TWO CHANCES FOR BAFFERT IN BOB LEWIS

Trainer Bob Baffert has two major chances in this afternoon's GII Robert B. Lewis S., a race named for the owner with whom the Hall of Famer had so much

success. Arnold Zetcher's **Liaison** (Indian Charlie) should garner the majority of attention, as he looks for his fourth consecutive win from five career tries. The bay broke his maiden going seven panels here Oct. 14 before pairing up 8 1/2-furlong stakes wins at Hollywood in the Nov. 12 Real Quiet S. and Dec. 17 GI CashCall

Liaison

Futurity S. Mr. and Mrs. Larry Williams' **Rousing Sermon** (Lucky Pulpit) completed both exactas at Hollywood--a half-length back in the Real Quiet and a neck back last time in the CashCall. Baffert's second hope comes in the form of Westrock Stable's **Sky Kingdom** (Empire Maker), who took a track-and-trip allowance here last time Jan. 12. The bay came from out of the clouds to be fourth, beaten 2 1/4 lengths by his stablemate, in the CashCall. While Baffert appears to have kept the pair

separate in the mornings, both enter this event locked and loaded with recent bullet works. "They're doing well and we want to win the race," said Baffert. "They're going into the race very well-prepared so we expect them to run pretty well." He added, "I just want them to have a good race--They've had a few starts now where they've got enough foundation and they've done well. You just want them to stay healthy." **Cont. p5**

ALPHA LOOKS STRONG IN WITHERS

Godolphin's **Alpha** (Bernardini) looms an imposing presence in today's GII Withers S. at Aqueduct as he takes another step on the path to the GI Kentucky Derby. An impressive six-length maiden winner at the Spa last term, the bay finished off his 2-year-old season with a distant second to Union Rags (Dixie Union) in the GI Champagne S. at Belmont in October before failing to contend when 11th in the GI Breeders' Cup Juvenile. He kicked off 2012 in style, however, with a 2 1/2-length success in the Count Fleet S. here Jan. 7. "The Withers is an important race because it's graded and you don't get to run in the Derby unless you have those graded stakes earnings," said trainer Kieran McLaughlin. "When you look at the schedule, you start with the first Saturday in May, and work back from there. We are taking the Withers as an important step, and maybe--maybe--afterward we'll talk about what we're going to do." Alpha's toughest competition could come from Sagamore Farm's **Tiger Walk** (Tale of the Cat), who flew home to annex a Laurel optional claimer Dec. 14 in his first start on dirt, earning an 83 Beyer Speed Figure--just two points below what Alpha earned in the Count Fleet. **Hakama** (First Samurai) also invades from Laurel, where he scored in front-running fashion Jan. 4. He broke his maiden by two lengths here Dec. 10 over Raconteur (A.P. Indy), who has won his next two races, including an Aqueduct allowance yesterday afternoon. **Field p8**

RACING AT MEYDAN

A pair of stakes were held yesterday at Dubai's Meydan Racecourse. Seven-year-old veteran **Hitchens (Ire)** (Acclamation {GB}) took the G3 Al Shindagha Sprint, while Godolpin's **Gamilati (GB)** (Bernardini) romped by 5 1/2 lengths in the UAE 1000 Guineas.

Tapizar Benoit Photo

In addition to the Bob Lewis for 3-year-olds, Santa Anita's Saturday program features the GII Strub S. for 4-year-olds going nine furlongs and the GII Arcadia S. for turfers. **Tapizar** (Tapit) looks to run back to his big win in the GII San Fernando S. in the Strub, while **Mr. Commons** (Artie Schiller) takes on European Group 1 winner **Pathfork** (Distorted Humor) in the Arcadia.

Hitchens annexed the May 21 G3 Greenlands S. at The Curragh and tried his hand at the highest level in all four subsequent starts last term. He ran 11th in the June 18 G1 Golden Jubilee S. at Royal Ascot and registered a career high when third in Newmarket's G1 July Cup three weeks later, but was off the board in the Sept. 3 G1 Haydock Sprint Cup and the Oct. 16 G1 Nearctic S. at Woodbine. The bay opened this campaign with a runner-up finish in a course-and-distance conditions heat two weeks ago, and doubled his stakes tally with a gutsy score here. Hitchens was handily placed throughout this one-turn test. Coming under stern urging at the top of the stretch, he kept on resolutely in the latter stages to deny the rallying pacesetter Krypton Factor in a bobbing finish.

 Gamilati improved upon two maiden seconds to
 garner a first stakes prize in the July 8 G2 **Cherry**
Hinton S. at Newmarket, but faded out of contention
 when last of 11 in York's G2 **Lowther S.** to close her
 juvenile campaign Aug. 18. She was successful going
 seven furlongs trying **Tapeta** for the first time in the
 UAE 1000 Guineas Trial here on sophomore bow Jan. 6
 and bettered that effort with an impressive performance
 in this Classic. Gamilati was anchored in rear from the
 outset. Easing into contention soon after turning for
 home, she swooped for control passing the eighth pole
 and lengthened clear of toiling rivals thereafter to easily
 best stablemate **Pimpernel** by daylight. "She is a very
 nice filly with a touch of class and that was a very
 good performance," said trainer **Mahmood Al Zarooni**.
 "We have lots of options with her now with the
 G3 **UAE Oaks** [Feb. 23] under definite consideration
 and perhaps then the G1 **Coronation S.** at Royal Ascot
 or maybe the G1 **1000 Guineas** at Newmarket."

While Bob Baffert holds a strong hand, his two-headed charge should face serious challenges from all over. The aforementioned Cal-bred Rousing Sermon has remained in Liaison's shadow in his last two races, but it's not as if he needs to step forward much to down the favorite. In his one race over this strip, the chestnut took the 1 1/16-mile Cal Cup Juvenile S. Oct. 29 by 2 1/4 lengths, defeating subsequent GIII Generous S. hero Stoney Fleece (Decarchy). "He's been doing real well since his last race, both in his training and his workouts," trainer Jerry Hollendorfer told *Daily Racing Form*. The Hall of Famer added, "We're looking for better efforts from him in the future. But you know all us trainers, that's what we're hoping for this time of year."

Heinz Steinmann's **Empire Way** (Empire Maker) hasn't quite lived up to the visually impressive nature of his sprint debut at Hollywood Nov. 13 which, along with the fact that he's a full-brother to champion 3-year-old filly Royal Delta, helped earn him the ☆ **"TDN Rising Star"** ☆ distinction. But the \$250,000 FTFEB 2-year-old buy has improved with every start--from a 68 Beyer on debut to a 75 when sixth in the GIII Hollywood Prevue S. Nov. 24 to an 86 when fifth in the CashCall Futurity. More pace to run at could help facilitate another step forward, as could the switch to conventional dirt for the first time.

J. Kirk and Judy Robison's **Isn't He Clever** (Smarty Jones) boasts the field's best Beyer--he romped home by 11 3/4 lengths in the Riley Allison Futurity S. at Sunland Park Dec. 30. He'll try a route of ground for the first time, but is a half to MSW and GSP router Sharp Writer (Capote) and British GSW Dijeerr (Danzig), who won at up to a mile.

TAPIZAR LOOKS TO NEXT STEP IN STRUB

Winchell Thoroughbreds LLC's **Tapizar** (Tapit) gets one final crack at his age group and looks to establish himself as one of the favorites for the GI Santa Anita H. in this afternoon's GII Strub S. in Arcadia. The homebred looked a serious candidate for the Triple Crown trail a year ago off a sharp win in this track's GIII Sham S., but he was ultimately derailed by injury. The headstrong bay colt tugged his way right out of the GI Breeders' Cup Dirt Mile, finishing a midpack fifth, and he was fighting Corey Nakatani when they teamed up in the GII San Fernando S. Jan. 14. He eventually settled and found the wire generously for a 3 1/2-length victory over **Balladry** (Unbridled's Song), who in turn had a nose on **Prayer for Relief** (Jump Start). Tapizar has never won past 8 1/2 furlongs, but his rider has confidence that he'll see out today's trip. "I don't believe a mile and an eighth will be any problem whatsoever," Nakatani said. "He's a very talented horse. He's definitely the speed of the race. He's one of those that goes as fast as he can for as far as he can." **Ultimate Eagle** (Mizzen Mast) is the ultimate X-factor here. An accomplished turfer, with a marquee win in the GI Hollywood Derby, he has the license to handle the main track on pedigree. However, he has proven best on or near the lead and would want to avoid a speed duel with Tapizar at all costs.

HOME FIELD ADVANTAGE FOR MR. COMMONS

St George Farm Racing LLC's **Mr. Commons** (Artie Schiller) goes in search of his first win against older rivals in today's GII Arcadia S. at Santa Anita. And with the Breeders' Cup returning to this Southern California venue later this year, the striking colt will look to cement his reputation as the best grass horse on the circuit beginning right here and now. A winner of half of his six tries on the green stuff to date, he dropped a pair of narrow decisions to a pair of tough customers in the form of Caracortado (Cat Dreams) and Jeranimo (Congaree) in the GII Del Mar Mile H. and the GII Oak Tree Mile, respectively, ahead of a fifth in the GI Breeders' Cup Mile. The bay was a much-the-best winner in his final start at three, slamming the door on his GIII Sir Beaufort S. rivals to score by better than three lengths Dec. 26. Lightly raced **Pathfork** (Distorted Humor) makes his U.S. debut for trainer John Sadler. Bonnie and Tommy Hamilton's runner was perfect in three juvenile starts, including the G1 National S. at The Curragh, but made just one appearance in 2011, a seventh to Frankel (GB) (Galileo {Ire}) in the G1 English 2000 Guineas last April. He prefers to race prominently, so it will be interesting to see how he handles the abundant speed in this field if those tactics are employed.

NO STANDOUT IN SAM DAVIS

The Tampa road to the Triple Crown trail begins in earnest with today's running of the GIII Sam F. Davis S., a wide-open affair which has attracted 11 sophomore colts and geldings. While much of the attention will be focused on Team Valor's **State of Play** (War Front) as he makes his first start on the main track, it may make more sense (cents?) to look elsewhere from a pari-mutuel perspective. John Oxley's **Prospective** (Malibu Moon) had a successful 2-year-old season, highlighted by a two-length victory in the GIII Grey S. over the Woodbine Polytrack ahead of a last-place in the GI Breeders' Cup Juvenile Nov. 5. He dispelled any notion that he couldn't handle a conventional dirt surface when arriving on the scene late to land this track's seven-furlong Pasco S. Jan. 14. He'll have to overcome the 11 hole if he is to win today. Drawn just inside him is **Reveron** (Songandaprayer), who has done nothing wrong in his last three starts. The dark bay struck from just off the pace to take the Gulfstream Park Derby Jan. 1, and he, too, has a wide draw to deal with. **Ecabroni** (Smoke Glacken) will try to become the fifth Davis winner in the last seven years for Todd Pletcher, but despite a good-looking allowance victory over seven furlongs Jan. 14, has more than a few questions to answer on his class and ability to handle this distance. **Neck 'n Neck** (Flower Alley) was green but good in winning a two-turn Churchill maiden Nov. 26, drawing clear late to score by daylight. The dark bay gave a good account of himself when runner-up to Discreet Dancer (Discreet Cat) in a one-turn Gulfstream allowance Jan. 7, and fans of that Pletcher trainee will get a read on that rival through Neck 'n Neck.

Champion Soviet Song to Speightstown...

Elite Racing Club's five-time Group 1 winner **Soviet Song (Ire)** (Marju {Ire}) will be sent to the United States and will visit Speightstown in an attempt to alter some subpar luck in the breeding shed. Since being retired from the races at the end of 2006, she has produced just one foal, the as-yet unraced 3-year-old colt Soviet Dream (GB) (Oasis Dream {GB}). "Speightstown is a proven winner-getting stallion," Elite Racing Club's Matthew Budden told *Australian Associated Press*. "He has a profile of having winners in both Europe and America. [Soviet Song] has clearly had issues conceiving. We felt that coming to America would help get to the bottom of the problem. The American vets have made a positive breakthrough and have pinpointed persistent infection as the source of the problem and that has now cleared up."

Flying Start

From Start to Finish...

with Darley Flying Start's Sophie Ignarski

The middle of January found the 12 of us preparing to begin a fortnight-long farriery course at the Kentucky Horseshoeing School. Overseen by Mitch Taylor, the KHS is a unique facility that provides training to students, professional farriers and, fortunately for us--12 complete beginners. The course was to provide us with a thorough grounding in the theory and practical care of the horse's foot, with an intense, but all-encompassing schedule ahead.

Trainees at the Kentucky Horseshoeing School

The saying 'no foot no horse' has become something of a time-honoured mantra within the racing and breeding industries, but its relevance seemed as important as ever as we were guided through the array of conformational faults and foot conditions that are frequently found in the Thoroughbred. We also learned how the evolution of the simple metal shoe has led to the widespread availability of many therapeutic and remedial shoeing options. The clear message was that, with the advent of such advanced materials and a greater understanding of the horse's complex biomechanics, horseshoeing has morphed into a highly technical discipline, where expectations are high and time is frequently limited. In the Thoroughbred world in particular, the traditional role of the farrier as the sole custodian of the horse's hoof has had to make way for a more holistic approach, whereby farriers, podiatrists, veterinarians and managers regularly work together in order to achieve the optimum result.

With a significant practical component to the course, one of our first tasks was to learn to pull shoes, with cadaver horse limbs acting as our models (thankfully providing few objections to our efforts...). This provided us with a chance to allow our somewhat inexpert hands to get to grips with nippers, nail pullers and the other essential tools while practicing our 'technique.' Unfortunately it was at this early stage that, in the midst of some enthusiastic hoof knifing, one trainee found himself on the way to an unscheduled visit to the emergency room for some stitches in his finger, the first of many minor wounds incurred during the course!

The two weeks culminated in a final, ultimate challenge. Together with some of KHS resident trainees, we were to trim 46 pasture-kept broodmares. While some members of the group encountered difficulty when trying to catch their subjects (who seemed to develop a sudden aversion to the tool-wielding, apron-wearing figures invading their paddocks), others had more success. With a degree in Mathematics, English trainee Ian Thompson may not have been described as classic 'farrier material', but perhaps it was his natural affinity for angles and lines that had imparted him with great natural talent, gaining an unprecedented score of 100% for his well-executed trim! As the daylight faded, fatigued limbs and stiff backs were plentiful, but our mission was somehow accomplished. The two weeks were a fantastic experience for all of us and we're grateful to Mitch and his staff for all their hard work and guidance during the course, not to mention their terrible jokes that kept us going along the way. **Cont. p11**

From Start to Finish cont.

With our time at the horseshoeing school complete, our next week was taken up with several visits. One highlight was a morning outing to Overbrook Farm to see the legendary Storm Cat, defying his more senior years as he cantered around his paddock with vigor. We also headed over to the Kentucky Equine Sports Medicine and Rehabilitation Center (KESMARC) to view the facilities and learn about how different therapies such as the hyperbaric chamber and

Trainee Madoka Kamei with Storm Cat

'Aquatred' are helping to contribute to many horses' rehabilitation. The conformation enthusiasts in the group were well rewarded during a morning at Spendthrift Farm, with Ned Toffey's detailed commentary of each of the farm's stallions giving us the chance to put our own judgment to the test.

Despite our busy work schedule, we've still had some time to discover a few more of Lexington's many distractions. A few of us had the chance to attend the Wildcats vs Arkansas basketball game which was a true spectacle--aside for the moments when the opposition scored and a stony silence ensued! Several trainees headed over to the Alltech arena for some slightly alternative equine 'education' in the form of the Lexington Invitational Rodeo, and plans are in the pipeline for a trip to Turfway Park racetrack about an hour away from Lexington.

Next week we will begin our farm work rotations, where we will be based at Darley's Gainsborough and Stonerside farms until the end of April. For several of us it will be our first experience of Kentucky's breeding season--as many have told us here, there are few better places we could hope to be.

LAVA GIRL (m, 5, Purge--Li'l Ms. Leonard, by Nostalgia's Star), a half-sister to Lava Man (Slew City Slew), MGISW, \$5,268,706, began her career on a winning note with a debut tally at Del Mar for trainer Doug O'Neill back in July 2010, then failed to hit the board in four subsequent tries, including a fifth-place finish in a \$40,000 optional claimer in her West Coast finale at Hollywood that November. Transferred to Todd Pletcher, the bay finally resurfaced after missing nearly all of her 4-year-old season to capture a Gulfstream allowance in her dirt debut Dec. 9. Looking for her second straight here, the 4-1 chance forced the early issue from second, poked her head in front at the head of the lane and splashed clear over the sealed track to score by 2 1/2 lengths. Twice the Lady (Quiet American), in for the \$62,500 tag, completed the exacta. Lava Girl is also a half to Enriched (High Brite), GSW & GISP, \$535,656. Lifetime Record: 7-3-0-0, \$79,520. EMCEE (c, 4, Unbridled's Song--Surf Club, by Ocean Crest) was an unknown commodity until late last summer, but made the most of his racetrack debut Sept. 14 at Belmont Park, drawing off to post a 4 1/2-length victory despite brushing the gate at the start. That effort earned the homebred a lofty 94 Beyer Speed Figure, but he was allowed to go off the 8-5 second choice behind GI Malibu S. third Associate (Wando). Away without incident this time, Emcee was sent through to argue the pace from the fence, with his market rival committed to a three-path journey. The two were on even terms to the stretch, but Emcee kicked away and hammered his foe by a strong six lengths. The winner is a half to Baffled (Distorted Humor), GSP-Eng; and Spring Party (Smart Strike), SW, \$201,577. Darley acquired Surf Club, a half-sister to GISW Awesome Humor (Distorted Humor), with this foal in utero for \$950,000 at Keeneland November in 2007. Lifetime Record: 2-2-0-0, \$55,500. CROSSBOW (c, 4, [Bernardini](#)--Forest Heiress {MGSW, \$419,201}, by Forest Wildcat) was a buzz horse after winning two straight last winter, including a Gulfstream allowance in late January, but went missing until the fall. The bay finished second in his first two starts back, headed by the Hunch S. over this course Dec. 11. He tired to finish seventh when stretched to two turns in a \$50,000 optional claimer Dec. 31, and was 3-5 to get back on track here. Sent right to the front, he clicked off fractions of :23.40 and :46.54, and was handridden to a flashy three-length victory. Admiral Perry (First Samurai) was second-best. PENTIRE COLTS STAR AT SELECT FINALE

A pair of colts by top sire Pentire (GB) filled the top two spots during Friday's third and final session of New Zealand Bloodstock's Select Yearling Sale, which

Lot 1096 nzb.co.nz

finished on par statistically with the 2011 edition. A total of 415 youngsters found new homes for turnover of NZ\$19,114,500, an average of NZ\$46,059. That figure represented a slight increase over the corresponding figure from 12 months ago. The median suffered a decline of 10.3% to NZ\$35,000 from NZ\$39,000 last year. "After a particularly strong session [Thursday], we were prepared for today to be a quieter day, but to have exceeded last year's aggregate and average while

maintaining a stronger clearance rate is a great result," commented NZB Co-Managing Director Petrea Vela. "Selling felt solid right throughout the three days with a good number of international buyers staying on to compete with the locals. Overall I think we can be very satisfied with how the week has gone given the current climate." The Chitty Family's Haunui Stud consigned the day's top two offerings.

The first, a son of Sunshine Gold (NZ) (Zabeel {NZ}) from the family of the outstanding racemare Let's Elope (NZ), was knocked down to Hawkes Racing for a sales-topping NZ\$230,000. Wayne Hawkes said it was a relative of hip 1096 that led them back to the well once more. "We bought Luck of Smiling (NZ)--the half-brother by Elusive City--for NZ\$40,000 as a yearling and he went up to Macau and he's about the fourth best horse up there. Dad took one look at this colt and said we had to have him. He's a better sort than Luck of Smiling and he's by a proven sire in Pentire, so we were sold. We like the Pentires--we bought the highest priced Pentire in New Zealand last year for NZ\$520,000, out of Platinum Blonde, and we really like the way he is coming along. We always love coming to New Zealand and buying those Kiwi staying horses, and are really happy with what was there this year." The second of the two Pentires is also bound to Australia after trainer Robbie Laing saw off all competition for the son of Thorena (Aus) (Chief's Crown) at NZ\$170,000.
