WHAT'S THE STORY? MORNLY GLORY

Dabirsim (Fr) (Hat Trick {Jpn}), unbeaten going into yesterday's €350,000 G1 Darley Prix Mornly at Deauville, emerged with his perfect tally intact, joining the upper echelon of juveniles with a spectacular success in his first try at the highest level. Moving smoothly throughout the six-furlong contest, the 7-5 favorite swept by the pacesetter **Family One (GB)** (Dubai Destination) approaching the final furlong and powered clear to easily dismiss that rival by three lengths. "This is an emotional victory, and I am so thrilled," said trainer Christophe Ferland, who was registering a first Group 1 win. "It's a team success with my crew at home, and it's just fantastic." **Cont. p2**

BIENVENUE A DEAUVILLE

Arqana launches its flagship four-day August Yearling Sale at Deauville today, with a 478-strong catalogue of sufficient quality to fit the positive buzz created by the unveiling of the new sales pavilion. Split in half this year, the sale now fills a slot 10 days later than in previous years to gap between York's prestigious Ebor meeting and the upcoming DBS Premier Yearling Sale. Newly titled the "Select Session 1," today and tomorrow's sessions feature a high percentage of yearlings eligible for the French owners' premiums. 'Select Session 2' takes place Wednesday and Thursday. "We are very confident of the quality of the catalogue," said Eric Hoyeau, executive president of Arqana. "That is the first major step that we have made. Our promotional and informational campaign and the return we have on it seems to show that people will come, and that is a second major step achieved with success." **Cont. p4**

G1 Prix Morny cont. from p1

Dabirsim has made stealthy progress since blitzing the opposition by 10 lengths and more in a June 8 maiden at his local La Teste de Buch track, and confirmed initial promise with victory in a conditions heat there July 5. He then annexed the July 31 G3 Prix du Cabourg over this course and distance, and continued in similar vein with a scintillating victory in this first try at the highest level. Dabirsim raced hard on the steel under cover in sixth, and made effortless progress after halfway.

Dabirsim & Owner Simon Springer
Ed Whitaker Photo

Cruising up to Family One 300 meters out, he swept that rival aside when bursting to the fore late and powered clear for minimal urging. "It really looks like the best horse won on the day," Ferland said. "He had a perfect run, Frankie Dettori rode him beautifully and there were no hard-luck stories afterwards. It really is fantastic for everyone involved--the owners [Simon Springer, a licensed independent bookmaker since 1976], the team at home and Philippe Sogorb, who has ridden him before and who will ride him again. I think I did well to take him back to La Teste after he won the Cabourg, because he really has thrived between the two races. I'm not certain I want to take him up to seven furlongs right now, so I think we might go to England for the [G1] Middle Park S. [at New-market Oct. 8]. However, nothing has been decided yet, as I want to see how he comes out of this and what he shows us in the forthcoming weeks." If Dabirsim fulfills that Rowley Mile engagement, he may once again cross swords with runner-up Family One, who trainer Yann Barberot believes will benefit from a change of tactics. "I didn't want to get beat in a slowly run race, so we took responsibility and I told [jockey] Ioritz Mendizabal to go to the front," Barberot said. "I think six furlongs is as far as he wants to go with those tactics. Bearing that in mind, we will probably take him to the Middle Park and let others make the running."

ANNOUNCE GAME IN JEAN ROMANET WIN

Announce (GB) (Selkirk), sent off the well-supported choice, led home a 1-2 finish for Juddmonte Farms in yesterday's G1 Prix Jean Romanet at Deauville. Successful at last year's month-long meet here, Announce won the G3 Prix Minerve, but slipped to eighth when tackling the Oct. 2 G2 Prix de Royallieu in the mud at Longchamp in her sophomore season finale on Arc weekend. Opening up this semester with a win in the May 2 G2 Prix Allez France at Chantilly, she chased Sarafina (Fr) (Refuse to Bend {Ire}) home in the May 23 G2 Prix Corrida at Saint-Cloud before finding only Cirrus des Aigles (Fr) (Even Top {Ire}) too good in the June 13 G3 La Coupe back at Longchamp. Conditions were against her again, but she was allowed to take her chance in the July 20 G3 Grand Prix de Vichy, where she slipped further behind Cirrus des Aigles in fourth last time. The winner was settled fourth of the five runners here behind last term's G1 Prix de l'Opera victress Lily of the Valley (Fr) (Galileo {Ire}), who set the tone. Stoked up for her bid in early stretch, she hooked up with Timepiece, as Lily of the Valley gave way entering the final furlong, and found just enough in a nip-and-tuck battle to finally assert superiority and lead home fellow Juddmonte-bred Timepiece (GB). "We could not have hoped for a better result, and both fillies have run extremely well," said Juddmonte Racing Manager Teddy Grimthorpe. "Announce hated the very soft going at Vichy last time, but is a different proposition on better ground. She might go for the [G1] Prix de l'Opera [at Longchamp Oct. 2], but there are plenty of options abroad." Of the runner-up, he added, "Timepiece also did very well. [Sir] Henry [Cecil] has no immediate plans for her, but there are also plenty of options left for her this season."

JUKEBOX JURY TAKES PRIX KERGOLAY

Jukebox Jury bagged the 2009 G1 Preis von Europa at Cologne before running second in the G1 Canadian International at Woodbine. He returned to Germany to finish fourth in last year's G1 Deutschland Preis at Hamburg, and came back from an 11-month sabbatical to lift the Listed Fred Archer S. at Newmarket's July track June 25. The grey continued with a third in the July 29 G3 Glorious S. at Goodwood last time, and returned to former glories by wiring his rivals in yesterday's G2 Darley Prix Kergolay. Jukebox Jury was sent to the front from the outset and was afforded an easy lead throughout. Geared up while swinging wide off the home turn, he drifted left inside the final quarter mile and was driven out inside the final furlong to maintain authority. "We never say we have to lead, but we wanted a strong pace and it went exactly to plan," said Mark Johnston. "French races are usually run at a slower pace, and it suits them because they are better at sprinting in the finish than us. We were determined to make it a good pace throughout and go for home off the bend. It worked very well. I love this track, I love coming here for the sales--we have a house at [nearby] St-Gatien-des-Bois. We will probably target the [G1] Irish St Leger [at The Curragh Sept. 10] now."

Deauville preview cont.

"We had a lot of pressure on our shoulders, as we focused a lot on the completion of the work for the renovation of the sales pavilion, and we were not quite sure if it would be ready on time," Hoyeau confirmed. "But everything is fully operational and that, believe me, is the third step toward a tremendous success. We are now ready for the fourth." Yesterday's action at the local track saw the €270,000 graduate **Jukebox Jury (Fr)** (Montjeu {Ire}) win the G2 Prix Kergorlay; an hour later, the bargain €30,000 buy **Dabirsim (Fr)** (Hat Trick {Jpn}) followed up in the featured G1 Prix Morny, providing timely advertisements for both ends of the market. That pair added to an honor roll that features a clutch of high-class French runners in recent times, including **Doctor Dino (Fr)** (Muhtathir {GB}), **Lawman (Fr)** (Invincible Spirit {Ire}), **Literato (Fr)** (Kendor {Fr}), **Naaqoos (GB)** (Oasis Dream {GB}), **Silver Frost (Ire)** (Verglas {Ire}), **Le Havre (Ire)** (Noverre) and **Lily of the Valley (Fr)** (Galileo {Ire}). Over the past 12 months, Ballydoyle's brilliant juvenile filly **Maybe (Ire)** (Galileo {Ire}) further advertised the merits of the auction, and staked her claim as one of the leaders of her generation in The Curragh's G2 Debutante S. earlier this month. Other 2-year-olds who are starting to show a return on the major investments of 12 months ago are the fellow Ballydoyle trainee **Reply (Ire)** (Oasis Dream {GB}), who was the top-priced colt of 2010 at €500,000; and **Martin Chuzzlewit (Ire)** (Galileo {Ire}), who was second on that list at €420,000. Another graduate is Ballydoyle luminary **Recital (Fr)** (Montjeu {Ire}), who fetched €750,000 in 2009 and went on to win the 2010 G1 Criterium de Saint-Cloud and 2011 G2 Derrinstown Stud Derby Trial. His full-sister is in the catalogue as [hip 24](#); she hails from one of last year's leading vendors Haras de la Reboursiere et de Montaigu, which also sell a close relative in [hip 28](#). Alette Forien's establishment is likely to enjoy success again alongside the powerhouse operations of Haras d'Etream, Haras des Capucines, Ecurie des Monceaux, Haras du Mezeray and the Coulonces consignment. As expected, most of the major international sires are represented, with 15 yearlings from the final crop of Anabaa adding further interest. Among these is [hip 38](#), Haras du Quesnay's half-sister to last year's G1 Prix du Moulin hero Fuisse (Fr) (Green Tune) and 2007 G1 Criterium de Saint-Cloud winner Full of Gold (Fr) (Gold Away {Ire}), both of whom now stand at stud.

Cont.

Also in the book is the last yearling by Kingmambo, consigned by Haras des Capucines as [hip 127](#). Out of the 1997 GI Santa Anita Oaks runner-up Queen of Money (Corporate Report), the February-foaled chestnut hails from the family of Godolphin's 2009 G1 Criterium de Saint-Cloud winner Passion For Gold (Medaglia d'Oro). Much focus will rest on the first-crop yearlings by the likes of Astronomer Royal, Duke of Marmalade (Ire), Henrythenavigator, Literato, New Approach (Ire), Raven's Pass and Tamayuz (GB). Selling gets underway today at 5 p.m. Full catalogue and updates are available at www.arqana.com.

Hip Happenings cont.

Hip 5, c, Pivotal (GB)--Centreofattention (Aus), by Danehill
Consigned by the Castlebridge Consignment

Pivotal's fortunes continue on the rise thanks to the exploits of Immortal Verse (Ire), and this member of Bill Dwan's draft has star potential. He is out of a full-sister to Holy Roman Emperor (Ire) and the high-class Australian distaffer Milanova (Aus). His pedigree is full of champions, including L'Enjoleur, and also features the notable current sires Kheleyf and Encosta de Lago (Aus).

Hip 14, f, Galileo (Ire)--Coquerelle (Ire), by Zamindar
Consigned by Ecurie des Monceaux

Coquerelle was the winner of the 2007 G1 Prix Saint-Alary, and was later third in the G1 Queen Elizabeth II Challenge Cup during her stint in the States. She is a descendant of Luth de Saron (Fr) (Luthier {Fr}), a smart performer on the track, and a revelation in the paddocks when producing a trio of high-class runners in Roi Normand (Exclusive Native), Trampoli (Trempolino) and Luth Dancer (Blushing Groom {Fr}).

Hip 73, f, Danehill Dancer (Ire)--Love To Dance (Ire), by Sadler's Wells

Consigned by Ballylinch Stud

Former Ballydoyle runner Love To Dance is a half-sister to that establishment's flagship Dylan Thomas (Ire) (Danehill), as well as champion Queen's Logic (Ire) (Grand Lodge), and she is a close relative of last year's promoted G1 Epsom Oaks second Remember When (Ire) (Danehill Dancer {Ire}). She was third in the G2 Blandford S. three years ago, and this is her first foal.

Hip 74, c, Acclamation (GB)--Lovely Blossom (Fr), by Spinning World

Consigned by Haras d'Etreham

This year's leading juvenile colts Harbour Watch (Ire) and Lilbourne Lad (Ire) have further advertised the wares of Acclamation, who also has a son at stud making waves in Dark Angel (Ire). This April-foaled bay is a half-brother to the 2006 G2 Lowther S. scorer Silk Blossom (Ire) (Barathea {Ire}), and her Shadwell-owned full-sibling Mashoora (Ire), who was runner-up in Saturday's G3 Prix du Calvados here and looks to have a bright future for the Freddy Head stable.

Hip 95, c, Galileo (Ire)--Miss Bio (Fr), by River Mist
Consigned by Haras de Clairefontaine

Galileo's early achievements at stud are threatening to make him the stuff of legends, and his progeny are certain to be in high demand over the next few weeks. This offering is a half-brother to the 2006 G1 Prix Jean Prat winner Stormy River (Fr) (Verglas {Ire}), who was also placed in that year's G1 Poule d'Essai des Poulains, G1 St James's Palace S. and G1 Prix du Moulin de Longchamp.

Hip 100, c, Galileo (Ire)--Monevassia, by Mr. Prospector

Consigned by Haras de Fresnay-le-Buffard

One of six sons of Galileo in the book, this April-foaled grandson of the great Miesque boasts the champion juvenile Rumpelstiltskin (Ire) (Danehill) among his half-siblings. The page hardly needed any more substance, but it got it anyway this year through Monevassia's granddaughter Wild Wind (Ger) (Danehill Dancer {Ire}), who was third in the G1 Poule d'Essai des Pouliches.

Hip 104, f, New Approach (Ire)--Mystic Lips (Ger), by Generous (Ire)

Consigned by Haras de la Reboursiere et de Montaigu

If it is toughness buyers are after this week, this March-foaled chestnut has a genetic advantage. She is by Jim Bolger's brilliant juvenile champion and subsequent G1 Epsom Derby and G1 Champion S. hero, and her dam was successful in the 2007 G1 Preis der Diana and fourth in the G1 Prix de l'Opera. Her excellent German family includes the 2004 G1 Deutsches Derby runner-up Malinas (Ger) (Lomitas {GB}) and high-class distaffers Macleya (Ger) (Winged Love {Ire}) and Moonlady (Ger) (Platini {Ger}). It also includes the Japanese star Eishin Flash (Jpn) (King's Best), who was third in the G1 Takarazuka Kinen in June.

**WHAT THEY'RE SAYING
...AT THE SALES**

Charles-Henri de Moussac, consignor, Haras du Mezeray:

"There is a strong demand to look at horses at my farm--and everywhere else. I have seen a lot of potential buyers and have looked at some yearlings consigned by others, and there is very good quality here. The economic situation is difficult, but isn't something that has suddenly happened, so you can imagine the people that are here are willing to buy. I hope we can consolidate on last year's results and, if we do, that will be an achievement."

Eric Puerari, consignor, Haras des Capucines:

"Personally, I have about 40 yearlings to sell, and they are really nice animals overall. The quality of the catalogue is very strong. As we all know, there is presently a very difficult economic situation worldwide, but to sum up briefly, I'd say the quality on offer is enough to defy the climate."

All horses in the *TDN* are bred in North America, unless otherwise indicated

What They're Saying at the Sales, cont.

Laurent Benoit, bloodstock agent:

"I like the catalogue and, from what I've seen, the horses match the pedigrees. They are all good-looking animals, there is no doubt about that, but I have a feeling that people will take a cautious approach. Agents like me will have orders, but within reasonable limits, and I have a feeling there will be no fireworks, just a good solid sale."

LEADING THE WAY - THE NEW-LOOK SALES ARENA *by Olivier Delloye, General Manager of Arqana*

We have been planning this renovation ever since Arqana was created five years ago. We had many different projects that went through different plans before deciding on what we have now. We at Arqana have always tried to be very innovative, and this new pavilion fits very well with that philosophy. We felt that, being in Deauville, where everything is top-class, we had to be on the same line and offer the best to our clients--Better viewing, better comfort, better sound. We have also worked on the lights to make it attractive and modern, and we are proud of the final result. The new bar and restaurant overlook the sales ring, and people can participate in the bidding from there. This is new and unique in the world.

We have received compliments and praise from everywhere. We also had in mind the security of the horses, the security of the people working around the horses and the security of the public. It was a major concern, and this is why we have enlarged the walking ring and have the horses now go in and out of the pavilion from the middle of the building. They have more room to walk, the horses are more relaxed, and the security is maximum, as the horses don't have to walk through the crowd to access the ring. A loose horse and the risk of accidents have always been a major fear at Deauville, and we have reduced that risk considerably.

We can say that this renovation is a major success and has been extremely well-received. It is a major tool in our development.

Kara's Orientation, haltered after a second-place finish in a \$20,000 claiming event over this track in May of 2010, filled the same position in the nine-furlong Toronto Cup on the sod and 1 3/8-mile GIII Canadian Derby on the Northlands dirt that August. This season, the 4-year-old won on the front end going seven furlongs over Woodbine's Polytrack before wilting on his next start to be eighth over the same trip May 23. Upped to nine panels for his two most recent starts while reverting to the grass, the dark bay was a close runner-up July 1 before winning by three lengths July 23. The Kentucky bred quickly assumed command here and was allowed to saunter up front through a poky quarter in :25.78. Far ahead by 17 1/2 lengths after a half in :48.54, jockey Emile Ramsammy asked his mount for everything in the stretch and Kara's Orientation had enough left in the tank to hold off Smart Bid by 2 1/4 lengths at the wire. Favored Grassy (El Prado {Ire}) was an even fourth throughout.

Hungry Island had been knocking on the door, but failed to get the monkey off her back in a trio of starts at two. Third behind the talented Winter Memories (El Prado {Ire}) in her career bow over this course last August, the bay closed to be second behind Ruthenia (Pulpit) going a mile at Belmont Oct. 11. Third in her season finale at the Big A Nov. 14, the Emory Hamilton homebred launched 2011 with a solid second, beaten only a length, at Gulfstream Apr. 2. Brought back to Belmont for a May 6 1 1/16-mile test, Hungry Island showed a good late kick to graduate by 3/4 of a length before adding another win against allowance company June 8. Most recently, she won by a healthy three-length margin despite rounding the final turn wide in the July 2 Recording S.

She was content to trail the field through a soft early pace carved out over the soggy turf by Bellamy Star (Bellamy Road), who was tracked by Wyomia (Vindication) and Kathmanblu (Bluegrass Cat). Still residing in last through a half mile in :51.91, Hungry Island moved three wide turning for home, wore down the new leader Kathmanblu late and drew clear to win with ease. Favored Winter Memories, who was under cover in the early going, was in tight at the eighth pole while looking for room. When a sliver opened up along the rail at the head of the stretch, the grey ran up along the inside, but didn't have enough in the final strides and had to settle for fourth, beaten three lengths. "My plan was to follow [Winter Memories] the whole way," explained winning rider Alex Solis. "I had a good trip, and tracked her, and got to the half-mile pole and then I waited a little longer and a little longer. I got out at the quarter-pole and she did her thing. She's a really nice filly and I knew she was going to handle this track fine because her last race at Belmont was real soft like this and she handled it really nice. She is very amazing, and I'm very proud of her." Trainer Jimmy Toner said, regarding Winter Memories defeat, "[Jose Lezcano] said she didn't like the ground. She wasn't comfortable. She was in tight all of the way. She was trapped in the whole time. She doesn't like to be between horses. They left [the turf] on and I was good with that. She won the [GII] Miss Grillo [S.] on soft ground. There are no excuses. When you win, you win; when you lose, you lose. It's Saratoga--the Graveyard of Favorites."

Last season, Tanda reeled off a pair of victories over synthetic surfaces in Santa Anita's GIII Santa Paula S. and GIII Railbird S. at Hollywood before a third on the dirt in the GI Acorn S. at Belmont June 5. Shelved for the remainder of the season, the bay returned to the races with a fourth in the 6 1/2-panel GIII Las Cinegas H. on the grass Apr. 9 before enduring a tough trip and having to settle for sixth in the May 21 GII Milady H. Caught late to be third in the restricted Redondo Beach S. over a mile, the filly filled the same spot in her final start

for trainer Dan Hendricks in Hollywood's seven-panel GII A Gleam H. July 16. Settled in third behind early leaders Mildly Offensive (Sharp Humor)--who stumbled at the start--and Irish Gypsy through opening splits of :22.83 and :45.15, Tanda took over at the head of the stretch and, despite drifting in late, was clear of closing She's Cheeky at the wire. "[Trainer] Mike [Mitchell] didn't give me any special instructions with her," explained winning rider Joe Talamo. "I've been getting on her in the mornings and she's been doing great. He just said ride it as it comes up. I just sat on her to the top of the lane, then let her loose. She actually started waiting on horses after we cut away from them, but she was fine. Ones like her are a pleasure to ride."

Theo Danon, who changed hands in the days leading up to this contest, provided the perfect start for Guido Schmitt by securing a first group success for the owner's silks. Having garnered the May 15 Listed Derby Trial going 11 furlongs at this track, he ran fifth in the G2 Oppenheim-Union-Rennen over the same distance at Cologne June 13, and dropped to 15th when upped to 12 panels in the G1 Deutsches Derby at Hamburg last time July 3. The flashy chestnut was positioned fourth along the fence, and inched into third at the end of the backstraight. Sneaking up the inner to lead as the field fanned wide off the home turn, he was ridden clear approaching the final eighth and kept on strongly in the latter stages to register a career high in decisive fashion. "I'd have to say that is a perfect start for me," admitted Schmitt. "I knew Peter Schiergen thought a lot of this colt, so it couldn't have been any better today." Winning jockey Filip Minarik added, "I never lost faith in Theo Danon, and today he proved me right."

Stay Thirsty Heads Travers Preparations at the Spa

Repole Stable's **Stay Thirsty** (Bernardini) was among a large squad of Todd Pletcher trainees to hit Saratoga's main track Sunday morning. Pointing toward Saturday's GI Travers S., the winner of the July 30 Gil Jim Dandy S., working in company with **Super Espresso** (Medaglia d'Oro), went five furlongs in 1:01.73. Internal splits for the move were 12.87, 24.66, 36.84, and 1:01.73. Super Espresso, winner of the GIII Allaire DuPont Distaff and second in the GI Ruffian H. here July 31, is slated to compete in Sunday's GI Personal Ensign. "Stay Thirsty looked really good," the trainer confirmed. "It was almost an identical work to what he did before the Jim Dandy [five furlongs July 24]. A good steady progressive [1:01 3/5] with a strong gallop out, moving really well. We were very happy." Pletcher added, "Based on the work this morning, I would say he is as good as he was [going into the Jim Dandy], if not better. He has always run well here and seems to have really flourished since we have been up here." Jockey Javier Castellano, who was aboard for the work, said, "I'm really happy and was very satisfied with the way he did it today. He did it great and galloped out beautifully after the wire. I was so happy with the way he went. He loves this racetrack. He is a laid-back horse and is very happy right now. He looks like nothing bothers him and he enjoyed the work. He's a nice horse to get along with."

Also preparing for the Travers was **J W Blue** (Sky Mesa), runner-up in the July 9 Barbaro S. He worked in tandem with Tech Fall (Birdstone). Under exercise rider Ricky Legall, J W Blue was caught going five panels in 1:00.20, eighth best of 40 yesterday. According to Dutrow, the colt was actually working 4 1/2 furlongs, however, the NYRA clockers timed the effort as five panels. Tech Fall, fourth last out in the Gil Dwyer at Belmont, received the same clocking. "J W Blue has never been an impressive work horse," trainer Tony Dutrow explained. "His workouts are workmanlike, and I saw a workmanlike workout today with a very good gallop out. I feel like our horse is well prepared to run Saturday." J W Blue, third in the May 7 Frederico Tesio S., was runner-up in the June 13 Floor Show S. "His last race was good," Dutrow said. "He got a '4' on the Ragozin sheets. We always hoped he was capable. He's always been an immature horse. These last six weeks he is not immature anymore. He just grew up."

Trainer Kieran McLaughlin confirmed Sunday that Mill House's **Rattlesnake Bridge** (Tapit) remains on course for Saturday's 'Midsummer Derby' and will gallop up to the race. Asked to go over a mile for the first time in the July 9 Long Branch S. at Monmouth, the colt responded by closing late to eke out a nose win. "It's just his style," said McLaughlin when asked whether he had any concerns about his charge handling the distance. "It indicates we'll get a mile and a quarter, because he comes from well back. If you worried about the pedigree, you would worry about [his victory in] the Long Branch. All the figures show he fits with these horses, and we have John Velazquez."

GI Foxwoods King's Bishop S. contender **Uncle Mo** (Indian Charlie), with jockey John Velazquez aboard, breezed five furlongs in :59.95 over Saratoga's main track Sunday morning. Working in company with recent

Horsephotos

Curlin S. winner Turbo Compressor (Halo's Image), the defending 2-year-old champion completed the task following internal splits of :12.47, :24.31, :36.01. "I thought it was another very good work," said Pletcher. "I worked quite

a few horses in the first set, and the track is pretty consistent to the way it's been playing which is somewhat demanding and not very fast. He seemed to handle it really well. He finished up good and galloped out strongly, so I think we are right on schedule. I don't think he could be training any better." Uncle Mo, who has been on the sidelines since a third-place finish in the Apr. 9 GI Wood Memorial, appears to be back on track after being diagnosed with a liver following the his defection from the Kentucky Derby. In his career debut, the bay rolled home by 14 1/4 lengths in his sole prior start at the Spa. "Based on the workmates he has been breezing with, all indications are he is a very fit horse," added Pletcher.

Twirling Candy Preps for Pacific Classic...

Twirling Candy (Candy Ride {Arg}) drilled a mile in 1:37.80 yesterday morning in preparation for next Sunday's GI Pacific Classic at Del Mar. The **"TDN Rising Star"** and GII Californian S. winner, last seen finishing a narrowly beaten third in the July 9 GI Hollywood Gold Cup, was piloted by regular rider Joel Rosario for the work.

He broke eight lengths behind stablemate Java Man (Medaglia d'Oro), and finished five lengths ahead. "He looked smooth and comfortable, picked it up down the stretch and galloped out a mile and an eighth in 1:50," said trainer John Sadler. "He's a big horse and to run a mile and a quarter on this track, you have to be relaxed and you have to be good." Sadler added, "I'm happy with the preparation. This seems to be a good spacing [between races]. It's 50 days between the Hollywood Gold Cup and this race, which seems to be good spacing for him." The 4-year-old is owned by The Craig Family Trust, William S. Farish and Marty Wygod. His sire took the 2003 running of the Pacific Classic race for the Craigs.

The Factor to Bypass 'Bishop'; Heads to 'O'Brien'...

The Factor (War Front), winner of the GII San Vicente S. and GII Rebel S. earlier this season, will face older horses in next Sunday's seven-furlong GI Pat O'Brien S. at Del Mar, trainer Bob Baffert confirmed yesterday. The grey was found to have displaced following an uncharacteristic seventh in the GI Arkansas Derby at Oaklawn Apr. 16. Originally considered for the GI King's Bishop S. at Saratoga, the colt worked six panels in a bullet 1:10 at Del Mar Aug. 20.

The **SARATOGA** Spotlight Race of the Day

by Brian DiDonato

Race 5 - Union Avenue S., f/m, 3yo/up, (S), 6f

If this field remains intact, there has to be a pace collapse. Four of the race's seven competitors ran above-average early Moss Pace Figures last time, and favored Lovely Lil (Tiznow) dueled through an average pace in her most recent effort, holding on narrowly. She can probably rate comfortably, but the possibility remains that the chalk could get tangled up in an early battle. **Bailzee** (Grand Slam) is an interesting off-the-pace threat. She showed promise sprinting earlier last term, but had been campaigned on the turf for most of this season. Bailzee finally returned to the dirt last time in the same July 27 optional claimer Lovely Lil exits, and she ran a good third with some trip excuses. The bay was steadied back to last early, but showed off a nice late kick to take a big chunk out of Lovely Lil's advantage in the waning stages and finish third ([TDN Video](#)). She'll certainly enjoy a better set-up today, and will be flying late at a nice price.

Yesterday's Results: Fly to the Sky's race came off the turf, and she lost almost all of her appeal, but the 16-1 shot still finished second. [For more Saratoga analysis, visit the TDN Blog or follow Brian on Twitter.](#)

In less than 24 hours, trainer John Sadler unveiled a pair of ★ **"TDN Rising Stars"** ★ at Del Mar. He sent out Sweet Swap (Candy Ride {Arg}), a full to GISW Sidney's Candy (also a 'Rising Star') for the Craig Family Trust Saturday, and unleashed the Moss's next potential superstar here. To add to the coincidences, Sister Moon bested Sidney's Candy's track record for 5 1/2 furlongs one-hundredth of a second. The dark bay was backed down to 9-5, second choice behind opening day runner-up Lady Fairbanks (Pure Prize), but she made that price look like quite the bargain. Zipping to the lead from her inside draw, Sister Moon always had a clear edge on her competition through splits of :22.03 and :44.96. She entered the lane isolated by 5 1/2 lengths, and increased that margin to 9 3/4 without any encouragement from pilot Joel Rosario. Candy and Thunder (Candy Ride {Arg}) got up late for second over the chalk. Sister Moon, a \$57,000 OBSAPR RNA, is the second foal out of Jerry and Ann Moss's two-for-five Shimmer, a \$210,000 KEESEP yearling of 2003. Shimmer has a maiden 3-year-old Tale of the Cat colt and was barren in 2010. She foaled a Giacomo filly this year. Shimmer's dam is GII Comely S. winner Private Light. INDIAN GRACEY (f, 3, **Indian Ocean**--**Miz Betty Grace**, by **Matty G**) was runner-up in a pair of starts last term, including a try over this track and trip in August.

Getting the job done when stretched out to a mile here in September, the chestnut set the early pace and fought gamely to hold on for third in the GI Oak Leaf S. during Oak Tree's meeting Oct. 3. Installed the 3-5 choice in this return, Indian Gracey jumped out to take an early lead, was narrowly in front through a quarter in :22.42 and a half in :45.59 and responded when asked late to post a one-length win over Piano Kitty (Haasil {Ire}). Sales history: \$34,000 2yo '10 OBSAPR. [Click for the brisnet.com chart.](http://www.brisnet.com) Lifetime Record: GISP, 5-2-2-1, \$95,000.
