WOODBINE MILE ALLURE

Turning for home in Sunday's GI RICOH Woodbine Mile, it appeared that **Courageous Cat** (Storm Cat) was well on his way to victory in the Woodbine feature.

Horsephotos

However, jockey Julien Leparoux aboard **Turallure** (Wando) had a ton of horse under him, and once his charge found daylight, the grey charged to the fore late to collect his first Grade I title. "Congratulations

to Julien Leparoux," said winner trainer Charles Lopresti. "That was a heckuva ride. I didn't think he was going to get through at the top of the lane, but when he got out, he came running." Settled near the back of the pack as **Kara's Orientation** (Orientate) carved out splits of 23.83 and :47.11, while being stalked by the even-money choice, **Courageous Cat** (Storm Cat). As the field turned for home, Courageous Cat forged to the front and had built a comfortable cushion over his nearest pursuer. Meanwhile, Turallure--screaming for racing room--was swung out to the middle of the course for the drive, and gobbling up ground by leaps and bounds, managed to get his neck in front of the aptly named Coarageous Cat at the wire. "He broke good, but a little bit on the outside, so I just took him back," explained Leparoux, who also won the GII Canadian S. aboard Never Retreat (Smart Strike) on the undercard. "We saved a little bit of ground around the turn, but there was a lot of traffic and I couldn't get out [for a while]. It was very close [at the wire] and I didn't really know [if I had it.]" As for the grey's next stop, Lopresti added, "Well, if he comes back good [he'll likely go the GI Breeders' Cup Mile at Churchill Downs Nov. 5]." *Cont. p2*

BLACK CAVIAR NAMED AUSSIE HORSE OF THE YEAR

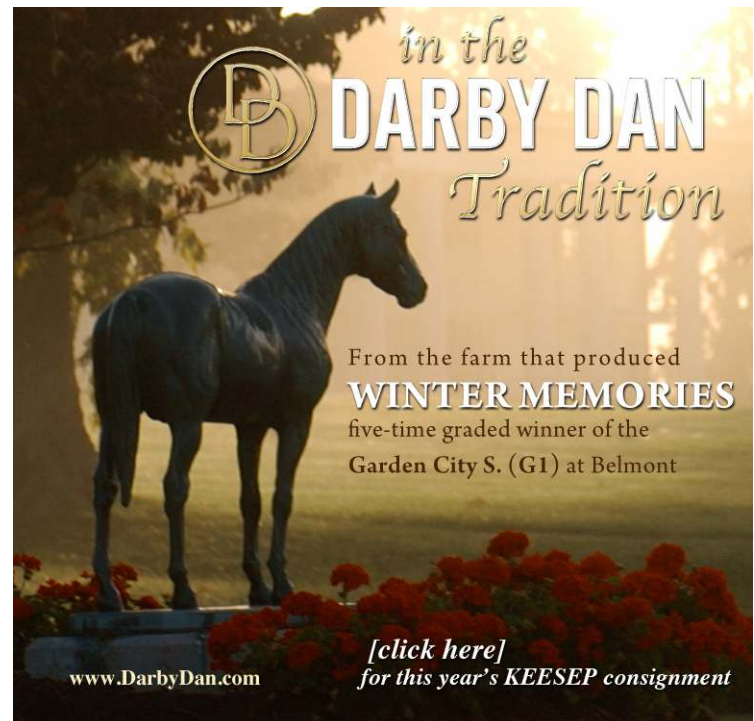

Unbeaten **Black Caviar** (Aus) (Bel Esprit {Aus}) has been named Australia's Horse of the Year, it was announced Saturday night, but the decision was not unanimous. The 5-year-old mare, the fifth distaff

to be so honored since the turn of the century, garnered 301 of the 318 votes cast by the country's senior racing administrators and racing journalists. The other 17 votes went to **So You**

Think (NZ) (High Chaparral {Ire}). Black Caviar was every voter's choice as champion sprinter, and her conditioner, Peter Moody, earned the title as Group 1 Champion Trainer with nine victories at the highest level. Luke Nolen, her rider, was the Group 1 Champion Jockey with eight elite wins. Black Caviar has yet to be tested, but Moody told the *Herald Sun*, "It seems stupid to say, but I always said she'd be better as a 5-year-old at 1400 meters and 1600 meters, and you'll see that in the autumn." *Cont. p3*

Regarding the beaten favorite, Courageous Cat, jockey Pat Valenzuela said, "His trip was perfect. I was hoping he would relax a little longer. He picked it up going into that turn. I was trying to get him to relax without choking him too much because he does have a little bit of a breathing problem, and I didn't want to strangle him. He ran a very good race. He handled the surface good, I can't complain."

Turallure needed six starts to get going, but finally got the monkey off his back in an Ellis Park 1 1/16-mile test in August of 2010. He followed up on that effort with another win, this time against black-type company in September before rounding out his 2010 campaign with a third in 1 1/16-mile GIII Common Wealth Turf at Churchill Downs Nov. 13. Eighth in Keeneland's GI Maker's Mark S. Apr. 15, the 4-year-old was runner-up with Rafael Bejarano aboard in a nine-panel Churchill allowance May 6 and returned to win the 1 1/16-mile Opening Verse S. with Julien Leparoux back in the irons at the Louisville oval June 17. Alex Solis was at the helm when Turallure was bumped during the running of the July 31 GII Fourstardave H. at the Spa, crossing the line in fifth behind winner Sidney's Candy (Candy Ride {Arg}). However, he rebounded to take the upstate track's GII Bernard Baruch H. over nine panels Aug. 26.

Wigmore Hall enjoyed limited success in Europe last term, hitting the board in a pair of listed stakes in England, including a third in the Listed Hampton Court S. at Royal Ascot June 17. Shipped to the U.S. for the GI Secretariat S. last summer, the handsome bay was a good second behind the talented Paddy O'Prado (Ire) (El Prado {Ire}). The gelding returned to England after that effort and was a nose second in a Doncaster allowance Sept. 8 before rounding out his European campaign with a credible fifth in the 10-furlong G1 Champion S. Oct. 16. A narrow winner in his U.A.E. bow in the G2 Jebel Hatta at Meydan Mar. 3, the Irish-bred was third behind winner Presvis (GB) (Sakhee) in the Mar. 26 G1 Dubai Duty Free. Never a factor when 11th in the G1 Audemars Piguet Queen Elizabeth II Cup May 1, Wigmore Hall came home seventh in the G1 Singapore Airlines International Cup at Kranji May 22. He was given some time off following that effort, then broke slowly and encountered some traffic before closing to be fourth in a soggy renewal of the Aug. 13 GI Arlington Million. A comfortable yet eager sixth through an opening quarter in :25.61 this time, Wigmore Hall found himself temporarily trapped along the rail heading down the backside. Still traveling well in sixth as Simmard assumed control three furlongs out, the dark bay needed racing room as they turned for home, but once granted a seam along the rail, he rolled right through and got up just in time to hand Simmard a narrow defeat. Al Khali appeared to be poised for victory as he stormed into contention late, but couldn't get past the top two.

Never Retreat is like fine wine having, having gotten better with age. Winner of the Rare Blend S. and third in the GI Mother Goose S. at three, the dark bay added black-type scores over a mile the following season in the Lady Canterbury S. in July and Kentucky Cup Ladies Turf over the yielding Kentucky Downs turf course in September before rounding out the season with a narrow second in a soggy edition of Woodbine's River Memories S. Oct. 30. Following a trio of on-the-board finishes in stakes company early this term, Never Retreat took Gulfstream's one-mile GIII Honey Fox S. Mar. 5, and added a win in Keeneland's 1 1/16-mile GII Jenny Wiley S. Apr. 16. She was off the board in sixth in Churchill's May 7 GII Distaff Turf Mile, but ran second in the one-mile GII Nassau S. over the E.P. Taylor turf course June 4 prior to a 1 1/4-length score in the nine-furlong GII Dance Smartly S. July 10.

Sent to Arlington for her latest, the Team Block representative faded to seventh after prompting the early pace in the GI Beverly D. S. Aug. 13. Never Retreat was to a good start, then was allowed to settle behind pacesetter Woolly Bear (Proud Citizen), who carved out opening splits of :24.10 and :47.65. With the leader still in her sights through three-quarters of a mile, the 6-year-old was on even terms with the weakening leader heading into the final turn and was under a steady drive to fend off late-closer Perfect Shirl.

Sneak A Peek stepped out of conditions-race company to win the Listed Premio Emanuele Filiberto over 10 furlongs here Apr. 16, and earn a tilt the G2 Derby Italiano in the process. Positively ridden before fading to fourth in the final quarter mile of a strong renewal of that Capannelle Classic May 7, the bay came up against the Derby runner-up Cazals (Ire) (Aussie Rules) again on his next start in this venue's Listed Premio Merano. He was no match when 4 3/4 lengths second in that 10-furlong test May 29. Back to winning ways in a 12-furlong conditions event at Rome Sept. 3, he proved the latest success story for his generation during a season that has seen the sophomores regularly upstage their elders. Second initially behind Jakkalberry, Sneak a Peek was sent past after the first two furlongs and held the lead until that rival regained the advantage in early stretch. He looked booked for second for much of the last quarter, but his travails earned him the top spot inside the final yards.

Unbridled Humor got off the mark in her career bow going a mile over the Saratoga sod Sept. 5 before storming home a five-length winner--and gaining ☆ "TDN Rising Star" ☆ status--in a nine-furlong allowance at Keeneland Oct. 13. Dropped back to a mile for the Nov. 14 Memories of Silver S. at the Big A, the grey got up in the last jump to record a nose victory. The 4-year-old was a gaudy 8 1/2-length winner in her seasonal return in a Delaware allowance July 5, then changed tactics for her latest when asked to set the pace in the Spa's nine-panel GI Diana S. July 30, but wilted late to be seventh. Cut back in trip once more here, an eager Unbridled Humor was up to press Twilight Memory (Smart Strike) through a solid opening quarter in :23.41, before moving ahead of the rival down the backstretch. The pair was well in front of the rest of the field, but Unbridled Humor soon drew clear of the weakening Twilight Memory and held a four-length advantage turning for home. While the early pace started to take its toll late, the winner was 1 3/4 lengths clear of the tardy-starting Thai Haku (Ire) at the wire. Aquitaine, who also suffered a slow start, was third. "Ideally, [trainer] Graham [Motion] would have liked to see her covered up, but with the lack of speed in the race that was going to be difficult," said Ramon Dominguez. "I just took a long hold. She was eager, but within reason. Turning for home, she switched leads on her own and picked it up pretty nicely."

Fox Hunt, a handicap regular, ran second in the July 9 Listed Silver Cup H. at York, and gained credit with a fourth in the July 28 G2 Goodwood Cup. Sixth in the prestigious Ebor H. back on the Knavesmire last time Aug. 20, he raced in a stalking second for most of this stamina test. Stoked up on the home turn, the eventual winner responded for continued urging to challenge at the two pole and stayed on resolutely under an all-out drive to register a career high in ultimately cozy fashion. "We had planned for him stay on the rail, but he really is a good horse, and it worked out anyway," commented the trainer's wife, Deirdre Johnston. "He won't be put away [for the season] yet and still has a few options, even [the G1] Melbourne [Cup at Flemington]." Winning rider Silvestre de Sousa added, "This was my first ride in Germany, and I enjoyed the experience. I never thought we might not make it, even though I had to start riding him on the final turn."

'Mix' Probable for QEII Challenge Cup...

Glen Hill Farm's **Marketing Mix** (Medaglia d'Oro), victorious in Saturday's GIII Pucker Up S. at Arlington, is likely to make her next start in Keeneland's GI Queen Elizabeth II Challenge Cup Oct. 15. "[Marketing Mix] came back beautiful," said her trainer Tom Proctor during training hours Sunday morning at the northwest Chicago oval. "We'll see, but I'd probably say the 'QEII' is next." Proctor added, "The Pucker Up was a good race, but there's a big difference [between the Pucker Up and QE II]. But I know two [prior Pucker Up] winners have won [the QE II]--Chris Block's filly [Lothenbach Stables' Vacare in 2006] and Phil Sims' filly [Nelson McMakin's Hot Cha Cha] two years ago." Also likely for the nine-furlong turf contest is Phillips Racing Partnership's **Winter Memories** (El Prado {Ire}), who was an impressive winner in Saturday's GI Garden City S. at Belmont. According to trainer Jimmy Toner, Keeneland's race will likely be her final start of the year. Her dam, Memories of Silver, won the QEII 15 years ago. "The plan is to have two breezes her, and then go to Keeneland," said Toner.

Pletcher Team Readies for Super Saturday...

Mike Repole's **Stay Thirsty** (Bernardini) and **Uncle Mo** (Indian Charlie) breezed five furlongs at Belmont Park Sunday morning in preparation for their respective starts in the GI Jockey Club Gold Cup Invitational and the GII Kelso H., both contested at the Elmont oval Oct. 1. Under jockey Javier Castellano, GII Jim Dandy S. and GI Travers S. winner Stay Thirsty was caught in 1:01.75, while defending juvenile champion Uncle Mo--runner-up in the GI Fixwoods King's Bishop S. Aug. 27--covered the distance in :59.44 beneath exercise rider Patti Krotenko. "I thought both horses worked exceptionally well," said trainer Todd Pletcher. "Uncle Mo is obviously a brilliant horse that's capable of doing fast things very easily and that's kind of what we've come to expect in his breezes. Stay Thirsty may be a little less ambitious work horse, but he's very consistent the way he was breezing leading up to the Jim Dandy and the Travers. He finds a good rhythm and just keeps going."

Also on the worktab for Pletcher was Candy DeBartolo's dual Grade I winner **Life At Ten** (Malibu Moon), who will attempt to defend her title in the GI Beldame Invitational on Super Saturday. On the board in three of four starts this term, the chestnut finished third behind Blind Luck (Pollard's Vision) and Havre de Grace (Saint Liam) in her most recent start in the GII Delaware H. The mare breezed six furlongs in 1:12.15 at Belmont yesterday. "Life At Ten had a good breeze," confirmed Pletcher. "We've put blinkers on her for the last two works, and it seems to have sparked her interest a bit, so we'll probably run in the Beldame with those on." Also on the worktab for Pletcher Sunday: **Katy Now** (Tiznow) worked a half-mile in :50.62 in preparation for Saturday's GII Foxwoods Gallant Bloom S. and GI Mother Goose S. winner **Buster's Ready** (More Than Ready), who covered five furlongs in 1:02.43 in advance of the GII Cotillion S. at Parx Racing Oct. 1.

Royal Delta Readies for Beldame...

Palides Investments' GI Alabama S. heroine **Royal Delta** (Empire Maker) turned in a :59.36 five-furlong breeze at Belmont Sunday morning. The sophomore is expected to face older fillies and mares for the first time in the GI Beldame Invitational Oct. 1. "If you get [a workout] in between [races] you can put in a nice, strong work in them," said Leana Willaford, assistant to Hall of Fame trainer Bill Mott. "We'll have one more before the Beldame. Royal Delta's workout was the third fastest of 29 at the distance on Sunday. "Anytime you'll be going into any of those big races, you want to have a good work in them," said Willaford. "Our M.O. is two works prior [to the race] we'll put a nice, strong work in them, and then more of an on-the-bridle work right before the race. For us, that seems to work. I know she went fast today, but she did it very easily. We'll probably come back and put a half-mile in her."

NOT SO 'QUIET' END TO BOOK 3

The light at the end of Book 3 wasn't a train but [hip 1943](#), a handsome Quiet American colt from the immediate family of Pleasant Tap and Go For Gin who made \$430,000. D. Wayne Lukas, bidding on behalf of Brad Kelley's Bluegrass Hall, once again came out on top of a bidding duel, the eighth time he's done so this week for Kelley's burgeoning operation. Chris Baccari's Baccari Bloodstock, which had purchased the colt for just \$22,000 at last year's Keeneland November Sale, consigned the Apr. 9-foaled bay, who sold toward the end of trading yesterday.

Chris Baccari *Lucas Marquardt*

"I thought I had a pretty good set coming in here, and I had some pretty reliable horsemen tell me he

was a really nice horse," said Baccari. "So that kind of gave me an indication we might get it done." Baccari said his approach to pinhooking is simple. "I won't buy them if I don't think they can be a racehorse," he said. "I won't buy based on particular sire, and won't follow a particular trend. If they're not good horses, then I don't want anything to do with it. Because at the end of the day, it's kind of like running a restaurant--if you don't serve good food, people aren't going to come back."

The colt was produced by the 10-year-old No Knocks (A.P. Indy), a half-sister to GI Kentucky Derby winner Go For Gin (Cormorant) and champion and GISW Pleasant Tap (Pleasant Colony). Lukas said by looks and by pedigree, the colt had what he and Kelley are aiming for.

"Before I quit the game I'd like to win another Classic, and I'd like to win one for Mr. Kelley--he's been a trooper all week buying horses, and I think we're building a really solid race stable," said the Hall of Famer. "I thought this horse had that Classic look, and the pedigree said the same thing. If you look in there, with Pleasant Tap and Go For Gin, I don't think he'll have any distance limitations. He vetted, and all the I's were dotted and the T's were crossed. We were pleased to get him--real pleased. That horse had enough pedigree to be in Book 1, and he had the looks to be in Book 1."

Still, the price, Book 3's highest, was north of what Lukas thought he'd have to pay. "He went a little stronger than I thought he would," said Lukas. "But having said that, tomorrow and going forward, if you bring one up like that, the money will be there. People want race horses." Asked if he expected to add any more prospects for Kelley in the coming days, Lukas laughed and said, "No--I promised I wouldn't call him on another one."

All's Fares...

A colt by Giant's Causeway out of Comeon Dixie (Mr. Greeley) will be joining the stable of Gary and Mary West after bloodstock agent Ben Glass signed the ticket at \$300,000 yesterday at the Keeneland September sale. The yearling was consigned by Lane's End on behalf of his breeder, Fares Farm. Comeon Dixie is a half-sister to multiple graded stakes winner Limehouse (Grand Slam) and group winner Blues and Royals (Honour and Glory).

"He is a lovely colt," reported Fares Farm General Manager Shannon White. "He was very, very special, very driven and with a lot of focus."

Fares Farm purchased Comeon Dixie, carrying a Giant's Causeway filly, for \$300,000 out of the 2007 Keeneland November sale, but the Lexington nursery's history with the family goes well beyond that. The 11-year-old's second dam is Blue Jean Baby (Mr. Prospector), a mare purchased by Fares for \$250,000 at the 1991 Keeneland November sale. Comeon Dixie's dam Dixieland Blues (Dixieland Band) was sold by the farm for \$75,000 at the 1995 Keeneland September sale.

"When I worked for Mr. Fares when I was 17 years old, when I used to show yearlings, we had Blue Jean Baby," White, who has been general manager of the farm for the last 11 years, said. "So that's three generations we've had. It's nice to see it all come to fruition."

White was pleased with the colt's new connections. "That is the most important thing, that someone gets them that you know will take their time with them and give them the best opportunities," she said. "Obviously, you have to look at gross sales at the end of the day, but what you are really looking for is that cumulative investment in those animals. You want them to go to someone who is going to give them every opportunity."
cont. p12

All's Fares Cont.

Fares Farm currently has a broodmare band of 57 head. Most of the farm's foals are sold as yearlings, but White added, "We do have a couple that we might take to the 2-year-old sales. We had success in the 2-year-old market last year."

Fares Farm's racing stable currently numbers just two horses and the stable star is multiple graded stakes winner and ☆ **"TDN Rising Star"** ☆ Embur's Song (Unbridled's Song).

A Power Tool Update...

A colt by Lawyer Ron will make his second trip through the Keeneland sales ring this afternoon, and this time the \$60,000 November weanling graduate will bring with him a big-time update. The yearling's 2-year-old full-brother is Drill, who was a determined winner of the Sept. 7 GI Del Mar Futurity. Out of Cat Dancer (Storm Cat) and catalogued as [hip 2241](#), the yearling is consigned by Gainesway. "He is a smooth, high-quality well-balanced colt who is an excellent mover," reported

Hip 2241
L Marquardt

Gainesway's Michael Hernon. "This yearling colt has lots of potential and is finding favor with all the horsemen who have viewed him pre-sale." Gainesway is selling the colt on behalf of "a group of pinhooking partners," according to Hernon. He was purchased by Fir Grove Farm last November. Drill was a \$300,000 Keeneland September yearling a year ago.-JM

'Comet to the Top....'

At around three o'clock yesterday afternoon, [hip 1597](#), a filly by More Than Ready out of Search and Seizure (War Front) was sprawled out in her stall, sleeping as deeply as a horse can sleep amidst the commotion of Keeneland September. It was a well-deserved slumber, though, as the attractive dark bay had drawn a bid of \$275,000 earlier in the day from Michael Weston. That was the highest price on the day for a filly.

(Click for [ThoroStride walking video](#).) Selling her was William Harrigan's Miacomet Farm, which enjoyed a sizeable score

on the transaction. Miacomet Bloodstock landed the filly's dam, Search and Seizure, nearly three years ago at Keeneland November for \$50,000, and sold the foal she was carrying, the currently unraced 2-year-old Kittitian (Strong Hope), for \$18,000 here a year ago. The More Than Ready filly proved a different kind in the sales ring, however, bringing over five times her dam's price tag. Harrigan said he was pleasantly surprised.

“She sold much higher than what we expected, but she was a very athletic, nice individual,” he said. “She was a super-moving filly with a real sensible mind.”

The filly's dam hails from a good family cultivated by the Janney family. Search and Seizure's third dam is MGSW Wedding Party (Hoist the Flag), while her second dam is GSW Deputation (Deputy Minister), also the second dam of Stuart Janney III's GISW Carriage Trail (Giant's Causeway).

More Than Ready--Search and Seizure

Search and Seizure is herself half to the good four-time graded winner Criminologist (Maria's Mon). She currently has a weanling filly by young sire Henrythenavigator (Kingmambo) and is back in foal to More Than Ready.

It was the second notable sale for Miacomet in the past few days. On Thursday, Miacomet sold [hip 784](#), a colt from the first crop of Coolmore's aforementioned Henrythenavigator, for \$200,000. (Click for [ThoroStride walking video](#).) Bloodstock agent David Ingordo signed the ticket for Justice Family Racing. The colt is a son of the Seattle Slew mare Feature Article, whom Harrigan and Mike Pietrange teamed to purchase for just \$21,000 at the 2005 Barretts January Sale.

“Our partner found her out in California and deserves the credit,” Harrigan said of Pietrange, a Memphis-based businessman.

The mare's been a fine producer for them since. In 2007, they sold the six-time winner Haitian Sensation (Petionville) for \$130,000 at KEESEP. A year later, the Grade II-placed Wild News (Forest Wildcat) made \$90,000 here, followed by the sale of Miss September (Forest Wildcat) for \$270,000 in 2009. That's \$690,000 worth of sales yearlings from a \$21,000 mare. Feature Article, also the dam of SW Plagiarist (Souvenir Copy), is a daughter of GI Santa Anita Oaks winner Golden Treat (Theatrical {Ire}), the second dam of GSW Adriano (A.P. Indy). Feature Article foaled a Henrythenavigator full-sister to hip 784 this spring and is not back in foal.

With three Henrythenavigators between Search and Seizure and Feature Article, it's fair to say Harrigan is a fan of the four-time Group 1 winner and GI Breeders' Cup Classic runner-up.

“I was very impressed by his race record and with him as an individual, so we've supported him,” Harrigan said. “I think he's got a great chance to be a top stallion. We're trying to pick out young stallions that could work for us. Feature Article produced a very nice colt to him, and has a very nice foal by her side.”

Impeccably bred In Step bested fellow blueblood and last month's GIII Monmouth Park Oaks heroine Savvy Supreme (Distorted Humor) in their respective debuts at Gulfstream in February. She was fifth in the GIII Cicada S. at Aqueduct in March, and third in a sloppy allowance at Big Sandy May 18. The dark bay tried the turf for the first time in a first-level allowance here June 26, and set the pace before fading to fourth. Back on the main track at this distance last time at Saratoga Aug. 15 while still seeking her second win, In Step set a runaway pace, but held on by half a length. Hard-held to track a longshot leader behind a half in :45.78 in this return to the grass, the Darley colorbearer snuck through on the rail to take a clear advantage in upper stretch. She had plenty left at that point, and there was no catching her. [Click for the brisnet.com chart. Video, sponsored by Taylor Made.](#)

BEAUTYINTHEPULPIT (c, 3, Pulpit--Stolen Beauty {GSW, \$303,894}, by Deputy Minister) was bet down to favoritism and romped by 8 1/2 lengths on debut sprinting in the Saratoga slop July 25. He was sixth over the same strip in a six-furlong version of this race back at the Spa Aug. 20, and was 9-2 on the stretch-out. In a garden spot behind a dueling duo that carved out a half in a snappy :45.33, the chestnut angled out to confront the leaders at the head of the lane, with Wee Freudian (Freud) following suit. Seanie showed little when seventh on debut at Tipperary Aug. 18 to suggest he would be a leading player in this race for those catalogued in the 2010 Tattersalls Ireland September Yearling Sale, but the form of that extended seven-furlong maiden is looking stronger all the time. The fourth Ronan's Bay (Johannesburg) opened her account earlier on this card, and runner-up Absolute Crackers added further weight with a strong closing effort to gain another silver medal here. If success for Seanie seemed unlikely beforehand, it looked far-fetched after he broke awkwardly from the widest stall and dropped instantly back to last, with his next-door neighbor Tough As Nails (Ire) (Dark Angel {Ire}) setting the pace up front. Still bringing up the rear starting on the home turn, he avoided the traffic jams on the inner and began to motor when delivered out wide up the straight. Collaring the tiring long-time leader despite running greenly passing the furlong pole, he had done enough to scoop the valuable pot as Absolute Crackers and Azamata ate into his advantage with every stride late on. "He learned a lot from his debut at Tipperary and, from his home work, he's always looked very good," trainer David Marnane told *Irish Racing Online*. "I always thought he was going to make into a fabulous 3-year-old. He's got loads of scope and is still very green and raw. There is a lot more improvement there." RONAN'S BAY (f, 2, Johannesburg--Muskoka Dawn, by Miswaki), a \$160,000 KEENOV weanling, was fourth on debut in the same Aug. 18 Tipperary maiden from which this card's Sales race one-two Seanie (Ire) (Kodiac {GB}) and Absolute Crackers (Ire) (Giant's Causeway) emerged. Settled just off the early pace, the 8-1 shot ground her way past Susiescot (Ire) (Verglas {Ire}) in the final yards to score by a nose and earn a tilt at the Listed Silken Glider S. at The Curragh Oct. 9. The winner is a 1/2 to Bala (With Approval), GSP-NA, \$144,850; and Mousse Au Chocolat (Hennessy), SW & MGSP-Fr, SP-US, \$192,897. Lifetime Record: 2-1-0-0, €9,670. Duck Feet got off to a low-key start in a Merano maiden July 31 before having his sights raised in a course-and-distance conditions event Sept. 4. Earning a tilt at black-type with a six-length score on that occasion, the dark bay took advantage of these extremely testing conditions to put his stamina to maximum effect and suggest he can take high rank among his country's juvenile division. Restrained early as Salure was sent into a clear lead, he responded to Claudio Colombi's urgings to reel in that rival with a furlong remaining and assert in the mud.
