Charlie) got started with an impressive 6 3/4-length romp on New Year's Eve ([video](#)) that saw her tabbed as a **TDN Rising Star**. The \$440K KEESEP yearling, a 1/2 to GISW Dixie Chatter (Dixie Union), has recorded three sharp drills since that appearance, but hasn't had a first-level heat for fillies come up, and trainer Richard Mandella opts to take on colts here. Trainer Bob Baffert saddles **Da Ruler (Roman Ruler)**, who earned a 92 Beyer Speed Figure for his hard-fought win over track and trip Jan. 16. **Bench Points (Benchmark)** is perfect in three Cal-bred outings, including a pair of stakes wins, but hasn't faced the starter since taking the I'm Smokin S. at Del Mar Sept. 6. Kentucky Mount Fees Increased:

The Kentucky Horse Racing Commission approved a one-year agreement between the Jockeys' Guild, the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Association that will raise the base mount fees for jockeys at all Kentucky tracks. After the increase, mount fees will range from \$50 to \$110. Under the old schedule, fees were between \$45 and \$105. "Industry concerns in Kentucky led us to a compromise short of what we had hoped," said Jeff Johnston, regional manager of the Jockeys' Guild, "but the new scale offers a slight increase and fulfills some of the other requests by the jockeys. We appreciate the cooperation of the KHBPA and the Commission and look forward to working with them in the future."

Bright Launch Pensioned:

Bright Launch (Relaunch--Burnished Bright, by Well Decorated) has been pensioned at Hurstland Farm near Midway, Kentucky. The 18-year-old stallion had stood at Hurstland since his retirement from racing in 1996. Raced by James Spence, Bright Launch won the 1995 GII Saratoga Special. He is the sire of graded stakes winners Spotsgone and Dream Launcher, as well as stakes winners Yaeger, Turn to Lass, Launch a Double and Rare Crystal. From 12 crops of racing age, he sired 126 winners and the earners of over \$7 million.

He had been off since running fifth in a 1 1/16-mile turf allowance at Hollywood Nov. 27. Times Gone By (Giant's Causeway) surged to the lead at midstretch, but Lieve slipped between that rival and the late-closing Bogie (Ire) (Pivotal {GB}) to get the best of a blanket finish. Switched to the turf at Santa Anita Jan. 14, she once again filled out the superfecta, but the filly put it together in her second outing of the new year. A stalking second through a half in :46.17 and three-quarters in 1:10.72, Cry Hallelujah grabbed the advantage after they straightened for home and edged clear down the lane to win by 1 1/4 lengths at 5-1 odds. Jockeys Injured in Thursday Spill:

Jockeys Abel Cedillo and Victor Espinoza were injured in a spill during Thursday's first race at Santa Anita. The incident started when Cedillo's mount **Saint's Crown** (Tiznow) clipped heels and unseated the apprentice rider. Espinoza fell when his mount, **Lucy Got Lucky** (Stephen Got Even), was unable to avoid Saint's Crown. Espinoza suffered a significant abrasion on his forehead and took off his remaining mounts on the card, but was not hospitalized. Cedillo, who remained conscious, was taken immediately to Arcadia Methodist Hospital for examination. As a result of the collision, Lucy Got Lucky sustained what steward Tom Ward characterized as an "open fracture" and was euthanized. Saint's Crown was transported back to the barn area, where she was "walking sound," according to Ward. Saint's Crown was claimed out of the race for \$8,000 by trainer Eric Kruljak.

NEW DATE FOR GOFFS READY-TO-RUN

A total of 88 juveniles will be offered at Goffs Ready-To-Run Sale, which will be conducted at Kempton Mar. 29. Scheduled later than last year, the sale has already produced stakes winner and group placed New Planet (Ire) (Majestic Missile {Ire}) and Puddle Duck (GB) (Pastoral Pursuits {GB}), both juvenile winners at York's Ebor Meeting. "We are delighted to see our decision to hold the sale later this year vindicated as our vendors have supplied us with some truly top class two year olds to sell at Europe's premier Breeze Up venue," commented Goffs Chief Executive Henry Beeby. "Polytrack is the fairest and most consistent surface to view the two year olds in their paces, while Kempton's proximity to London and Heathrow makes it very convenient for international and London based clients who will find the Goffs Breeze Up at Kempton a unique event combining business with pleasures." The catalogue is now available online at www.goffs.com.

DELZANGLES TO TAKE OVER FROM GIBSON

Trainer Mikel Delzangles will take over the Lamorlaye yard of Richard Gibson, who is set to join the training ranks in Hong Kong. Delzangles will maintain his existing yard, from which he sent out last term's G1 2000 Guineas and G1 Prix Jacques Le Marois hero Makfi (GB) (Dubawi {Ire}). "Richard and I have come to a good arrangement," Delzangles told *Racing Post*. "It will be interesting to work for some new owners and Richard's are of the highest quality." Gibson added, "The vast majority of my owners have agreed that it is business as usual for the moment. Once the papers are complete, Mikel will take over the yard and train the string."

Skysurfers recorded a victory over this track and trip last February before having to settle for fifth in the G3 Al Maktoum Challenge Round 3. Runner up in the G2 Godolphin Mile on Dubai World Cup day, the bay hit the board in his next three against listed company, including a second-place finish in Sandown's Fortune S. in September. In his final start of the season, Skysurfers was 10th in the Listed Guisborough S. at Redcar Oct. 2. Settled in midpack early, the five-year-old--under Frankie Dettori--was always traveling strongly, took over midstretch and coasted to a comfortable victory. ORATORIO COLT HEADS DAY 2 AT MM PERTH

Perth horseman David Harrison secured the top lot at the second session of the Magic Millions Perth Yearling Sale at Belmont Thursday. Harrison went to A\$180,000 to land the colt from the draft of Toreby Park, who acted as agent for clients of Mungrup Stud. "He's a nice, big and strong Oratorio colt," Harrison said. "He's a lot like [stable star] Waratah's Secret (Aus)." By the Mungrup Stud-based sire Oratorio (Aus) (Stravinsky), the colt was catalogued as [lot 138](#). "He was my pick of the sale and I'm delighted to have been able to buy him." He is a half brother to the Placid Ark S. winner Metallic Storm--winner of 10 races and almost A\$350,000. When the final lot of Thursday's session had passed through the ring the sale gross reached A\$7,942,000 for 178 yearlings sold. The average price of A\$44,618 increased from the A\$41,547 at the same stage last year. Nine yearlings sold for prices of A\$100,000 or more for the day--bringing the total to 15 for the opening two sessions of the sale. Magic Millions Acting Managing Director David Chester said the quality individuals of the session attracted plenty of interest. "There was some strong competition on a number of lots and that is nice to see, hopefully there is more of that to come," Chester said. "Obviously it would be nice to see the clearance rate higher. Hopefully, that can climb during tomorrow's third session." The third session of the auction will commence at 3 p.m. (WA time) Friday. The fourth and final 'Westspeed Extra' session begins at 11 a.m. Sunday. "Westspeed Extra will provide the owner of a Westspeed eligible horse the opportunity to race for prizemoney, including Westspeed bonus, of A\$51,750 in each open two-year-old and three-year-old event throughout that horse's career," explained RWWA Chief Executive Richard Burt.
