STEADY JULY EXPECTED AT FASIG-TIPTON

Bolstered by solid results last year and an upswing at recent juvenile-in-training sales, the North American yearling season kicks off this morning at Fasig-Tipton July with an air of quiet confidence among sellers. The one-day July Sale features a 338-strong catalogue, an 11.6% increase from the 303 yearlings catalogued at last year's sale (not including last year's Heilligbrodt

Bayne Welker
L Marquardt

Racing Stable Dispersal), and buyers were out in force yesterday at Fasig's Newtown Paddocks, taking advantage of the cooler temperatures after a stifling heat wave broke Sunday night. Last year's event--reduced from two days of selling in 2010 to a single session--saw 191 horses sell for an average of \$69,890, down 7.8% from the

previous year, while the median of \$60,000 was up 20%. Few are predicting big gains from those figures, but most expect a solid renewal of July. "I think it's going to be like it has been," said Eaton Sales's Reiley McDonald. "There are plenty of people here to buy. They're looking hard and being discerning, like they have been in the last three or four years. I'd guess 50% will sell well, and 50% won't."

The July Sale is known as a horsemen's sale, where a good eye and a little luck can overcome a limited budget, and it's hard to argue with the auction's results. No fewer than seven Grade I winners adorn the cover of the current July catalogue, ranging from the \$11,000 '08 grad Blind Luck (Pollard's Vision), champion 3-year-old filly in 2010, to the \$410,000 '06 alum Never Retreat (Smart Strike), Canada's Horse of the Year in 2011.

"The consistency of this sale year in and year out is what keeps people coming back," said Fasig's Vice President of Sales Bayne Welker, Jr. "The sale produces winners, multiple winners, stakes winners and graded stakes winners. It is known as a 'physical' sale, and everyone knows it's those good physicals that come out and run in the afternoons. That's what keeps this sale going." **Cont. p3**

DEEP IMPACT COLT TOPS JRHA YEARLINGS

by *Michele MacDonald*

Propelled skyward by phenomenal young sire Deep Impact (Jpn) (Sunday Silence) and enthusiastic new buyers, the Japan Racing Horse Association Select Sale achieved record turnover of ¥5,452,600,000 (about \$67,316,049) (US\$1 = 79.6¥) for its yearling session Monday. With 202 yearlings selling from a record 242

offered, gross jumped 15.4% from the figures reported for the 2011 session, which had been up 49.6% from 2010 when 197 sold. Average price increased 12.5% to ¥26,993,069 (about \$333,248), while the clearance rate remained steady at 83.5%.

"These are surprising results--much better than I expected," said Katsumi Yoshida, master of leading consignor Northern Farm, which sold five of the eight yearlings that crossed the magic ¥81-million (about \$1-million) barrier--six more than the 2011 sale yielded.

Steady July Expected at Fasig-Tipton (cont. from p1)

Welker added that the sale has benefitted from the industry's stabilization, and believes the sale boast's a strong catalogue. "I think the Thoroughbred market realized the sky hasn't fallen on both the buying or the selling side," he said. "We've been fortunate that consignors have come back with a good, quality product. I think there are good horses at all levels here; there are some good ones who will sell for nominal prices because of pedigree, right up through some very expensive horses that should bring high prices."

All hasn't gone off without a hitch at Fasig. In the pre-dawn hours Monday morning, a water main broke just inside the gates of the sales grounds. Crews worked into the afternoon to resolve the issue, while Fasig trucked in water to ease the burden. Luckily, the triple-digit temps experienced over the weekend were replaced by 80-degree climes, and consignors and sale officials said the horses were none the worse for wear.

The July Sale gets underway at 10 a.m. EDT. For catalogue, up-to-date outs and results, visit www.fasigtipton.com.

Grade I Success For Airdrie Grads...

Brereton Jones's Airdrie Stud has enjoyed a strong run at Fasig-Tipton July of late, offering not one but two Grade I winners here in recent years. **Include Me Out** (Include), acquired by Samantha Siegel's Jay Em Ess Stable for \$150,000 in 2009, has been California's top distaffer this season, with wins including the GI Santa Margarita Invitational S., GII La Canada S. and GII Majorie L. Everett H. At the

same sale, Airdrie offered **Summer Soiree** (War Front), who was led out of the ring unsold at \$72,000 before being put into training by Airdrie with first Cindy and then Larry Jones. After winning the GIII Bourbonette Oaks at Turfway by a pole, Summer Soiree was sold privately to Barry Irwin's Team

Valor International, for whom she won the GI Del Mar Oaks. "Include Me Out was more popular than Summer Soiree was," Bret Jones recalled. "Summer Soiree was a beautifully put-together filly, but she was by War Front, and at the time, the market hadn't completely wised up to the kind of stallion he was going to be. We literally didn't have a scope on her, but Bill Graves [from Fasig-Tipton] kept telling us she was going to be a racehorse, and we find Bill Graves isn't wrong very often."

KEENELAND

Jones said Include Me Out was a beautiful filly and “very smart,” and added, “She was very much a [Jay Em Ess principal] Samantha Siegel type of physical, and she’s worked out wonderfully for Samantha.” Jones said that it was satisfying selling the fillies, both Airdrie homebreds, at an auction the Airdrie team especially appreciates. “We’ve always loved this sale,” he said. “We’ve been selling here since they first opened their doors, and we feel we bring the right type over here.” Jones was among those who said that indicators are mostly promising heading into 2012. “I think, from what everybody’s telling me, that it’s very in line with a good July Sale,” he said. “We’re seeing a lot of the faces we expected to see. You’re always hoping to hear about somebody new who’s going to come in and not stop raising their hand, and I’m not sure there is that new guy. But I could be wrong, and hopefully, I am.”

Freshman Sires Well Represented...

Fasig-Tipton no longer features a designated showcase for young sires at July--a popular feature for many years--but that doesn’t mean there aren’t a bevy of attractive offerings by freshman and sophomore sires. The latter group is represented by up-and-comers like Majestic Warrior (A.P. Indy) and Magna Graduate (Honor Grades), while the freshman class can boast no fewer than 14 individual sires with horses at July. Leading the way with 18 catalogued youngsters is Coolmore’s **Dunkirk** (Unbridled’s Song), an impeccably bred son of GI Kentucky Oaks heroine Secret Status (A.P. Indy) who ran a strong second to Summer Bird (Birdstone) in the 2009 GI Belmont S. after attending swift fractions.

Another son of Unbridled’s Song, the brilliantly fast **Zensational**, has seven catalogued at July. The three-time Grade I winner stands at Hill ‘n’ Dale, which consigns [hip 51](#), a chestnut colt out of Storming Starlet (Storm Boot), who counts as her kin GISW Seattle Smooth (Quiet American). “He’s a good representation of the stallion,” said Hill ‘n’ Dale’s John Sikura. “He’s a very well-made, athletic horse out of a stakes-placed half-sister to a millionaire.”

Sikura added of Zensational, “We’re very bullish on the horse. He’s got exceptional yearlings; this is his first draft here in July, and we’ve got some good ones selling in September. They’re really athletic and have great muscle quality, and they’re just really good horses. We’re looking forward to selling them and look forward to watching them run.”

Zensational was campaigned by Zayat Stables, which also campaigned a J bYfmstallion whose eldest are now yearlings, the MGISW **Pioneer of the Nile** (Empire Maker). The GI Santa Anita Derby winner and GI Kentucky Derby second has five in the July catalogue. His standouts include [hip 332](#), a filly named Princessofthenile, who sells from the Select Sales consignment. She was produced by Princess Two, a winning full to MSW & MGSP Tropical Punch and a half to SW Happy Surprise (Crowd Pleaser).

Yet another son of Unbridled’s Song garnering attention is Taylor Made’s **Old Fashioned**, who has 11 at July. Select Sales has two in its consignment, including [hip 131](#), a daughter of the El Corredor mare Baby Betty. “Personally, I find it pretty hard to fault her,” said Select’s Carrie Brogden. “She’s been special since the day she was born. We brought her here because we thought she’d be fast and be early, and she’s a very good representation for her sire, I hope.”

Paramount has a colt by Old Fashioned, [hip 290](#), who’s a half to the SP Hannah’s Holiday (Kafwain), and consignor Pat Costello is hoping for good things. “He seems to be on everybody’s list. He’s a lovely horse and a great hindquarter and a big walk on him. His half-sister just broke her maiden last week, on July 2, and that’s helping out. I haven’t seen a lot of the Old Fashioneds, but I’m hearing he’s one of the better horses on the grounds.”

Hip 290
L Marquardt

Said Taylor Made’s Mark Taylor, “I’ll see all 11 of the Old Fashioneds here, and they’re real consistent, athletic, good-moving, correct horses. Hopefully, we’ll get lucky.”

Cont. p5

Taylor said he's also high on the chances of another freshman sire in **Colonel John**, who stands at WinStar and has five catalogued. "These sons of Tiznow seem to be clicking," said Taylor. "I love the Tiz Wonderfals, and I love the Colonel Johns. I think [Tiznow] is enough of an outcross, and even his sons are matching up with a broad base of mares. Their offspring have stretch, leg, and enough bone and substance."

Among the Colonel Johns at July is [hip 60](#), a colt out of SW Sweeping (End Sweep), the dam of SP Fabulous Babe (Touch Gold) and Angel Island (Forestry), and of the dam of GSW Aegean (Northern Afleet). "This colt is a very flashy, athletic horse," said Guinness McFadden of consignor Three Chimneys Sales. "He has a great walk, is very correct, and looks to be a two-turn type. There seems to be a bit of buzz about the Colonel Johns, and he is a very nice representation of the sire."

Other freshman sires with yearlings at July include GSW **Cowboy Cal** (Giant's Causeway) (6); GISW **Dixie Chatter** (Dixie Union) (1); MGISW **Einstein (Brz)** (Spend a Buck) (2); MGSP **Forefathers** (Gone West) (2); champion and MGISW **Kodiak Kowboy** (Posse) (4); MGSW **Parading** (Pulpit) (3); G1SW **Thewayyouare** (Kingmambo) (1); champion **U S Ranger** (Danzig) (5); and GISW **Visionaire** (Grand Slam) (1).

FASIG-TIPTON JULY SALE

1, f, Colonel John--Racing Quality, by Elusive Quality
Consigned by Bluewater Sales, Agent XXV

Bluewater Sales hopes to get July off to a good start with this Mar. 23-foaled miss, a granddaughter of the SP and multiple stakes-producing A.P. Indy mare Racey Player. "She's the first Colonel John yearling to sell and is just a real pretty, leggy filly," said Bluewater's Meg Levy. "It looks like Colonel John could be a leading freshman yearling sire, and was the leading weanling sire [with a \$78,421 average]. She's got plenty of leg, plenty of balance, and she's going to be speedy. She'll be popular."

26, c, Flower Alley--See Ashleigh Run, by Marquetry
Consigned by Taylor Made Sales Agency, agent

Flower Alley (Distorted Humor) hit big this year when a member of his second crop, I'll Have Another, captured the GI Kentucky Derby and GI Preakness S. He's also the sire of recent GIII Matt Winn S. winner Neck 'N Neck, last year's GI Ashland S. winner Lilacs and Lace and of GSW Bouquet Booth. "Flower Alley is really coming on, with I'll Have Another and Neck 'n' Neck," said consignor Mark Taylor. "And Bouquet Booth has come back strong; I wouldn't be surprised to see her win a Grade I by the end of the year. So this is a really nice individual and is a Pennsylvania-bred colt, and that's a big positive."

**42, c, [Zensational](#)--Spanish Harbor,
by Corporate Report**

Consigned by Three Chimneys Sales, agent

Unbridled's Song's son Zensational was a grey blur on the West Coast for Zayat Stables and trainer Bob Baffert, and this colt, a half to SW Desiraes My Candy (Candy Stripes), looks the part. "He is what I expect to see from a son of Unbridled's song: a nice top line with a bit of length through his back," said Three Chimneys' Guinness McFadden. "He is a very athletic mover and uses himself very well. He is in a big growth spurt right now and should continue to get better. Both pinhookers and end-users would be very happy to buy this horse."

**181, c, [Sky Mesa](#)--Dance Fever, by Fusaichi Pegasus
*Consigned by Gainesway, Agent I***

This colt was produced by a three-parts sister to group winner and MG1SP Castle Gandolfo (Gone West) and is from one of the better families in the stud book. "He's a real sharp, good-bodied horses, and he has real quality in his pedigree," said consignor Michael Heron. "He's got a lot of Northern Dancer influence, and it goes back to the top 2-year-olds El Gran Senor and Try My Best. He's got a lot of appeal and has a stallion's pedigree."

**213, c, [Proud Citizen](#)--Gallant Dreamer,
by Belong to Me**

Consigned by Brereton Jones/Airdrie Stud, agent

Airdrie's Proud Citizen continues to turn out top-quality race horses like this year's GI Kentucky Oaks heroine Believe You Can and Grade II winner Mark Valeski, and the operation's Bret Jones is high on the chances of this colt, a son of MSP Gallant Dreamer. "We've never brought over a better Proud Citizen [to a sale] than this one," said Jones. "He's a very well-balanced colt, is big, strong and correct, and has a good walk. We're thrilled with him."

**228, c, [Hard Spun](#)--Handlewoman, by Elusive Quality
*Consigned by Select Sales, agent***

This colt was produced by the MSP Handlewoman, whose first foal is the SP 4-year-old Awesome Woman. The mare's third foal, the unraced Hard to Handle, is a full-sibling to this fellow who made \$270,000 at the most recent edition of FTMMAY. "We were pleasantly surprised he's the only Hard Spun in the sale, and this is a great venue to showcase him," said Select Sales's Andrew Cary. "The sire keeps getting better and better and is throwing an incredible amount of stakes horses. Trainers really like them; they love to train, they run on anything, and he gets good colts and good fillies. He's been incredibly popular and is a very classy individual."

Consigned by Taylor Made Sales Agency, Agent XLII

Bernardini continues to lead all third-crop sires by cumulative earnings (over \$11.5 million), SW (15), GSW (11) and GISW (4), and this sole representative at FTKJUL is sure to draw respect. "He's a colt that we raised on the farm and have always loved," said consignor Mark Taylor. "The Fasig-Tipton guys came out and saw him and really loved him, and pushed really hard for this sale. They said he would be only one of a few Bernardinis here, and as it turns out, he's the only one. He's a beautiful colt bred on a good cross; Forestry has crossed really well with Seattle Slew-line horses." **Click for [Taylor Made video](#).**

238, c, [Stormy Atlantic](#)--Idols Eye, by A.P. Indy

Consigned by Paramount Sales, Agent XIII

From the extended family of Broodmare of the Year Slightly Dangerous, leading sire Rainbow Quest, et al, this colt was produced by an unraced half-sister to the Group 1 performer Old Deuteronomy (Storm Cat). "He's very typical in what we've been seeing in the Stormy Atlantics," said Paramount's Pat Costello. "He's a strong, strong horse, and is out of an A.P. Indy mare. He's been received very well, and I think he's one of the better physicals in the sale."

261, c, Old Fashioned--Lady Rushmore, by Wild Rush
Consigned by Eaton Sales, agent

From the first crop of Grade II winner Old Fashioned, this colt was produced by a half to MSW & MGSP The Lady's Groom (Runaway Groom) and to SW Marina de Chavon (Exploit). "I think he's the best physical colt I've seen on the grounds," said consignor Reiley McDonald. "He's by Old Fashioned, who has a number of nice yearlings right now. The ones that I've seen this spring have been really nice, and he's the best I've seen from a good crop. He's big and leggy with a beautiful walk."

299, c, Tapit--Muir Station, by Street Cry (Ire)
Consigned by Gainesway, agent

This is the first foal from a three-parts sister to MGSW & MGISP Shakis (Ire) (Machiavellian), and hails from the family Glorious Song, Rahy, Saint Ballado, etc. "Tapit continues to emerge as a top stallion, and this colt has a lot of appeal," said Gainesway's Michael Herson. "He's strong, he's correct. Tapit can get you a Grade I-winning colt, and he can get you a Grade I winner on turf. This horse has a very strong female family of high-quality turf runners, and I could see his future maybe excelling on turf. We expect him to do well."

309, f, Bellamy Road--North East Star, by Siphon (Brz)
Consigned by Eaton Sales, agent

Bellamy Road has emerged as one of the top sires of his crop, with 11 black-type winners and five graded winners to his credit. This half to MSP Maegans Princesses (Yankee Gentleman) was produced by a half to MGSW North East Bound (D'Accord). "She's a really special filly, I think," said consignor Reiley McDonald. "A lot of these horses got tired and started to melt after a couple of days here in the heat, but as we showed, she just got stronger and stronger. She should be at the top of our consignment."

JRHA SELECT SALE

July 9 & 10

Deep Impact Colt Tops JRHA Sale (cont. from p1)

Five of the \$1 million yearlings were by 2005 Japanese Triple Crown winner Deep Impact, currently the world's leading sire by progeny earnings, including the session-topping dark bay colt out of Admire Kirameki (Jpn) (End Sweep), a half-sister to G1 Tenno Sho (Autumn) winner Tosen Jordan (Jpn) (Jungle Pocket {Jpn}) and a full to Group 2 winner Tosen Homareboshi (Jpn), who finished third in this year's G1 Tokyo Yushun (Japanese Derby).

Perennially active buyer Takaya Shimakawa, a natural foods entrepreneur, fended off rival Riichi Kondo to secure the session topper for ¥250 million (\$3,086,420).

All JRHA sale photos and editorial by Michele MacDonald

"The market is vitally supported by Deep Impact," Yoshida observed. "He has already achieved the status that Sunday Silence held in past years. The top-priced colt had a good pedigree and good conformation; in total, he was the best and I expected him to bring the highest price."

The colt made quite an impression on sale observers at the Northern Horse Park on the island of Hokkaido. Rearing repeatedly in the ring, he elicited both bids and exclamations from all corners of the pavilion after a stiff opening salvo of ¥50 million (about \$617,284). A duel ensued between Kondo and Shimakawa, with Seiichi Iketani also taking part up to about ¥150 million.

Shimakawa resolutely trumped each challenge, determined to halter the colt for his large stable that already includes Tosen Jordan and Tosen Homareboshi.

"I sent my bloodstock manager [Seiichi Tanabe] to Northern Farm two weeks ago and he said the colt was a very nice individual," Shimakawa said after prevailing in the bidding war. "I went to the farm on Saturday and saw him--he was beautiful and I fell in love with him. I was convinced I must buy him." However, Shimakawa conceded he had to pay "a bit more than I expected."

The ¥250 million price equaled what had been, prior to last year's explosive session, a record for a JRHA sale yearling. A filly by Deep Impact out of Japanese Horse of the Year Air Groove (Jpn) (Tony Bin {Ire}) brought ¥360 million in 2011 to establish the current yearling mark. **Cont. p8**

Shimakawa did not stop with the session's top colt. Standing at the back of the pavilion near the media center, he also grabbed Hip 186, another son of Deep Impact who is out of GII Premio Regina Elena (Italian 1000 Guineas) winner Xua (Ire) (Fairy King) and is a half-brother to Japanese Classic-placed stakes winner So Magic (Jpn) (Symboli Kris S).

"When I visited Shadai Farm to inspect the yearlings there, this one out of Xua was number one," Shimakawa said.

Adding to the appeal of the bay colt is the fact he is from the family of this year's dual Japanese Classic-winning filly Gentildonna (Jpn) (Deep Impact {Jpn}).

Shadai Farm, owned by the eldest of the Yoshida brothers, Teruya, also consigned the co-second highest priced yearling of the day, Hip 88, a son of Deep Impact who is a half-brother to the outstanding race filly Red Desire (Jpn) (Manhattan Cafe {Jpn}).

Bloodstock agent Nobutaka Tada and his Globe Equine Management Co. Ltd., no strangers to JRHA peaks and also active at international venues, once again plucked some of the sale's biggest fruit, including Hip 88 and two others that surpassed the ¥81 million mark.

Shimakawa with his new purchase

Pressed by Shimakawa, Tada had to go to ¥150 million (\$1,851,852) to secure the handsome bay half-brother to Red Desire, produced by Great Sunrise (GB) (Caerleon), on behalf of his longtime client, Hidetoshi Yamamoto, a pachinko games executive who heads Fields Corp. With his wife Yoko, Yamamoto campaigned filly Classic winner Red Desire under the Tokyo Horseracing Co. Ltd. banner and thus was drawn to her half sibling.

Nobutaka Tada

"We had to get him," Tada said simply. "He's by Deep Impact, he's a great horse and he had a great walk." The price was "just what we expected," Tada added.

Yamamoto expressed an interest in inviting members of the syndicate club that raced Red Desire to join him in ownership, but Tada said he is not sure, due to the colt's high price, if such an arrangement will be feasible.

Red Desire earned international acclaim when she defeated eventual G1 Dubai World Cup winner Gloria de Campeao (Brz) (Impression {Arg}) in the G2 Al Maktoum Challenge Round III in Dubai and finished third in the GI Flower Bowl Invitational S. at Belmont Park. She and the yearling colt are from the family of GI Arlington Million winner Debussy (Ire) (Diesis {GB}) and English Group 1 winner and sire Belmez (El Gran Senor).

Just minutes after his success with Red Desire's half-brother, Tada was back in the high-yen range, spending ¥140 million (\$1,728,396) for another son of Deep Impact, the first foal of U.S. MGSW Diamond Diva (GB) (Dansili {GB}), from the Northern Farm consignment. Katsumi Yoshida had purchased Diamond Diva, an earner of \$774,645, for \$400,000 from Three Chimneys Farm at the 2009 Fasig-Tipton November sale.

"I think this was the best horse consigned by Northern Farm; he was the top of the top," Tada said. "From his walking to his face, he was perfect."

The Diamond Diva colt will race for a partnership, but Tada said he could not disclose the owners.

Colts stole many of the sale headlines as usual at the JRHA sale, but it was a filly who brought the co-second highest price of the session at ¥150 million and who Katsumi Yoshida said was rated by his stable staff as the most-prized individual in his consignment.

The daughter of Neo Universe (Jpn) (Sunday Silence), sire of G1 Dubai World Cup winner Victoire Pisa (Jpn), is a 3/4-sister to GSW World Ace (Jpn) (Deep Impact), who finished second in this year's G1 Satsuki Sho (Japanese 2000 Guineas). She was produced by German Classic-placed stakes winner Mandela (Ger) (Acatenango {Ger}), a half-sister to European champion and sire Manduro (Ger) (Monsun {Ger}).

The filly was bought by a partnership of Japan Racing Association owners led by Ken Nishikawa, chairman of the Nakayama Owners Association, under the moniker Scuderia.

Nishikawa said the filly, an elegant dark bay, eventually would become a key member of the broodmare band at his Western Farm in Hokkaido.

"She was a very good walker and very well balanced," Nishikawa said. "I thought she was a perfect, faultless yearling and I decided to buy her. The price was a bit higher than I hoped, but I understood I needed to pay it to get her because she was so good."

The other big purchases of the session were:

- A colt by Deep Impact out of French and American GSW Isle de France (Nureyev) who drew a final bid of ¥96 million (\$1,185,186) from relatively new owner Toshihiko Tabata. The colt's granddam is four-time American Grade I winner Stella Madrid (Alydar), who produced Japanese champion Diamond Biko (Jpn) (Sunday Silence).
- A colt by two-time leading Japanese sire King Kamehameha (Jpn) (Kingmambo) and out of a full-sister to champion and sire Fuji Kiseki (Jpn) (Sunday Silence), who was sold for ¥92 million (\$1,135,803) to Mieko Satomi, wife of Hajime Satomi, who heads the corporation that owns arcade and video game maker Sega.
- Another colt by King Kamehameha out of a half-sister to G1 Irish Derby winner Winged Love (Ire) (In the Wings {GB}) and two other stakes winners who was sold to Globe for ¥86 million (\$1,061,729).

While most buyers at the top of the session were experienced players, a bevy of new purchasers jumped into action during the day--and some were not afraid to bid large sums. In fact, one of those, Kenichi Morita, paid ¥80 million (\$987,655) for a chestnut son of Zenno Rob Roy (Jpn) (Sunday Silence) out of 2002 American Horse of the Year Azeri (Jade Hunter) from the Northern Farm consignment.

"He just visited the farm for the first time on Friday and is a totally new person [to racing]," said Katsumi Yoshida.

Masahiro Mita, who recently obtained an owner's license from the Japan Racing Association, visited Northern on the morning of the session and then signed a ¥58 million (\$716,050) ticket for a chestnut filly by King Kamehameha out of G1SW Fusaichi Pandora (Jpn) (Sunday Silence). The filly is from the family of champions El Gran Senor and Try My Best.

Two Australian-based buyers, who just days earlier won prized owners' licenses from the JRA, found the bidding competitive but each prevailed in the ring.

Paul Fudge of Waratah Thoroughbreds, who is being advised by American agent David Ingordo, bought a colt by Heart's Cry (Jpn) (Sunday Silence) for ¥21 million, while Phil Sly acquired fillies by King Kamehameha (¥21 million) and Stay Gold (Jpn) (Sunday Silence) (¥28 million).

"For foreign buyers, it might have been tough because the yen is so strong," said Katsumi Yoshida. "But they did as well as they could under these conditions."

Making an 'Impact'...

While just around 16 hands or a little less, Deep Impact (Jpn) (Sunday Silence) is standing tall as the world's leading sire by progeny earnings this year, and the Yoshida brothers who manage his career at their Shadai Stallion Station in Japan believe the best is yet to come.

In fact, they boldly predict the 10-year-old, whose oldest runners are just four, will become more influential than his own legendary sire, whose legacy he has so rapidly assumed at both racing venues and in the elite Japan Racing Horse Association sale ring.

"He is better than Sunday Silence--it is true," said Katsumi Yoshida, who owns Northern Farm and who pointed out a logical reason for his opinion. "He is covering very, very good mares," Yoshida said, referring in part to the dozens of champions and international Group 1 winners and producers that he and his brothers have been acquiring privately and at the world's leading auction houses to breed to Deep Impact and Shadai's other marquee stallions. Perhaps never before in history has such a broodmare band--now numbering more than 1,400 across the Shadai Group of family farms--seen expanded in quality and numbers in such a concentrated period of time.

Deep Impact's offspring from top mares continue to be in high demand, as it was ever since his first foals were born in 2008. During the JRHA yearling session, Deep Impact generated 20.4% of the gross receipts (¥1,114,000,000 or \$13,753,093) with 13 sons and daughters sold, or just 5.4% of the horses offered.

Japanese breeders are now being joined by leading international breeders such as the Wertheimer brothers and Darley in seeking nominations to Deep Impact, said Teruya Yoshida, owner of Shadai Farm. The interest spiked after the Wildenstein family's homebred fillies by the stallion, Beauty Parlour (GB) and Aquamarine (Jpn), captured this year's G1 Poule d'Essai des Pouliches (French 1000 Guineas) and G3 Allez France.

Katsumi Yoshida

Successes by his offspring this year are many; he has 12 individual stakes winners. In Japan, Deep Impact's son Deep Brillante (Jpn), produced by French Group 3 winner Love and Bubbles (Loup Sauvage), won the G1 Tokyo Yushun (Japanese Derby), while his daughter Gentildonna (Jpn), produced by G1 Cheveley Park S. winner Donna Blini (GB) (Bertolini), proved best in both the G1 Oka Sho (Japanese 1000 Guineas) and G1 Yushun Himba (Japanese Oaks).

Teruya Yoshida used one word to describe what Deep Impact has done so far: "Super."

"This means the blood of Sunday Silence is continuing--on through Deep Impact," he added. "It is amazing--[the potency] is like Northern Dancer and Bold Ruler."

While the breeding season already ended for most Northern Hemisphere stallions, Deep Impact was still covering mares as of July 7. His book for 2012

Deep Impact

contained approximately 250 mares, including, to name just a few, G1 Hollywood Starlet S. winner Laragh (Tapit); G1 Cheveley Park S. winner Serious Attitude (Ire) (Mtoto {GB}); G1 Prix de Diane (French Oaks) winner Sarafina (Fr) (Refuse To Bend {Ire}); and

dual American Grade I winner Dubawi Heights (GB) (Dubawi {Ire}).

Deep Impact's 2012 fee of ¥10 million (about \$125,185) will rise next year, with current discussions hovering between ¥15 million and ¥20 million (about \$187,775 to \$250,369).

Deep Impact already has become something of an industry unto himself, just as Sunday Silence was. His image emblazons T-shirts and his name is embossed on key chains. **Cont. p12**

His progeny have earned \$34.7 million in worldwide racing this year through July 7. His 2012 breeding activities represent about \$31.3 million, and his popularity at the JRHA sale still is escalating.

When the final sale session featuring only foals concludes on July 10, total proceeds for Deep Impact's offspring could easily exceed \$20 million, as he is represented by 16 foals in the catalog--two more individuals than he had in the yearling session.

Foreign-breds Find Buyers...

While the sometimes explosive fireworks at the Japan Racing Horse Association sale can be very alluring, the siren song of millions of yen changing hands doesn't always translate into an ecstatic tune for consignors who are not Japanese.

SF Bloodstock made history during the July 9 JRHA yearling session by offering the first two yearlings bred outside the borders of Japan--including the first by European champion Sea The Stars to be offered at auction anywhere on the globe--and while both colts were sold, the prices were not extraordinary.

The Sea The Stars (Ire) (Cape Cross {Ire}) colt, a bay half-brother to European champion juvenile and G1 Irish 2000 Guineas winner Mastercraftsman (Ire)

(Danehill Dancer {Ire}) consigned through Dr. Harry Sweeney's Paca Paca Farm as [Hip 89](#), drew a final bid of ¥40 million (\$493,828) from Makoto Kaneko.

A leading Japanese owner who raced Triple Crown winner Deep Impact, Kaneko also

bought SF Bloodstock's A. P. Warrior (A.P. Indy) colt ([hip 11](#)) out of Grade I winner Nonsuch Bay (Mr. Greeley) for ¥20 million (\$246,914).

Kaneko indicated he was delighted with his purchases, while SF Bloodstock's Tom Ryan reported that his group felt it was "mission accomplished" while also describing the sale as a "learning experience."

Hip 89

"I went to inspect the horses at Paca Paca Farm and I found that the Sea The Stars colt was a nice individual, by a champion of champions and a half-brother to a champion. I decided I wanted to buy him, but I thought it would be difficult," Kaneko said. "I thought I would have to pay twice the amount I did, so this is a nice surprise. I am very happy to own a colt by Sea The Stars."

"I'm glad we decided to come here; it was an unexplored marketplace," said Ryan. "Now the door is open [for horses that are not bred in Japan]. He added, "We will go home and think about what happened here... It is good to be diversified in the international market...This was a good day's work."

Tom Ryan

Ryan also noted that SF Bloodstock owns the dams of both colts and will further benefit if the yearlings turn into good racehorses in Japan, where the prizemoney is the highest in the world. Nonsuch Bay had a Super Saver (Maria's Mon) colt this year and is back in foal to Sidney's Candy (Candy Ride {Arg}).

Starlight Dreams (Black Tie Affair {Ire}), the dam of the Sea The Stars colt, had a Galileo colt this spring and is in foal to Distorted Humor.

SF Bloodstock maintains mares in North America, Ireland, France and Australia, and also has invested in stallions including G1 Prix du Jockey-Club (French Derby) winner Lope de Vega (Shamardal) and G1 Poule d'Essai des Poulains (French 2000 Guineas) winner Astronomer Royal (Danzig).

TATTERSALLS JULY SALE

July 11-13

WALKING ON THE WILDSIDE

by Emma Berry

The catalogues for Tattersalls' July Sale may have arrived on doorsteps several weeks ago, but what they do not contain are four very exciting wildcard entries, the horses in training **Esentepe (Ire)** (Oratorio {Ire}) (431A), **Penitent (GB)** (Kyllachy {GB}) (431B), **Lily's Angel (Ire)** (Dark Angel {Ire}) (431C) and **Calico Cat (GB)** (Tiger Hill {Ire}) (431D).

Calico Cat can be regarded as something of a July Sale veteran, having passed through the ring this time last year when offered by Darley and snapped up by Chris Beek for 3,200gns. Though the tale has a happy ending, the horse's purchase was somewhat unintentional.

"I wanted to buy Memory Cloth and I had a budget of 10,000gns, but he made 11,000gns. Then his half-brother was the next lot through the ring and I ended up buying him blind," recalls Beek.

"When I got back to the stable and saw him, I thought 'Oh my God, what have I done?' He was heavy and backward. He needed time, which we gave him and I did all the early work with him at home and still ride him out every day."

Calico Cat races under the Chris Beek Racing banner--with colours identical to those of George Strawbridge--and despite having run only four times, the 4-year-old has made quite a name for himself with a startling debut when a running-on third in the G3 Ormonde S.

Calico Cat and Chris Beek (nearside)

Beek says: "I've always enjoyed buying cheap horses and hoping that we can have a bit of fun with them. My racing club is a hobby for me."

"He went to [trainer] Alastair Lidderdale's yard three or four weeks before his run at Chester," Beek said of Calico Cat. "He was always learning and always improving. Everything we threw at him, he coped with. I don't think he's really reached his full potential yet."

With a follow-up maiden win and listed second to Godolphin's grand old campaigner Cavalryman (GB) (Halling) at York, Calico Cat's progression to a rating of 108 would be a dream for most owners, but it has a bittersweet edge for Beek, who is dreading saying goodbye to the horse he has come to regard as family.

“He’s such a kind horse, still a big baby in many ways and I’m very protective of him. I’d love to keep him, but there are five other lads in the syndicate with me and I can’t afford to buy them out. We’ve had lots of interest in him, with offers in the region of £150,000 to £200,000 already.

“I want to start training myself next year and you need a flagship horse to help you get noticed. The only upside for me of selling him is that we should make some profit on him and some of that money can be put back into buying horses with a similar profile.”

The three other wildcard entries also represent a syndicate, the highly successful Middleham Park Racing, which now has 75 horses in training in the UK. Despite Penitent and Esentepe being the team’s first two group winners, they have decided the time is right to sell ahead of reinvesting at the forthcoming yearling sales.

Nick Bradley, bloodstock manager for Middleham Park Racing, explained, “At this time of year, 3-year-old fillies of the calibre of Esentepe and Lily’s Angel are particularly hard to place. We don’t want to devalue them by running them in high-class handicaps. The horses we are selling are our three best horses, but really we’ve been scratching our heads as to where to run them.”

With Esentepe having provided a breakthrough moment for the syndicate when winning the Apr. 18 G3 Nell Gwyn S., in which Lily’s Angel finished third, that success was backed up just nine days later with Penitent’s win in the G2 Bet365 Mile at Sandown. The Cheveley Park Stud-bred 6-year-old has not been with Middleham Park Racing for long, having been bought at the October horses-in-training sale for 40,000gns, but has already won twice in stakes company for his new owners.

“We were chuffed to bits when he won at Doncaster, then Sandown was even better,” said Bradley, who actively encourages syndicate members to get involved in the buying and selling process.

“I think about 20 members will come to the sale to watch the horses go through the ring,” he said. “We’re trying to open up the unseen side of racing. For me, a day at the sales is every bit as exciting as a day at the races.

“We’re prudent buyers. We want to buy the right horse for the right price to give our members as much fun as possible and, hopefully, keep them involved in racing for the long term.”

RACETRACK ROUND-UP

STRONG SUIT & DANDY BOY ADDED TO CUP

Strong Suit (Rahy) and **Dandy Boy** (Ity) (Danetime {Ire}) were yesterday added to the field, at a cost of £30,000 each, and 21 horses remain engaged after the confirmation and supplementary stage for Saturday's G1 Darley July Cup. Strong Suit was a last-out 10th to Frankel (GB) (Galileo {Ire}) in Royal Ascot's G1 Queen Anne S., and Dandy Boy recorded a winning time quicker than that of Black Caviar (Aus) (Bel Esprit {Aus}) when bagging the ultra-competitive Wokingham H. on the same card. **Excelebration** (Ire) (Exceed and Excel {Aus}) was the most high-profile omission, but Aidan O'Brien's Ballydoyle barn--last successful with Starspangledbanner (Aus) (Choisir {Aus}) in 2010--still has three possibles. That trio of sophomores is headed by G1 Irish 2000 Guineas winner **Power** (GB) (Oasis Dream {GB}). Starspanglebanner notwithstanding, Australia has yet to register a win in the six-furlong dash, and Paul Messara trainee **Ortensia** (Aus) (Testa Rossa {Aus}) will bid to break the hoodoo. The MG1SW antipodean became agitated beforehand, and lacked her customary burst, when ninth in Royal Ascot's G1 King's Stand S., but Messara, who saddled Alverta (Aus) (Flying Spur {Aus}) to hit the board two years ago, is hopeful a repeat will not occur. "Everything went wrong prior to the [Royal Ascot] race," he said. "Ortensia didn't handle the parade ring and really broke out in quite a big sweat. When we came to saddling her, she was very heated up and agitated and had run her race before she got there. She ran an average race and pulled up with a bit of a sore back. She also whacked one of her joints, but everything has settled down and I think the Newmarket environment is better. We've done a bit of paddock schooling prior to her work here, so we're hoping it will be more suitable on the day." Other notable engagements include Group 1 winners **Krypton Factor** (GB) (Kyllachy {GB}), **Sepoy** (Aus) (Elusive Quality) and **Society Rock** (Ire) (Rock of Gibraltar {Ire}); and last year's second, third and fourth, **Bated Breath** (GB) (Dansili {GB}), **Hitchens** (Ire) (Acclamation {GB}) and **Libranno** (GB) (Librettist), respectively.

Adena Springs' outstanding broodmare Primal Force has already exerted a powerful influence on the Breeders' Cup, thanks to her sons Awesome Again, winner of the Classic in 1998, and Macho Uno, who defeated Point Given and Street Cry in the Juvenile two years later. Since then, we've seen Awesome Again supply four G1 Breeders' Cup winners, headed by the Classic-winning Ghostzapper.

Now it looks as though Awesome Again and Macho Uno could play an important role in this year's renewal at Santa Anita. Awesome Again's son Game On Dude--runner-up to Drosselmeyer in last year's Classic at Churchill Downs--showed he is in fine form once again with his victory in Saturday's G1 Hollywood Gold Cup, which guarantees him a place in the Classic line-up at his beloved Santa Anita.

Macho Uno's impressive son Mucho Macho Man could also earn an automatic place in the Classic line-up if he succeeds in winning the Aug. 4 GI Whitney H., which is his possible next objective. Mucho Macho Man already has a victory over another Classic Challenge winner, the GI Stephen Foster victor Ron the Greek, in the Florida Sunshine Millions Classic. His record of three wins from four starts as a 4-year-old suggests he is now fully recovered from his Triple Crown exertions last year, which saw him miss second place in the Kentucky Derby by only a neck.

Mucho Macho Man's decisive victory in Saturday's GI Suburban H. was very timely, coming on the day that Darley announced that his grandsire Holy Bull has been pensioned at the age of 21. Although it was Giacomo who provided Holy Bull with his greatest triumph by winning the 2005 Kentucky Derby, it looks at the moment as though Macho Uno is going to be his most important stallion son.

It hasn't all been plain sailing for Macho Uno. While his juvenile record of three wins and a narrow defeat earned him the title of champion 2-year-old colt, his subsequent career didn't quite match up. Injury meant that he had to miss the Triple Crown events, but he returned in the second half of the year to defeat Unbridled Elaine in the GIII Pennsylvania Derby and to finish fourth of 13 behind Tiznow, Sakhee and Albert the Great in the Breeders' Cup Classic.

Although these efforts earned Macho Uno an International Classification rating of 120, this placed him 10 pounds below his old rival Point Given. It was a similar story at four, when his rating fell to 116, some eight pounds below Street Cry, after he had won the GI Massachusetts H. and finished fifth in the Breeders' Cup Classic.

Although the intention was for Macho Uno to race on at five, he never made it to the races, which meant that it was more than three years after his most important win that he covered his first mares. The Adena Springs team decided his best chance of success would come from basing him at their Florida branch, rather than in Kentucky.

The move paid off, as Macho Uno attracted a total of 424 mares in his four seasons in Florida. His first crop raced in 2007 and did so well that the son of Holy Bull was moved to Adena Springs' Kentucky branch.

That first crop got off to a fine start when the flashy Wicked Style won the GI Lane's End Breeders' Futurity and the eye-catching results continued in 2008, when Harlem Rocker took the Prince of Wales S. and GIII Withers S. (and also lost first place in the GI Cigar Mile in the stewards' room). That was also the year Macho Again won the GI Jim Dandy S. as a prelude to his success in the GI Stephen Foster H. as a 4-year-old.

Consequently, Macho Uno stood his first two seasons in Kentucky at increased fees--\$20,000 in 2008 and \$25,000 in 2009. Therefore his 2009 and 2010 crops, which respectively number around 90 named foals and 85 named foals, theoretically represent his best chance of continued success. The 2009 crop is shaping up well, with Potesta (GI Hollywood Oaks), Livi Makenzie, Macho Macho, Macho Bull and Aggressive Elegance among them.

Unfortunately, Macho Uno's 2011 crop numbers only 37, but a reduction in his fee saw his book increase to 75 in 2011.

Mucho Macho Man comes from the fourth and last of Macho Uno's Florida crops, and his pedigree reflects his roots. His dam Ponche de Leona is by Ponche, an Ocala Stud stallion who shared the same sire, Two Punch, as the fast and precocious Smoke Glacken. Ponche raced from two to seven, collecting five stakes wins over sprint distances, four of them at Calder. He sired only a handful of stakes winners from 134 foals, but Ponche de Leona was one of the most successful.

What should we expect from a champion turf horse whose career could be summarized as follows: at two won his only start, at Saratoga; at three won nothing more important than a Grade III, despite earning more than \$1.1 million; at four became a triple Grade I winner on turf; and at five enjoyed his finest season, with the Breeders' Cup Turf boosting his career total of Grade I victories to an impressive six?

To this can be added the fact that his sire Smart Strike didn't race at two and enjoyed his best season at four, and that his broodmare sire Theatrical was another who saved the best till last, also winning the Breeders' Cup Turf on the way to the Eclipse turf award at five.

The only obvious conclusion is that this horse--English Channel--wasn't likely to make an instant impact when his first juveniles raced last year. Bearing in mind that Smart Strike owes roughly a third of his progeny earnings to his turf performers, it would also be fair to conclude that English Channel's progeny would show a penchant for grass.

On the limited evidence available from English Channel's first crop of 102 foals, it appears that the best of them are maturing very nicely. Whereas English Channel's sophomore season saw him win the Woodlawn S. in May, the Colonial Turf Cup in June and the GIII Virginia Derby in July, his son Strait of Dover won the Marine S. in May and the Queen's Plate in June. And now his well-bred son Blueskiesnrainbows--from the family of Lyphard, Nobiliary, Urbane, No Review and Another Review--has won the GI Swaps S. The chances are that we will be hearing plenty more from English Channel, even though he will have to labor under the common modern-day handicap of having a second crop which is markedly smaller than his first.

TDN TODAY

Headline News..... 17 pages

Although Blueskiesnrainbows has yet to prove he's equally effective on turf, English Channel's credentials as a turf sire are already firmly established. His other stakes winner last week, the progressive filly Trois Aureole, scored on turf, as did his earlier 2012 stakes winners Skyring and Star Channel. With Optimizer (placed three times at graded level), Ann of the Dance, Easy Crossing, Seanchai, Captain Webb and Channel Quest among his black-type performers, the Lane's End stallion is building a healthy total of stakes horses for a horse who shone principally at the ages of four and five.

If you believe in nicks, and have a pot full of money, you could do worse than track down a daughter of Silver Hawk with a view to sending her to Galileo. Seven daughters of the former Airdrie stallion have a total of 10 foals of racing age by the three-time champion sire. Nine of them have raced and no fewer than six of them have earned black type.

Among them are Nathaniel and his sister Great Heavens, who scored a tremendous group-race double three days ago, when Nathaniel took the G1 Coral-Eclipse and Great Heavens the G2 Lancashire Oaks. These two have *Racing Post* ratings of 129 and 115, respectively. Another top performer in the group is Seville, whose rating of 120 reflects his seconds in the G1 Irish Derby and G1 Grand Prix de Paris. Then there's the German listed winner Namibia and the listed-placed winners Aristocrat and Aigue Marine.

Galileo has also sired group winners from mares by three other sons of Roberto, so it's not all about Danehill!

VELAZQUEZ CONTINUES TO MEND Jockey John Velazquez expects to begin exercising horses next week as he continues to heal from a broken collarbone and injured kidney suffered in a spill at Churchill Downs June 16. "I saw Dr. [Stephen] O'Brien today, and he said I was healing very well," Velazquez said. "After that, I will just have to play it by ear. Hopefully it won't be too much longer before I can race again, but I want to make sure I'm strong enough to compete before I get back to riding."

DAYLIGHT RIDE (f, 3, [El Prado](#) {Ire})--[Going Day](#) {SP-Fr}, by [Daylami](#) {Ire}) was fifth after a problematic trip in her career debut sprinting over the Gulfstream turf Jan. 12. Most recently, the bay went off the even-money choice while routing for the first time at the Hallandale oval Feb. 12, but could only finish seventh--beaten 6 3/4 lengths--after a rough start. Backed down to 6-5 while returning from the layoff, the homebred was eager out of the gate, but was quickly eased back into a stalking position behind a modest opening pace. Unraced as a juvenile, Aklan opened his account at first asking with a Apr. 22 Curragh maiden win, but slipped off the board when fourth in June 8 Listed Nijinsky S. at Leopardstown and when sixth in the Listed Martin Molony S. at Limerick two weeks later. He raced fourth until inching closer on the home turn. Making his challenge full of run in early stretch, the homebred grey came under a forceful drive inside the final quarter mile to register a first black-type score in a blanket finish. "He started the year well and won well at the Curragh," trainer John Oxx told *irishracing.com*. "He ran okay on his second start, although he was very green. I thought he would run well at Limerick, but there was no pace there and that didn't suit him. There was a reasonable pace today and he handled the ground and stayed well. He was probably in front a bit soon and wandered around. He might now go for the [July 19 Listed] Challenge S. at Leopardstown."

AUSTRALIAN OWNER GEOFF WHITE DIES

Renowned Thoroughbred owner and breeder Geoff White, who along with his wife Beryl had been involved in Australian racing over the last five decades, died in Sydney yesterday. He was 81.

Included among the horses campaigned by the couple were multiple Group 1 winners Eremein (Aus) (Timber Country), Triscay (Aus) (Marscay {Aus}) and Yippio (Aus) (Interstellar {NZ}) and Marscay (Aus) (Biscay {Aus}), winner of the 1982 G1 Golden Slipper.

"Geoff was revered as an owner and a breeder," said Australian Turf Club Chairman John Cornish. "He was generous, approachable and extremely knowledgeable. His family were deeply involved, and continue to be involved in the industry and the ATC would like to greatly acknowledge their contribution."

Added ATC life member Bill Picken, also a director of the former STC, "Geoff and Beryl have both been wonderful ambassadors for the industry. They were tremendous supporters of their horses; it didn't matter whether it be a Saturday or mid-week meeting."

The Whites, who became associated with Rosehill trainers, the late Jack Denham and later his son Allan following their arrival in Sydney, also enjoyed success with Group 1 winner and leading sire Filante (NZ) (Star Way {GB}), whose time in the one-mile Epsom H. in 1996 (1:33.33) remains the fastest recorded in the Randwick Classic.
