

EASTER SALE GETS OFF THE MARK

The three-day Inglis Australian Easter Yearling Sale kicks off today, with a catalogue of 529 yearlings entered. A number of top trainers and owners are on the grounds to inspect the youngsters, lending a sense of optimism to the atmosphere at the Sydney complex. Inglis Managing Director Mark Webster was upbeat

before the sale. "There's a good vibe about the complex, and plenty of interest from local and international buyers ahead of the sale," Webster commented. "There are a few new faces as well, which is encouraging to see." Last year, the sale began solidly with a A\$1,875,000 Redoute's Choice (Aus) colt, and many are looking to Arrowfield's champion sire to again lead the way, with 44 entered. Arrowfield Managing Director John Messara was "guardedly optimistic" yesterday, saying, "Inspections are at peak levels, historically, and I am hoping at the end of the day that investment comes through."

There are the offspring of no less than nine champion mares on offer, including a filly by G1 Golden Slipper winner Merlene (Aus) (Danehill). Consigned by Coolmore Stud as [lot 347](#), the bay is a half to South African MGSW Merlene de

Lago (Aus) (Encosta de Lago {Aus}). Encosta de Lago once again tops the entries, with 50 catalogued. "The 2011 Easter Yearling Sale represents the cream of the Thoroughbred yearling crop from Australian and New Zealand's leading breeders," Inglis Director Jonathan D'Arcy said. "If you are serious about buying a stakes-winning Thoroughbred, you can't afford to miss this year's Easter Sale. The depth of pedigrees on offer is unsurpassed at any other Southern Hemisphere Sale, and this is backed up by the strictest conformation selection criteria that all entrants to the sale must pass." Overall, the sale averaged A\$220,875 for 364 sold in 2010, down 8.45% on the previous year. Bidding begins at 11 a.m. daily.

Dialed In to Train for Derby at Palm Meadows

Trainer Nick Zito confirmed yesterday that Sunday's GI Florida Derby winner **Dialed In** (Mineshaft) will

remain at Palm Meadows as he prepares for the May 7 GI Kentucky Derby. "I think I'm going to stick around here," Zito said from Boynton Beach yesterday. "I'm not going to ship him to Kentucky right away. We'll stick around here for a few weeks, maybe more." Zito admitted he was very emotional Sunday and he continued yesterday to bask in the glow of his charge's dramatic last-to-first victory.

"This particular horse, I've become attached to," Zito said of Dialed In. "I've had a lot of great horses, but with this particular horse, there's something about him, the horse's courage, the way he is. More importantly, you're not supposed to do what he's done in his young career. It's almost impossible to do the things he's done." Of his Florida Derby win, Zito added, "He defies a speed favoring track--he defies it. We know he did something special. We just hope he stays healthy. It looks like he came back fine."

Trainer Kiaran McLaughlin was leaning towards sending **Soldat** (War Front) on to the Kentucky Derby, despite the colt's fifth-place effort in the Florida Derby.

Soldat A Coglianese

"My gut tells me, 'Yeah, go on to the Kentucky Derby; you've got the earnings and that's the first race he wasn't first or second.' But I'll have to talk to all the owners." Sunday's race was the first off-the-board finish in eight career starts for Soldat. "He broke well, but second, third, fourth jump they kind of cleared him," McLaughlin said. "So he took a lot of dirt. He obviously didn't relish it. He didn't throw up his head and stop either, but he didn't like it. He didn't run terrible--fifth--but we'll talk whether we go on or not."

Florida Derby Weekend a Record Setter

Gulfstream Park's weekend card, which featured the GI Gulfstream Oaks on Saturday and the GI Florida Derby on Sunday, combined for a total weekend handle of \$33.6 million. That is the highest weekend handle since Gulfstream's renovation in 2006. Sunday's attendance, 14,521, was also the highest since 2006. Sunday's total Derby handle was \$19.7 million, compared to last year's Saturday Derby handle of \$21.1 million. Last year's Sunday handle was \$5 million, compared with this year's Oaks handle on Saturday of \$13.9 million. "We're very pleased Derby weekend proved to be such a huge success," said Gulfstream President and GM Steve Calabro.

"We were a little apprehensive moving the Derby to Sunday, but the response was overwhelming to our weekend of activities, including the inaugural Florida Derby Golf Tournament, Ladies Day, and, of course, the Florida Derby. We're also extremely grateful to all our horsemen and patrons for the money we raised throughout the weekend for so many wonderful causes."

2011 AUSTRALIAN EASTER YEARLING SALE - SESSION 1
Lot 6, f, Fastnet Rock (Aus)--Rash Promise (Aus), by More Than Ready

Consigned by Widden Stud, agent for Fig Tree Thoroughbreds, Qld

Fastnet Rock, whose third crop is 2-year-olds and include G1 Golden Slipper runner-up Mosheen (Aus), is incredibly hot at present, as evidenced by his sparkling results at the Inglis Premier Sale in Melbourne where 17 sold for A\$172,647. This filly has all the right credentials as a half-sister to MSW Demerger (Aus) (Saithor), who herself sold as a A\$725,000 broodmare prospect in this ring in 2007 after earning almost A\$1 million with eight wins, including the Group 1 Adelaide Cup. She is also a half-sister to Group 2-placed Trader (Aus) (Dehere), a A\$600,000 Easter yearling, and is the first foal from a stakes-placed mare who now has a Northern Meteor (Aus) filly and was last spring covered by Street Cry (Ire). Her third dam is Rosecay (Aus) (Marscay), a sister to champion mare and producer Triscay (Aus) (Marscay). Fastnet Rock has 37 stakes performers to date from 228 starters and 141 winners.

Lot 7, c, Redoute's Choice (Aus)--Secret Land (NZ), by Secret Savings

Consigned by Willow Park Stud, NSW

Champion sire Redoute's Choice (Aus) has 46 yearlings entered and this colt is among three to be offered by Willow Park. He is the second foal from stakes-placed Secret Land (NZ), whose sire proved an ideal cross for Danehill-line mares. The Upper Hunter boutique nursery has enjoyed considerable sale ring success with the progeny of Redoute's Choice, with luminaries including MSW Samantha Miss (Aus), a A\$1.5-million filly who went on to fetch A\$3.85 million as a broodmare. Willow Park will offer her elegant full sister as Hip 350 on Wednesday. Willow Park won "best prepared draft" award last Easter, with 12 from 13 sold at an average of A\$375,417. Later on Tuesday, Willow Park will offer Hip 120, a Redoute's Choice (Aus)--Winning Belle (NZ) (Zabeel {NZ}) colt who is a full-brother to the promising Light Brigade (Aus).

Lot 70, c, Danehill Dancer (Ire)--Subterfuge (GB), by Machiavellian

Consigned by Coolmore Stud, agent

A 3/4-brother to triple Group 1 winner Scintillation (Aus) (Danehill) and MSW Shania Dane (Aus) (Danehill)--both Easter graduates--as well as a further three stakes winners, this colt from blue hen mare Subterfuge (GB) was always going to be a show-stopper. High prices are routinely associated with Subterfuge--a Redoute's Choice colt out of her daughter Sequin (Lure {GB})--fetched A\$1.1 million at Easter '08 when sold to the Ingham family, while trainer John Hawkes paid A\$740,000 for an Encosta de Lago (Aus) colt out of Shania Dane (Aus). Grand producer Subterfuge, one of several outstanding mares owned by Gold Coast-based John Hutchins, has a Fastnet Rock (Aus) filly at foot, and was not covered last spring. Last Easter, her Encosta de Lago (Aus) filly was knocked down to Adrian Nicolls of BBA Ireland for \$625,000; named Stella Grace (Aus) she is in training with David Hayes.

CORRECTION: The sales information for **Dialed In** (Mineshaft), winner of the GI Florida Derby, was incorrectly listed in yesterday's *TDN*. Dialed In was sold by Lane's End, Agent, at the 2009 Fasig-Tipton Saratoga Yearling Sale.

Is there a more powerful cross in today's American bloodstock industry than the A.P. Indy/Mr. Prospector nick? Not if the GI Florida Derby is anything to go by. For the second successive year, a stallion representing this potent coalition was responsible for the narrow winner, with Mineshaft's son Dialed In following in the footsteps of Pulpit's son Ice Box. Ice Box, of course, went on to chase home Super Saver in the Kentucky Derby.

The two colts have something else in common, apart from being owned by Bob LaPenta and trained by Nick Zito, as both are out of Storm Cat-line mares.

To remind you of some facts and figures, to the end of last year A.P. Indy had 119 foals of racing age out of Mr. Prospector mares. A remarkable total of 21 of these 119 have become stakes winners--that's nearly 18 percent--with 15, or nearly 13 percent, winning at group or graded level. In view of the reliability of this nick, it comes as no surprise that several representatives of the cross have excelled at stud.

COOLMORE

Graded winners out of mares bred on the A.P. Indy/Mr. Prospector cross already stand in double figures. Two of their three Grade I winners, Super Saver and Bluegrass Cat, both made an impact in the Kentucky Derby. Super Saver's Grade III-winning half-brother Brethren featured in the Kentucky Derby Future Wager--Pool 3.

It has been the male representatives, though, who have made the A.P. Indy/Mr. Prospector cross an integral part of modern-day breeding. By my reckoning, they have produced around 60 Northern Hemisphere graded/group winners, with Dialed In taking the total of Grade I winners to 19. Pulpit has been the greatest contributor, with the potentially very important Tapit among his nine Grade I winners. He is being hotly pursued by Malibu Moon, with six Grade I winners; and the other representatives of his cross to have sired a Grade I winner are Mineshaft and the up-and-coming Congrats, with two apiece.

It may also pay to keep an eye on Congrats' brother Flatter, who retired to Claiborne despite never having won a stakes race. Flatter has yet to come up with a Grade I winner, but he has five graded winners in his first three crops, so it wasn't too surprising that one of his two-year-old sons should sell for \$925,000 at Ocala, or that he should come up with a ☆ **"TDN Rising Star"** ☆ in Runflatout. Sheikh Mohammed must now be looking forward to one day standing Girolamo, who became the nick's latest Grade I winner when he won the 2010 Vosburgh S. to confirm himself as one of A.P. Indy's fastest sons.

Mineshaft has had the misfortune to be sidelined temporarily, following surgery for colic, at a time when he is enjoying renewed popularity. Having covered 69 mares in 2008 and 64 a year later, a reduction in Mineshaft's fee to \$20,000 brought him 138 mares in 2010, and he was soon advertised as full at a fee of \$25,000 this year. Once again it is going to be interesting to see how Mineshaft's 2011 and 2012 crops compare to their predecessors, as Mineshaft's progeny aged three or over--including his Grade I winners Dialed In and Discreetly Mine--were all sired at fees of \$100,000. His 2011 juveniles are off a fee of \$75,000. I suspect that Mineshaft will maintain his revival, as Congrats, Malibu Moon and Flatter have all shown that these A.P. Indy/Mr. Prospector stallions can do the business while still inexpensively priced.

A.P. Indy was initially considered a natural choice for Storm Cat mares, partly because this combination of champion sires produces 3x4 inbreeding to the great Secretariat. However, none of the first 73 foals bred this way has managed to win a Grade I race, and only two have so far become graded winners. Perhaps it would have been a slightly different story had Jump Start not been injured after becoming a Grade II winner at two. Jump Start is represented in the Kentucky Derby Pool by the intricately bred Pants On Fire, whose pedigree features 4x4 to Mr. Prospector among its various duplications.

His pedigree, therefore, contains three of the elements--A.P. Indy, Storm Cat and Mr. Prospector--that you will find in Dialed In's pedigree.

Although A.P. Indy's record with Storm Cat's daughters is unexceptional, Pulpit has done well with them, with the graded winners Sky Mesa, Mini Sermon and Parading among his five stakes winners from their first 42 foals. Now Mineshaft has enjoyed Grade I success with Dialed In, one of his first 18 foals out of Storm Cat mares. It is encouraging that these A.P. Indy/Mr. Prospector stallions are shaping up well with granddaughters of Storm Cat. Congrats owes his Grade I winners Turbulent Descent and Wickedly Perfect to daughters of Forestry and Tactical Cat, while Pulpit sired Mi Sueno from a Hennessy mare and Icebox from a daughter of Tabasco Cat.

Mineshaft has a second son in the Kentucky Derby Pool in Nehro, a close second to Pants On Fire in the Louisiana Derby. This colt is inbred 3x3 to Mr. Prospector, as is Mineshaft's good son Fly Down. Then there are his graded-winning sons Cool Coal Man and Coal Play, both inbred 3x4 to Mr. Prospector. **Cont. p7**

Sarah K. Andrew photo

As Dialed In was conceived at a fee of \$100,000, it is fair to expect some classy bloodlines in the bottom half of his pedigree. Sure enough, his second dam is Eliza, the champion juvenile filly of 1992, who went on to win the GI Santa Anita Oaks and finish second in the Kentucky Oaks. Eliza was sold for \$1,700,000 at Keeneland's 1999 November Sale, and Dialed In's dam, the Grade II-placed Miss Doolittle, was RNA'd at \$1,150,000 in 2001. Miss Doolittle sold for \$85,000 in 2010, while in foal to Curlin.

Dialed In is Miss Doolittle's second stakes winner and best effort. Eliza's best effort is her Danehill Dancer colt Samuel Morse, foaled when she was 18. A listed winner over five furlongs last year, he went within a short head of becoming a Group 2 winner in the Railway S.

Dialed In's performance in the Florida Derby suggests stamina is not going to be an issue with him, even though his first two dams are precocious daughters of Storm Cat and Mt. Livermore.

After being unraced at two, Mt. Livermore was kept extremely busy over the next two years, with D. Wayne Lukas sending him to post no fewer than 30 times. He blossomed to such an extent at four that he won nine of his 16 starts. Four of those wins came in stakes events--the Carter H. over seven furlongs and Jaipur S., Boojum S. and Fall Highweight H. over six.

He became only the second horse since 1945 to carry 140 pounds to victory in the Fall Highweight. Although Mt. Livermore finished only third when favorite for the 1985 Breeders' Cup Sprint, his overall record earned him second place on the *Daily Racing Form* Free Handicap for sprinters, just one pound below Precisionist.

His best sons, Housebuster and Orientate, were also sprinters but he did sire a Grade I winner--Mt. Sassafras--over a mile and a quarter.

Dialed In's third dam Daring Bidder was bought by Allen Paulson for \$125,000 as a yearling in 1983. Daring Bidder gave Paulson little cause to regret her purchase, even though she never made it to the races, as two of her foals won at the highest level.

Eliza's predecessor was Dinard, the Strawberry Road gelding who became a leading hope for the 1991 Kentucky Derby after his victory in the Santa Anita Derby. Unfortunately, a torn suspensory ligament robbed him of his chance of Classic glory.

Let's hope no such misfortunes await Dialed In as he attempts to emulate such classy recent Florida Derby heroes as Monarchos, Empire Maker, Barbaro, Big Brown and Quality Road.

+ [SILVERHEELS \(IRE\)](#) (c, 2, [Verglas {Ire}](#)--[Vasilia {GB}](#), by [Dansili {GB}](#)), a 30,000gns TATOCT yearling, was green out of the gates and veered sharply left, but after the whip was drawn to straighten him, he showed ability to tack on to the leading quartet. Still receiving smacks with a quarter mile remaining, the 6-1 shot got the message and duly swept by Lord of the Shadows (Ire) (Kyllachy {GB}) with 150 yards remaining before pulling away for an impressive 3 1/4-length score. "I thought we had a bit of a chance, but I wasn't expecting him to do something like that," trainer Paul Cole said of the grey, who just missed the juvenile track record in the maiden won by the subsequent Group winners and sires Zebedee (GB) (Invincible Spirit {Ire}) and Red Clubs (Ire) (Red Ransom). "He's always been really straightforward and gets on with life and he was bought for people who wanted a bit of fun." Lifetime Record: 1-1-0-0, £3,238. [Video, courtesy attheraces.com](#).

MODERN HISTORY (IRE) (c, 3, Shamardal--Fatefully {MSW-Eng}, by Private Account), fourth on debut behind stable companion Inoubliable (Ire) (Singspiel {Ire}) over a mile at Saint-Cloud at the end of October, took up the early pace-setting duties and cut out moderate fractions. Running out of real estate late on, the 8-1 shot held on to defeat the fast-closing Glaswegian (GB) (Selkirk) by 3/4 of a length. His Highness The Aga Khan's even-money favorite Ziyarid (Ire) (Desert Style {Ire}) raced freely early before fading out of contention in the final quarter to be a disappointing fourth. The winner is a half to Opportunist (Ire) (Machiavellian), SP, \$331,760; and Favourable Terms (GB) (Selkirk), GISW-Eng & GSW-Ire, \$582,918. Lifetime Record: 2 starts, 1 win, 1 place, €19,400. GLORIOUS SIGHT (IRE) (f, 3, Singspiel {Ire}--Zelding {Ire} {GSW-Fr, \$122,949}, by Warning {GB}), who had opened her account at Le Croise-Laroche last time Mar. 23, was soon at the head of affairs employing pacemaking duties for stable companion and favorite Immortal Verse (Ire) (Pivotal {GB}). Keeping up the gallop in the stretch, the 22-1 shot dug in to deny Camelia Rose (Fr) (Oratorio {Ire}) by a nose and cause the upset, with her barnmate only fourth. **TDN Rising Star** Exemplify (GB) (Dansili {GB}) proved a major disappointment, racing keenly early before folding tamely in the straight to be a distant sixth of seven. The winner is a half to Beauty is Truth (Ire) (Pivotal {GB}), MGSW-Fr, \$226,147. Lifetime Record: 4 starts, 2 wins, 2 places, €33,200. O-R C Strauss; B-Kilfrush Stud Farm; T-Robert Collet.

+ **ANDROMEDA GALAXY (FR) (f, 3, Peintre Celebre--Arlesienne {Ire}, by Alzao)** was well-supported 6-4 choice for this race won in recent years by Flying Cloud (Ire) (Storming Home {GB}) and Aquarelliste (Fr) (Danehill). Settled with only two behind early, the homebred made her move wide in the straight, rolled to the fore with 1 1/2 furlongs remaining and was pushed out with hands and heels to record a comfortable length success from the strong-closing Dalarua (Ire) (King's Best). Rotti (GB) (Dalakhani {Ire}), the half-sister to Reggane (GB) (Red Ransom), was prominent early but one-paced late and finished eighth. The winner is a half to Aizavoski (Ire) (Monsun {Ger}), MGSW-Fr, \$167,400. Lifetime Record: 1 start, 1 win, €12,000. O-Ecurie Wildenstein; B-Dayton Investments Ltd; T-Elie Lellouche.

Working his way to the front with a furlong remaining, the €150,000 ARQAUG yearling asserted late to best the game Fort Belvedere (GB) (King's Best) by a half length. Having set the early tempo, the 9-10 pick Sandagiyr (Fr) (Dr Fong), who is a half-brother to Sarafina (Fr) (Refuse To Bend {Ire}), could only find one pace when challenged and finished fourth. Making smooth headway in the straight, the 1-10 chalk was pushed along to challenge at the eighth pole and kept on strongly under minimal urging in the latter stages to comfortably best Gasquet (Ity) (Denon) by 3/4-of-a-length.
