TRANSCEND REPEATS IN JAPAN CUP DIRT

Koji Maeda's **Transcend (Jpn)** (Wild Rush), hero of the G1 Japan Cup Dirt 12 months ago, was even money to double up at Hanshin Racecourse Sunday, and came

through with a comprehensive wire-to-wire victory over longshot **Wonder Acute (Jpn)** (Charismatic) and **Espoir City (Jpn)** (Gold Allure {Jpn}) in the country's top main-track event. "I'm happy we were able to defend the title," said winning jockey Shinji Fujita. "After pressing the pace in our two recent starts, I thought it would be best to send him up front again, so I never hesitated to take the lead, even though we were breaking from the widest stall. DEALBATA THE REAL DEAL AT DEAUVILLE

Despite a general lack of the showcase lots which lit up day one of Arqana's Breeding Stock Sale, yesterday's second session held up in its own right with a sheet topper selling for almost three times as much as last year's corresponding high. Recent Listed Prix Solitude victress **Dealbata (Ire)** (Dubawi {Ire}) led the way, and is bound to further her career Stateside after selling to Oceanic Bloodstock's Michel Zerolo on behalf of Martin Schwartz for €380,000. Offered by conditioner Mikel Delzangles on behalf of her owner Marquesa de Moratalla, hip [412](#) is a 3-year-old who hails from the family of the Classic-placed Best Name (GB) (King's Best) and this year's group-winning Jean-Claude Rouget trainee February Sun (GB) (Monsun {Ger}). Zerolo had to ward off David Redvers--who was accompanied by Henri Bozo--and Ghislain Bozo alongside Nicolas de Chambure. "I have purchased her for Martin Schwartz, and she will now go into training with Chad Brown," said Zerolo. "Her speed and raw ability will make her very interesting in turf races in the States, and I like everything about her. Not only is she by Dubawi, but has run so few times she is almost brand new."

DECEMBER BREEDING STOCK SALE

Business As Usual...

Following a stellar first day, His Highness The Aga Khan's draft remained at the forefront of proceedings. The selection's hip [401](#), the maiden sophomore **Safiyna (Fr)** (Sinndar {Ire}), yielded another six-figure return when selling to Marc-Antoine Berghgracht for €140,000. Out of the 1999 G2 Prix de Malleret scorer Sage et Jolie (GB) (Linamix {Fr}), who is herself a full-sister to the 1998 G1 Prix de l'Arc de Triomphe hero and sire Sagamix (Fr), she shares her dam with the 2008 G1 Prix d'Isphahan victor Sageburg (Ire) (Johannesburg). Notching a notable double, Berghgracht also bagged the second-highest-priced foal of the day when going to €45,000 for Haras du Logis Saint Germain's hip [315](#), a filly from the initial crop of G1 Irish Derby and G1 Coronation Cup winner Soldier of Fortune (Ire) who is out of a full-sister to the multiple Listed scorer Dansant (GB).

The MAB Agency's founder commented, "I bought Safiyna for a French breeder who is a client of Haras de Beauvoir. I'm delighted that a French breeder is spending this kind of money, and hope this will encourage others to follow suit. The Solder of Fortune is a very nice filly and his foals look very nice so far--I was underbidder on one at Tattersalls last week and another here yesterday, so I'm delighted to have got one. I may pinhook her next year, but that is yet to be decided."

Dubawi Foal On Top...

Of the weanlings sold on day two, it was Haras d'Etreham's bay daughter of Dubawi (Ire) who enjoyed leading role when knocked down to Crispin de Moubray for €125,000. Hip 431, a March-foaled daughter of the MGSW and G1 Oaks d'Italia third Signorina Cattiva (El Gran Senor), hails from the family of G1 St Leger winners and sires Moon Madness (GB) and Michelozzo. "I have bought her for a syndicate of Irish and English clients who know the family very well," commented de Moubray, who was accompanied by Paddy Twomey. "She could be re-offered as a yearling here and, although she was a bit more expensive than we liked, it's rare to acquire a Dubawi foal, and we weren't going to miss out. The market for foals is stronger than the mares today."

Haras du Petit Tellier's hip 338, the 3-year-old filly **Marie Dar (Fr)** (Sinndar {Ire}), sold for €55,000 to Agence FIPS's Herve Brunel. Despite failing to get to the track, she is a daughter of the group winner Marie de Ken (Fr) (Kendor {Fr}), whose progeny include the top-class Charmo (Fr) (Charnwood Forest {Ire}) and Ana Marie (Fr) (Anabaa). The latter is now the dam of the 2009 G1 Prix Saint-Alary third Ana Americana (Fr) (American Post {GB}). "She has been purchased for an American client who has enjoyed much success with Charmo," Brunel explained. "The pedigree is very current, and I'm sure more will happen for it in the near future."

Later, hip 445, the 11-year-old mare **Eternal Beauty** (Zafonic) sold in foal to Tiger Hill (Ire) to Henrietta Michaels on behalf of Paul Venner of Baileys Horse Feeds for €48,000. Illustriously bred, the daughter of the Classic-placed Strawberry Roan (Ire) (Sadler's Wells) is a half-sister to the top South African performer Berry Blaze (Ire) (Danehill Dancer {Ire}) and hails from the Doff the Derby dynasty of Generous (Ire) (Caerleon), Imagine (Ire) (Sadler's Wells), Horatio Nelson (Ire) (Danehill) and Moonlight Cloud (GB) (Invincible Spirit {Ire}). Her son Eternal Power (GB) (Tiger Hill {Ire}) was third in the 2009 G3 Zukunfts-Rennen. "We liked her for her pedigree and the fact that she is carrying a full-sibling to a black-type runner," Venner said. "She will go to Haras du Sucaud, where we keep our mares and foals to race and to sell."

Hip 316, the 4-year-old mare **La Ville Lumiere** (Rahy), was knocked down to trainer Tony Clout for €42,000. A half-sister to the Grade 1 performer Expansion (Maria's Mon), the descendant of the top Wildenstein matriarch Venice was carrying a foal from the first crop of last season's dual group winner and Tally-Ho Stud resident Zebedee (GB). "She is by a fine stallion in Rahy and a young mare, so we are delighted, and she has been bought on behalf of a client in Martinique," Clout said."

Dear Fellow Breeder:

As we are all aware, the advantage to breeding and owning New York-breds is one of the most exciting opportunities in our business today.

With purses, breeder and owner incentives projected to be worth over \$60 million, and the number of registered New York-breds at an all time low, participation in the program deserves consideration from all breeders.

However, the availability of quality farms and facilities in the state has been reduced over the past several years.

For 25 years, Denali Stud has been known for quality and attention to detail in Kentucky. We are now bringing that experience and horsemanship to New York in partnership with Edition Farm, a quality, showplace facility with an excellent staff and management team.

It's a perfect alliance; Edition Farm has been New York's breeder of the year twice in the past five years alone, including last year, and Denali has been a leading consignor at the New York-bred sale in Saratoga for many years. Denali will bring its horsemanship, marketing and sales expertise to complement the staff and facilities at Edition Farm.

We are excited about the opportunity and the possibilities this will present for quality breeders looking to breed New York-breds.

There are several ways to breed a registered New York-bred, but all involve some component of residency in New York.

You may:

- Bring your non-resident mare, in-foal to a Kentucky stallion, to New York to foal well in advance of her foaling date, and breed her back to a New York stallion.
- Breed your resident New York mare to a non-New York stallion, and bring her back to New York within 90 days of her last cover date. She must remain in the state through foaling.
- Purchase a resident New York mare at a sale outside of New York, and return her within 15 days of your purchase to maintain her resident status.

Whichever way you choose to take advantage of the exciting opportunities New York offers, we are here to help you.

But the Denali/Edition alliance provides this attractive opportunity for a selected number of quality mares, so don't delay.

We are happy to answer your questions, and look forward to hearing from you.

Sincerely,

Craig Bendoroff, Denali Stud | Vivien Malloy, Edition Farm

Figures Holding Up...

At the close of the second session, the cumulative median is on par with the 2010 figure of €20,000, while the average is up by 5% at €44,011. Arqana President Eric Hoyeau commented, "The results are very satisfactory overall, although they vary depending on the market segment. As had been the case in Newmarket and Kill, there was plenty of demand for the higher-quality lots, and we could even have sold more of this kind. However, we noticed that the underbidders on those top lots did not try their luck on cheaper ones instead: breeders come to the sale looking for a specific profile, and if they can't get it, they're not going to buy something that doesn't tick all the boxes. There was probably a lack of offer on the upper segment to ensure a knock-on effect. On the lower-tier, the clearance rate reveals that most vendors proved realistic. I would like to salute the efforts of those French breeders who invested in quality young mares to upgrade their stock: Haras du Cadran, Haras des Capucines, de la Louviere, de la Perelle and de Beauvoir all bought above €100,000, and I wish them the very best with their new purchases. I would also like to underline the solid foreign presence, which has become a trademark of this sale. Australians were out in force once again, including some new faces, and they invested on all market segments. Japan's Shadai Farm, Northern Farm and JS Company were also on attendance, while Indian, Qatari, Tunisian and Turkish buyers were very active at a lower level." Selling continues through Tuesday, beginning at 11 a.m. each day. Full results are available at www.argana.com.

June 2. She returned next time to run her rivals off their feet with a 5 1/2-length score in a \$62,000 optional claimer here July 1 before tiring late to be seventh--beaten 8 1/4 lengths--in the restricted Adoration S. over a mile at Del Mar Sept. 4.

while searching for some black-type, the bay jumped out to take an uncontested lead through modest opening fractions of :24.15, :48.18 and 1:12.31. Angled in for the stretch drive, the filly kicked away from the pack late to score by a comfortable margin. "I wanted to let her set her own pace and she relaxed real nice," said winning rider Martin Garcia. "When I asked her to go, she just kicked. It was pretty easy. Every single time when she has some time off she improves. When she's ready to come back, she let's you know. I've been on her in the mornings and let's just say I loved the way she was working."

Cont. from p1

Air Tran...

Transcend, the crowd's choice breaking from post 16, was ridden for early speed and angled in sharply under jockey Shinji Fujita as they made the right-hand turn into the first bend, causing some crowding. From there, Transcend was able to slow things down and dictate sensible fractions as main rival Espoir City tracked in second, with **Tosho Freak (Jpn)** (King Kamehameha {Jpn}) and **La Verita** (Unbridled's Song) also in close attendance. Espoir City got to within a half-length of the long-time leader in upper stretch, but Transcend had another gear and strode home powerfully, pricking his years at the wire.

Wonder Acute, who stumbled badly at the break and went to his nose, came on gamely between rivals in deep stretch to deny second choice and 2009 Dirt Cup winner Espoir City the place spot, while the American-bred filly La Verita, who

put in a strong rail run in the lane, tired just a bit late under Yutaka Take and finished fourth. The judges appeared to take a look at the run into the first turn, as Transcend's path forced at least one rival to take up, but ultimately the result stood. Trainer Takayuki

Yasuda said his most anxious moments might have come at the post-position draw. "To be honest, I did have some doubts after drawing stall 16," he said. "Fujita insisted that he should take the lead and, with full confidence in him, I let him do what he thought best. After he took the lead, the pace was perfect, and our horse showed a strong performance. He has improved remarkably this season. We will kick off the next season in the G1 February S. [1600 meters on dirt at Tokyo in late February] and will challenge the Dubai World Cup once again." Transcend edged his batting average to over .500 with the victory--he now has 10 wins in 19 starts--and made claims on the title of Japan's best dirt horse. Smart Falcon (Jpn) (Gold Allure {Jpn}), who beat him on the square in the JBC Classic at Ohi Nov. 3, would have been the probable favorite for the Japan Cup Dirt, but connections were unhappy with the way he came out of the JBC and skipped the Dirt Cup. Transcend, meanwhile, continues to be a rock of consistency--he hasn't missed the exacta since April of 2010--and will now attempt another title defense in the February S. at Tokyo. Transcend followed his win in the 2011 renewal with a strong runner-up finish in the Dubai World Cup, and after some time off, he returned to win the 1600-meter Mile Championship Nambu Hai at Tokyo Oct. 10. He was a length adrift of Smart Falcon in the JBC Classic after chasing the pace.

CATHAY PACIFIC HONG KONG INTERNATIONAL RACES

Juddmonte Send Four to Hong Kong...

Juddmonte Farms' Khalid Abdullah stands a good chance to make same noise at next Sunday's Hong Kong International Races at Sha Tin. Abdullah will be represented in each of the showcase's four races: **Bated Breath (GB)** (Dansili {GB}) goes in the G1 Hong Kong Sprint; **Cityscape (GB)** (Selkirk) in the G1 Hong Kong Mile; **Byword (GB)** (Peintre Celebre) in the G1 Hong Kong Vase; and **Redwood (GB)** (High Chaparral {Ire}) in the G1 Hong Kong Vase.

Speaking from the UK recently, Juddmonte's racing manager Teddy Grimthorpe was asked by Hong Kong Jockey Club representatives if one of them might win. Grimthorpe's impish reply: "Why not all four?"

Bated Breath arrives in Hong Kong
Hong Kong Jockey Club photo

Cityscape *Hong Kong Jockey Club photo*

The 4-year-old Bated Breath certainly deserves a top-level success after a series of tough-luck defeats this year. He ran second, beaten a half-length, to Dream Ahead (Diktat {GB}) in the G1 Darley July Cup at Newmarket, was just nosed out by that rival in the G1 Sprint Cup at Haydock in early September, and most recently was just a neck back of subsequent Breeders' Cup Turf Sprint winner Regally Ready (More Than Ready) in the G1 Nearctic S. at Woodbine Oct. 16.

"Bated Breath is a model of consistency, and should love the conditions at Sha Tin," said Grimthorpe.

First or second in 11 of 15 starts, Cityscape knows his job, too. The 5-year-old won the G3 Solonaway S. at The Curragh Sept. 11, was denied only a head by Dick Turpin (Ire) (Arakan) in the G1 Premio Vittorio di Capua at San Siro Sept. 24, and enters this off a win in the G3 Prix Perth S. at Saint-Cloud Oct. 30. **Cont. p7**

"Cityscape had an annoying brush with the camera two starts back when short-headed in a Group 1 in Italy, but he won in a common canter in France last time," says Grimthorpe, who added that while he wouldn't mind a bit of rain before the race, the contours of the track are what's most important for Cityscape. "We have discovered that what he really needs is a flat track, and Sha Tin ideally fits that criterion," he said.

The 5-year-old Byword has been one of Europe's most reliable yardsticks in recent years, and got a well-deserved first Group 1 success in the G1 Prince of Wales's S. in 2010. This year, he got his neck down over Cirrus des Aigles (Ire) (Even Top {Ire}) in the G2 Prix Dollar at Longchamp in October, then saw that form boosted when Cirrus des Aigles upset So You Think (NZ) (High Chaparral {Ire}) in the G1 Champion S. at Ascot a few weeks later. Byword was a 10-1 chance in the GI Breeders' Cup Mile, and though he could do no better than eighth at Churchill, Grimthorpe warned to not underestimate the chestnut. "Byword has got a very big chance at Sha Tin," the racing manager insisted.

North American race fans are most familiar with Redwood as the horse who won the GI Northern Dancer S. at Woodbine in 2010, while local racegoers might remember him as the runner-up in the Vase last year. After a good second to Rewilding (GB) (Tiger Hill {Ire}) in the G1 Dubai Sheema Classic in March, Redwood suffered a frustrating form reversal for connections, most recently finishing a well-beaten seventh in the GI Canadian International at Woodbine Oct. 16.

Grimthorpe acknowledged that Redwood's campaign has been "disjointed," but said the Canadian International should be taken with a grain of salt, given the unsuitably yielding ground. "Redwood's trainer [Charlie Hills] has been really delighted with his well being since then," said Grimthorpe.

Grimthorpe also paid tribute to the Hong Kong International Races, calling it a "vital" race meeting. He added, "It is beautifully placed in the calendar, fantastically organized, and the great opportunity for the Northern and Southern hemispheres to clash."

Initially was campaigned by Juddmonte Farm and Bobby Frankel, and for the partnership, was a respectable second in the 2009 Ontario Derby over this surface. While in Bill Mott's care, the bay made five starts in graded stakes company, hitting the board once, and that was in the 12-furlong GIII Tokyo City H. in March of 2010. Picked up by his current connections at Keeneland later that November, Eagle Poise finished in the money in two of three starts for Graham Motion, including a win in his most recent in a 1 5/8-mile allowance here Nov. 11.

Given some support this time, the 5-year-old was allowed to linger in fourth through a pedestrian early splits. Closing the gap between himself and the front rank on the far turn, the gelding had his sights on the new leader, Harrods Creek, in the stretch, wore down that rival in the final 70 yards and inched clear late to collect his first win at the graded level.

Baffert Trio Looking for Cash

A trio of juveniles under trainer Bob Baffert's care remain under consideration for the Dec. 17 GI Cash Call Futurity at Hollywood Park. Depending on the outcome of their respective works this week, Nov. 12 Real Quiet S. winner **Liaison** (Indian Charlie), Nov. 24 Gill Hollywood Prevue S. hero **So Brilliant** (Medaglia d'Oro) and **Sky Kingdom** (Empire Maker), who broke his maiden Nov. 24, all remained in line to give Baffert his record sixth victory in the 1 1/16-mile test. Jockeys Martin Garcia, Rafael Bejarano and Garrett Gomez are currently expected to ride the youngsters. Of another stable star, Baffert confirmed that ☆ **"TDN Rising Star" ☆ Secret Circle** (Eddington), victorious in the Nov. 4 Breeders' Cup Juvenile Sprint, would skip the Futurity following a six-furlong work in 1:12.40 over Hollywood's Cushion Track Saturday. "He worked OK, but doesn't go as well on it as he does on dirt," explained Baffert.

Weemissfrankie Ready for Starlet

Trainer Peter Eurton confirmed Sunday morning that **Weemissfrankie** (Sunriver) remains on course for Saturday's GI Hollywood Starlet S. The juvenile worked five furlongs in 1:00.60 at Hollywood Saturday morning. "I loved the work," said Eurton. "It was just enough. It was not over the top. She did it very easily and she didn't blow at all after the work. I didn't want to overdo it with the race a week away. She looks good this morning." Winner of the GI Del Mar Debutante and Oak Leaf S. at Santa Anita, the New York-bred will try to become only the second filly to sweep the Triple Crown of 2-year-old filly stakes in Southern California. Excellent Meeting accomplished that feat in 1998. "She acts older than her age," said Eurton. "She's pretty low-key, not overly spirited, very quiet. She may buck a little when you put a rider up." According to Eurton, Weemissfrankie, who will gallop up to the race, will be ridden again by Rafael Bejarano, who is seeking his third Starlet win in five years. Winner of her first three starts, the chestnut was third in her most recent start in the Nov. 4 GI Breeders' Cup Juvenile Fillies.

Pomeroy's Pistol Ready to Fire in Sugar Swirl

Hardcare Farm's **Pomeroy's Pistol** (Pomeroy) worked five furlongs in 1:01 flat Sunday morning at Palm Meadows in advance of Saturday's GIII Sugar Swirl S. at Gulfstream Park. "She did a little bit more than I

was fourth in her latest start in the GI Breeders' Cup Filly and Mare Sprint Nov. 4. "After the Breeders' Cup, she had three weeks of turnout at the farm," confirmed Tarrant, "She was livin' large and came back ready." Pomeroy's Pistol made three prior starts at the Hallandale oval: was runner-up in the Jan. 5 GIII Old Hat S., won the GII Forward Gal S. Jan. 30 and ran third in the one-mile GII Davona Dale S. Feb. 26.

The 38TH ANNUAL SYMPOSIUM on RACING & GAMING

Presented by The University of Arizona's Race Track Industry Program

SYMPOSIUM ON RACING & GAMING BEGINS
By Nicole Mattei-Lince

The 38th Annual Symposium on Racing & Gaming begins with an opening reception at 6 p.m. this evening at the Westin La Paloma Resort in Tucson, Arizona. Hosted by the University of Arizona's Race Track Industry Program (RTIP), the Symposium on Racing & Gaming is home to annual industry meetings, as well as panels tailored to the specific wants and needs of the racing industry for each year. For the 38th rendition, the Symposium will be featuring quick-response (QR) codes. The barcodes have become increasingly popular in today's mobile-internet environment and provide smartphone users with instant access to information with the simple scan of a barcode.

The QR-codes will be the highlight of this year's technology-focused event, emphasizing recommendations that horseracing adopt a more innovative business model that other markets have already taken advantage of. Panel sessions will cover the use of social media in racing, internet-specific marketing strategies, new wagering platforms and advances in the tote system.

Other panel sessions will cover a broader array of topics outside the technical realm. Panels will analyze the use of approved medications in racing, along with a look at veterinarian/client relationships and animal welfare.

Home to multiple yearly events, the Symposium will once again host the presentation of the Big Sport of Turfdom Award, with the 2011 trophy honoring trainer Graham Motion. Sponsored by the Turf Publicists of America, the award is given to a group or individual who has enhanced coverage of Thoroughbred racing through cooperation with media and racing publicists. The annual meeting for Harness Tracks of America will also take place during Symposium, as will the International Tote Protocol Meeting.

Zero Rate Policy graduated second out here in April, and strung together a pair of wins up at Monmouth in May and June, the second coming by 4 3/4 lengths in the Rumson S. Winless in his next three tries, the chestnut was last seen besting his elders by four lengths in a muddy Monmouth allowance Oct. 14. Perched in the two path in fourth behind an opening quarter in :22.29, Zero Rate Policy picked it up to be second to Our Edge (The Cliff's Edge) at a :44.72 half. He spun wide at the head of the lane and began to take over while lugging in a bit, but straightened out late to comfortably deny a bid from a far-back Manicero. Our Edge lost third in the shadow of the wire to late-running It's Never To Late. "I really liked him today," said trainer Terri Pompay of the winner. "He's been training great and improving all the time. I wasn't sure about the seven-eighths, but now it's good to know he handles that far... He's a Florida-bred and the Sunshine Millions races are all here this year [Jan. 28]. I think he'll like grass, but for now we'll probably just keep him doing what he's doing. It's been a great year for us and this is a good way to get the meet going." The great year included a win by Currency Swap (High Cotton) for these owners in the GI Three Chimneys Hopeful S. at Saratoga in September. He resurfaced with a runner-up effort over Keeneland's Polytrack Oct. 26. The 5-2 shot contested a moderate pace, was headed by Personal Interest (Vindication) after three-quarters in 1:12.92, but battled back in upper stretch before just holding off Big Screen (Speightstown) at the wire to win by a nose. Unbeaten Tiz Flirtatious to Cat's Cradle:

Trainer Marty Jones confirmed yesterday that **Tiz Flirtatious** (Tizbud) would make her stakes bow in the Dec. 11 Cat's Cradle H. for Cal-breds. The Cal-bred sophomore worked five furlongs in 1:02 at Hollywood Sunday. "She's a nice filly--we're stepping up the competition level," said Jones. Campaigned by her breeder Pamela Ziebarth, the dark bay rallied to win maiden and allowance sprints against state-bred rivals at Santa Anita in October. Also slated to contest the 7 1/2-panels race for fillies and mares is **Excellent News** (Rahy), winner over this track last June, and recent Cal Cup Distaff third **Salty Sarah** (Bertrando). DELFT (GB) (f, 2, Dutch Art {GB}--Plucky {GB}, by Kyllachy {GB}), looking to become the 33rd winner for her freshman sire (by Medicean {GB}), was an encouraging fourth at Kempton on debut Oct. 13 and easily justified favoritism in this second go. Leading from the break, the 6-5 chalk was unflustered on the front end throughout and geared down inside the closing panel to score by a facile 4 1/2 lengths from Going Grey (Ire) (Diamond Green {Fr}). Delft was bred and is owned by Cheveley Park, which stands Dutch Art. Cheveley Park purchased the filly's winning dam Plucky--a half-sister to the group winners Wunders Dream (Ire) (Averti {Ire}) and Grecian Dancer (GB) (Dansili {GB})--as a yearling for 300,000gns at the 2005 Tattersalls October Sale. Delft is Plucky's first foal. She had a yearling Medicean (GB) filly named Equinox (GB), and foaled a colt by Nayef this spring. Lifetime Record: 2-1-0-0, £3,403. MURTAGH WINS SUPER JOCKEY SERIES

Irish jockey Johnny Murtagh staged a dramatic come-from-behind win in the World Super Jockeys Series at Hanshin Racecourse in Japan on Sunday, winning the final race of the two-day, four-race series to erase a big points deficit to local jockey Hiroto Yoshihara. Murtagh entered Sunday's card in third in the standings with 18 points, but was well back of Yoshihara, who garnered 40 points after winning both of Saturday's races, the Golden Saddle Trophy and Golden Bridle Trophy.

Murtagh cut the margin to 13 points after running fifth aboard the 30-1 chance Sakura King O (Jpn) (King Kamehameha {Jpn}) in the first leg of Sunday's races, the 2000-meter Golden Boots Trophy on turf, then leap-frogged his rival by winning the final leg, the grassy 1600-meter Golden Whip Trophy, on the 7-1 Asuka Kurichan (Jpn) (Sterling Rose {Jpn}).

Murtagh concluded the competition with 48 points. Yoshihara finished toward the back of the pack in both of Sunday's races, earning just a point apiece for each race, but still finished runner-up with 42 points. Japanese jockey Norihiro Yokoyama was third with 35 points, with American representative John Velazquez checking in a co-fourth with 31 points. Ramon Dominguez, who also was riding for America, wound up in eighth with 22 points.

Murtagh, who finished third in last year's series, said he knew he had to come up with a big second day. "After Hiroto won the first two on the first day, I knew that it wasn't going to be easy," he said. "I am extremely happy to have won this series, in which top jockeys in Japan and from abroad gather to compete."

Murtagh added of the experience, "I was able to see a lot of my friends in Japan again on this visit, and I had a lot of fun, so I'm very grateful to have been able to come here. You have great races here in Japan, and I would certainly love to come back here again to participate next year."

Yoshihara was gracious in defeat. "I'm just so happy to be here," he said. "I had high hopes after winning both races [Saturday], but I've also experienced the taste of the severity of the game. It's a great honor to be standing here on the podium. It was great to hear the fans rooting for us--it was a great encouragement."

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will indicate first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races.
